Santa Clara County Office of Education

Renewal Appeal Petitioner Certification Form

(TO BE USED FOR AN APPEAL OF A LOCAL SCHOOL DISTRICT'S DENIAL OF A CHARTER RENEWAL)

This form constitutes the petitioner's signed certification that the petitioner deems the petition to be complete for purposes of commencing the timelines, as specified in Education Code §47605(b).

(MUST BE COMPLETED AND SIGNED BY PETITIONER)

Instructions to Lead Petitioner
1. Complete the SCCOE Charter Renewal Review Matrix Form (including petition page numbers).
2. Complete and sign this Petitioner Certification Form.
3. Submit completed & signed Petitioner Certification Form, Matrix, budget documents, and all other required documents with the charter petition to SCCOE Charter Schools Department.

(A) The petition includes a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed and has been updated as necessary to reflect the current program offered by the charter school.	■ YES ☐ NO
(B) The petition contains academic performance data of the charter school on the state and local indicators included in the evaluation rubrics adopted pursuant to Section 52064.5 for the most recent preceding two years and any/all other data, plans, or information necessary to support renewal.	■ YES ☐ NO
(C) The dashboard data is not available for the most recently completed year before renewal, and the petition contains verifiable data related to the dashboard indicators, such as data from the California Assessment of Student Performance and Progress, or any successor system for the most recent academic year.	■ YES ☐ NO
(D) The petition packet includes a redlined version indicating all changes to the petition from when the petition was originally granted or last renewed. The petition packet includes a hard-copy version and electronic (Word & pdf) versions, including an Excel spreadsheet of the budget, LCFF calculator, and an executive summary of the changes from the current charter.	■ YES ☐ NO
(E) A copy of the appeal renewal petition, including all documents submitted to the County Board, was concurrently provided to the school district.	■ YES ☐ NO
(F) The renewal petition submitted to the County Board on appeal is unchanged from that denied by the school district, other than changes necessary to reflect the County Board as the chartering entity, with no new or different material terms.	■ YES ☐ NO
(G) A description of any and all changes to the renewal charter necessary to reflect the County Board as the chartering entity is attached.	■ YES ☐ NO
(H) The charter petitioner and charter school will comply with all applicable laws.	■ YES ☐ NO
(I) Evidence of the district governing board's denial is attached.	■ YES ☐ NO
(J) Evidence of the district governing board's written factual findings for denial is attached.	■ YES ☐ NO

I hereby certify in accordance with Education Code Section 47605(b) and County Board Policy 0420.4 that the attached petition, including any appendices and attachments, is deemed complete and the terms of this certification form are true and correct. I understand and acknowledge that failure to provide accurate or complete information may subject the charter to denial or revocation if later discovered and the omission/inaccuracy is material.

Name of Charter School: Escuela Popular/Center for Training and Careers, Family Learning Center

Re: Escuela Popular/Center for Training and Careers, Family Learning Charter Renewal Petition Appeal to the Santa Clara County Board of Education

Dear Dr. Toston:

This letter and its enclosures serve as Escuela Popular/Center for Training and Careers, Family Learning's ("EPCTC" or the "Charter School") appeal of the denial of its charter renewal petition by the East Side Union High School District ("ESUHSD" or the "District") to the Santa Clara County Board of Education (the "County Board"), as provided for in Education Code Section[1] 47605(k)(1)(A) and Title 5, California Code of Regulations Section 11966.5. Escuela Popular del Pueblo, the nonprofit benefit corporation which operates EPCTC, authorizes submission of the charter appeal request to the County Board, and certifies that it deems the petition to be complete, as attested below.

THE DISTRICT UNLAWFULLY DENIED EPCTC'S RENEWAL CHARTER

When Assembly Bill 1505 modified the Charter Schools Act in 2020, the Legislature created a framework for a charter school to appeal the denial of its charter renewal by its chartering authority. Section 47607.5 states:

> …if either a school district governing board or a county board of education, as a chartering authority, does not grant a renewal to a charter school pursuant to Section 47607 or 47607.2, the charter school may appeal the decision pursuant to the procedures pertaining to a denial of a petition for establishment of a charter school, as provided in subdivision (k) of Section 47605 for review in accordance with Section 47607.

This scenario occurred on April 13, 2026, when the ESUHSD Board adopted the District Staff's *Recommendations and Proposed Findings of Fact* ("Staff Report") and voted to deny the renewal of EPCTC's renewal charter:

[1] All statutory citations herein are to the Education Code.

Escuela Popular Family Learning Center
Patricia Reguerin, Executive Director

Phone: (408) 426-6593
www.escuelapopular.org

Recommended Action:
District Staff recommends that the Board deny the renewal of EPCTC's Charter. The recommendation for denial is based on findings that petitioners are demonstrably unlikely to successfully implement the educational program set forth in the EPCTC Renewal Petition.

The District attempted to utilize Section 47607(e) to deny renewal on the grounds specified in that subsection. However, Section 47607(e) only permits a chartering authority to deny renewal following 30 days' notice and an opportunity to cure allegations from the chartering authority that "the school is demonstrably unlikely to successfully implement the program set forth in the petition due to substantial fiscal or governance factors, or is not serving all pupils who wish to attend, as documented pursuant to subdivision (d)." (*See* Section 47607(e).). The District never provided a Section 47607(e) notice to the Charter School with the required 30 days' notice and reasonable opportunity to cure. Therefore, the District cannot use this Section for denial of EPCTC's charter renewal petition.

Instead, the District was required to apply Section 47607(c)(7) because of the Charter School's status as a Dashboard Alternative School Status ("DASS") charter school. As a DASS charter school, the only avenue for denial is with a finding that closure is in the best interest of students. Regarding DASS charter schools, Section 47607(c)(7) states:

> The chartering authority may deny a charter renewal pursuant to this paragraph **only upon making written findings**, setting forth specific facts to support the findings, **that the closure of the charter school is in the best interest of students.**
> (Emphasis added.)

ESUHSD failed to even attempt, let alone meet, this meaningfully high standard for non-renewal. Not only did the Staff Report fail to provide any findings that meet the standards for the denial of a DASS charter school, but the District blatantly failed to demonstrate that closure is in the best interest of students. Moreover, the ESUHSD Board also failed to attempt or meet the legal requirement to make written factual findings that closure is in the best interest of the Charter School's students. To demonstrate that closure is in the best interest of students, the District would have to prove, for example, that the alternative schools that students could otherwise attend outperform the Charter School; that there are comparable or better services offered at other schools; or that EPCTC is harming students. The District failed to make a single finding in this area. Instead, the District raised "concerns," many of which had been addressed over months of collaborating between ESUHSD and EPCTC.

Indeed, closure would acutely harm the students of EPCTC because the student population consists of adult students whose education has been interrupted due to migration, family, homelessness, or changes in employment. Many of these students came to the United States

speaking little or no English. EPCTC serves this unique, vulnerable population of students and seeks to continue providing these students with an avenue to earn their diplomas. There is no comparable program to EPCTC in the San Jose area that could serve this population. The District failed to not only meet its legal requirements but failed to meet its responsibility as a chartering authority – to provide education and access to the adult students who reside in the District.

The Charter School was being considered under Section 47607.2; as contemplated by Section 47607.5, the District Board did not grant renewal of the Escuela Popular/Center for Training and Careers, Family Learning charter petition. Therefore, this *de novo* appeal to the County Board is lawful and timely.

CONTENTS OF THE APPEAL

Title 5, California Code of Regulations Section 11966.5(a) requires that a charter school whose petition has not been approved and that wishes to appeal its petition to the county board must send certain information within 30 days after the school district action. Below, please find a listing of the components of the charter petition appeal as required by law and the Santa Clara County Office of Education ("SCCOE").

(1) A complete copy of the charter petition as denied by the District, including all appendices. (Attached under Tab 1.)

(2) A redlined version of the charter petition indicating all changes to the petition from when the petition was originally granted or last renewed. (Attached under Tab 2.)

(3) A budget narrative and an Excel spreadsheet of the Charter School's budget and the LCFF calculator. (Attached under Tab 3.)

(4) A copy of the District governing board's written factual findings regarding the charter renewal petition. Attached under Tab 4, please find:

a. District Findings of Fact regarding the charter renewal petition.

b. The Charter School's response to the District's findings regarding the charter renewal petition.

c. The District Board Resolution failing to grant approval the charter renewal petition. The recording of the Board's denial can be found at this link, timestamped 3:00:02.

(5) A letter containing a description of changes and Petition to reflect the County Board as the Charter School's chartering entity. (Attached under Tab 5.)

Escuela Popular Family Learning Center
Patricia Reguerin, Executive Director
149 N. White Road, San Jose, CA 95127
Phone: (408) 426-6593
www.escuelapopular.org

(6) Completed Santa Clara County Office of Education "Renewal Appeal Petitioner Certification Form." (Attached under Tab 6.)

(7) Completed SCCOE Charter Review Matrix – District Appeal. (Attached under Tab 7.)

At its April 13, 2026 Board meeting, the ESUHSD Board voted to deny the renewal of the Charter School's charter petition. This appeal is therefore within the 30-day limit for submission of an appeal of a charter renewal petition, as stated in Section 47605(k)(1)(A)(i).

According to Section 47605(b), no later than 90 days after receiving a complete petition package, the Santa Clara County Board of Education shall grant or deny the charter renewal petition. We anticipate that the County Board will adhere to this timeline during its consideration of the charter renewal petition.

* * *

We look forward to working with the County Board and the Santa Clara County Office of Education during consideration of the charter renewal petition. Please feel free contact me at patricia@escuelapopular.org or (408) 426-6593 if you have any questions.

Sincerely,

Patricia Reguerin
Executive Director

Affirmations and Declaration

As the authorized lead petitioner (See Appendix 1 Resolution for Charter Renewal Petition with Board Minutes), I , Patricia Reguerin, hereby certify that the information submitted in this petition for renewal of a California public charter school named for Escuela Popular/Center for Training and Careers Family Learning Center (the “Charter School,” "Escuela Popular" or "EPCTC"), located within the boundaries of the East Side Union High School District (the “District” of “ESUHSD”), operated by Escuela Popular del Pueblo, is true to the best of my knowledge and belief; I also certify that this renewal petition does not constitute the conversion of a private school to the status of a public charter school; and further, I understand that if awarded a charter, the Charter School will follow any and all federal, state, and local laws and regulations that apply to the Charter School, including but not limited to:

1. The Charter School shall meet all statewide standards and conduct the student assessments required, pursuant to Education Code Section 60605, and any other Statewide Standards authorized in statute, or student assessments applicable to students in non-charter public schools [Ref. Education Code 47605(d)(1)].

2. The Charter School declares that Escuela Popular del Pueblo shall be deemed the exclusive public school employer of the employees of the Charter School for the purposes of the Educational Employment Relations Act [Ref. Education Code 47605(c)(6)].

3. The Charter School shall be nonsectarian in its programs, admission policies, employment practices, and all other operations. [Ref. Education Code 47605(e)(1)].

4. The Charter School shall not charge tuition [Ref. Education Code 47605(e)(1)].

5. The Charter School shall admit all students who wish to attend the Charter School unless the Charter School receives a great number of applications than there are spaces for students, in which case it will hold a public random drawing to determine admission. Except as required by Education Code Section 47605(e)(2), admission to the Charter School shall not be determined according to the place of residence of the student or of that student’s parent or legal guardian within the State. Preference in the public random drawing shall be given as required by Education Code Section 47605(e)(2)(B)(i)-(iv). In the event of a drawing, the chartering authority shall make reasonable efforts to accommodate the growth of the Charter School in accordance with Education Code Section 47605(e)(2)(C). [Ref. Education Code Section 47605(e)(2)(A)-(C)].

6. The Charter School shall not discriminate on the basis of the characteristics listed in Section 220 (actual or perceived disability, gender, gender expression, sexual orientation, nationality, race or ethnicity, religion, or any other characteristic that is contained in the definition of hate crimes set form in the Section 422.55 of the

Penal code, including immigration status, or association with an individual who has any of the aforementioned characteristics) [Ref. Education Code Section 47605(e)(1)].

7. The Charter School shall adhere to all applicable provisions of Federal Law related to students with disabilities including, but not limited to, the Individuals with Disabilities Education Improvement Act or 2004 ("IDEA"), Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and Title II of the Americans with Disabilities Act of 1990 ("ADA").

8. The Charter School shall ensure that teachers in the charter school shall hold the Commission on Teacher Credentialing ("CTC") certificate, permit, or other document required for the teacher's certificated assignment. These documents shall be maintained on file at the Charter School and are subject to periodic inspection by the District. The Charter School may use local assignment options authorized in statute and regulations for the purpose of legally assigning certificated teachers, in the same manner as a governing board of a school district. [Ref. Education Code Section 47605(l)(1)].

9. The Charter School shall meet all requirements for employment set forth in applicable provisions of law, including, but not limited to, credentials, as necessary. [Title 5 California Code of Regulations Section 11967.5.1(f)(5)(C)].

10. The Charter School shall comply with all laws establishing the minimum and maximum age for public school enrollment [Ref. Education Code Sections 47612(b) and 47610].

11. The Charter School shall, for each fiscal year, offer at a minimum, the number of minutes of instruction per grade level as required by Education Code Section 47612.5(a)(1)(A)-(D).

12. The Charter School shall maintain accurate and contemporaneous written records that document all pupil attendance and make these records available for audit and inspection [Ref. Education Code Section 47612.5(a)(2)].

13. The Charter School shall, on a regular basis, consult with its parents and teachers regarding the Charter School's education programs [Ref. Education Code Section 47605(d)].

14. If a pupil is expelled or leaves the Charter School without graduating or completing the school year for any reason, the Charter School shall notify the superintendent of the school district of the pupil's last known address with thirty (30) days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, inducing report cards or a transcript of grades, and health information. If the pupil is subsequently expelled or leaves the school district without graduating

or completing the school year for any reason, the school district shall provide this information to the Charter School within 30 days if the Charter School demonstrates that the pupil had been enrolled in the Charter School. [Ref. Education Code Section 47605(e)(3)].

15. The Charter School shall comply with any applicable jurisdictional limitations to the locations of its facilities [Education Code Sections 47605 and 47605.1].

16. The Charter School shall comply with the California Public Records Act, Government Code Section 7920.000, et seq. (“CPRA”).

17. The Charter School shall comply with the Family Educational Rights and Privacy Act, 20 U.S.C. Section 1232g, 34 CFR Part 99 (“FERPA”).

18. The Charter School shall comply with the Ralph M. Brown Act, Government Code Section 54950, et seq. (the “Brown Act”).

19. The Charter School may encourage parental involvement but shall notify the parents and guardians of applicant pupils and currently enrolled pupils that parental involvement is not a requirement for acceptance to, or continued enrollment at, the Charter School. [Ref. Education Code Section 47605(n)]

20. The Charter School shall adhere to each of the conditions in Education Code Section 47605(e)(4)(A)-(D), including: (A) not discouraging a student from enrolling or seeking to enroll in the Charter School for any reason; (B) not requesting a student's records or require a parent, guardian, or student to submit the student's records before enrollment; (C) not encouraging a student currently attending the Charter School to disenroll or transfer to another school for any reason; and (D) providing a copy of the California Department of Education (“CDE”) notice regarding the requirements in Education Code Section 47605(e)(4)(A)-(D) to a parent/guardian or student if the student is 18 years of age or older: (i) when a parent/guardian or student inquires about enrollment, (ii) before conducting an enrollment lottery, or (iii) before disenrollment of a student. [Ref. Education Code Section 47605(e)(4)(A)-(D)]

21. The Charter School shall comply with Government Code Section 1090, et seq., as set forth in Education Code Section 47604.1 (“Section 1090”).

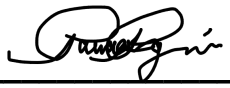
22. The Charter School shall comply with the Political Reform Act, Government Code Section 81000, et seq. (“PRA”).

23. The Charter School shall comply with Education Code Section 51744, et seq. related to independent study, as applicable.

24. The Charter School shall comply with all applicable portions of the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by the Every Student Succeeds Act ("ESSA").

25. The Charter School shall meet or exceed the legally required minimum number of school days. [Ref. Title 5 California Code of Regulations Section 11960]

26. The Charter School shall, at all times, maintain all necessary and appropriate insurance coverage.



_____ Date 12/11/25

Patricia Reguerin, Lead Petitioner

(See Appendix 2 Certification for Charter Renewal Petition.)

Executive Summary

Escuela Popular del Pueblo, a California nonprofit public benefit corporation with 501(c)(3) tax-exempt status, is proud to submit the Escuela Popular Center for Training and Careers, Family Learning Center charter petition for renewal to ESUHSD. In 2003, Escuela Popular and the Center for Training and Careers came together to create a charter school that combines a challenging, standards-based academic program with relevant job, career, and college-readiness skills for students over 18 years old. EPCTC is an extension of Escuela Popular Accelerated Family Learning Center ("EPAFLC") (TK12), and serves the current and future students 18 years old or older who no longer qualify to attend EPAFLC The students in EPCTC work toward a high school diploma while learning job skills that prepare them to be effective members of today's workforce.

Both partners in the EPCTC Charter School, Escuela Popular and Center for Training and Careers, Inc., have long histories of service to the East San Jose community. Escuela Popular has been providing educational services to the East San José, California community since 1986. Escuela Popular developed as a grassroots effort to serve the growing need for English classes. As demand grew, the curriculum of Escuela Popular expanded to include parent education, citizenship classes, history/civics, and afterschool/youth programs, in addition to English classes. In May 2002, Escuela Popular was granted a charter by the East Side Union School District to operate a family learning center for K-12 and adult learners seeking a high school diploma. Initially, Escuela Popular operated a K-12 academy for over 400 students in three age-appropriate academies in two facilities, each with separate leadership. The student population is of Latino heritage and most of the students are eligible for the free and reduced price meal program or fall under the federal poverty guidelines. The majority of Escuela Popular's students are recent immigrants who are monolingual Spanish speakers, in addition to long-time East San Jose residents.

The Center for Training and Careers, Inc. (now known as ConXion to Community and referred to herein as "CTC") is a community-based, non-profit, public benefit corporation, which has successfully provided educational and vocational training along with employment services to youth and adults since 1977. CTC was established to develop and enhance employment opportunities for the educationally and economically disadvantaged of the San Jose community. CTC has been a partner with Escuela Popular for over 20 years. (See Appendix 3 for Partnership Agreement.)

The overall vision of EPCTC is to empower our community through education. EPCTC provides educational and career opportunities for adult students. Working cooperatively with EPAFLC, we aim to maintain a family learning environment across the two schools by serving both parents and children. We are committed to providing meaningful learning experiences in a small school setting to ensure we are positively impacting the lives of every student. EPCTC is a community school that is open for extended hours to accommodate the academic and non-academic needs of our adult students, many of whom may already be working and parenting. Our Charter school prepares students to attend college or enter the workforce directly into a skilled job.

EPCTC draws upon the proven strengths of the two founding organizations, Escuela

Popular and the Center for Training and Careers, and operates in the community that these two organizations have collectively served for nearly 50 years.

From the outset, EPCTC's students' status in society and the resulting issues that they face have been central to the Charter school's educational approach. Critical issues students face include:

- poverty;
- Meal and food security;
- Housing;
- Access to health care;
- Students with Interrupted Formal Education ("SIFE") or Students with Limited or Interrupted Formal Education ("SLIFE");
- language isolation from the dominant culture;
- immigration issues and resulting insecurities;
- culture shock resulting in a feeling of disempowerment and dependency;
- life threatening travel to the United States resulting in trauma;
- family separation; and,
- Different academic, language, and social emotional challenges from those of U.S. born students.

EPCTC realizes that no individual can be successful academically unless these issues are addressed. Experience teaches us that in spite of these circumstances, students can and do succeed in pursuit of their goals. EPCTC is a community school that goes beyond traditional academic instruction to provide a wide range of services and support to students and their families. EPCTC fulfills a vital need in the community, proudly serving diverse families who are historically underserved, with the support and collaboration of East Side Union High School District.

EPCTC is committed to preparing all students, but particularly first generation Latino (term as a broad descriptor for individuals of Latin American origin or descent used to refer to both males and mixed-gender groups) students and English Learners, for success in life.

Escuela Popular serves a community who is majority Latino, low-income, homeless or unhoused, and English Learners.

The California School Dashboard ("Dashboard") in 2024 reported that in 2023-24, EPCTC served **515 students** with diverse needs and backgrounds: **82.3%** were socioeconomically disadvantaged ("SED") students; **14.8%** were Homeless Youth ("HY"); **0.2%** were students with disabilities ("SWD"); and, **0%** were Foster Youth ("FY"). Notably, **100%** of our students were Latino. The Dashboard reports that the percentage of students who were English Learners ("ELs") was 17.3%; however, the correct percentage of ELs is **99.2%** from CALPADS Fall 1, 8.1 Snapshot Report as the student demographics on the Dashboard starting in 2020-21 were no longer updated to include Adult English Learners ("ADELs") as English Learners.

Challenges of the 2018-2026 Charter Term

It is important to consider that the percentage of EPCTC's numerically significant subgroups is much higher than the State's student population. 100% of EPCTC students are Latino, versus 56.1% of the State's public school population; similarly, 82.3% of EPCTC's students are socioeconomically disadvantaged, versus 62.7% of the State's public school population as determined by eligibility for free or reduced price meals; 99.2% of EPCTC's students are English Learners, versus 18.4% of the State's English Learners. Perhaps most impactful is that 81% of EPCTC students are Homeless or Unhoused, versus only 3.6% of the State's public school population. The reason this is an unfair comparison is because the majority of EPCTC's students are homeless, learning English, living in poverty, and Latino; whereas these qualities occur far less frequently in the State's student population.

Between 2018–19 and 2024–25 as noted in Table i.1 below, EPCTC maintained a consistently high percentage of SED students, ranging from approximately 80% to over 96% in the most recent year. This trend demonstrates the Charter School's commitment to serving economically vulnerable populations. The percentage of ELs including ADELs has remained exceptionally high with an average of over 99%. The EL population remains a central focus of EPCTC's instructional and language development efforts.

Throughout these years, the student population has remained overwhelmingly Latino, consistently between 98 and 100%, showing strong cultural cohesion within the Charter School community. The proportion of students identified as homeless fluctuated widely, from approximately 6.5% in 2020–21 to more than 81% in 2024–25, suggesting changes in community housing stability and reporting practices. As an adult school, it is not surprising that there would be a small percentage of SWD who chose to continue their education. Moreover, since foster youth age out on their 18th birthday, it is not surprising that 0% of the students are Foster in an adult program. Collectively, these data trends highlight EPCTC's enduring role as a community Charter School that primarily serves Latino, SED students, and ELs, adapting to changes in reporting standards while continuing to address the needs of vulnerable and mobile student groups.

This seven-year demographic trend underscores EPCTC's critical mission in serving English Learners, low-income families, and students facing housing insecurity. The consistency of need, paired with a culturally and linguistically focused model, positions the Charter School as a vital anchor for underserved families in the region.

Table i.1: Percentage of Subgroups at EPCTC for the Charter Term from the Dashboard (With the Exception of EL and ADEL from Annual CALPADS Fall 1, 8.1 Snapshot Report, and 2024-25 from DataQuest Enrollment)

SCHOOL DEMOGRAPHICS FROM CA SCHOOL DASHBOARD (ON CENSUS DAY)

Percent of Students per Student Group

2021-22	415	14.7	84.6	0	0	11.3*	0	100	0	*99.3*
2022-23	528	19.1	84.5	0	0	13.8*	0	100	0	*98.9*
2023-24	515	17.3	82.3	0.2	0	14.8*	0	100	0	*99.4*
2024-25	658	20.1	96.5	0.2	0	81	0	99.4	0.2	*99.2*

*Only included students under 22 years old instead of total student population.

EPCTC serves a highly transient population. The majority of students enrolled at EPCTC are recent immigrants or newcomers to the country and who are monolingual Spanish speakers. The student population is highly mobile given the nature of the population served.

Due to the high transiency rate, the stability rate[1] of the students is lower than that of the District, and the State. The CDE developed a stability rate measure to identify the number and percent of students who receive a "full year" of learning in the same school. Though this is not an accountability measure, the stability rate report is intended to support educators and other educational partners to better understand the needs of students and to support academic and social emotional needs of students and families.

The stability rate data show that EPCTC serves a highly mobile and transient student population, with rates consistently between 11% and 22% from 2017–18 through 2023–24, compared with 86% for the District and 91% for the State. This difference underscores the unique challenges the Charter School faces in maintaining continuous enrollment throughout the school year. Because EPCTC students are low-income adults, English Learners, and mostly individuals reengaging with education after an interruption, student mobility is an expected characteristic of the population rather than an indicator of school performance. Many students enroll at EPCTC to complete credits, strengthen English proficiency, or earn a high school diploma while balancing employment, family, and other adult responsibilities, which naturally impacts year-to-year stability rates.

EPCTC has developed procedures to best serve students who enter the Charter School on a rolling basis, many of whom do not experience a full year of instruction at the same

[1] https://www.cde.ca.gov/ds/ad/srinfo.asp

school. Despite this challenge, the fact that EPCTC continues to demonstrate improvement in academic achievement with such a highly mobile population is a testimony to its commitment to serving the community. The 22% stability rate in 2023–24 represents an increase from prior years and indicates that EPCTC's efforts to improve student engagement, strengthen relationships, and provide wraparound supports are showing results. Although a low stability rate affects state accountability measures such as SBAC performance, graduation rates, and the College and Career Indicator, EPCTC's mission centers on offering accessible, high-quality education to all learners, particularly those seeking a second opportunity to achieve success.

Chart i.1: Comparison of the Stability Rate of EPCTC, the District, and the State by School Years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, and 2023-24 from DataQuest

	EP CTC	District	State
2017-18	21%	86%	91%
2018-19	21%	86%	91%
2019-20	19%	88%	92%
2020-21	17%	90%	92%
2021-22	11%	87%	90%
2022-23	19%	86%	91%
2023-24	22%	86%	91%

EPCTC is proud of its accomplishments during the current charter term. EPCTC remains committed to supporting historically disadvantaged students through providing interventions and opportunities to ensure every student achieves their fullest potential. EPCTC utilizes a personalized approach to bring every student to grade level or beyond. EPCTC consistently supports students, families, and the community, to ensure students are ready for college and career (See Appendix 4 Letters of Support).

Charter Renewal Criteria

The passage of Assembly Bill 1505, effective July 1, 2020, has established renewal criteria by which the chartering authority shall consider to grant the charter for renewal. EPCTC currently meets the criteria under Dashboard Alternative Status Schools ("DASS") to be considered for approval of the renewal for a period of five (5) years. **EPCTC meets the renewal criteria under Education Code Section 47607(c)(7) and should be granted a renewal for a term of five years.**

Highlighting the Success of the 2018-2026 Charter Term

1. The Charter School has presented a **sound educational program**.

- Accrediting Commission for Schools ("ACS"), Western Association of Schools and Colleges ("WASC") granted EPCTC a Full, Six-Year Accreditation Status through June 30, 2030, with a Mid-Cycle Review during the 2026-27 school year (See Appendix 5 WASC Self-Study, Mid-Cycle Visit Committee Report, and Confirmation Letter).
- Average student-teacher ratio is 22:1 in a site-based model.
- Charter School offers personalized support to ensure students make progress toward meeting Northwest Evaluation Association's ("NWEA") Measures of Academic Progress ("MAP") growth targets.
- Curriculum is aligned with California State Standards including but not limited to, the Common Core State Standards ("CCSS"), Next Generation Science Standards ("NGSS"), History-Social Science Framework, remaining State Content Standards, and English Language Development ("ELD") Standards (hereinafter collectively referred to as the "State Standards").
- The Charter School has achieved measurable increases in academic achievement, as defined by at least one year's progress for each year in school.
- ESUHSD, adult students, and the community as a whole have also benefited:
- The Charter School improves economic opportunity for families and the community by increasing academic achievement, high school graduation rate, and English language acquisition for low-income adult students, students of color, and their children.
- The Charter School has strong community investment in the Charter School and is supported by local partnerships.

2. The Charter School has shown that it is demonstrably likely to **successfully implement the proposed educational program**.

- The Charter School has received full accreditation by ACS WASC.
- Nearly 100% of students at the Charter School reported that they feel safe and connected to the Charter School community based on the Local Climate Survey in 2024.
- The Charter School is a diverse, 21st Century School. EPCTC's enrollment includes the following numerically significant student subgroups: 82.3% were SED students; 99.4% of students were ELs; 81% were HY; and, 100% of students were Latino.
- The Charter School provides a range of professional development opportunities

for its teachers and staff. Professional Development opportunities are paramount at EPCTC. All staff members have completed required training courses, including all mandated and legally required workshops (See Appendix 6 Mandated and Required Training Report). EPCTC's teachers work collaboratively to best serve the students at EPCTC and also learn together in focused trainings. These trainings have included and will continue to include: suicide prevention and awareness, reducing suspension, instructional strategies to promote academic engagement, instructional strategies to support homeless students, instructional strategies to support ELs, increasing academic achievement in English, history, math, and science, classroom management, de-escalation strategies, Positive Behavior Intervention and Supports ("PBIS"), Understanding by Design ("UbD"), CRESST from UCLA to improve educational systems, Positive School-wide Climate and Culture, Culturally Relevant Pedagogy, student choice and voice in the classroom, (Growth) Mindset Matters, addressing learning modalities, and the development of diversity, equity, and inclusion goals.

Teachers are offered professional development opportunities weekly to ensure the application of new concepts and successful implementation of new skills. In addition, new teachers are given additional support. Most importantly, the Charter School examines a variety of internal and external assessments to determine progress and areas of opportunities. These assessments include Smarter Balance Assessment Consortium ("SBAC"), English Language Proficiency Assessments for California ("ELPAC"), NWEA MAP, curriculum embedded assessments, attendance, behavior, and high school credits. During these data analysis sessions, the administrators, teachers, and staff analyze their students' assessment data to identify common areas of opportunity. Finally, the teachers then revise lesson plans using UbD to focus on the areas of opportunities. Administration assesses the impact of these data analysis sessions by conducting frequent classroom walk-throughs, classroom observations, and by providing meaningful feedback to teachers and staff. Teachers are encouraged to attend workshops and seminars. For example, staff may choose to attend the California Charter School Association Annual Conference, the Charter School Development Conference, the California Association for Bilingual Education, the California Teachers of English to Speakers of Other Languages, or the California Association of Teachers of English. Many staff members also participate in a variety of local and County conferences and workshops.

- The Charter School's English Learners are progressing on the ELPAC at a rate of 12% (English Learner Progress Indicator ("ELPI") – Dashboard 2024).
- The Charter School has established an effective communication and student record system. PowerSchool, EPCTC's Student Information System ("SIS") is a powerful, easy-to-use communication tool which enables students, teachers, and administrators to work together to improve student achievement. With ParentSquare (EPCTC's general broadcast system), teachers and administrators can send student-specific and general messages home whenever necessary via telephone, text message, or via electronic mail. Messages can also be sent concerning school events and emergencies, or individual communications sent to

each student concerning their school experience and attendance. EPCTC also utilizes Google Classroom, Teacher Newsletters, and its own website.

- The Charter School is an integral part of the local community. EPCTC is focused on providing students opportunities to be academically and socially emotionally successful (See Appendix 7 School Climate and Culture Calendar). Moreover, students engage and interact with the community at large through work experience, activities, and participation in events to develop school culture. EPCTC students are an integral part of the community and recognize the challenges in the world around them.

3. The Charter School is **serving all students who wish to attend**.

- EPCTC has a respected history of serving historically disadvantaged students, including "racial and ethnic pupils, special education pupils, and English Learner pupils, including redesignated fluent English proficient pupils, as defined by the evaluation rubrics in Section 52064.5 that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted." The best evidence that EPCTC is serving all students who wish to attend is that it is serving these historically disadvantaged populations in numbers, on a percentage basis, which are higher than or equal to the territorial jurisdiction of the District.
- The Charter School's enrollment rate has remained constant over the last six years of the charter term with an average of 538 students enrolled each year.
- The Charter School's attendance rate has remained constant over the last seven years of the charter term with an average daily attendance rate of over 82% each year.

4. The Charter School's **petition is reasonably comprehensive**.

This charter petition is reasonably comprehensive. The petition contains reasonably comprehensive descriptions for each element and fully describes the program illustrating how EPCTC will continue to meet its goals and objectives described herein. EPCTC will continue to benefit the District by providing adult students within its jurisdiction with another great choice and expanded educational opportunity.

5. The Charter School **satisfies the academic renewal criteria** for a presumptive five-year renewal.

Pursuant to the amendments made to Education Code Section 47607, and the creation of Education Code Section 47607(c)(7), by Assembly Bill 1505 (2019), at the time of charter renewal, a chartering authority shall consider the performance of the Charter School on the State and local indicators reported on the Dashboard and applicable alternative metrics" **EPCTC is a DASS school, entitled to presumptive approval because it met the agreed upon alternative metrics.**

In addition to the shift toward assessing Dashboard data, Assembly Bill 1505 also created a three-tiered system of evaluating charter schools' performance, plus a separate category for Dashboard DASS schools. Each of the four tiers has unique qualifying criteria.

The three performance categories and DASS thresholds are as follows:

- High Performing – Presumptive renewal if the charter school meets the established renewal criteria – Education Code Section 47607(c)(2).
- Low Performing – Presumptive non-renewal if the charter school meets the non-renewal criteria, unless the chartering authority makes a finding to approve for a two-year term – Education Code Section 47607.2(a).
- Middle Performing – Presumptive renewal unless the charter school failed to meet or make sufficient progress toward meeting standards and closure is in the best interest of students, evaluated using the Dashboard and Education Code Section 47607.2(b).
- DASS – Presumptive renewal with consideration of performance on the Dashboard and applicable alternative metrics, with nonrenewal only in the event that the chartering authority finds that closure is in the best interest of students – Education Code Section 47607(c)(7).

EPCTC is a DASS school, entitled to presumptive approval because it met the agreed-upon alternative metrics.

EPCTC has been approved for the DASS program and shall comply with all applicable requirements under the state accountability system, including the Dashboard. EPCTC has been a DASS Active School since August 2024. EPCTC is currently listed as a DASS Active School by the California Department of Education**.**

The high-, middle-, and low-performing categories described above do not apply to charter schools like EPCTC, which have been approved as Dashboard Alternative Status Schools, though the law does require a review of Dashboard data. Rather, according to Education Code Section 47607(c)(7):

> In determining whether to grant a charter renewal for such a charter school, the chartering authority shall consider, in addition to the charter school's performance on the state and local indicators included in the evaluation rubrics adopted pursuant to subdivision (c) of Section 52064.5, the charter school's performance on alternative metrics applicable to the charter school based on the pupil population served. The chartering authority shall meet with the charter school during the first year of the charter school's term to mutually agree to discuss alternative metrics to be considered pursuant to this paragraph and shall notify the charter school of the alternative metrics to be used.
>
> The chartering authority may deny a charter renewal pursuant to this paragraph only upon making written findings, setting forth specific facts to support the findings, that the closure of the charter school is in the best interest of pupils.

EPCTC's greatest achievements are those of its students. As detailed in the "DASS Charter School Renewal MOU Criteria" below, EPCTC has shown increases in pupil academic achievement across several indicators. These metrics include state and local indicators on the Dashboard as well as alternative metrics. Pursuant to Education Code section 47607, in preparation for charter renewals of DASS schools, EPCTC collaborated with the District and developed mutually agreed upon indicators and alternative metrics to be used for renewal criteria**.** These metrics are identified within the "DASS Charter School Renewal MOU Criteria" below. EPCTC has demonstrated based on its overall academic achievement outcomes that the Charter School is a high-performing DASS school compared to similar DASS schools in the District and communities it serves. EPCTC also exceeds county DASS schools averages as well as the State DASS schools averages for several indicators as demonstrated in the section below.

California School Dashboard

The Dashboard state indicators include the following:

- Chronic Absenteeism: kindergarten through grade eight
- Suspension Rate: kindergarten through grade twelve
- English Learner Progress: grades one through twelve
- Graduation Rate: high school only
- College/Career: high school only (note: the College/Career Indicator was not reported on the 2022 Dashboard)
- Academic: grades three through eight and grade eleven – English language arts/literacy and Mathematics

Dashboard Performance

CAASPP System – English Language Arts

The overall student population improved from a DFS of -64.1 points in 2018 to -61.8 points in 2024, reflecting a gain of 2.3 points. Similarly, Hispanic and Latino students, who represent the majority of the Charter School's enrollment, showed parallel progress with a 2.3-point improvement over the same period. Although data were unavailable for several years due to pandemic-related interruptions, the recovery in 2024 suggests that the Charter School successfully reestablished pre-pandemic performance levels through sustained alignment to the California Common Core State Standards and consistent instructional practices. This upward movement reflects the Charter School's strong implementation of standards-based curriculum under LCFF Priority 2: Implementation of State Standards (Conditions of Learning).

The steady performance among all students demonstrates the Charter School's instructional strength and teacher preparedness, while the small decline among socioeconomically disadvantaged students highlights the continuing challenge of addressing gaps for learners managing multiple responsibilities such as work and family. The Charter School plans to strengthen differentiated reading instruction, increase access to targeted literacy interventions, and expand teacher training focused on accelerating English Language Arts achievement. The consistent improvement in English Language Arts achievement from 2018 to 2024 exemplifies LCFF Priority 4: Student Achievement

(Pupil Outcomes), demonstrating at least one year of progress for every year of instruction and reflecting the Charter School's ongoing dedication to equitable learning outcomes supported by qualified staff and high-quality instructional materials. **EPCTC achieved measurable increases in ELA achievement from 2018 to 2024.**

Table i.2: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 English Language Arts Distance from Standard for EPCTC All Students and by Significant Subgroups from the Dashboard

English Language Arts

Student Group	2018	2019	2020	2021	2022	2023	2024
All Students	-64.1	-63.0	n/a	n/a	-150.1	*	-61.8
English Learners	-64.1	-61.8	n/a	n/a	*	*	*
Socioeconomically Disadvantaged	-60.5	-63.0	n/a	n/a	-151.7	*	-62.9
Homeless Youth	-67.7	*	n/a	n/a	*	*	*
Hispanic/Latino	-64.1	-67.3	n/a	n/a	-150.1	*	-61.8

CAASPP System - Mathematics

Mathematics ("Math") performance at the Charter School reflects an initial decline in DFS across all measured student groups over the charter term. For all students (and Latino students), the DFS decreased from -139.4 in 2018 to -193.3 in 2022 and then improved to -166.5 in 2024, a gain of 26.8 points over two years. SED students improved from 199.0 in 2022 to -161.8 in 2024, a 37.2-point increase. These results demonstrate that the Charter School's math instruction has regained momentum through targeted interventions, small-group reteaching, and consistent implementation of data-driven lessons aligned with LCFF Priority 2: Implementation of State Standards (Conditions of Learning). EPCTC's progress in mathematics reflects significant strength in supporting ELs and adult students who had previously struggled with math fluency. The next steps include increasing opportunities for individualized learning, incorporating real-world math applications, and continuing to refine standards-based instruction aligned to the California Mathematics Framework. These actions directly support LCFF Priority 4: Student Achievement (Pupil Outcomes) by advancing student proficiency through equitable and rigorous instruction. **EPCTC achieved measurable increases in Math achievement from 2022 to 2024.**

Table i.3: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 Mathematics Distance from Standard for EPCTC All Students and by Significant Subgroups from the Dashboard

Mathematics

Student Group	2018	2019	2020	2021	2022	2023	2024
All Students	-139.4	-180.2	n/a	n/a	-193.3	*	-166.5
English Learners	-139.4	-178.9	n/a	n/a	*	*	*
Socioeconomically Disadvantaged	-140.0	-180.2	n/a	n/a	-199.0	*	-161.8
Homeless Youth	-147.7	*	n/a	n/a	*	*	*
Hispanic/Latino	-139.4	-174.2	n/a	n/a	-193.3	*	-166.5

English Language Progress

The English Learner Progress Indicator ("ELPI") at EPCTC has been reported in compliance with Dashboard requirements; however, the data only partially captures the EPCTC's English Learner outcomes because the state includes only students under the age of 22, which represents approximately 10% of total enrollment. Since the Charter School serves a majority adult English Learner population, the data significantly underrepresent true linguistic progress. EPCTC's English Language Development ("ELD") program integrates English acquisition with academic content learning, demonstrating full alignment to LCFF Priority 2: Implementation of State Standards (Conditions of Learning). Through daily structured ELD instruction and scaffolded support, students achieve measurable gains in listening, speaking, reading, and writing, which are evident in classroom performance and NWEA results. EPCTC continues to ensure that ELs receive equitable access to rigorous academic content while improving proficiency in English, a key measure of LCFF Priority 4: Student Achievement (Pupil Outcomes). **EPCTC remains committed to accurate reporting, the ELPI results should be interpreted with caution.**

Table i.4: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 English Language Progress for EPCTC for English Learners from the Dashboard

English Language Progress: ELPI Indicator

ELPI	2018	2019	2020	2021	2022	2023	2024	2025*
Student Count	19	*	n/a	n/a	18	48	50	59
ELPI	26.0%	*	n/a	n/a	50.0%	22.9%	12.0%	10.2%

Other Dashboard Measures

EPCTC is proud of its Graduation Rate and Suspension Rate and though the College and Career Indicator may seem low, EPCTC will demonstrate the increase of the College

Going Rate from DataQuest which is more effectual for a Charter School that serves adults.

Graduation Rate

EPCTC demonstrates significant growth in its 1-Year DASS Graduation Rate, reflecting measurable academic recovery and student persistence following pandemic-related declines. Between 2022 and 2024, the graduation rate for all students (and Latino students) rose from 51.2% to 74.3%, marking a 23.1-point increase in just two years. SED students showed a nearly identical pattern of growth, increasing from 51.3% in 2022 to 74.2% in 2024, a 22.9-point gain. This progress highlights the Charter School's success in implementing reengagement strategies, credit recovery programs, and individualized academic counseling that help adult learners complete diploma requirements. The one-year DASS measure accurately reflects the Charter School's reengagement model and mission to serve students who return to school to complete their education. The strong upward trend in graduation outcomes demonstrates fulfillment of LCFF Priority 5: Student Engagement (Engagement), showing persistence, regular attendance, and steady completion rates among adult learners.

It is important to note that the reported data represent the 1-Year DASS Graduation Rate, not the traditional cohort graduation rate used for comprehensive high schools. The DASS rate measures the percentage of students who complete high school within a single academic year, which is a more appropriate indicator for the Charter School's reengagement model serving adult credit-deficient and returning students. Therefore, the strong upward trend from 2022 to 2024 illustrates that EPCTC is effectively accelerating credit completion and reengaging students who had previously disengaged from school, reaffirming its mission to provide pathways to graduation for all learners. **EPCTC achieved measurable increases in the one-year DASS Graduation Rate from 2022 to 2024 demonstrating at least one year's progress for each year in school.**

*Table i.5: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 1-Year DASS Graduation Rate for EPCTC All Students and by Significant Subgroups from the Dashboard**

1 Year DASS Graduation Rate

Grad Rate	2018	2019	2020	2021	2022	2023	2024
All Students	80.3%	84.7%	68.6%	n/a	51.2%	59.5%	74.3%
English Learners	79.4%	86.0%	67.6%	n/a	*	*	*
Socioeconomic Disadvantaged	83.6%	85.7%	73.3%	n/a	51.3%	61.1%	74.2%
Homeless Youth	78.3%	90.9%	*	n/a	*	*	*
Hispanic/Latino	80.3%	84.7%	68.6%	n/a	51.2%	59.5%	74.3%

*2018-2020 and 2022-2023 are from the Dashboard Downloadable Data File. 2024 Data is from the CA Dashboard website, and 2021 data was not reported.

Suspension Rate

EPCTC continues to demonstrate its strong commitment to creating a positive, inclusive,

and student-centered learning environment, as evidenced by its consistent **0 percent suspension rate** from 2018 through 2024. This achievement represents excellence in cultivating positive behavior and relationships, reflecting LCFF Priority 6: School Climate (Engagement). The Charter School's approach emphasizes restorative practices, mutual respect, and individualized behavioral support, reducing the need for punitive discipline. The continuation of professional development focused on trauma-informed care and positive behavioral supports will help sustain this exemplary school climate while further strengthening the Charter School's capacity to support students socially and emotionally. **EPCTC has consistently maintained a 0% Suspension Rate.**

*Table i.6: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 Suspension Rate for EPCTC All Students and by Significant Subgroups from the Dashboard**

Suspension Rate (CA Dashboard)

College Going Rate	2018	2019	2020	2021	2022	2023	2024
All Students	0.0%	0.0%	n/a	n/a	0.0%	0.0%	0.0%

College and Career Indicator

EPCTC's College and Career Indicator ("CCI") demonstrates a small but positive increase from 0.0% in 2018 to 0.4% in 2024. While this metric does not fully reflect the postsecondary goals of adult learners, it demonstrates that the Charter School has made progress in expanding career pathways, dual enrollment, and workforce readiness programming aligned to LCFF Priority 7: Course Access (Conditions of Learning). The more accurate indicator of success, the College Going Rate from DataQuest, shows that the percentage of graduates enrolling in college rose from 23.5% in 2017 to 40.6% in 2023, a 17.1-point increase. This improvement underscores EPCTC's commitment to LCFF Priority 8: Student Outcomes (Pupil Outcomes), ensuring that graduates transition successfully to postsecondary education or employment. Continued partnerships with local community colleges and workforce programs will enhance these outcomes and further align instruction with career readiness goals.

The CCI was designed for traditional, comprehensive high schools, where students are typically under 18 and progress through a four-year sequence of A–G coursework, AP exams, and CTE Pathway completions. In contrast, EPCTC serves an adult learner population whose educational goals often focus on earning a high school diploma, learning English, and acquiring workforce skills rather than participating in standardized testing or college-level coursework. EPCTC does not offer AP or IB courses that define CCI "Prepared" status. Consequently, even though EPCTC provides standards-based

instruction, counseling for community college enrollment, and CTE Pathway completion opportunities, the structure of the state's CCI measure does not accurately reflect the Charter School's mission or the postsecondary readiness of its adult learners. **Though the CCI results seem like the EPCTC's students are not prepared for college or career, the College Going Rate from DataQuest demonstrates that 40% of students are prepared and attending college.**

Table i.7: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 College and Career Indicator Rate for EPCTC All Students and by Significant Subgroups from the Dashboard

College and Career Indicator (Dashboard)

CCI %	2018	2019	2020	2021	2022	2023	2024	Change from 2018 to 2025
All Students	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.4%	0.4%
English Learner	0.0%	0.0%	0.0% *		0.0%	0.0%	0.0%	0.0%
Socioeconomic Disadvantaged	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.5%	0.5%
Homeless Youth	0.0%	0.0% *		*	0.0%	0.0%	0.0%	0.0%
Hispanic/Latino	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.4%	0.4%

EPCTC demonstrates notable improvement in its College Going Rate over the charter term, reflecting a growing culture of postsecondary readiness and persistence among graduates. The percentage of all students (Latino students) enrolling in college increased from 23.5% in 2017 to 40.6% in 2023, a 17.1-point gain. This progress illustrates the Charter School's success in building equitable access to postsecondary pathways through partnerships with local community colleges, culturally responsive college readiness initiatives, and individualized student planning. This steady upward trend indicates that the Charter School's emphasis on academic counseling, college awareness activities, and dual enrollment opportunities is helping students transition successfully into higher education. The same pattern is evident among SED students, whose college enrollment rose from 23.9% to 39.3%, a 15.4-point increase, demonstrating that targeted support systems and guidance counseling are effectively meeting the needs of students facing financial and social barriers. **The 17-point increase in college enrollment since 2017 demonstrates that EPCTC's long-term strategies for academic preparation and student guidance are effectively translating into postsecondary opportunity and lifelong learning.**

Table i.8: 2017, 2018, 2019, 2020, 2021, 2022, and 2023 College Going Rate for EPCTC All Students and by Significant Subgroups from DataQuest (reported in 2018 to 2024)

College Going Rate (DataQuest)

College Going Rate	2017	2018	2019	2020	2021	2022	2023	Change from 2017 to 2023
All Students	23.5%	27.0%	22.8%	10.3%	21.3%	24.1%	40.6%	17.1%
Socioeconomic Disadvantaged	23.9%	23.6%	19.6%	11.5%	20.0%	25.9%	39.3%	15.4%
Hispanic/Latino	23.5%	27.0%	22.8%	10.3%	21.3%	24.1%	40.6%	17.1%

EPCTC continues to prepare students for postsecondary success through individualized academic counseling, ELD, and workforce readiness programs. Many EPCTC graduates pursue community college coursework, vocational training, or career advancement after earning their high school diplomas, demonstrating the Charter School's effectiveness in supporting lifelong learning beyond traditional college enrollment metrics. Together, the sustained 0% suspension rate and the Charter School's focus on postsecondary readiness underscore EPCTC's holistic mission to empower students academically, socially, and professionally within a supportive and equitable learning environment.

Year-over-Year Progress

In addition to the CAASPP, EPCTC's students have been making progress on the MAP Growth in Reading and Math. EPCTC has utilized MAP Growth as verifiable data for the term of the charter.

EPCTC demonstrates consistent and measurable growth in Reading proficiency across all student groups, highlighting the success of its literacy interventions and instructional alignment. From 2018–19 to 2024–25, the percentage of all students meeting grade-level standards in Reading increased from 46% to 58%, representing an 11-point gain. SED students improved from 46% to 58%, a 13-point increase, showing strong progress among one of the Charter School's most significant subgroups. ELs (including ADELs) also demonstrated steady improvement, growing from 46% to 57%, a 12-point gain that reflects the Charter School's effective ELD strategies and targeted literacy support.

