Land Acknowledgment

We acknowledge that Santa Clara County schools and districts occupy the unceded territory of the Muwekma Ohlone Nation, the sovereign nation and original people of the skies, land, and waters where we work. It is vitally important that we not only come to understand the history of this land, but that we recognize that the Muwekma Ohlone people are living and flourishing within Santa Clara County communities.
Statement of Solidarity

The Santa Clara County Office of Education (SCCOE) in collaboration with the Asian American and Pacific Islander Educators Network affirms its commitment to...

● creating inclusive, affirming, and equitable school environments for each and every Asian American and Pacific Islander student, family, and staff of our Santa Clara County schools. This statement thus provides rationale and a foundation for operationalizing equity and social justice at the systems level for the Asian American and Pacific Islander students, families, and staff who make up our school communities.

● recognizing that the broad categories of “Asian American” and “Pacific Islander”, when disaggregated, encompass a diversity of cultures, languages, religions, histories, geographical ties, immigration status, socio-economic backgrounds, and generations among over 50 ethnic groups, comprising almost 90,000 K-12 students (35.3%) across Santa Clara County.
Statement of Solidarity

- taking appropriate action to disrupt and dismantle the stereotypes that create barriers to full expressions of humanity for Asian American and Pacific Islander students. We recognize that such stereotypes lead to bullying, harassment, and violence as well as invisibility and dismissal of individual student’s needs in school environments.

- nurturing and cultivating the social, emotional, and academic development of all Asian American and Pacific Islander students so that each student’s full humanity is recognized and actualized.

- providing the institutional supports for Asian Americans and Pacific Islanders that are responsive to their unique experiences and needs.

In this spirit, the SCCOE proudly re-affirms its commitment to Asian American and Pacific Islander students, families, and staff as part of its ongoing practice as a leader in educational equity and social justice for all based on SCCOE’s non-discrimination policy, and its goals.

AB 167 Model Curriculum Projects

Model Curriculum Projects
Curricula in a specific topic developed pursuant to legislation.

Model curriculum projects are initiated in response to specific legislation calling for a state-developed curriculum in a specified topic or disciplinary area of study. Typically these projects are done under the supervision of the State Board of Education (SBE) or the Instructional Quality Commission.

AB 167 Model Curriculum Projects
Assembly Bill 167, Chapter 252, Statutes of 2021 amended California Education Code sections 33540.2, 33540.4, 33540.6 and 51226.9, for the development and maintenance of model curricula relating to the Vietnamese American refugee experience, the Cambodian genocide, Hmong history and cultural studies, and Native American studies. The California Department of Education shall, in collaboration with, and subject to the approval of, the executive director of the state board, enter into contracts with purposes of developing a model curriculum. Work on these projects will begin in 2022 and
