

§ 15497. Local Control and Accountability Plan and Annual Update Template.**Introduction:****LEA: Rocketship Jackson****Contact (Name, Title, Email, Phone Number):** Maricela Guerrero, Principal, mguerrero@rsed.org, (408) 506-4055**LCAP Year: 2014-15*****Local Control and Accountability Plan and Annual Update Template***

The Local Control and Accountability Plan (LCAP) and annual update template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may

be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs should comply with instructions and use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

C. Engagement:

Parent involvement: *efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)*

Pupil engagement: *school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)*

School climate: *pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)*

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to engage parents, pupils, and the community and how this engagement contributed to development of the LCAP or annual update. Note that the LEA's goals related to the state priority of parental involvement are to be described separately in Section 2, and the related actions and expenditures are to be described in Section 3.

Guiding Questions:

- 1) How have parents, community members, pupils, local bargaining units, and other stakeholders (e.g., LEA personnel, county child welfare agencies, county office of education foster youth services programs, court-appointed special advocates, foster youth, foster parents, education rights holders and other foster youth stakeholders, English learner parents, community organizations representing English learners, and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representative parents of pupils identified in Education Code section 42238.01?
- 6) In the annual update, how has the involvement of these stakeholders supported improved outcomes for pupils related to the state priorities?

Involvement Process	Impact on LCAP
<p>Rocketship Jackson is a new campus set to launch in August of 2014. Rocketship Jackson’s LCAP was developed with input from multiple stakeholders, including Rocketship Jackson’s school leadership team, staff and Rocketship Education’s Network staff and board. Families that currently attend an existing Rocketship campus who will attend Rocketship Jackson next year were part of the engagement process and therefore shared their views on behalf of their current and future campus. Once the campus has launched we will review the plan and progress with families and utilize their input to inform revisions for the 2015-16 school year. The details of this engagement and the impact on the LCAP plan are explained to the right.</p> <p>The LCAP is grounded in the school’s specific context including its student population, instructional program, and community priorities.</p> <p>Rocketship Jackson will open in August 2014, the ninth Rocketship campus to open in San Jose. The campus will serve students in TK-4th grade with plans to expand to fifth grade in the 15-16 school year. The school will be led by Maricela Guerrero, an experienced school leader who led Rocketship Mateo Sheedy, our flagship campus, for many years.</p> <p>Like all Rocketship campuses, Rocketship Jackson anticipates a majority FRL and EL population. As such, its instructional program is built around ELD principles and recognizes incoming students may be several grade levels behind. As a result, all teachers will be trained in Guided Language</p>	<p>In early April we reached out to all parents of students attending Rocketship’s network of schools to participate in the LCAP process. Families were invited to attend an in-person parent coffee or community meeting facilitated by the Principal to understand the components of LCAP (including the state priorities) and to discuss how we could best use the LCFF funds to serve our students and improve services in alignment with the state priorities. In addition to sharing the state’s goals, we shared information about services and resources currently offered by the school that align with those priorities and initial proposals for additional services and resources we could offer. Parent representatives from all student subgroups attended the meeting.</p> <p>To provide the opportunity for all school stakeholders’ voices to be heard, even those who could not attend these in person meetings, Rocketship shared a survey (which was available in English, Spanish, and Vietnamese to reflect our student/family population) with all parents. The survey asked parents to indicate their preferences regarding to which services or resources their campus should allocate LCFF funds. To ensure high response rates, we asked parents to complete the survey during in-person meetings and also sent the survey home with students, which was accompanied by a phone call home to remind parents to complete it.</p> <p>In addition to soliciting parental input into the LCAP, we held after school meetings, which school staff could attend to learn about LCFF and give</p>

