Message from the County Superintendent of Schools, Dr. Mary Ann Dewan

Hello everyone,

As we look to celebrate Independence Day on July 4th, it is an excellent time for us to reflect on the meaning of citizenship. For nearly two and a half centuries, our Nation has served as a symbol of hope for those seeking sovereignty. Independence Day reminds us to be grateful for our democracy, the opportunities it provides, and the courageous people who have served and sacrificed to preserve and protect our liberties.

America is working through a challenging period in our history. We have always overcome difficult times through bravery, courage, and foresight. Our democracy can serve to unite us in a shared purpose and serve something bigger than ourselves. We are ambassadors for the values to which this day is dedicated. Let us continue to care for our neighbors and be generous to those who are in need.

Happy 4th of July. We wish you a joyful and safe celebration of this important day in our Nation's founding history.

Be well,

Mary Ann Dewan, Ph.D.

- 

Respect choices that others make for their own health

Remember that vaccination status may vary, sometimes for reasons beyond a person's control. If you are asked to wear a mask, even if you are vaccinated, wear one.
- 

Celebrating outside is still the safer choice
- 

Don't forget sun protection, food safety, and fire safety!
