

Professional Development

The [SCCOE Professional Learning Portal](#) provides a comprehensive list of SCCOE professional learning opportunities and events offered to teachers, administrators, coaches, support staff, parents/guardians, students, and partners. As soon as an event registration is open to the public, it shows up at the PL Portal in real-time. In addition, portal visitors can use the interactive feature to search for SCCOE professional offerings and events by category, program, keywords, and date range.

Professional Development Highlight

A graphic for the CA Mathematics Framework Series. It features the SCCOE logo and the text "CA Mathematics Framework Series". Below this is a stylized illustration of three people (two adults and one child) sitting on large mathematical symbols (a plus sign, a fraction bar, and a decimal point) and books, surrounded by mathematical symbols like a large '4', '8', and 'T'. To the right, the text "Piloting & Adopting Instructional Materials" is displayed.

As LEAs across California pilot and adopt new math materials, the real opportunity lies in using curriculum as a catalyst for meaningful instructional shifts. This series

supports educators, leaders, and adoption teams in making equity-centered decisions aligned with the California Mathematics Framework. Together, we'll explore tools and practices that center student thinking, elevate educator voice, and sustain long-term pedagogical growth. Join us in this three-session workshop starting on **February 25, 2026 from 9:00 a.m. - 12:00 p.m.**