Homeless students showed the greatest improvement, increasing from 45% in 2018–19 to 58% in 2024–25, a 14-point gain that underscores EPCTC's success in serving highly mobile and vulnerable populations. Latino students, who comprise nearly the entire student body, mirrored the schoolwide pattern with an 11-point increase over the same period. These results reflect strong implementation of State Standards and ELD Standards aligned to LCFF Priority 2: Implementation of State Standards, and they demonstrate LCFF Priority 4: Student Achievement through one year or more of progress per year since 2021–22. The Charter School will deepen differentiated literacy instruction and expand targeted ELD and intervention supports so that late-entering and highly mobile learners sustain these gains. **EPCTC achieved measurable increases in ELA achievement from 2018 to 2024 demonstrating at least one year's progress for each year in school.**

Table i.9: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 NWEA MAP Reading: Met Fall to Spring Growth Target for EPCTC All Students and by Significant Subgroups

Reading

Student Group	2018-19	2019-20 (COVID)	2020-21	2021-22	2022-23	2023-24	2024-25	Change from 2018-19 to 2024-25
All Students	46%		37%	44%	43%	51%	58%	11%
SED	46%		36%	43%	43%	51%	58%	13%
EL and ADEL	46%		37%	43%	43%	50%	57%	12%
Homeless	45%		27%	50%	49%	51%	58%	14%
Latino	46%		37%	44%	43%	51%	58%	11%

EPCTC shows steady improvement in Math performance across all student groups, reflecting consistent implementation of targeted instructional supports and intervention strategies. The percentage of all students (and Latino students) meeting grade-level standards increased from 37% in 2018–19 to 43% in 2024–25, representing a 6-point gain. SED students achieved an 8-point increase, rising from 37% to 45%, while ELs (including ADELs) improved from 36% to 43%, a 7-point gain. Homeless students made one of the largest gains, improving from 36% in 2018–19 to 45% in 2024–25, an 8-point increase that underscores the EPCTC's commitment to providing equitable access to instruction and stability for transient or at-risk learners. The improvement since 2023–24 also shows that students are now making at least one year of growth per year in Math. These improvements reflect standards-aligned instruction, small-group reteaching, and individualized learning plans consistent with LCFF Priority 2: Implementation of State Standards and demonstrate progress on LCFF Priority 4: Student Achievement. The Charter School will extend math intervention time, increase real-world problem solving for adult learners, and continue collaborative data reviews to accelerate growth for newcomers. **EPCTC achieved measurable increases in Math achievement from 2018 to 2024 demonstrating at least one year's progress for each year in school.**

Table i.10: 2018, 2019, 2020, 2021, 2022, 2023, and 2024 NWEA MAP Math: Met Fall to Spring Growth Target for EPCTC All Students and by Significant Subgroups

Homeless	36%		50%	38%	56%	21%	45%	8%
Latino	37%		40%	41%	38%	30%	43%	6%

Alternative Metrics for EPCTC as a DASS School

The alternative metrics used by EPCTC were originally identified and formalized in the 2018 charter petition in collaboration with the District as part of a shared understanding that traditional accountability measures alone would not fully capture the progress and success of a continuation school and DASS school serving adult, credit deficient, and highly mobile students. Through the charter development and approval process, EPCTC and ESUHSD reached agreement on a set of outcome measures that more accurately reflect student engagement, persistence, academic growth, and credit attainment, including attendance rate, benchmark scores, credit completion, one year graduation rate, participation in feedback systems, growth on norm referenced assessments for eligible students, and increases in long term enrollment. These metrics were selected to align with the LCAP priorities while accounting for the unique enrollment patterns, instructional models, and recovery focused mission of EPCTC. Expectations for meeting each metric were clearly defined at the time of approval of the 2018 charter petition, establishing how success would be measured, which student populations would be included, and the performance thresholds that would indicate progress or attainment. EPCTC has consistently used these agreed upon metrics to monitor outcomes, reflect on implementation, and adjust practices over time, with progress reviewed annually and documented. A longitudinal reflection of EPCTC's performance relative to these alternative metrics is provided in Table i.15: Reflection on EPCTC's Progress Toward Alternative Metrics (2018–2026), which demonstrates how the Charter School has tracked, evaluated, and responded to performance trends across the charter term.

Attendance Rate

Attendance remains a strength and a success in student engagement. Over seven years the Charter School averaged more than 82% attendance, with annual rates ranging from 81.65% to 83.67%. The Charter School's annual rates ranged from a low of 81.65% in 2019–2020 to a high of 83.67% in 2020–2021, demonstrating remarkable stability even

through the COVID-19 pandemic and subsequent recovery years. This consistency, despite serving a population that often faces significant barriers to consistent attendance, including work obligations, family responsibilities, and housing instability, aligns with LCFF Priority 5: Student Engagement. EPCTC will continue to pair proactive attendance communication with access to community resources and time-flexible learning to sustain engagement.

EPCTC has developed procedures to best serve students and families who enter the Charter School on a rolling basis and many of whom do not experience a full year of instruction at the same school. This flexible model enables students to enroll and participate as their life circumstances allow, which naturally affects traditional attendance metrics. Nevertheless, the fact that EPCTC sustains an average attendance rate above 80% with a highly mobile student population is evidence of the school's commitment to meeting learners where they are. Through personalized outreach, attendance monitoring, and wraparound supports, EPCTC continues to foster engagement and connection for every student, ensuring that consistent participation remains a central part of its mission to provide accessible, high-quality education to the community. **EPCTC has averaged over 82% average daily attendance over the last seven years.**

Table i.11: EPCTC Schoolwide Attendance Rate Based on P-Annual Reports for the School Years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, and 2024-25

Annual Attendance Rate							
Year	**2018-2019**	**2019-2020**	**2020-2021**	**2021-2022**	**2022-2023**	**2023-2024**	**2024-2025**
Rate	81.99%	81.65%	83.67%	81.79%	82.54%	81.91%	81.72%

Student Participation on the Local School Climate Survey

Student voice through the local climate survey shows meaningful engagement and a practical path forward. Participation averaged 63.6% across the charter term, with rates of 68% and 70% in 2020–21 and 2021–22 and 60% in 2024–25 after a temporary dip. These results indicate trust in feedback processes and inform continuous improvement actions that strengthen LCFF Priority 6: School Climate and LCFF Priority 3: Parent Involvement where outreach strategies also reach adult learners' families. EPCTC will embed brief survey prompts into class sessions and expand mobile-friendly options to increase participation among working students. The Charter School uses survey data to inform decisions about instructional practices, student support services, and school culture initiatives. The fact that EPCTC continues to receive meaningful survey participation despite serving a highly mobile and diverse population demonstrates the Charter School's commitment to inclusive decision-making and to maintaining a strong connection between students and staff. **EPCTC maintained an average of 63.6% of students participating in the annual school climate survey.**

Table i.12: EPCTC Student Survey Participation Rate Based for the School Years 2018-19 (TEN Survey), 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, and 2024-25 (Local Climate Survey)

Student Survey Participation Rate							
Year	**2018-2019**	**2019-2020**	**2020-2021**	**2021-2022**	**2022-2023**	**2023-2024**	**2024-2025**
Rate	8.5 (TEN Survey)	COVID	68%	70%	64%	56%	60%

Credit Completion

Credit completion demonstrates academic persistence and access. EPCTC students earned on average about 78% of attempted credits, with a high of 83.18% in 2022–23 and a low of 71.46% during the pandemic. These outcomes confirm that personalized pacing, credit recovery, and targeted supports are helping adult learners progress toward graduation in alignment with LCFF Priority 7: Course Access and LCFF Priority 4: Student Achievement. The Charter School will expand competency-based options and extended learning to support midyear entrants and students balancing work and family obligations. **EPCTC maintained an average of 78% of students earning and completing courses for credits that they attempted.**

Table i.13: EPCTC Course Credits Earned Rate for the School Years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, and 2024-25

Credits Earned to Attempted Rate							
Year	**2018-2019**	**2019-2020**	**2020-2021**	**2021-2022**	**2022-2023**	**2023-2024**	**2024-2025**
Rate	78.84%	71.46%	77.30%	83.15%	83.18%	80.07%	76.23%

Continuous Enrollment/Long Term Students Enrollment

EPCTC has steadily increased the percentage of students who remain continuously enrolled or identified as long-term students. Continuous enrollment shows strong retention gains with clear next steps. The percentage of long-term students grew from 19% in 2018–19 to a peak of 45.6% in 2022–23 and stabilized at 36.22% in 2024–25, averaging about 32% across the term. These improvements reflect a supportive environment, individualized pathways, and wraparound services that strengthen LCFF Priority 5: Student Engagement and LCFF Priority 6: School Climate. The Charter School will continue to expand academic advising, flexible scheduling, and stability supports that help students remain enrolled long enough to meet their goals. This upward trend reflects the Charter School's focused efforts to engage and retain students who often face life circumstances that make sustained enrollment challenging, such as employment obligations, family responsibilities, or relocation. Although student mobility remains a defining feature of the population served, the improvement in continuous enrollment illustrates a learning environment where more students are choosing to stay and complete their education. **EPCTC maintained an average of 32% of students remaining continuously enrolled long-term.**

Table i.14: EPCTC Continuous Enrollment/Long-Term Students Enrollment Rate for the School Years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, and 2024-25

Continuous Enrollment/Long-Term Students Enrollment Rate							
Year	**2018-2019**	**2019-2020**	**2020-2021**	**2021-2022**	**2022-2023**	**2023-2024**	**2024-2025**
Rate	19%	N/A	23%	34.1%	45.6%	38.47%	36.22%

Table i.15: Reflection on EPCTC's Progress Toward Alternative Metrics (2018–2026)

STUDENT OUTCOMES REFLECTION FROM 2018 TO 2026 CHARTER TERM	
Attendance Rate Status: Exceeded	**Meet or exceed an average of 75% yearly attendance**
As shown in Table i.11, EPCTC exceeded its attendance goal with an average rate of over 82% across seven years, surpassing the 75% benchmark. This consistency is a major strength that reflects a strong culture of student engagement, proactive communication, and flexible attendance supports. The success stems from staff who monitor attendance daily, provide outreach to absent students, and offer accessible class schedules for adult learners managing employment and family duties. The primary challenge continues to be addressing external barriers such as housing instability and work obligations that affect daily attendance. Next steps include deepening partnerships with local agencies to provide students with transportation and wellness resources that further remove attendance barriers. Under State Priority 1 (Basic Conditions of Learning), maintaining qualified teachers and safe facilities supports these efforts, while Priority 2 (Implementation of State Standards) ensures that instruction during attendance time remains high-quality and aligned to state expectations, maximizing learning for students who show strong persistence in attending classes.	
NWEA ELA Growth Target Status: *Exceeded*	**40% of over 19 students meet ELA Growth Report**

As demonstrated in Table i.9, EPCTC exceeded its ELA Growth Target, with 40% of students meeting their growth goals on the NWEA assessment. This result highlights the school's strength in literacy instruction, effective use of data, and ongoing professional development. Students demonstrated consistent progress in reading proficiency, improving from 46% to 58% over the charter term. The success is also attributed to teachers' collaboration and targeted instructional planning aligned to State Priority 2 (Implementation of State Standards), ensuring that literacy instruction integrates CCSS and ELD Standards. A continuing challenge involves extending this literacy growth to the remaining students who are performing below grade level, many of whom are recent immigrants with limited English exposure. The next steps include expanding one-on-one tutoring and increasing the integration of language-rich content areas, especially for advanced ELD learners. Under Priority 1, maintaining well-prepared teachers who use evidence-based literacy strategies will be essential to sustain and extend these gains.	
NWEA Math Growth Target **Status: *Partially Met***	**55% of over 19 students meet Math growth target**
Table i.10 shows that EPCTC partially met its Math Growth Target, with 55% of students achieving their growth goals. The data illustrate notable improvement since 2018, rising from 37% to 43% of students meeting grade-level standards. Strengths include the school's use of small-group reteaching, data-informed instruction, and persistent teacher collaboration. These align closely with Priority 2 (Implementation of State Standards) by ensuring that math instruction is rooted in the California Mathematics Framework and that teachers are supported in its application through ongoing professional development. The main challenge remains closing achievement gaps for English Learners and newly enrolled students who enter with significant math learning loss. The next steps involve expanding intervention blocks, integrating technology-based practice, and providing targeted teacher training on conceptual mathematics aligned to Priority 1 (Basic). By deepening these supports, EPCTC aims to ensure that all students, regardless of entry point, can make accelerated progress in math proficiency.	
Graduation Rate **Status: *Partially Met***	**80% of seniors will graduate within their senior year**

As indicated in Table i.5, EPCTC made remarkable progress in increasing its one-year DASS graduation rate from 51.2% in 2022 to 74.3% in 2024, demonstrating a 23.1-point improvement. This trend underscores the school's commitment to reengaging adult learners and guiding them toward diploma completion. The primary strength lies in flexible scheduling, individualized academic counseling, and personalized learning plans that support students facing complex life circumstances. These results align with Priority 2, showing that instruction and assessment are aligned to state standards that prepare students for graduation and post-secondary options. The challenge lies in sustaining momentum toward the 80% goal and ensuring continued support for students who struggle with attendance or credit recovery. The next steps include enhancing partnerships with community colleges, expanding access to career technical education pathways, and strengthening academic mentoring. Through these actions, EPCTC will continue to align with Priority 1, maintaining qualified staff and adequate instructional materials to ensure that all students have equitable access to complete their graduation requirements.

Student Participation on TEN Feedback Loop or School Climate Survey Status: *Partially Met*	**80% of student participation on the TEN Feedback Loop or School Climate Survey**
As presented in Table i.12, EPCTC's average student participation on the School Climate Survey was 63.6%, which, while below the 80% goal, represents meaningful engagement from students actively attending classes. A key strength is the establishment of a consistent feedback loop, allowing students to voice their opinions about school safety, connection, and instructional quality. This supports Priority 1 (Basic Conditions of Learning) by confirming that students perceive the school as a safe, inclusive environment staffed by qualified professionals. Challenges arise from the school's high mobility and adult learner demographics, which make consistent survey participation difficult. The next steps include embedding feedback opportunities into regular class sessions and using multiple digital formats to reach working students. These refinements will ensure that student perspectives continue to inform planning and strengthen schoolwide systems of support.	
Credits Completion Status: *Exceeded*	**Complete 70% of total credits attempted**
According to Table i.13, EPCTC exceeded its goal for credits completion, achieving an average rate of 78% and reaching a high of 83.18% in 2022–2023, surpassing	

the 70% target. This accomplishment highlights the school's academic rigor, flexibility, and individualized student supports. The results demonstrate alignment with Priority 2, as students successfully meet credit requirements based on courses aligned to California State Standards. A remaining challenge involves supporting students who enroll late in the term and require additional time to complete coursework. The next steps include expanding credit recovery options, using competency-based assessments, and providing extended learning opportunities. Under Priority 1, maintaining qualified staff and access to instructional resources will ensure continued success in helping students meet credit goals and accelerate progress toward graduation.	
Increase Number of Enrolled Long-Term Students **Status: *Exceeded***	**10% increase in number of continuously enrolled/long-term students**
Table i.14 shows that EPCTC exceeded its goal of increasing long-term student enrollment by 10%, achieving a rise from 19% in 2018–2019 to 36.22% in 2024–2025, with a peak of 45.6% in 2022–2023. This increase reflects the school's growing capacity to retain students through positive relationships, supportive services, and relevant coursework. The strength lies in its ability to turn a once highly transient population into one that values stability and continuity. Challenges remain in sustaining enrollment growth among students facing financial or housing instability. Next steps include enhancing academic advising and wraparound supports to maintain consistent re-enrollment. These efforts align with Priority 1 (Basic) by ensuring that students have stable access to safe facilities, qualified teachers, and the necessary materials to continue their education without interruption.	

Approving EPCTC is in the Best Interest of Students

Under Education Code Section 47607(c)(7), DASS charter schools are eligible for presumptive renewal, with consideration of performance on the Dashboard and applicable alternative metrics. Nonrenewal may occur only if the chartering authority determines that closure would be in the best interest of students. For EPCTC, the evidence overwhelmingly demonstrates that closure would not be in the best interest of its 515 students, as the Charter School provides a critical educational pathway uniquely designed to serve adult learners who are reengaging in their education after prior interruptions.

EPCTC's mission and model are centered on serving students who are predominantly Latino, socioeconomically disadvantaged, English Learners, and often experiencing homelessness, housing insecurity, or family and work obligations that make traditional programs inaccessible. While the District also authorizes a Charter School that serves younger adults between the ages of 18 and 27, EPCTC fills an equally vital but distinct role by providing flexible, individualized, and culturally responsive instruction for a broader range of adult learners, many of whom are older, parents, or working full time. The Charter School's environment offers a level of structure, care, and community engagement not typically available in larger or more traditional adult programs.

Beyond Dashboard data, EPCTC demonstrates consistent year-over-year progress in student outcomes that reflect strong alignment with LCFF Priority 4: Student Achievement and LCFF Priority 5: Student Engagement. Reading proficiency has increased by 11 percentage points and math proficiency by 6 points over the charter term, with significant gains among ELs, homeless students, and SED groups. The Charter School maintains an average attendance rate of 82%, a remarkable indicator of engagement for a highly mobile and working adult population, and a credit completion rate of 78%, supported by strong academic counseling and flexible pacing structures. These outcomes affirm EPCTC's success in closing the achievement gap for populations historically underserved by traditional schools.

EPCTC's commitment to LCFF Priority 1: Basic Services and LCFF Priority 6: School Climate is reflected in its safe, inclusive environment and its sustained 0 percent suspension rate. The Charter School's restorative and relationship-based approach fosters belonging, emotional safety, and mutual respect which are qualities essential for adult learners returning to education after prior academic setbacks. EPCTC also aligns with LCFF Priority 7: Course Access by ensuring all students receive individualized academic plans, access to standards-based coursework, and support to meet graduation and career readiness goals.

The Charter School's closure would have profound and lasting negative consequences. Approximately 515 adult students would lose access to a trusted, stable, and supportive educational setting that accommodates their work and family commitments. Many would struggle to find another program capable of providing the same level of individualized instruction, flexible scheduling, and wraparound support. For numerous students, EPCTC is not just a school; it is a community where they feel safe, respected, and empowered to reclaim their education. The loss of small class sizes, personal academic guidance, bilingual support, and targeted support services would create a severe disruption to their educational progress and diminish their opportunities for graduation and workforce advancement.

Conclusion

In accordance with Education Code Section 47607(c)(7), renewal of the EPCTC charter is in the best interest of students. EPCTC provides an essential educational environment that fosters academic recovery, social-emotional growth, and college and career readiness for adults who might otherwise remain disconnected from formal education. Renewal ensures continuity of services for 515 adult learners and preserves a proven, equitable model that aligns with California's priorities for access, engagement, and lifelong learning.

In accordance with Education Code Section 47607(c)(7), the presumptive outcome for DASS schools is charter renewal. The chartering authority may only deny renewal if it makes specific written findings, supported by evidence, that closure of the charter school would be in the best interest of students. Given the Charter School's strong academic outcomes, inclusive environment, and vital role in serving adult learners, it is

evident that closure of EPCTC would not be in the best interest of its students.

Thus, EPCTC requests a 5-year renewal term, from July 1, 2026 to June 30, 2031.

Element A: The Educational Program

The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners. - Education Code Section 47605(c)(5)(A)(i)

The annual goals, for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals. - Education Code Section 47605(c)(5)(A)(ii)

If the proposed charter school will serve high school pupils, the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admission criteria may be considered to meet college entrance requirements. - Education Code Section 47605(c)(5)(A)(iii)

Target Student Population

EPCTC typically serves 750 high school, 9-12th grade students, aged over 18:

- Students who are recent immigrants and for whom the U.S. school experience is new and intimidating. Students' primary language is Spanish.
- Out-of-school students who have not been successful in large, comprehensive high schools. Most of these students are seeking a second chance at getting an education and improving their lives, as well as their children's lives.
- Students who are working adults, holding one or more jobs to meet the Bay Area's rising living costs.
- Students who are parenting and/or head of households.
- Students who endure family separation.

Demographically, EPCTC serves a predominantly low-income, Latino community. A brief summary of pertinent demographic information is as follows:

- Ethnicity: EPCTC is 100% Latino.
- Income: approximately 96.5% of students fall under the federal poverty guidelines.
- EPCTC's students are highly mobile, sometimes having to leave school to work full-time or respond to family emergencies in their home country.
- The majority of EPCTC's students have either never attended traditional schools or were unsuccessful in traditional schools because of their unique needs.

- Students have had interrupted cycles of education in the United States and/or in their home countries.
- The majority of EPCTC students come to the school performing well below grade level in Language Arts and Mathematics.

EPCTC Student Needs

Through our extensive experience and involvement with our target population, we have been able to identify and address our students' immediate needs.

1) We recognize that all of our students need to become fluent in English. At the same time, we realize the importance of maintaining and further developing their Spanish fluency.
2) Although many of our students plan to attend college at some point, their immediate need is to acquire the skills that will help them become a productive member of the workforce.
3) We appreciate that students need a smooth transition into the new culture. Maintaining family and cultural values while adapting to the new cultural values needs to be supported by the school environment. Our students need their international perspective to be nurtured and valued.
4) Planning for the future and opening doors to new paths is important, specifically in planning and preparing for higher education and entering the workforce.
5) Their need to embark consciously and independently on a learning program that ultimately enables them to become life-long learners, productive members of society, efficient workers, and effective family members.
6) Students need flexible scheduling and enrolling options to accommodate their family and work responsibilities.
7) Student need access to free and high-quality childcare services.

Attendance: School Year and School Day

Escuela Popular will meet or exceed the instructional minutes and school days required by the California Education Code. The school year consists of 177 instructional days. Generally, the school day begins at: 8:30 A.M. and ends at: 2:00 P.M. for the morning program. On Wednesdays, students in the morning program are dismissed at 1:10 P.M. and at 12:45 P.M. on minimum days. Evening program begins at 4:15 P.M. and ends at 9:50 P.M.

Enrollment Projections

EPCTC currently serves 525 students in grades 9-12 with an enrollment of 550 students during this charter term. EPCTC has historically experienced a low stability rate, but EPCTC is committed to serving students who wish to attend the Charter School.

Table A.1: Enrollment Projections from 2026-31

Grade	Current Year	Year 1	Year 2	Year 3	Year 4	Year 5
	2025-26	2026-27	2027-28	2028-29	2029-30	2030-31
9-12 TOTAL	525	525	525	550	550	550

What it Means to be an Educated Person in The 21st Century

The knowledge, skills and competencies required to be an "educated person" in the 21st century continues to increase as our state, country, and global community evolve. the rapid shifts in industries that drive the economy require a drastically different employment force than in previous generations. The contributions made by all levels of today's workforce are measured based upon the value added to an idea, product, or service. In order to be competitive in today's job market, knowledge and capacity in more than one discipline is often necessary, whereas competence in one area was sufficient in the past. Working effectively as part of an interdisciplinary team to successfully carry out the mission of an organization is increasingly important, specifically amongst a diverse community.

Therefore, we believe an "educated person" in the 21st century is a self-motivated, competent, lifelong learner who exhibits the following traits:

RISE by being...

Responsible citizens

- who are globally aware,
- who appreciate the civic, economic, historical and cultural perspectives of diverse peoples,
- who can function in a multicultural world,
- • who are proud of their roots and personal value,
- who care for the environment.

Intellectually curious and independent learners

- who achieve academic excellence through rigorous active learning,
- who use critical thinking skills to understand and solve complex problems across disciplines,
- who are able to analyze, synthesize, and evaluate.

Sound healthy individuals

- who understand the importance of physical fitness, and the need for a lifestyle that is balanced intellectually, physically, and emotionally,
- who achieve wellbeing for themselves.

Effective bi-literate and bilingual communicators

- who can acquire information through reading and listening,
- who can write clearly and concisely,
- who can communicate ideas and thoughts in group setting and when making presentations,
- who can use academic language effectively in Spanish and English.

EPCTC believes that a well-developed academic program coupled with targeted job skills training that are offered in a nurturing learning environment both inside and outside of the classroom will help to prepare students with these skills.

How Learning Best Occurs – Instructional Design

Support with Basic Needs

Escuela Popular believes that learning best occurs when student needs are diagnosed and matched with meaningful and relevant educational strategies. Additionally, Escuela Popular meets students where they are academically and linguistically. In light of the school's target student population, Escuela Popular believes that English Learners are capable of achieving the highest academic standards where students learn English without having to sacrifice content or their native language. Students are provided with additional resources, to eliminate barriers, such as free childcare, transportation, flexible scheduling, open enrollment, parent education, nutrition classes, health & wellness electives, medical van, immigrant rights resources, DACA support, citizenship application support, FAFSA application support, AB540 application support, and advocacy support.

Broad Curriculum Content

Escuela Popular follows an accelerated and sequenced ELD curriculum that prepares students for high school core classes aligned to Common Core State Standards. Our instruction is designed using the Backwards Mapping, Understanding by Design, approach to teaching. Embedded in our curriculum are critical thinking, writing, speaking, collaboration, and technology skills to provide a rigorous high school education.

Our teachers utilize formative and summative assessments, adopted from Dylan William's Assessment for Learning techniques and strategies. Escuela Popular provides a safe learning environment that promotes and prepares students for college & career readiness through a robust academic counseling program that offers college admissions support, financial aid application completion & submission, AB540 applications, college entrance placement exam guidance, college campus visits, and individualized class scheduling.

Curriculum

Curriculum plays a vital role in any educational program. Quality curriculum needs to be culturally relevant, aligned to State Standards, and current in both delivery and instructional methods. (See Appendix 8 Course Descriptions/Scope and Sequence/Curriculum Maps.) All of the instructional materials and resources mentioned are subject to be changed as the educational partners will need to play an active role in reviewing and advising the Executive Director and the Board on the purchase of instructional materials and resources needed.

Description of Instructional Approaches and Strategies

EPCTC is achieving its mission by implementing strategically selected practices, concepts, and models. The design of this charter school is based upon the collection of best practices and experiences of the founding members, who have over 75 years of experience and training working with this target population. In addition, EPCTC draws upon the expertise of the CTC staff to co-develop relevant, engaging job skills courses that complement the academic program and provide the target population with the skills and habits they need to enter a highly skilled workforce. Below are the core practices, concepts, and models that EPCTC employs.

Intensive English Language Development Accompanied with Formative and Summative Assessments

Many of EPCTC's students are native Spanish speakers with a great need for intensive English language development. Therefore, the curriculum calls for pre-literacy intensive English instruction, where students are routinely assessed on English language development and grouped based upon their language proficiency. As their proficiency develops, multiple content areas such as Social Studies and Sciences, are introduced

with primary language support.

Performance-Based Learning and Skills
Teachers provide students with opportunities to engage in authentic and meaningful tasks that are essential to applying the skills needed in the workforce and career readiness. Technology skills (job skills) learned spiral through all academic core classes. Performance tasks assigned incorporate the skills the students have learned in technology classes and core academic classes, providing a relevant and authentic application. These culminating performance tasks provide relevance to the students as well as help them hone their job skills through the use of technology. Performance tasks could include:

- Interviews, debates, role plays, persuasive writing,
- Culminating oral personal education reflection task (PER),
- Developing a business plan in economics,
- Writing and designing a publication that advocates for a particular policy initiative,
- Engage in debates related to current and relevant topics.

Newcomer Center Model
Many of the students served by EPCTC are recent immigrants who are attending school in this country for the first-time. They are newcomers to the U.S. culture and often are not familiar with the codes of power needed to be successful in school or in this country. Therefore, EPCTC seeks to provide a nurturing environment that is flexible and sensitive to these needs; which incorporates life skills to navigate the new society and access appropriate resources. On-site referral services, academic counseling, advocacy on issues such as immigration, housing, workplace rights, and civil rights are provided to address issues outside the classroom that may prevent students from learning.

EPCTC seeks to eliminate barriers by taking a holistic approach to supporting students in school providing resources in the following: VTA bus passes, no-cost childcare, morning and evening classes, academic counseling that takes into account previous education.

Description of Learning Setting

Family Learning Center Model
Escuela Popular regards family involvement and support as essential to students' academic success. EPCTC involves the whole family in the learning experience. Many parents attending EPCTC have children attending EPAFLC. These parents, who need to learn English and obtain their high school diploma, become students alongside their children. Home becomes a place of learners. Parents are able to support their children's education because they can better relate to their children's learning experience. Between EPAFLC and EPCTC, the grade levels served allow for entire families to attend as students. In addition, EPCTC provides its students with high quality no-cost childcare.

Small Learning Communities Through a School-Within-School Model
Students learn best in small nurturing environment where they are known well, treated as individuals, and their backgrounds are honored. Small learning environments allow for

stronger bonds/relationships amongst students and teachers, where students can receive individualized attention.

Description of Program Aligned to School's Mission and Vision
Vision: Escuela Popular educates to transform lives.

Mission: Our family learning center believes that teaching is an act of love through which learning is reciprocal. We develop bilingual, bicultural students fully prepared to continue onto higher education and empowered to pursue their goals in a global society.

As a family learning center, Escuela Popular's mission is to provide all students with the opportunity to engage in purposeful, stimulating, and enriched educational experiences to meet their basic needs and to go beyond them. Through the Escuela Popular/Center for Training and Careers, Family Learning Center, adults and families are served as well.

- Escuela Popular is committed to community improvement by fostering pride in learning and student leadership.
- Escuela Popular believes educated individuals raise the standard of living and quality of life for their families and the community as a whole.
- Escuela Popular challenges the whole school community (students, parents, guardians, families, teachers, staff, administrators, and community members) to believe in their dreams and to make their dreams a reality. EPCTC provides the tools to enable them to build on their strengths and overcome obstacles so they may rise above the expectations the outside world has had for them and that they have had for themselves.
- Escuela Popular believes that teaching is an act of love, and that life-long learning empowers all human beings.

The overall vision of EPCTC is to empower the community through education. EPCTC is a Transitional Kindergarten to 12th grade family learning center that serves entire families in conjunction with EPCTC's Over 19 Academy. We are committed to providing meaningful learning experiences in a small school setting to ensure that we are impacting the lives of every student. We seek to enable students to become self-motivated, competent, and lifelong learners. We are a community school with quality age-appropriate academies in a school within a school model. EPCTC is open extended hours to accommodate the academic and non-academic needs of its students. The Charter School focuses on preparing students to master the State Standards and to pursue higher education opportunities.

Core Values:

- **Love:** We believe teaching is an act of love; therefore, we work to liberate and empower participants for self-determination. Love is an inward development of compassion and the capacity to believe unconditionally in self and others. Such love transforms lives.
- **Emotional Wellness:** We strive to take care of ourselves physically and mentally to teach and learn from a foundation of confidence and emotional strength. This

leads to a lifestyle that is positive and balanced intellectually, physically, and emotionally.

- **Respect:** Our community of students, parents, and staff practices mutual respect and will feel affirmed in spite of any differences in education, economic background, language, culture, age, learning style, and lifestyle on a deep level of friendship.
- **Collaboration:** We are committed to nurturing an environment of respect and collaboration, which enriches teamwork, sharing responsibilities, collective problem solving, and building on each other's strengths. We continue to build healthy and strong relationships through open dialogue.
- **Constructivist Learning:** Since we believe teaching is an act of love, we meet our students where they are and differentiate our engagement with them accordingly. We will learn and build upon our students' prior knowledge and intuition.
- **Safe and Organized Learning Environment:** We create a learning environment where equity is highly valued so participants feel safe to express themselves, take risks in learning, and trust that their voices will be heard. As equal participants, students and staff should take ownership in contributing to a school culture that is organized, responsive and well prepared.
- **Success:** Success is the short and long-term transformation of individual's experience as they continually evolve into lifelong bilingual learners who achieve well-being for themselves, their families, and community.

EPCTC is committed to providing meaningful learning experiences in a small school setting to ensure an impact within the lives of every student. EPCTC is a community school with quality age-appropriate academies in a School-Within-School model. EPCTC is open extended hours to accommodate the academic and non- academic needs of its students. EPCTC is focused on preparing its students to master the State Standards, pursue higher education opportunities and/or career opportunities.

Means to achieve mission and vision

EPCTC is achieving its mission and vision by implementing the following practices, concepts, and models. The design of this charter school is based upon the collection of the best practices and experience of the founding members who have over 100 years of experience and training working with this target population. We feel that learning best occurs when student needs are diagnosed and matched with meaningful and relevant educational strategies.

Educational Philosophy

The educational philosophy at EPCTC is driven by the knowledge that all students, if given adequate support from a community school, are capable of succeeding in college, career, and life. It is with that optimism and with research-based strategies on improving student achievement that the Charter School's educational program is designed. The Charter School mission and vision drive everything at EPCTC, from school culture to the academic program.

Description of Curriculum Aligned to Student Performance Standards

EPCTC is a welcoming and safe environment for all students, which develops relevant curriculum partnered with performance tasks; and aligned with the appropriate standard based on the course subject, as a key to building on the students' strengths and bringing relevance to their studies. EPCTC also believes that the everyday learning experiences for all students should be authentic and relevant to their lives. Interdisciplinary units help students connect everyday experiences with learning and serve to better prepare students for college and careers. EPCTC also strongly stresses the development of bilingual/biliterate students. EPCTC emphasizes life-long learning and prepares students to attend college or directly enter the workforce.

EPCTC has aligned its learning outcomes to the Common Core State Standards, Next Generation Science Standards, California English Language Development Standards, and College & Career Readiness Standards. EPCTC believes that assessment informs practice, and continually reflects upon its curriculum and instruction to ensure that students exceed standards.

EPCTC attempts to diagnose and discover the academic strength and level of each student and build individual academic plans that are appropriate to their needs. EPCTC focuses upon:

- intensive English language development instruction with conceptual and primary language support (Spanish)
- continuous and routine assessment of English language development
- student responsive scheduling based on academic level
- individualized academic plans
- college and workforce preparation
- upon achieving an emerging level of English language development, then transitioning to multiple disciplinary studies.
- developing bilingual and bi-cultural students

EPCTC's goal is to provide all over 18 students with the opportunity to engage in purposeful, stimulating, and career enhancing educational experiences to meet their basic needs and go beyond, in addition to the following:

- EPCTC will treat all students as gifted and talented. Differentiate instruction to fully develop student talents, recognizing their varied learning styles.
- EPCTC will be led by the instructional leaders of the organization and will be responsive to student needs by developing a shared decision-making process that is focused around student needs.
- EPCTC is committed to community improvement by fostering pride in learning and student leadership. The school believes that educated individuals raise the standard of living and quality of life of their families and the community as whole. The goal is to develop and prepare all students, faculty and staff to participate actively in the community.
- The goal is to teach students to dream and achieve their dreams through education.

Plan to Support Students Not Meeting Pupil Outcomes

Teachers regularly monitor student progress. Escuela Popular regularly monitors student progress. Teachers regularly administer assessments, such as NWEA MAP, SBAC, ELPAC, PFT and other applicable external and internal assessments, to identify students who may be academically low-achieving or at-promise at the beginning of the year and on regular cycles throughout the year. Those students performing significantly below grade level have access to the following opportunities:

- **Summer school:** Courses are offered during the summer session to focus on the areas of reading, writing, listening, and speaking during a 4-6 week session.
- **Math Lab:** This class is designed to address students' current level and development in pre- core math standards. Teachers provide individualized instruction for students in order to prepare students for core Math courses, at the students' pace of learning.
- **Outside of Classroom Support:** Teachers provide support after school, before school, using online tools, and during school breaks to individual students. Additional support assists students with reaching a level of understanding and mastery to be promoted next level of learning.
- **Additional Tutoring:** Tutoring periods are established within the school day to support students in the areas of Math and English.
- **Foundational skills support and instruction:** These are necessary and important components of any reading program so that students may become proficient and fluent readers. The skills include phonological awareness that ranges from phonemic awareness, the ability to detect and manipulate individual sounds within words, syllables within words, words within sentences and rhymes. Many nonreaders hear sounds but are unaware of the individual phonemes
- **10-Week Interval and performance-based course scheduling:** Students are scheduled in courses appropriate to their reading, writing, speaking, and listening levels, students needing additional time to focus on specific standards have the opportunity to retake and/or receive additional instruction before moving to the next level, as needed by the student.
- **Small Class Sizes:** Teacher to student ratio is small, when compared to comprehensive schools, at times as low as 10 to 1 ratio, allowing more time for individualized instruction.
- **Bilingual Staff (Spanish) to support with conceptual understandings:** Bilingual staff provides support in primary language to teach concepts and understandings, then transferring the learning to English. Students not reaching the standards often have success in learning it in their primary language to expedite their learning in English.
- **Lexile leveled assigned texts:** Teachers have available student's individual Lexile levels which allows for individualized reading assignments and practice to engage students in reading assignments that are within the students reading range for maximum potential to improve reading comprehension and vocabulary.

Additionally, students have access to academic counseling support where they receive guidance and support on fulfilling their academic plan and graduation requirements. There is on-going communication to support students who are not meeting their student

outcomes.

Instructional Design and Strategies Based Upon Successful Practice or Research

In meeting these students' needs, we have seen an increase in academic success.

1) Our teaching methods are inspired by "popular education" as defined by Paulo Freire. The concept of popular education is based upon serving students by identifying basic needs and building on their strengths while providing instruction that is relevant to their lives. EPCTC assesses its students to find out where they are when they come to EPCTC and then begin to direct their education to higher levels of learning. For example, most of the student population requires intensive ESL, Literacy, and Math classes in their first year with EPCTC. As their English proficiency and Literacy levels increase, students are able to meet the challenges of other core subjects, such as the social sciences and natural sciences. EPCTC also places emphasis on dual language instruction so that our students become biliterate. Spanish is the source of knowledge used to accelerate our students' academic progress.
2) EPCTC regards family involvement and support as essential to students' academic success. EPCTC involves the entire family in the learning experience. Parents in EPCTC will often have siblings and children attending Escuela Popular. Home becomes a place of learners. Parents and children reinforce each other's education because they can better relate to each other's learning experience.
3) Most of the staff at EPCTC is reflective of the student body. Many have faced similar obstacles as those faced by its students. The curriculum and school culture are familiar to the culture of the students. In this manner, EPCTC is able to provide a smooth transition into the new culture. Codes of power that exist in the U.S. are explicitly taught to its students.
4) EPCTC engages students in activities that nurture freedom, a sense of well-being, and a consciousness that with the right attitude they can undertake any challenge and be successful. Students are challenged to dream and to work towards the accomplishment of those dreams.

Based on this educational design, EPCTC students may spend 1-3 years developing their English language proficiency. EPCTC students begin at a reading level equivalent to the third grade and through the access high level instruction and support they are able to understand rich literature such as Macbeth, Don Quixote, and Animal Farm.

Credit Recovery

A Counselor meets with each high school student each year. The Counselor monitors the grades of all students each semester. If a student is credit deficient, the Counselor conferences with the student and educational rights holder to develop a plan for the student for credit recovery. Students may recover credits by reenrolling in the class the following year or during summer school. The Counselor monitors all students taking credit recovery courses monthly and reports the student's progress to the Principal, the educational rights holder, and the student. If a student fails to make progress the following month, the Counselor conferences with the student and educational rights

holder to review the plan for credit recovery and make necessary adjustments to the student's schedule.

Dual Enrollment

EPCTC offers an opportunity for students to participate in a dual enrollment program with San Jose City College. College courses provide students with college credits. Students receive a transcript from San Jose City College upon request. (See Appendix 9 Dual Enrollment Agreement.)

Accreditation and Transferability of Courses

EPCTC received a six-year Western Association of Schools and Colleges accreditation which affirms the quality and credibility of its academic program. Additionally, A-G approved courses support alignment with California college entrance requirements. Together, WASC accreditation and A-G approval ensure that courses offered at EPCTC are transferable to other public high schools and meet UC/CSU eligibility standards. During the initial enrollment process, Orientation, and through individual meetings with the counselor, and students, EPCTC informs students about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. If a student is transferring into EPCTC and the transfer might result in an inability to obtain the credits needed to graduate, EPCTC will advise the students about credit recovery options and what is required to meet graduation requirements. EPCTC will explain which course requirements the student is missing and suggest avenues by which the necessary credits can be obtained. In addition, students can find this information in the Student and Family Handbook (See Appendix 10).

Professional Development

Comprehensive professional development is imperative to the success of our teachers in effectively teaching students. (See Appendix 11 Collaborative Meeting Schedule.) EPCTC has developed a strong professional development plan to support and address the needs of teachers to ensure that the highest quality instruction and support is offered to the students. The primary areas of focus for professional development include understanding the mission and vision of the Charter School, implementing best practices to ensure college and career readiness, school safety, standards-based curriculum and differentiated instruction, supporting all students including EL, SED, SWD, interventions, SEL, data analysis, family partnerships and participating in shared decision making including contributing to key critical planning documents LCAP, WASC, etc.).

The following topics below will be covered in PD sessions during the charter term, including but not limited to academics and governance.

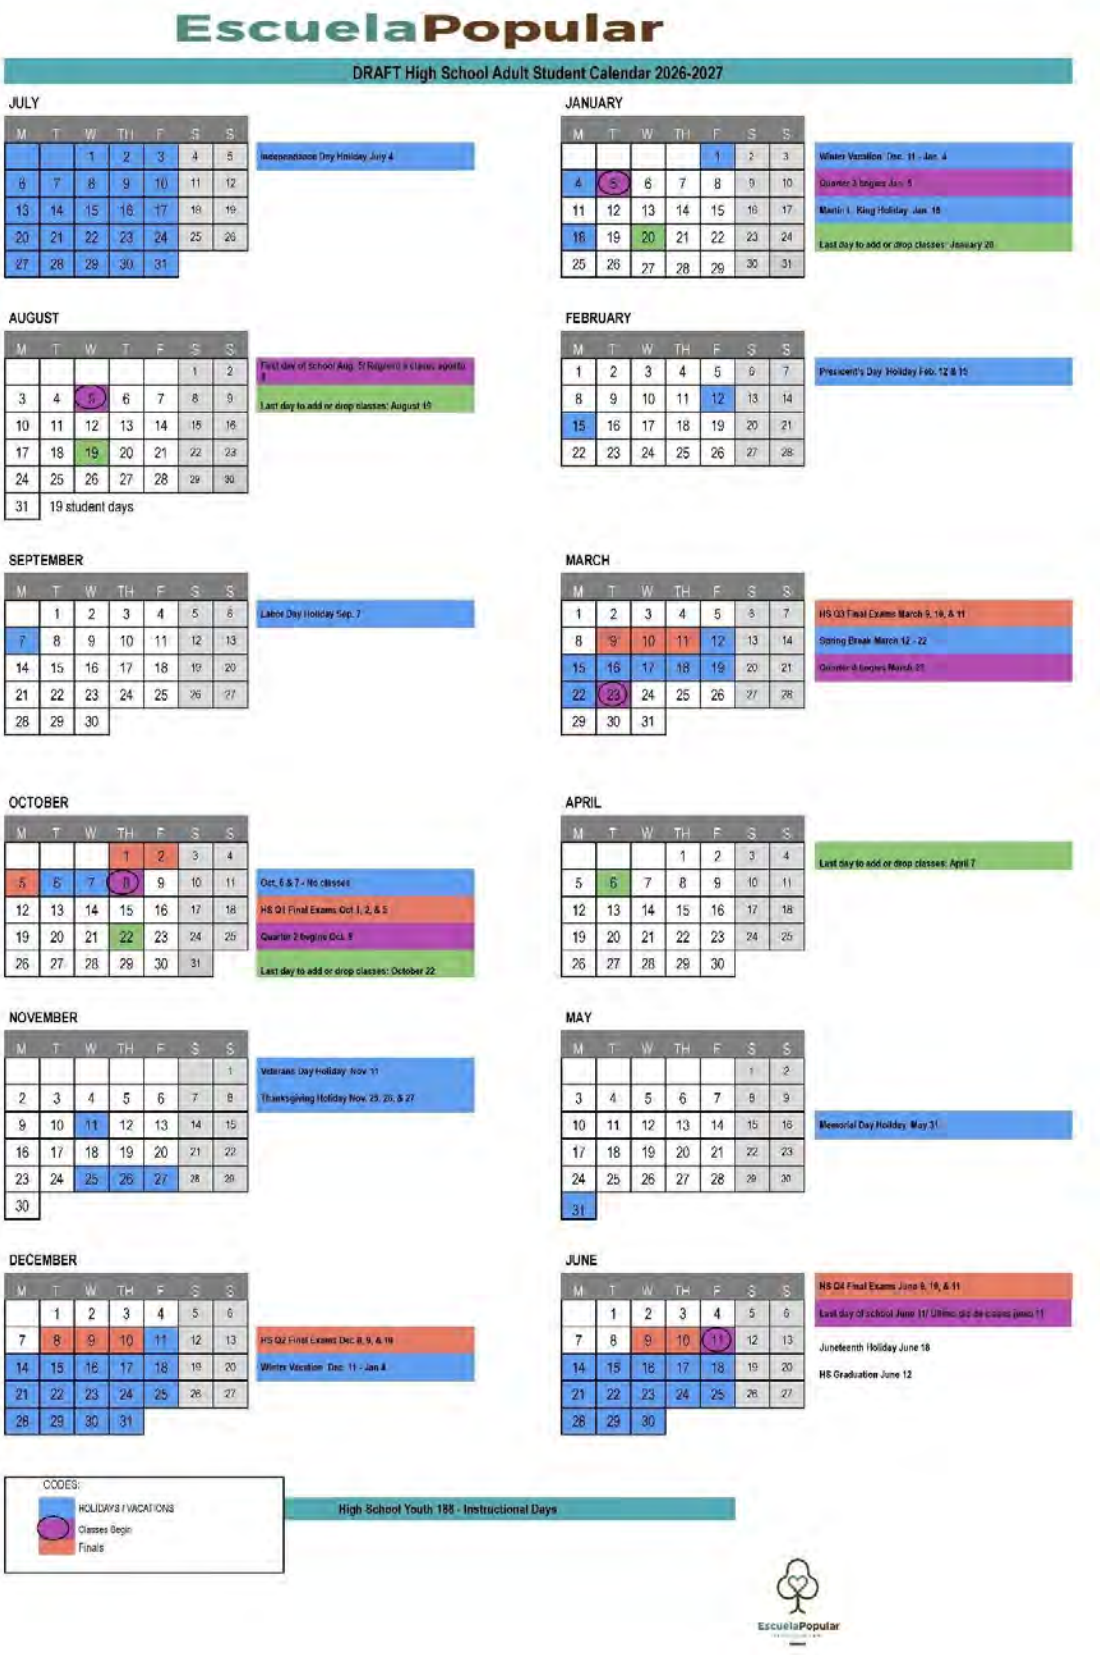
Table A.5: 2025-26 EPCTC School Calendar (Subject to Change)



Supporting Special Populations

EPCTC is an inclusive charter school and offers services for all students in special populations. This includes, but is not limited to, socioeconomically disadvantaged students; students who are identified as EL; students who are identified as RFEP; students who are Homeless or Foster Youth; and students who receive Special Education services. EPCTC serves all students with an Individualized Education Program ("IEP"), regardless of their eligibility. EPCTC will follow the applicable regulations of the ESEA. The students who are identified as EL will receive daily instruction in ELD in addition to teachers using Specially Designed Academic Instruction in English ("SDAIE") strategies including accessing prior knowledge, cooperative learning, hands-on instruction, student communication, explicit vocabulary instruction, multicultural education and checking for understanding.

Students are most successful when there is a cooperative effort between the students and Charter School personnel with a commitment to and clear agreements regarding shared responsibility. EPCTC has developed time in the professional development calendar for teachers to evaluate data and to plan strategically to support all learners. Instruction is differentiated according to learning styles, strengths, abilities, and interests to support all learners. Students receive actionable and timely feedback, which empowers them to achieve by building on what they know. All students will receive a rigorous, standards-based, and experiential learning experience. Teachers provide additional differentiated instruction. Students who experience problems with academic achievement or who demonstrate the need for behavior support will be referred to services by the Student Support Services office or the Student Study Team ("SST") for further discussion regarding interventions.

EPCTC maintains a culture of high expectations for all students. EPCTC believes that all students can achieve high standards, regardless of their strengths and challenges, and, therefore, all students should be offered opportunities to engage in and succeed with a rigorous curriculum.

Multi-Tiered System of Supports and Response to Instruction and Intervention is a comprehensive framework designed to ensure the academic, behavioral, and social success of all students. By integrating State Standards with differentiated and student-centered learning, MTSS addresses individualized student needs through an alignment of systems that promote success. California's long-standing history of support systems includes Response to Instruction and Intervention ("RtI²") processes, Special Education services, Title I and Title III programs, services for English Learners, and those in gifted and talented programs. MTSS builds on these foundations by driving systemic change through intentional design and redesign of services, enabling rapid identification, and matching of student needs with appropriate interventions.

[2]

While both MTSS and RtI² share similar goals, MTSS encompasses a broader and more comprehensive scope. RtI² focuses primarily on students who are struggling and emphasizes teamwork and data-driven decision-making to improve student outcomes. In contrast, MTSS seeks to align all systems, initiatives, and resources across the Charter School and grade levels. It systematically supports all students, including gifted and academically high-achieving students, by integrating services in a way that sets higher expectations for every student. Unlike RtI², which emphasizes specific interventions for struggling students, MTSS promotes universal supports such as UbD strategies to ensure all students benefit from differentiated instruction and opportunities for success.

MTSS integrates instructional and intervention supports with a focus on long-term systemic change, ensuring sustainability and alignment with State Standards. It challenges school staff to adopt innovative practices across all school settings, promoting collaboration and high expectations for all students. MTSS does not influence special education placement decisions but instead focuses on supporting all students in educational contexts through intentional and holistic design.

MTSS incorporates many of RtI²'s principles, such as high-quality, research-based instruction that values cultural and linguistic relevance. Both frameworks rely on universal screening, diagnostic assessments, and progress monitoring to inform tiered interventions. They also emphasize positive behavioral supports, collaborative problem

[2] California Department of Education. "California SUMS Initiative: Multi-Tiered System of Support." California Department of Education, https://www.cde.ca.gov/ci/cr/ri/. Accessed 24 Jan. 2025.

solving, and data-driven practices to improve student outcomes. MTSS expands upon these shared principles by embedding them into a broader system designed to serve the needs of every student, ensuring equity and inclusivity in education.

