Plan for Expelled Youth
Educational programs within Santa Clara County provide numerous opportunities for students who are in need of traditional and/or alternative education programs. While individual school districts offer a broad spectrum of service and the County Office of Education offers additional options, this combination provides a continuum of alternatives to expelled students.

A student whose behavior has resulted in expulsion is given a rehabilitation plan that is designed by the district of residence. This plan may involve one or more of the options outlined. A student who is simply in need of an educational alternative may also access these programs through a district and/or County referral process.
SANTA CLARA COUNTY/LOS ALTOS SCHOOL DISTRICT
PLAN FOR EXPELLED YOUTH

(Education Code)

Education Code – 48926

Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no late than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30th thereafter.

Education Code – 48916.1

a) At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion, but only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.
Los Altos School District will offer the following options for expelled youth, depending on the specific offense and Education Code violation:

1) suspended expulsion with placement on the same school campus;
2) suspended expulsion with placement on a different school campus within the District;
3) expulsion with referral to the North County Community Day School program or other Community Day School program operated by a district in Santa Clara County;
4) expulsion with referral to the Santa Clara County Office of Education Court and Community School/Day Center Program.

Actual referral to such a placement is made by the District Governing Board, with recommendations from the District Discipline Review Board, SARB, or a similar District referral process.
COUNTY OFFICE OF EDUCATION OVERVIEW

The Santa Clara County Office of Education will continue to provide an educational option for expelled students. This program is one that fits in the continuum of educational care as outlined. The philosophy of each individual school district affects how the Santa Clara County Office of Education Community School program will meet the needs of that particular school district. Some school districts use the Santa Clara County office of Education program as an educational option for those students expelled under a district “zero-tolerance” policy, while others use this program as a student assistance or placement alternative. The Community School is a permissive educational program that provides the local school districts with another educational option for their expelled youth.

LOS ALTOS SCHOOL DISTRICT OVERVIEW

COUNTY AND DISTRICT GAPS AND STRATEGIES IN EDUCATIONAL SERVICES

There are seven major gaps that exist in respect to providing educational services to expelled pupils. Following each gap is the County/District strategy for addressing these gaps.

1. It is possible under Education Code 48916.1 a. that a student would not be expelled. As an example, a student who has been expelled from the District under Education Code 48915 and referred to either a district Community Day School or a County operated Community School program could omit another violation of Education Code 48915 and ultimately be referred back to the original District.
   **County/District strategy for addressing this gap:**
   * Districts who have developed a district Community Day School will have the option to refer appropriate students to this program (if funded).

2. Students who have failed their placement in district Community Day Schools may be referred to other district programs or to a county operated Community School. If the student fails the program or commits another expulsion type offense, there may not be any viable alternatives remaining.
   **County/District strategy for addressing this gap:**
   * The Santa Clara County Office of education will continue to provide educational services to those eligible students placed or referred to the Court and Community School/Day Center program.
   * Districts will continue to use existing educational strategies and programs to meet the needs of expelled students.

3. Small school districts within Santa Clara County generally expel very few students during the course of a school year; so few students are expelled that having a special class or program for such students, located in each district, is not financially or geographically possible.
   **County/District strategy for addressing this gap:**
   * Regional program may be developed to reflect geographical or limited numbers.

4. Students, who are expelled by individual small school districts, and by the combined small school districts within Santa Clara County, vary as to age, grade level, and expulsion offenses. The wide range of age, grade level, and seriousness of offense make it difficult to provide appropriate programs for these this district(s).
   **County/District strategy for addressing this gap:**
   * Regional program may be developed to reflect geographical or limited numbers.
   * Los altos School District has joined the North County Community School partnership and contributes funds to guarantee space for them.
5. There are significant geographical distances between local mall districts, thus district or county operated classroom sites/programs for small school districts would require either extensive busing, which is not financially feasible for the county, or parent provided transportation, which is often impossible for the parents.

   **County/District strategy for addressing this gap:**
   * Regional program may be developed to reflect geographical or limited numbers.

6. Students in grades one through six who are expelled do not have the same educational options available as do expelled youth who are in grades seven through twelve, due to the limited numbers of students are expelled in these lower grades. These younger students cannot attend the programs designed for middle and high school students. The numbers are growing, but generally are not enough to develop an elementary school classroom or program.

   **County/District strategy for addressing this gap:**
   * Regional program may be developed to reflect geographical or limited numbers.

7. The district Community Day School option for expelled students, as described in current California Education Code, is difficult for the local districts to develop due to the following reasons:

   a) the six (6) hour, or 360 minute day exceeds the required hours for a minimum school day (240 minutes), the required hours for a continuation school day (15 hours per week), and the required hours for students enrolled in the various elementary school programs, and the current 300 minutes used by the Santa Clara County operated Community School program;

   b) access to the additional funding is restricted by having the student complete six hours of hour-by-hour attendance accounting in order for the district to receive the additional funding, and requiring additional attendance bookkeeping and record keeping;

   c) the Community Day School program limits the available instructional strategies which can be used, such as contracted study, which limits the program flexibility required for success;

   d) the separation of students in grades K-6 from students in grades 7-8 also creates boundaries that will be financially and/or geographically difficult;

   e) inability to locate on a comprehensive site is a further complication.

   **County/District strategy for addressing this gap:**
   * Develop a Student Study Team to analyze student needs and suggest alternatives; i.e. County operated Community Schools.