Involvement Process	Impact on LCAP
<p>Acquisition Design, small group instruction and differentiation to meet the needs of all students in their classrooms. As outlined in Rocketship Jackson’s charter, the key instructional practices will include:</p> <ul style="list-style-type: none">● Personalization. Students will receive targeted small group instruction through core strategies such as Guided Reading, 1:1 and small group tutoring during their time in the Learning Lab.● Blended Learning. Students will benefit from access to adaptive online curriculum that provides them content at or slightly above their skill level, as well as the integration of technology into the classroom for project and writing work.● Data driven instruction. Rocketship Jackson will use a variety of benchmark, formative and summative assessments to continually ensure that students are making progress towards mastery of the CCSS and receiving instruction that is targeted towards their needs. Teachers will gather for quarterly professional development “data days” to analyze the interim assessment data.● Response to Intervention (RtI). The RtI framework will organize all of our academic initiatives at Rocketship Jackson. RtI is an ongoing process of using student data to make universal and individual instructional and intervention decisions. The ultimate goal of RtI is for all students to perform at a proficient or advanced level because they have received appropriate instruction, accommodations, and modifications throughout the year.● Teacher Specialization. All of our teachers specialize in either Humanities (ELA / Social Studies) or Math/Science. Advantages for elementary schools that follow the team teaching approach include deeper content knowledge, a team structure allowing better collaborative focus, easier transition to middle school, and more flexibility in student grouping. <p>Core Values: All Rocketship campuses share four core values-- respect, responsibility, empathy and persistence—and develop a fifth core value as a community. At Rocketship Jackson this fifth core value is ganas.</p>	<p>feedback regarding how to use the funds. We also shared a survey with all school staff, including school leaders, teachers, tutors, enrichment staff, and operational and support staff, to solicit their preferences regarding how to allocate LCFF funds and which services Rocketship Jackson should offer to best serve our students. We also consulted our charter petition to ensure our LCFF investments were mirrored the priorities and approach detailed in Rocketship Jackson’s charter application.</p> <p>Additional groups engaged with during the LCAP process include:</p> <ul style="list-style-type: none">● School Leadership Team● Rocketship Education governing board● Rocketship Education network staff and leadership <p>The ideas and preferences expressed in parent and staff surveys were totaled and used to influence to what services Rocketship Jackson will allocate LCFF funds. Because Rocketship Jackson has yet to launch and therefore doesn’t have an established parent and student base, we used the aggregate results across campuses to discern the preferred services for which to use LCFF funds. These included: support staff staffing, enrichment coordinator staffing and technology support.</p> <p>Other services, such as enrichment center coordinator professional development, received relatively fewer votes from parents, and were therefore removed from consideration.</p> <p>We look forward to continuing to engage parents in refining our LCAP goals and services as Rocketship Jackson is established.</p>

Involvement Process	Impact on LCAP
<p>Ganas is the fuel that makes the core values of respect, persistence, empathy, and responsibility come to life and ignites students' desires and zest to achieve their best. Cultivating ganas means that students will find joy and meaning in a challenge and push themselves to overcome it. It means that students will not just work persistently towards achievement but deeply desire it. Students with ganas will also encourage and motivate their peers to be better students, friends, sons, daughters, and community members. Rocketeers fueled by ganas are expected to face challenges head on with intelligence, resolve, and pride. They will create solutions instead of making excuses and push beyond expectations of themselves and their community. This core value reminds our Rocketeers that success comes not only through hard work but also through a deep desire to reach one's goals and help others achieve theirs.</p> <p>Parent Engagement: A core component of Rocketship's theory of action is that parents are essential to the academic success of their student. Through outreach efforts such as conferences, home visits, and community meetings, Rocketship Jackson will create a community and foster parent engagement as a critical element of a Rocketeer's success.</p>	

Section 2: Goals and Progress Indicators

*For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, for **each** state priority and any local priorities and require the annual update to include a review of progress towards the goals and describe any changes to the goals.*