This comprehensive approach positions MTSS as a powerful framework for fostering academic, social, and behavioral growth while addressing the diverse needs of students.3

Student Study Team Process

The Student Study Team is a positive schoolwide early intervention process to support students who are not making satisfactory academic, behavioral, and/or social progress. EPCTC sets up an SST, which is comprised of students, teachers, administrators, and other professionals, as appropriate. The SST meets regularly to highlight a student's strengths upon which a plan for improvement can be based. The SST designs a practical support plan that all team members agree to implement. Follow-up meetings will take place to monitor student progress with the interventions in place. The SST may determine to refer a student for special education evaluation or may monitor the students through the SST protocol based on the student's need.

SST Protocol

Step 1. The Charter School personnel (teacher, support staff, administrator) or the student or educational rights holder requests a referral to the SST. This referral includes information regarding specific concerns and prior interventions and accommodations. The student and educational rights holder are contacted and informed of the referral.

Step 2. The team members review and collect information relevant to the student's performance. This information could include information provided in student's cumulative file, educational rights holder/teacher/administrator observations, grade reports, formative assessments, homework, attendance, educational rights holder, and student information regarding the student's academic and health history, teacher reports, results of state academic assessments, and a list of prior interventions.

Step 3. The team establishes a meeting time when all members can participate and be actively involved in the problem-solving process. A translator is provided if needed.

Step 4. The SST meeting representatives summarize strengths, concerns, discuss, and develop an action plan with academic or behavioral interventions. Modified interventions are then documented and monitored for success. The team brings: 1) completed evaluation forms; 2) relevant work samples; 3) list of interventions attempted; 4) and the student's cumulative file.

Step 5. If the plan is unsuccessful, a follow-up meeting is held within 4-6 weeks to discuss alternatives for accommodations and interventions. The SST process may be repeated. If the revised plan remains unsuccessful, the student may qualify for more structured modifications or a Section 504 Plan. An unsuccessful SST process could lead to a

[3] California Department of Education. "California's Multi-Tiered System of Support (MTSS)." *California Department of Education*, 2020, https://www.cde.ca.gov/ci/cr/ri/. Accessed 24 Jan. 2025.

determination or qualification for Special Education.

All throughout the SST process, clear lines of communication are in place between EPCTC administration, staff, students, and special education staff (as appropriate) as the SST process is implemented.

Supporting Academically Low-Achieving Students
EPCTC is designed to respond to and support the needs of students who come to the Charter School achieving below their potential. Our school size, community supports, and educational program allow us to readily identify and target low-achieving students and provide them with the support they may need to succeed. Students and teachers regularly check student progress, and the following process is followed.

Assessment
All EPCTC students participate in and benefit from an academically rigorous and standards-based curriculum. Academically low-achieving students are identified by meeting any of the following criteria performs at least two (2) grades below grade level, does not meet standards on state testing, answers sixty percent (60%) or more incorrectly on school benchmarks or multiple measures assessments, and fails to demonstrate a minimum of one year of academic growth in reading, writing, and/or math during each year. Academically low-achieving students are identified by teachers, who notify the students and refer them for interventions.

Interventions
EPCTC takes a systematic approach to closing the achievement gap by allocating multiple resources to academically low-performing students. EPCTC teachers will address the needs of academically low-achieving students in the following manner:

After-School Tutoring
Students who are identified as academically low-achieving in reading or math are strongly encouraged to enroll in after-school tutoring. These sessions are taught by trained tutors who provide students with extra time to complete their regular coursework and receive additional assistance to develop English and math skills. Students receive support with study and time management skills. In addition, academically low-achieving students at the high school level benefit from the opportunity to complete homework assignments in a quiet environment with support as needed from teachers.

Additional Staff Support Time for Students
Classroom teachers are available before and after-school for small groups or individual review sessions. Academically low-achieving students are encouraged to attend these sessions on a weekly basis. In meeting with students, teachers may reteach material, provide additional support for completing assignments, provide additional individualized instruction, and/or offer alternative assessments.

Teaching Learning Communities
During weekly meetings, and during informal daily collaboration time, teachers meet and discuss individual progress of academically low-achieving students. The discussions focus on tracking progress, identifying areas of need, and effective intervention strategies.

Progress Monitoring
EPCTC is also committed to monitoring the progress of academically low-achieving students as part of prevention and interventions. As part of the MTSS, EPCTC will utilize RtI and will monitor the progress of each academically low-achieving student through the following processes:

In the MTSS and RtI² frameworks, Tiers 1, 2, and 3 provide a structured approach to supporting students based on their individual needs, with progress monitoring integral to each tier.

Tier 1 – Universal and Core Instruction: represents high-quality, standards-aligned instruction for all students in the general education setting. This tier includes differentiated teaching, positive behavioral supports, and frequent assessments to ensure that at least 80-90% of students can succeed without additional intervention. Universal screening and regular progress monitoring at this level help identify students who may need additional support. Small group instruction and individualized differentiation are used at this level.

As part of the Tier 1 foundation, all students receive interventions in the classroom. Data mined from benchmarks, DIBELS assessments, MAP Growth assessments, previous year ELPAC and SBAC assessments are used to determine students' strengths and challenges. During core classes, students will receive individualized instruction and activities to strengthen their progress toward standards mastery. The differentiated instruction and work will allow all students to access both the curriculum and core content at various academic levels. A student's specific need may change as interventions are put into place, which is why EPCTC will utilize progress monitoring to adjust the interventions to assure standard mastery. Students will also take part in small group instruction during this time, and work both individually and collaboratively, depending on the assignment or the activity.

Tier 2 – Strategic Intervention: targets students who require additional help beyond Tier 1. These students, typically about 10-15% of the population, receive small-group interventions tailored to their specific needs, such as supplemental instruction in literacy, math, or behavior. At this level, progress monitoring occurs more frequently to evaluate the effectiveness of interventions and adjust strategies as needed.

Through a small group setting, standard and concept specific lessons will be administered. Teachers will be able to observe and assess students, both formally and informally, and differentiate as needed. Strategic intervention allows students to practice and develop skills. On-going benchmark and progress monitoring will be used to adjust interventions. Tier 2 groupings are flexible and can be changed, as necessary. The groupings' fluidity allows for students making progress to assess out of this tier, while

other students can participate if warranted.

Tier 3 – Intensive Intervention: is the most intensive level of support, designed for the 1-5% of students who need individualized, specialized interventions due to significant academic, behavioral, or social challenges. Progress monitoring at this tier is even more frequent and detailed, allowing teachers to closely track individual progress, refine interventions, and determine next steps. Across all tiers, progress monitoring ensures that instruction and interventions are data-driven and responsive, providing every student with the support necessary for success.

Intensive intervention allows students to receive explicit instruction and focus on only one skill until proficient and prepared to move on. Highly flexible grouping will allow teachers to reorganize students, including multiage grouping when appropriate.

Student progress is monitored on an ongoing basis through a combination of teacher observation, checklists, classroom assessments, intervention assessments, and benchmark assessments to determine the effectiveness of interventions. Student progress is communicated to the student and educational rights holder every six (6) weeks. If after the intervention session, the strategies in place are deemed unsuccessful, the intervention will be adjusted for the next six (6) weeks. If the student continues to not make adequate progress they will be referred to the SST process.

Supporting Academically High-Achieving Students

The mission of EPCTC is to ensure all students are bilingual and bicultural students, fully prepared to continue on to higher education and empowered to pursue their goals in a global society. Teachers are prepared to provide additional challenges for academically high-achieving students. Teachers are taught how to extend student learning by doing pre-assessments of concepts/skills previously mastered and students are able to engage in and share the products of accelerated learning activities, such as PowerPoint/Google Sheet presentations, independent projects or projects with peers who have similar interests.

Assessment

The counselor will identify academically high-achieving students by collecting data from existing sources, such as, the cumulative record, CAASPP data, quarterly benchmark results, grades, and interviews with advisors.

EPCTC's counselor will identify academically high-achieving students from varying linguistic, economic, and cultural backgrounds. These students will have the opportunity to participate in dual enrollment courses and other student leadership roles such as president of a club or captain of a team. The administrator and later counselor will be responsible for keeping academically high-achieving students abreast of specialized programs and extracurricular activities.

Throughout the school year, evidence of learning is collected and showcased to share the deeper and broader understanding and application of content.

Enrichment

EPCTC will provide growth and enrichment opportunities for excellence for students who demonstrate an ability to achieve beyond their grade level. The Charter School is committed to providing academically high-achieving students with opportunities to study the curriculum in more depth and to extend their proficiency by utilizing higher order thinking skills. Teachers will use differentiated instructional strategies to provide challenging assignments to academically high-achieving students to further develop their originality, creativity, and uniqueness.

EPCTC encourages academically high-achieving students to become leaders in student government, tutoring younger students, running events such as committee member, fundraisers in support of nonprofit organizations, emceeing events, becoming ambassadors for Charter School tours, or representing EPCTC at community events and functions. Academically high-achieving students may also compete in school contests and competitions, and work with the Principal to form other activities to engage all of their peers in maintaining a strong, positive EPCTC community.

Flexible academic groupings within and out of the classroom, along with the extracurricular enrichment opportunities, are designed and implemented to fully serve academically high-achieving students as well as students working toward academic success. EPCTC teachers provide a qualitatively differentiated curriculum that stresses higher order thinking, concept learning, and cross-curricular study grounded in academic content standards to prepare for CAASPP testing, to promote brain development, and to engage learners at all levels.

Web Projects

Web projects provide students opportunities to independently research topics of their interest that are closely linked to an area of study in which the rest of the class is participating. Teachers will provide guidelines and web resources for such projects. The teacher also gives the student the rubric for the assessment of such projects. All students will have access to a Chromebook to explore and research such projects.

Small Group Research Projects

Teachers can arrange for a group of high-performing, self-directed students to work together exploring a topic. Students assign themselves roles such as report writer, PowerPoint creator, or group facilitator. Each student will specialize in one area of expertise. The teacher will build in class time for these academically high-achieving students to work on their research project when the other students may be practicing skills the small group has already mastered or working independently. The teacher will schedule a time for this group to present the research project to the class and present it to other classes and outside audiences as well. Such activities by students encourage cooperative learning among academically high-achieving students and raises expectations for all students.

Independent Projects
Students may also research a topic based on that student's own inquiry or based on the curriculum in the classroom. Teachers support students with learning to access resources from a variety of sources. The independent project may be completed in the form of a report written by the student, a PowerPoint/Google presentation, a video, or another product showcasing the knowledge gained.

Supporting Socioeconomically Disadvantaged Students
The majority of EPCTC students are socioeconomically disadvantaged students, therefore, the educational program has been specifically designed to ensure that the EPCTC mission is fulfilled. The priorities to serve SED students include providing support to succeed even though they may have socioeconomic challenges and prior lack of access to educational opportunities. The goal is to close the achievement gap. As a community school, EPCTC provides wraparound services. EPCTC offers additional supports to ensure students have access to instruction by providing school uniforms, meals, backpacks, school supplies, and counseling. These services help remove barriers to learning and create a supportive environment for students. Finally, EPCTC's collaboration with community and nonprofit organizations addresses a wide range of needs for students and families. These services include resources which provide access to food, healthcare, housing assistance, legal support for immigration issues, tutoring, and counseling services. EPCTC provides daily meals to students, every day including early release days. All students are provided with a Chromebook and a wi-fi hotspot if needed to close the digital divide. Students are provided with technological support for the equipment. Students may attend the after-school program with is open from 7:30 AM to 6:00 PM for free every day the Charter School is in session and for 30 days during school breaks. Students have opportunities to participate in extracurricular activities like sports, clubs, and organizations that they may not otherwise be able to previously participate in due to lack of transportation, access, and cost. Students attend field trips. EPCTC provides workshops for families on important issues related to parenting and education. Funds are allocated to ensure all students have access to all opportunities.

Supporting the Social Emotional Needs of Students
In addition to a powerful commitment to SEL and the work that the Student Support Services department has been doing to support the social emotional needs of students, EPCTC is dedicated to building a community of learners who respect one another and take responsibility for a path toward their future college or career ambitions. In order to support each student's path, EPCTC implements positive reinforcement to teach important life skills while allowing students to build community with their peers.

Students will regularly be acknowledged for demonstrating the Charter School's values and making good choices. There are a variety of ways in which students receive positive reinforcement through EPCTC's strong PBIS program.

Supporting Homeless and Foster Youth
EPCTC recognizes the importance of providing homeless and foster youth with a supportive educational environment. In response to their needs, EPCTC will work closely

with Santa Clara County agencies in identifying and monitoring homeless and foster youth who enroll. EPCTC will coordinate with the Department of Family and Children's Services to account for the Charter School's foster population. EPCTC also verifies all students who attended school in California through CALPADS to recognize all students who were homeless or in foster care. EPCTC will seek to develop strong relationships with child welfare agency staff, meeting frequently with personnel at child welfare agencies to discuss aligned goals and strategies for serving foster youth. EPCTC cultivates a respectful school culture, in which foster youth can feel secure in approaching adults on campus regarding difficulties in accessing resources, or for general counseling and guidance. Foster youth with specific needs that cannot be met on campus will be referred to local partner resources that are gratis to the student whenever possible. Additionally, these youths will have full access to all programs offered by EPCTC.

EPCTC follows the identification, enrollment, and continued support procedures as outlined by the McKinney-Vento Act and detailed in its Homeless and Foster Youth Policy. EPCTC has a Homeless Liaison who provides outreach to families and coordinates services between the family and other agencies. EPCTC includes a Student Residency Questionnaire at enrollment to determine eligibility for families under the McKinney-Vento Homeless Assistance Act. The Charter School is committed to providing a high-quality education with all supports necessary to ensure that HY have the opportunity to succeed. In order to help HY, the Homeless Liaison will assist in procuring referrals to health, dental, mental health, substance abuse services, housing services, and any other appropriate services. The Homeless Liaison will assist the student themselves to enroll, obtain necessary immunizations or immunization records. The Homeless Liaison will inform the student of educational and related opportunities to assist them in becoming academically successful.

With reservation funds for homeless education, EPCTC provides an individual device, internet access, transportation to and from school (bus passes or gas cards), clothing, shoes, laundry supplies, food, toiletries, school supplies, field trips, social emotional counseling, academic support, a mentor, tutoring, and a backpack with school supplies. EPCTC also provides a quiet space to work for HY. Specifically for high school activities, EPCTC covers fees for caps and gowns and ensures fee waivers to apply for college or university. In order to ensure that the students have access to the entire high school experience, EPCTC also covers the cost of admission to games, formal ball, and field trips.

Supporting English Learners

To address the significant academic needs of EL students, all of the major components of EPCTC's instructional program have been carefully designed to promote the academic and social success of ELs. Some of English Learners' needs and challenges include learning academic content and transitioning to a new culture and community. English Learners are a diverse group of students with varying backgrounds, experiences, cultural contexts, academic proficiencies, and levels of English proficiency. The same can be said of newcomers who may enroll at EPCTC (English Learners arriving in the U.S. as defined in Section 7011(5) of Title 20 of the United States Codes as "immigrant children and

youth"), who will experience many of the same challenges as other ELs but whose English proficiency is often lower than other ELs.

The Charter School is prepared to meet the needs of ELs, Long-Term English Learners ("LTELs") or ELs at Risk of Becoming Long-Term EL ("AR-LTELs"). EPCTC's bilingual program, SDAIE strategies, integrated and designated ELD instructional strategies, and integration of LTELs in the rigorous classroom environment are all research-based strategies for supporting LTELs. For example, a comprehensive study of LTEL students recommended practices for schools to support ELD and general academic success for LTELs, such as: "clustered placement in rigorous grade-level content classes mixed with English proficient students and taught with differentiated SDAIE strategies."[4]

EPCTC will meet all applicable legal requirements for ELs, including long-term English Learners or ELs at risk of becoming LTELs, as they pertain to annual notification to students, student identification, placement, program options, ELD and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will implement policies to ensure proper placement, evaluation, and communication regarding ELs and the rights of students.

EPCTC believes that ELs are capable of achieving the highest academic standards in a well-designed program where students learn English without having to sacrifice content or their native language. EPCTC has developed a bilingual program that needs to truly be bilingual where at least two languages are mastered by all students. Cognitively, research shows that students who are proficient in more than one language outperform monolingual students on tasks that call for divergent thinking, pattern recognition, and problem solving. Students are able to continue their development of both languages through grade 12, equipping them with a high level of language proficiency in two or more languages. EPCTC feels that this model is very appropriate for students because the majority are monolingual native Spanish speakers, and the instruction builds upon their language skills. EPCTC recruits, trains and retains bilingual teachers who share the Charter School's philosophy and are dedicated to being successful with ELs who comprise the majority of the neighborhood community.

Identification of English Learners

In order to identify students who are ELs in a timely fashion and to provide appropriate instructional support and services, all students will be required to complete a Home Language Survey upon enrollment at the Charter School, if it is the first California public school in which they enroll. (Education Code Section 52164.1. Students who indicate that their home language is other than English will be assessed using the ELPAC assessment aligned to the California ELD Standards if they have not previously been identified as an English learner by a California public school or if there is no record of prior ELPAC test results. EPCTC also verifies every student new to the Charter School on CALPADS to access relevant EL data to ensure proper placement in designated ELD.

[4] Olson, Laurie. "A Closer Look at Long Term English Learners: A Focus on New Directions," In the STARlight, Issue 7. December 2010.

English Language Proficiency Assessment

All students who are identified as ELs will be tested with the ELPAC. The ELPAC has four proficiency levels (Level 4: well developed; Level 3: moderately developed; Level 2: somewhat developed; and Level 1: minimally developed) and is aligned with the 2012 California ELD Standards.

The ELPAC consists of two separate assessments:

- Initial Assessment ("IA")

The ELPAC IA is used to identify students as either an English Learner, or as fluent in English. The IA is administered only once during a student's time in the California public school system based upon the results of the home language survey. The locally scored IA will be the official score. The IA is given to students in grades K–12 whose primary language is not English to determine their English proficiency status.

- Summative Assessment ("SA")

ELs will take the SA every year until they are reclassified as fluent English proficient. The ELPAC SA is only given to students who have previously been identified as an EL based upon the IA results, in order to measure how well they are progressing with English development in each of the four domains. The results are used as one of four criteria to determine if the student is ready to be reclassified as fluent English proficient, to help inform proper educational placement, and to report progress for accountability.

Both the ELPAC SA and IA are assessments administered in seven grade spans—K, 1, 2, 3–5, 6–8, 9–10, and 11–12. For ELs within EPCTC's grade span, the test is administered in groups, exclusive of speaking, which is administered individually. The ELPAC IA and SA will be administered via a computer-based platform.

Testing times will vary depending upon the grade level, domain, and individual student. Both the ELPAC IA and SA are given in two separate testing windows throughout the school year.

The IA testing window is year-round (July 1–June 30). Any student whose primary language is other than English as determined by the home language survey and who has not previously been identified as an English Learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be assessed for English language proficiency within 30 calendar days after the date of first enrollment in a California public school, or within 60 calendar days before the date of first enrollment, but not before July 1 of that school year.

The SA testing window is determined by the CDE. It is expected to be a four-month window after January 1 (for example, February 1–May 31). The English language proficiency of all currently enrolled ELs shall be assessed by administering the test during the annual assessment window.

The Charter School will notify all students of its responsibility for ELPAC testing and of

ELPAC results within thirty days of receiving results from the publisher. The ELPAC shall be used to fulfill the requirements under the ESSA for annual English proficiency testing.

The English language proficiency of all currently enrolled English learners, including newcomers and LTELs, will be assessed in accordance with the test contractor's directions and Education Code guidelines. Students with disabilities will be permitted to take the test with the accommodations listed in the Education Code if they are specified in the student's IEP or Section 504 plan. An alternate assessment for English language proficiency will be administered to students who are unable to participate in the ELPAC, according to the guidelines set forth in the student's IEP. For EL students who have IEPs, EPCTC will ensure that linguistically appropriate IEPs are developed, including the components required by Education Code Section 56345(b).

Reclassification Procedures

Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following:

- Assessment of language proficiency using an objective assessment instrument including, but not limited to, the ELPAC.
- Participation of the pupil's teachers and any other certificated staff with direct responsibility for teaching or placement decisions of the pupil to evaluate the pupil's curriculum mastery.
- Educational rights holder and student opinion and consultation, achieved through notice to students of the language reclassification and placement including a description of the reclassification process and the student's opportunity to participate, and encouragement of the participation of students and educational rights holder in the reclassification procedure including seeking their opinion and consultation during the reclassification process.
- Comparison of the pupil's performance in basic skills against an empirically established range of performance in basic skills based upon the performance of English proficient pupils of the same age that demonstrate to others that the pupil is sufficiently proficient in English to participate effectively in a curriculum designed for pupils of the same age whose native language is English. This could include SBAC scores, NWEA MAP assessment data, grade in English and other core classes, and other empirical data.

Table A.6: Reclassification Criteria

Escuela Popular Charter Schools Reclassification Criteria

CA Education Code Section 313	Criteria 1 *Assessment of English language proficiency, using an objective assessment instrument, including, but not limited to, the state test of English language development*	Criteria 2 *Teacher evaluation, including, but not limited to, a review of the student's curriculum mastery*		Criteria 3 *Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age*	
9-10	Overall Performance Level of Well Developed (level 4) and Oral and Written Language Performance Levels at least Moderately Developed (level 3) on the Summative ELPAC	The student must earn grades of C or better in all areas and Meets or Exceeds Criteria on Oral Language (TOOL)	The English/language arts teacher must recommend the student for reclassification to fluent based on the student's ability to demonstrate curriculum mastery and English language proficiency.	NWEA MAP Reading Assessment	Meets or Exceeds Grade Level Expectations (see NWEA MAP Reading "Instructional Level Expectations for Reading") NWEA Reading Student Achievement Norms
11-12	Same as Above	Same as Above	Same as Above	NWEA MAP Reading Assessment	Meets or Exceeds Grade Level Expectations (see NWEA MAP Reading "Instructional Level Expectations for Reading") NWEA Reading Student Achievement Norms
Special Education	If deemed appropriate by the IEP Team, English Learners may be assessed with the NWEA and Adelante Benchmark as an alternative assessment to the ELPAC to determine English proficiency levels. If the teacher(s) and the IEP team determine that an EL with an IEP would benefit from EL reclassification, but the student's disability prevents	Same as Above	Same as Above	NWEA MAP Reading Assessment	The IEP team will determine eligibility for reclassification using the student's classroom performance information based on his/her IEP goals for ELD and all literacy domains (reading, writing, listening/receptive language, speaking/expressive language. The IEP team will evaluate and determine if a student has met the basic skills in Oral, Reading, Writing, and Listening. The IEP team will consider teacher input, proficiency in Basic Skills, and the
	him/her from meeting the above criteria the IEP team will determine eligibility for reclassification using the student's classroom performance information based on his/her IEP goals for ELD and all literacy domains (reading, writing, listening/receptive language, speaking/expressive language				Alternative Assessment if a student is unable to participate in the ELPAC.

Educational Program for English Language Acquisition

In addition to the major program design features at EPCTC that support students who are English learners, teachers at EPCTC will employ the following specific strategies in their classrooms: (notably, these strategies are beneficial for all students, not just English Learners)

Six Key Strategies for Teachers of English Learners[5]

1. Vocabulary and Language Development
   - Teachers will introduce new concepts by discussing vocabulary words key to that concept.
   - Teachers will build on a student's background knowledge and cultural background.

[5] Adapted from Alliance for Excellent Education. (December 2005). Case study on the New Teacher Center, University of California at Santa Cruz; and Project GLAD (Guided Language Acquisition Design).

- Classrooms will reflect a language-rich environment (i.e., language charts, shared reading and writing experiences, and other writing displayed throughout the room and used daily by students).

2. Guided Interaction (collaborative learning)
   - Teachers will structure lessons so that students work together to understand what they read—by listening, speaking, reading, and writing collaboratively about the academic concepts in the text.
   - Teachers will provide students with opportunities to negotiate meaning from language and text and to work in cooperative pairs or groups to develop problem solving and social skills.
   - Teachers will group students flexibly, at times working in heterogeneous groups and at times not.

3. Metacognition and Authentic Assessment
   - Rather than having students simply memorize information, teachers will model and explicitly teach thinking skills (metacognition) crucial to learning new concepts.
   - Teachers will use a variety of activities to check for student understanding, acknowledging that students learning a second language need a variety of ways to demonstrate their understanding of concepts that are not wholly reliant on advanced language skills.
   - Teachers will “make thinking public,” the metacognitive aspect of teachers and students modeling how an answer was arrived at, not merely what the correct answer was.

4. Explicit Instruction
   - Teachers will utilize direct teaching methods to teach concepts, academic language, reading comprehension strategies, text patterns, vocabulary, writing patterns, and decoding skills needed to complete classroom tasks.

5. Meaning-Based Context and Universal Themes
   - Teachers will incorporate meaningful references from the students’ everyday lives and use them as springboards to interest them in academic concepts.
   - Teachers will create classroom environments that provide authentic opportunities for the use of academic language.
   - Teachers will provide students with opportunities to activate and focus prior knowledge via inquiry charts, brainstorming, and clustering.

6. Modeling, Graphic Organizers, and Visuals
   - Teachers will regularly utilize a variety of visual aids, graphic organizers (such as Thinking Maps), pictures, diagrams, summaries, and charts to help English learners easily recognize essential information and its relationship to supporting ideas.

Specially Designed Academic Instruction in English

Instruction using SDAIE is grounded in a pedagogical commitment to meeting the needs of diverse learners, in this case particularly those students who are English learners. The teachers at EPCTC will engage in the following practices to support universal access of subject matter content for all students[6]:

- During lesson planning and preparation, teachers will identify lesson objectives aligned with State Standards.
- Teachers will link new content to students' background experiences and introduce unfamiliar vocabulary to facilitate comprehension.
- Teachers will use controlled vocabulary, sentence structure, visuals, and gestures as necessary and appropriate to make the presentation of content comprehensible.
- Teachers will provide students with a variety of strategies for organizing and retaining information associated with effective learning, such as graphic organizers and note-taking.
- Teachers will provide students with regular opportunities to interact with their peers through collaborative learning activities, such as think/pair/share, partner, and group projects.
- Teachers will provide students with regular opportunities to use new language skills in context.
- Teachers will pace lessons to appropriately allow for the participation and active engagement of all students.
- Teachers will utilize language-based as well as content-based assessments.

Integrated and Designated ELD Instruction

EL Students will receive both Integrated ELD instruction and Designated ELD instruction at EPCTC.

Integrated ELD

At EPCTC, teachers in all core content areas will integrate the ELD components of the core curriculum text and develop language forms and functions while developing core content knowledge. Teachers in ELA will integrate ELD in the ELA Curriculum as described in the CDE's ELA/ELD Framework. In addition, ELs will also receive designated ELD during a dedicated period daily.

Designated ELD

The designated ELD program at EPCTC is designed to build skills in each of the language domains. It engages students in reading, writing, listening, speaking, and language. Lessons emphasize effective, research-based strategies shown to improve overall reading abilities with scaffolds to meet the different levels of English language proficiency. Individual, small group, and whole-class instruction is personalized based on formative assessments.

---

[6] Based on the eight broad elements of sheltered instruction described by Echevarria, Vogt, and Short. *Making content comprehensible for English language learners: The SIOP model*. Boston: Allyn and Bacon (2004).

Monitoring and Evaluation of EL Program Effectiveness

The Charter School evaluates the effectiveness of its education program for ELs by:
Adhering to Charter School-adopted academic benchmarks by language proficiency level and years in program to determine annual progress.

- Monitoring teacher qualifications.
- Monitoring the use of appropriate instructional strategies based on student achievement data.
- Monitoring student identification and placement.
- Monitoring program choice options.
- Monitoring availability of adequate resources.

Monitoring English Learner Progress

The teachers will monitor ELs progress through ELD folders and collect work samples to measure progress regarding comprehension, fluency, vocabulary, pronunciation, and grammar usage four times a year. Teachers provide quarterly progress reports to students on the growth in English Proficiency. Staff will monitor RFEP students for a minimum of four years. The Principal will maintain a list of students who are identified as ELs with ELPAC, CAASPP, enrollment in public schools in the United States, and reclassification data. EPCTC also maintains data regarding grade progression, benchmark scores, and promotion to next grade with standard mastery.

Each EL has an ELD Folder to track academic progress. EPCTC will maintain ELD information including Home Language Survey, ELPAC results, Reclassification Forms, and Years 1-4 monitoring forms. EPCTC will provide intervention to students who score Standard Not Met or Standard Nearly Met in ELA and math on the CAASPP.

Supporting Students with Disabilities

EPCTC supports all students with disabilities (See Appendix 13 SEIS Report of Students and Services Provided) until their 22nd birthday. As adult students they hold their own educational rights unless they have an educational rights holder. EPCTC will provide designated services to SWD based on their IEP through an onsite staff member who holds the appropriate credential or by a qualified outsourced educational service provider. Students are offered a continuum of services in the least restrictive environment based on that student's progress toward meeting their IEP goals. As a student enters EPCTC, a 30-day IEP is held to define the present levels of functioning and services to be provided. Special attention is given to transition plans as part of the student's IEP. As students transition to middle school, high school and college or career, the EPCTC staff works directly with the student and their family to develop transition plans and goals. Progress toward English language proficiency for SWD and who are also ELs are monitored by the IEP team. The IEP team may determine if reclassification is appropriate for the students following a review of reclassification criteria and the student's progress toward IEP goals. Students with disabilities will receive instruction or monitoring based on that student's IEP goals. EPCTC is committed to providing a continuum of services in the least restrictive environment.

Overview

The Charter School shall comply with all applicable state and federal laws in serving SWD, including, but not limited to, Section 504, the ADA, and the IDEA.

The Charter School shall be its own local educational agency ("LEA") and is a member of the El Dorado County Charter ("EDCOE") Special Education Local Plan Area ("SELPA") in conformity with Education Code Section 47641(a).

The Charter School has included a letter of good standing from EDCOE (See Appendix 14 EDCOE SELPA Letter of Good Standing). As an LEA member of the SELPA, the Charter School shall receive state and federal revenues directly, in accordance with the SELPA's allocation plan.

The Charter School shall comply with all state and federal laws related to the provision of special education instruction and related services and all SELPA policies and procedures; and shall utilize appropriate SELPA forms.

The Charter School may seek resources and services (e.g., Speech, Occupational Therapy, Adapted P.E., Nursing, and Transportation) from the SELPA, subject to SELPA approval and availability. The Charter School may also provide related services by hiring credentialed or licensed providers through private agencies or independent contractors (See Appendix 15 Special Education Service Provider Contracts).

The Charter School shall be solely responsible for its compliance with Section 504 and the ADA. The facilities to be utilized by the Charter School shall be accessible for all SWD (See Appendix 16 Facility Inspection Tool).

Section 504 of the Rehabilitation Act

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise be subjected to discrimination under any program of the Charter School. A student who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment, is eligible for protections under Section 504.

A Section 504 team will be assembled by the Principal or designee and shall include the educational rights holder, the student, and other qualified persons knowledgeable about the student, the meaning of the evaluation data, placement options, and accommodations. The Section 504 team will review the student's existing records; including academic, social, and behavioral records, and is responsible for making a determination as to whether an evaluation for Section 504 services is appropriate.

If the student has already been evaluated under the IDEA but found ineligible for special education instruction or related services under the IDEA, those evaluations may be used to help determine eligibility under Section 504. The student evaluation shall be carried out by the Section 504 team, which will evaluate the nature of the student's disability and the

impact upon the student's education. This evaluation will include consideration of any behaviors that interfere with regular participation in the educational program and/or activities. The Section 504 team may also consider the following information in its evaluation:

- Tests and other evaluation materials that have been validated for the specific purpose for which they are used and are administered by trained personnel.
- Tests and other evaluation materials including those tailored to assess specific areas of educational need, and not merely those which are designed to provide a single general intelligence quotient.
- Tests are selected and administered to ensure that when a test is administered to a student with impaired sensory, manual or speaking skills, the test results accurately reflect the student's aptitude or achievement level, or whatever factor the test purports to measure, rather than reflecting the student's impaired sensory, manual or speaking skills.

The final determination of whether the student will or will not be identified as a person with a disability is made by the Section 504 team in writing and notice is given in writing to the student in their primary language along and educational rights holder with the procedural safeguards available to them. If during the evaluation, the Section 504 team obtains information indicating possible eligibility of the student for special education per the IDEA, a referral for assessment under the IDEA will be made by the Section 504 team.

If the student is found by the Section 504 team to have a disability under Section 504, the Section 504 team shall be responsible for determining what, if any, accommodations or services are needed to ensure that the student receives a free and appropriate public education ("FAPE"). In developing the Section 504 Plan, the Section 504 team shall consider all relevant information utilized during the evaluation of the student, drawing upon a variety of sources, including, but not limited to, assessments conducted by the Charter School's professional staff.

The Section 504 Plan shall describe the Section 504 disability and any program accommodations, modifications or services that may be necessary.

All Section 504 team participants, students, educational rights holder, teachers, and any other participants in the student's education, including substitutes and tutors, should have access to a copy of each student's Section 504 Plan. The Principal or designee will ensure that teachers include Section 504 Plans with lesson plans for short-term substitutes and that they review the Section 504 Plan with a long-term substitute. A copy of the Section 504 Plan shall be maintained in the student's file. Each student's Section 504 Plan will be reviewed at least once per year to determine the appropriateness of the Plan, needed modifications to the plan, and continued eligibility.

Services for Students under the "IDEA"

The following description regarding how special education and related services shall be provided and funded is being proposed by the Charter School for the sole purpose of providing a reasonably comprehensive description of the special education program in

the Charter Petition and is not binding on the District. The specific manner in which special education and related services shall be provided and funded shall be set forth in an agreement, delineating the respective responsibilities of the Charter School and the SELPA.

The Charter School shall provide special education instruction and related services in accordance with the IDEA, Education Code requirements, and applicable policies and practices of the SELPA.

The Charter School shall provide services for special education students enrolled in the Charter School. The Charter School shall follow SELPA policies and procedures and shall utilize SELPA forms in seeking out and identifying and serving students who may qualify for special education programs and services and for responding to record requests and complaints and maintaining the confidentiality of student records.

The Charter School agrees to promptly respond to all SELPA or District inquiries, to comply with reasonable directives from the SELPA or the District, and to allow the SELPA or the District access to Charter School students, staff, facilities, equipment, and records as required or imposed by law.

Staffing

All special education services at the Charter School shall be delivered by individuals or agencies qualified to provide special education services as required by the California Education Code and the IDEA. Charter School staff shall participate in District or SELPA in-service training relating to special education.

The Charter School shall be responsible for the hiring, training, and employment of site staff necessary to provide special education services to its students, including, without limitation, special education teachers, paraprofessionals, and resource specialists. The Charter School shall ensure that all special education staff hired or contracted by the Charter School is qualified pursuant to SELPA policies, as well as meet all legal requirements. The Charter School shall be responsible for the hiring, training, and employment of itinerant staff necessary to provide special education services to Charter School students, including, without limitation, speech therapists, occupational therapists, behavioral therapists, and psychologists.

Notification and Coordination

The Charter School shall follow SELPA policies as they apply to all SELPA schools for responding to implementation of special education services. The Charter School shall adopt and implement policies relating to all special education issues and referrals.

Identification and Referral

The Charter School shall have the responsibility to identify, refer, and work cooperatively in locating Charter School students who have or may have exceptional needs that qualify them to receive special education services. The Charter School shall implement SELPA policies and procedures to ensure timely identification and referral of students who have,

or may have, such exceptional needs. A student shall be referred for special education only after the resources of the general education program have been considered, and where appropriate, utilized.

The Charter School shall follow SELPA child-find procedures to identify all students who may require assessment to consider special education eligibility and special education and related services in the case that general education interventions do not provide a free appropriate public education to the student in question.

Assessments
The term "assessments" shall have the same meaning as the term "evaluation" in the IDEA, as provided in Section 1414, Title 20 of the United States Code. The Charter School shall determine what assessments, if any, are necessary and arrange for such assessments for referred or eligible students in accordance with applicable law. The Charter School shall obtain student or educational rights holder consent to assess Charter School students.

IEP Meetings
The Charter School shall arrange and notice the necessary IEP meetings. IEP team membership shall be in compliance with state and federal law. The Charter School shall be responsible for having the following individuals in attendance at the IEP meetings: the Principal and/or the Charter School designated representative with appropriate administrative authority as required by the IDEA; the student's special education teacher; the student's general education teacher if the student is or may be in a general education classroom; the student; the student's educational rights holder; and other Charter School representatives who are knowledgeable about the general education program at the Charter School and/or about the student. The Charter School shall arrange for the attendance or participation of all other necessary staff that may include, but are not limited to, an appropriate administrator to comply with the requirements of the IDEA, a speech therapist, psychologist, resource specialist, and behavior specialist; and shall document the IEP meeting and provide notice of procedural rights.

IEP Development
The Charter School understands that the decisions regarding eligibility, goals/objectives, program, services, placement, and exit from special education shall be the decision of the IEP team, pursuant to the IEP process. Programs, services, and placements shall be provided to all eligible Charter School students in accordance with the policies, procedures and requirements of the SELPA and State and Federal law.

IEP Implementation
The Charter School shall be responsible for all school site implementation of the IEP. As part of this responsibility, the Charter School shall provide students with timely reports on their progress as provided in the student's IEP at least as frequently as report cards are provided for the Charter School's non-special education students. The Charter School shall also provide all home-school coordination and information exchange. The Charter School shall also be responsible for providing all curriculum, classroom materials,

classroom modifications, and assistive technology.

Interim and Initial Placements of New Charter School Students
The Charter School shall comply with Education Code Section 56325 with regard to students transferring into the Charter School within the academic school year. In accordance with Education Code Section 56325(a)(1), for students who enroll in the Charter School from another school district within the State, but outside of the SELPA with a current IEP within the same academic year, the Charter School shall provide the student with a free appropriate public education, including services comparable to those described in the previously approved IEP, in consultation with the student and educational rights holder, for a period not to exceed thirty (30) days, by which time the Charter School shall adopt the previously approved IEP or shall develop, adopt, and implement a new IEP that is consistent with federal and state law.

In accordance with Education Code Section 56325(a)(2), in the case of an individual with exceptional needs who has an IEP and transfers into the Charter School from a district operated program under the same special education local plan area of the Charter School within the same academic year, the Charter School shall continue, without delay, to provide services comparable to those described in the existing approved IEP, unless the student and educational rights holder and the Charter School agree to develop, adopt, and implement a new IEP that is consistent with federal and state law.

For students transferring to the Charter School with an IEP from outside of California during the same academic year, the Charter School shall provide the student with a free appropriate public education, including services comparable to those described in the previously approved IEP in consultation with the students, until the Charter School conducts an assessment pursuant to paragraph (1) of subsection (a) of Section 1414 of Title 20 of the United States Code, if determined to be necessary by the Charter School, and develops a new IEP, if appropriate that is consistent with federal and state law.

Non-Public Placements/Non-Public Agencies
The Charter School shall be solely responsible for selecting, contracting with, and overseeing all non-public schools and non-public agencies used to serve special education students.

Non-discrimination
It is understood and agreed that all students shall have access to the Charter School and no student shall be denied admission nor counseled out of the Charter School due to the nature, extent, or severity of their disability or due to the student's request for, or actual need for, special education services.

Concerns and Complaints
The Charter School shall adopt policies for responding to student concerns or complaints related to special education services. The Charter School shall receive any concerns raised by students regarding related services and rights.

The Charter School's designated representative shall investigate as necessary, respond to, and address the student concern or complaint.

Due Process Hearings
The Charter School may initiate a due process hearing or request for mediation with respect to a student enrolled in the Charter School if it determines such action is legally necessary or advisable. In the event that the student files for a due process hearing, or request mediation, the Charter School shall defend the case.

SELPA Representation
The Charter School understands that it shall represent itself at all SELPA meetings.

Funding
The Charter School understands that it shall be subject to the allocation plan of the SELPA.

Element B: Measurable Student Outcomes

The measurable pupil outcomes identified for use by the charter school "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the charter school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the charter school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all pupil subgroups served by the charter school, as that term is defined in subdivision (a) of Section 52052. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served by the charter school. - Education Code Section 47605(c)(5)(B)

Outcomes Aligned to State Standards
EPCTC student outcomes are aligned to the State Standards and California content standards, and the State Priorities to provide adult students with a relevant, challenging, and authentic learning experience in education.

Measurable Exit Outcomes of Academic Skills and Non-Academics

Table B.1: Measurable Exit Outcomes

Discipline Outcomes	Evaluation
English Language Arts: Students will have strong reading, writing, listening, speaking, and presentation skills. Students will be able to effectively communicate ideas, opinions, and information orally and in writing. Analytical and critical thinking skills are an integral part of the classroom practice	• NWEA MAP Reading Test • ELPAC • Writing Rubrics • Portfolios • Credit Completion • Oral Presentation Rubrics
Mathematics: Students will develop abilities to reason logically, and learn and apply mathematical concepts in abstract and real-life situations, including those within algebra, geometry, trigonometry, prealgebra, calculus, and other mathematical subjects, which the staff and board deem appropriate.	• NWEA MAP Math Test • Credit Completion
Social Studies: Students will apply and understand civic responsibilities and outside of their communities. Students will have civic, historical, economic, and geographical knowledge of diverse cultures and	• Credit Completion • Debate Rubric • Completion of a Business Plan

peoples throughout the world.	
Science: Students will successfully utilize scientific research and inquiry methods to understand and apply the major concepts from various branches of science, which may include physics, chemistry, biology, ecology, astronomy, and earth sciences.	• Credit Completion • Laboratory Rubric • Laboratory Journal
World Language: Students will gain proficiency in speaking, reading, writing, and listening comprehension in at least more than one language. Students will understand key aspects of the culture, both past and present, of the target language.	• Credit Completion • Oral Presentation Rubrics • Portfolios
Art: Students will be able to analyze art elements and principles of design. Students will prepare a portfolio of original two-and three-dimensional works of art that reflects refined craftsmanship and technical skills.	• Credit Completion • Art Portfolio
Physical Education: Students will Demonstrate competency in two or more skills in health-related fitness activities such as running, stretching, and walking. Students will Understand and apply nutrition to support a healthy lifestyle.	• Credit Completion • Physical Fitness Test (PFT)
English Language Development: Students will be able to Have collaborative discussions on social and academic topics. Students will be able to speak, listen, read, and write literary and informational texts to determine how meaning is conveyed explicitly and implicitly through language.	• Credit Completion • ELPAC • NWEA MAP Reading Test • Oral Presentation Rubrics • Journals
Life-Long Learning Skills: Students will be able to utilize study skills, self-management and effective work habits, Students will be able to plan, initiate, and complete a project in an academic environment and in the community.	• Attendance rate • Credit Completion • GPA

Social/Interpersonal Skills: Students will demonstrate competency conflict resolution and cooperative learning.	• Attendance • GPA • Credit Completion • Participation in school activities' • Behavioral Referrals
College and Career Skills: Students will demonstrate skills to assist them in today's workforce and society such as, perform basic health procedures, develop a resume, perform in job interview, use a variety of soft and hardware, apply and attend college.	• Completion of Health • Education • Job Readiness Portfolio • Alumni Tracking • Google Classroom Tracking

Concise List of Specific Exit Outcomes & Skills

Table B.2: Specific Exit Outcomes and Skills

Discipline	Exit Outcomes and Skills
English Language Arts	• Write a descriptive, argumentative essay on controversial issue, explanatory, response to literature, narrative, reflective, personal statement, formal academic summary essays • Oral presentations on a biographical narrative, controversial issue to persuade, dramatic monologue on ethnicity and gender, recite a poem, and on an analysis of a media advertisement • Analyze and respond to selected poems • Debate on a controversial issue • Read, synthesize, and respond to adopted full-length novels
Science	• Asking questions and defining problems • Developing and using models • Planning and carrying out investigations • Analyzing and interoperating data • Using mathematics and computational thinking • Constructing explanations and designing solutions • Engaging in argument from evidence • Obtaining, evaluation, and communicating information

	• Applying the scientific method
Mathematics	• Perform basic arithmetic functions (i.e., balance a budget) • Perform basics of algebra and integrated mathematics • Use variables in expressions and equations • Graph linear equations • Understand systems of equations and inequalities • Solve word problems related to quadratic and linear equations (algebraically, and graphically), and solve linear and quadratic systems • Determine and apply transformations in graphs • Identify parts of a graph • Solve word problems related to angles in reference to trigonometric • functions: sine, cosine, tangent • Performance-based tasks aligned to the SBAC
Social Studies	• Compare and contrast important periods in history • Engage in current-event and multimedia projects to explore issues • Write an evidence-based opinion piece • Discuss, analyze, and construct writings on contemporary local, national, and international issues • Engage in simulations of governmental processes to address real-world problems • Analyze the outcomes of incentives and investigate the distributive effects of government policy • Evaluate the impact of government in land purchases • Collect data, evaluate data sources, and use data to analyze patterns • Defend/argue against agreements/disputes between US and other countries
World Language	• Write descriptive and personal essays • Compare and contrast a variety of texts • Analyze short stories and sources • Learn academic sentence structures, grammar, and writing in Spanish

	• Prepare and role play an interview • Prepare, organize, and present a debate • Understand the History of Mexico's Conquest • Create an advertisement for print or broadcast • Write and present a dramatization
Art	• Learn a variety of art and drawing forms (oil, canvas, charcoal, etc.) • Understanding shading, depth, perception • Understanding the impact of different art periods in history • Understand and apply lines, curves, and symmetry
Physical Education	• Demonstrate competency in a variety of motor skills and movement • patterns a variety of net, wall, target, and outdoor pursuit games • Demonstrate competency in a variety of sports: basketball, volleyball, badminton, soccer, hockey, • Demonstrate competency in two or more skills in health-related fitness activities such as running, stretching, and walking. • Understand and apply nutrition to support a healthy lifestyle
English Language Development	• Have collaborative discussions on social and academic topics • Listen actively to spoken English • Read literary and informational texts to determine how meaning is • conveyed explicitly and implicitly through language • Analyze how writers and speakers use language and vocabulary • Express information and ideas in formal oral presentations • Write literary and informational texts to present, describe, and explain • ideas, using technology • Justify own arguments and evaluate others' arguments in oral and written form • Select and apply a variety of vocabulary to convey ideas

Mission and Vision Align to Assessments
These student outcomes align to the Charter School's mission, curriculum, and assessments. EPCTC will annually review these student outcomes based upon the data received through student assessments and will continue to develop further student outcomes and/or benchmarks for student progress during the Charter school's operation.

Local Control and Accountability Plan
In accordance with, and using the procedures prescribed by, Education Code Section 47606.5, EPCTC shall comply with all applicable requirements of the LCAP including any applicable regulations promulgated, and the template adopted by the State Board of Education (See Appendix 17 Local Control and Accountability Plan). The Charter School reserves the right to establish additional and/or amend school-specific goals and corresponding assessments throughout the duration of the charter. EPCTC shall submit the LCAP to the District and the Santa Clara County Superintendent of Schools annually on or before July 1, as required by Education Code Section 47604.33. The Charter School shall present a report on the annual update to the LCAP and the local control funding formula budget overview for parents on or before February 28 of each year as part of a nonconsent item at a regularly scheduled Board meeting.

The LCAP and any revisions necessary to implement the LCAP, including goals and actions listed below, shall not be considered a material revision to the charter, and shall be maintained by EPCTC at the school site.

"A-G" Requirements
EPCTC students have the opportunity to take courses that meet the A-G requirements. EPCTC has been approved for six courses by the University of California/California State University as creditable toward the a-g admission requirement.

These student outcomes align to the Charter School's mission, curriculum, and assessments. The Charter School will annually review these student outcomes based upon the data received through student assessments and will continue to develop further student outcomes and benchmarks for student progress during the Charter School's operation.

Pursuant to Education Code Sections 47605(c)(5)(A)(ii) and 47605(c)(5)(B), EPCTC has below established reasonably comprehensive descriptions of goals, actions, and outcomes, both schoolwide and for each subgroup of students, which address and align with the State Priorities identified in Education Code Section 52060(d).

Charter School Goals, Actions, And Measurable Outcomes
The following strategic goals represent a five-year charter renewal term (2026-31). They are informed by EPCTC's current baseline performance as detailed in the Student Outcomes Reflection. The goals expand upon existing initiatives and strategies addressing identified performance gaps. The following goals, actions, and metrics have been developed to ensure alignment with some of the Eight California State Priorities and to address the needs of historically underserved student populations. These priorities are:

- Priority 1 – Basic Services/Conditions of Learning (rate of teacher misassignment, student access to standards-aligned instructional materials, facilities in good repair),
- Priority 2 – State Standards/Conditions of Learning (implementation of academic content and performance standards adopted by the state board for all students, including ELs),
- Priority 3 – Parental Involvement/Engagement (seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups),
- Priority 4 – Pupil Achievement/Public Outcomes (academic performance, EL progress, college readiness),
- Priority 5 – Pupil Engagement (school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates),
- Priority 6 – School Climate/Engagement (suspension rates, expulsion rates, other local measures including surveys of pupils and teachers on the sense of safety and school connectedness),
- Priority 7 – Course Access/Conditions of Learning (Pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code Section 51210 and subdivisions (a) to (i), inclusive, of Section 51220), and,
- Priority 8 – Other Pupil Outcomes (Pupil outcomes in the subject areas described in Education Code Section 51210 and subdivisions (a) to (i), inclusive, of Education Code Section 51220).

The goals and actions intentionally focus on supporting EPCTC's significant student subgroups from the subgroups identified by the Dashboard.

Significant Subgroups at EPCTC:

- English Learners (including ADELs)
- Socioeconomically Disadvantaged students
- Homeless Students
- Hispanic/Latino

School-Wide Student Performance Goals

EPCTC aims to meet the following schoolwide performance goals that are aligned to the LCAP. The performance goal targets are reviewed annually and updated as needed, allowing for these targets to be modified over time.