Decision Not to Enforce Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

1. The student’s pattern of behavior
2. The seriousness of the misconduct
3. The student’s attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following: (Education Code 48917)

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class or program appropriate for the student’s rehabilitation. This rehabilitation program may provide for the involvement of the student’s parent/guardian in the student’s education. However, a parent/guardian’s refusal to participate in the rehabilitation program shall not be considered in the board’s determination as to whether the student has satisfactorily completed the rehabilitation program.

2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status.

3. The suspension of the enforcement of an expulsion order is revoked by the Board if the student commits any of the acts listed under “Grounds for Suspension and Expulsion” above or violates any of the district’s rules and regulations governing student conduct.

4. When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order.

5. Upon satisfactory completion of the rehabilitation assignment, the board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings.

6. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board of Education.
SUSPENSION AND EXPULSION.DUE PROCESS (continued)

7. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. Right to Appeal

The student or parent/guardian is entitled to file an appeal of the board’s decision to the County Board of Education. The appeal must be filed within 30 days of the board’s decision to expel, even if the expulsion action is suspended and the student is placed on probation (Education Code 48919).

The student shall submit a written request for a copy of the written transcript and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board of Education. The district shall provide the student with these documents within 10 school days following the student’s written request. (Education Code 48919)

2. Not provided at a comprehensive middle, junior or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site

When the placement described above is not available, and when the County Superintendent of schools certifies, students expelled for acts described in items #6 through #13 and #17 through #19 under “Grounds for Suspension and Expulsion” above may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school. (Education Code 48915)

2. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student’s rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met.

School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in Writing their willingness to comply with these regulations.

3. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. April 2009 Update to Plan for Providing Education Services to
All Expelled Students in Santa Clara County

In accordance with AB 933 (Chapter 974, Statutes of 1995: § 48926), the County Superintendent, in conjunction
with district superintendents, must submit an update to the Plan for Providing Education Services to All Expelled
Students in Santa Clara County. The update must be submitted to the Superintendent of Public Instruction by June
30, 2000. To complete this task, we need your assistance by responding to the following questions:

1. Please identify existing educational alternatives currently available within your district for expelled students,
   ___ X K-6
   ___ 7-8
   ___ 9-12

2. Does your district plan to offer a Community Day School (CDS) in accordance with §43660 in the next three (3)
   years?
   ___ Yes ___ X No
   If yes, please indicate start-up date:
   ____

   ____ CDS Program to be operated by the district
   ____ CDS Program operated in joint agreement with the county office of education
   ____ CDS Program to be operated by a consortium of districts (districts involved):
   ____

   Grade Levels to be served: ________
   Approximate number of students to be served: ________

   Types of students to be served:
   ____ Students expelled for any reason
   ____ Students referred by Probation pursuant to WIC300 or 602
   ____ Students referred by a district level referral process

3. What gaps are limiting your ability to provide education services to all students expelled from your district?
   No placements available for students in grades 4-6, space not always available in Special Education programs in
   County operated Community School Program

4. What suggestions or strategies do you have for filling in the gaps in education services?
   An elementary community school placement is needed to serve this population of expelled students. A program
   should be opened for these students and ideally located on a separate site from the older middle school and high
   school students. Special Education placements should be looked at with possible changes to the program model,
   such as specialized academic instruction.

5. If applicable, please identify alternative placements for students who are expelled and placed in a district CDS
   program, but who (1) fail to meet the terms and conditions of their rehabilitation plan, or (2) pose a danger to
   other district students.

   When the Mt. Pleasant School District has been unable to place an expelled student within a County operated
   program due to parent's refusal, lack of space, or not age appropriate, the District has worked with other Districts
   to locate appropriate programs for non-violent students, has provided Home Teaching and very rarely,
   Independence Study at the request of the parent.

INTRODUCTION PAGE

Educational programs within Santa Clara County provide numerous opportunities for students who are in need of traditional and/or alternative education programs. While individual school districts offer a broad spectrum of service and the County Office of Education offers additional options, this combination provides a continuum of alternatives to expelled students.

A student whose behavior has resulted in expulsion is given a rehabilitation plan that is designed by the district of residence. This plan may involve one or more of the options outlined. A student who is simply in need of an educational alternative may also access these programs through a District and/or County referral process.
SANTA CLARA COUNTY/DISTRICT PLAN
FOR EXPELLED YOUTHS

Education Code Section 48926

Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils; identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30 thereafter.

Education Code Section 48916.1

(a) At the time an expulsion of a pupil is ordered, the governing board of a school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion, but only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.
COUNTY OFFICE OF EDUCATION OVERVIEW

The Santa Clara County Office of Education will continue to provide an educational option for expelled students. This program is one that fits in the continuum of educational care as outlined. The philosophy of each individual school district affects how the Santa Clara County Office of Education Community School program will meet the needs of that particular school district. Some school districts use the Santa Clara County program as an educational option for those students expelled under a district “no-tolerance” policy, while others use this program as a student assistance or placement alternative. The Community School is a permissive educational program that provides the local school districts with another educational option for their expelled youth.

MT. PLEASANT ELEMENTARY SCHOOL DISTRICT OVERVIEW

County Existing Educational Alternatives for Expelled Youth

The Santa Clara County Office of Education Court and Community School/Day Center program offers the following options for expelled youth:

1) daily educational programs that meet from 240 to 360 minutes per day in community classrooms;

2) specific site names (examples)
   - Stonegate
   - Calero
   - Ridgemont

Mt. Pleasant’s Existing Educational Alternatives for Expelled Youth

School districts located within Santa Clara County offer the following options for expelled youth, depending on the specific offense and Education Code violation:

1) suspended expulsion with placement on the same school campus;

2) placement on an alternative school campus;

3) expulsion with referral to the Santa Clara County Office of Education Court and Community School/Day Center Program;

4) home instruction when appropriate if the parent is in agreement and no other appropriate program can be located

5) independent study is available upon parent’s request
Actual referral to such a placement is made by the District Governing Board with recommendations from the Director of Student Support Services.

