### **Green sole applicant for County Board of Education seat**

**SAN JOSE, CA** – The Santa Clara County Board of Education will convene on Wednesday, May 15, to consider the provisional appointment of Darcie Green as Board Trustee of Area 6, as she was the sole qualified applicant for the seat.

Green resigned from the board in March as the result of concerns that had been raised regarding whether her residence lay within the original or revised boundaries of the trustee area. She since has moved, and her present residence is within the required boundary.

After her resignation, interested parties were invited to apply to fill the vacancy. However, only one other person submitted an application, and it was determined that his residence is not within the required boundary.

Green, who formerly served on the Board of Trustees for the Alum Rock Union School District, originally was selected by the County Board of Education in October to assume a seat made vacant in August.

The provisional appointment for Trustee Area 6 will last until the term of office of the seat expires in November 2014.

The County Board of Education is scheduled to meet on Wednesday at 5 p.m., in the San Jose Room of the Santa Clara County Office of Education, 1290 Ridder Park Dr., San Jose. For more information, visit <http://www.sccoe.org/supandboard/countyboard/>.