Table B.3: EPCTC Goals for the 2026-31 Charter Term

EPCTC Goals for the 2026-31 Charter Term Based on State Priorities			
GOAL #1 – Graduation Rates			
By June 2031, all students and each significant subgroup will average a 70% graduation rate, as reported in the DASS 1-Year Graduation Rate metric, by increasing academic counseling, offering individualized graduation plans, and expanding credit recovery opportunities.			Related State Priorities: 5, 8
Rationale			
Improving graduation outcomes ensures that adult learners meet their academic and personal goals, demonstrating program effectiveness and alignment with state DASS accountability priorities. Individualized supports and flexible learning options are critical for adult students balancing education with employment and family responsibilities.			
Specific Annual Actions to Achieve Goal			
1. Review each student's graduation status quarterly and adjust individual learning plans. 2. Expand access to evening and online credit recovery courses. 3. Implement academic counseling and case management to monitor credit progress and barriers. 4. Provide targeted tutoring and workshops for students close to completion.			
Expected Annual Measurable Outcomes			
Outcome: By June 2031, all students and each significant subgroup will average a 70% graduation rate, as reported in the DASS 1-Year Graduation Rate metric. **Metric/Method for Measuring:** • DASS 1-Year Graduation Rate as reported in CALPADS and Dashboard data.			
Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	74.3%	75%	80%
English Learners*	**	**	**
Socioeconomically Disadvantaged Students*	74.2%	75%	80%
Homeless Students*	**	**	**
Latino Students*	74.3%	75%	80%
GOAL #2 – Teacher Credentials			
Each academic year, 100% of teachers assigned to classes will hold proper authorization from the County or CTC, verified through TCC, PIP, STP, Intern, Preliminary CLEAR, or Professional CLEAR credentials.			Related State Priorities: 1
Rationale			
Fully credentialed teachers ensure compliance with state requirements and maintain instructional quality aligned with state standards. Proper credentialing directly supports equitable access to qualified educators for all students.			

Specific Annual Actions to Achieve Goal

1. Conduct biannual credential audits to ensure compliance.
2. Provide administrative support for renewal or credential advancement.
3. Collaborate with human resources to verify all assignments before the school year begins.

Expected Annual Measurable Outcomes

Outcome: Each academic year, 100% of teachers assigned to classes will hold proper authorization from the County or CTC, verified through TCC, PIP, STP, Intern, Preliminary CLEAR, or Professional CLEAR credentials.

Metric/Method for Measuring:

- Teacher credential audit reports and assignment verification logs.

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Teachers (Schoolwide)	100%	100%	100%

GOAL #3 – Reading Benchmark

By June 2031, at least an average of 60% of all students and each significant subgroup will meet or exceed their individual NWEA MAP Growth targets in Reading.	Related State Priorities: 4, 8

Rationale

Literacy growth directly impacts college and career readiness for adult learners. Strengthening reading, writing, and communication skills enhances students' confidence and employability.

Specific Annual Actions to Achieve Goal

1. Conduct MAP ELA assessments three times per year.
2. Provide targeted ELA workshops emphasizing reading comprehension and writing fluency.
3. Offer individualized learning plans through adaptive ELA programs.
4. Engage students in writing portfolios and peer feedback sessions.

Expected Annual Measurable Outcomes

Outcome: Each year, at least an average of 60% of all students and each significant subgroup will meet or exceed their individual NWEA MAP Growth targets in Reading.

Metric/Method for Measuring:

- NWEA MAP Growth Reading reports and progress monitoring data.

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	51%	58%	60%
English Learners*	50%	57%	60%
Socioeconomically Disadvantaged Students*	51%	58%	60%

Homeless Students*	51%	58%	60%
Latino Students*	51%	58%	60%

GOAL #4 – Math Benchmark

By June 2031, at least an average of 45% of all students and each significant subgroup will meet or exceed their individual NWEA MAP Growth targets in Mathematics.	Related State Priorities: 4, 8

Rationale

Measuring growth rather than proficiency reflects progress for students entering below grade level, particularly in DASS schools serving adult learners. Improving math growth supports numeracy, financial literacy, and readiness for postsecondary pathways.

Specific Annual Actions to Achieve Goal

1. Administer NWEA MAP assessments three times annually.
2. Provide small group math interventions and skill workshops.
3. Incorporate adaptive software for personalized learning plans.
4. Monitor progress monthly through data meetings.

Expected Annual Measurable Outcomes

Outcome: Each year, at least an average of 45% of all students and each significant subgroup will meet or exceed their individual NWEA MAP Growth targets in Mathematics.

Metric/Method for Measuring:

- NWEA MAP Growth Math reports and student progress monitoring dashboards.

Applicable Student Groups ** Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	30%	43%	45%
English Learners*	29%	45%	45%
Socioeconomically Disadvantaged Students*	30%	43%	45%
Homeless Students*	21%	45%	45%
Latino Students*	30%	43%	45%

GOAL #5 – College Going Rate

By June 2031, at least an average a 40% of all students and each significant subgroup will attend college.	Related State Priorities: 4, 8

Rationale

Preparation for college and career strengthens the transition outcomes for adult learners, ensuring alignment with workforce development goals and lifelong learning pathways.

Specific Annual Actions to Achieve Goal

1. Offer career exploration workshops and resume writing sessions.
2. Develop partnerships with local community colleges and training programs.
3. Integrate financial literacy, digital skills, and job readiness modules.
4. Track progress on credit completion.

Expected Annual Measurable Outcomes

Outcome: Each academic year, an average of 40% of all students and each significant subgroup will attend college.
Metric/Method for Measuring:
- DataQuest College Going Rate

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	40.6%	40%	40%
English Learners*	*	*	*
Socioeconomically Disadvantaged Students*	39.3	40%	40%
Homeless Students*	*	*	*
Latino Students*	40.6	40%	40%

GOAL #6 – Student Retention

By June 2026, at least 40% of all students and each significant subgroup will remain enrolled for 30 days or more..	Related State Priorities: 5

Rationale

Retention reflects student satisfaction and engagement. Sustained enrollment allows sufficient instructional time to impact academic growth and goal completion.

Specific Annual Actions to Achieve Goal

1. Conduct new-student orientation to establish academic goals and support networks.
2. Implement early alert systems to identify and re-engage at-risk students.
3. Provide counseling and attendance incentives for consistent participation.

Expected Annual Measurable Outcomes

Outcome: Each year, at least 40% of all students and each significant subgroup will remain enrolled for 30 days or more.
Metric/Method for Measuring:
- Student Information System (SIS) enrollment data and attendance logs.

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	38.47%	36.22%	40%
English Learners*	*	*	*
Socioeconomically Disadvantaged Students*	*	*	*

Homeless Students*	*	*	*
Latino Students*	*	*	*

GOAL #7 – Attendance Rate

By June 2031, the average attendance rate will reach 81% for all students and each significant subgroup.	Related State Priorities: 5

Rationale

Consistent attendance is foundational for academic progress. Adult learners often face attendance barriers; therefore, flexible schedules and proactive outreach are key to maintaining engagement.

Specific Annual Actions to Achieve Goal

1. Track attendance daily with follow-up calls for absences.
2. Establish attendance contracts and SART meetings when needed.
3. Offer flexible scheduling and attendance incentives.

Expected Annual Measurable Outcomes

Outcome: Each year, the average attendance rate will reach 81% for all students and each significant subgroup.
Metric/Method for Measuring:

- Average annual attendance rate calculated through SIS attendance reports.

Applicable Student Groups ** Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	81.91%	81.72%	81%
English Learners*	*	*	*
Socioeconomically Disadvantaged Students*	*	*	*
Homeless Students*	*	*	*
Latino Students*	*	*	*

GOAL #8 – Student Survey Participation

By June 2031, at least 60% of all enrolled students and each significant subgroup will participate in the annual student satisfaction survey..	Related State Priorities: 5, 6

Rationale

Student feedback informs school improvement planning and ensures that programs meet learner needs, particularly in adult education settings focused on personalized pathways.

Specific Annual Actions to Achieve Goal

1. Administer an online or paper survey each spring.
2. Provide incentives for completion and ensure survey access in multiple languages.

3. Analyze data annually and report findings to staff and governance.

Expected Annual Measurable Outcomes

Outcome: Each year, at least 60% of all enrolled students and each significant subgroup will participate in the annual student satisfaction survey.
Metric/Method for Measuring:
- Survey participation count and completion rate from survey analytics.

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	56%	60%	60%
English Learners*	*	*	*
Socioeconomically Disadvantaged Students*	*	*	*
Homeless Students*	*	*	*
Latino Students*	*	*	*

GOAL #9 – Credit Completion

By June 2031, all students and each significant subgroup will complete an average of 75% of credits attempted annually.	Related State Priorities: 4, 5, 8

Rationale

Credit completion is a direct indicator of student persistence and instructional effectiveness. Increasing completion rates accelerates progress toward graduation and improves accountability outcomes.

Specific Annual Actions to Achieve Goal

1. Monitor credit accumulation quarterly and identify gaps.
2. Provide individualized pacing plans and tutoring.
3. Implement teacher feedback cycles to support timely assignment completion.

Expected Annual Measurable Outcomes

Outcome: Each year, all students and each significant subgroup will complete an average of 75% of credits attempted.
Metric/Method for Measuring:
- Credit attempted versus earned reports in SIS and transcript audits.

Applicable Student Groups * *Indicates statistically insignificant group*	Baseline 2023-24	Year 1 2024-25	Year 5 2030-31
All Students (Schoolwide)	80.07%	76.23%	75%
English Learners*	*	*	*
Socioeconomically Disadvantaged Students*	*	*	*
Homeless Students*	*	*	*
Latino Students*	*	*	*

Acknowledgment That Exit Outcomes and Performance Goals May Need Modifications

EPCTC will annually review these pupil outcomes based upon the data received through student assessments and will continue to develop further pupil outcomes and/or benchmarks for pupil progress during the school's operation.

High School Graduation Requirements
EPCTC works hard to ensure that every student who remains continuously enrolled in the Charter School for four years of high school can graduate from high school and be prepared for college and career. High school courses are approved to meet the A-G requirements recommended by the UC/CSU. (See Appendix 18 for the Course Sequence and A-G Approved Courses.)

Table B.4: Graduation Requirements

Escuela Popular/Center for Training and Careers, Family Learning Center Graduation Requirements			
UC Subject Requirement	**Subject**	**Requirements**	**Credits**
A	Social Science	Students must pass three courses of Social Science: one course of World History, one course of United States History, one semester course of American Government, and one semester course of Economics	30
B	English	Students must pass three courses of English, focusing on reading classic and modern literature, writing, listening, and speaking	40
C	Mathematics	Students must pass two courses of Math: Integrated topics of algebra, geometry, statistics	20
D	Science	Students must pass two courses of Science: Integrated topics of physical sciences (i.e., chemistry and physics) and life sciences (i.e., biology)	20

E/F	Foreign Language/ Visual & Performing Arts	Students must pass one course in either Foreign Language (other than English) or Visual and Performing Arts	10
	Physical Education	Students must pass one course of Physical Education	10
G	Electives	Students must pass elective courses, may include one semester course of Ethnic Studies (2025-26) and one semester course of Financial Literacy (2027-28)	60
	Total Credits Required for Graduation		**190**

Element C: Student Progress Measurement

The method by which pupil progress in meeting those pupil outcomes is measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card. - Education Code Section 47605(c)(5)(C)

The Charter School will incorporate a variety of assessments to measure student progress. Measurable outcomes and assessment tools provide key data about the efficacy of the program, which in turn helps the administration and Board make key decisions about program development and modifications, while also monitoring individual, subgroup, and schoolwide student achievement. The assessments align to the Charter School mission, curriculum, and exit outcomes listed in the LCAP and in Element B of this charter.

Mandated State Assessments

As is required by state law, the Charter School shall meet all statewide standards and conduct the state pupil assessments required pursuant to Education Code Section 60605, including the CAASPP tests and other state-mandated assessments such as the ELPAC and Physical Fitness Test ("PFT"). We firmly believe that the EPCTC academic program fully prepares students for success in these statewide assessment programs. Additional support structures are in place to ensure that students are meeting or making progress toward the State Standards that are measured by the state-mandated assessments. Proficiency for our English Learners, 99.4% of our students, is measured in accordance with the ELPAC, CAASPP test data, teacher observations, and other school-based measures.

Growth Measures: Diagnostic, Formative and Summative Assessments

In order to effectively assess students' academic growth over time, EPCTC utilizes several growth measures, including diagnostic, formative, "authentic" assessments, and ongoing teacher assessments as well as summative assessments. MAP Growth (Reading and Math) are used as diagnostic tools and formative and summative assessments. More formative assessments include quizzes, exit tickets, pre-tests, and post-tests. More summative assessments include the unit tests, exams, projects, presentations, and essays.

Other Assessments

Students are given the annual state-mandated standardized assessments. The Matrix below includes the currently required State assessments for students and internal assessments used at EPCTC. Such assessments, as further described in the LCAP, are aligned with the Eight State Priorities. EPCTC affirms that its methods for measuring pupil outcomes for the Eight State Priorities, as described in Element B of this Charter, shall be consistent with the way information is reported on a School Accountability Report Card ("SARC") as required by Education Code Section 47605(b)(5)(C). Throughout the year, the students will take multiple assessments as prescribed in the Assessment Schedule. (See Appendix 19 Assessment Calendar.)

Measuring Academic Progress

In order to provide a personalized educational experience and to understand better when students have achieved specific competencies and are ready to advance, and where they need help, we use MAP Growth. They are fully adaptive assessment tools that produce a measure of student growth and achievement. This information is used to differentiate lesson plans, create focused instructional groupings, as needed, and be a consideration in determining placement. Focused on growth rather than "proficiency," these assessments are administered at the beginning of the year, midyear, and in the spring, providing an opportunity to track growth throughout the year. EPCTC selected MAP Growth because they facilitate in-depth and immediate results that help teachers and students create and monitor customized learning goals for each student. Additionally, MAP Growth track student progress year-over-year and within the school year and expedites teachers' ability to further differentiate instruction to respond to student needs.

The following assessment tools will be used to measure progress toward the student performance goals identified in the petition:

Table C.1: Assessments (Subject to Change)

Assessment	Purpose	Grade	Timeline/ Frequency	Expectation
ELPAC Initial Assessment	The ELPAC IA is used to identify students as either an English Learner, or as fluent in English.	9-12 As prescribed	First 30 days of enrollment	Students are identified as either scoring Initially Fluent or English Learner.

ELPAC Summative Assessment	The ELPAC SA is to measure how well ELs are progressing with English development in each of the four domains.	9-12 Every year until Reclassified as Fluent English Proficient	Once a year	The results are used as one of four criteria to determine if the student is ready to be reclassified as fluent English proficient, to help inform proper educational placement, and to report progress for accountability.
CAASPP - SBAC	State criterion-based assessment in ELA and Math	11	Spring/Once a year	The number of students scoring as having met or exceeded standard mastery increases annually as per goals listed in the current year's LCAP.
EAP	Embedded in CAASPP	11	Spring/Once a year	The exam covers High School standards and California State University placement standards.

CAST	State criterion-based assessment in Science	10	Spring/Once a year	The number of students scoring as having met or exceeded standard mastery increases annually as per goals listed in the current year's LCAP.
CAA	State alternative assessment in ELA, Math, and Science for qualified students	11 for qualified students	Spring/Once a year	The number of students scoring as having met or exceeded standard mastery increases annually as per goals listed in the current year's LCAP.
Internally created test and performance tasks (presentations, papers, projects)	Measure standards mastery across all courses/subjects	9-12	Daily/ Weekly	Students show mastery and proficiency in content knowledge.
Curriculum Based Assessments	Assess mastery of unit/lesson content	9-12	End of unit/end of semester/ end of year	Students show mastery and proficiency in content knowledge.

Curriculum Based Benchmarks	Determine progress toward Standard Mastery in grade level core curriculum	9-12	End of unit/end of semester/ end of year	Students demonstrate progress toward Standards Mastery
NWEA MAP Assessments	Determine progress toward Standard Mastery grade level core curriculum	9-12	Three Times a year	Students demonstrate progress toward Standards Mastery
CSA	Provide students an opportunity to measure their Spanish reading/language arts skills	9-12	Spring/Once a year	The number of students scoring as having met or exceeded standard mastery on the CSA will increase annually as per goals listed in the current year's LCAP.
PFT	State criterion-based assessment in Physical Fitness	9	Spring/Once a year	Students demonstrate levels of health-related fitness
Smarter Balanced Practice Test	Practice the Smarter Balanced Assessment to familiarize the students with the structure of the SBAC Test	11	Spring/Once a year	Students will become familiar with the test format.

Smarter Balanced Interim Assessment Blocks (IABs)	Provide students an opportunity to show standard mastery on smaller targets for instruction	11	Twice per year	The number of students scoring as having met or exceeded standard mastery on the CAASPP will increase annually as per goals listed in the current year's LCAP.
Smarter Balanced Interim Comprehensive Assessments (ICAs)	Provide students an opportunity to show standard mastery on smaller targets for instruction	11	As assigned by teacher	The number of students scoring as having met or exceeded standard mastery on the SBAC will increase annually as per goals listed in the current year's LCAP.

Alignment to Mission, Exit Outcomes, and Curriculum
These student outcomes align to the Charter School's mission, curriculum and assessments. EPCTC will annually review these student outcomes based upon the data received through student assessments and will continue to develop further student outcomes and/or benchmarks for student progress during the Charter School's operation. Assessment and evaluation are critical factors in demonstrating success and informing future practice, policy development, and professional development. Schools are complex organizations that are not easily measured. The same is true for evaluating student learning and teaching methods.

Consequently, EPCTC believes that collecting both quantitative and qualitative data from multiple sources can inform the progress of the Charter School and keep the Charter school accountable to its educational partners.

Multiple, Valid, and Reliable Measures (Internal & External)
The following are the key assessment tools EPCTC will use to measure student progress:

Teacher Assessments
These assessments evaluate students' performance on specific content standards within the core academic subjects as well as their development of career-centered skills. Teacher assessments are in various forms; rubrics, essays, presentations, quizzes, midterm exams, final projects, group projects, and computer-based learning tests.

Performance Tasks
Students will present evidence of their achievements. The performance tasks may consist of essays, oral presentations, dramatic presentations, video presentations, and models.

Standardized Testing
Students 21 and under are tested using the SBAC, ELPAC, NWEA MAP Reading, NWEA MAP Math, and PFT tests. In addition, students are pre- and post-tested in reading and Math using the Northwest Evaluation Association MAP (Measures of Academic Progress).

Minimal Required Performance Level Necessary to Attain Each Standard
Minimum required performance for students to pass English courses is "C" or higher and for all other courses it is a "D" or higher.

Data Analysis and Reporting of Data
EPCTC uses a proactive approach to data analysis. The Board of Directors and the Charter School leadership will establish strong goals for student achievement and the supports needed for Charter School teachers to analyze student data easily and continuously. The most common type of data will be internally created assessments and curriculum-based assessments. These data will allow teachers to receive summative data quickly so they can immediately adjust instruction to assure student mastery of standards. The use of MAP Growth (Reading and Math) will allow teachers to receive formative data quickly so they can determine the strength of the lesson pacing and student mastery of standards.

After each MAP Growth (Reading and Math) round of assessments, results will be compiled and analyzed by administration and teachers, looking for areas of growth and new or continuing areas of opportunity. Data will be disaggregated by subgroups to determine achievement gaps, if any. The administrators will perform an intensive analysis. Professional Development will take place after collection of results to address the trends identified in the results analysis and to adjust instruction as necessary to meet the new and continuing needs of EPCTC's students. Results will then be shared with students, and summary data will be provided to the Board, to discuss growth, review and adjust goals discussed previously (reporting of student achievement data includes the annual SARC, (See Appendix 20 Student Accountability Report Card) and reflection and analysis as part of the annual LCAP goal setting process. Students' MAP Growth results will also trigger another review of a student's current Charter School performance for either an intervention and/or enrichment.

Personally identifiable and de-identified data will only be shared pursuant to the same FERPA and state law guidelines.

Use of Data

EPCTC understands the power of data collection, analysis, reporting and use of data. The process will begin with the development of the LCAP which includes input from parents/guardians, students, teachers, staff and community, and it is approved by the Board of Directors no later than June 30th for the following school year. In the LCAP are the Charter School goals and actions to address the Eight State Priorities as identified by the educational partners and a review of data. The teachers will review formative and summative data individually, as noted in the professional development calendar, collaboratively to develop the strategies that showed the most positive impact on student achievement. At the beginning of each school year, teachers and administration will meet to discuss topics, data and goals for the school year to include curriculum, assessments, interventions, enrichment, grading, SBAC and ELPAC data, LCAP and more goal setting. At the end of the school year, the teachers will review the progress of all students including significant subgroups, grade levels, core content areas and the Chater School as a whole, and will set goals for the following school year. The LCAP will be published on the Charter School's website.

The Executive Director will present the results of assessments semesterly to the Board of Directors at regularly scheduled Board meetings so that the Board understands the students' progress toward meeting goals. The Executive Director will present the data to the Board aggregated schoolwide, by grade level, by significant subgroups and by core content areas. The Board meetings are open to all educational partners.

Element D: Governance Structure

The governance structure of the charter school including, but not limited to, the process to be followed by the charter school to ensure parental involvement. - Education Code Section 47605(c)(5)(D)

Nonprofit Public Benefit Corporation
EPCTC is a directly funded independent charter school and is operated by Escuela Popular del Pueblo, a California nonprofit public benefit corporation, pursuant to California law and in accordance with this charter.

The Charter School will operate autonomously from the District, with the exception of the supervisory oversight as required by statute and other contracted services as may be negotiated between the District and the Charter School. Pursuant to Education Code Section 47604(d), the District shall not be liable for the debts and obligations of the Charter School, operated by a California nonprofit public benefit corporation, or for claims arising from the performance of acts, errors, or omissions by the Charter School, as long as the District has complied with all oversight responsibilities required by law. Escuela Popular del Pueblo shall be liable for any debts and obligations of EPCTC.

Board of Directors
The Charter School is governed by a corporate board of directors ("Board") in accordance with its adopted bylaws, which shall be consistent with the terms of this charter. (See Appendix 21 Articles of Incorporation, Bylaws, Conflict of Interest Code.)

The Board of Directors, Escuela Popular del Pueblo, serves as the legal and fiscal governing entity for this Charter School, Escuela Popular/Center for Training and Careers, Family Learning Center, and for Escuela Popular Accelerated Family Learning Center. The Board's major roles and responsibilities include, but are not limited to: adopting all Board policies, approving contracts, approving the Charter School's annual budget, overseeing the Charter School's fiscal affairs, hiring and evaluating the Charter School's Executive Director, and ensuring that the Charter School is fulfilling its mission and that its operations are in compliance with the charter and applicable federal and state laws. The Board shall be ultimately responsible for the operation and activities of Escuela Popular.

The authorized number of directors shall be ten (10), two (2) of whom shall be nominated by Center for Training and Careers/WorkNet (the "CTC Representatives") and elected in accordance with the bylaws. The remaining seven (7) of whom shall be nominated by the Escuela Popular (the "Escuela Popular Representatives") and elected in accordance with the bylaws. The term of office of directors shall be one year. A director may serve consecutive terms.

Corporate officer positions shall be designated by the Board during an annual meeting.

Upon receipt of a petition for student representation that meets the requirements of Education Code Section 47604.2(b)(2), the Board shall order the inclusion within its

membership, in addition to the number of members otherwise prescribed, of at least one student member. A student member of the Board shall have preferential voting rights as defined in Education Code Section 47604.2(b)(4).

Pursuant to Education Code Section 47605(h), the names and relevant qualifications of all persons who serve on the Board of Directors are described herein. (See Appendix 22 for Board Member Biographies.)

Table D.1: Board of Directors at the time of Submission

	Curriculum, Instruction, Assessment, Student Services	*School Administration & Finances*	*Project Management, Strategic Planning*	*Business & Financial Management*	*Facilities, Real Estate*	*Fundraising, Grant Writing, Donor Relations*	*Governance, Law, Compliance*	*Community Outreach, Communications*	*Term*
Dr. Pablo Reguerin- President/Chairperson – CTC Representative	X	X	X	X		X	X		11/30/25-11/30/26
Dr. Bernard Gifford- Vice Chairperson	X	X	X	X	X		X		11/30/25-11/30/26
San Juana Ochoa- Secretary	X	X	X			X	X	X	11/30/25-11/30/26
Dr. Ellen Middaugh- Treasurer	X	X	X			X	X	X	11/30/25-11/30/26
Maria del Rocio Preciado- Member			X			X	X	X	11/30/25-11/30/26
Robert Escobar - Member	X	X	X	X	X		X	X	11/30/25-11/30/26
Dr. Sherry Segura- Member	X	X	X			X	X	X	11/30/25-11/30/26

The Board will comply with all applicable federal, state, and local laws. The Board is governed in its operations and its actions by the corporate bylaws, which are consistent with the terms of this Charter, the Charter Schools Act, and all other applicable laws and delineate membership, voting rights, term, etc. of the members of the Board.

The Board has adopted a Conflict of Interest Code necessary to comply with the Political Reform Act, Government Code Section 1090, *et seq.*, as set forth in Education Code Section 47604.1, and Corporations Code, including the Nonprofit Integrity Act, conflict of interest rules, and which shall be updated with any charter school-specific conflict of interest laws or regulations. As required, the Conflict of Interest Code has been submitted for approval to the County Board of Supervisors.

Board Meetings and Duties

The Board of Directors of EPCTC will meet regularly, at least once a quarter and in accordance with the Brown Act and Education Code Section 47604.1(c). The Board of Directors is responsible for the following:

- Approve and monitor the implementation of general policies of the Charter School. This includes effective human resource policies for career growth and compensation of the staff;
- Approve contractual agreements;
- Oversee the implementation of the charter;
- Uphold the mission of the Charter School;
- Approve and monitor the Charter School's facility arrangements and plans;
- Approve and monitor the Charter School's annual budget and budget revisions;
- Approve annual independent fiscal audit;
- Hire, supervise, evaluate, discipline, and dismiss the Executive Director of the Charter School;
- Annual Review and Approval of the LCAP with input from educational partners;
- Act as a fiscal agent. This includes but is not limited to the receipt of funds for the operation of the Charter School in accordance with applicable laws and the receipt of grants and donations consistent with the mission of the Charter School;
- Contract with an external independent auditor to produce an annual financial audit according to generally accepted accounting practices;
- Establish operational committees as needed;
- Regularly measure progress of both student and staff performance;
- Execute all applicable responsibilities provided for in the California Corporations Code;
- Approve the school calendar and schedule of Board meetings;
- Participate in the dispute resolution procedure and complaint procedures when necessary;
- Approve charter amendments as necessary and submit requests for material revisions as necessary to the District for consideration; and,

The Charter School shall comply with the Brown Act and Education Code Section 47604.1.

The Board may initiate and carry out any program or activity or may otherwise act in any manner which is not in conflict with or inconsistent with or preempted by any law and which is not in conflict with the purposes for which charter schools are established.

The Board may execute any powers delegated by law to it and shall discharge any duty imposed by law upon it and may delegate to an employee of the Charter School any of those duties with the exception of budget approval or revision, approval of the fiscal audits, and the adoption of Board policies. The Board however, retains ultimate responsibility over the performance of those powers or duties so delegated. Such delegation will:

a. Be in writing;
b. Specify the entity designated;
c. Describe in specific terms the authority of the Board of Directors being delegated, any conditions on the delegated authority or its exercise and the beginning and ending dates of the delegation; and
d. Require an affirmative vote of a majority of Board members.

The Board of Directors are committed to continuous improvement and ongoing training to assist the Board in fulfilling its responsibilities to act as stewards for the Charter School. To this end, the Board seeks appropriate training and educational opportunities to govern the Charter School more effectively. Such training experiences may include training sessions with legal counsel or with charter school governance experts. Board members shall receive training on their responsibilities with topics to include, at minimum, ethics, conflicts of interest, and the Brown Act. The Board will comply with completing mandatory ethics training for Boards every other year pursuant to AB 2158 (2022).

Selection of Board of Directors

A prospective Board member is nominated by a current Board member (nominator) and is contacted by the nominating Board member to assess their interest in serving on the Board. The nominator sends an email with a resume and completed application of the prospective Board member and rationale for their nomination to the Executive Director and the Board Chairperson. The prospective Board member is sent a Board recruitment packet by the Executive Director that includes a job description. The Executive Director then contacts the prospective Board member to schedule a visit to the Charter School. The Board Chairperson calls the prospective Board member to verify their interest in serving on the Board and to discuss their role and duties. The Nominator and the Board Chairperson briefs the full Board on the nomination to determine the next steps (interview or information session). The prospective Board member is invited to the Board meeting for the official vote on their nomination. An officer of the Board and the Executive Director set up an orientation session to brief and familiarize the new Board member about the Board documents, the Charter School, and the current issues facing the Charter School.

Executive Director

The Executive Director will be the leader of the Charter School. The Executive Director will ensure that the curriculum is implemented in order to maximize student-learning experiences. The Executive Director must report directly to the Charter School Board of Directors, and the Executive Director is responsible for the orderly operation of the Charter School and the supervision of all employees in the Charter School.

The Executive Director shall perform assigned tasks as directed by the Charter School

Board of Directors and shall be required to undertake some or all of the tasks detailed below. These tasks may include, but are not limited to, the following:

- Ensure the Charter School enacts its mission;
- Ensure teachers and staff are supervised and evaluated;
- Communicate and report to the Charter School Board of Directors;
- Oversee school finances to ensure financial stability;
- Participate in and develop professional development workshops as needed;
- Serve or appoint a designee to serve on any committees of the Charter School;
- Ensure employee hiring, promotion, discipline, and/or dismissal is in alignment with policies;
- Ensure compliance with all applicable state and federal laws and help secure local grants;
- Communicate effectively with all educational partners;
- Take responsible steps to secure full and regular attendance at school of the students enrolled in accordance with policies established by the Board of Directors;
- Complete and submit required documents as requested or required by the charter and/or Charter School Board of Directors and/or the District;
- Identify the staffing needs of the Charter School and offer professional development as needed;
- Maintain up-to-date financial records;
- Establish and maintain a system to handle organizational tasks such as student records, teacher records, teacher credentialing information, contemporaneous attendance logs, purchasing, budgets, and timetables;
- Ensure the security of the Charter School building;
- Promote the Charter School in the community and promote positive public relations and interact effectively with the media;
- Encourage and support teacher professional development;
- Attend District administrative meetings as requested by the District and stay in direct contact with the District regarding changes, progress, etc.;
- Attend meetings with the Chief Financial Officer of the District on fiscal oversight issues as requested by the District;
- Provide all necessary financial reports as required for proper attendance reporting;
- Develop the SARC and the LCAP;
- Present independent fiscal audit to the Charter School Board of Directors and, after review by the Board of Directors, submit audit to the District Board of Education and the County Superintendent of Schools, the State Controller, and the California Department of Education;
- Ensure Positive Behavior Interventions and Supports are implemented schoolwide;
- Participate in IEP meetings, as necessary.

The above duties may be delegated or contracted as approved by the Board of Directors to a business administrator of the Charter School, other appropriate employee, or third-party provider.

Student Involvement

EPCTC provides services to adult students who are independent from their parents. While we do not directly involve students in the governance through a board seat unless students petition for a representative, we involve adult students in providing feedback through and priority setting through various means listed below:

- Annual Student Climate Survey
- Local Control and Accountability Plan Stakeholder Engagement

In addition to the formal structures described above, EPCTC works to create a welcoming environment for families. One important way of welcoming families and students is by valuing and celebrating their primary language. All correspondence is sent home in both English and Spanish. All school meetings are conducted in both English and Spanish. Additionally, the vast majority of staff, and all staff who answer the phone or greet students and families, speak Spanish.

EPCTC uses the following strategies to involve students in their learning:

- Bilingual/bicultural staff
- Monthly newsletters to students/families
- Home visits
- Volunteer opportunities
- Student Resource Advocate
- Program Case Manager
- Student and Family Services Specialist
- Community building activities throughout the year
- An open-door policy to meet with academic counselors and administrators

Element E: Employee Qualifications

The qualifications to be met by individuals to be employed by the charter school. - Education Code Section 47605(c)(5)(E)

Overview

EPCTC is committed to attracting, training, and retaining staff who are committed to empowering the community through education. EPCTC maintains high expectations for all staff and expects that staff will commit to the mission and vision of the Charter School.

Equal Employment Opportunity

EPCTC acknowledges and agrees that all persons are entitled to equal employment opportunity. EPCTC shall not discriminate against applicants or employees on the basis of the characteristics listed in Education Code Section 220 or protected by other California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA and Credentialing Requirements

EPCTC shall adhere to all requirements of ESSA that are applicable to teachers and paraprofessional employees in charter schools. EPCTC shall ensure that teachers hold the Commission on Teacher Credentialing certificate, permit, or other document required for the teacher's certificated assignment, pursuant to Education Code section 47605(l). The Charter School may use local assignment options authorized in statute and regulations for the purpose of legally assigning certificated teachers, in the same manner as a governing board of a school district. EPCTC shall maintain current copies of all teacher credentials and make them readily available for inspection.

Employee Qualifications

The staffing needs for EPCTC will be identified by the Executive Director and will be consistent with the Charter School budget. Before any employee can begin service at EPCTC, they must provide evidence of Department of Justice fingerprinting/background screening and tuberculosis risk assessment or examination clearance by a healthcare professional. Administrative staff must verify these documents. The Charter School will maintain a current copy of all employee records, which will be available for audit along with a record of their teaching credentials, fingerprinting/background clearance certificate, professional development hours, and a current tuberculosis risk assessment or examination. EPCTC will comply with all State and Federal laws concerning the maintenance and disclosure of employee records. See Element F of this charter for additional information.

Within the provisions of applicable law, EPCTC reserves the right to recruit, interview and hire anyone at any time who has the best qualifications to fill any of its position vacancies so long as the credentialing requirements are met by teachers. Additionally, EPCTC will ensure the Charter School is a school of choice and that no employee will be required to work at the Charter School.

Job Descriptions and Qualifications

The following job qualifications apply to key personnel. These qualifications may be modified at Escuela Popular's discretion without any need to materially revise the charter as long as any changes are consistent with the law.

EPCTC may also employ or retain non-certificated instructional staff in cases where an individual has an appropriate mix of subject matter expertise, professional experience, and the demonstrated capacity at the Charter School. Non-certificated instructional staff will not assign grades or approve student work assignments nor supervise students for purposes of calculating instructional minutes and will be limited in their duties to providing support for the educational program in conjunction with instruction provided by certificated teachers.

Job descriptions and qualifications for the following key staff are as follows (See Appendix 23 Organizational Chart):

Executive Director

POSITION SUMMARY:

Reports directly to the Escuela Popular del Pueblo Board of Directors, the Executive Director serves as the highest administrator at Escuela Popular. The Executive Director is cumulatively responsible for all aspects of organizational and financial health, including but not limited to enacting the Charter School's vision/mission; capacity building, organizational sustainability and growth, and developing new programing to meet the evolving needs of the community.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Master of Arts degree from an accredited college or university with major course work in Education, Business Management, or Public Administration, or a closely related field. (Highly Preferred)
- Bachelor of Arts degree from an accredited college or university (Required)
- Minimum of ten (10) years of professional experience in the education sector. (Required) ● A valid administrative or teaching California credential from CTC or willing to pursue one. (Highly Preferred)
- Bilingual in English and Spanish. (Highly Preferred)

Principal

POSITION SUMMARY:

Under the supervision of the Executive Director, the Principal provides a vision and leadership to develop, administer and monitor educational programs that optimize the human and material resources, including time and space, available for a successful and safe school program for students, staff, and community; supports Teachers and Instructors to refine their practices, improve instructional quality, and achieve mastery.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required

knowledge, skills, and abilities is qualifying.

- Master's degree from an accredited college or university with major course work in Education, or a closely related field. (Highly Preferred)
- Bachelor's degree from an accredited college or university with major course work in Education, or a closely related field. (Required)
- Minimum of three (3) years of professional teaching, administrative, and/or principal experience. (Required)
- Valid California Teaching Credential from the CTC. (Required)
- Valid California Credential from the CTC preferably in Administrative Services. (Highly Preferred)
- Bilingual in English and Spanish. (Highly Preferred)

Student Services Director

POSITION SUMMARY:

Under the supervision of the Executive Director, the Student Services Director ensures a positive, responsible school climate and an effective school climate improvement process that ensures student success, safety, teaching and learning, collaboration, and connectedness. The Student Services Director is responsible for overseeing the system of student support services in place to foster a successful school experience, increase student retention and completion, ensure a safe learning environment, increase graduation rates, improve academic outcomes, decrease in absenteeism and truancy, and improve post-secondary student success.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Bachelor's degree from an accredited college or university with major course work in
- Education, Social Work, Psychology, or a closely related field. (Required)
- Valid California Pupil Personnel Services Credential from the CTC. (Preferred)
- Minimum of five (5) years of school-based experience. (Required)
- Bilingual in English and Spanish. (Preferred)

Instructional Leader

POSITION SUMMARY:

Under the supervision of the Principal, the Instructional Leader provides a vision and leadership to develop, administer and monitor educational programs that optimize the human and material resources, including time and space, available for a successful and safe school program for students, staff, and community; support Teachers and Teacher Assistant/Aides to refine their practices, improve instructional qualify, and achieve mastery.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Master's degree from an accredited college or university with major course work in Education, or a closely related field. (Highly Preferred)
- Bachelor's degree from an accredited college or university with major course work in Education, or a closely related field. (Required)
- Minimum of three (3) years of professional teaching, administration, and/or principal experience. (Required)
- Valid California Teaching Credential from the CTC. (Required)
- Valid Administrative Credential from the CTC preferably in Administrative Services. (Highly Preferred)
- Bilingual in English and Spanish. (Required)

Special Education Coordinator

POSITION SUMMARY:

Under the supervision of the Student Services Director, the Special Education Coordinator oversees the special education program by coordinating, implementing, and analyzing the effectiveness of all aspects of special education support and equity throughout the Charter School.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Bachelor's Degree in Special Education or teaching or related field. (Required)
- Valid California Education Specialist Instruction Credential, certificate, permit, or other document required for the teacher's certificated assignment. (Required)
- Minimum of five (5) years' experience in special education teaching. (Required)
- Bilingual in English and Spanish. (Highly Preferred)
- CPR Certification. (Required)

Educational Specialist

POSITION SUMMARY:

Under the Supervision of the Special Education Coordinator, the Education Specialist plans and provides appropriate learning experiences for students with disabilities in a variety of educational settings. The Education Specialist is responsible for creating a flexible program and learning environment that provides specialized instruction for students with disabilities, such that the students benefit from the general education curriculum to the greatest extent possible when supported with supplemental aids, accommodations, and other needed supports. The Education Specialist provides direct instructional services within the general education classroom, supervises instructional services by paraprofessionals, and provides indirect services to the general education teacher.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Bachelor's degree from an accredited college or university with major course work

in Special Education, or a closely related field. (Required)
- Valid California Education Specialist Instruction Credential, certificate, permit, or other document required for the teacher's certificated assignment.(Required)
- Minimum of one (1) year of experience teaching special education. (Highly Preferred) ● Bilingual in English and Spanish. (Highly Preferred)

High School Teacher

POSITION SUMMARY:

Under general supervision of the Principal or Instructional Leader, the High School Teacher provides a learning environment that guides and encourages students to develop intellectually and socially to fulfill their academic potential. Develops, plans, implements, assesses, and delivers lessons; evaluates students' progress; maintains proper classroom management and learning environment; maintains accurate records of attendance and grades; assists in curriculum development; supports and supervises cocurricular activities.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- Bachelor's Degree from an accredited college or university. (Required)
- Valid California Teaching Credential, certificate, permit, or other document required for the teacher's certificated assignment. (Required)
- CLAD Authorization required for the teacher's certificated assignment. (Required)
- Minimum of one (1) year of classroom setting teaching students preferably in an urban environment. (Highly Preferred)

Paraprofessional

POSITION SUMMARY:

Under the direction of an assigned supervisor, assist a certificated teacher in reinforcing instruction to individual or small groups of students in a classroom or other learning environment; assist in the preparation of instructional materials and provide routine clerical support. This position helps ensure teachers deliver high-quality lessons by providing essential classroom support and fostering a positive learning environment aligned with Escuela Popular's mission.

QUALIFICATIONS:

Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- High School Diploma or equivalent (Required)
- Bachelor's Degree from an accredited college/university or course work toward a Bachelor's Degree. (Highly Preferred)
- Bilingual in English and Spanish. (Highly Preferred)

Support Staff

EPCTC seeks administrative and operational staff who demonstrate experience or

expertise in the issues and tasks required of them. All classified staff possess experience and expertise appropriate for their position.

QUALIFICATIONS:
Any combination of experience and training that would likely provide the required knowledge, skills, and abilities is qualifying.

- High School Diploma or equivalent. (Required)
- Minimum of one (1) year of work or volunteer experience in a job-related field. (Required)
- Bilingual in English and Spanish. (Required)

Recruitment, Selection, Development, and Evaluation
EPCTC is dedicated to recruiting diverse teaching and support staff with subject matter expertise and qualifications to achieve our academic, language, and social emotional goals. EPCTC has extensive experience working with the educational community in the San Jose area. In addition to attracting talented personnel in the immediate San Jose area, EPCTC seeks staff through teacher recruitment fairs, professional publications, newspapers, and the website. We also work with our local colleges such as San Jose State University, San Jose City College, Evergreen Valley College, and Santa Clara University. We also partner with a variety of education-related organizations to encourage the most enthusiastic, qualified, and committed teachers and staff.

The Human Resources Manager has created formal job descriptions for each position, recruits, reviews the requirements for the position, and establishes interviews for candidates. Upon selection, the Human Resources Manager will ensure reference verification. The Executive Director considers the paperwork from the panel and the references and makes the final determination for hiring. The candidate is then offered the position. Employment will begin following verification of employee qualification and background checks described in Element F.

Escuela Popular is committed to continuous professional growth for its staff as previously discussed. All teachers are assigned a mentor and receive periodic feedback from the Principal and Instructional Leader. Staff is provided with professional development opportunities to ensure that they remain abreast of all relevant changes in laws or other operational requirements. All non-instructional staff possess experience and expertise appropriate for their position within the Charter School, as outlined in the Charter School's adopted personnel policies. (See Appendix 24 Employee Handbook.) In addition, new staff are evaluated on their first anniversary with Escuela Popular. Veteran staff are evaluated every two years (See Appendix 25 Evaluation Tool for Staff). To monitor progress and provide constructive feedback, each teacher being evaluated receives at least one formal observation per year, accompanied by ongoing informal observations throughout the year. These observations are intended to support professional growth, foster instructional excellence, and align teaching practices with the Charter School’s educational goals. This structured approach to evaluations ensures accountability and promotes a culture of continuous improvement for both leadership and staff.

Element F: Health and Safety Procedures

The procedures that the school will follow to ensure the health and safety of pupils and staff. These procedures require all the following:

(i) that each employee of the charter school furnish the charter school with a criminal record summary as described in Section 44237.

The development of a school safety plan, and the annual review and update of the plan, pursuant to Section 47606.3. - Education Code Section 47605(c)(5)(F)

In order to provide safety for all students and staff, the Charter School shall maintain and implement full health and safety policies and procedures and risk management policies at its school site in consultation with its insurance carriers and risk management experts (See Appendix 26 Proof of Insurance). These procedures will be incorporated into the Charter School's student and Family Handbook and Employee Handbook and are reviewed on an ongoing basis by the Executive Director and Board of Directors. The Charter School shall ensure that staff are trained annually on the health and safety policies.

The following is a summary of the health and safety policies of the Charter School:

Procedures for Background Checks

As required by Education Code Sections 44237 and 45125.1, the Charter School shall require all employees of the Charter School, all volunteers who will be performing services that are not under the direct supervision of a Charter School employee, and any onsite independent contractors or vendors having unsupervised contact with students, to submit to criminal background checks and fingerprinting. The Charter School shall not hire any person, in either a certificated or classified position, who has been convicted of a violent or serious felony except as otherwise provided by law, pursuant to Education Code Sections 44830.1 and 45122.1. The Charter School shall also comply with the provisions of AB 2534 (2024) requiring charter schools to inquire about any credible complaints or investigations related to egregious misconduct against applicants for employment. The Charter School shall maintain on file and available for inspection evidence that the Charter School has performed criminal background checks and cleared all employees prior to employment, and documentation that independent contractors and vendors have conducted required criminal background checks for their employees prior to any unsupervised contact with students. The Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice to ensure the ongoing safety of its students. The Executive Director shall monitor compliance with this policy and report to the Charter School Board of Directors on a regular basis. The Human Resources Manager will serve as the Custodian of Records per the California Department of Justice requirements. The Executive Director shall monitor the fingerprinting and background clearance of the Human Resource Manager. Volunteers who volunteer outside of the direct supervision of a credentialed employee shall be fingerprinted and receive background clearance prior to volunteering without the direct supervision of a credentialed employee.

Role of Staff as Mandated Child Abuse Reporters
All employees will be mandated child abuse reporters and will follow all applicable reporting laws, the same policies and procedures used by the District. The Charter School shall provide mandated reporter training to all employees annually in accordance with Education Code Section 44691.

Immunizations
All enrolled students who receive classroom-based instruction will be required to provide records documenting immunizations as is required at all public schools pursuant to Health and Safety Code Sections 120325-120375, and Title 17, California Code of Regulations Sections 6000-6075.

Tuberculosis Risk Assessment and Examination
Employees, and volunteers who have frequent or prolonged contact with students, will be assessed and examined (if necessary) tested for tuberculosis prior to commencing employment and working with students, and for employees at least once every four years thereafter, as required by Education Code Section 49406.

The Charter School shall also require any vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis within the period of 60 days prior to employment/service and every four years, in accordance with Education Code Section 49406. Charter School shall maintain tuberculosis clearance records and certifications on file.

Medication in School
The Charter School will adhere to Education Code Section 49423 regarding administration of medication in school. The Charter School will adhere to Education Code Section 49414 regarding epinephrine auto-injectors and training for staff members; per AB 1651 (2023), the Charter School shall store emergency epinephrine auto-injectors in an accessible location upon need for emergency use and include that location in annual notices required by law. To the extent the Charter School maintains a stock of albuterol inhalers to respond to respiratory distress in students, the Charter School shall comply with the requirements of Education Code Section 49414.7, including with respect to training, notices, and the stocking of albuterol inhalers.

Vision, Hearing, and Scoliosis
Students will be screened for vision, hearing and scoliosis. The Charter School will adhere to Education Code Section 49450, *et seq.*, as applicable to the grade levels served by the Charter School.

Suicide Prevention Policy
The Charter School shall maintain a policy on student suicide prevention in accordance with Education Code Section 215. The Charter School shall review, at minimum every fifth year, its policy on pupil suicide prevention and, if necessary, update its policy. Pursuant to AB 58 (2021-22), the Charter School will also review and update its suicide

prevention policy to incorporate best practices identified by the California Department of Education's model policy, as revised.

Mental Health Education
If the Charter School offers one or more courses in health education to students in high school, the Charter School shall include in those courses instruction in mental health that meets the requirements of Education Code Section 51925, *et seq*.

Mental Health Information
The Charter School shall create and post a poster at the school site identifying approaches and resources addressing student mental health in compliance with Education Code Section 49428.5. The poster shall be displayed in English and Spanish and any primary language(s) spoken by 15 percent or more of students enrolled at the school site. The poster shall be prominently and conspicuously displayed in appropriate public areas that are accessible to, and commonly frequented by, students at the school site. The poster shall also be digitized and distributed online to students through social media, internet websites, portals, and learning platforms at the beginning of each school year.

Prevention of Human Trafficking
In accordance with Education Code Section 49381, the Charter School shall identify and implement the most appropriate methods of informing students in grades 9 through 12 of human trafficking prevention resources.

Menstrual Products
The Charter School shall stock its restrooms at all times with an adequate supply of menstrual products, available and accessible, free of cost, in all women's restrooms and all-gender restrooms, and in at least one men's restroom.

The Charter School shall post a notice regarding the requirements of this paragraph in a prominent and conspicuous location in every restroom required to stock menstrual products, available and accessible, free of cost, pursuant to this section. This notice shall include the text of Education Code Section 35292.6 and contact information, including an email address and telephone number, for a designated individual responsible for maintaining the requisite supply of menstrual products.

All Gender Restrooms
In accordance with Education Code Section 35292.5, the Charter School shall provide and maintain at least one all-gender restroom for voluntary student use at each of its school sites that has more than one female restroom and more than one male restroom designated exclusively for student use on or before July 1, 2026. The restroom shall have signage identifying the bathroom as being open to all genders, it shall remain unlocked, unobstructed, and easily accessible by any student, and be available during school hours and school functions when students are present. The Charter School shall designate a staff member to serve as a point of contact and to post a notice regarding these requirements.

School Meals
In accordance with Education Code Section 49501.5, the Charter School shall provide breakfast and lunch free of charge during each school day to any pupil who requests a meal without consideration of the pupil's eligibility for a federally funded free or reduced meal, with a maximum of one free meal for each meal service period. The meals provided under this paragraph shall be nutritionally adequate meals that qualify for federal reimbursement. The Charter School shall provide each student with adequate time to eat as determined by the Charter School in consideration of available guidance.

California Healthy Youth Act
The Charter School shall teach sexual health education and human immunodeficiency virus ("HIV") prevention education to students in grades 9-12, at least once in high school, pursuant to the California Healthy Youth Act (Education Code Section 51930, *et seq.*).

Bullying Prevention
The Charter School shall adopt procedures for preventing acts of bullying, including cyberbullying. The Charter School shall annually make available the online training module developed by the CDE pursuant to Education Code Section 32283.5(a) to certificated school site employees and all other school site employees who have regular interaction with students.