COUNTY AND DISTRICT GAPS AND STRATEGIES IN EDUCATIONAL SERVICES

There are five major gaps that exist in respect to providing educational services to expelled pupils. Following each gap is the County/District strategy for addressing these gaps.

1. Students who have failed their placement in district Community Day Schools may be referred to other district programs or to a county operated Community School. If the student fails the program or commits another expulsion type offense, there may not be any viable alternatives remaining.

   **County/District strategy for addressing this gap:**
   - The County Office of Education will continue to provide educational services to those eligible students placed or referred to the Court and Community School/Day Center program.
   - Districts will continue to use existing educational strategies and programs to meet the needs of expelled students.

2. Small school districts within Santa Clara County generally expel very few students during the course of a school year; so few students are expelled that having a special class or program for such students, located in each district, is not financially or geographically possible.

   **County/District strategy for addressing this gap:**
   - Regional programs have been developed to reflect geographical or limited numbers.

3. Students, who are expelled by individual small school districts, and by the combined small school district within Santa Clara County, vary as to age, grade level, and expulsion offenses. The wide range of age, grade level, and seriousness of offense make it difficult to provide appropriate programs for these/these district(s).

   **County/District strategy for addressing this gap:**
   - Regional programs have been developed to reflect geographical or limited numbers.

4. There are significant geographical distances between local small districts, thus district or county operated classroom sites/programs for small school districts would require either extensive busing, which is not financially feasible for the county, or parent provided transportation, which is often impossible for the parents.
**County/District strategy for addressing this gap:**
- Regional programs have been developed to reflect geographical or limited numbers.

5. Students in grades one through six who are expelled do not have the same educational options available as do expelled youth who are in grades seven through twelve, due to the limited numbers of students who are expelled in these lower grades. These younger students cannot attend the programs designed for middle and high school students.

**County/District strategy for addressing this gap:**
- Regional programs may be developed to reflect geographical or limited numbers.

*Each County/District should review the gaps presented here and revise to meet specific County/District needs.*

---

**COUNTY AND DISTRICT ALTERNATIVE PLACEMENTS**

**STEP 1**

The School District of residence continues to maintain responsibility for developing a rehabilitation plan for the student, referring the student to an appropriate educational setting, and ensuring that an educational program is provided either within or outside the school district.

**STEP 2**

Expelled students who fail to meet the terms and conditions of the district rehabilitation plan may be referred to a different district school, another district program, or the Santa Clara County Office of Education Community School.

An Individual Learning Plan will be developed with the students' parents and COE staff for those expelled students who are referred to a Santa Clara County Office of Education Community School. Part of this plan may include a goal of returning to the school district of residence after the district expulsion term. If students fail the County operated program, they are referred back to the district for possible review and re-placement.

Suspension and Expulsion/Due Process  (continued)

Alternatives to suspension or expulsion will be used with students who are truant, tardy, or otherwise absent from assigned school activities.

Removal from Class by a Teacher/Parental Attendance

A teacher may suspend any student from his/her class for the remainder of the day and the following day for any act listed in "Grounds for Suspension and Expulsion" above. A teacher also may refer a student to the principal or designee for consideration of suspension from school.

When removing a student from his/her class, the teacher shall immediately report this action to the principal and send the student to the principal for appropriate action. The student shall be appropriately supervised during the class periods from which he/she has been removed.

As soon as possible, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the removal. A counselor or psychologist should attend the conference if it is practicable, and a school administrator may attend if either the parent/guardian or teacher so requests.

A student removed from class shall not be returned to class during the period of removal without the approval of the teacher of the class and the principal.

A student removed from class shall not be placed in another regular class during the period of removal. However, if a student is assigned to more than one class per day, he/she may be placed in any other regular classes except those held at the same time as the class from which the student was removed.

The teacher of any class from which a student is removed may require the student to complete any assignments and tests missed during the removal.

Pursuant to Board policy, a teacher may provide that the parent/guardian of a student whom the teacher has removed attend a portion of a school day in his/her child's classroom. When a teacher makes this request, the principal shall send the parent/guardian a written notice that the parent/guardian's attendance is requested pursuant to law.

This notice shall also:

A. Inform the parent/guardian when his/her presence is expected and by what means he/she may arrange an alternate date
B. Describe the legal protections afforded to the parent/guardian as an employee under Labor Code 230.7
Suspension and Expulsion/Due Process  (continued)

C. State that if the parent/guardian does not have a means of transportation to school, he/she may ride the school bus with the student

D. Ask the parent/guardian to meet with the principal after the visit and before leaving school, as required by Education Code 48900.1

Suspension by Superintendent, Principal, or Principal's Designee

The Superintendent, principal, or principal's designee may suspend a student from a school for not more than five consecutive school days unless the suspension is extended pending expulsion.

The Superintendent or designee shall immediately suspend any student found at school or at a school activity to be:

A. Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

B. Brandishing a knife, as defined in Education Code 48915(g), at another person

C. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

D. Committing or attempting to commit a sexual assault or committing a sexual battery as defined under "Grounds for Suspension and Expulsion"

E. Possessing an explosive

Suspension also may be imposed upon a first offense if the Superintendent, principal or designee determines the student violated items “A” to “E ” listed in "Grounds for Suspension and Expulsion" above or if the student's presence causes a danger to persons or property or threatens to disrupt the instructional process.

