b) CDE Monitoring Activities – districts met the Disproportionality submission due date. CCEIS and SEP Plans are due December 15, 2020.

c) SELPA Activities:
   • Low Incidence - there is an increase in the per pupil rate of Low Incidence (LI) funds: from $466 to $2,944 per LI student. There might be a need to change the LI allocation method based on this increase in funding. Discussion will be held with district directors.

Dr. Mary Ann Dewan sits on the advisory panel for the study and she shared that one recommendation is to ascertain methodology and support more inclusive practices in schools around the state. The Department of Finance also sits on the study.
