

Mathematics Leadership Collaborative November Featured Speaker

Katie Wyatt

California Coalition for Inclusive Literacy Coordinator
[Santa Clara County Office of Education](#)

Wyatt has been a Santa Clara County 5th and 6th grade teacher, a site and district instructional coach, and is now the Coordinator for the California Coalition for Inclusive Literacy serving as a UDL Implementation Specialist. Her session will address how to remove barriers in the classroom environment by designing options to encourage students to become expert learners, explore how they learn best, and have agency over their engagement with mathematics.
