

## **Safe & Healthy Schools Services and Trainings Calendar 2018 - 2019**

The Santa Clara County Office of Education Safe and Healthy Schools Department is pleased to offer these professional development and networking opportunities to support positive school climate and student health and wellness efforts. Workshops, trainings, and meetings are conducted by department staff and partners who have been trained to deliver the programs and have project experience in the content area. These workshops and trainings are provided at the Santa Clara County Office of Education or community partner locations. Trainings can also be scheduled in schools, community or workplace settings and are available to any organization interested in hosting, additional costs may be associated with some trainings provided outside of the SCCOE. Unless other arrangements are made with SCCOE, host agencies will be responsible for participant recruitment and registration, facility reservation and room setup. SCCOE can provide all necessary equipment if the designated training room does not have a built in system that meets the needs of the training. Costs associated with trainings will be listed on the registration link. Some of the training programs listed below can be tailored for specific audience groups and customized with district-specific data and activities. Please contact us for more information on these and other specialized services available to assist you in ensuring our schools are safe and our children are healthy.

***School Attendance Review Board (SARB) Mediations (monthly):*** The SCCOE has partnered with the District Attorney General's Office to provide monthly SARB Mediations for school districts in Santa Clara County. A SARB Mediation is provided as an intervention “when a student is a *habitual* truant, or is irregular in attendance at school, or is habitually insubordinate or disorderly during school. The student may be referred to a school attendance review board (SARB) or to the county probation department pursuant to *EC* Section 48263. The student may also be referred to a probation officer or district attorney mediation program pursuant to *EC* Section 48263.5. The intent of these laws is to provide intensive guidance to meet the special needs of students with school attendance problems or school behavior problems pursuant to *EC* Section 48320. These interventions are designed to divert students with serious attendance and behavioral problems from the juvenile justice system and to reduce the number of students who dropout of school.” Assistant District Attorney, Tina Nunez-Ober will provide SARB Mediation presentations and alongside her community partners such as Santa Clara County Behavioral Health, DADs, and Santa Clara County Social Services will provide resources and information to assist with challenges parents and students may be facing causing the chronic truancy. These monthly SARB Mediations will be provided to parents and students, Kinder through 12th grade.

**Dates:** January 17 | February 21 | March 14 | April 11 | May 16

**Times:** 1:30 pm to 4:30 pm

**Location:** Santa Clara County Office of Education, 1290 Ridder Park Dr., San Jose, CA 95131

***Positive Behavior Interventions and Supports (PBIS) and Multi-Tiered System and Supports (MTSS) Implementation:*** Positive Behavior Interventions and Supports (PBIS) is a decision-making framework that guides selection, integration and implementation of the best evidence-based behavioral practices for improving important behavior outcomes for all students. PBIS is not a curriculum, intervention or practice, but instead it is a collaboration between district and school staff in designing behavioral support systems at each tier of a response-to-intervention (Rtl) and Multi-Tiered System of Supports (MTSS) approaches. Training is provided over a three-year period and includes professional development sessions, design and planning time, as well as on-site technical assistance. To participate, schools and districts must commit site and district teams and identify PBIS coaches. Site teams and site/district PBIS coaches must attend all SW-PBIS trainings. PBIS coaches must attend all district leadership and coaches trainings.

**Trainings Offered:**

*Tier 1 Trainings: School-wide PBIS Site Team Trainings (6 days)*

*Tier 2 Trainings: Targeted Behavior Interventions and Check In Check Out (CICO) (3 days)*

*Tier 3 Trainings: Tertiary Systems and Functional Behavior Supports (3 days)*

*School-wide Information System (SWIS) Certification Training: (3 days)*

*District Leadership Training: (Once per year)*

**For trainings and technical assistance, please visit our website at <http://pbis.sccoe.org> or contact Stephanie Tague at [stephanie\\_tague@sccoe.org](mailto:stephanie_tague@sccoe.org)**

**PBIS Overview:** At this **introductory** workshop, participants will receive an overview of the research supporting Positive Behavioral Interventions and Supports (PBIS). Results will be shared from districts and schools that have successfully put PBIS into practice. Information will be provided on the steps needed to implement schoolwide and classroom support systems for PBIS.

**CSEC 101: Commercially Sexually Exploited Children:** Human trafficking is a horrible reality that takes place every day in the United States and across the globe. Trafficking can involve school-age youth, particularly those made vulnerable by trauma, and can take a variety of forms including forced labor, domestic servitude, and commercial sexual exploitation. Traffickers may target minor victims through social media websites, telephone chat-lines, after-school programs, at shopping malls and bus depots, in clubs, or through friends or acquaintances who recruit students on school campuses. Schools are a critical component in combating the commercial sexual exploitation of children in our community. Join us as we discuss commercial sexual exploitation of children, the red flags, signs, and resources, action planning to integrate our schools in this community effort.

### **Multi-Tiered System of Supports**

California's Multi-Tiered System of Supports (MTSS) is an integrated, comprehensive framework that aligns academic, behavioral, and social-emotional learning in a fully integrated system of support for the benefit of all students. MTSS offers the potential to create needed systemic change through intentional design and redesign of services and supports to quickly identify and match to the needs of all students.

**MTSS Overview:** Does All really mean **All**? The Multi-Tiered System of Supports (MTSS) framework is an evidenced-based model that uses data-based problem solving to integrate academic and behavioral instruction and intervention to create equitable learning environments for all students.

#### **MTSS District Leadership Team Training (3-day series):**

The goal of this training strand is to extend the learning from the California SUMS Initiative training and build local capacity within districts by providing continuing coaching support to district MTSS leadership teams. These sessions will focus on integrating academic and behavior systems with a focus on the integration of teams, data, and practices.

**Dates:** November 7 | January 24 | March 20

**Times:** 8:30 am to 3:00 pm