Instructions: Describe annual goals and expected and actual progress toward meeting goals. This section must include specifics projected for the applicable term of the LCAP, and in each annual update year, a review of progress made in the past fiscal year based on an identified metric. Charter schools may adjust the chart below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33. The metrics may be quantitative or qualitative, although LEAs must, at minimum, use the specific

metrics that statute explicitly references as required elements for measuring progress within a particular state priority area. Goals must address each of the state priorities and any additional local priorities; however, one goal may address multiple priorities. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site. The goals must reflect outcomes for all pupils and include specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to "Engagement" (e.g., pupil and parent)?
- 4) What are the LEA's goal(s) to address locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for subgroups as defined in Education Code sections 42238.01 and 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific predicted outcomes/metrics/noticeable changes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority and/or to review progress toward goals in the annual update?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) In the annual update, what changes/progress have been realized and how do these compare to changes/progress predicted? What modifications are being made to the LCAP as a result of this comparison?

Identified Need and Metric (What needs have been identified and what metrics are used to measure progress?)	Goals			Annual Update: Analysis of Progress	What will be different/improved for students? (based on identified metric)			Related State and Local Priorities (Identify specific state priority. For districts and COEs, all priorities in statute must be included and identified; each goal may be linked to more than one priority if appropriate.)
	Description of Goal	Applicable Pupil Subgroups (Identify applicable subgroups (as defined in EC 52052) or indicate "all" for all pupils.)	School(s) Affected (Indicate "all" if the goal applies to all schools in the LEA, or alternatively, all high schools, for example.)		LCAP YEAR Year 1: 2014-2015	Year 2: 2015-2016	Year 3: 2016-2017	
<p>Need: With the transition to CCSS, it is essential that we are providing students with aligned curriculum and material. As a new school, we will ensure that Rocketship Jackson has a CCSS Math aligned curriculum, Writing program, classroom supplies of literature and technology to sufficiently support students in mastering the CCSS.</p> <p>Metrics: (i) Schools using standards-aligned instructional materials and curriculum</p>	A. Students have access to Common Core standards aligned curriculum and technology and enroll in courses covering a broad array of content areas taught by appropriately assigned teachers	<i>All Students</i>	Rocketship Jackson	<p>(i) School provides standards-aligned instructional materials with focus on ELA and math</p> <p>(ii) School provides standards-aligned professional development with focus on ELA and math</p> <p>(iii) 100% of full-time teachers have appropriate credentials</p>	<p>(i) School provides standards-aligned instructional materials with focus on science</p> <p>(ii) School provides standards-aligned professional development with focus on science</p> <p>(iii) 100% of full-time teachers have appropriate credentials</p>	<p>(i) School provides standards-aligned instructional materials with focus on social studies</p> <p>(ii) School provides standards-aligned professional development with focus on social studies</p> <p>(iii) 100% of full-time teachers have appropriate credentials</p>	<p>Priority 1: Pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119 Degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject area and for the pupils they are teaching</p> <p>Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils, including English Language Learners</p> <p>Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section</p>	

Identified Need and Metric (What needs have been identified and what metrics are used to measure progress?)	Goals			Annual Update: Analysis of Progress	What will be different/improved for students? (based on identified metric)			Related State and Local Priorities (Identify specific state priority. For districts and COEs, all priorities in statute must be included and identified; each goal may be linked to more than one priority if appropriate.)
	Description of Goal	Applicable Pupil Subgroups (Identify applicable subgroups (as defined in EC 52052) or indicate "all" for all pupils.)	School(s) Affected (Indicate "all" if the goal applies to all schools in the LEA, or alternatively, all high schools, for example.)		LCAP YEAR Year 1: 2014-2015	Year 2: 2015-2016	Year 3: 2016-2017	
(ii) Teachers participate in professional development focused on standards-aligned instruction. (iii) Percent of full-time teachers with appropriate credentials								51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable
Need: In order to be ready to learn, students need to know they are in a safe environment. As a new campus, we need to ensure that Rocketship Jackson has a strong foundation in positive behavioral practices. Additionally, we are concerned about safety concerns associated with heavy traffic times such as pick up and drop off. Metrics: (i) Suspension rates (ii) Expulsion rates	B. School environment is safe and welcoming for all students	<i>All Students</i>	Rocketship Jackson		(i) Rate below norm for schools with similar populations (ii) <1% (iii) Baseline (new survey question) (iv) Baseline (new survey question)	(i) Rate below norm for schools with similar populations (ii) <1% (iii) Baseline + 2% points (iv) Baseline + 2% points	(i) Rate below norm for schools with similar populations (ii) <1% (iii) Baseline + 4% points (iv) Baseline + 4% points	Priority 1: School facilities are maintained in good repair pursuant to Education Code section 17002(d) Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness

