Message from Dr. Mary Ann Dewan, County Superintendent of Schools

Dear Santa Clara County Community,

From September 15 to October 15, National Hispanic Heritage Month is celebrated in the United States. This is a time to celebrate and educate oneself about the people of Hispanic heritage who have contributed to the history of the United States.

According to Census.gov, almost 500,000 of the people living in Santa Clara County are Hispanic or Latino. In our schools specifically, over 90,000 of our youth were Hispanic/Latino identifying in the 2021-22 school year. This is by far the largest ethnic group in Santa Clara County.

Santa Clara County has been positively impacted by Hispanic advocates for many years. Advocates like civil rights trailblazers Cesar Chavez and Dolores Clara Fernández Huerta are integral to Santa Clara County's history and those who live in the county today.

Here are some resources to learn more about the history and heritage of the Hispanic community:

By celebrating and uplifting others, we are able to learn more about ourselves and our community.

We are #StrongerTogether.

Be well,

*Mary Ann Dewan, Ph.D.*
