Preparing for National History Day? Looking to learn ways to improve performances in preparation for the County competition? Experience an impactful storytelling presentation from a storyteller, and gain tips for performance, practice, and preparation that will transfer in multiple facets of school and beyond.

Marty Brounstein will offer an engaging storytelling presentation and share an inspirational and educational story from his book *Two Among the Righteous Few: A Story of Courage in the Holocaust*. *Two Among the Righteous Few: A Story of Courage in the Holocaust* is a true story about a Christian couple in the Netherlands who, despite great risk and danger, saved the lives of over two dozen Jews from certain death during World War II and the Holocaust.

After listening to, and discussing, this special story, participants in the second part of the workshop delve into the keys for preparing and delivering impactful presentations:

- Tips to follow for organizing the content and materials for a presentation
- Tips for delivering a presentation with confidence and clarity
- A little practice for your presentation, the 30-second commercial
