SEXUAL HARASSMENT (continued)

School-Level Complaint Process/Grievance Procedure

1. **Notice and Receipt of Complaint:** Any student who believes he/she has been subjected to sexual harassment or who has witnessed sexual harassment may file a complaint with any school employee. Within 24 hours of receiving a complaint, the school employee shall report it to a SCCOE Principal. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Principal, whether or not the victim files a complaint.

In any case of sexual harassment involving the Principal to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall instead report to the Santa Clara County Superintendent of Schools or designee.

2. **Initiation of Investigation:** The Principal shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The SCCOE shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

If the Principal receives an anonymous complaint or media report about alleged sexual harassment, he/she shall consider the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment in determining whether it is reasonable to pursue an investigation.

3. **Initial Interview with Student:** When a student or parent/guardian has complained or provided information about sexual harassment, the Principal shall describe the grievance procedure and discuss what actions are being sought by the student in response to the complaint. The student who is complaining shall have an opportunity to describe the incident, identify witnesses who may have relevant information, provide other evidence of the harassment, and put his/her complaint in writing. If the student requests confidentiality, he/she shall be informed that such a request may limit the SCCOE ability to investigate.
4. **Investigation Process:** The Principal shall keep the complaint and allegation confidential, except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

SEXUAL HARASSMENT (continued)

The Principal shall interview individuals who are relevant to the investigation, including, but not limited to, the student who is complaining, the person accused of harassment, anyone who witnessed the reported harassment, and anyone mentioned as having relevant information. The Principal may take other steps such as reviewing any records, notes, or statements related to the harassment or visiting the location where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the Principal also may discuss the complaint with the County Superintendent or designee, the parent/guardian of the student who complained, the parent/guardian of the alleged harasser if the alleged harasser is a student, a teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth, law enforcement and/or child protective services, and legal counsel or SCCOE risk manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. **Interim Measures:** The Principal shall determine whether interim measures are necessary during and pending the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher.
6. **Optional Mediation:** In cases of student-to-student harassment, when the student who complained and the alleged harasser so agree, the Principal may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree, and he/she shall be advised of the right to end the informal process at any time.
7. **Factors in Reaching a Determination:** In reaching a decision about the complaint, the Principal may take into account:
 - a. Statements made by the persons identified above
 - b. The details and consistency of each person's account
 - c. Evidence of how the complaining student reacted to the incident
 - d. Evidence of any past instances of harassment by the alleged harasser
 - e. Evidence of any past harassment complaints that were found to be untrue

SEXUAL HARASSMENT (continued)

To judge the severity of the harassment, the Principal may take into consideration:

- a. How the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them
 - d. The number of persons engaged in the harassing conduct and at whom the harassment was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different students
8. **Written Report on Findings and Follow-Up:** No more than 30 days after receiving the complaint, the Principal shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Principal shall notify the student who complained and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If sexual harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the County Superintendent or designee.

In addition, the Principal shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Principal shall also make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

Enforcement of SCCOE Policy

The County Superintendent or designee shall take appropriate actions to reinforce the sexual harassment policy. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 5125 - Student Records)