Athletic Programs
The Charter School shall comply with all applicable laws related to health and safety policies and procedures surrounding athletic programs at charter schools, including but not limited to complying with the requirements of Education Code Section 49475 regarding concussions/head injuries, and providing information to athletes regarding sudden cardiac arrest and annually providing each athlete an Opioid Factsheet for Patients.

School Safety Plan
The Charter School shall adopt a School Safety Plan (See Appendix 27 School Safety Plan), to be reviewed and updated by March 1 of every year, which shall include identification of appropriate strategies and programs that will provide or maintain a high level of school safety and address the Charter School's procedures for complying with applicable laws related to school safety, including the development of all of the following pursuant to Education Code Section 32282(a)(2)(A)-(O):

a. Child abuse reporting procedures
b. Routine and emergency disaster procedures
c. Policies for students who committed an act under Education Code Section 48915 and other Charter School-designated serious acts leading to suspension, expulsion, or mandatory expulsion recommendations
d. Procedures to notify teachers of dangerous students pursuant to Education Code Section 49079
e. A discrimination and harassment policy consistent with Education Code Section 200

f. Provisions of any school-wide dress code that prohibits students from wearing “gang-related apparel,” if applicable
g. Procedures for safe ingress and egress of pupils, parents/guardians, and employees to and from the Charter School
h. A safe and orderly environment conducive to learning
i. The rules and procedures on school discipline adopted pursuant to Education Code Sections 35291, 35291.5, 47605, and 47605.6.
j. Procedures for conducting tactical responses to criminal incidents
k. If the comprehensive school safety plan includes procedures to prepare for active shooters or other armed assailants by conducting a drill, procedures that comply with Section 32282(a)(2)(K)(i)-(iv)
l. Procedures to assess and respond to reports of any dangerous, violent, or unlawful activity that is being conducted or threatened to be conducted at the school, at an activity sponsored by the school, or on a school bus serving the school
m. Procedures to respond to incidents involving an individual experiencing a sudden cardiac arrest or a similar life-threatening medical emergency while on school grounds
n. procedures specifically designed to notify parents and guardians of pupils, teachers, administrators, and school personnel when the school confirms the presence of immigration enforcement on the schoolsite
o. A protocol in the event a pupil is suffering or is reasonably believed to be suffering from an opioid overdose

The School Safety Plan shall be drafted specifically to the needs of the facility in conjunction with law enforcement and the Fire Marshal. Staff shall receive training on emergency response, including appropriate "first responder" training or its equivalent, and first aid response (e.g., EpiPen usage, defibrillator).

Disaster procedures included in the School Safety Plan shall address and include adaptations for students with disabilities. To the extent an employee, parent/guardian, educational rights holder, or student brings concerns regarding the procedures to the Executive Director and, if there is merit to the concern, the Executive Director shall direct the School Safety Plan to be modified accordingly.

The Charter School shall develop an instructional continuity plan, consistent with Education Code Section 32282(a)(3), to establish communication with students and their families and provide instruction to students when in-person instruction is disrupted due to an emergency pursuant to Education Code Sections 41422 or 46392(a).

Workplace Violence Prevention Plan

The Charter School shall establish, implement, and maintain, at all times in all work areas, an effective workplace violence prevention plan consistent with the requirements of Labor Code Section 6401.9.

Bloodborne Pathogens
The Charter School shall meet state and federal standards for dealing with bloodborne pathogens and other potentially infectious materials in the workplace. The Board shall establish a written infectious control plan designed to protect employees and students from possible infection due to contact with blood borne viruses, including human immunodeficiency virus and hepatitis B virus ("HBV"). Whenever exposed to blood or other bodily fluids through injury or accident, staff and students shall follow the latest medical protocol for disinfecting procedures.

Drug, Alcohol, and Smoke-Free Environment.
The Charter School shall function as a drug, alcohol, and smoke -free environment.

Facility Safety
The Charter School shall comply with Education Code Section 47610 by utilizing facilities that are either compliant with the Field Act or facilities that are compliant with the California Building Standards Code. The Charter School agrees to test sprinkler systems, fire extinguishers, and fire alarms annually at its facilities to ensure that they are maintained in an operable condition at all times. The Charter School shall conduct fire drills as required under Education Code Section 32001 and in conjunction with the District (if at District facilities).

The Charter School will maintain on file readily accessible records documenting such compliance. The Executive Director or designee will conduct annual reviews to ensure all auxiliary services are safe (food services, transportation, custodial services, or hazardous materials) by developing appropriate policies and awareness training.

Comprehensive Anti-Discrimination and Harassment Policies and Procedures
The Charter School is committed to providing a school that is free from discrimination and sexual harassment, as well as any harassment based upon the actual or perceived characteristics of race, religion, creed, color, gender, gender identity, gender expression, nationality, national origin, ancestry, ethnic group identification, genetic information, age, medical condition, marital status, sexual orientation, sex and pregnancy, physical or mental disability, childbirth or related medical conditions, military and veteran status, denial of family and medical care leave, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state, local law, ordinance or regulation. The Charter School shall develop a comprehensive policy to prevent and immediately remediate any concerns about discrimination or harassment at the Charter School (including employee to employee, employee to student, and student to employee misconduct). Misconduct of this nature is very serious and will be addressed in accordance with the Charter School's discrimination and harassment policies.

A copy of the policy shall be provided as part of any orientation program conducted for new and continuing pupils at the beginning of each quarter, semester, or summer session, as applicable, and to each faculty member, all members of the administrative staff, and all members of the support staff at the beginning of the first quarter or semester of the

school year, or at the time that there is a new employee hired. The Charter School shall create a poster that notifies students of the applicable policy on sexual harassment in accordance with Education Code Section 231.6, and shall prominently and conspicuously display the poster in each bathroom and locker room at the school site and in public areas at the school site that are accessible to, and commonly frequented by pupils.

Homicide Threats
The Charter School shall comply with all requirements under Education Code Sections 49390-49395 regarding mandatory reporting in response to homicidal threats. All employees and Board members who are alerted to or who observe any threat or perceived threat in writing or through an action of a student that creates a reasonable suspicion that the student is preparing to commit a homicidal act related to school or a school activity shall make a report to law enforcement.

Gun Safety Notice
In accordance with Education Code Section 49392, at the beginning of the first semester of each school year, the Charter School shall distribute a notice to each student addressing California's gun access prevention laws and laws related to firearm safety utilizing the most updated model language published by the California Department of Education.

Transportation Services
The Charter School shall comply with the requirements of Education Code Section 39875(c), if applicable, relating to background checks and testing for individuals providing transportation services for students.

Supporting LGBTQ Students
Commencing with the 2025-26 school year and ending with completion of the 2029-30 school year, the Charter School shall use an online training delivery platform and curriculum to provide at least one (1) hour of required LGBTQ cultural competency training annually to teachers and other certificated employees and maintain records of such training as required by Education Code Section 218.

SAFETY Act
Pursuant to AB 1955 (2024), employees of the Charter School shall not be required to disclose any information related to a pupil's LGBTQ+ identity to any other person without the pupil's consent unless otherwise required by state or federal law. This provision shall not limit a parent's/guardian's ability to request school records on behalf of their child.

Extreme Weather Policy
In accordance with Education Code Section 33355, the Charter School will develop, adopt, and implement a weather policy that includes protocols for extreme weather conditions, and incorporates the standardized guidelines developed by CDE on or before July 1, 2026.

Element G: Student Population Balance

The means by which the charter school will achieve a balance of racial and ethnic pupils, special education pupils, and English learner pupils, including redesignated fluent English proficient pupils, as defined by the evaluation rubrics in Section 52064.5 that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted. - Education Code Section 47605(c)(5)(G)

To create a school community that reflects the diversity of the general population residing within the District, EPCTC strives to recruit students from a range of racial, ethnic, ability, linguistic, and socioeconomic backgrounds. EPCTC will bring a sense of validation and encouragement to families from diverse and multicultural backgrounds seeking a unique educational experience. This mindset assists us in our overall recruiting efforts. EPCTC is committed to designing measurable approaches to underscore our dedication in establishing a diverse student body. The Charter School will maintain an accurate accounting of the racial and ethnic balance, special education students, and English Learner students, including redesignated fluent English Learner students enrolled in the Charter School and will use this information to determine where additional outreach efforts are needed. In order to recruit students who are English Learners, all materials will be developed in English and Spanish as well as other languages as the need arises. In order to recruit students who are historically underserved, recruitment activities will focus on groups and gatherings. EPCTC is committed to being racially, ethnically, linguistically (including English Learners), ability, and socioeconomically diverse.

The Charter School will engage in the following outreach activities:

1. **Marketing Materials**: Design flyers and distribute informational materials to appeal to various racial, ethnic, ability, linguistic, and socioeconomic groups within the District. Flyers will be distributed at local markets, coffee shops, libraries, churches, preschools, and businesses. Materials are developed in English and Spanish. Other languages will be added as the need arises.
2. **Host Community Events**: The Charter School hosts several community events each year in preparation for open enrollment. Information Outreach events are scheduled quarterly at Orientation and monthly at Cafecitos (coffees). Events include Orientation, Family Conferences, Jaguar Concert, and Fall Festival. Outreach activities have included visiting San Jose YEAH Annual Summit, LiUNA Laborers Local 270, and Head Start Preschools.
3. **Advertising**: The Charter School updates its website regularly. The Charter School will issue press releases, advertise in newspaper publications, and radio stations as funding allows. The Charter School will also advertise in local publications specific to the target community.
4. **Attend and Establish Presence at Community Events**: The Charter School will make significant efforts to establish visibility in the community. The Charter School team attends community events and parks. The Charter School also sets up

information tables/booths in high traffic and high visibility areas during well–attended local and regional community events.

5. **Establish Partnerships with Community Organizations**: The Charter School has extensive partnerships within the local and regional communities including but not limited to: Kaiser Permanente, Planned Parenthood, Gardner, San Jose Police Department, School Linking Services, Truancy Court (Social Workers and Attorney), Youth Community Service, San Jose Bridge Communities, California State University at San Jose, Santa Clara County Office of Education, Santa Clara County Behavioral Health, Amigos de Guadalupe, Next Door Solutions to Domestic Violence, and local attorneys.

6. **Website and Online Advertising**: The Charter School has designed a website for interested students, families, and community members to visit to learn more about the Charter School.

The Charter School will continue to engage in ongoing recruitment and outreach efforts as described above with the continued development of marketing materials, advertising, online and social media presence, hosting and attendance of community events, and continued efforts to establish community partnerships. The Charter School budget includes financial resources allocated to outreach efforts.

Element H: Admission Policies and Procedures

Admission policies and procedures, consistent with [Education Code Section 47605] subdivision (e).- Education Code Section 47605(c)(5)(H)

EPCTC actively recruits a diverse student population from the District and surrounding areas. Admission to the Charter school is open to any resident of the State of California. Prospective students are briefed regarding the Charter school's instructional and operational philosophy and are informed of the Charter school's student-related policies. The Charter school has established an annual recruiting and admissions cycle, which shall include reasonable time for all of the following: (1) outreach and marketing, (2) orientation sessions for students, (3) an admission application period, (4) an admission lottery if necessary, and (5) enrollment. The school may fill vacancies or openings that become available after this process using either a waiting list or any other nondiscriminatory process.

EPCTC shall admit all students who wish to attend the Charter School and participates in a rolling admission process to better serve students who are historically transient. There will not be a test or assessment administered to students prior to acceptance and enrollment into the Charter School. Admission, except in the case of a public random drawing, shall not be determined by the place of residence of a student within the State, except as otherwise required by law. In accordance with Education Code Sections 49011 and 47605(e)(2)(B)(iv), admission preferences shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment.

The Charter School will be nonsectarian in its programs, admission policies, employment practices, and all other operations, and shall not charge tuition or discriminate against any student based upon the characteristics listed in Section 220.

The Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admission or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

In accordance with Education Code Section 47605(e)(4)(A), the Charter School shall not discourage a pupil from enrolling or seeking to enroll in the charter school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in Education Code Section 47605(e)(2)(B)(iii), including pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation. Similarly, in accordance with Section 47605(e)(4)(C), the Charter School shall not encourage a pupil currently attending the Charter School to disenroll from the Charter School or transfer to another school for any reason, including, but not limited to the academic performance of the pupil or because the pupil exhibits any of the characteristics

described in Education Code Section 47605(e)(2)(B)(iii), as listed above.

Pursuant to Education Code Section 47605(e)(4)(D), the Charter School shall post a notice developed by the CDE on the Charter School website, outlining the requirements of Section 47605(e)(4), and make this notice available to students.

The Charter School shall require students who wish to attend the Charter School to complete an application (intent to enroll form) (See Appendix 28 Intent to Enroll Form).

The Charter School admits students a rolling admission process to better serve students who are historically transient, and thus, has not had to participate in a public random drawing (or "lottery"). However, in the event that the number of students seeking admission to any grade or class exceeds capacity, admission shall be determined by a lottery, with the exception of existing students of the Charter School, who are guaranteed admission in the following school year. A lottery will take place on the EPCTC campus in a room large enough to allow all interested parties to observe the drawing, or at another public venue near the Charter School large enough to accommodate all interested parties. The lottery will take place on a weekday evening or any other time when the most interested parties who wish to attend may do so. All interested parties will know, prior to the holding of the lottery, how many openings are available at the Charter School and for each grade served by the Charter School.

Admission preferences will be extended to potential students in the following order:

1. Sibling(s) students admitted to or attending the Charter School
2. Students who are currently enrolled in or who reside in the elementary school attendance area of the local public elementary school where the Charter School is located (for purposes of the SB 740 Charter School Facility Grant Program)
3. Students residing within the District's boundaries
4. All other students

The Charter School and the District agree to adhere to the requirements related to admission preferences as set forth in Education Code Section 47605(e)(2)(B)(i)-(iv).

Public Random Drawing

Public notice for the date and time of the lottery, rules, and deadlines will be posted at the Charter School and on the Charter School's website at least two weeks prior to the lottery date. The notice includes an explanation that students do not need to be present at the lottery but may attend if they choose to do so. The lottery is open to the public.

At the lottery, names shall be drawn from lottery differentiated by grade level. Beginning with the lowest grade, the names shall be drawn by an adult citizen of good standing, not otherwise employed by the Charter School, confirming the results of the lottery. The drawing shall continue until all names for that grade level are drawn. Those individuals whose names are drawn after all spaces have been filled will be placed on the waiting list in the order drawn, except if the preferences described above require otherwise.

An adult citizen of good standing, not otherwise employed by the Charter School, will testify in writing that they personally witnessed each lottery pursuant to the above, and that each was random, public, and conducted as described.

Students not admitted because of space limitations will be placed on a wait list. As space becomes available during a school year, the Charter School will call the applicant with the highest rank on the applicable waiting list.

Students promoted off of the waiting list shall be informed in writing and shall have five (5) days from the date of contact to respond. In addition, the Charter School shall attempt on at least two separate occasions to contact the students promoted off of the waiting list by telephone. The Charter School admits students at any time during the school year on a rolling admission basis in order to better serve the relatively transient local population.

The waitlist for the current school year remains active until the end of the school year. No waitlist shall be carried over from one school year to the next school year. Applicants must reapply for the lottery annually if the Charter School is unable to offer them admission for the current year.

Intent to Enroll forms, the manual record of all lottery participants and their assigned lottery numbers, and other lottery-related documents will be physically filed on the Charter School campus, and lottery results and waitlists will be readily available in the Charter School's office for inspection upon request. Each applicant's admission application will be kept on file for the academic year with their assigned lottery number in the Charter School database and on their admission application.

Enrollment Process

Students will be notified by EPCTC staff of their acceptance to the Charter School via telephone and/or email within five (5) days of an open space or following the lottery. Students who are offered spots will be asked to complete an Enrollment Packet within ten (10) days of receipt of notification of their spot in order to secure their space. Charter School staff will be available to assist students with language, literacy, or physical disabilities to complete this paperwork, if needed. Upon enrolling in EPCTC, each student will be invited to attend an optional school orientation meeting or individual meetings with the Director of Student Support. This meeting is not a condition for enrollment.

After admission, students will be required to submit an enrollment packet, which shall include the following:

- Student Enrollment Form (See Appendix 29 Enrollment Form)
- Proof of Immunizations
- Report of Health Exam for School Entry
- Home Language Survey
- Completion of Emergency Medical Information Form or Proof of age requirements

- Release of records7
- Student signatures on the Student and Family Handbook Acknowledgement

The Charter School will maintain records of the above activities.

[7] In accordance with Education Code Section 47605(e)(4)(B), the Charter School shall not request a pupil's records or require a parent, guardian, or pupil to submit the pupil's records to the Charter School before enrollment.

Element I: Annual Independent Financial Audits

The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." - Education Code Section 47605(c)(5)(I)

An annual independent financial audit of the books and records of the Charter School will be conducted as required by Education Code Sections 47605(c)(5)(I) and 47605(m). The books and records of the Charter School will be kept in accordance with generally accepted accounting principles , and as required by applicable law, the audit will employ generally accepted accounting procedures. The audit shall be conducted in accordance with applicable provisions within the California Code of Regulations governing audits of charter school as published in the State Controller's K-12 Audit Guide.

The Board will select an independent auditor through a request for proposal format. The auditor will have, at a minimum, a Certified Public Accountant and educational institution audit experience and will be approved by the State Controller on its published list as an educational audit provider.. To the extent required under applicable federal law, the audit scope will be expanded to include items and processes specified in any applicable Office of Management and Budget Circulars.

The Executive Director, along with the audit committee, if any, will oversee the completion of an annual audit of the Charter School's financial affairs. the annual audit will be completed and forwarded to the District, the County Superintendent of Schools, the State Controller, and to the CDE by the 15th of December of each year. The Executive Director, along with the audit committee, if any, will review any audit exceptions or deficiencies and report to the Board with recommendations on how to resolve them. The board will submit a report to the district describing how the exceptions and deficiencies have been or will be resolved to the satisfaction of the District along with an anticipated timeline for the same. Audit appeals or requests for summary review shall be submitted to the Education Audit Appeals Panel ("EAAP") in accordance with applicable law. The independent financial audit of the Charter School is a public record to be provided to the public upon request.

Element J: Student Suspension and Expulsion Procedures

The procedures by which pupils can be suspended or expelled from the charter school for disciplinary reasons or otherwise involuntarily removed from the charter school for any reason. These procedures, at a minimum, shall include an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements that is consistent with all of the following:

(i) For suspensions of fewer than 10 days, provide oral or written notice of the charges against the pupil and, if the pupil denies the charges, an explanation of the evidence that supports the charges and an opportunity for the pupil to present the pupil's side of the story.

(ii) For suspensions of 10 days or more and all other expulsions for disciplinary reasons, both of the following:

(I) Provide timely, written notice of the charges against the pupil and an explanation of the pupil's basic rights.

(II) Provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate.

(iii) Contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five school days before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a homeless child or youth or a foster child or youth, in the native language of the homeless or foster child's educational rights holder. In the case of a foster child or youth, the written notice shall also be provided to the foster child's attorney and county social worker. If the pupil is an Indian child, as defined in Section 224.1 of the Welfare and Institutions Code, the written notice shall also be provided to the Indian child's tribal social worker and, if applicable, county social worker. The written notice shall inform the pupil, the pupil's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker, of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, or county social worker, or the Indian child's tribal social worker or, if applicable, county social worker, initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii).

(iv) A foster child's educational rights holder, attorney, and county social worker and an Indian child's tribal social worker and, if applicable, county social worker shall have the same rights a parent or guardian of a child has to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information. - Education Code Section 47605(c)(5)(J)

EPCTC is committed to using restorative practices in order to build a strong student and faculty culture, a community of mutual respect, and to reduce discipline referrals, suspensions, and expulsions. Escuela Popular believes that everyone can learn from their mistakes and learn to solve their own conflicts by correcting their mistakes. These policies balance students' rights to due process with the Charter School's responsibility to maintain a safe learning environment.

A. General Provisions

EPCTC shall provide due process for all students, including adequate and timely notice to students of the grounds for all suspension, expulsion, and involuntary removal recommendations and decisions and their due process rights regarding suspensions, expulsions, and involuntary removals.

EPCTC shall document and implement the alternatives to suspension and expulsion.

B. School Climate and Student Discipline System

EPCTC's goal is to provide a school climate that is safe, supportive, and nurturing for each student. All students have a right to learn while attending a safe school. As such, a student discipline system that addresses prevention, early intervention, schoolwide positive behavior intervention and support, and consistent expectations as well as appropriate consequences for behavior is a necessary part of school life.

EPCTC's student discipline system focuses on the implementation of a schoolwide positive behavior intervention and support system that helps to prevent the occurrence of problem behaviors that may result in disciplinary actions. This student discipline system includes a multi-tiered approach that is implemented by school staff through: school leaders actively supporting the implementation of schoolwide positive behavior interventions and supports; teaching and consistently reviewing schoolwide rules and behavioral expectations; teaching and modeling appropriate social and behavior skills; reinforcing appropriate student behaviors; using effective classroom management strategies; providing early intervention for inappropriate behaviors; collaborating and communicating regularly with families regarding behavioral expectations, individual student behavior plans, student progress, and any necessary consequences, such as suspension or alternatives to suspension referred herein.

The goals of EPCTC's student discipline system are to:

- Promote student self-discipline, independence, and mutual respect for others;
- Model, teach and encourage socially appropriate behavior so that students will be happy and successful in the real world;

- Maximize learning time by decreasing the number of office referrals and suspensions;
- Monitor and correct student misconduct through positive behavioral interventions; and,
- Analyze student behavioral data to further guide the development and implementation of schoolwide behavioral supports and interventions.

Behavioral Interventions
Students who engage in misconduct may be provided with behavioral responses to intervention. Through this referral process students with behavioral difficulties will further behavioral intervention support and staff will continue to monitor progress through data collection.

In certain circumstances, disciplinary responses that remove students from the classroom or school environment may be necessary through suspension and/or expulsion. In these cases, EPCTC's goal is to make sure that students continue their education, learn how to behave appropriately, and correct any harm they may have caused. Please note that while instituting more severe disciplinary actions, EPCTC shall follow certain public school procedural safeguards, federal and state laws, and restrictions. This is especially true when working through disciplinary matters with students with disabilities.

Implementing Restorative Justice practices as an alternative to traditional discipline is a learning process, one that takes time, patience and understanding. The goal is to build a stronger and more inclusive school community.

Suspension Alternatives
Alternatives to suspension include consequences that are identified as appropriate responses to misconduct and that provide the student with an opportunity to learn the skills necessary to avoid future misconduct. Alternatives to suspension may include but is not limited to:

- Changes in student's schedule tailored to student's needs;
- Implementation of a behavior monitoring system;
- Implementation of a behavioral contract including reinforcers for success and consequences for continued problems, such as loss of privileges (e.g.: short term loss of class/schoolwide fun activities that may be earned through positive behavior) or restoration (e.g.: apologizing to the person they hurt, cleaning up a mess they made, fixing something they broke, or writing a paragraph on bullying to present during anti-bullying activities);
- Referral to group or individual counseling;
- Instruction in social emotional/behavioral skills;
- Use of problem-solving approach to assist student in identifying the problem and possible appropriate solutions.

Professional development
Professional development in the area of schoolwide positive behavior support is provided to all staff members on an ongoing basis. Professional development for school staff may

include topics such as classroom management, using a problem-solving approach to discipline, managing student behaviors, creating positive classroom culture, and creating positive behavior support plans.

C. Suspension and Expulsion Policy and Procedures

Policy

The Suspension and Expulsion Policy and Procedures have been established in order to promote learning and protect the safety and well-being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq*., which describe the offenses for which students at noncharter schools' may be suspended or expelled and the procedures governing those suspensions and expulsions to establish its list of offenses and procedures for suspensions, expulsions, and involuntary removal. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions and involuntary removal, and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion, or involuntary removal, so long as such modification is not materially different from this charter petition.

Consistent with this Policy, it may be necessary to suspend or expel a student from regular classroom instruction. This shall serve as the Charter School's policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed annually as part of the Student and Family Handbook which will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff, or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their guardians[8] (for SWD under 22 years of age) are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this Policy and its Procedures are available upon request at the Charter School's office.

[8] The Charter School shall ensure that a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an Indian child's tribal social worker and, if applicable, county social worker have the same rights as a parent or guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, involuntary removal notice, and other documents and related information. For purposes of this Policy and its Procedures, the term "parent/guardian" shall include these parties.

Suspended or expelled students shall be excluded from all school and school related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the IDEA or who is qualified for services under Section 504 is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law requires additional or different procedures. The Charter School shall follow all applicable federal and state laws including but not limited to the applicable provisions of the Education Code, when imposing any form of discipline on a student identified as an individual with disabilities for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according to due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the student and educational rights holder have been provided with a written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's educational rights holder and shall inform the student, the student or the student's educational rights holder of the basis for which the student is being involuntarily removed and the student or the student's educational rights holder's right to request a hearing to challenge the involuntary removal. If a student or the student's educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions before the effective date of the action to involuntarily remove the student. If the student or the student's educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below.

D. Procedures

Suspension and Expulsion

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to:

a) while on Charter School grounds;
b) while going to or coming from the Charter School;
c) during the lunch period, whether on or off the Charter School campus; or
d) during, going to, or coming from a school-sponsored activity, school sanctioned event, or athletic practice, game, or event.

E. Enumerated Offenses

1. Discretionary Suspension Offenses. Students may be when it is determined the student:

a) Caused, attempted to cause, or threatened to cause physical injury to another person.

b) Willfully used force or violence upon the person of another, except self-defense.

c) Unlawfully possessed, used, or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind. Students who voluntarily disclose their use of a controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports shall not be suspended for that disclosure.

d) Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code Sections 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.

e) Committed or attempted to commit robbery or extortion.

f) Caused or attempted to cause damage to school property or private property, which includes, but is not limited to, electronic files and databases.

g) Stole or attempted to steal school property or private property, which includes, but is not limited to, electronic files and databases.

h) Possessed or used tobacco or products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel. This section does not prohibit the use of the student's own prescription products by a student. Students who voluntarily disclose their use of a tobacco product in order to seek help through services or supports shall not be suspended solely for that disclosure.

i) Committed an obscene act or engaged in habitual profanity or vulgarity.

j) Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code Section 11014.5.

k) Knowingly received stolen school property or private property, which includes, but is not limited to, electronic files and databases.

l) Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

m) Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.

n) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.

o) Engaged in or attempted to engage in hazing. For the purposes of this policy, “hazing” means a method of initiation or pre-initiation into a student organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective student.

p) Made terroristic threats against school officials and/or school property, which includes, but is not limited to, electronic files and databases. For purposes of this policy, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for their own safety or for their immediate family’s safety, or for the protection of school property, which includes, but is not limited to, electronic files and databases, or the personal property of the person threatened or their immediate family.

q) Committed sexual harassment, as defined in Education Code Section 212.5. For the purposes of this policy, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual’s academic performance or to create an intimidating, hostile, or offensive educational environment. This provision shall apply to students in any of grades 9 to 12, inclusive.

r) Caused, attempted to cause, threatened to cause or participated in an act of hate violence, as defined in Education Code Section 233(e). This provision shall apply to students in any of grades 9 to 12, inclusive.

s) Intentionally harassed, threatened or intimidated school personnel or volunteers and/or a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading the rights of either school personnel or volunteers and/or student(s) rights by creating an intimidating or hostile educational environment. This provision shall apply to students in any of grades 9 to 12, inclusive.

t) Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.

1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students which would be deemed hate violence or harassment, threats, or intimidation, which are directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:
    i. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of their age, or for a person of their age with exceptional needs) or students in fear of harm to that student's or those students' person or property.
    ii. Causing a reasonable student to experience a substantially detrimental effect on their physical or mental health.
    iii. Causing a reasonable student to experience substantial interference with their academic performance.
    iv. Causing a reasonable student to experience substantial interference with their ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.

2) "Electronic Act" means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

    i. A message, text, sound, video, or image.
    ii. A post on a social network Internet Web site including, but not

limited to:

(a) Posting to or creating a burn page. A "burn page" means an Internet Web site created for the purpose of having one or more of the effects as listed in subparagraph (1) above.

(b) Creating a credible impersonation of another actual student for the purpose of having one or more of the effects listed in subparagraph (1) above. "Credible impersonation" means to knowingly and without consent impersonate a student for the purpose of bullying the student and such that another pupil would reasonably believe, or has reasonably believed, that the student was or is the student who was impersonated.

(c) Creating a false profile for the purpose of having one or more of the effects listed in subparagraph (1) above. "False profile" means a profile of a fictitious student or a profile using the likeness or attributes of an actual student other than the pupil who created the false profile.

iii. An act of cyber sexual bullying.

(a) For purposes of this policy, "cyber sexual bullying" means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a student to another student or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (i) to (iv), inclusive, of paragraph (1). A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(b) For purposes of this policy, "cyber sexual bullying" does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value.

3) Notwithstanding subparagraphs (1) and (2) above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

u) A student who aids or abets, as defined in Penal Code Section 31, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, except that a student who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (3)(a)-(b).

v) Possessed, sold, or otherwise furnished any knife or other dangerous object of no reasonable use to the student unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Principal or designee's concurrence.

2. Non-Discretionary Suspension Offenses: Students must be suspended and recommended for expulsion when it is determined the student:

a) Possessed, sold, or otherwise furnished any firearm, explosive, or other destructive device unless, in the case of possession of any device of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Principal or designee's concurrence.

b) Brandished a knife at another person.

c) Unlawfully sold a controlled substance listed in Health and Safety Code Section 11053, *et seq*.

d) Committed or attempted to commit a sexual assault as defined in Penal Code Sections 261, 266c, 286, 287, 288, or 289 or former Section 288a of the Penal Code, or committed a sexual battery as defined in Penal Code Section 243.4.

3. Discretionary Expellable Offenses: Students may be recommended for expulsion when it is determined the student:

a) Caused, attempted to cause, or threatened to cause physical injury to another person.

b) Willfully used force or violence upon the person of another, except self-defense.

c) Unlawfully possessed, used, or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind. Students who voluntarily disclose their use of a controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports shall not be suspended for that disclosure.

d) Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code Sections 11053-11058, alcoholic

beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.

e) Committed or attempted to commit robbery or extortion.

f) Caused or attempted to cause damage to school property or private property, which includes, but is not limited to, electronic files and databases.

g) Stole or attempted to steal school property or private property, which includes, but is not limited to, electronic files and databases.

h) Possessed or used tobacco or products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel. This section does not prohibit the use of the student's own prescription products by a student. Students who voluntarily disclose their use of a tobacco product in order to seek help through services or supports shall not be suspended solely for that disclosure.

i) Committed an obscene act or engaged in habitual profanity or vulgarity.

j) Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code Section 11014.5.

k) Knowingly received stolen school property or private property, which includes, but is not limited to, electronic files and databases.

l) Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

m) Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.

n) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.

o) Engaged in or attempted to engage in hazing. For the purposes of this policy, "hazing" means a method of initiation or pre-initiation into a student

organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective student.

p) Made terroristic threats against school officials and/or school property, which includes, but is not limited to, electronic files and databases. For purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for their own safety or for their immediate family's safety, or for the protection of school property, which includes, but is not limited to, electronic files and databases, or the personal property of the person threatened or their immediate family.

q) Committed sexual harassment, as defined in Education Code Section 212.5. For the purposes of this policy, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This provision shall apply to students in any of grades 9 to 12, inclusive.

r) Caused, attempted to cause, threatened to cause or participated in an act of hate violence, as defined in Education Code Section 233(e). This provision shall apply to students in any of grades 9 to 12, inclusive.

s) Intentionally harassed, threatened or intimidated school personnel or volunteers and/or a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading the rights of either school personnel or volunteers and/or student(s) by creating an intimidating or hostile educational environment. This provision shall apply to students in any of grades 9 to 12, inclusive.

t) Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.

1) "Bullying" means any severe or pervasive physical or verbal act or

conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students which would be deemed hate violence or harassment, threats, or intimidation, which are directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

i. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of their age, or for a person of their age with exceptional needs) or students in fear of harm to that student's or those students' person or property.
ii. Causing a reasonable student to experience a substantially detrimental effect on their physical or mental health.
iii. Causing a reasonable student to experience substantial interference with their academic performance.
iv. Causing a reasonable student to experience substantial interference with their ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.

2) "Electronic Act" means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

i. A message, text, sound, video, or image.
ii. A post on a social network Internet Web site including, but not limited to:
(a) Posting to or creating a burn page. A "burn page" means an Internet Web site created for the purpose of having one or more of the effects as listed in subparagraph (1) above.
(b) Creating a credible impersonation of another actual student for the purpose of having one or more of the effects listed in subparagraph (1) above. "Credible impersonation" means to knowingly and without consent impersonate a student for the purpose of bullying the student and such that another pupil would reasonably believe, or has reasonably believed, that the student was or is the student who was impersonated.
(c) Creating a false profile for the purpose of having one or more of the effects listed in subparagraph (1) above. "False profile" means a profile of a fictitious student or a

profile using the likeness or attributes of an actual student other than the pupil who created the false profile.

iii. An act of cyber sexual bullying.

(a) For purposes of this policy, "cyber sexual bullying" means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a student to another student or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (i) to (iv), inclusive, of paragraph (1). A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(b) For purposes of this policy, "cyber sexual bullying" does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value.

3) Notwithstanding subparagraphs (1) and (2) above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

u) A student who aids or abets, as defined in Penal Code Section 31, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, except that a student who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (3)(a)-(b).

v) Possessed, sold, or otherwise furnished any knife or other dangerous object of no reasonable use to the student unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Principal or designee's concurrence.

4. Non-Discretionary Suspension Offenses: Students must be suspended and recommended for expulsion when it is determined the student:

a) Possessed, sold, or otherwise furnished any firearm, explosive, or other destructive device unless, in the case of possession of any device of this type, the students had obtained written permission to possess the item from

a certificated school employee, with the Principal or designee's concurrence.

b) Brandished a knife at another person.

c) Unlawfully sold a controlled substance listed in Health and Safety Code Section 11053, *et seq*.

d) Committed or attempted to commit a sexual assault as defined in Penal Code Sections 261, 266c, 286, 287, 288, or 289 or former Section 288a of the Penal Code, or committed a sexual battery as defined in Penal Code Section 243.4.

If it is determined by the Administrative Panel and/or Board that a student has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or destructive device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the student shall be provided with due process rights of notice and a hearing as required in this policy.

The Charter School will use the following definitions:

a. The term "knife" means (A) any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing; (B) a weapon with a blade fitted primarily for stabbing; (C) a weapon with a blade longer than 3½ inches; (D) a folding knife with a blade that locks into place; or (E) a razor with an unguarded blade.
b. The term "firearm" means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.
c. The term "destructive device" means any explosive, incendiary, or poison gas, including but not limited to: (A) bomb, (B) grenade, (C) rocket having a propellant charge of more than four ounces, (D) missile having an explosive or incendiary charge of more than one-quarter ounce, (E) mine, or (F) device similar to any of the devices described in the preceding clauses.

F. Suspension Process

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Principal or designee with the student and the student's educational rights holder and, whenever practical, the teacher, supervisor or Charter School employee who

referred the student to the Principal or designee.

The conference may be omitted if the Principal or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the educational rights holder and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against the student and shall be given the opportunity to present their version and evidence in their defense, in accordance with Education Code Section 47605(c)(5)(J)(i). This conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. Penalties shall not be imposed on a student for the failure of the student’s educational rights holder to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student’s educational rights holder at the conference.

2. ***Notice to Students***

At the time of the suspension, the Principal or designee shall make a reasonable effort to contact the student by contacting available telephone numbers, voicemail, email, text message, or in person. Whenever a student is suspended, they shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student as well as the date the student may return to school following the suspension. If Charter School officials wish to ask the student to confer regarding matters pertinent to the suspension, the notice may request that the student respond to such requests without delay.

3. ***Suspension Time Limits/Recommendation for Expulsion***

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Principal or designee, the student shall be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student, unless the student fails to attend the conference.

The Principal or designee upon either of the following will make this determination: 1) the student’s presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student’s suspension will be extended pending the results of an expulsion hearing.

4. ***Homework Assignments During Suspension***

In accordance with Education Code Section 47606.2(a), upon the request of a student, educational rights holder, or teacher shall provide to a student in any of grades 9 to 12, inclusive, who has been suspended from school for two (2) or more school days, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

G. Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board following a hearing before it or by the Charter School Board of Directors upon the recommendation of an Administrative Panel, to be assigned by the Board as needed. The Administrative Panel shall consist of at least three (3) members who are certificated and neither a teacher of the student nor a member of the Board. The Administrative Panel shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

H. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Principal or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA). The student may make a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing. Such request is subject to Board review.

Written notice of the hearing shall be forwarded to the student and the student's educational rights holder at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The Charter School will utilize a multi-modal approach to noticing delivery which may include email,

telephone, or in-person delivery, and will include documentation or receipt of delivery. The notice provided in a language understood by the student and the student's educational rights holder shall include:

1. The date and place of the expulsion hearing;

2. A statement of the specific facts, charges, and offenses upon which the proposed expulsion is based;

3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;

4. Notification of the student's or educational rights holder's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;

5. The opportunity for the student and/or the student's educational rights holder to appear in person or to employ and be represented by counsel or a nonattorney advisor;

6. The right to inspect and obtain copies of all documents to be used at the hearing;

7. The opportunity to confront and question all witnesses who testify at the hearing;

8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Hearing Officer or Administrative Panel may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student. The hearing in this case is referring to the Administrative Panel.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five (5) days notice of their scheduled testimony; (b) have up to two (2) adult support persons of their choosing present in the hearing at the time the complaining witness testifies, which may include an educational rights holder, or legal counsel; and (c) elect to have the hearing closed while testifying.

2. The Charter School must also provide the victim with a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.

3. At the discretion of the Administrative Panel conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.

4. The Administrative Panel may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.

5. The Administrative Panel may also limit time for taking the testimony of the complaining witness to the hours the complaining witness is normally in school, if there is no good cause to take the testimony during other hours.

6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the Administrative Panel from removing a support person whom the presiding person finds is disrupting the hearing. The Administrative Panel may permit any one of the support persons for the complaining witness to accompany the complaining witness to the witness stand.

7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The Administrative Panel Chairperson shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the Administrative Panel Chairperson from exercising their discretion to remove a person from the hearing whom they believe is prompting, swaying, or influencing the witness.

8. The testimony of the support person shall be presented before the testimony of the complaining witness, and the complaining witness shall be excluded from the hearing room during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by an educational rights holder, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

I. Record of Hearing.

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

J. Presentation of Evidence.

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

K. Expulsion Decision.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board, which will make a final determination regarding the expulsion. The Board shall make the final determination regarding the expulsion within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final.

If the Administrative Panel decides not to recommend expulsion or the Board ultimately decides not to expel, the student shall immediately be returned to their previous educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

L. Written Notice to Expel.

The Principal or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student and student's educational rights holder. This notice shall also include the following: (a) Notice of the specific offense(s) committed by the student; (b) Notice of the student's or educational rights holder's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School; (c) rehabilitation plan with a date not later than one (1) year from the date of expulsion when the student may reapply to the Charter School for readmission; and, (d) alternative education programs in the County or their school district of residence and an offer to collaborate with student and student's educational rights holder to assist with locating alternative placements during expulsion.

The Principal or designee shall send a copy of the written notice of the decision to expel to the chartering authority, and within thirty (30) days to the Superintendent of the student's district of residence. This notice shall include the following: (a) The student's name; (b) The specific expellable offense(s) committed by the student; and, (c) The rehabilitation plan with a date not later than one (1) year from the date of expulsion when the student may reapply to the Charter School for readmission;

M. Disciplinary Records.

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the chartering authority upon request.

N. No Right to Appeal.

The student shall have no right of appeal from expulsion from the Charter School as the Charter School Board's decision to expel shall be final.

O. Expelled Students/Alternative Education.

Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with the student as requested by the student or by the school district of residence to assist with locating alternative placements during expulsion.

P. Rehabilitation Plans.

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the student may reapply to the Charter School for readmission.

Q. Readmission or Admission of Previously Expelled Student.

The decision to readmit a student after the end of the student's expulsion term or to admit a previously expelled student from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term, shall be in the sole discretion of the Board following a meeting with the Principal or designee and the student and student's educational rights holder to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the Charter School environment. The Principal or designee shall make a recommendation to the Board following the meeting regarding the Principal's or designee's determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The student's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission or admission to the Charter School.

R. Notice to Teachers.

The Charter School shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

S. Special Procedures for Consideration of Suspension, Expulsion, or Involuntary Removal of Students with Disabilities.

1. Notification of the SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who the Charter School would be deemed to have knowledge that the student had a disability.

2. ***Services During Suspension***

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change in placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the student's IEP/Section 504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

3. ***Procedural Safeguards/Manifestation Determination***

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a student with a disability because of a violation of a code of student conduct, the Charter School, the educational rights holder, the student, and relevant members of the IEP/Section 504 Team shall review all relevant information in the student's file, including the student's IEP/Section 504 Plan, any teacher observations, and any relevant information provided by the student or educational rights holder to determine:

a. Manifestation Determination: If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
b. Procedural Safeguards: If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/Section 504 Plan.

If the Charter School, the student, the educational rights holder, and relevant members of the IEP/ Section 504 Team determine that either of the above is applicable for the student, the conduct shall be determined to be a manifestation of the student's disability.

If the Charter School, the student, the educational rights holder, and relevant members of the IEP/Section 504 Team make the determination that the conduct was a manifestation of the student's disability, the IEP/Section 504 Team shall:

a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such student, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the student already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and,

c. Return the student to the placement from which the student was removed, unless the student, the educational rights holder, and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the student, the educational rights holder, and relevant members of the IEP/ Section 504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/Section 504 Plan, then the Charter School may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The student with a disability or the educational rights holder who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the student is substantially likely to result in injury to the student or to others, may request an expedited administrative hearing through the Special Education Dispute Resolution by utilizing the dispute provisions of the IEP/Section 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the student, the educational rights holder, or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the student or educational rights holder and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a student or educational rights holder disagree with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the student is substantially likely to result in injury to the student or to others, the student, educational rights holder, or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a student with a disability to the placement from which the student was removed; or (2) order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the hearing officer determines that maintaining the current placement of such student is substantially likely to result in injury to the student or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or,
c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/Section 504 Team.

T. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

a. The student or educational rights holder has expressed concern in writing, or orally if the student or educational rights holder does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the student's teachers, that the student is in need of special education or related services.
b. The student or educational rights holder has requested an evaluation of the student.
c. The student's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the student, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may

assert any of the protections available to IDEA-eligible students with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the student or educational rights holder; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the student or educational rights holder has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

U. Notification of the School District of Residence.

Upon expelling any student, the Charter School shall notify the student's school district of residence immediately or as soon as practicable. Such notice shall include:

1. Completed expulsion documentation as required from the school district;

2. Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that the Charter School's policies and procedures were followed;

3. Copy of notice of expulsion hearing;

4. Copy of expulsion notice provided to student or educational rights holder stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment;

5. If the student is eligible for special education, documentation related to expulsion in compliance with IDEA;

6. If the student is eligible for Section 504 accommodations, documentation that the Charter School conducted a manifestation determination meeting to address two questions:
   a. Was the misconduct caused by, or directly and substantially related to the student's disability?
   b. Was the misconduct a direct result of the Charter School's failure to implement Section 504 Plan?

This notice will be sent to the student's district of residence. If the student is a resident of a school district other than the District, the Charter School must notify the Superintendent of the student's district of residence within thirty (30) days of the expulsion. Additionally,

upon request of the receiving school district, the Charter School shall forward student records no later than ten (10) school days from the date of the request as stated in Education Code Section 49068(b).

Element K: Employee Retirement Systems

The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System or federal social security. - ***Education Code Section 47605(c)(5)(K)***

Eligible certificated employees at EPCTC participate in the State Teachers' Retirement System. Non-certificated employees participate in social security, and a qualified retirement system (See Appendix 30 Escuela Popular Classified Retirement Plan) at the Charter School's discretion. Employees may also have access to other school-sponsored retirement plans according to policies developed by the Board of Directors and adopted as the Charter School's employee policies. The Charter School retains the option for its Board to elect to participate in and coordinate such participation, as appropriate, with other reciprocal systems in the future, should it find that participation enables the Charter School to attract and retain a higher quality staff (See Appendix 31 Benefits for Certificated and Classified Staff). The Charter School shall pay the County a reasonable fee for the provision of such services. The Human Resources Manager will be responsible for ensuring that appropriate arrangements for retirement coverage are made for all employees. (See Appendix 32 Classified and Certificated Salary Scales)

Element L: School Attendance Alternatives

The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools. - Education Code Section 47605(c)(5)(L)

Escuela Popular/Center for Training Careers, Family Learning Center is a school of choice, specifically for adults. No student is required to attend. Students who choose not to attend the charter school may attend another public school within their home school district. Students may attend a District school or pursue an intra- and inter-district transfer in accordance with existing enrollment and transfer policies of their district or county of residence. Each student enrolled in the Charter School shall be informed that they have no right to admission in a particular school of the District (or program of the District) as a consequence of enrollment in the Charter School, except to the extent that such right is extended by the District.

Element M: Return Rights of Employees

Governing Law: "The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school and of any rights of return to the school district after employment at a charter school. - Education Code Section 47605(c)(5)(M)

No public school district employee shall be required to work at EPCTC. Employees of the District who choose to leave the employment of the District to work at EPCTC will have no automatic rights of return to the District after employment by the Charter School unless specifically granted by the District through a leave of absence or other agreement. Charter School employees shall have any right upon leaving the District to work at EPCTC that the District may specify, any rights of return to employment in a school district after employment at EPCTC that the District may specify, and any other rights upon leaving employment to work at EPCTC that the District determines to be reasonable and not in conflict with any law.

EPCTC employees will not be members of or represented by any collective bargaining agreements of the District. EPCTC employees are not required to engage in collective bargaining, but they have the right afforded to them via the procedures established by the Public Employment Relations Board ("PERB"). Further, employees who leave the District to work at EPCTC will not continue to earn service credit (tenure) in the District while working at EPCTC.

Sick or vacation leave or years of service credit at the District or any other school district will not be transferred to EPCTC. Employment by the Charter School provides no rights of employment at any other entity, including any rights in the case of closure of the Charter School.

Element N: Dispute Resolution Procedures

The procedures to be followed by the charter school and the** chartering authority **to resolve disputes relating to provisions of the charter**. - **Education Code Section 47605(c)(5)(N)

The Charter School shall have an internal dispute resolution process to be used for all internal disputes related to the Charter School's operations. The Charter School shall also maintain a Uniform Complaint Policy and Procedures and Title IX complaint procedure, as required by state and federal law, respectively. Students, Board members, volunteers, and staff at the Charter School will be provided with a copy of the Charter School's policies and internal dispute resolution process. The District shall promptly refer any complaints or reports regarding such disputes not related to a possible violation of this charter or laws related to the Charter School.

Disputes Between the Charter School and the District

The Charter School understands that agreement to a dispute resolution process must be bilateral and the Charter School cannot unilaterally bind the District to a specific procedure. The Charter School agrees that this process may be revised as agreed upon by the District and Charter School in a mutually agreed upon MOU.

The Charter School staff and Board and East Side Union High School District staff and Board are encouraged to resolve all disputes regarding this charter pursuant to the terms of this section. Both shall refrain from public commentary regarding any disputes until the matter has progressed through the dispute resolution process.

The Charter School and the District will be encouraged to attempt to resolve any disputes amicably and reasonably without resorting to formal procedures.

In the event of a dispute between the Charter School and the District, Charter School staff, employees and Board members of the Charter School and the District agree to first frame the issue in written format ("dispute statement") and to refer the issue to the District Superintendent and Executive Director of the Charter School, or their respective designees. In the event that the District Board of Education believes that the dispute relates to an issue that could lead to revocation of the charter in accordance with Education Code Section 47607, the Charter School requests that this shall be noted in the written dispute statement, although it recognizes it cannot legally bind the District to do so. However, participation in the dispute resolution procedures outlined in this section shall not be interpreted to impede or act as a prerequisite to the District's ability to proceed with revocation in accordance with Education Code Section 47607 and its implementing regulations.

The Superintendent and Executive Director, or their respective designees, shall informally meet and confer in a timely fashion to attempt to resolve the dispute, not later than five (5) business days from receipt of the dispute statement. In the event that this informal meeting fails to resolve the dispute, both parties shall identify two Board members from their respective boards who shall jointly meet with the Superintendent and Executive

Director, or their respective designees, and attempt to resolve the dispute within fifteen (15) business days from receipt of the dispute statement.

If this joint meeting fails to resolve the dispute, the Superintendent and Executive Director, or their respective designees, shall meet to jointly identify a neutral third-party mediator to engage the parties in a mediation session designed to facilitate resolution of the dispute. The format of the mediation session shall be developed jointly by the Superintendent and Executive Director, or their respective designees. Mediation shall be held within sixty (60) business days of receipt of the dispute statement. The costs of the mediator shall be split equally between the District and the Charter School. If mediation does not resolve the dispute either party may pursue any other remedy available under the law. All timelines and procedures in this section may be revised upon a written mutual agreement of the District and the Charter School.

The district may inspect or observe any part of the charter school at any time but shall provide reasonable notice to the Charter school's Executive Director. Inspection, observation, monitoring, and oversight may not be assigned or subcontracted to a third party by the district without the Charter school's consent.

Element O: Closure Procedures

Governing Law: "The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the** charter **school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of** pupil **records**. - **Education Code Section 47605(c)(5)(O)

Closure Action and Notifications
Closure of the school shall be documented by official action of the Escuela Popular del Pueblo Board of Directors. The Charter School, through its Board of Directors, will be the entity responsible for closure-related activities and the Executive Director shall be the primary individual responsible for closure-related activities, unless the Board selects another individual.

