

Justification Paragraph Writing ~ Frame #3**ACADEMIC PARAGRAPH: Justify your position!**

Use the following frame to effectively write a response to the academic discussion prompt. Justify your position using specific details from the article and relevant examples.

The article, _____, and my own
relevant experiences as a _____
(specify relevant personal connection)
lead me to conclude that _____
(state your position)

A significant reason is that _____
(supporting detail from the article)

Based on my experience, _____
(relevant example from your experience)

(elaborate on your example)

The author also (emphasizes, stresses) the fact that _____
(strong supporting detail from the article)

For example, _____
(relevant example from the article or an example from your experience)

(elaborate on your example)

An equally important point is that _____
(supporting detail from the article or an example from your experience)

Therefore, I conclude, remain convinced that _____
