This Learning Path is designed for K-12 classroom teachers, administrators, and instructional coaches. Participants can register and complete Learning Paths at any time. Cost is $129 for Educators in Santa Clara County Districts and $149 for non-Santa Clara County Districts. Three optional university credits are available for an additional $210.

PARTICIPANTS WILL:
• Increase their understanding of the CA ELD Standards
• Gain fluency in navigating the ELD Toolkit
• Improve the application of ELD Standards in integrated and designated ELD lessons
• Access practical tools and strategies for addressing integrated and designated ELD instruction
• Expand their professional network for sharing and collaborating
• Gain 24/7 access to Learning Path materials, including 28 designated ELD planning guides and the online community

STRUCTURE:
Three modules that can be completed in about 16 hours in either an independent, asynchronous environment or within a blended session, including:
• Lively, asynchronous discussions
• Interactive social learning activities
• Engaging videos
• Application of Learning Path content to professional practice
• 24/7 access to course materials and the online community

OBJECTIVES:
• Explore Part II of the California ELD Standards
• Navigate the ELD Toolkit and locate key resources
• Apply the ELD Standards to the development of an integrated and/or designated ELD Lesson
• Implement an integrated and/or designated ELD lesson, and reflect on its efficacy