The Charter School will promptly notify the students of the Charter School, the East Side Union High School District, the Santa Clara County Office of Education, the Charter School's SELPA, the retirement systems in which the Charter School's employees participate, and the California Department of Education of the closure within ten (10) days of the official closure action, as well as the effective date of the closure. This notice will also include the name(s) of and contact information for the person(s) to whom reasonable inquiries may be made regarding the closure; the students' school districts of residence; and the manner in which students may obtain copies of their student records, including specific information on completed courses and credits that meet graduation requirements. The Charter School shall ensure notification to the students of the Charter School of the closure provides information to assist students in locating suitable alternative programs. This notice shall be provided promptly, within the (10) days following the Board's decision to close the school.

Student and School Records Retention and Transfer
As applicable, the Charter School shall provide the students and the District with copies of all appropriate student records and shall otherwise assist students in transferring to their next school. All transfers of student records shall be made in compliance with FERPA Including:

- **Student Records**: (e.g., final transcripts, diplomas of non-graduates, the template used to create the diploma, Cumulative Files)
- **Hardcopy and Excel Files:** List of students for whom student records were provided, including their names, SSID, and grade levels
- **Hardcopy and Excel File:** List of non-graduates including their names, SSID and grade levels
- **Personnel Files:** List of all employees and their personnel files inclusive of retirement accrued W-2 information

Personnel records shall be maintained and transferred in accordance with applicable law by the "responsibility entity" designated by the Board. The Charter School will also develop a list of students in each grade level and the classes they have completed,

together with information on the students' districts of residence, which they will provide to the entity responsible for closure-related activities.

The Charter School will ask the District to store remaining original records of the Charter School's students. All student records of the Charter School shall be transferred to the District upon Charter School closure. If the District will not or cannot store the records, the Charter School shall work with the County Office of Education to determine a suitable alternative location for storage.

All State assessment results, special education records, and personnel records will be transferred to and maintained by the entity responsible for closure-related activities in accordance with applicable law. Transfer of the complete and organized original student records and personnel files to the District shall occur within seven (7) calendar days of the effective date of closure.

Financial Close-Out

As soon as reasonably practical, the Charter school shall prepare final financial records. The Charter school shall also have an independent audit completed within six (6) months after closure. Expenses associated with final audit and closure procedures are accounted for in the proposed budget and shall be covered by the Charter School. . The audit shall be prepared by a qualified Certified Public Accountant selected by the Charter school and shall be provided to the District, the County Office of Education, and California Department of Education promptly upon completion. This may coincide with the regular required annual audit of the Charter School. The purpose of the audit is to determine the net assets or net liabilities of the Charter School. The final audit will include an accounting of all financial assets, including cash and accounts receivable and an inventory of property, equipment, and other items of material value, an accounting of the liabilities, including accounts payable and any reduction in apportionments as a result of audit findings or other investigations, loans, and unpaid staff compensation, and an assessment of the disposition of any restricted funds received by or due to the Charter School.

The Charter School will complete and file any annual reports required pursuant to Education Code section 47604.33 and complete necessary academic reporting.

Distribution of Assets

On closure of the school, all assets of the Charter school, including but not limited to all leaseholds, personal property, intellectual property, and all ADA apportionments and other revenues generated by students attending the Charter School, shall remain the sole property of Escuela Popular del Pueblo and shall be distributed to another public school operated by the Escuela Popular del Pueblo corporation, if any, or if the Escuela Popular del Pueblo corporation is dissolving as a corporation, distributed in accordance with the Articles of Incorporation upon the dissolution of the nonprofit public benefit corporation to another California public educational entity. The Charter School shall comply with all portions of Education Code Section 47605(c)(5)(O), including the requirement that there shall be "a final audit of the school to determine the disposition of all assets and liabilities of the Charter School, including plans for disposing of any net assets and for the

maintenance and transfer of pupil records." Any assets acquired from the District or District property will be promptly returned upon Charter School closure to the District. The distribution shall include return of any grant funds and restricted categorical funds to their source in accordance with the terms of the grant or state and federal law, as appropriate, which may include submission of final expenditure reports for entitlement grants and the filing of any required Final Expenditure Reports and Final Performance Reports, as well as the return of any donated materials and property in accordance with any conditions established when the donation of such materials or property was accepted.

On closure, the nonprofit public benefit corporation shall remain responsible for satisfaction of all liabilities arising from the operation of the Charter School. The Charter School's chartering authority shall not be liable for debts and liabilities of the Charter School, pursuant to Education Code Section 47604(d).

As the Charter School is operated by a nonprofit public benefit corporation, should the corporation dissolve with the closure of the Charter School, the Board shall follow the procedures set forth in the California Corporations Code for the dissolution of a nonprofit public benefit corporation and file all necessary filings with the appropriate state and federal agencies.

The Charter School will utilize the reserve fund to undertake any expenses associated with the closure procedures identified above.

Miscellaneous Charter Provisions

Severability

The terms of this charter contract are severable. In the event that any of the provisions are determined to be unenforceable or invalid for any reason, the remainder of the charter shall remain in effect unless mutually agreed otherwise between the Charter school and the District.

Cooperation Clause

The District agrees to cooperate with EPCTC in all matters related to the implementation of this charter and interactions with the California State Board of Education.

Legal Status

Escuela Popular del Pueblo is a 501(c)(3) tax-exempt nonprofit public benefit corporation.

Facilities

The facilities to be used by the charter school. The description of the facilities to be used by the charter school shall specify where the charter school intends to locate. - Education Code Section 47605(h)

EPCTC is co-located with EPAFLC at 149 N. White Road in San Jose, CA which is within the East Side Union High School District boundaries. Escuela Popular is in year thirteen of a forty-year lease with Alum Rock Union Elementary School District (See Appendix 33 Lease Agreement).

The facility is safe, functional, clean, and well maintained. The facility has 26 classrooms, two science labs, one computer lab, one library, one cafeteria, and 15 office spaces. Additionally, the Charter School has two outdoor shaded areas and two umbrella shaded tables for students to eat lunch, one play structure, one soccer field, two blacktop volleyball courts, one blacktop basketball court, and plenty of parking spaces.

Any school facilities leased or constructed by EPCTC shall comply with federal, state, and local building and zoning regulations as applicable to charter schools, including compliance with the Americans with Disabilities Act and a certificate of occupancy as required.

Nothing in this Section shall be interpreted to be a waiver of the Charter School's right to request facilities pursuant to Education Code Section 47614 ("Prop. 39").

Insurance

EPCTC shall acquire and finance general liability, workers' compensation, and other necessary insurance of the types and in the amounts required for an enterprise of similar purpose and circumstance. Coverage amounts will be based on recommendations provided by the Charter School's insurer. The District Board of Education, the District, its officers, and employees shall be named as an additional insured on all policies of EPCTC. EPCTC will provide evidence of the above insurance coverage to the District. The District shall be notified in writing 10 days prior to cancellation of insurance.

District Oversight

Pursuant to California law, the District is required to provide oversight and performance monitoring services, including monitoring school and student performance data, reviewing the Charter School's audit reports, performing annual site visits, engaging in any necessary dispute resolution processes, and considering charter amendment and renewal requests. In accordance with Education Code Section 47613(a), the District may charge for the actual costs of supervisorial oversight of EPCTC not to exceed one percent (1%) of the revenue of EPCTC. Pursuant to Education Code Section 47613(f), "revenue of the charter school" is defined as the amount received in the current fiscal year from the

local control funding formula calculated pursuant to Education Code Section 42238.02, as implemented by Education Code Section 42238.03.

EPCTC agrees to and submits to the right of the District to make random visits and inspections in order to carry out its statutorily required oversight in accordance with Education Code Sections 47604.32 and 47607.

Pursuant to Education Code Section 47604.3, EPCTC shall promptly respond to all reasonable inquiries including, but not limited to, inquiries regarding its financial records from the District.

Administrative Services
The manner in which administrative services of the charter school are to be provided. - Education Code Section 47605(h)

The Executive Director will assume the lead role and responsibility for administering the Charter School under the policies adopted by the Board. EPCTC will outsource some of these functions to an appropriately, qualified third-party contractor, such as EdTec who specializes in implementing school business practices and has the expertise to carry out these administrative functions. EdTec works with over 300 charter schools around the state and nationally to provide business consultation and support to the Executive Director. The Executive Director overseed the work of the business services company, which handles all back-office business functions, including accounts payable/receivable, general accounting, payroll, and insurance and benefits administration. The company works with the Charter school to ensure that all reporting is submitted accurately and in a timely way, including all government financial reporting, attendance reporting, and payroll/benefits reporting. The company also assists Escuela Popular staff and board on business issues that arise during the year, financial modeling of programs, and others. The company helps the Executive Director and the Board create and monitor the annual budget and provides monthly financials, cash flow projections and analyses. EdTec has worked with the Board and staff to establish appropriate fiscal controls, consistent with industry practice, such as distributed responsibilities related to invoice and check signing approvals and careful cash management policies. EdTec shall provide timely submissions of requests for information from the Charter School or chartering authority,

At any time, the Charter School may discuss the possibility of purchasing administrative services from the District or County. If the District or County is available and willing to provide such services, the specific terms and cost for these services will be the subject to a Memorandum of Understanding between the Charter School and the District or the County, or other mutually agreeable contract.

Potential Civil Liability Effects
Potential civil liability effects, if any, upon the charter school and upon the school district. - Education Code Section 47605(h)

The Charter School shall be operated by a California nonprofit public benefit corporation. This corporation is organized and operated exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code and California

Revenue and Taxation Code Section 23701(d). The Charter School shall provide additional 501(c)(3) fiscal reports as required for the nonprofit public benefit corporation.

Pursuant to the Education Code Section 47604(d), an authority that grants a charter to a Charter School operated by or as a nonprofit public benefit corporation shall not be liable for the debts and obligations of the Charter School or for claims arising from the performance of acts, errors, or omissions by the charter school if the authority has complied with all oversight responsibilities required by law. The Charter School shall work diligently to assist the district in meeting any and all oversight obligations under the law, including monthly meetings, reporting, or other District-requested protocol to ensure the district shall not be liable for the operation of the Charter School. Further, the Charter School intends to enter into a memorandum of understanding with the District, wherein the Charter School shall indemnify the District for the actions of the Charter School under this charter.

The corporate bylaws of the Charter School shall provide for indemnification of the Charter School's Board, officers, agents, and employees, and the Charter School will purchase general liability insurance, Board Members and Officers insurance, and fidelity bonding to secure against financial risks.

As stated above, insurance amounts will be determined by recommendation of the District and the Charter School's insurance company for schools of comparable size, location, and student population. The District shall be named an additional insured on the general liability insurance of the Charter School.

The Charter School Board will institute appropriate risk management practices as discussed herein, including screening of employees, establishing codes of conduct for students, and dispute resolution.

Indemnity

Escuela Popular Del Pueblo, Inc. shall defend, indemnify and hold harmless the District, its employees and agents from all claims, actions or penalties arising out of the performance of the charter, except in those instances where there is active negligence or willful misconduct by the district, its employees, or agents.

Term of Charter

The term of this Charter shall be July 1, 2026 – June 30, 2031.

Amendments

EPCTC may present a petition to materially amend the charter at any time, and ESUHSD agrees to respond to such petitions pursuant to the applicable process, criteria and timelines specified in Education Code 47605 or its successors.

Renewal

EPCTC may present a petition to renew the charter at any time prior to expiration. The Charter School should present the renewal request no later than 120 days prior to the

expiration of the charter. ESUHSD agrees to respond to such petitions pursuant to the applicable process, criteria and timelines specified in Education Code 47605 or its successors. Charter renewals will be for five year periods.

Revocation

EPCTC and ESUHSD agree to act in good faith with regard to the continuation of this charter. The charter granted pursuant to this Petition may be revoked by the District if the District finds that Escuela Popular did any of the following:

1) Committed a material violation of any of the conditions, standards, or procedures set forth in this Petition.
2) Failed to meet or pursue any of the student outcomes identified in this Petition.
3) Failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
4) Violated any provision of law.

If the grounds for revocation are alleged, the governing board of the District agrees to notify the Escuela Popular del Pueblo Board and to grant reasonable time and opportunity to respond and take appropriate corrective action prior to revocation of the charter unless the District determines, in writing, that the violation constitutes a severe and imminent threat to the health and safety of the students.

Budget Development/Fiscal Reports/Audit

The petitioner or petitioners also shall be required to provide financial statements that include a proposed first-year operational budget, including startup costs, and cashflow and financial projections for the first three years of operation. - Education Code Section 47605(h)

Attached as appendices, please find the following documents:

- Multi-Year Budget Projection with Cash Flow and LCFF Calculator (See Appendix 34.)

These documents are based upon the best data available to the EPCTC petitioners at this time. EPCTC shall provide reports to the District and Santa Clara County Superintendent of Schools as follows in accordance with Education Code Section 47604.33, and shall provide additional fiscal reports as requested by the District:

1. By July 1, a preliminary budget for the current fiscal year.

2. By July 1, an LCAP and an annual update to the LCAP required pursuant to Education Code Section 47606.5.

3. By December 15, an interim financial report for the current fiscal year reflecting changes through October 31. Additionally, on December 15, a copy of EPCTC's annual, independent financial audit report for the preceding fiscal year shall be delivered to the District, State Controller, California Department of Education, and the Santa Clara County Superintendent of Schools.

4. By March 15, a second interim financial report for the current fiscal year reflecting changes through January 31.

5. September 15, a final unaudited report for the full prior year. The report submitted to the District shall include an annual statement of all receipts and expenditures for the preceding fiscal year.

EPCTC shall provide reporting to the District as required by law and as requested by the District including but not limited to the following California Basic Educational Data System ("CBEDS"), actual Average Daily Attendance reports (See Appendix 35 P-2 Attendance Report), all financial reports required by Education Code Sections 47604.33 and 47605(m), the SARC, and the LCAP.

Revenue Flow
EPCTC will work cooperatively and collaboratively with the CDE, ESUHSD (sponsoring district) and the SCCOE personnel to achieve a direct revenue flow from CDE to EPCTC. Funds transferred directly from CDE to EPCTC will be transferred to the Charter School account in the Santa Clara County treasury by SCCOE in the most expeditious manner possible.

Purchasing and Contracting
Escuela Popular del Pueblo has adopted Financial Policies and Procedures that detail the procedures the school will follow for purchasing and contracting.

Attendance Accounting
Attendance accounting procedures will satisfy CDE, SCCOE, and ESUHSD requirements. Official registers will be completed on a monthly basis, documenting the month's attendance.

Financial Services
Policy is set by the Board of Directors, and day-to-day operations will be carried out by the Executive Director and staff. The accounting system will adhere to Generally Accepted Accounting Principles, and there will be adequate internal controls within the system. Business consultation and support to the Executive Director may be provided by an outsourced school business services company. The Executive Director will oversee the work of the business services company, which will handle the timely and appropriate reporting regarding budget, attendance, etc. Reporting will be implemented in accordance with specific agreements between the school and the sponsoring district and in compliance with applicable law.

Instructional Start Date for General Purpose Revenue
Escuela Popular acknowledges that it must commence operations by September 30 to be eligible for that fiscal year's ADA-based state general purpose revenue.

Communications Clause
All correspondence from the charter-granting agency should be mailed via the U.S. Postal Service to:

Patricia Reguerin
Executive Director Escuela
Popular 149 N. White Road
San Jose, CA 95127

District Impact Statement
***Potential civil liability effects, if any, upon the school and upon the District.* - Education Code Section 47605(g)**

Conclusion
Escuela Popular/Center for Training and Carers, Family Learning Center's charter renewal petition merits renewal under the applicable legal standards under the Charter Schools Act, and as a DASS school under the standards articulated in Education Code Section 47607(c)(7), the chartering authority should approve the renewal charter for a period of five years.

By approving this charter renewal petition, the District will be fulfilling the intent of the Charter Schools Act of 1992 to improve student learning, create new professional opportunities for teachers, and provide students with expanded choices in education and following the directive of law to encourage the creation of Charter Schools. By approving this charter renewal petition, the District will be considering EPCTC's schoolwide and student subgroup performance on the state and local indicators on the California School Dashboard including academic achievement in ELA, academic achievement in math, and EL progress. In regard to the community impact, EPCTC is a well-established Charter School that has been serving students in East San Jose since 2004 so it will not substantially undermine existing District services, academics, or program offerings. The Petitioner looks forward to EPCTC's continued autonomous operation, pursuant to rigorous standards of accountability, while also working cooperatively with the District as a partner in ensuring that historically disadvantaged adult students living in this region have the opportunity to obtain an education at a school that best meets their needs. To this end, EPCTC pledges to work cooperatively with the District to address any concerns regarding this document, or any aspect of the Charter School's program, in furtherance of its petition to renewal of Escuela Popular's charter and to present the strongest possible proposal requesting a five (5) year term from July 1, 2026 through June 30, 2031.

Appendix 1: Resolution and Board Minutes Approving Charter Renewal Petition

RESOLUTION OF THE
BOARD OF DIRECTORS OF
ESCUELA POPULAR DEL PUEBLO
A California Nonprofit Public Benefit Corporation

Charter Renewal Petition for Escuela Popular/Center for Training and Careers, Family Learning Center

We, the Board of Directors of Escuela Popular del Pueblo, a California nonprofit public benefit corporation, hereby consent to and adopt the following Resolution:

RESOLVED, the following individual is authorized to take all steps necessary pursuant to their role to seek the approval of the charter renewal petition for Escuela Popular/Center for Training and Careers, Family Learning Center to East Side Union High School District;

RESOLVED, that **Patricia Reguerin** is the "Lead Petitioner" for the Escuela Popular/Center for Training and Careers, Family Learning Center charter renewal petition, and is hereby authorized to sign the Charter Renewal Petition and to take all steps necessary for approval of the same;

NOW, THEREFORE, BE IT RESOLVED, that the Escuela Popular del Pueblo Board hereby submits a charter renewal petition to East Side Union High School District to operate Escuela Popular/Center for Training and Careers, Family Learning Center.

I, **San Juana Ochoa**, certify that the Board of Directors of Escuela Popular del Pueblo on **December 11, 2025** adopted the foregoing resolution, at San Jose, California.

Appendix 2: Certification of Charter Renewal Petition

Renewal Petitioner Certification Form

(TO BE USED FOR RENEWAL OF An EAST SIDE UNION HIGH SCHOOL DISTRICT-AUTHORIZED CHARTER)

This form constitutes the petitioner's signed certification that the petitioner deems the petition to be complete for purposes of commencing the timelines, as specified in Education Code §47605(b).

(MUST BE COMPLETED AND SIGNED BY PETITIONER)

Instructions to Lead Petitioner
1. Complete the ESUHSD Charter Renewal Review Matrix Form (including petition page numbers).
2. Complete and sign this Petitioner Certification Form.
3. Submit completed & signed Petitioner Certification Form, Matrix, budget documents, and all other required documents with the charter petition to ESUHSD Charter Schools Department.

(A) The petition includes a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed and has been updated as necessary to reflect the current program offered by the charter school.	☒YES ☐ NO
(B) The petition contains academic performance data of the charter school on the state and local indicators included in the evaluation rubrics adopted pursuant to Section 52064.5 for the most recent preceding two years and any/all other data, plans, or information necessary to support renewal.	☒YES ☐ NO
(C) The dashboard data is not available for the most recently completed year(s) before renewal, and the petition contains verifiable data related to the dashboard indicators, such as data from the California Assessment of Student Performance and Progress, or any successor system for the most recent academic year.	☒YES ☐ NO
(D) The petition includes a redlined version indicating all changes to the petition from when the petition was originally granted or last renewed. The petition packet includes 2 hard-copy versions and 1 electronic (pdf) version, including an Excel spreadsheet of the budget, and an executive summary of the changes from the current charter.	☒YES ☐ NO

I hereby certify in accordance with Education Code Section 47605(b) that the attached petition, including any appendices and attachments, is deemed complete and the terms of this certification form are true and correct. I understand and acknowledge that failure to provide accurate or complete information may subject the charter to denial or revocation if later discovered and the omission/inaccuracy is material.

Appendix 3: Partnership Agreement

CONTINUATION AND SIXTH AMENDMENT TO PARTNERSHIP AGREEMENT BETWEEN ESCUELA POPULAR/CENTER FOR TRAINING & CAREERS FAMILY LEARNING CENTER, THE CITY OF SAN JOSE AND CENTER FOR TRAINING & CAREERS

This CONTINUATION and SIXTH AMENDMENT TO THE PARTNERSHIP AGREEMENT is by and between the Escuela Popular/Center for Training & Careers Family Learning Center Charter High School, a California public charter school (EP/CTC), the City of San Jose, a municipal corporation (City) on behalf of work2future (San Jose Silicon Valley Workforce Development Board), and the Center for Training & Careers, Inc. a California non-profit corporation (CTC) in connection with its Workforce Development Program, collectively referred to as the "Parties".

RECITALS

WHEREAS, on September 7, 2004, the Parties entered into an agreement entitled "Partnership Agreement" (AGREEMENT); and

WHEREAS, on August 3, 2010, the Parties entered into a Continuation and First Amendment to Partnership Agreement to continue the term through June 30, 2012, amend the Nondiscrimination term, and add the Debarment and Suspension Certification; and

WHEREAS, on October 17, 2012, the Parties entered into a Continuation Agreement to Partnership Agreement to continue the term through June 30, 2013; and

WHEREAS, on September 4, 2013, the Parties entered into a Second Amendment to Partnership Agreement to extend the term of the Agreement through June 30, 2015 to deliver educational and vocational services to adults 20 years of age and older; and

WHEREAS, on November 9, 2015, the Parties entered into a Continuation and Third Amendment to Partnership Agreement to continue the term through June 30, 2017 and include a reference to the Workforce Innovation and Opportunity Act (WIOA); and

WHEREAS, on June 28, 2017, the Parties entered into a Fourth Amendment to Partnership Agreement to continue the term through June 30, 2020; and

WHEREAS, on June 12, 2020, the Parties entered into a Fifth Amendment to Partnership Agreement to continue the term through June 30, 2024; and

NOW, THEREFORE, the Parties agree to further amend the amended and continued Partnership Agreement as follows:

Section 1. The term of the amended and continued Agreement, originally July 1, 2004 through June 30, 2024 is extended through June 30, 2031.

Section 2. All of the terms and conditions of the amended and continued Agreement not specifically modified by this Sixth Agreement shall remain in full force and effect.

WITNESS THE EXECUTION HEREOF on the day and year first written above.

Appendix 4: Letters of Support

Ma Magdalena Nieto Torres
English & ELD Teacher
Escuela Popular
magdalenanieto@escuelapopular.org
October 16, 2025

To the East Side Union High School District Board Members:

I am writing to express my strong support for Escuela Popular and to clarify that I am a fully credentialed teacher in compliance with Education Code requirements.

My name is Ma Magdalena Nieto Torres, and I have been part of Escuela Popular for more than twenty years, first as a student and now as a teacher. I began studying at Escuela Popular in 2005, graduated from its high school program, and soon after joined the staff as a teacher assistant. That opportunity changed my life and inspired me to pursue higher education and professional growth.

In 2021, I earned my California Single Subject Teaching Credential, Bilingual Authorization, and Master's in Education from Santa Clara University. I have since cleared my credential and am currently working to add additional authorizations in English and Social Science. I currently teach English and English Language Development (ELD) to our youth program students.

I want to affirm that I am in full compliance with all credentialing and Ed Code requirements expected of public school teachers in California. Escuela Popular has consistently supported me and many other educators in earning and maintaining our credentials. The school has made significant efforts to ensure that all teaching staff meet state standards, including transitioning to an entirely credentialed teaching team this school year.

As someone who has grown within this community, from student to educator, I can attest to the dedication and integrity with which Escuela Popular serves its students. The school continues to uphold the vision of its founder, Maestra Lidia Reguerin, by providing quality education and meaningful opportunities for youth and adults alike.

I strongly believe that the recent order of violation does not reflect the true state of compliance and commitment present within our school community. Escuela Popular is fulfilling its mission and meeting the educational standards expected of a charter school under the East Side Union High School District.

I stand in full support of Escuela Popular and its continued efforts to provide equitable, high-quality education to the community it serves with love and dedication.

Sincerely,
Ma Magdalena Nieto Torres
English & ELD Teacher
Escuela Popular

To: The Honorable Trustees of East Side Union High School District Board

Dear Superintendent Vander Zee and Esteemed Members of the Board of Trustees,

My name is Gloria Berenice Castro Barreras, and I am a proud graduate and longtime employee of Escuela Popular. I first came to this school as a student in 2006 and became an employee in 2008. I have since then had the honor of serving as part of the team that continues to carry forward its mission. I am writing to express my strong and heartfelt support for the renewal of Escuela Popular Center for Training Careers.

Escuela Popular has been more than just a school to me, it has been a place of transformation, empowerment, and opportunity. It was here that I discovered the power of education and the strength of community. This institution's dedication to bilingualism, inclusion, and lifelong learning has not only shaped the lives of its students but has also built a legacy of hope and perseverance for families.

Since joining the staff in 2008, I have had the privilege of serving in various roles that have deepened my understanding of how education changes lives. Every day, I witness the same care, commitment, and belief in human potential that once inspired me as a student. Escuela Popular's mission to uplift and empower through education continues to live in every classroom, every teacher, and every student who walks through its doors.

I am currently pursuing my Bachelor of Science in Data Science at San José State University, an achievement I never imagined possible without the encouragement and example of our founder, Maestra Lidia. Her vision of education as a pathway to dignity and growth continues to guide me, as it does so many others whose lives have been transformed by this remarkable school.

Escuela Popular is not only an educational institution; it is a community, a family, and a home for all who seek a better future. Its impact reaches far beyond academics, it builds confidence, nurtures leadership, and creates lasting change.

For these reasons, I respectfully and strongly urge the East Side Union High School District Board of Trustees to approve the renewal of Escuela Popular Center for Training Careers's charter. This renewal will ensure that many more students and families have access to the same transformative opportunities that changed my life and continue to strengthen our community.

Thank you for your time, your leadership, and your dedication to equitable and life-changing education.

With sincere gratitude and respect,
Gloria Berenice Castro Barreras
Compliance Manager
Escuela Popular

To: The Honorable Trustees of East Side Union High School District Board

Dear Superintendent Vander Zee and Esteemed Members of the Board of Trustees,

My name is Magali Tapia, and I am a proud homegrown educator and graduate of Escuela Popular. I began my educational journey at Escuela Popular in 2002, and today I have the privilege of serving as a teacher within the same institution that once gave me the opportunity to learn, grow, and realize my potential. I am writing to express my strong and unwavering support for the renewal of Escuela Popular's charter.

Escuela Popular is a transformative educational community that provides high-quality, bilingual, and inclusive learning experiences for students of all ages. The school's mission extends beyond academics; it is deeply rooted in social responsibility, cultural pride, and community empowerment. Through its innovative and comprehensive programs, Escuela Popular has created meaningful pathways for hundreds of individuals and families to pursue education, strengthen their skills, and improve their quality of life.

The school offers classes that address the real needs of our community and promote lifelong learning. In addition, Escuela Popular provides vital support such as childcare for parents continuing their education. This holistic model allows students to thrive academically while building stability and confidence in their personal lives.

My own story reflects the profound impact of this institution. When I first came to Escuela Popular, I had never attended formal schooling in my home country, not even elementary school and my surprise was that this school gave me the tools, guidance, and confidence to change the course of my life. Since graduating from Escuela Popular, I have continued to receive mentorship and encouragement from the Escuela Popular community, which has enabled me to advance my studies and cultivate my love for teaching. I am now completing my teaching credential and master's degree in social studies at Santa Clara University, achievements that were once unimaginable without the foundation provided by this school.

As both an educator and a parent of an Escuela Popular student, I witness daily the transformative power of this learning environment. My son is bilingual, confident, and proud of his cultural identity. He is thriving academically and personally, a direct reflection of the school's commitment to transforming lives.

Escuela Popular exemplifies what public education should be: equitable, innovative, and deeply connected to the community it serves. Its continued success benefits not only its students but entire families.

For the reasons mentioned above, I respectfully and strongly urge the East Side Union High School District Board of Trustees to approve the renewal of Escuela Popular's charter. Doing so

will allow this exceptional institution to continue fulfilling its mission of academic excellence and community transformation for years to come.

Thank you for your time, your leadership, and your commitment to providing equitable educational opportunities for all students.

With sincere appreciation and respect,
Magali Tapia
Teacher and Former Student, Escuela Popular

To Whom It May Concern:

I am writing this letter in strong support of the renewal of Escuela Popular. As a parent whose toddler attends the onsite daycare, I cannot express enough gratitude for the care, support, and opportunities this program has provided for both my child and our family.

From the moment we enrolled, the staff have gone above and beyond to create a nurturing, safe, and developmentally rich environment. It is evident every day that the caregivers truly love what they do — they treat each child with patience, compassion, and individualized attention. My daughter lights up each morning when we arrive, and as a parent, there is no greater comfort than knowing she is in such capable and caring hands.

Beyond the excellent daily care, this program has been life-changing for our family. The fact that the daycare is free and located onsite has lifted a tremendous financial and logistical burden. It allows me to focus fully on my work and education, knowing my daughter is nearby and thriving. This support has not only benefitted our family financially but also emotionally and academically — something that would not have been possible without this school's dedication to supporting parents and children alike.

I wholeheartedly believe that Escuela Popular plays a vital role in strengthening families, empowering parents, and giving young children a strong, loving start in life. The staff's professionalism, the program's quality, and the genuine sense of community are unmatched. Our family's experience has been overwhelmingly positive, and I strongly urge the renewal of this exceptional program so that other families can continue to benefit from the same opportunities we have been so fortunate to receive.

With deep gratitude,

David Tenisi

A quien corresponda:

Reciba un cordial saludo.

Por medio de la presente, deseo expresar mi más profundo agradecimiento hacia esta maravillosa institución educativa que tanto ha aportado a la vida de mi hijo y a la mía. Desde el primer día, encontramos un ambiente lleno de respeto, amabilidad y calidez humana, donde cada miembro del personal demuestra su compromiso, vocación y cariño por las familias que formamos parte de esta comunidad.

Agradezco sinceramente todas las oportunidades que nos brindan, especialmente a quienes, como yo, buscamos superarnos académicamente mientras formamos a nuestros hijos. Esta escuela nos abre las puertas a todos los latinos, ofreciéndonos no solo programas educativos de calidad, sino también un apoyo invaluable que incluye cuidado de niños, preparatoria para adultos y programas después de escuela.

Este programa después de clases ha sido de gran ayuda, ya que permite que los niños estén en un espacio seguro, entretenido y educativo mientras nosotros los adultos continuamos con nuestros estudios sin preocupación. Mi hijo disfruta muchísimo estar ahí; se siente feliz, acompañado y motivado. Me llena de alegría ver que cada mañana se levanta contento por ir a la escuela, y que incluso en los días de descanso desea regresar.

También quiero reconocer la dedicación y profesionalismo del personal que atendió a mi hijo desde que tenía tres años en la guardería.Siempre recibió una atención amorosa y responsable, lo que me dio la tranquilidad necesaria para avanzar en mi propio aprendizaje.

Gracias de corazón por abrir sus puertas, por brindar apoyo con tanto respeto y empatía, y por ser un ejemplo de inclusión, educación y amor por el servicio. He aprendido mucho, he crecido académicamente y me siento profundamente agradecida y orgullosa de pertenecer a esta gran comunidad educativa que es Escuela Popular.

Con aprecio y gratitud, Daniela Guerra.

To whom it may concern:
Greetings.

Through this letter, I wish to express my deepest gratitude to this wonderful educational institution, which has contributed so much to my son's life and mine. From day one, we found an environment filled with respect, kindness, and human warmth, where each staff member demonstrates their commitment, dedication, and affection for the families that make up this community.

I sincerely appreciate all the opportunities you provide, especially to those of us who, like me, seek academic advancement while raising our children. This school opens its doors to all Latinos, offering not only quality educational programs but also invaluable support that includes childcare, adult high school, and after-school programs.

This after-school program has been a great help, as it allows children to be in a safe, entertaining, and educational space while we adults continue our studies without worry. My son really enjoys being there; he feels happy, supported, and motivated. It fills me with joy to see him wake up excited to go to school every morning, and even on his days off, he wants to go back.

I also want to acknowledge the dedication and professionalism of the staff who cared for my son since he was three years old at the daycare. He always received loving and responsible attention, which gave me the peace of mind I needed to continue my own learning.

Thank you from the bottom of my heart for opening your doors, for providing support with such respect and empathy, and for being an example of inclusion, education, and a love for service. I have learned so much, I have grown academically, and I feel deeply grateful and proud to belong to this great educational community that is Escuela Popular.

With appreciation and gratitude, Daniela Guerra.

October 10,2025

To the Honorable East Side Union Board of Trustees and Superintendent Glenn Vander Zee,

I want to express my deepest gratitude to Escuela Popular for taking care of my son. It is truly a pleasure to be part of the Escuela Popular community. While I attend my classes, I feel at peace knowing my child is in the childcare program, learning new routines and discipline.

Being part of Escuela Popular is a wonderful opportunity. The adult program gives mothers like me the chance to continue our education while receiving support with childcare — a service that many other schools in the county do not offer. For this reason, I deeply value Escuela Popular and support the renewal process. We need more schools like Escuela Popular.

With gratitude,

Micaela Ceja Avila

***

10 de octubre del 2025

A los Honorables Miembros de la Mesa Directiva del Distrito East Side Union y al Superintendente Glenn Vander Zee:

Quiero expresar mi más profundo agradecimiento a Escuela Popular por cuidar de mi hijo. Es verdaderamente un placer ser parte de la comunidad de Escuela Popular. Mientras asisto a mis clases, me siento tranquila sabiendo que mi hijo está en el programa de cuidado infantil, aprendiendo nuevas rutinas y disciplina.

Ser parte de Escuela Popular es una maravillosa oportunidad. El programa para adultos brinda a madres como yo la posibilidad de continuar nuestra educación mientras recibimos apoyo con el cuidado de nuestros hijos, un servicio que muchas otras escuelas del condado no ofrecen. Por esta razón, valoro profundamente a Escuela Popular y apoyo el proceso de renovación. Necesitamos más escuelas como Escuela Popular.

Con gratitud, Micaela Ceja Ávila

October 10, 2025

To: The Honorable East Side Union Board of Trustees and Superintendent Glenn Vander Zee.

My name is Miguel Angel Gomez, I am writing in support of Escuela Popular Bilingual Academy in San Jose, CA. I graduated from Escuela Popular in 2023 obtaining my High School Diploma. I want to share the amazing support that was given to me at Escuela Popular. I had a head injury in 2020 that put me in a coma for three months and one year in bed unable to perform adequately. After that year an idea came to my head consisting in continuing my education. My mother feared that stepping back into the world on my own could be complicated.

This all changed when the intake counselor at Escuela Popular spoke to my mother and assured her there was nothing to be fearful of, as the support at Escuela Popular is excellent and they would be there for me if I needed anything. Thanks to this conversation with my mother, I was able to attend Escuela Popular. This was only the beginning, gradually the support I got helped me tremendously and that is what makes Escuela Popular an incredibly unique educational institution that meets the students where they are and guiding them to aspire to higher education. The teaching style at Escuela Popular is amazing I have studied all my education at the East Side School District since first grade and Escuela Popular has made the impact I have not received at other schools in the district.

Outside the classroom the support is there with different resources available to us to function adequately in this country and be a productive citizen. Escuela Popular is not only educational, but it also helps us to confront the challenges in life. I highly recommend this educational institution without reservation.

Miguel Angle Gomez

A quien corresponda:

Por medio de la presente, deseo expresar mi más sincero reconocimiento y apoyo a Escuela Popular por la gran oportunidad que brinda a las familias de nuestra comunidad.

Estudiar en Escuela Popular ha sido una experiencia muy valiosa para mí, ya que me permite continuar con mi educación mientras mis hijos también estudian en el mismo lugar. Esta oportunidad me ha dado la tranquilidad de saber que ellos se encuentran en un entorno seguro, educativo y lleno de apoyo. Poder verlos durante el día y saber que están bien me motiva a seguir adelante con mis estudios y mis metas personales.

Además, el programa after school ha sido de gran beneficio para mis hijos. A través de sus actividades, ellos han aprendido a ser más independientes, responsables y participativos. He notado un crecimiento importante en su aprendizaje, su confianza y su deseo de seguir estudiando.

Quiero agradecer a todos los maestros, al personal y a la administración de Escuela Popular por su dedicación, compromiso y trabajo en favor de nuestras familias. Su apoyo hace una gran diferencia en nuestras vidas y en el futuro de nuestra comunidad.

Atentamente,

Rosalía Martínez.

Rosalia Martinez.

Dear Honorable Eastside Union Board of Trustees and Superintendent Glenn Vander Zee,

I am writing this letter on behalf of Escuela Popular del Pueblo (Escuela Popular) to express my complete support for the charter renewal of Escuela Popular Accelerated Family Learning Center& Center for Training Careers.

For the past 15 years or so, I have been a part of the Escuela Popular community as a physician from Valley Medical Center's Valley Homeless Healthcare Program, providing supportive health services to EP students. While I/we are no longer providing services at EP, my support for the program remains strong.

Over the years, I have seen the amazing growth of Escuela Popular's campus, program and students. The youth and families are truly remarkable in their joyous participation in the learning process. It is a wonderful place where all it's students are nurtured in a culturally aware and safe environment, toward meaningful and successful life paths.

As a medical provider specializing in Adolescent Medicine, I am always excited when I meet a student in my clinic who attends Escuela Popular. I know they are receiving a good education, in a supportive, culturally sensitive environment. When I see a youth struggling in a public school, I sometimes recommend the family look toward Escuela Popular as a place which is quiet, safe and respectful.

I believe that East Side I strengthened by having Escuela Popular as a school option. And I know that the students deeply benefit from having Escuela Popular as an option as well.

Mitch Gevelber, MD Cell: 408-690-2106

October 06, 2025

Dear Honorable East Side Union High School District Trustees and Superintendent Glenn Vander Zee,

On behalf of AINAK (All in Need of A Kindness), I am writing to express our complete and enthusiastic support for the charter renewal of the Escuela Popular Center for Training Careers (CTC). Escuela Popular is a vital institution in our community, offering high-quality education, critical support services, and transformative opportunities for students and their families. Through our partnership with Escuela Popular, AINAK has directly witnessed the school's commitment to student well-being and educational equity. As part of our mission to provide free vision screenings, eye exams, and corrective eyeglasses to under-resourced children, we have conducted vision screenings on the Escuela Popular campus. We were impressed not only by the dedication of the administration and staff in facilitating these services, but also by the enthusiastic participation of the students and their families. This collaboration reflects the school's holistic approach to education, addressing academic, social, and health needs to ensure that every student can succeed.

Escuela Popular was founded on the vision and principles of Lidia Reguerin, who believed in creating a nurturing environment where students of all ages could thrive academically while adapting to life in the United States. Today, the school continues to uphold these founding values, helping both young and older students settle into the community, succeed in their education, and feel supported as they navigate new challenges. Escuela Popular's leadership and educators have demonstrated an unwavering commitment to innovation, inclusivity, and excellence. Their efforts extend beyond the classroom to create a supportive environment that fosters students' academic and personal growth. The school's positive reputation and proven track record underscore its vital role in advancing equity and opportunity in our community.

As Escuela Popular Center for Training Careers seeks charter renewal, AINAK wholeheartedly endorses this request. We are confident that with renewal, the school will continue to make a lasting impact on generations of students and families, empowering them to pursue brighter futures.

Please do not hesitate to contact us if you require further information or assistance. We are proud to stand alongside Escuela Popular in its mission and are committed to supporting its continued success.

Thanks,

Introduction

Brief Background of School

Introductory Video of Escuela Popular

Escuela Popular has provided educational services to the San José, California, community since 1986. Escuela Popular developed as a grassroots effort to serve the growing need for English classes. As demand grew, the curriculum of Escuela Popular expanded to include parent education, citizenship classes, history/civics, after-school/youth programs, and English classes. In May 2002, Escuela Popular was granted a charter by the East Side Union School District to operate a family learning center for TK-12 and adult learners seeking a high school diploma. The student population is of Latino heritage, and most students are eligible for the free & reduced-cost lunch program or fall under the federal poverty guidelines. Most of Escuela Popular's students are recent immigrants who are monolingual Spanish speakers.

In 2003, Escuela Popular and the Center for Training and Careers (CTC) came together to create a charter school that combines a challenging, standards-based academic program with relevant job, career, and college-readiness skills for students ranging in ages 18-60+. Escuela Popular/Center for Training and Careers Family Learning Center charter school (EP/CTC) is an extension of Escuela Popular Accelerated Family Learning Center's (EPAFLC) TK-12th grade academy that serves students over the age of 19. These adult students no longer qualify to attend Escuela Popular's TK-12 academy or other comprehensive public schools. Both charter schools are administered by Escuela Popular Del Pueblo, a 501(c)3 public benefit corporation.

From the outset, EPAFLC and EPCTC students' social status and resulting issues have been central to the school's educational approach. Critical issues students face include, but are not limited to, poverty; meals and food insecurity; housing; access to health care; limited or interrupted formal education; language isolation from the dominant culture; immigration issues resulting in insecurities; culture shock resulting in a feeling of disempowerment and dependency; life-threatening travel to the United States resulting in trauma; family separation, which is particularly hard on the youth; and, different academic, language, and social-emotional challenges from U.S. born students. The vision of Escuela Popular is to empower its community through education. Both charter schools, EPAFLC and EPCTC, aim to maintain a family learning environment across the two schools by serving both parents and children. Escuela Popular is committed to providing meaningful learning experiences in a small-school setting to ensure we impact every student's life. Escuela Popular is a community school that is open for extended hours to accommodate students' academic and non-academic

needs. Our school prepares students to attend college or enter the workforce directly into a skilled job.

Escuela Popular realizes that no individual can be successful academically unless these issues are addressed. While the school presents a rigorous education, it does so in a framework shaped by an understanding of students' day-to-day life circumstances. The school offers systematic, Designated, and Integrated ELD programs to meet their immediate need to participate in their learning.

EP/CTC and EPAFLC High School Academies share the same campus in the heart of East San Jose. Although the academies have different charters, they share the same board of directors, management personnel, and teaching staff. Collectively, these programs are popularly called the EP High School Academies. As in the previous self-study, both schools collectively developed the new Self Study.

Collaboration in the Self-Study Process

In the 2023-2024 academic year, Escuela Popular began the self-study process. Escuela Popular formed a core committee for the WASC self-study. The core committee, which consisted of the Executive Director, Principal, and Compliance Manager, met regularly to organize and guide the self-study process. The core committee developed and monitored the timeline, engaged all school staff, gathered input from the school leadership team and focus groups, and reviewed and edited the self-study report. The school leadership team, which consists of the school Human Resource Manager, Business and Operations Manager, Instructional Leader, Student Services Associate Director, SpEd Coordinator, Student Data Manager, Childcare Services Coordinator, Community Relations Advocate, and the core committee, met to review the self-study process and plan the facilitation of focus groups. Focus groups included members from all school departments. Focus groups met from September 2023 through November 2023. Members of the leadership team facilitated each Focus Group. All school staff attended a school-wide meeting to review the self-study process. Focus groups presented their findings and received feedback from other groups in school-wide meetings. The core group and leadership team reviewed demographic data, student achievement data, and input provided by focus groups to write the self-study report.

Annually, student achievement data is reviewed in whole-school meetings during the Local Control and Accountability Plan (LCAP) process. Focus group findings and family and student feedback from surveys are used to select critical student learning needs and develop the school-wide action plan.

Chapter I: Progress Report

Significant Developments and Program Changes

- Student Services Department & Community Schools Grant
- Integration of Technology
- Targeted Professional Development
- Truancy and Chronic Absenteeism Task Force
- Curriculum Adoptions
- Dual Enrollment & Concurrent Enrollment

Student Services Department & Community Schools Grant: For students to be able to concentrate in learning, we have established a robust student services department led by the Student Services Associate Director. The Student Services Associate Director supervises staff responsible for crisis intervention, academic planning and scheduling, resource access, advocacy, student and family engagement, expanded learning, and leadership development. Students can get support in areas such as immigration status, legal intake, conflict resolution, health care, and mental health services. The Principal and Instructional Leaders can meet students' social and emotional needs collaboratively with the student services department. This year, we received the California Community Schools Partnership Program grant to support our efforts to provide wrap-around services to our students and families. This grant has allowed us to expand our services by hiring additional staff to provide necessary support services such as those mentioned above.

Integration of Technology: The School operates in a 100% Google Suite environment. All teachers incorporate the use of technology during instruction. From March 2020 to the present, the school has purchased hundreds of additional Chromebooks and technology to ensure all students have access to a high-quality education. All high school classrooms are currently equipped with a functional Chromebook cart and other technology devices such as document cameras and LCD projectors.

Targeted Professional Development: After the W.A.S.C. visit, Escuela Popular integrated the goals and tasks within their professional development plan. This allowed the goals and critical needs to always be at the forefront of the decisions and work being done. This resulted in a big shift to more targeted professional development. The instructional team created re-occurring targeted professional development sessions. Teaching Learning Communities (TLCs) provide

teachers with opportunities to learn and apply formative assessment strategies. Teachers collaborate with colleagues from various departments to create action plans and complete peer observations on the implementation of the formative assessment strategies learned in these meetings.

Truancy and Chronic Absenteeism Task Force: In the 2022-23 school year, the Truancy and Chronic Absenteeism Task Force was formed to lower the truancy and chronic absenteeism rate of the EPAFLC program. The core group is the Data Manager, Student Services Associate Director, Office Coordinator, and Compliance Manager. Each core member of the task force has a specific role that leads to identifying the truant students and inquiring about the reason for the absences. The task force created a multi-tiered intervention process to work with truant families to support families. (see EP Truancy Process) EPAFLC experienced a decrease in the chronic absenteeism rate on the 2023 CA Dashboard.

Curriculum Adoption: Various curriculums were adopted; these included Edge Fundamentals Curriculum for youth ELD, Integrated Math, and Integrated Science. The impact is the ability for students to access the materials they need and to accelerate their learning in ELD. The science curriculum allowed both new teachers to be aligned and to provide students with a general overview of multiple science domains and build upon it the following year. The new Integrated Math curriculum will allow students to engage in more rigorous and relevant lessons.

Dual Enrollment/Concurrent Enrollment: In the 2022-2023 academic year, Escuela Popular started a partnership with San Jose Community College (SJCC) to offer college classes to our high school students. Through this partnership, a small cohort of high school students started taking Child Development courses that will assist them in earning a certificate in this area. This cohort will be obtaining their certificate in the Summer of 2024. The second pilot program with SJCC and Escuela Popular was launched in the fall of 2023. 34 high school students enrolled in Guide-130, a college readiness course. Out of the 34 students, only four failed the course. Escuela Popular and SJCC are starting a new high school cohort that will be enrolled in college classes for the spring semester. A total of 50 students are projected to enroll in at least two college courses offered by SJCC.

Process to Monitor and Implement Schoolwide Action Plan

The Leadership Team will meet regularly to implement and monitor the School-wide Action Plan. The Principal, Instructional leaders, and department heads meet regularly to monitor progress and ensure the Schoolwide Action Plan is implemented effectively. The educational partner feedback and student achievement data analysis are also used to monitor the implementation and effectiveness of the Schoolwide Action Plan. Department heads,

instructional team, and leadership team all review and contribute towards the progress monitoring and analysis of what is accomplished within the critical areas for follow-up. Since our School Action Plan is aligned with our LCAP goals, both plans are reviewed throughout the academic year.

Progress on Growth Areas from Last Visit

1. Administration and staff explore ways to establish and employ a standardized, systematic use of student performance-based assessments and rubrics in all courses that will provide data to measure the effectiveness of school programs, modify instruction, and result in increased student achievement towards Common Core-aligned learner outcomes.

Departments have dedicated collaborative time to create common authentic assessments with a shared rubric. These assessments have included students' writings, oral presentations, and authentic performance-based and summative assessments. The core academic departments have made further progress in using NWEA and ELPAC data to generate student profiles and then using data analysis to drive academic instruction. The next steps include finalizing common assessments and rubrics for all departments. As these components are established, all departments will continue receiving professional development on analyzing their respective achievement data to guide their instruction further. Overall, the progress has allowed for more alignment within departments and the consistent use of common assessments.

2. Administration and staff create, align, and articulate more rigorous curriculum, such as the additional approval of A-G courses, instructional objectives, appropriate progression mapping, and resources in order to prepare and increase student achievement towards meeting the demands of 21st Century skills and College and Career Readiness goals.

All departments have made progress toward the alignment and articulation of a rigorous curriculum. Seven additional courses were A-G approved in 2022. The Integrated Math 2 and 3 courses have been submitted and approved. The science department has also created a scope and sequence for Biology, Physical Science, Integrated Science 1, and Integrated Science 2. In 2022 all science courses were A-G approved. Submissions for Spanish, art, elective, and social studies courses are in progress. A-G approved courses.

The ELD department has set up seven proficiency categories with percentages to be used across all ELD levels. This alignment allows for a more seamless transition for students. The youth ELD department has adopted the Edge curriculum, preparing students for higher-level language

skills.

Students with IEPs receive 1:1 or group academic support to ensure they are being prepared for the demands of 21st Century skills and college and career readiness.

Overall, progress has been made across departments to align and articulate a rigorous curriculum for students. The next steps include revising and refining courses and drafting and approving the remaining A-G courses.

3. The IT team, administrators, and instructional staff fully implement an online tracking system for students and teachers to monitor mastery of learning goals in order to provide a comprehensive report of students' progress to increase awareness and establish effective student supports to increase student achievement.

Currently, all teachers use PowerSchool Gradebook for final grades. Over 90% of teachers use Google Classroom to post lesson objectives, agendas, collect assignments, and provide students with grades. Students can now check their own progress on Google Classroom. Escuela Popular plans to continue using Google Classroom as an online tracking system for students to gather information on their progress. The next steps are to ensure 100% of teachers are using Google Classroom and its grade book and determine what information is most useful for students to have access to in order to increase their academic success.

4. Administration and staff increase and monitor student retention and community college enrollment by providing resources to support student academics, physical and emotional wellbeing, and socio-economic needs in order to establish a foundation for success and ensure a successful post-high school experience.

