Mission and Vision

The Opportunity Youth Academy (OYA) strives to break the cycle of poverty by providing students, who have dropped out of school or are otherwise disengaged from school, the opportunity to complete their high school education. OYA views disengaged students as ‘At-Promise’ as opposed to ‘At-Risk’. To that end, OYA’s organizational mission is to provide a premier high school reengagement program engaging students through relationship-focused, high-tech, and rigorous learning experiences resulting in students and graduates being **“Ready to Learn, Ready to Work and Ready to Live”**.

OYA DASS Certified

- Dashboard Alternative School Status (DASS) is for schools that serve high-risk students.
- Schools that participate in DASS have their information displayed on the same Dashboard and measured on the same set of indicators as non-alternative schools but with modified measures i.e. Graduation Rate.
- OYA did not automatically meet the state's criteria for an alternative school, upon submission of student data and certification of that data by the OYA governing board, OYA was included in the DASS program.
