

Santa Clara County Office of Education- iSTEAM Science Middle School Support Series

November 2nd, 9th, 16th and 23rd

Santa Clara County Office of Education is dedicated to supporting middle school educators and the many challenges of Distance Learning.

This one-hour weekly series will be for middle school teachers to network, learn and share strategies for successful NGSS instruction in your current setting. The meeting will start as whole group session and we will break out into grade-level teams. We will share resources, lessons, and units that can be adapted to distance learning. We will provide Next Generation Science Standards and 3-Dimensional Science Support. Everyone is welcome.

3:30 to 4:30 p.m.