This area has been developed significantly since the last self-study. The creation of the Student Services Department has focused on providing support services to families to meet their social and emotional needs. All services to support families and students are aimed at improving attendance and academic achievement. Professional development for staff on how to support students is offered through our Student Services Associate Director. As a result of the creation of the department, partnerships were developed with community-based organizations such as SCC Mental Health Department, Kaiser Permanente, Immigrants Raising, San Jose Police Department, Planned Parenthood, Universidad of California, San Jose State University, and Next Door Solutions to Domestic Violence. These allowed Escuela Popular to provide many seminars and referrals to students with emotional, social, legal, and financial support needs.

5. Administration and staff establish a clear understanding and articulation of curriculum alignment amongst the differing levels of education in middle schools, Escuela Popular, colleges/universities, and technical schools to allow for a smooth and successful transition for

students.

The greatest areas of need for smoother transitions are within the ELD and English 1 courses and core math courses. For this to happen, it is important to continue the use of the math labs and ELD classes to allow for a smooth transition into the high school curriculum. This will continue to be a focus for the team to develop.

6. Administration and staff explore ways to establish systematic tracking of the academic progress of graduating seniors to evaluate the success of the current program and inform academic future decisions to adjust and modify the program and increase the success of graduates.

A Google sheet tracker was created to monitor the progress of English 1 through English 3 students (10th-12th graders) to assist students with their progress and prevent students from withdrawing. This information is also used to analyze students' academic pathways to determine their tentative credits and graduation dates. The academic support team assists students with completing FAFSA and/or Dream Act applications. Additionally, an annual college day and career day are organized to provide students with informational presentations from college representatives and professionals from different sectors. College representatives set up informational tables during college week and students are able to ask questions about their educational offerings. Escuela Popular organizes morning and evening classroom presentations in collaboration with four local community colleges: Evergreen, De Anza, Mission College, and San Jose Community College. This is an ongoing task due to the nature of the ever-changing needs of Escuela Popular students. The academic support team also organizes field trips to local colleges.

In 2023, Escuela Popular organized its first Alumni Breakfast and invited alums to share their educational experiences after their high school graduation. The academic support team plans to organize two annual Alumni Breakfasts to create a bridge between Escuela Popular and its graduated students. These reunions will be used to track college pathways and collect data from alumni about their needs in college and the type of preparation that needs to be provided in high school to be a successful college student.

7. Administration, with support of department chairs, develop a concrete plan to increase teacher competency in technology through training and professional development opportunities in order to integrate technology strategically into all content classrooms and ensure that it enhances instructional outcomes for student learning.

Google Classroom is the main teaching platform alongside other support online learning tools

such as Noredink for grammar practice, Newsela for reading support at Lexile levels, Google Slides and Jamboard for student collaboration and summative projects, video editing and recording, typing websites, etc. Departments worked together to troubleshoot common challenges with online platforms and the delivery of instruction on Google Classroom. Additionally, instructional leaders worked with teachers to provide one-on-one or small group training to assist with the quick transition to online learning for flexible learning. Once Escuela Popular was able to resume in-person instruction, the instructional team continued implementing the technological tools used during online learning. Additional technology assets were purchased, and now all classrooms are equipped with Chromebook carts.

8. Administration and staff explore ways to develop student competency in the effective use of technology.

Initially, this was a focus area for predominantly English 1 students and above, but with COVID-19 campus closures, there was a need to pivot quickly. Initially, teachers modeled how to use Google Suite and the various educational applications. As they saw the need, instructional staff offered various training for students and families over the summer. At the start of the school year, all students were asked to transition onto Google Classroom. Teachers provided direct support with Google Suite and the various educational applications depending on the grade level. All staff were provided with videos of how to use Google Suite applications and the school-adopted educational applications. Teachers shared these with students and families. ELD students had the greatest learning curve, but teachers learned alongside them and have made the transition to Google Classroom. The following steps are to continue practicing and teaching new instructional staff and students how to access the online platforms and applications. As students move within the content areas, they will need to learn the subject-specific application. This will remain an ongoing area for follow-up.

9. Administration and staff explore additional avenues to generate revenues for a consistent allocation of funds for the charter schools in order to increase student achievement.

The school largely generates revenues through average daily attendance and LCFF supplemental funds. In the last three years, the school has received one-time funding such as the A-G Completion Improvement grant, Learning Recovery grant, Arts, Music, & Instructional Materials funding to provide additional support staff for smaller class sizes, purchase additional technology, and hire additional teacher assistants. Last year, we received the Community Schools Grant to expand our wrap-around services to students and families.

10. The leadership team explores partnerships with their sponsoring districts, as well as other charter schools, to provide rich technology infrastructure for students and staff.

Over 100 Lenovo laptops were purchased for teachers and other staff members, and six Elmo document cameras and five Chromebook carts were added to be used in rooms 105, 106, 107, 201, and 503. New Chromebooks replaced the computers in the computer lab with new monitors, keyboards, and mice, and a new printer was added to the computer lab. These purchases were made to provide teachers and staff with strong technology infrastructure. While this was a substantial improvement from when the last self-study was done, it will be an evolving task as technology continues to change.

11. Administration and staff investigate avenues to hire a social-emotional counselor to meet the diverse needs of their students.

The Student Services Associate Director and the Student Services department have provided direct support services to all families and students and built strong relationships with outside health and wellbeing organizations to work with the Escuela Popular community. Escuela Popular created programs and services to work with families, students, and staff on extending support in nurturing well-being, health, financial assistance, food/nutrition, and immigration. Additionally, Escuela Popular built internal capacity from the leadership team to teachers on emotional intelligence and self-mastery. The Student and Family Associate Director has been completing a needs assessment whenever new youth high school students enroll in our program. The data obtained from this assessment is used to identify the support system that needs to be in place for each student. The next step is to investigate how to best gather data on the social-emotional needs of all students and how to provide impactful support.

Chapter II: School Profile and Supporting Data and Findings

See the introduction for a synopsis of our school and the self-study approach, and refer to Chapter 3, Category A, for our mission, vision, and learner objectives for the entire school for more details.

EPAFLC & EP/CTC Academic Program

Escuela Popular's High School academic program is intentionally designed to meet the needs of immigrant students who work, are parents, and are English learners.

- During registration, students take an English and Math placement exam
- Level-appropriate intensive and explicit ELD instruction is offered to EL students
- Block scheduling is used in which 150 minute periods of intensive study are offered for ELD intruction, and 120 minute periods for ELA instruction
- Year long ELD study courses are divided into approximately 9 ½ week modules
- Summative assessments are administered quarterly and mastery of expected outcomes determine promotion to the next level
- Spanish is used strategically in all courses to support comprehension of concepts and used as an asset (Translanguaging)
- Spanish for Spanish Speakers is offered to target literacy gaps in the primary language and to facilitate learning of the second language
- Quarterly Math courses range from Integrated Math 1 to Integrated Math 3
- Extended school year and day for students
- Summer session is offered to all students

Upon arrival, ELD students are automatically classified as 9th grade for students whose EP is their first US school. They may spend at least two years at that level, which accounts for many students in the 9th grade. They receive designated basic ELD instruction in English and math labs at this level that prepare them for core courses. After completing ELD course sequence and English 1, they are promoted to 10th grade. Since it takes students two years to master basic ELD and basic Math, in accordance with the academic design and response to students' needs, there will always be a high number of students in the 9th grade.
The following graphs describe Escuela Popular Accelerated Family Learning Center and Escuela Popular/Center for Training Careers Family Learning Center's student population.

High School Progression Example

Grade 9 "Pre"	Grade 9	Grade 10	Grade 11	Grade 12
• ELD 1A-3B • ELD 1/2 • Integrated Math or Math Lab • Physical Education • Elective • Foreign Language or Art	• English 1 • Integrated Math or Math Lab • Physical Education • Integrated Science 1 or Integrated Science 2 • Elective • Foreign Language or Art	• English 2 • Integrated Math • World History • Physical Ed • Integrated Science 1 or Integrated Science 2 • Elective • Foreign Language or Art	• English 3 • Integrated Math • U.S. History • Integrated Science 1 or Integrated Science 2 • Elective • Foreign Language or Art	• English 3/4 • Integrated Math • Government • Economics • Foreign Language or Art • Elective

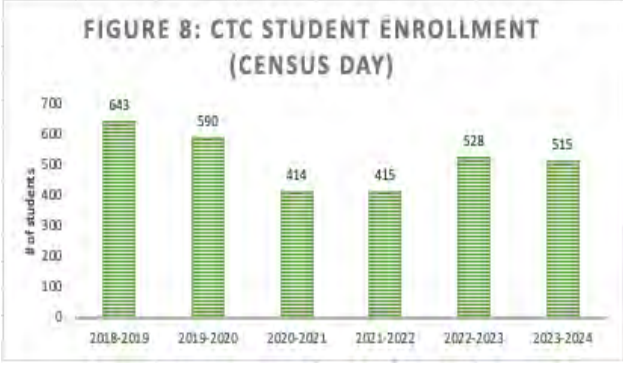
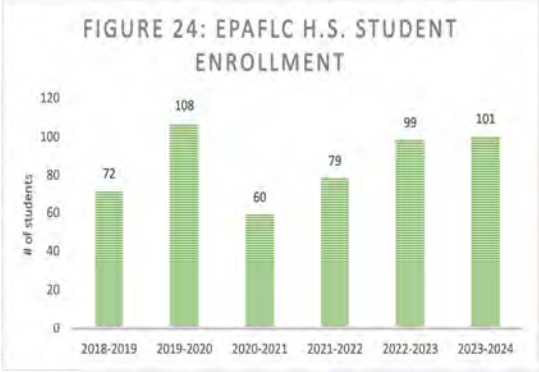
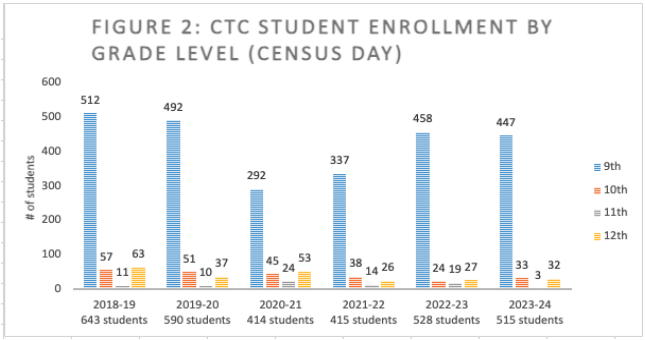
Student Enrollment

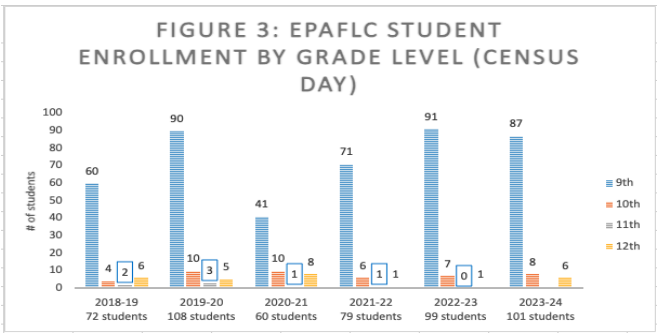
The charts below show Escuela Popular enrollment trends in the past six years. Both high school academies have experienced a decline in student enrollment, particularly when

COVID-19 forced the school to switch to online instruction. Escuela Popular's retention task force has implemented a strategic plan that has helped increase enrollment in the past two years.

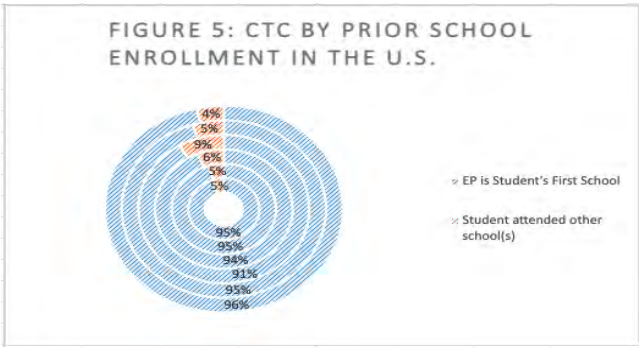


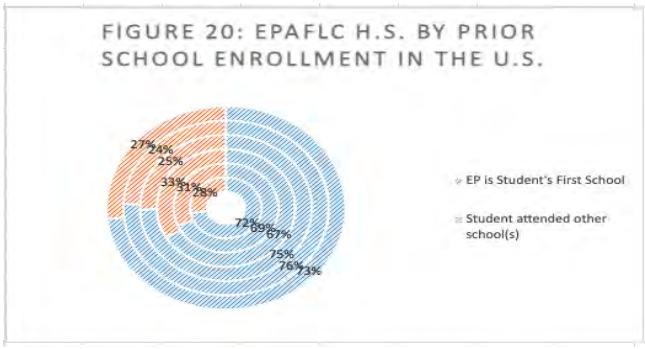


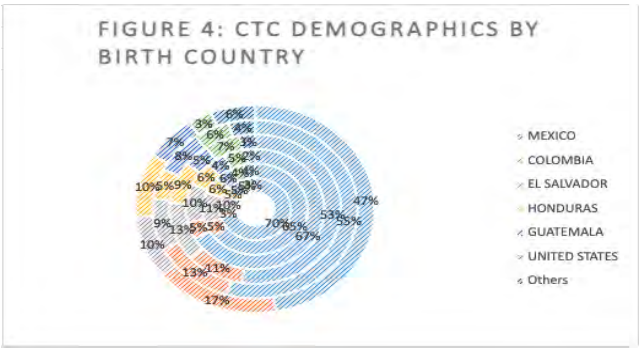


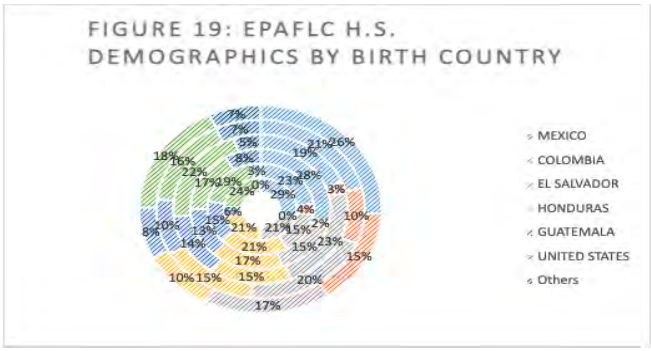


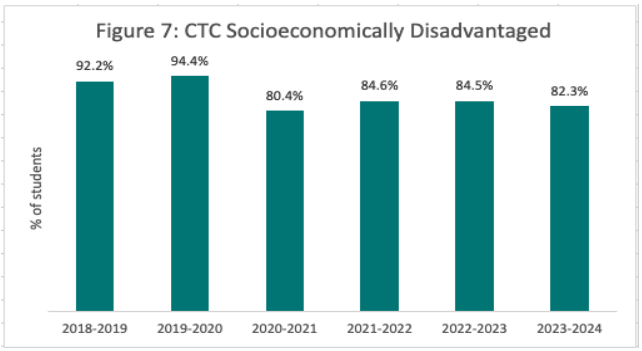
Escuela Popular Demographics

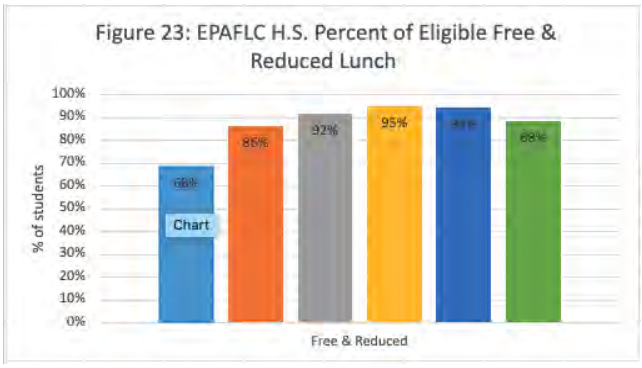










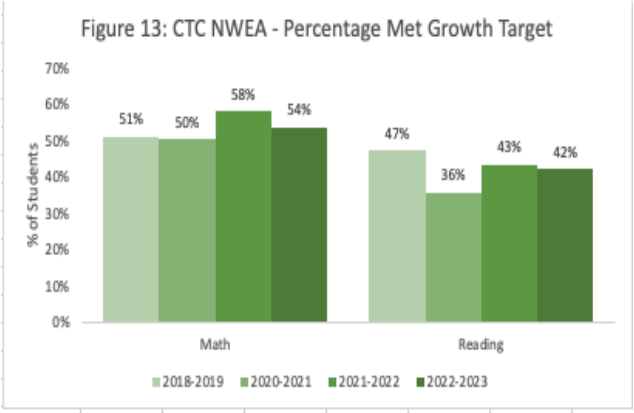


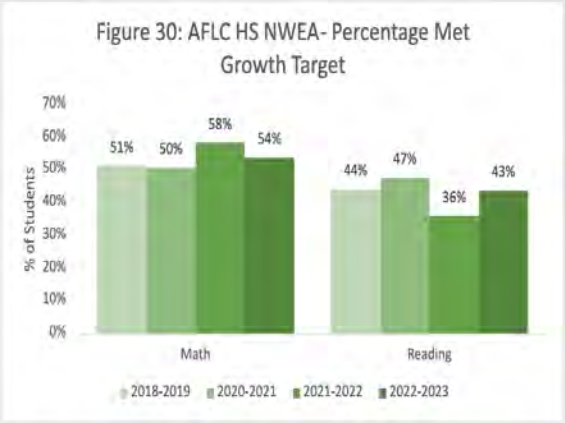
Since the last self-study, student demographics have not significantly changed. Escuela Popular continues to serve a student population that migrates from Latin America, whose first U.S. school is Escuela Popular, who are English Learners and live in poverty. However, we are noticing a decline in students from Mexico and an increase in Central and South American students, particularly from Colombia.

Student Data Performance

Escuela Popular AFLC & CTC use the NWEA assessments to measure students' improvement in English and Math. Students take the NWEA assessments in reading and math in the Fall and Spring of the school year to measure academic progress.

Escuela Popular CTC & AFLC has had a steady percentage of students meeting their growth target in math and reading, representing one year of growth. The exception of the 2020-2021 school year for CTC and 2021-2022 for AFLC, when we saw a decrease of 10% due to the pandemic, an unprecedented situation that negatively impacted academic achievement globally. However, the percentage of students meeting their growth target is increasing to pre-pandemic percentages.

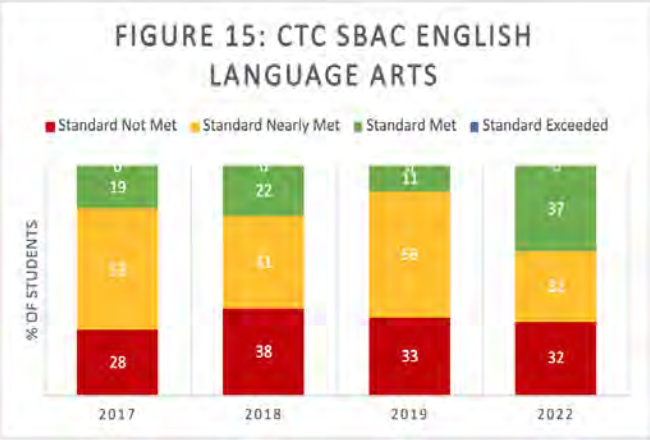


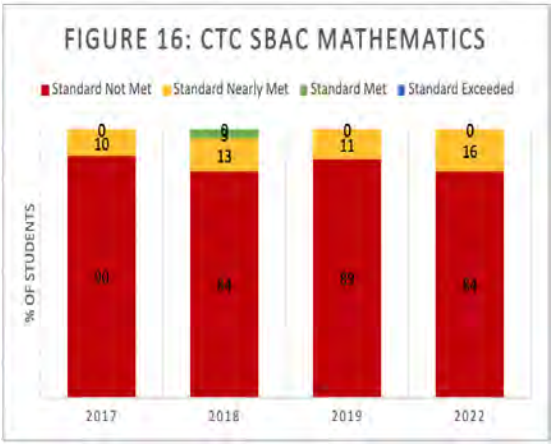


CAASSP Data

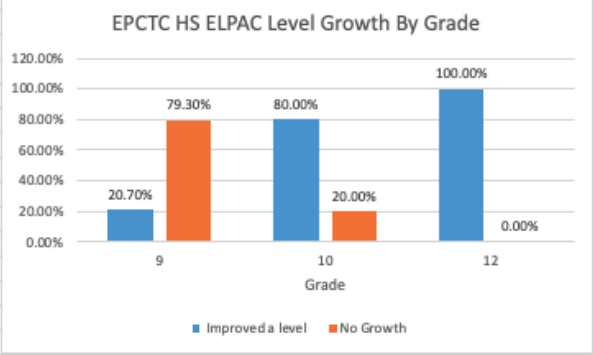
EPCTC had fewer than 11 students in the eleventh grade last academic year, leading to the California Dashboard withholding the publication of our data for privacy reasons. However, this was not the case in previous years, with the number of students tested reaching 30. EPCTC students continue to have a consistent percentage of students at the Standard Not Met level, the Standard Nearly Met level. A significant increase in the Standard Met level percentage was experienced in the English Language Arts of the Smarter Balanced Assessments in the 2021-2022 academic year. Even though our eleventh graders are a small percentage of our student population, this data shows that when students progress through the

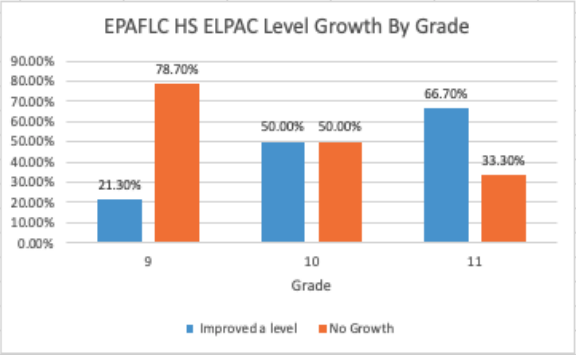
program they demonstrate growth towards meeting standards. However, we still struggle with improving students' math performance. The Principal and Instructional Leader have been working on identifying the root cause of the low math performance and are working with teachers to help students improve their math skills. EPAFLC consistently has less than 10 students in the 11th grade, resulting in a small percentage of student performance data. In light of this, we primarily rely on local assessment data through our NWEA exams to analyze student performance data for modification of instruction and learner goals.





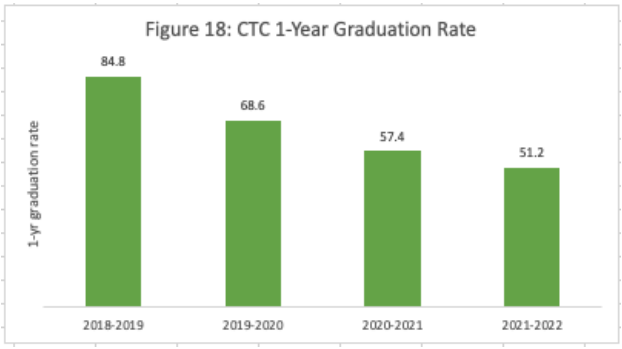
The English Language Progress Indicator (ELPI) continues to demonstrate that Escuela Popular AFLC and CTC students tend to perform better as they progress through the years. The following graphs show the percentage of students who improved a level on the ELPAC assessments in 2023.

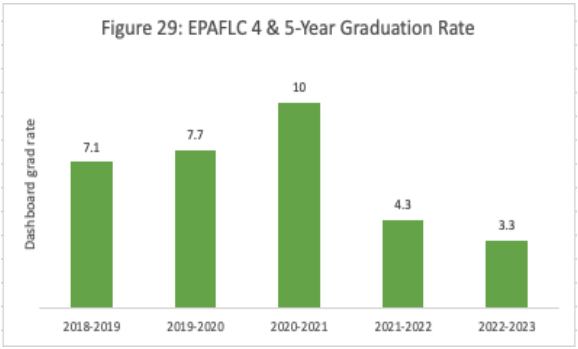




Escuela Popular CTC, which serves adult students, is a Dashboard Alternative School Status (DASS) school because of the fluctuation of its student population. The graph below shows

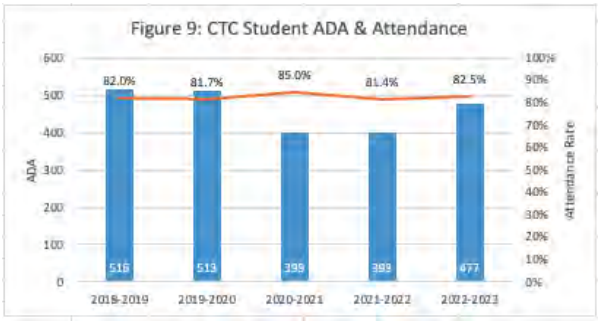
the 1-year graduation rate. We have seen a decline in students staying in school to graduate due to San Jose, CA's high cost of life. Many adult students have to work two jobs or move to a city where the cost of living is lower; these situations force students to abandon their dream of obtaining a high school diploma. A similar situation is experienced in Escuela Popular AFLC, which serves newcomers and unaccompanied minors who, as soon as they turn 18 years old, leave school to work. Despite that, Escuela Popular staff consistently works in retention and finding ways to help students achieve their academic goals.

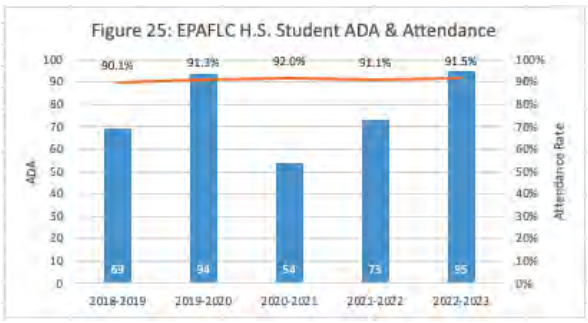




Attendance Data

Escuela Popular AFLC and CTC have a stable average attendance percentage ranging from 80% for CTC to 90% for AFLC. Academic Advisors and the Student Data Manager constantly contact students to monitor their attendance. Teachers are also important in motivating students to keep attendance percentages steady, as well as the quarterly assemblies where students with perfect attendance are recognized and awarded.





School Climate

Escuela Popular AFLC and CTC believe in restorative justice and work with students as much as possible to avoid suspensions. The suspensions and expulsion rates are low for both charters. Escuela Popular CTC Dashboard Suspension Rate Escuela Popular AFLC

Dashboard Suspension Rate

Escuela Popular AFLC and CTC cares about students' needs and believes that good teaching and a suitable learning environment that supports the unique school culture are necessary prerequisites for student academic and social success. The school surveys students twice a year to get feedback on students' satisfaction with the services provided, school climate, school areas of improvement, etc. The survey questions are based on our 12 priorities stated in our LCAP. Escuela Popular aims to meet the LCAP schoolwide performance goals, which are reviewed and updated annually as needed, allowing these targets to be modified over time. Last year, we added three additional questions to collect more precise feedback on the school climate. Top 12 Priorities Table (larger View)

Escuela Popular- 12 Top Priorities

Relevance	Relationships	Responsibility
Builds trusting relationships with students Teacher builds trusting relationships so that students feel like they can honestly communicate their opinions and needs.	**Connects learning to the cultures of students and families** Teacher connects lessons to the students' experiences, families, and students' ethnic, cultural and language histories.	**Creates supportive academic culture** Teacher appropriately accommodates, modifies, and adapts lessons so every students is supported in their learning.
Takes responsibilities for students learning Teacher takes personal responsibility and changes things when class is struggling rather than blame students.	**Knows the subject(s) they teach** Teacher has deep down knowledge of the material they are teaching	**Maintains an organized and vibrant classroom** Teacher keeps materials organized and accessible to students, and maintains a clean and interesting learning environment.
Shows real care for every student Teacher listens to students needs with care and provides students with emotional support.	**Helps students develop research skills** Teacher develops students' research skills like internet research, library research, interviews, and survey design.	**Supports students outside of class time** Teacher provides students with support outside of class (lunch time, after school, weekends, vacations, summer).
Builds hope in students Teacher builds in students, helping them to believe they can control their own destiny.	**Prepares students for college** Teacher helps students develop the skills they will need to succeed in college such as: study skills, time management, and critical thinking.	**Supports students and families in their home language** Teacher can communicate in their home language of students and works to translate verbal and written materials to share information with families.
Climate	**Sense of belonging** Students feel connected with the school environment.	**Sense of safety** Students feel safe while they are at the school campus.	**Students' satisfaction with services provided** Students can provide feedback about the services provided and express their needs

Escuela Popular uses Google Forms to survey students, parents, and teachers. The results are shared with the leadership team and other instructional staff to analyze responses.

Perception Data

Students LCAP Survey

Students Responses LCAP Survey
Parent Responses LCAP Survey

According to the most recent LCAP Feedback and School Climate survey results, the Relevance Domain received a 94% average satisfaction rating, the Relationship Domain a 91.46% and the Responsibility Domain a 92.4% (refer above to the 12 Top Priorities chart). The School Climate questions yielded an 85.1% average satisfaction rating. The question, "When you are at school, do you feel that you belong?" received the lowest rating of 78.7%. This prompts us to disaggregate this data further to identify a root cause and propose

solutions.

Major Preliminary Students Needs

- More strategies are needed to retain students and increase the graduation rate.
- Students survey reflects the need to enhance school connectedness between students and the school environment.
- Increase the number of pupils achieving their reading and math NWEA growth targets.
- Find ways to help students progress faster to the next grade level.
- Find the root cause of students' low performance on math.

Questions Raised by Analysis

- How can we increase retention and help students obtain their high school diploma?
- How can we better help students feel connected with staff and feel part of the school?
- What academic interventions are needed to increase the number of students who meet their growth target in reading and math?
- How can we promote students to the next grade level faster and without sacrificing mastery of standards?

Chapter 3: WASC Criteria and Indicators

Category A: Organization for Student Learning: Vision and Purpose, Governance, Leadership, Staff, and Resources

Criterion A1: Vision and Purpose

The school has established a clearly stated vision and purpose reflecting students' needs, current educational research-based practices, with a focus on diversity, equity, inclusion and a belief that all students can learn and achieve. Supported by the governing board and the district Local Control and Accountability Plan, the school's purpose is defined further by schoolwide student goals/graduate profile and academic standards, supported by the governing board and the district Local Control and Accountability Plan.

A1.1 Vision and Schoolwide Learner Goals/Graduate Profile: The school has established a clear, coherent vision and purpose and schoolwide learner goals/graduate profile based upon high-quality standards, congruent with research and school practices, and aligned with district goals for students.
A1.2 Equity and Inclusion: The vision and purpose of the school reflects a belief that all students can learn and achieve.
A1.3 Development/Refinement of Vision and Purpose: There are effective processes in place to ensure involvement of all stakeholders/educational partners in the development and periodic review and refinement of the vision and mission, and schoolwide learner goals/graduate profile.
A1.4 Communicating and Understanding Vision and Purpose and Schoolwide Learner Goals: There are effective processes for communicating with all stakeholders/educational partners to ensure the understanding of the vision, purpose, and schoolwide learner goals/graduate profile.

Findings	Evidence
A1.1 Based on Escuela Popular's over 30 years of experience working with Latino immigrant students who range from ages 15 to adults who have experienced an interrupted cycle of education, the school's goal is to provide a safe and nurturing environment that is responsive to the immediate needs of students. The vision of Escuela Popular is the following: **Escuela Popular educates to transform lives.** The mission of Escuela Popular is the following: **Our family learning center believes that teaching is an act of love through which learning is reciprocal. We develop bilingual, bi-cultural students fully prepared to**	• Vision & Mission • ESLRs • EPAFLC Student Handbook • EPCTC Student Handbook • 2023 EPAFLC LCAP • 2023 EPCTC LCAP • Organizational Chart

continue onto higher education and empowered to pursue their goals in a global society.

The achievements of the ESLRs are of significant interest to the stakeholders at Escuela Popular. Students at the school encounter challenging circumstances, including poverty, limited literacy skills, and immigration issues. However, despite these challenges, the explicit expectations outlined in RISE and the academic standards establish clear guidelines for what students should understand and accomplish.The ESLRs indicate that Escuela Popular graduates will be:

- Responsible citizens;
- Intellectually curious and independent learners;
- Sound healthy individuals: and
- Effective bi-literate and bilingual communicators.

The alignment between the governing board and the school's LCAP/SWAP is evident in their commitment to bolstering the Vision, Missions, and ESLRs. This is achieved through the allocation of resources and support for both staff and students. The collaborative job-embedded professional development of all staff and the delivery of high-quality support services for students further underscore this alignment.

The critical teaching strategies continue to be grounded in current educational research, such as

- Explicit Language Instruction,
- Designated and Integrated English Language Development,
- Formative Assessments,
- Authentic/Performance Tasks.

A1.2 The school's vision embodies the conviction that education has the power to transform lives. Escuela Popular extends educational opportunities to students who may not

find success in other educational institutions. Parents, working adults, and unaccompanied minors can engage in their learning journey with ease, thanks to on-site support services. These services encompass no-cost, high-quality childcare, socioeconomic student support services, mental health, and crisis intervention.

A1.3 The School is organized by a comprehensive leadership team that works collaboratively to lead the school staff and educational partners in reviewing and evaluating the vision, mission, and schoolwide learner goals.

The leadership team organizes a core team of 4-5 members annually to effectively lead the processes to ensure the active engagement of all stakeholders and educational partners in the development and the periodic review and refinement of the vision, mission, and schoolwide learner goals/graduate profile. This involvement is crucial for fostering a collaborative and inclusive approach to shaping the direction and objectives of the LCAP/SWAP. The core committees meet weekly/bi-weekly or as needed with the school leadership team to gather feedback and input. Once a month or as needed, input and feedback are gathered from teachers, support staff, and administrators. Student and parent input is collected through surveys, community meetings, leadership development training, and the community relations advocate and resources office.

A1.4 Ensuring effective communication with all stakeholders and educational partners to promote understanding of the vision, purpose, and schoolwide learner goals/graduate profile involved establishing clear lines of communication that include

- Emails, all staff and students are provided with a school email address,
- Weekly Newsletters,
- Bilingual community meeting such as Family Nights, Coffee with the Principal/Cafecitos, LCAP

- Weekly Newsletter
- EP Website
- Cafecitos
- Students LCAP Survey
- Students Responses LCAP Survey
- Parent Responses
- LCAP Survey
- ParentSquare

Feedback presentations, ● Social Media, ● Phone calls, ● ParentSquare, ● EP website, ● Bilingual LCAP and School Climate surveys. By implementing these strategies, the School has built a robust communication framework that ensures that all stakeholders understand and are engaged with the school's vision, mission, learner goals, and LCAP/SWAP.	

Criterion A2: Governance

Criterion A2: Governance (*1 page maximum*)

The school's purpose is aligned with governing board goals and policies and focused on student achievement and well-being through data-driven decisions with the aim of preparing students for college and career readiness.

A2.1 Relationship Between the Governing Board and the School: The school community has a clear understanding of the role of the governing board and how the governing board's decisions, expectations, and initiatives guide the work at the school with the aim of improving academic achievement and well-being of all students.	
Findings	**Evidence**
A2.1 Escuela Popular's Board of Directors is comprised of five board members and serves as the legal and fiscal governing entity for both the EPAFLC and EPCTC charter schools. Individuals interested in serving on the board must be nominated and elected by the majority of the existing board members. The 2023-2024 board has members with expertise in areas of business development, higher education, nonprofit management, and community development. Escuela Popular's Board of Directors has policies and bylaws that are aligned with the school's purpose and support the	● Board Meeting Dates ● Board Member Roster ● Board Agendas and Minutes ● Director Reports ● End of Year Report ● Employee Handbook

achievement of ESLRs and academic standards. Board members were involved in the development of the school's vision and mission. In fact, two founding members of the board who helped to shape the school's direction continue to serve on the board and ensure that the school abides by the founder's original vision. The Escuela Popular Board of Directors oversees the Executive Director. The Executive Director serves as the highest administrator at Escuela Popular. The Executive Director is cumulatively responsible for all aspects of organizational and financial health, including but not limited to enacting the school's vision/mission, capacity building, organizational sustainability, and growth, and developing new programming to meet the community's evolving needs. The governing board's primary roles and responsibilities include but are not limited to: ● Approving all significant educational and operational policies, ● Establishing and approving all major contracts, ● Upholding the mission of the school, ● Approving and monitoring the school's facility arrangements and plans, ● Approving and monitoring the budget, fiscal reports, and the School's fiscal practices, ● Receives and reviews the yearly independent financial audit, ● Oversees and evaluates the Executive Director. During every meeting, the Executive Director provides updates to the board on various aspects, including the school's financials, operations, academic programming, attendance, academic achievement, facilities, compliance, and community relations.	

Criterion A3: Leadership for Learning

Criterion A3: Leadership for Learning (*1–2 pages maximum*)

The school leadership, faculty, staff, and parent/community collaborate, make decisions and initiate actions that focus on all students' needs and achievement. The result is accountability for implementing practices and programs, including providing services based on the school's purpose, student needs, and the schoolwide action plan/SPSA goals aligned with the district LCAP.

A3.1 Broad-based and Collaborative: The school's leadership, faculty, staff a) assess data to determine student needs, and b) determine and implement strategies and actions, and c) monitor results and impact on student learning to support continuous improvement.
A3.2 Leadership Role in Accountability: The school leadership and faculty demonstrate shared decision-making, responsibility, and self-reflection on actions and accountability expectations for implementing practices, programs, actions, and services that support student learning.
A3.3 School Action Plan/SPSA Correlated to Student Learning: The schoolwide action plan/SPSA is directly correlated to and driven by the analysis of student achievement and other data and aligned with the LCAP.

Findings	Evidence
A3.1 The School gathers various types of data, including academic performance, attendance records, standardized and local assessment scores, and behavioral data. The collected data is analyzed by the leadership team and staff to identify patterns, trends, and areas where students may need additional support. Based on the identified needs, the School adjusts strategies and updates its LCAP/SWAP. **A3.2** Shared decision-making and self-reflection take place continuously during in-service days, department meetings, and whole school staff meetings. In order to assess student needs, determine strategies, and monitor results to support continuous improvement, teachers and the leadership team collaborate to develop targeted strategies and interventions to address the identified needs during department meetings, task force meetings, and quarterly whole-staff meetings. This may involve changes to curriculum, teaching methods, or additional support services.	• Assessment Calendars • Professional Development Collaboration Schedule • 2023 EPAFLC LCAP • 2023 EPCTC LCAP • LCAP Whole School Staff Presentation • LCAP Metrics • Teaching Learning Communities (TLCs) Presentation

A.3.3 Continuous communication and collaboration among leadership, teachers, and staff are essential throughout the year to ensure a holistic and coordinated approach to supporting student learning and improvement. The Professional Development Collaboration Schedule is designed to support continuous improvement through communication, data analysis, and shared decision-making. Multiple opportunities exist throughout the school year to review and monitor progress on the LCAP/SWAP goals and actions.	

Criterion A4: Qualified Staff and Professional Development

Criterion A4: Qualified Staff and Professional Development (*1–2 pages maximum*)

Qualified staff and leadership facilitate achievement of the student academic standards and the schoolwide learner goals/graduate profile through a system of preparation, induction, and ongoing professional development. There is a systematic approach to continuous improvement through professional development based on student performance data, student needs, and research.

A4.1 Qualifications, Preparation, and Supervision of Staff: The school understands district and school procedures to ensure that leadership and staff are qualified based on staff background and preparation. The school implements effective supervision and evaluation procedures in order to promote professional growth of staff.
A4.2 Professional Learning and Impact on Student Learning: The school effectively supports professional development/learning and evaluates its effectiveness on teacher practices and student learning, with time, personnel, and resources to facilitate all students achieving the academic standards and college and career readiness expectations.
A4.3 Commnication and Understanding of School Policies and Procedures: The school implements a clear system to communicate administrator and faculty written policies, procedures, and handbooks that define responsibilities, operational practices, decision-making processes, and relationships of leadership and staff.

Findings	Evidence
A4.1 Escuela Popular hires qualified staff whose background and preparation align with the achievement of academic	

standards and expected schoolwide learning results. There are established hiring and placement protocols to ensure that individuals are well-suited for their roles. Escuela Popular's Employee Handbook and job descriptions clearly outline the requirements for both credentialed and classified staff. The school actively seeks new personnel through job fairs organized in collaboration with universities and organizations. Additionally, internal promotions are encouraged to fill both certificated and classified vacancies. The Human Resources Office is responsible for verifying the validity of credentials and college degrees for each prospective employee. Every candidate undergoes an interview by a committee composed of school administrators and other stakeholders (e.g., teachers, students, parents). When a position calls for bilingual skills, part of the interview is conducted in Spanish to assess the candidate's language proficiency. School administrators periodically evaluate the candidate in classroom management, instructional delivery, and content knowledge skills. **A4.2** The school is committed to effective professional development and continuous learning by allocating dedicated time, personnel, and resources. This includes: ● Targeted embedded professional development, ● Weekly collaborative professional development time, ● Focus on formative assessment training, ● Differentiated support from instructional leaders, ● Educational conferences focused on ELD and Bilingual education, ● In-service days before the school year, during the school year in between quarters, and at the end of the school year, ● Financial support and release time to attend college and pursue educational goals We have partnered with different credentialing programs that	● Fingerprint Clearance from Custodian of Records ● Employee Handbook ● Safeschools ● Benefits Guide ● Paylocity videos ● Executive Director Job Description ● Principal Job Description ● Student Services Associate Director Job Description ● Teacher Performance Evaluation Rubric ● Professional Development Collaboration Schedule

offer credentialing services to both inductees and interns at Escuela Popular. The approach to the induction program emphasizes personalized and job-embedded coaching. Escuela Popular offers financial support to enable new teachers to enroll in credentialing programs. **A4.3** Each year, the school conducts in-service days at the commencement and conclusion of the school year to brief staff on new policies, updates to the organizational chart, and budget changes. Monthly, the school leadership shares updates and information during staff meetings. Additionally, a weekly newsletter containing important details and dates is emailed to all staff. Email communication serves as a means to keep staff informed about important matters, new processes, procedures, and any changes that may impact employees. Each academic year, both new and existing staff members are required to undergo essential online training sessions. These sessions cover California-mandated training topics, along with recommended subjects aimed at fostering a culture of safety and compliance.	

Criterion A5: Resources

Criterion A5: Resources (*1–2 pages maximum*)

The human, material, physical, and financial resources are sufficient and utilized effectively and appropriately in accordance with the legal intent of the program(s) and LCAP to support students in accomplishing the schoolwide student goals/graduate profile, academic standards, and college and career readiness expectations.

A5.1 Resource Allocation Decisions: School leadership and staff are involved in resource planning and allocation decisions aligned with student and personnel needs, and the goals of the schoolwide action plan/SPSA and the LCAP.
A5.2 Practices and Procedures: Transparent district and school procedures are in place to develop an annual budget, conduct audits and follow quality accounting practices.
A5.3 Instructional Materials: The policies and procedures for acquiring and maintaining adequate instructional materials and equipment, such as textbooks, other printed materials, instructional technology, manipulatives, and laboratory materials are effective.
A5.4 Facilities Conducive to Learning: The school's facilities are safe, functional, well-maintained, and sufficient to support student achievement and the educational program(s)

including the use of technology and digital learning.	
Finding	**Evidence**
A5.1 The human, material, physical, and financial resources at Escuela Popular are sufficient and utilized effectively and appropriately following the legal intent of the program(s) and LCAP to support students in accomplishing the academic standards, college and career readiness standards, and ELSRs. The involvement of the school's leadership and staff in resource planning and allocation decisions is integral to aligning with student and staff needs, as well as the goals outlined in the LCAP/SWAP. Typically, in January, the Executive Director meets with the leadership team and back-office consultants to evaluate the current budget and determine the budget for the following school year. The Executive Director works with school leaders in reviewing and gathering information on current expenditures and projections for the following year. During the year, all expenditure requests go through an approval process managed by the Business and Operations Manager. In May and June each year, the Executive Director presents budget recommendations for the following year to the Board of Directors for approval. **A5.2** Escuela Popular has clear and well-established accounting and financial policies and procedures that detail how the school's funds should be allocated and distributed. As decisions about resource allocations are made, the board of directors and the school leadership ensure that there is diversity in the allocation of resources. Given the high percentage of English Language Learners at Escuela Popular, the school is very deliberate about how it chooses to focus its resources: providing ELD courses, hiring qualified bilingual staff, and providing	• Staff Resource Site • EPAFLC Budget • EPCTC Budget • Financial Policies and Procedures • Williams Visit • Chromebooks • Lenovo Laptops • Fire Department Inspection • Classroom Roof Repairs rooms 105-107 • New blinds in some classrooms • Shade Structures

professional development opportunities that further teachers' understanding of how English Language Learners learn. Escuela Popular engages an independent auditor to complete an annual audit of the school's financial affairs. A qualified CPA familiar with school finances and operations conducts these financial audits. Escuela Popular safeguards against the mishandling of school funds by contracting a qualified CPA familiar with school finances and operations. This contractor audits the school's financial affairs. Escuela Popular uses its Financial Policies and Procedures as an internal guide to prevent mismanagement of funds. The Policies and Procedures details processes for requesting checks, using the school credit card, and submitting reimbursement requests. The Executive Director reviews and approves all invoice reports on a weekly basis. Escuela Popular's Board of Directors reviews and approves the check registers at each board meeting. **A5.3** An annual spending budget is shared with the school Principal that gives them the ability to work with their department heads and teachers on purchasing recommended instructional materials, furniture, and textbooks as well as allocating funds for field trips or other student activities. Larger items, such as technology upgrades to classrooms, and library renovations, are decided upon by the Executive Director in collaboration with the school's leadership team. New computers (Lenovo laptops) were purchased for teachers and staff in 2023. 150 Chromebooks were purchased in 2023 in order to have a Chromebook cart in almost every classroom. **A5.4** Classrooms are spacious, and the campus is kept clean. Maintenance services are provided to support	

morning and evening classes. All teachers share their classrooms with an additional teacher. All classrooms are currently equipped with WiFi, LCD Projectors, HDMI ports, and/or Chromecasts and cell phones. Escuela Popular has worked to create a safe environment by installing outdoor lighting throughout the school (including the parking lot), providing cell phones to all classrooms for teachers to use, and hiring security staff. Due to the school's location in a neighborhood where gangs are prevalent, Escuela Popular immediately removes graffiti. Immediate removal deters others from tagging and decreases students' fear. Escuela Popular moved to its current facility in August 2010 and is for the first time enjoying a traditional school facility with spacious classrooms, open space, and grassy areas. The School hired a landscaping team that grooms and maintains an esthetically pleasing and comforting environment. In 2020 1 metal roof shade structure and 3 pc fabric shade structures were installed around campus. In 2021 the roofing in rooms 105-107 was replaced. In 2022 new blinds were installed and light dimmers were also installed in several classrooms on campus. In 2018 the construction of three new buildings was completed. Out of those buildings 5 classrooms, 1 science lab, and a computer lab were designated to be used by high school students/teachers.	

ACS WASC Category A. Organization for Student Learning: Vision and Purpose, Governance, Leadership, Staff, and Resources Summary

Prioritize and list the strengths and growth areas for the criteria and indicators in this category based on the school's identified major student learner needs.

Areas of Strength

A1 -Increase in instructional resources such as technology

A2 - School leadership is present and accessible to staff

A2 - Board meetings are available for any educational partners to attend

A3 - Assessment data that provides the academic achievement of students is accessible

A4 - Weekly newsletter provided relevant information on professional development and events

A5 - The school provides adequate resources for instruction such as Chromebooks, document cameras, etc.

Areas of Growth

A1 - Provide additional assistance for students who are facing academic challenges so they do not leave school

A2 - Publicize the board agenda more widely

A3 - Reassess how student achievement data can be used more effectively in informing instruction and allocation of resources

A4 - Increase the number of teachers that attend educational conferences

A4 - Provide additional time and resources when a teacher is given a new assignment.

A5 - Improve and streamline communication regarding technology and equipment issues

A5 - Maintain a clean and well-organized Collaboration Room

Category B: Curriculum (6 pages maximum for Category B)

Criterion B1. Rigorous and Relevant Standards-Based Curriculum

Criterion B1. Rigorous and Relevant Standards-Based Curriculum (*2–3 pages maximum*)

All students participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner goals/graduate profile, academic standards, and the college and career readiness indicators in order to meet graduation requirements.

B1.1 Current Educational Research and Thinking: The school provides an effective, rigorous, relevant, and coherent curriculum based on current educational research and thinking that supports the schoolwide student goals and academic standards.

Findings	Evidence
B1.1 Escuela Popular places a significant emphasis on fostering continuous professional development among its staff, investing in a comprehensive program to enhance their skills and knowledge. This commitment is reflected in a variety of professional development offerings, which encompass both embedded and external opportunities. One key component of Escuela Popular's professional development is the focus on job-embedded initiatives. This includes participation in Teaching Learning Communities (TLCs) and department collaboration where teachers engage in cross-curriculum collaboration. Teachers at Escuela Popular have actively participated in Teacher Learning Communities (TLCs) over the years. From 2013 to 2015, they were engaged in these communities, and there was a subsequent two-year period from 2023 to 2024 dedicated to TLC workshops. These communities specifically concentrate on embedded formative assessment techniques to enhance student achievement. Teachers delve into practical methods for classroom formative assessment, with a focus on instructional strategies. Beyond the embedded PD, teachers have broadened their horizons by attending conferences, webinars, and workshops outside the campus. Examples include participation in the Annual California	**Professional Development** • ELD Framework SCCOE: Foundational Skills • CATE 2023 • Teaching Learning Communities (TLCs) Presentation • TLC Workshop 11 Documents • SHEG Webinar • 22-23 EP Master PD Collaboration Plan • 2023-24 PD Master Schedule

Association of Teachers of English Speakers of Other Languages (CATESOL) virtual conference in 2021, the California Association of Teachers of English (CATE) in 2023, the Teacher Leadership Academy (SpEd) in 2022-2023, Ignited Conferences on Sustainability and Climate Change in 2023, webinars by Stanford History Education Group (SHEG) and the Re-Centering the ELA/ELD Framework Webinar Series presented by the California Department of Education. Specific departmental needs have been identified at Escuela Popular, demonstrating a proactive approach towards professional development. This is a summary of the identified needs: 1. The ELD teachers are seeking additional training and resources to enhance their ability to support English learners effectively. 2. The math department acknowledges the significance of integrating technology into math education and aims to stay updated on the latest educational frameworks. 3. The electives department expresses a desire to broaden their professional development beyond internal resources. The focus on job-embedded initiatives, particularly Teaching Learning Communities (TLCs) and department collaboration, fosters a rigorous and effective curriculum. The school's commitment to addressing specific departmental needs demonstrates a commitment to relevance. The identification of needs in ELD, math, and electives demonstrates a proactive approach to ensure the curriculum remains coherent and aligned with the unique requirements of different subjects.	