Identified Need and Metric (What needs have been identified and what metrics are used to measure progress?)	Goals			Annual Update: Analysis of Progress	What will be different/improved for students? (iii) Parents are satisfied with the relationship with their child's teachers [survey] (iv) School ADA (v) % of Chronic absenteeism (missing 18+ days of school)								

Section 3: Actions, Services, and Expenditures

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require the LCAP to include a description of the specific actions an LEA will take to meet the goals identified. Additionally Education Code section 52604 requires a listing and description of the expenditures required to implement the specific actions.

Instructions: Identify annual actions to be performed to meet the goals described in Section 2, and describe expenditures to implement each action, and where these expenditures can be found in the LEA's budget. Actions may describe a group of services that are implemented to achieve identified goals. The actions and expenditures must reflect details within a goal for the specific subgroups identified in Education Code section 52052, including pupils with disabilities, and for specific school sites as applicable. In describing the actions and expenditures that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01, the LEA must identify whether

supplemental and concentration funds are used in a districtwide, schoolwide, countywide, or charterwide manner. In the annual update, the LEA must describe any changes to actions as a result of a review of progress. The LEA must reference all fund sources used to support actions and services. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 2) How do these actions/services link to identified goals and performance indicators?
- 3) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?
- 4) In the annual update, how have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 5) In the annual update, how have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 6) In the annual update, how have the actions/services addressed the identified needs and goals of specific school sites and did the provision of those actions/services result in the desired outcomes?
- 7) In the annual update, what changes in actions, services, and expenditures have been made as a result of reviewing past progress and/or changes to goals?

What annual actions, and the LEA may include any services that support these actions, are to be performed to meet the goals described in Section 2 for ALL pupils and the goals specifically for subgroups of pupils identified in Education Code section 52052 but not listed in Table 3B below (e.g., Ethnic subgroups and pupils with disabilities)? List and describe expenditures for each fiscal year implementing these actions, including where these expenditures can be found in the LEA’s budget.

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/ services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?		
					Year 1: 2014-15	Year 2: 2015-16	Year 3: 2016-17
A. Students have access to Common Core standards aligned curriculum and technology and enroll in courses covering a broad array of content areas taught by appropriately assigned teachers	<p>Priority 1: Pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119 Degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject area and for the pupils they are teaching</p> <p>Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils, including English Language Learners</p>	<p>The Rocketship Jackson curriculum follows the California adoption of the Common Core State Standards (“CCSS”) for the subject areas of: English/Language Arts (includes Writing), and Mathematics, as well as the state standards for Social Studies, Art and Music and the Next Generation Science Standards. Rocketship has established ELA and Math “power standards” – the most rigorous CCSS at each grade level – as the most important markers of success in order to prioritize the focus of instruction while also ensuring that all grade-level standards are addressed in every course. Rocketship Jackson will operate an inclusion model and therefore this core curriculum will benefit all students including Special Education students.</p> <p>Budget Allocation: Core Curriculum</p> <p>To ensure that our students are ready for success on the CAASPP, Rocketship Jackson will utilize computer based, Common Core aligned benchmark assessments. Consistent with our model of data driven instruction, the results of these benchmarks will be used to adjust instruction to ensure that all students are moving towards mastery of the</p>	School-wide		<p>\$61,145 (Other)</p>	<p>\$36,260 (Other)</p>	<p>\$35,741 (Other)</p>

