Curriculum Leadership Council

Summer Institute 2014-15

Join us as we partner with leading experts in the field and explore topics that include 21st century literacy, global competence, innovation, assessment, rigorous instruction, and problem/project-based learning.

The summer institute and follow-up sessions will support districts as they move to full implementation and integration of:

- *Common Core State Standards (CCSS)*
- *English Language Development (ELD) Standards*
- *English Language Arts/
English Language Development Framework*
- *Next Generation Science Standards (NGSS)*

The Summer Institute provides a week of authentic engagement with three important strands: Science, Technology, Engineering, Arts, and Math (STEAM); Multilingual Education; and Leadership. CLC will look at supporting all students in progress for excellence, including English learners, students with special needs, and Gifted and Talented Education (GATE) students.

June 23-27, 2014

8 a.m. – 3:30 p.m.
