

Process for Considering a Charter Petition Received for Renewal

WHAT TO SUBMIT

The Santa Clara County Office of Education (SCCOE) receives and reviews petitions on behalf of the Santa Clara County Board of Education (County Board). The process to renew a charter is only considered if all the following items are received (Ed. Code 47605, 47605.6, 47607, 47607.2):

2. Signed Certification of Affirmations**

A signed certification to the SCCBOE stating that petitioner(s) will comply with all applicable laws.

3. Renewal Qualifications**

Evidence that the charter school has met all the qualifications for renewal, including current verified data (i.e. academic assessment and post-secondary outcomes) and dashboard indicators for the most recent two years prior to end of charter term. If the most recent dashboard data is not available, charter school must provide the verified data which quantifies the local and state indicators on the dashboard.

A description of changes to the petition and/or a red-lined version of the new revisions to the petition for revision.

5. Financial Documents**