		<p>Our goal is to help our EL students make rapid progress out of levels 1 and 2 and into levels 3 and higher on the CELDT Assessment. We believe that the most effective instructional approach for a school with a high EL population is to embed ELD principles in all aspects of the curriculum and to teach explicit ELD during a portion of the day. To embed ELD principles across all subjects, we will work with Project GLAD (Guided Language Acquisition Design) to teach our teachers methods to provide additional instructional support to EL students. Our explicit ELD will focus on developing oral language, grammatical constructs and academic vocabulary in English. This period will take place during the Humanities block when EL students may be leveled by English fluency and provided with explicit ELD instruction. In the Rtl tutoring program, ELs who are not making Significant Gains may receive Literacy instruction as well as ELD as appropriate. Special Education students who are also ELs may have a particularly challenging time acquiring English language. In these cases, we provide Tier II and Tier III tutoring in small group or 1:1 settings.</p> <p>Budget Allocation: Staff Training (GLAD)</p> <p>Reduce Class Sizes Teachers are the most critical ingredient for success at Rocketship. Students receive personalized instruction through targeted small group instruction and effective whole group instruction led by highly</p>

D. Build teacher capacity to support timely reclassification.	Priority 4: Share of English learners that become English proficient, English learner reclassification rate.	For English learners: Given that we expect over 55% of Rocketship Jackson's students to be EL, all of the actions listed above are in direct service of ensuring our English learners are reclassified as quickly as possible. For example, our reading and writing curriculum described above will emphasize phonemic awareness,					

Goal (Include and identify all goals from Section 2, if applicable)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?

		<p>phonics, fluency, vocabulary, and text comprehension. These are strategies that research indicates have clear benefit for language-minority students (National Literacy Panel, August & Shanahan, 2006).</p> <p>In addition to our core instructional strategies, we employ a number of essential actions in unique service of our EL students. Many of these actions, such as the GLAD professional development described below are funded with Title III funding which is specifically designed to ensure EL students attain English proficiency and meet the same challenging content as other students.</p> <p>Budget Allocation: Staff Training</p> <p>We believe that the most effective instructional approach for a school with a high EL population is to embed ELD principles in all aspects of the curriculum and to teach explicit ELD during a portion of the day. To embed ELD principles across all subjects, we work with Project GLAD (Guided Language Acquisition Design) to teach our teachers methods to provide additional instructional support to EL students. Our explicit ELD will focus on developing oral language, grammatical constructs and academic vocabulary in English. This period will take place during the Humanities block when EL students may be leveled by English fluency and provided with explicit ELD instruction. This is made possible through the personalized or small group instruction that occurs</p>			\$20,975 (Other)	\$4,575 (Other)	\$1,500 (Other)

		<p>during guided reading. Through this small group, a student is able to receive specific language instruction and they are able to further develop their language proficiency through re-tells, explicit vocabulary lessons, and a small group focus on letters, word patterns, spelling, blends, sounds, etc. In addition, during this guided reading time, staff will provide an EL center, which will be focused on specific language activities (picture cards, writing, vocabulary development, etc.) that are targeted to specific categories of students based on level of progress.</p> <p>Budget Allocation: Leveled Libraries</p> <p>Similarly, in RtI, students that are struggling due to language proficiency will be participating in intervention activities that are specifically focused on decoding and comprehension. These activities may include comprehensive activities that explicitly and systematically build English language skills during reading instruction. There are interventions that focus explicitly on English letter/sound correspondences, word patterns, spelling rules, and other skills. By introducing these skills in isolation and practicing them in context, students are better able to move through the language proficiency categories.</p> <p>Budget Allocation: RTI Curriculum</p>			<p>\$32,400 (Other)</p> <p>\$9,702 (Other)</p>	<p>\$3,000 (Other)</p> <p>\$2,400 (Other)</p>	<p>\$3,000 (Other)</p> <p>\$2,400 (Other)</p>

- C. Describe the LEA's increase in funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5). Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496. For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state priority areas. (See 5 CCR 15496(b) for guidance.)

