EQUITY | DIVERSITY | INCLUSION | PARTNERSHIP

### Message from the SCCOE Superintendent, Dr. Dewan

Hello Everyone,

As the summer flies by, it is difficult to believe that we are already halfway through July and are approaching the new school year. There continue to be many questions around what school will look like in the fall. Our districts in Santa Clara County are working tirelessly to develop plans that will best meet the needs of students and staff. Please continue to take good care of yourself and others and practice kindness as everyone continues the difficult and complex work of planning for the 2020-21 school year.

Be Well,

Dr. Mary Ann Dewan  
County Superintendent of Schools

The current crisis has called for an increase in collaboration, innovation, and creativity between school leaders and teachers while addressing the gap in access and inclusion within education. Making sure to address ALL student populations while delivering higher-quality online, asynchronous or blended instruction by the fall will take a huge amount of planning and work -- and it should start soon, if not now.
