# Message from the SCCOE Superintendent, Dr. Dewan

Hello Everyone

I want to send everyone good wishes as our summer months have officially started. I know the weather is warm and everyone is looking forward to some time off to rest and recharge. Please make sure to remain vigilant in your efforts to stay safe and healthy as we begin our summer season. Let's continue the hard work of keeping the spread of COVID-19 to a minimum. Remember to wear a face covering and observe the physical distancing guidance of at least 6 feet space between you and others. Additionally, this week new testing sites have become available. So, check the information below to find out details on a location near you. As we work together this summer in preparation for the

2020-2021 school year, please remember to be patient, kind and supportive of one another; this is a new journey that we are all on together

Be Well,

Dr. Mary Ann Dewan County Superintendent of Schools

#### June is Pride Month

The County of Santa Clara Office of LGBTQ Affairs and the Behavioral Health Services Department are offering free online LGBTQ+ trainings for all caring adults connected to middle and high schools across the county. LGBTQ youth are at a higher risk during the COVID-19 crisis, and this free training will help you, your educators, and staff mitigate some of these harms. As we continue to shelter-in-place, we wanted to make you aware of this training opportunity that is completely online and can be taken whenever your schedule allows.

Step In, Speak Up! is an interactive online training where users will gain exposure to LGBTQ+ terminology and participate in simulated conversations. Users will learn how to respond to biased language, address harassment in the classroom, and support a young person experiencing mental health issues, including suicidal ideation. This 30-minute training allows participants to role play conversations, try different approaches, and get personalized feedback to gain the confidence and skills to navigate LGBTQ+ conversations in real life. All middle and high school teachers, staff, volunteers, and administrators are encouraged to take this training. Read more about Step In, Speak Up! here.

The online training is made available schools, districts, parent organizations, etc, <u>for free</u> as long as you complete it by June 30. If interested, <u>register here!</u>

If you have any additional questions about the registration form, the training, or would like a demo, please email contact The Office of LGBTQ Affairs at <a href="mailto:schoolpride@ceo.sccgov.org">schoolpride@ceo.sccgov.org</a>.

Now is the time to clearly articulate your values, vision, and mission. The current crisis has called for an increase in collaboration, innovation, and creativity between school leaders and teachers while addressing the gap in access and inclusion within education. Making sure to address ALL student populations while delivering higher-quality online, asynchronous or blended instruction by the fall will take a huge amount of planning and work -- and it should start soon, if not now.
