

# Education Sector Vaccination Guide

Effective February 28, all employees supporting early learning, childcare, K-12 education, and higher education became eligible to receive the COVID-19 vaccine.

## Eligibility

- All formal and informal childcare workers, including daycare providers
- All staff in colleges, universities, junior colleges, community colleges, and other post-secondary education facilities
- All staff in educational support services and administration
- All staff in Pre-kindergarten, elementary, middle, and high schools
- All staff in technical and trade schools
- Any other workers involved in child and/or student care, including school bus drivers and monitors, crosswalk guards, etc.

## Register for My Turn

**My Turn** is where Californians can find out about eligibility for the COVID-19 vaccination and make appointments. Register at [myturn.ca.gov](https://myturn.ca.gov).

## Appointments/Sites

If you live or work in Santa Clara County, you are encouraged to make your appointment as soon as possible.

New appointments/sites open daily.

## What to Bring to the Appointment

Bring a government-issued photo ID showing residence. You will be asked to sign a document acknowledging you work in the education sector as listed above.

## Stay Safe after Vaccination

It is important to continue wearing your mask, washing your hands, and maintaining 6 feet of distance following vaccination. Continue to get tested regularly. Find testing information at [www.sccfreetest.org](https://www.sccfreetest.org)

## Together, we can overcome this!

Vaccinating the education and childcare sector is uplifting and gives us hope that steady progress is being made. Updates about vaccinations can be found at [www.sccfreevax.org](https://www.sccfreevax.org).