A student may be suspended from school for not more than 20 school days in any school year, unless for purposes of adjustment a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion.

Informal Conference: Suspension shall be preceded by an informal conference conducted by the principal, designee or the Superintendent with the student and, whenever practicable, the teacher, supervisor or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; the student shall be given the opportunity to present his/her version and evidence in support of his/her defense.

OAK GROVE SCHOOL DISTRICT
San Jose, California  6/07

AR 5144.1
Suspension and Expulsion/Due Process (continued)

This conference may be omitted if the principal, designee or the Superintendent determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference will be held as soon as the student is physically able to return to school.

Administrative Actions: All requests for student suspension are to be processed by the principal or designee of the school in which the student is enrolled at the time of the misbehavior.

A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee.

Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension.

This notice shall state the reasons for suspension and the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may also add that state law requires the parent/guardian to respond to such requests without delay.

Parent/Guardian Conference: Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matter.

While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such conference. The student may not be denied readmission solely because the parent/guardian failed to attend.

Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision.

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or
Suspension and Expulsion/Due Process (continued)

parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process.

Suspension by the Board

The Board may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above and within the limits specified in "Suspension by Superintendent, Principal, or Principal's Designee" above.

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in "Grounds for Suspension and Expulsion" occurred. The suspension shall meet the requirements of Education Code 48915.

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold closed sessions if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079.

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by certified mail. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session.

Community Service

In lieu of other disciplinary action as prescribed in this regulation, the Board of Trustees, the Superintendent, a principal, or the principal's designee may require a student to perform community service on the school grounds during nonschool hours. For purposes of this section, "community service" may include, but is not limited to, work performed on school premises in the areas of outdoor beautification, campus betterment, and/or teacher or peer assistance. This provision shall not apply in any instance where suspension or expulsion is required by law, policy, or regulation.

Authority to Expel

A student may be expelled only by the Board. The Board shall expel, as required by law, any student found to have committed certain offenses listed below under "Mandatory Recommendation and Mandatory Expulsion."
Suspension and Expulsion/Due Process (continued)

The Board also may order a student expelled for any of the acts listed above under "Grounds for Suspension and Expulsion" upon recommendation by the principal, Superintendent, hearing officer or administrative panel, based on finding either or both of the following:

A. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct

B. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

Mandatory Recommendation for Expulsion

Unless the principal or Superintendent finds that expulsion is inappropriate due to particular circumstances, the principal, Superintendent or designee shall recommend a student's expulsion for any of the following acts:

A. Causing serious physical injury to another person, except in self-defense

B. Possession of any knife as defined in Education Code 48915(g), explosive or other dangerous object of no reasonable use to the student

C. Unlawful possession of any controlled substance, as listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis

D. Robbery or extortion

E. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

Mandatory Recommendation and Mandatory Expulsion

The principal, Superintendent or designee shall recommend that the Board expel any student found at school or at a school activity to be:

A. Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

B. Brandishing a knife as defined in Education Code 48915(g) at another person

C. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

D. Committing or attempting to commit a sexual assault or committing a sexual battery as defined under "Grounds for Suspension and Expulsion"

E. Possessing an explosive
Suspension and Expulsion/Due Process (continued)

Upon finding that the student committed any of the above acts, the Board shall expel the student.

Student's Right to Expulsion Hearing

The student is entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the principal or Superintendent or designee determines that one of the acts listed under "Grounds for Suspension and Expulsion" has occurred.

The student is entitled to one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion.

If the Board finds it impractical to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held.

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental or emotional needs of a student who is the complaining witness.

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to all the following:

A. Receive five days' notice of his/her scheduled testimony at the hearing
B. Have up to two adult support persons of his/her choosing present in the hearing at the time he/she testifies
C. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending.
Suspension and Expulsion/Due Process (continued)

Written Notice of the Expulsion Hearing

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include:

A. The date and place of the hearing

B. A statement of the specific facts and charges upon which the proposed expulsion is based

C. A copy of district disciplinary rules which relate to the alleged violation

D. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a).

E. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel

F. The right to inspect and obtain copies of all documents to be used at the hearing

G. The opportunity to confront and question all witnesses who testify at the hearing

H. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Conduct of Expulsion Hearing

A. Closed Session: Notwithstanding the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such request is made, the meeting shall be public unless another student's privacy rights would be violated.

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled.

If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student shall also be allowed to attend the closed session.

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including but not limited to videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television.
Suspension and Expulsion/Due Process (continued)

B. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

C. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with the Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11525.

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding.

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below.

D. Presentation of Evidence: While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel must be supported by substantial evidence that the student committed any of the acts listed in "Grounds for Suspension and Expulsion" above.

Findings of fact shall be based solely on the evidence at the hearing. While no evidence shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

E. Testimony by Complaining Witnesses: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student:

1. Any complaining witness shall be given five days' notice before being called to testify.

OAK GROVE SCHOOL DISTRICT 11/18
San Jose, California 6/07
Suspension and Expulsion/Due Process  (continued)

2. Any complaining witness shall be entitled to have up to two adult support persons, including but not limited to a parent/guardian or legal counsel, present during his/her testimony.

3. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

4. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.

