BACKGROUND:

California Education Code sections 41507 and 41572 require each school to consolidate all school plans for programs funded through the Consolidated Application and Reporting System, into the School Plan for Student Achievement (SPSA).

The School Plan for Student Achievement (SPSA), formerly known as the Single Plan for Student Achievement is completed annually by school sites accepting federal funds. Through a stakeholder engagement process including staff, students, and parents, OYA set goals and budgets to support student achievement and student and parent engagement. The SPSA goals are aligned with the OYA LCAP goals.

On 5-25-2021, the School Site Council revised and approved the SPSA to include updated budget information.
