Blueprints for Effective Leadership and Instruction for our English Learners’ Future (B.E.L.I.E.F.) Workshop

The B.E.L.I.E.F. professional learning modules support district and site administrators with implementation of both integrated and designated ELD. The six modules include current ELD research; opportunities to deepen understanding of integrated and designated ELD; activities to analyze, reflect upon, and refine programs for English learners in your school or district; and follow-up activities to use with staff to support implementation.