5. If one or both support persons are also witnesses, the hearing shall be conducted according to Penal Code 868.5.

6. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

7. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonterrorizing environment.

   a. The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

   b. At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

   c. The person conducting the hearing may:

      (1) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

      (2) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

      (3) Permit one of the support persons to accompany the complaining witness to the witness stand
Suspension and Expulsion/Due Process (continued)

F. Decision Within 10 Days: The Board's decision on whether to expel a student shall be made within 10 school days after the conclusion of the hearing, unless the student requests in writing that the decision be postponed.

G. Decision Within 40 Days: If the Board does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed.

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled.

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures as apply to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing."

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the student shall be immediately reinstated. The Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student's teachers, and with the student's parent/guardian.

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order.

The hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year.

Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel, the final action to expel must be taken by the Board at a public meeting.
Suspension and Expulsion/Due Process (continued)

If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final, and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for an act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred.

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include:

A. Periodic review as well as assessment of the student at the time of review for readmission

B. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and other rehabilitative programs

With parental consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school.

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

A. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian

B. Notice of the right to appeal the expulsion to the County Board of Education

C. Notice of the alternative educational placement to be provided to the student during the time of expulsion

D. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1

Suspension and Expulsion/Due Process (continued)

Suspension of Enforcement of the Expulsion

The Board, upon voting to expel a student, may suspend the enforcement of the expulsion order for not more than one calendar year.

When deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

A. The student's pattern of behavior
B. The seriousness of the misconduct
C. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

A. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program.

B. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status.

C. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the district's rules and regulations governing student conduct.

D. When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order.

E. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings.

F. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board of Education.

G. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board of Education.
Suspension and Expulsion/Due Process (continued)

Right to Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision to the County Board of Education. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion action is suspended and the student is placed on probation.

Post-Expulsion Placements

The Board shall refer expelled students to a program of study that meets all the following conditions:

A. Is appropriately prepared to accommodate students who exhibit discipline problems

B. Is not provided at a comprehensive middle, junior or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site

C. Is not housed at the school site attended by the student at the time of suspension

When the placement described above is not available, and when the County Superintendent of Schools so certifies, students expelled for acts described in items “E” through “M” and “P” through “R” under "Grounds for Suspension and Expulsion" above may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school.

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12.

Readmission After Expulsion

Readmission procedures shall be as follows:

A. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student.

B. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.

C. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. If a written request for open session is received from the parent/guardian or adult student, it shall be honored.

OAK GROVE SCHOOL DISTRICT 16/18
San Jose, California 6/07 AR 5144.1
D. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.

E. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees.

F. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.

G. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district.

Maintenance of Records

The Board shall maintain a record of each expulsion, including the cause of the expulsion. The expulsion record shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls, within five days of a written request by the admitting school.

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district.

Notifications to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245.

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10.

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol, or intoxicants of any kind.
Suspension and Expulsion/Due Process (continued)

Outcome Data
The Superintendent or designee shall maintain the following data and report such annually to the California Department of Education, using forms supplied by the California Department of Education:

A. The number of students recommended for expulsion
B. The grounds for each recommended expulsion
C. Whether the student was subsequently expelled
D. Whether the expulsion order was suspended
E. The type of referral made after the expulsion
F. The disposition of the student after the end of the expulsion period

County Existing Educational Alternatives Available to Expelled Youth

1. Daily educational programs that range from 240 to 360 minutes per day in community school classrooms:

2. Teen parent program

3. Specific “nonrestrictive” sites:
   - Calero Community school
   - South County Community School
   - The Foundry School

4. Partnership programs:

District Existing Educational Alternatives for Expelled Youth

School Districts located within Santa Clara County offer the following options for expelled youth, depending on the specific offense and Education Code violation:

1. suspended expulsion with placement on the same school campus;
2. suspended expulsion with placement on a different school campus within the District,
3. suspended expulsion with placement on District Contracted Study (Independent Study), if the parent agrees;
4. expulsion with referral to a District Community Day School program; or
5. expulsion with referral to the Santa Clara County Office of Education Court and Community School/Day Center Program.

Actual referral to such a placement is made by the District Governing Board, with recommendations from the District Discipline Review Board, SARB, or a similar district referral process.

There are seven major gaps that exist in respect to providing education services to expelled pupils. Following each gap is the County/District strategy for addressing these gaps.

1. It is possible under Education Code 48916.1a that a student would not be expelled. As an example, a student who has been expelled from the District under Education Code 48915 and referred to either a district Community Day School or a County operated Community School program could commit another violation of Education Code 48915 and ultimately be referred back to the original District.

2. Students who have failed their placement in district Community Day Schools may be referred to other district programs or to a county operated Community School. If the student fails the program or commits another expulsion type offense, there may not be any viable alternatives remaining.

3. Small school districts within Santa Clara County generally expel very few students during the course of a school year, so few students are expelled that having a special class or program from such students, located in each district, is not financially or geographically possible.

4. Students who are expelled by individual small school districts, and by the combined small school districts within Santa Clara County vary as to age, grade level and expulsion offenses. The wide range of age, grade level, and seriousness of offense make it difficult to provide appropriate programs for these districts.

5. There are significant geographical distances between local small districts, thus district or county operated classroom sites and programs for small school districts would require either extensive busing, which is not financially feasible for the county, or parent provided transportation, which is often impossible for the parents.

6. Students in grades one through six who are expelled do not have the same educational options available as do expelled youth who are in grades seven through twelve, due to the limited numbers of students who are expelled in these lower grades. These younger students cannot attend the programs designed for middle and high school students. The numbers are growing, but generally are not enough.