Rocketship Jackson is a new school set to launch in August 2014. Rocketship Jackson will be located in Alum Rock Union Elementary Unified School District where the enrollment of unduplicated pupils is above 55%, and the school is expected to have close to 81% unduplicated pupil population. As a result, Rocketship Jackson will qualify for both supplemental and concentration funding. Rocketship Jackson's estimated supplemental and concentration grants for 2014-15 are expected to be \$294,253, which comprises 8.4% of their total LCFF Phase-In Entitlement for next year. Rocketship Jackson plans to expend these funds on technology support, support staff, hiring an additional enrichment center coordinator and funding field trips for students. While the district may have a lower unduplicated account, the majority of the school's population is low income, where many of these school-wide initiatives will be a great benefit to these low income students.

The use of restricted LCFF funds, while school-wide initiatives, are particularly beneficial for Rocketship Jackson's unduplicated population as follows:

- **Technology support.** Additional technology in the classroom will help ensure that our unduplicated population, and particularly our EL students, is receiving the supports they need to meet the technical skills required in the writing, speaking and listening portion of the Common Core standards. With increased access to computers, our unduplicated students will have increased opportunities to practice and improve fluency during their Humanities class where technology integration will focus heavily on the Common Core writing, research and communication standards. This support investment will ensure that all unduplicated students have access to functioning properly at all times.
- **Increased support staff.** We know that our unduplicated population, and particularly our socio-economically disadvantaged students, can benefit from a high level of engagement with positive adult relationships throughout their school day. This investment in additional support staff will ensure that during critical transition points such as arrival, dismissal, lunch and recess, our unduplicated population is

supported by adults who are ensuring they are provided with a safe and welcoming environment throughout the day.

- **Enrichment coordinator.** Enrichment is a critical component of our undocumented students' education. In addition to aligning with CCSS standards, time spent in the Enrichment Center provides students with fun and engaging activities that increase their focus and commitment during core instruction. The Enrichment Center Coordinators provide students with the opportunity to engage in physical education, art, and various other enrichment activities that our unduplicated students may not otherwise be able to access. The Coordinators play a critical role in strengthening school culture.
- **Field trips.** Field trips provide an important opportunity to both deepen students' learning and increase engagement. Many of the field trips taken will be science and/or social studies related, enabling teachers to integrate the learning into their thematic units back in the classroom. In addition, parents often attend field trips with their students, thereby increasing parental engagement as well. Importantly, field trips provide real-life experiences that our unduplicated students may not otherwise experience, enriching their education and creating engaging learning opportunities.

- D. Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

As a new school launching in August 2014, there is no 2012-13 EIA funding to report for Rocketship Jackson. Therefore, we cannot report a percentage by which services for unduplicated pupils must increase. Rocketship Jackson's instructional model is built on the foundation of personalization. We believe that targeted small group instruction and 1:1 tutoring are the most effective ways to ensure that all students are moving towards proficiency. For our unduplicated population, and particularly our EL students, targeted small group instruction ensures that a student is able to receive specific language instruction and they are able to further develop their language proficiency through re-tells, explicit vocabulary lessons, and a small group focus on letters, word patterns, spelling, blends, sounds, etc. In addition, during small group guided reading time, staff will provide an EL center, which will be focused on specific language activities (picture cards, writing, vocabulary development, etc.) that are targeted to specific categories of students based on level of progress. By providing additional technology supports,

we will ensure that our unduplicated population received personalized instruction.
