

IMPACT Weekly

May 28, 2025

As the school year comes to a close, let's take a moment to reflect on the accomplishments everyone has made.

Students learned new things, overcame challenges, and found their voices. Teachers sparked curiosity, showed care, and helped students succeed. Families stood by, offering support and encouragement.

Even though school is ending, learning doesn't stop. It continues in the questions we ask, the kindness we show, and the goals we set for ourselves. Whether you're starting summer break, heading to high school, or just looking forward to what's next, be proud of all you've done.

Rest, recharge, and come back ready for what's ahead. The best is yet to come!

JUNIOR COMPUTER SCIENCE CHAMPS 2025

3rd - 6th Grade

Young CS Thinkers Challenge 2025 — a one-hour journey into the world of Computer Science!. Students will be evaluated on their understanding of number systems, expression notations, Boolean logic, and graph theory through 15-20 questions.

The Bay Area Champion will be hosting the Junior Computer Science Championship and STEM Challenge Science Fair for children from 3rd to 8th Grade. Get students involved over the summer with a challenge designed to spark creativity and critical thinking.

- Junior Computer Science Championship will be on November 16, 2025
- STEM Challenge Science Fair will be on August 24, 2025

For more information about this event, visit: BayAreaChampion.com

Santa Clara County Parks Library Parks Pass Program

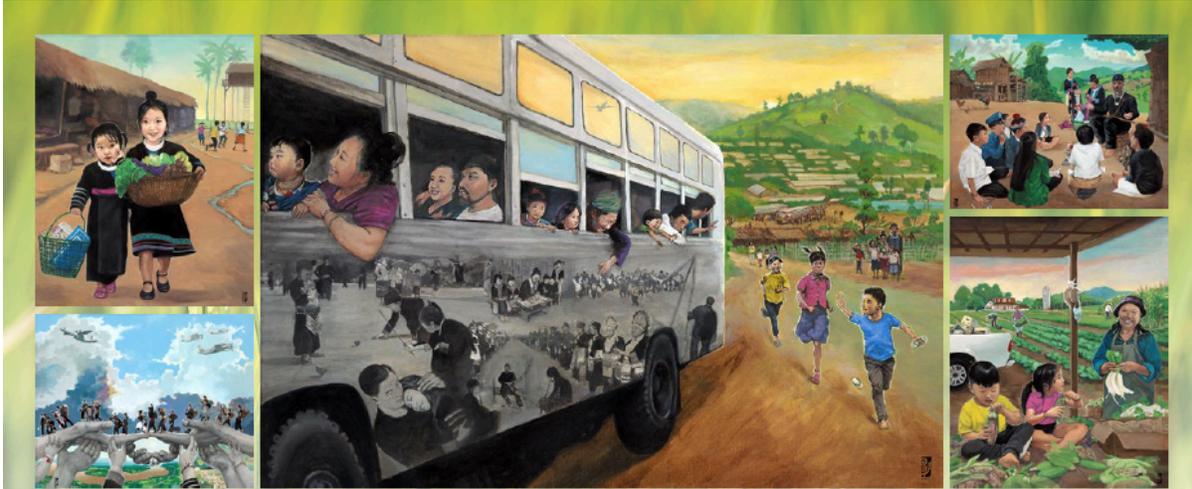

The Santa Clara County Parks Library Parks Pass Program continues in 2025. Library cardholders can check out a vehicle pass from any of our partnering libraries for up to three weeks.

Speak with a librarian to check out a pass so you can visit many of our beautiful parks for free. When you are done with the pass, scan the QR code on the back to fill out a brief survey and be

entered into a raffle for Parks Annual Pass!

For more information, visit <https://parks.santaclaracounty.gov/library-parks-pass>

SJPL Educator Library Card

San José educators can now get a special library card that allows for an extended checkout and renewal period and no fines on overdue materials. Fill out the form on the San Jose Public Library website to request your Educator's Card. You will receive an email with your new card number in a few days. The actual card will be mailed to you.

To learn more visit: <https://www.sjpl.org/educator-card/>

CA Mathematics Framework Series

Equitable & Engaging Pedagogy in Practice

Summer Series starts July 21, 2025

California Mathematics Framework series

During this summer installment of our California Mathematics Framework series, we will explore how the framework impacts current math teaching practices, experience math in a way that engages all learners, and examine ideas from the framework to prepare for the upcoming curriculum adoption process. The series starts July 21, 2025.

For more information and registration, please visit <https://sccoe.to/2025SummerCMFSeries>