Board Approved June 4, 1997
Orchard School District

7. The district Community Day School option for expelled students, as described in current California Education Code, is difficult for the local districts to develop due to the following reasons:

a) the six (6) hour, or 360 minute, day exceeds the required hours for a minimum school day (240 minutes), the required hours for a continuation school day (15 hours per week), and the required hours for students enrolled in the various elementary school programs, and the current 300 minutes used by the Santa Clara County operated Community School program;

b) access to the additional funding is restricted by having the student complete six hours of hour-by-hour attendance accounting in order for the district to receive the additional funding, and requiring additional attendance bookkeeping and record keeping;

c) the Community Day School program limits the available instructional strategies which can be used, such as contracted study, which limits the program flexibility required for success;

d) the separation of students in grades K-6 from students in grades 7-8 also creates boundaries that will be financially and/or geographically difficult;

e) inability to locate on a comprehensive site is a further complications.

Step 1

The School District of residence continues to maintain responsibility for developing a rehabilitation plan for the student, referring the student to an appropriate educational setting, and ensuring that an educational program is provided either within or outside the school district.

Step 2

Expelled students who fail to meet the terms and conditions of the district rehabilitation plan may be referred to a different district’s school another district program, a district Community Day School Program (if funded), or the Santa Clara County office of Education Community School.

Expelled students referred to a Santa Clara County office of Education Community School enter a permissive program. An Individual Learning Plan will be developed with the students’ parents and COE staff. Part of this plan may include a goal of returning to the school district or residence after the district expulsion term. If students fail the County-operated program, they are referred back to the district for possible review and another placement.

BOARD APPROVE: May 13, 1997
INTRODUCTION

Saratoga Union School District
Plan for Alternative Educational Setting

Educational programs within Santa Clara County provide opportunities for students who are in need of traditional and/or alternative education programs. Individual school districts offer a broad spectrum of service and the County Office of Education offers additional options. This combination provides a continuum of alternatives to expelled students.

A student whose behavior has resulted in expulsion is given a rehabilitation plan that is designed by the district of residence. This plan may involve one or more of the options outlines. A student who is simply in need of an educational alternative may also access these programs through a District and/or County referral process.
Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupil in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30th thereafter.

Education Code – 489161.1

a) At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion, but only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.
County Office of Education Overview

The Santa Clara County Office of Education will continue to provide an educational option for expelled students. This program is one that fits in the continuum of educational care as outlined. The philosophy of each individual school district affects how the Santa Clara County Office of Education Community School program will meet the needs of that particular school district. Some school districts use the Santa Clara County office of Education program as an educational option for those students expelled under a district policy, while others use this program as a student assistance or placement alternative. The Community School is a permissive educational program that provides the local school district with another educational option for their expelled youth.

Saratoga Union School District Overview

County Existing Educational Alternatives Available To Expelled Youth

The Santa Clara County Office of Education Court and Community School/Day Center program offers the following options for expelled youth:

1) Daily educational programs that range from 240 to 300 minutes per day in community classrooms;

2) Independent Study Program (IS) that require students to complete a minimum of 20 hours of educational product;

3) Teen parent program;

4) Specific site names:
   - Cambrian Community School
   - Central Independence High School
   - Almaden Community School
   - Camden Community School
   - Foundry Community School

District Existing Educational Alternatives for Expelled Youth

Saratoga Union School District, located within Santa Clara County offers the following options for expelled youth, depending on the specific offense and Education Code violation:

1) Suspended expulsion with placement on the same or different school campus;

2) Suspended expulsion with placement on a different school campus in a neighboring district;

3) Suspended expulsion with placement on District Contracted Study (Independent Studies), if the parent agrees;

4) Expulsion with referral to the Santa Clara County office of Education Court and Community School/Day Center Program; or

5) Expulsion with referral to a Community Day School program:
   - Cambrian Community School
   - Camden Community School
   - Almaden Community School

Actual referral to such a placement is made by the District Governing Board.
There are major gaps that exist in respect to providing educational services to expelled pupils. Following each gap is the Santa Clara County Office of Education/Saratoga Union School District strategy for addressing these gaps.

1. It is possible under Education Code 48916.1 (a) that a student who has been expelled from Saratoga Union School District under Education Code 48915 and referred to either a Community Day School or a County operated Community School program could commit another violation of Education Code 48915 and ultimately be referred back to the Saratoga Union School District.

Santa Clara County/Saratoga Union School District strategy for addressing this gap:

* Saratoga Union School District has the option to refer to other District/County Community Day Schools if the program is appropriate.

2) Students who have failed their placement in a County Community Day School may be referred to other County operated programs. If the student fails this program or commits another expulsion type offense, there may not be any viable alternatives remaining.

Santa Clara County/Saratoga Union School District strategy for addressing this gap:

* The Santa Clara County Office of Education will continue to provide educational services to those eligible students placed or referred to the Court and Community School/Day Center program.

* Saratoga Union School District will continue to explore existing educational strategies and programs to meet the needs of expelled students.

3) Small school districts within Santa Clara County generally expel very few students during the course of a school year; so few students are expelled that having a special class or program for such students, located in each district, is not financially or geographically possible.

Santa Clara County/Saratoga Union School District strategy for addressing this gap:

* Regional program may be developed to reflect geographical or limited numbers.
4. Students, who are expelled by individual small school districts, and by the combined small school districts within Santa Clara County, vary as to age, grade level, and expulsion offenses. The wide range of age, grade level, and seriousness of offense make it difficult to provide appropriate programs for these/distinct district(s).

