Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. *California Education Code (EC) Section 56048*

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

D-9. Special Education Local Plan Area Allocation Plan

- Describe the SELPA's allocation plan, including the process or procedure for allocating special education apportionments, including funds allocated to the RLA/AU/responsible person pursuant to *EC* Section 56205(b)(1)(A).

The Special Education Apportionments flow from the California Department of Education (CDE) to the Santa Clara County Office of Education (SCCOE). The SELPA Governance Council of Superintendents has designated Santa Clara County Office of Education as NW SELPA's Responsible Local Agency (RLA) and Administrative Unit (AU). As the RLA and AU, SCCOE is the recipient of Special Education funds on behalf of North West SELPA. Upon receipt of funds by SCCOE, the SELPA then calculates and allocates the funds to member LEAs in accordance to the SELPA Budget Allocation Plan.

The distribution of revenue to each of the SELPA members is managed by the SELPA Office and allocated according to the formulas agreed upon by SELPA member LEAs as specified in the budget allocation plan.

The SELPA Budget Allocation Plan specifies how special education revenues are allocated to

Fiscal Year 2024-25

member LEAs. Annually, SELPA member LEAs meet to review and update the SELPA Budget Allocation Plan to make the necessary allocation adjustments, when needed. Changes to funding allocation is approved annually by SELPA Executive Council of Superintendents.

As specified in the SELPA Budget Allocation Plan, the regionalized operations budget of the SELPA office is shared by SELPA member LEAs. The Regionalized Services/Program Specialist (RS/PS) revenues are used to cover the costs of SELPA operations. Any Regionalized Services/Program Specialist (RS/PS) revenue balance is then transferred to member districts. Any applicable salaries of program specialist(s) are recorded and tracked by the member LEAs.

Santa Clara County Office of Education (SCCOE) serves as the Responsible Local Education Agency/Administrative Unit (RLA/AU) for the SELPA. As the RLA/AU, SCCOE has administrative involvement in the pass-through of special education revenues and uses Fund 10 to account for such revenues. The RLA/AU receives funding for general management costs (indirect costs).

After deduction of SELPA operating expenditures, including RLA/AU general management costs, all remaining special education funds are allocated to SELPA member LEAs as outlined in the SELPA Budget Allocation Plan.

b. ☒ YES ☐ NO

If the allocation plan specifies that funds will be apportioned to the RLA/AU/AE, or to the SELPA administrator (for single LEA SELPAs), the administrator of the SELPA, upon receipt, distributes the funds in accordance with the method adopted pursuant to *EC* Section 56195.7(i). This allocation plan was approved according to the SELPA's local policymaking process and is consistent with SELPA's summarized policy statement identified in Local Plan Section B: Governance and Administration item B-4. If the response is "NO," then either Section D should be edited, or Section B must be amended according to the SELPA's adopted policy making process, and resubmitted to the COE and CDE for approval.
