

# Literacy Academy

## *Struggling Readers in 3<sup>rd</sup>-5<sup>th</sup> Grade*

### 2-Day Series (Fall)

This series will focus on discovering the fundamental knowledge in effective standards-aligned and research-based reading and assessment practices for readers at all levels (including English Learners and students with literacy-related dyslexia) and will provide specific routines for immediate use with students.

#### Day 1

- Learn about phonological awareness, decoding and word attack, fluency, vocabulary, and comprehension skills and their relationship to struggling readers
- Understand the importance of vocabulary knowledge to reading comprehension
- Know how to apply morphology and multisyllabic word reading

#### Day 2

- Understand the factors that contribute to and affect reading comprehension
- Understand how to use reading assessments as a basis for instructional decision making

Friday, October 18, 2019 and  
Tuesday, November 19, 2019  
8:30 am – 3:00 pm