**Santa Clara County/Saratoga Union School District strategy for addressing this gap:**

* Regional program may be developed to reflect geographical or limited numbers.

5. There are significant geographical distances between local small districts, thus districts or county operated classroom sites/programs for small school districts would require either extensive busing, which is not financially feasible for the county, or parent provided transportation, which is often impossible for the parents.

**Santa Clara County/Saratoga Union School District strategy for addressing this gap:**

* Regional program may be developed reflect geographical or limited numbers.

6. Students in grades one through six who are expelled do not have the same educational options available as do expelled youth who are in grades seven through eight, due to the limited numbers of students who are expelled in these lower grades. These younger students cannot attend the programs designed for middle and high school students. The numbers are growing within the County but generally are not enough to develop an elementary school program.

**Santa Clara County/Saratoga Union School District Strategy for addressing this gap:**

* Regional program may be developed to reflect geographical or limited numbers.

7. The Community Day School option for expelled students, as described in current California Education Code, is difficult for the local districts to develop due to the following reasons:

   a) the six (6) hour, or 360 minute day exceeds the required hours for a minimum school day (240 minutes), the required hours for a continuation school day (15 hours per week), and the required hours for students enrolled in the various elementary school programs, and the current 300 minutes used by the Santa Clara County operated Community School program;

   b) access to the additional funding is restricted by having the student complete six hours of hour-by-hour attendance accounting in order for the district to receive the additional funding;
c) the Community Day School program limits the available instructional strategies which can be used, such as contracted study, which limits the program flexibility required for success;

d) the separation of students in grades K-6 from students in grades 7-8 also creates boundaries that will be financially and/or geographically difficult;

e) inability to locate on a comprehensive site is a further complication.

Santa Clara County/Saratoga Union School District strategy for addressing this gap:

* Develop a Student Study team to analyze student needs and suggest alternatives; i.e. County operated Community Schools.

**COUNTY AND DISTRICT ALTERNATIVE PLACEMENTS**

(For those expelled students who have been placed in a community day school but who fail to meet the terms or conditions of their rehabilitation plan or who pose a danger to other district pupils)

**Step I**

The School District of residence continues to maintain responsibility for developing a rehabilitation plan for the student, referring the student to an appropriate educational setting, and ensuring that an educational program is provided either within or outside the school district.

**Step II**

Expelled students who fail to meet the terms and conditions of the district rehabilitation plan may be referred to another district program, a Community Day School Program, or the Santa Clara County office of Education Community School.

Expelled students are referred to a Santa Clara County office of Education Community School which is a permissive program. An Individual learning Plan will be developed with the students’ parents and COE staff. Part of this plan may include a goal returning to the school district of residence after the district expulsion term. If students fail the County-operated program, they are referred back to the district for possible review and re-placement.

Board approved: May 15, 1997
Why is this plan being developed?

1. Education Code 48926 requires:
   (a) each District and the County Office of Education develop a plan for providing education services to all expelled pupils,
   (b) adoption of the plan by the district’s governing board,
   (c) adoption of the plan by the county office of education governing board.

2. The required plan must:
   (a) identify existing educational alternatives for expelled pupils,
   (c) identify gaps in educational services to expelled pupils,
   (d) identify strategies for filling service gaps,
       * fail to succeed in Community Day School Programs
       * fail to meet the terms and conditions of their rehabilitation plan
       * pose a danger to other district pupils

3. The County Superintendent of Schools is required to submit the plan to the State Superintendent of Schools by June 30, 1997 and update the plan every three years.

Gaps and Strategies in Education Services
For
Expelled Students and Strategies for Filling Those Gaps

There are six major gaps that exist in respect to providing educational services to expelled students. Following each identified gap is the strategy for addressing these gaps:

1. Identified Gap

It is possible under Education Code 48916.1a that a student would not be expelled. As an example, a student who has been expelled from the District under Educational Code 48915 and referred to a County Office Community School program could commit another violation of Education Code 48914 and ultimately be referred back to the Sunnyvale School District.

   Strategy for addressing Gap

   The Sunnyvale School District will collaborate with a consortium of districts to explore the development of a district-sponsored Community Day School thus providing the option to refer appropriate students to this program. (Grades K-6)

   The Sunnyvale School District will collaborate with a consortium of districts and the Santa Clara County Office of Education to explore the development of a Community School class. (Grades K-6)

2. Identified Gap

Expelled students who have failed their placement in a Community Day School developed by a consortium of school districts, may be referred to their district programs or to county operated Community School. If the student fails the program or commits another expellable offense, there may not be any viable alternative remaining.

   Strategy for addressing Gap

   The Sunnyvale School District will continue to use existing educational strategies and programs to meet the needs of expelled students including but not limited to independent study and home schooling. The Santa Clara County office of Education will continue to provide educational service to those eligible students placed or referred to the Court and Community School/Day Center programs.

3. Identified Gap

Small school districts generally expel very few students during the course of a school year; so few students are expelled, that having a specialized class or program for such students, located in each district, is not financially or geographically possible.
Strategy for Addressing Gap

The Sunnyvale School District will collaborate with a consortium of districts to explore options for developing a regional program to reflect geographical or limited numbers of students.

4. Identified Gap

Students who are expelled by school districts vary as to age, grade level, and expulsion offenses. The wide range of ages, grade levels, and seriousness of offense make it difficult to provide appropriate programs for these students.

