

Parent Engagement Program – 2021-2022

Parent Project Jr. with CCSS Support Webinar Series

Parents want to develop and support healthy relationships with their children! Enroll your school or district and invite parents to attend this 6-part webinar series in Fall 2021 or Spring 2022. Sessions will be in both English and Spanish.

Parent Project Junior is a six-session workshop series for parents of Transitional Kindergarten – 5th grade students. Using a culturally sensitive manner, this interactive workshop series combines parenting strategies with Common Core Math and Literacy activities so that parents may understand how to lovingly parent and support their child's growth and learning.

Topics include: Parenting the strong-willed child, parental influence, encouraging positive choices, structuring for success, and improving school performance. We will also provide support for Common Core reading, writing, and math.

For more details and terms of training, please visit <http://bit.ly/PEPWorkshops2021-22>.