Strategy for Addressing Gap

The Sunnyvale School District will collaborate with a consortium of districts to explore options for developing a regional program to reflect a geographical or limited numbers of students.

5. Identified Gap

Students in grades kindergarten through six, who are expelled, do not have the same educational options available as do expelled youth who are in grades seven and eight, due to the limited number of students who are expelled in the lower grades. These younger students can not attend the programs designed for middle and high school students. The number of elementary students is growing, but generally are not enough to develop an elementary school classroom or program.

Strategy for Addressing Gap

The Sunnyvale School District will collaborate with a consortium of districts to explore options for developing a regional program to reflect geographical or limited numbers of students.

6. Identified Gap

The district Community Day School option for expelled students, as described in current California Education Code, is difficult for districts to implement for the following reasons:

a) the six hour, or 360 minute day, exceeds the required hours for a minimum school day (240 minutes), the required hours for a continuation school day (15 hours per week), the required hours for students enrolled in elementary school programs and the current 300 minutes used by the county operated Community School programs,

b) access to the additional funding is restricted by having the student complete six hours of hour-by-hour attendance accounting in order for the district to receive the additional funding, and requiring additional attendance record keeping,
c) the Community Day School program limits the available instructional strategies which can be used, such as contracted study, which limits the program flexibility required for success,

d) the Community Day School program requirement of the separation of students in grades K-6 from students in grades 7-8 creates boundaries that will be financially and/or geographically difficult,

e) the Community Day School program requirement for locating the class on a non-operating school site adds difficulty in locating appropriate classroom space;

**Strategy for addressing Gap**

The Sunnyvale School District will collaborate with a consortium of districts to explore the development of a district sponsored Community Day School, thus providing the option to refer appropriate students to this program. (Grades K-6).

1997
Education programs within Santa Clara County provide opportunities for students who are in need of traditional and/or alternative education programs. Individual school districts offer a broad spectrum of service and the County Office of Education offers additional options, this combination provides a continuum of alternatives to expelled students.

A student whose behavior has resulted in expulsion is given a rehabilitation plan that is designed by the district of residence. This plan may involve one or more of the options outlined. A student who is simply in need of an educational alternative may also access these programs through a District and/or County referral process.
Education Code – 48926

Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30th thereafter.

Education code – 48916.1

a) At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion, but only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.
County Office of Education Overview

The Santa Clara County Office of Education will continue to provide an educational option for expelled students. This program is one that fits in the continuum of educational care as outlined. The philosophy of each individual school district effects how the Santa Clara County Office of Education Community School program will meet the needs of that particular school district.

The Community School is a permissive educational program that provides the local school districts with another educational option for their expelled youth.

Union District Existing Educational Alternatives
For Expelled Youth

Union School District located within Santa Clara County offers the following options for expelled youth, depending on the specific offense and Education Code violation:

1) Suspended expulsion with placement on the same school campus;

2) Suspended expulsion with placement on a different school campus within the District;

3) Suspended expulsion with placement in a neighboring school district;

4) Expulsion with referral to the Santa Clara County Office of Education Court and Community School/Day Center Program; or

5) Expulsion with referral to a District Community Day School program (located in a neighboring district)

Actual referral to such a placement is made by the District Governing Board, with recommendations from the Administrative Hearing Panel.
COUNTY AND DISTRICT GAPS AND STRATEGIES IN EDUCATIONAL SERVICES

There are four major gaps that exist in respect to providing educational services to expelled pupils. Following each gap is the Santa Clara County/Union District strategy for addressing these gaps.

1. It is possible under Education Code 48916.1a. that a student who has been expelled from the Union District under EC 48915 and referred to either a district Community Day School or a County operated Community School program could commit another violation of Education Code 48915 and ultimately be referred back to the original District.

County/District strategy for addressing this gap:
- Union District has the option to refer appropriate students to other district or County Community Day Schools if the new program is appropriate (and funded).

2. Students who have failed their placement in a county Community Day School may be referred to other county operated programs. If the student fails this program or commits another expulsion type offense, there may not be any viable alternatives remaining.

County/District strategy for addressing this gap:
- The Santa Clara County Office of Education will continue to provide educational services to those eligible students placed or referred to the Court and Community School/Day Center program.
- Union District will continue to explore existing educational strategies and programs to meet the needs of expelled students.
3. Students in grades one through six who are expelled do not have the same educational options available as do expelled youth who are in grades seven through eight, due to the limited numbers of students who are expelled in these lower grades. These younger students cannot attend the programs designed for middle and high school students. The numbers are growing, within the county, but generally are not enough to develop an elementary school program.

County/District strategy for addressing this gap:

- Regional program may be developed to reflect geographical or limited numbers

- Explore current Ed Code provision which separates K-6 and 7-12 to determine feasibility of grouping K-5 and 6-12 (6-8 in Union District).

- Itinerant elementary Independent Study program to be developed (provided by the County Office of Education)

4. The District Community Day School option for expelled students, as described in current California Education Code, is difficult for the local districts to develop due to the following reasons:

a) The four (4) ½ hour, or 270 minute day exceeds the required hours for a minimum school day (240 minutes), the required hours for a continuation school day (15 hours per week), and the required hours for students enrolled in the various elementary school programs, and the current 300 minutes used by the Santa Clara County operated Community School program;

c) The separation of students in grades K-6 from students in grades 7-8 also creates boundaries that will be financially and/or geographically difficult;

d) Inability to locate on a comprehensive site is a further complication.

District strategy for addressing this gap:

- Refer to a county level Student Study Team or SARB to analyze student needs and suggest alternatives.