B1.2 Congruence with Schoolwide Student Goals: There is congruence among the concepts and skills taught, the schoolwide learner goals/graduate profile, academic standards, and the college and career readiness indicators.

B1.3 Academic Standards and College and Career Readiness Indicators: The school has college and career readiness indicators and academic standards for each subject area, course, and/or program that meet or exceed graduation requirements.

B1.4 Curricular Integration: There is integration between/among areas of study, academic standards, and college and career readiness indicators.	
Findings	**Evidence**
B1.2 and B1. 3 Escuela Popular demonstrates a commitment to thorough evaluation by ensuring alignment between taught concepts and skills, academic standards, college- and career-readiness standards, and schoolwide learner outcomes. The school places a particular emphasis on linguistic development for its predominantly second-language learner student population. Students follow a standards-based curriculum alongside designated English Language Development (ELD) courses, where proficiency in reading, writing, and speaking is emphasized. Upon completing the ELD program, students are required to engage in two 50-minute periods of English instruction, focusing on six key proficiencies: oral presentation, vocabulary development, grammar review and extension, journal writing, active learning, and language of the discipline. Escuela Popular is currently working towards enhancing rigor and readiness for college and career, with defined academic standards in each subject area. The partnership with San Jose Community College (SJCC) offers students participation in the Dual/Concurrent enrollment program. Courses on child development and college readiness have been offered to students, and upcoming opportunities include ethnic studies, English composition, and college readiness. English teachers are revising their curriculum to support students with college classes, ensuring coverage of essential concepts and skills. All departments have made progress in aligning and articulating a rigorous curriculum. All math and science courses are A-G approved and were approved in 2022. New program adoptions in the math and science departments introduce students to a	• Approved A-G Courses • English Curriculum Map • ELD Program Scope and Sequence • Concurrent Enrollment Flyer • Concurrent Enrollment Numbers • Concurrent Enrollment Offerings • Social Science Survey • Social Science-Housing Project • Econ Class Notes_ Native America and Sustainability • USH CLASS Notes_ Corroborating Maps • WH Class Notes_ The New Imperialism • MLA Template • Seal of Biliteracy Policy • SPED Teacher Input • Math Project Rubric • TLCs

more challenging curriculum. Technology integration is evident across departments, with platforms like Newsela, NoRedink, Flipgrid, Naiku, and Read Works being utilized. Google Suite apps are widely adopted for teaching and collaborative assignments. English and the Basic Computer Skills classes teach MLA, while social science courses expose students to research using primary and secondary sources In addition, students are taught the following skills to examine sources: sourcing, corroboration, contextualization, and close reading to examine sources of information in social science courses. Special Education (SpEd) focuses on Individualized Educational Plans (IEP) aligned with standards, incorporating transition plans and goals. Ongoing efforts include the development of scope sequences for various courses and exploration of opportunities to offer Advanced Placement courses in Spanish, pre-calculus, and/or calculus. The Escuela Popular Board of Directors approved the Seal of Biliteracy policy in 2021. The institution is actively working on creating a pathway to ensure more students receive the Seal of Biliteracy, further highlighting its dedication to linguistic proficiency and academic excellence. **B1. 4** Escuela Popular is actively pursuing increased integration among disciplines, fostering collaboration and sharing of best practices among teachers from different departments. The school recognizes the value of cross-disciplinary collaboration during Teacher Learning Communities (TLCs) meetings, where educators have the opportunity to learn and exchange insights and strategies that enhance instruction across various disciplines. The Special Education (SpEd) department has established effective communication channels with general education teachers, ensuring regular check-ins and active participation in Individualized	

Education Program (IEP) meetings. Students receive support within their general classrooms and are provided one-on-one assistance when needed. Scheduled check-ins occur weekly, monthly, or as required to discuss student progress, needs, or concerns. General education teachers and support staff play integral roles in annual IEP meetings, contributing written input and actively participating in the process. Moreover, SpEd students are granted access to Google Classrooms through guardianship or co-teaching arrangements. Recognizing the importance of collaboration, Escuela Popular identifies the need for more frequent meetings among departments to create interdisciplinary lessons. Performance/authentic tasks often interrelate different subject areas, such as math and art or English and social sciences. Efforts are underway to facilitate collaboration between math and other subject area teachers, ensuring alignment in the grading categories of performance tasks. To address evolving needs, the SpEd department has identified a need for training on differentiated assignments and assessments. This proactive approach reflects a commitment to equipping educators with the tools and knowledge necessary to provide inclusive and effective instruction.	

B1.5 Community Resources and Articulation and Follow-up Studies: The school engages with community partners and resources, articulates regularly with feeder schools, local colleges and universities, and technical schools.

Findings	Evidence
B 1.5 Escuela Popular is actively engaged in the ongoing process of determining the alignment of its curricular programs and expectations with feeder schools, local colleges, and technical schools. However, there is a recognition that there is currently	• Career Day Schedule • Financial Aid Presentation • Dual Enrollment

no systematic approach in place to follow up on the progress of graduates and gather insights into the effectiveness of the curricular program. To support students in their transition to higher education, the Academic Support Team collaborates with local community colleges. Classroom presentations are scheduled for junior and senior students, focusing on guiding them through the process of applying for financial aid. Additionally, the Academic and Support Team, along with college advisors, play a vital role in assisting students with the completion of financial aid applications, ensuring that students have access to necessary resources. The Student Services Associate Director and academic advisors maintain consistent communication with local colleges, organizing classroom presentations during annual career and college days. These presentations are designed to provide students with valuable information about career options, fostering informed decision-making regarding their future paths. Despite the current lack of a systematic approach for post-graduation tracking, Escuela Popular is actively involved in collaborative efforts with external entities to support students in their transition to higher education and beyond. Ongoing initiatives and potential improvements in tracking progress after graduation reflect a commitment to the holistic development and success of students at Escuela Popular.	Presentation • Concurrent Enrollment Flyer • College Support • Mission College Field Trip Agenda • College Day Schedule • College Field Trip • Concurrent Enrollment Flyer • College Day Flyer • Career Day • Mission College Field Trip

Criterion B2. Equity and Access to Curriculum

Criterion B2. Equity and Access to Curriculum (*2–3 pages maximum*)

All students have equal access to the school's entire program and the school prioritizes opportunity and advancement for all students. Students receive assistance with a personal learning plan to meet the requirements of promotion or graduation and are prepared for the pursuit of their academic, personal, and career goals.

B2.1 Variety of Programs — Full Range of Choices: All students are able to make appropriate choices and pursue a full range of realistic college and career and/or other educational options. The school provides for career exploration, preparation for postsecondary education, and career technical options for all students.

B2.2 Access to Curriculum, Including Real World Experiences, by All Students: A rigorous, relevant, and coherent curriculum that includes real world applications is accessible to all students through all courses/programs offered. Course enrollment patterns reflect the diversity of the school's students.

B2.3 Student-Parent-Staff Collaboration: Parents, students, and staff experience a sense of belonging and value within the school community and collaborate in developing and monitoring a student's personal learning plan, including college and career and/or other educational goals.

Findings	Evidence
B2.1 Escuela Popular actively supports its students in making informed decisions about their academic paths and future careers. One notable initiative is the option for students to take Integrated Math 3 and the encouragement to pursue pre-calculus, providing a pathway for direct enrollment in advanced math courses once in college. The Academic Support Team plays a crucial role in organizing various activities to inform students about educational options. During College Day, EP invites alumni to share their college experiences, providing valuable information about academic needs and requirements to be a successful college student. Local community colleges, including Evergreen College, Gavilan College, San Jose City College, and De Anza College, participate during lunchtime, offering information about programs and opportunities. Career Day features professionals who share impactful information, motivating students to strive for a better future. The Childcare Academy, in collaboration with the University of California Calfresh Nutrition Education Program, provides workshops for children and high school parents. This partnership seeks to enhance awareness and knowledge regarding nutrition, fostering a joint effort to educate and empower families in making informed and healthy dietary choices.	• A-G Approved Courses • Integrated Science 1 • Integrated Science 1 • College Day Flyer • Career Day • Mission College Field Trip • Family Night • Rubrics for essays and oral presentations: Eng 1 through 3 • Redlining Field Trip with SJ Department of Transportation • Student designed survey: What is housing like for the people of San Jose? • Y-PLAN: Google Earth and Project Vision Zero • What is housing like for the people of San Jose? • Health Fair Flyer • Concurrent Enrollment Flyer • College Support • Childcare Financial Literacy and Nutrition Workshops • Math Rubric • ELD GRASPS Final

Additionally, the Childcare Academy offers EPALFC students the opportunity to fulfill community hours. Through this hands-on engagement, students can explore and gain insights into potential careers in child development, making it a meaningful step toward their professional development and understanding of this field. To enhance exposure to higher education, the Academic Support Team at Escuela Popular arranges field trips to local universities and colleges. Students spend a school day on campus, receiving guided tours, learning about acceptance requirements, and gaining insights into potential careers offered by the institutions. A noteworthy option for students is the dual/concurrent enrollment program, allowing them to participate in cohorts or register for college courses individually. This program provides a valuable opportunity for students to experience college-level coursework while still in high school, preparing them for the challenges and opportunities of higher education. Overall, Escuela Popular's commitment to providing information, exposure, and support for students in exploring educational options and career paths reflects a comprehensive approach to their holistic development. These initiatives aim to empower students to make informed decisions about their academic and professional futures. **B2.2** The English Language Development (ELD) department for adults at Escuela Popular has implemented innovative and practical teaching methods during collaboration meetings. Students engage in role-play activities where they conduct job interviews, make medical appointments, and create advertisements. This approach ensures that language learning is not only academically rigorous but also relevant to real-world applications. In English 2 and 3, students participate in unique	Project ● Pi Day Flyer ● Pi Day Activities

projects that connect fiction writing with real-world scenarios. They write fictional narratives and present them as authors trying to "sell" their stories to potential publishers. This exercise involves using visual aids, discussing narrative voice and writing style, and receiving feedback from their peers, simulating a real publishing scenario. In English 3, quarter 2, students work on an advertising project, deconstructing advertisements using Media Studies concepts. They apply persuasive and propaganda techniques to create their own advertisements for original products, presenting them to the class for evaluation based on persuasive impact. The Social Science department engages students in real-world experiences, such as a redlining field trip with the San Jose Department of Transportation. This trip connects historical events with present-day housing conditions, offering students a firsthand look at the impact of policies like redlining. Additionally, students collaborate with local non-profit organizations to study and address housing conditions in their communities, making connections to their U.S. Government class. The Y-PLAN project involves students working with the San Jose Department of Transportation's Project Vision Zero and San Jose State University to address pedestrian safety on a dangerous road. Students gather data, analyze conditions, and present solutions to local leaders, creating a tangible impact in their community. In the math department, adult students apply math concepts in real-world contexts related to their workplaces, such as construction, tailoring, cooking, and painting. The department emphasizes performance tasks related to each quarter's units, requiring students to create portfolios and present their work regularly. The annual celebration of Pi Day engages all students in fun and educational activities related to the mathematical constant π.	

The Promotores de Salud class goes beyond traditional academics, training students in First Aid, CPR, public speaking, and minor medical procedures. The annual health fair provides students with an opportunity to apply their skills by setting up informational tables for the community and collaborating with organizations that offer health services. This program demonstrates a practical and community-focused approach to health education. **B2.3** Escuela Popular is actively engaged in evaluating and enhancing collaboration among parents, students, and staff in the development, monitoring, and revision of students' personal learning plans, college and career goals, and other educational objectives. In the EPAFLC program, the Academic Support Team organizes quarterly family nights, providing parents/guardians with the opportunity to meet their children's teachers and gain insights into the course curriculum for each class. During Family Nights, teachers hold individual meetings with parents to discuss their child's progress, fostering direct communication and a deeper understanding of the student's academic journey. To address challenges, the Academic Support Team schedules meetings with both youth students and parents/guardians to review progress and develop plans for students facing difficulties or failing classes. Referral forms are utilized for students not responding to in-class interventions or experiencing chronic academic or behavioral challenges. The Student Study Team (SST), consisting of members from the academic support team, administrators, teachers, students, and parents/guardians, collaboratively creates action plans implemented over six weeks. Follow-up meetings are conducted to review and modify action plans based on the student's academic and behavioral progress. In the EPCTC program, academic advisors play a pivotal role in working with English 1-4 students,	

ensuring they are enrolled in the necessary classes to meet graduation requirements. For adult and youth seniors, academic advisors provide personalized support to help them navigate the path to graduation and entry into college.	

ACS WASC Category B. Curriculum Summary

Prioritize and list the strengths and growth areas for the criteria and indicators in this category based on the school's identified major student learner needs.

Areas of Strength

1. Google Classroom is being used by 90% of teachers. Most teachers are effectively integrating more technology into their lessons.
2. The SpEd department ensures all students are included in a rigorous curriculum through "inclusion" in mainstream classrooms. They are given personalized accommodations and professional support.
3. Teachers have partnered with organizations such as the San Jose Department of Transportation's Project Vision Zero and San Jose State University (Y-Plan). These partnerships have provided students with a curriculum that includes real-world experiences.
4. All science and core math courses have received A-G approval. The math and science departments have adopted new programs, introducing students to a more rigorous curriculum.
5. The counseling department organizes a college day, a career day, and FAFSA and Dream Act support in classrooms where students receive information about financial aid and post-secondary options.

Areas of Growth

1. Offer professional development on Project-Based Learning (PBL) and guide teachers in developing authentic tasks and rubrics that engage students through projects involving critical thinking, teamwork, and problem-solving skills.
2. Increase cross-disciplinary collaborations.
3. Create more options for elective classes.
4. Open a Basic Computer Skills class for the PM program.
5. Give the library more access and hire a librarian to upgrade the system and books.
6. Create a tutoring program for students enrolled in college courses and students struggling with academic classes.

Category C: Learning and Teaching (*6 pages maximum for Category C*)

Criterion C1: Student Engagement in Challenging and Relevant Learning Experiences

Criterion C1: Student Engagement in Challenging and Relevant Learning Experiences (*1–3 pages maximum*)

All students experience an equity-centered learning environment and are involved in challenging and relevant learning experiences reflecting schoolwide goals, academic standards, and college and career readiness indicators.

C1.1 Results of Student Observations and Examining Work: All students are involved in challenging and relevant work in an equity-centered learning environment.

C1.2 Student Understanding of Learning Expectations: All students understand the standards/expected performance levels for each area of study in order to demonstrate learning and college and career readiness.

Findings	Evidence
C1.1 Escuela Popular High School demonstrates a commitment to engaging students in challenging and relevant learning experiences across various subjects. Students apply skills and content learned through project-based assignments, emphasizing practical applications in different classes. In physical education, students learn and develop skills through playing matches of different sports. Science classes incorporate hands-on experiences with labs, experiments, and demonstrations, allowing students to practice what they have learned while the teacher observes their work in pairs. Oral presentations are a recurring element in core English and ELD classes providing students with varied public speaking experiences and opportunities to practice academic language. Writing proficiency is a key focus, with students writing portfolio essays of different types quarterly in English and Social Studies classes. Additionally, students in ELD demonstrate correct verb tenses in paragraph writing through journal entries. Reading logs across ELD and core English reveal that	• Rubrics for Essays and Oral Presentations: Eng 1 through 3 • ELD Writing Expectations • ELD Paragraph • Science Projects • ELD Oral Presentations • ELD Scope and Sequence • ESLRs • ELD 2 Syllabus • AFLC ELD 3 Scope and Sequence • Math 1 Q 1 Discrete Graph • Math 1 Gallery Walk Project

students are challenged to read independent texts at or above their Lexile range to improve reading proficiency. The school has invested in the Newsela Pro platform to ensure engagement in challenging and relevant readings on a variety of topics. In math classes, students work collaboratively on assignments that involve questions requiring answers at different complexity levels. They are also required to present real-life problems with various representations, including tables, graphs, equations, and explanations. Spanish classes focus on improving language skills by analyzing literature, exploring culture, and enhancing academic proficiency in Spanish. Teachers post challenging and relevant learning outcomes based on academic standards, scopes and sequences, or curriculum maps. The expected schoolwide learning results guide instruction and inform students about expected performance levels. **C1.2** Escuela Popular High School demonstrates a commitment to clear communication of learning objectives and expectations across various subjects. In the designated ELD classes, students are assessed through quizzes using a variety of formats, such as answering questions in complete sentences, multiple choice, comprehensive reading, and translation of sentences. This diverse assessment approach ensures that students can demonstrate their knowledge using different skills. All departments, including English and ELD, provide students with copies of course syllabi, outlining class expectations and objectives. In English classes, students are provided with rubrics and essay models, along with scaffolded assignments. ELD and English teachers use rubrics for formal writing assignments and oral presentations. Core English classes assess students quarterly using proficiencies detailed in class syllabi.	

Physical Education (PE) teachers follow standards to support students in their areas of growth. The alignment with scopes and sequences and yearly plans ensures that students learn fundamental skills progressively. Learning objectives in core classes are rooted in Common Core standards and state frameworks. The ELD department is actively aligning and refining its curriculum with the English Language Development (ELD) standards.	

Criterion C2: Student-Centered Instruction through a Variety of Strategies and Resources

Criterion C2: Student-Centered Instruction through a Variety of Strategies and Resources (*2–3 pages maximum*)

All teachers use a variety of strategies and resources to create an equity-centered learning environment that actively engage all students in creative and critical thinking, problem solving and application of learning.

C2.1 Teachers Facilitate Learning: Teachers use a variety of evidence-based instructional methodologies to promote student learning and encourage student agency.
C2.2 Student Voice and Agency: Student voice and agency are equally applicable for all students, empowering them to be meaningfully engaged in decision making about their own learning, strategic thinking, and problem solving.
C2.3 Digital Learning and Problem Solving: Teachers use technology and digital learning tools to enhance and support student learning and help students solve real-world problems.
C2.4 Career Preparedness and Applied Learning: Teachers provide learning opportunities that extend beyond the textbook and classroom, deepen students' depth of knowl**C.2.1** edge, and prepare them for college and careers.

Findings	Evidence
C2.1 Escuela Popular High School employs a variety of formative assessments, such as Teaching Learning Communities (TLC), to gauge student knowledge. In English 1, students have diverse opportunities to demonstrate their understanding through writing, multiple-choice quizzes, acting, drawing, and more,	• TLC Documents • TLC Strategies • TLC Triangle of Learning • E3 Q2 LoD Review--Opinion

fostering a comprehensive assessment approach. Teachers at Escuela Popular stay current in instructional content and research-based methodologies, including the integrated use of multimedia and technology. While professional development opportunities have been provided, there is recognition that further alignment of practices and shared knowledge is needed among teachers. The school aims to focus on professional development that aligns with instructional strategies presently used and introduces new ones, with the introduction of aligned performance tasks being a positive step towards this goal. Teachers employ various strategies in their classrooms, including identifying and differentiating students with learning disabilities, using equity teaching techniques to accommodate different learning modalities, and relating instruction to students' cultures and experiences. Teachers in English, ELD, social studies, and Spanish classes use brainstorming, graphic organizers, comprehension checks, daily journals, and the jigsaw strategy to enhance student engagement and understanding. These strategies contribute to a dynamic and inclusive learning environment at Escuela Popular High School. **C2.2** The involvement of students in Individualized Education Program (IEP) meetings is an important aspect of inclusive education, ensuring that students play an active role in decisions about their learning. In the context of mathematics at Escuela Popular, students are given the opportunity to showcase their understanding through performance tasks, and they have the flexibility to choose the format that suits them best. This may include creating a slideshow, a poster, or a proportional model. This approach recognizes and accommodates diverse learning styles, allowing students to express their knowledge in a way that aligns with their strengths and preferences. Additionally, the use of strategies learned in Teacher Learning Communities (TLCs) contributes to	Article- • SPED Planning Chart • SPED PersuasionMap • Google Classroom Classwork • Google Classroom Agenda Google Classroom Gradebook • Math Lab Packet • Math Lab Video • Redlining Field Trip with SJ Department of Transportation • Student designed survey: What is housing like for the people of San Jose? • Flipgrid Presentation

fostering an environment where students are encouraged to take ownership of their own learning. TLCs typically involve collaborative efforts among teachers to share effective teaching practices and strategies. By implementing these strategies in the classroom, students are empowered to actively participate in their learning journey, promoting a sense of responsibility and engagement. **C2.3** Escuela Popular High School integrates technology into various aspects of learning to enhance instruction and provide students with opportunities to engage with modern media. Here are some key points about the use of technology at Escuela Popular: 1. Students use Google Classroom for completing and submitting assignments. 2. The SpEd department utilizes technology tools such as text-to-speech, audiobooks, and digital books to support students with diverse learning needs. 3. In math labs, students can watch videos with explanations, enabling them to progress through the material at their own pace. This approach allows students to advance more quickly through the math labs and enter core math courses sooner. 4. The use of Google Classroom and its Gradebook provides students with the ability to monitor their progress. They can access agendas, lesson objectives, assignments, videos, and handouts, which is particularly beneficial for students who may have missed a class or need additional clarification. 5. Some authentic tasks/performance tasks require students to present information using slide shows, incorporating technology into their presentations. Additionally, students in math courses are required to use desmos.com, an online tool for graphing various functions. 6. In various classes, teachers regularly use	

technology tools such as Google Suite apps, Newsela, Flipgrid, NoRedInk, and Naiku to facilitate instruction and provide additional resources for students. 7. Escuela Popular provides students with the opportunity to take basic computer skills courses as electives during regular hours. This enables them to learn essential components of using technology as a learning tool, including creating presentations, and documents and conducting internet research. However, these courses are not currently offered to students in the evening program. The school is actively exploring options to extend these courses to all students, indicating a commitment to ensuring that technology education is accessible to a broader range of learners. **C2.4** Escuela Popular High School provides a dynamic and inclusive learning environment that encourages students to think critically, problem-solve, and apply their knowledge across various subjects. In Math classes, students have access to online platforms such as Khan Academy and Google Classroom. These resources offer students access to videos and practice materials related to the topics learned in class, providing additional support and reinforcement. Teachers at Escuela Popular challenge students daily, fostering critical thinking and problem-solving skills at both group and individual levels. The school enrolls students throughout the year, resulting in a diverse student body with varying educational backgrounds. Different levels of student work are observed in ELD classes, where assignments in beginning ELD classes require critical thinking, including translation tasks and analysis of syntax. Students across different subjects demonstrate higher-order thinking skills through various assignments. Language courses involve writing different types of essays, research papers, and literary	

analyses. The health class provides opportunities to apply knowledge in real-life situations, such as CPR training. Escuela Popular students utilize a variety of materials and resources beyond textbooks to enhance their learning experience. Science teachers incorporate video technology to reinforce lessons, and English classes involve reading novels and short stories that complement the course literature. The Personal Educational Reflection (PER) project in English 3 requires students to critically reflect on their education and post-graduation goals, creating a timeline and researching opportunities for further education or career paths. Science classes leverage videos, websites, and laboratories to provide a comprehensive and enriched learning experience. Escuela Popular encourages students to apply their knowledge, skills, and leadership abilities in extracurricular activities. The school does not currently offer extended opportunities for extracurricular activities. There are plans to offer opportunities for clubs, volunteering, and community service in the future to enrich the students' overall learning experience and contribute to their personal and social development.	

ACS WASC Category C. Learning and Teaching Summary

Prioritize and list the strengths and growth areas for the criteria and indicators in this category based on the school's identified major student learner needs.

Areas of Strength

1. Teachers from various content areas seamlessly incorporate technology and digital learning tools into the classroom, aiming to augment student learning and foster problem-solving skills.
2. The collaboration with San Jose State (Y-Plan) has provided teachers with supplementary professional development. Teachers have applied the strategies and activities acquired through this collaboration with San Jose State (Y-Plan) to benefit other classes.
3. Teaching Learning Communities (TLC) has provided teachers with new formative assessment strategies.

4. The ELD and Math Lab programs provide students with foundational skills, better preparing them for core classes. Implementing intentional strategies has positively enhanced the learning environment, promoting higher-order thinking and inclusion.
5. Core subjects such as English, math, science, and social science present students with meaningful learning experiences that adhere to the Common Core and College and Career Readiness standards, offering challenging educational opportunities.
6. The ELD and Math Lab programs allow students to learn foundational skills that can help them be more prepared for core classes.

Areas of Growth

1. Empower students to be actively involved in decision-making about their learning, strategic thinking, and problem-solving.
2. Offer professional development on Project-Based Learning (PBL) and guide teachers in developing authentic tasks that engage students through projects involving critical thinking, teamwork, and problem-solving skills.
3. Monitor the success and impact of our program post-graduation for students.
4. Establish a cooperative and encouraging educational framework involving community partners. Maintain consistent communication with feeder schools, local colleges, universities, and technical schools to foster collaboration and support.
5. Align College and Career Readiness standards to all curricula to ensure all students are well-prepared for success in post-secondary education and the workforce.

Category D: Assessment and Accountability (*6 pages maximum for Category D*)

Criterion D1: Reporting and Accountability Process

Criterion D1: Reporting and Accountability Process (*1–3 pages maximum*)

The school leadership and instructional staff use effective and equitable assessment processes to collect, disaggregate, analyze, and report schoolwide student performance data to the school staff, students, parents, and other stakeholders/educational partners. The analysis of data guides the school's programs and processes, the allocation and usage of resources, and forms the basis for the development of the schoolwide action plan/SPSA aligned with the LCAP.

D1.1 Professionally Acceptable Assessment Process: The school leadership and instructional staff use effective and equitable assessment processes to collect, disaggregate, analyze, and report student performance data to all stakeholders/educational partners.
D1.2 Basis for Determination of Performance Level: The school leadership and instructional staff have agreed upon the basis for students' grades, growth, and performance levels to ensure consistency across and within grade levels and content areas.
D1.3 Assessment of Program Areas: School teams use assessment results to make changes in the school program, implement professional development activities, and allocate resources demonstrating a results-driven, continuous school improvement process.
D1.4 Schoolwide Modifications Based on Assessment Results: School leadership partners with district leadership to periodically assess programs and expectations for students' academic growth and progress.

Findings	Evidence
D1.1 Student academic achievement data is shared with Escuela Popular Board of Directors, staff, parents, students, and the community at different times during the school year, using a variety of methods and channels of communication, one of them being during board meetings where the assessments and results of available data are shared with the audience. To share data internally, state and local assessment data are imported into student data management systems such as PowerSchool, PowerTeacherPro, and more recently, Otus (effective 2023-24 school year). Assessment data is always imported immediately after student data results become available for all local and state assessments administered. Otus is a	• PowerSchool • NWEA Website • Otus • PowerTeacherPro • Director Reports • NWEA Reports • ELPAC Letter • EPAFLC SARC • EPCTC SARC • Initial ELPAC Letter

teacher-friendly system that can be used to navigate through individual teacher's assigned students. It is also available to administrators including the Principal, Instructional Leaders, Assessment Coordinator, and Special Education Coordinator. The main goal is to inform everyone of the academic progress of the students to find areas of improvement. The following assessment results are collected, disaggregated, and shared with the EP community, by grade level and subgroups: • English Learner Proficiency Assessments for California (ELPAC) • Smarter Balanced Assessments Consortium (SBAC) • Northwest Evaluation Association test Measure of Academic Progress in Reading and Mathematics (NWEA MAP) • Physical Fitness Test (PFT) In addition, test score reports are sent to parents of students in the under 19 programs and to students for the EPCTC program. (ELPAC, Smarter Balanced, etc). The under-19 ELD Department teachers send individual students' reports to parents twice every quarter. EPCTC ELD Eng.1- 4 students are able to check their grades through Google Classroom and final reports in PowerTeacher are shared with students. Math Core- Google Classroom and PowerTeacher reports are visible to students. The purpose of acquiring the Otus platform is for teachers to have access to all of this data, Escuela Popular teachers and administrators are currently working on getting familiar with the platform. **D1.2** Escuela Popular's leadership and instructional staff have agreed upon the basis for students' grades, growth, and performance levels to ensure consistency across and within grade levels and content areas. Teachers have individual systems for determining a student's grade(s) at	• Rubrics for essays and oral presentations: Eng 1 through 3 • ELD Writing Expectations • ELD 1A-3B Final Project Rubrics • Quarterly Report Cards • Transcripts

the end of the quarter and for all tasks completed. Escuela Popular has an A,- F grading system, whereas A,B, and C grades are required to be promoted to the next ELD's level, and A,B,C, and D are required for passing in all other courses. Escuela Popular's math, ELD, Humanities and all of the departments have common rubrics to determine students' academic progress. These are done through ● Rubrics & Categories ● Presentations ● 3A-3B Writing and Oral Presentations ● 1A-2B Writing rubrics in progress ● Math project rubric In addition, there have been changes to the structure of the class in the Math Department; Modules have been changed to Math Labs to adapt the curriculum of students without changing the educational standards of California. Currently, the ELD and English departments have created proficiencies for determining a student's grade(s) at the end of the quarter. These departments have also created common assessments which are reviewed and refined quarterly. The school has a detailed process for collecting and storing grades and credit completion on a quarterly system, approximately every 10 weeks. The letter grade is the result of multiple assessments such as weekly quizzes, homework, oral presentations, essays, writings/journals, participation, projects, and final exams. Every quarter, teachers evaluate and determine if a student has mastered the set of skills and knowledge to be promoted to the next level. Final quarter grades are recorded and stored in PowerTeacher and then imported into PowerSchool. Passing grades are translated into credit earned. The school has collected and is able to calculate percentages for credit completion rates, which Escuela Popular used extensively to monitor student	● Math Placement Test ● ELD Pre-assessment ● English 1-3 Writing Pre-assessment

achievement and passing rates. Credit completion rates are important to our school considering the adult population and high mobility rate. **D1.3** Teachers administer a variety of formative and summative assessments. Teachers have a working knowledge of the analysis of student work and independently use classroom and individual student assessment data to provide targeted support to students both inside and outside of the classroom. Escuela Popular teachers use the pre-writing assessment to evaluate the need to emphasize struggling areas in writing. They use the Lexile scores to create groups with the same reading Lexile and assign strategically the seating charts based on students' needs. There is a need to focus more on analyzing test scores and adjusting lesson plans based on students' areas of improvement, especially on the ELPAC state test since our high school has a high concentration of English Learners. Teachers have access to a range of tools that enable them to assess students' learning styles and determine how students learn best. While formative and summative assessments are currently utilized by all teachers, we have identified a need to improve the variety of assessments teachers use. There is a particular emphasis on transitioning to performance task assessments, which enable students to apply language and skills in meaningful and interactive contexts. The alignment of performance-based assessments and rubrics is necessary for monitoring and informing instruction. **D1.4** Escuela Popular's leadership in partnership with teachers periodically assesses programs and expectations for students' academic growth and progress. Escuela Popular staff meets at different times during the year such as: • In-service days	• PD Calendar • TLC Agenda • TLC Workshop 11 • Teaching Learning Communities (TLCs) Presentation

• Department Meetings • TLCs Meetings • LCAP Meetings to analyze students' data and the processes of how this data is collected.	

Criterion D2: Using Student Assessment Strategies to Monitor and Modify Learning Progress

Criterion D2: Using Student Assessment Strategies to Monitor and Modify Learning Progress (*1–3 pages maximum*)

Teachers employ a variety of appropriate assessment strategies to evaluate student learning. Students and teachers use these findings to modify the learning/teaching practices to improve student learning within and across grade levels and departments.

D2.1 Monitoring Student Growth: Teachers determine and monitor all students' growth and progress toward meeting the schoolwide student goals/graduate profile, academic standards, and college and career readiness expectations.
D2.2 Teacher and Student Feedback: Teachers provide timely, specific and descriptive feedback in order to support students in achieving learning goals. Teachers use student feedback and dialogue to monitor progress and learn about the degree to which learning experiences are understood, relevant, and prepare students for college and careers.
D2.3 Demonstration of Student Achievement: Teachers use the analysis of formative and summative assessments to guide, modify, and adjust curricular and instructional approaches.

Findings	Evidence
D2.1 To monitor students' development and direct instruction in the classroom, teachers regularly use the proper formative and summative assessment techniques. Analyzing student work and assessments demonstrates that students exhibit standard success in a variety of ways. Through projects, benchmarks, test scores, and daily formal and informal assessments in the classroom, students show that they have reached their goals and are making progress. The school uses various platforms which offer a variety of online assessment options, including multiple-choice questions, fill-in-the-blank questions, and essay grading tools. The outcomes of these evaluations provide educators with a variety	• Summative Assessments • NWEA Reports • Assessment Calendars • Quarterly Report Cards

of information that they can utilize to identify learning gaps, establish an appropriate pace, and evaluate if reteaching is required. **D2.2** Escuela Popular has an effective process to provide student feedback and is an important part of monitoring student and classroom progress over time based on academic standards, college and career readiness, and schoolwide learner outcomes. Interviews and dialogue with representative students inform the degree to which learning experiences are understood and relevant in preparing students for college, career, and life. Teachers are in constant communication with students throughout the quarter providing feedback and showing students their areas of improvement. Every year, Escuela Popular alumni receive invitations to attend our College Day, where they can share their college experiences with our current students. Our alumni have conveyed a sense of readiness for success in community college and emphasized the importance of enhancing English writing skills and oral language proficiency. This is seen as crucial for better preparation and competitiveness among students beyond the Escuela Popular community. **D2.3** Escuela Popular maintains cohesion in its assessment practices. All teachers utilize pre-assessments, formative assessments, and summative assessments to monitor student progress throughout the quarter. The range of assessments encompasses quizzes, oral presentations, projects, peer and self-evaluations, student-written questions, essays, journals, and final course exams. Specifically in ELD classes, weekly quizzes and final summative exams are administered on a quarterly basis. Promotion to the next ELD level is determined based on students demonstrating mastery of the content. Furthermore, teachers across all disciplines employ a variety of formative assessment strategies acquired during TLCs. These strategies play a crucial role in gathering achievement data and informing instructional decisions. Escuela Popular actively discusses the potential adoption of specific strategies and	• ELPAC Parent Notification Letter • Otus • NWEA Reports • Summative Assessment

techniques to ensure consistency within each discipline or course level, aligning with the desired student outcomes.	

ACS WASC Category D. Assessment and Accountability Summary

Prioritize and list the strengths and growth areas for the criteria and indicators in this category based on the school's identified major student learner needs.

Areas of Strength

1. Honor roll assemblies recognize academic achievements, motivating students to progress toward graduation
2. Teachers cover syllabus details on the first day of class, including content, major assignments, and grading criteria.
3. Instruction is adjusted based on pre-assessment results and formative assessments learned in TLCs.
4. Department meetings involve teachers sharing best practices to enhance student performance.
5. The Maht Modules program has evolved into Math Labs to meet student needs while adhering to educational standards.
6. The ELD, Math, and English departments adhere to standardized grading criteria and proficiency benchmarks. Additionally, they utilize shared Google Drive folders to collaborate on materials at various educational levels.
7. The school adopted the Otus platform for tracking student assessment results.

Areas of Growth

1. Utilize the Google Classroom gradebook for storing and sharing grades with students and families consistently.
2. Distribute students' standardized test scores to math teachers when scores are released.
3. Enhance the process of informing students about test dates and their purpose.
4. Offer more comprehensive explanations to teachers regarding students' state test scores.
5. Strengthen communication channels between different departments.
6. Implement training sessions on student assessments for new teachers.
7. Conduct follow-up training on the new assessment data platform (Otus).
8. Develop an infrastructure to allow instructional leaders and teachers to analyze student achievement data to inform instruction and continue developing.

Category E: School Culture and Support for Student Personal, Social-Emotional, and Academic Growth (*6 pages maximum for Category E*)

Criterion E1: Family and Community Involvement

Criterion E1: Family and Community Involvement (*1–2 pages maximum*)

The school leadership employs a wide range of culturally sensitive strategies to encourage family and community involvement, especially with the learning/teaching process.

E1.1 Strategies and Processes: School implements a range of culturally sensitive strategies and processes for ongoing family and community involvement in the learning and teaching process for all students.
E1.2 Inclusive Cultural Understanding: School leadership values the cultures of students and adults through the learning opportunities and materials provided to develop an inclusive cultural understanding.
E1.3 Rapport and Trust: School leadership develops rapport and trust with students, staff, families, and the community, valuing the identities of all individuals.

Findings	Evidence
E1.1 & E1.2 The School prides itself on its over 35 years of experience implementing culturally sensitive strategies and processes to facilitate continuous student, family, and community engagement. Part of Escuela Popular's uniqueness is that it simultaneously serves both adults and students of traditional high school age. Culturally sensitive strategies and processes implemented are: ● The main characteristic of the school is that it focuses on students' needs by providing adjusted schedules for students who work in the morning and/or evening by providing both an AM & PM school schedule. ● Free child care ensures students and their children are learning in a safe environment. The childcare program serves more than 200 children of Escuela Popular students, who benefit from high-quality care and child development. The program follows the Waldorf-Inspired LifeWays Curriculum, which emphasizes the importance of nurturing relationships in	● School Wide Events Calendar ● Bell Schedule ● Childcare Academy ● Waldorf training ● Student Engagement Teacher's Presentation/Tier Intervention ● Outreach Recruitment ● Student PBIS System Teacher's Presentation ● Escuela Popular Community App ● Health Fair

a child's life and offers healthy snacks, education, art and music, and activities connected to nature. Without the childcare program, many students would not be able to attend school. ● Meeting students where they are and supporting them with their academic dreams to transform their lives with educational services designed to meet their language, social, and academic needs. ● Open enrollment that allows students to enroll in school any time during the year. We typically experience an influx of new students in the month of January in the middle of the school year. ● Culturally relevant instruction that supports learning through strategic use of the primary language, also known as Translanguaging. ● Culturally responsive support services that support the needs of immigrant and unaccompanied minors who have experienced trauma. ● 90% of Escuela Popular staff reflect the student body and are bilingual/bicultural. ● New student needs assessment in-take process and quarterly new student orientation sessions are critical to ensure student's academic success. The school has a system to identify truant students and provide different interventions to prevent this issue. ● School hours of operation are 7:30 am -11:00 pm. Escuela Popular's approach to parent and community involvement is non-traditional and innovative. For instance, several EPAFLC students do not live with their immediate families but with aunts, uncles, older siblings, or other non-parental family members. These non-parental family members' involvement in the student's education is limited; therefore, the focus is on the students themselves in the teaching/learning process, engagement, and connection with positive male and female role models. The adult students are heavily invested in their education.	● Orientation: New EPCTC Students ● Orientation: New EP AFLC Students ● Cyberbullying Educational Services ● Parent Conference ● Parent Conference 2024 ● Outreach Recruitment ● Family Night Welcome Back to School Invitations ● Field Trip Permissions ● EPAFLC High School Student Handbook ● EPCTC High School Student Handbook ● Parent Conference

Despite the heavy work schedules and family responsibilities, they are persistent in attending school and committed to obtaining a high school diploma. **E1.3** School leadership fosters rapport and trust with students, staff, families, and the community by creating a safe, inclusive learning environment. In addition to the strategies and processes mentioned above, the School promotes open and transparent communication via a variety of means. Families of EPAFLC students are invited to campus to attend our Family Nights, which take place quarterly. During this time, we celebrate student's academic achievement and Jaguar's Pride. Families of our youth are also invited to our Cafecito with the principal every month. During these meetings, parents are informed about school-wide events, such as the Parent Conference/Open House, Feria de Salud, Back to School, monthly academic assemblies, etc., and relevant aspects of everyday school life. Parents also have the opportunity to provide feedback to teachers and administration twice a year by providing an LCAP Feedback Survey. Seniors can share their academic experience with the community during their personal reflection speech (PERS). Involvement with the community includes visits from inspirational speakers and professionals, visits to local colleges/universities, and collaboration with local businesses and community organizations. Escuela Popular partners with the Center for Training and Careers (CTC) to support vocational training, such as digital literacy courses. Escuela Popular has established collaborative partnerships with community organizations that provide social services to our students and families, strengthening the School's commitment to the well-being of the entire community. These partnerships include: ● Santa Clara Valley Medical Center, which provides on-site medical services and accessible health care to students ages twenty-six and younger. The medical van,	● Gardner Student's Workshops ● Gardner MOU ● Kaiser Permanente Educational Plays ● ParentSquare

as it is known on campus, visits Escuela Popular either once or twice per month. ● Gardner Health Services, which provides on-site mental health professionals to visit classrooms biweekly and work with 6th through 12th-grade students about normalizing feelings, conflict resolution, suicide prevention, etc. ● Kaiser Permanente's Theater program for 3rd to 12th-grade students to teach them how to identify healthy ways to cope with stress and access available resources for them. Here are some additional ways Escuela Popular supports educational partners' involvement and needs: ● Annual Parent Conference for students who are parents and for parents of youth students. ● The Childcare program Annual Open House for parents. ● Counselors conduct annual one-on-one meetings with all youth students and their parents and additional meetings as needed on a case-by-case basis. ● Teachers conduct one-on-one meetings with parents. ● Parents or guardians are involved when students receive medical services from the Health Van. ● Family members are invited to school events. ● Use of ParentSquare to inform parents and guardians about school events and resources. ● Escuela Popular App that includes the school calendar, events, and resources in housing, legal, labor, immigration, internal referrals, etc. ● Community Schools services which include legal advocacy, food, referrals for rent assistance, immigration services, etc.	

Criterion E2: School Culture and Environment

Criterion E2: School Culture and Environment Criterion (*1–2 pages maximum*)

The school leadership focuses on continuous school improvement by providing a safe, clean, and orderly place that nurtures learning and developing a culture that is characterized by trust, professionalism, and high expectations for all students.

E2.1 Policies and Resources: The policies, regulations, and resources ensure a safe, clean, and orderly place that nurtures learning for all students, including internet safety.

E2.2 Trust, Respect, and Equity: The school culture demonstrates caring, concern and high expectations for all students in an environment that honors individual differences, social emotional needs and is conducive to learning.

E2.3 School Culture: The entire school community has an atmosphere of trust, respect, equity, and professionalism.

Findings	Evidence
E2.1 The School's policies, regulations, and resources ensure a safe, clean, and orderly learning environment. The School has a Safety Committee that meets biweekly to make sure safety policies and procedures are being followed. This includes protocols for emergencies, active shooter, fire drills, and overall safety of the campus. The school leadership is in contact with the San Jose Police Department Community officer, who acts as a resource to our campus. Our Business and Operations Manager supervises the allocation of resources for regular maintenance and cleanliness of school facilities. There are also internet safety protocols to educate students on responsible online behavior, content filters, network/firewall, and guidelines on the appropriate use of technology. **E2.2** The School cultivates a positive and inclusive environment where students feel welcomed and valued. There is an atmosphere that embodies care, concern, and high expectations for all students. Escuela Popular staff is committed to the established Learning Principles and Core Values that clearly communicate high	• Safety Plan • Safety Plan Presentation • Code of Conduct • EP Core Values & Learning Principles • School Climate Survey Parent Feedback • School Climate Survey Student Feedback • Free backpack • Bell Schedule • Family Night Welcome Back to School Invitations • Honor Roll • Incident Report • Academic Advisor Intervention • Childcare Academy Professional Development • Master_PD & Collaboration Plan • EP Staff Resources

expectations. Escuela Popular serves students from Latin America who face numerous challenges when migrating to the United States. Economic inequality, lack of resources, and insecurity in their home countries make it difficult for them to pursue their education. Some students are illiterate in their native country and have to complete their education in a new country. Fortunately, Escuela Popular provides a welcoming community that supports all its students' emotional and academic growth. EP teachers learn different ways to identify student's needs and make appropriate referrals when needed. Integrated student support, expanded and enriched learning opportunities, and the encouragement of family and community participation are the resources that make Escuela Popular the best choice for students who want to achieve their full potential. Escuela Popular has a detailed Code of Conduct (COC) that explicitly relays expected behavior for students and staff. The school employs restorative justice practices to address and teach unwanted behaviors. The School has caring and approachable staff that is readily available to address concerns and build positive relationships. Our students can identify with teachers and staff who speak their native language, value their cultural traditions, honor their resilience, believe in them, and hold high expectations. This staff includes our teachers, childcare specialists, Principal, Student Services Associate Director, Instructional Leaders, Student Resource Advocate, Academic Advisors, Community Relations Advocate, Student Data Manager, Campus Supervisors, and Special Education Coordinator. The majority of them are bilingual/bicultural and alumni of Escuela Popular.	• Digital /Student/Parent Tutorials • AFLC and AM- CTC High School Bell Schedule

The School implements restorative practices to address conflicts and behavior issues in a loving and caring manner that stimulates a just mind where students understand and correct their wrongs. Taking accountability for their misbehaviors places them in a position of learning, validation, and empowerment. **E2.3** Escuela Popular cultivates a school culture that is characterized by respect, trust, equity, and professionalism. The intentional efforts of the entire school community to foster a positive school culture are: ● Family Center Model, where the entire family has access to educational services in one location, ● Listening sessions to improve and build communication and trust between colleagues to serve students. Listening sessions provide an opportunity for staff to listen and be listened to. This practice has had a positive effect on staff relations. ● Happiness Aim Methodology, a schoolwide effort that provides tools and practices to help manage one's emotional state. These tools and practices are used to calm one's self and foster a collaborative school environment. ● Student Support services have always been at the heart of Escuela Popular. This approach has successfully formed trusting relationships with students due to the sensitivity to the economic and social hardships the student population faces. The support services have become an essential part of building trusting relationships with students and the community. This year, we got a grant from the California Community Schools Program Partnership Program that will allow the school to be able to provide case management to better address students' needs.	

Criterion E3: Academic, Social-Emotional, and Multi-tiered Supports

Directions

- Evaluate the school's effectiveness in addressing the School Culture and Support criteria and the supporting indicators.
- Explain or reference evidence that supports your succinct, narrative response.
- Explain how the multi-tiered support systems impact student learning and well-being.

Criterion E3: Multi-tiered Personal, Social-Emotional, and Academic Supports (*1–2 pages maximum*)

All students receive appropriate academic, social-emotional, and multi-tiered support to help ensure student learning, college and career readiness and success. Students with special talents and/or needs have access to an equitable system of personal support service, activities, and opportunities at school and in the community.

E3.1 Multi-tiered Support: School leadership implements personalized, academic multi-tiered support and alternative instructional approaches to meet student needs.
E3.2 Multi-tiered Support Effectiveness: School leadership assesses the effectiveness of multi-tiered support for students' social-emotional learning needs.
E3.3 Student Involvement: The school ensures a high level of student involvement in curricular and co-curricular activities that link to schoolwide student goals/graduate profile, academic standards, and college and career readiness.
E3.4 Student Self Advocacy: Students deepen their sense of self and make personal and community connections that are meaningful and relevant and allow students to become advocates for their own needs and supports.

Findings	Evidence
E3.1 Escuela Popular implements personalized, academic multi-tiered support and alternative instructional approaches to meet student needs through a systematic and responsive approach. The School's leadership has strengthened the student services department to support students' socio-economic and social-emotional needs. In collaboration with the Student Services Associate Director, Principal and teachers, conducts a needs assessment to identify students areas of need. Through teacher or parent referrals the Student Services department provides the first level of assessment and intervention. The tiered system of support includes three different levels of	• Truancy Presentation to Supportive Services Staff • Medical Van calendar • Student Referral Process to SST/504 • Safety zone maps Campus Supervision Areas

intervention. Tier 1 is for all students through school-wide events, Tier 2 is for additional support the use of SST and 540 plans and Tier 3 is for intensive interventions referral to in-house and community services. Student Success Team (SST) meetings, in which a student meets with his/her teachers and a parent. The student's academic strengths and weaknesses are acknowledged, and a plan is formulated for academic success. As a result of these meetings, teachers agree to make modifications to assist the students. Either 504 plans or IEPs are developed for students with special needs. All physical and mental health support services at Escuela Popular are designed to help students overcome barriers and better manage their lives. Many students are forced to leave their family support systems in their home country when they migrate to the United States. Recognizing this dilemma, the school serves as a second family and home for students when they arrive here. A comprehensive partnership with local community-based organizations has helped bring in socio-emotional programs for students. **E3.2** To assess the effectiveness of multi-tiered support for students' social-emotional learning needs the School has established this as one of the goals in the LCAP/SWAP with clear and measurable goals and action steps. Annually and quarterly, the schools collect data on school climate and satisfaction, credit completion, retention rates, attendance rates, parent involvement, and suspensions to evaluate the effectiveness of the strategies to support students. **E3.3** The School fosters a dynamic and student-centered environment that encourages high levels of involvement in both curricular and co-curricular activities that align with schoolwide student goals, academic standards, and college and career readiness objectives. The majority of Escuela Popular students work full-time while they attend school and in many cases are heads of households.	• Safety zone maps • LCAP Student Survey 2023-2024 • LCAP Parent Feedback Survey • Referrals to Students Associate director • Request for Presentation/Workshops • EP Student Suicide Prevention Policy • EP Emergency Crisis Response Team Training • Teachers Training • Safeschools • Youth Leadership Empowerment YouthLeadership Recruitment Team • Youth Development Program • Youth Elections 23/24 • College Orientation • Career day • College Day • College Support • College Fair • Cyber High Classes • Escuela Popular Dual Enrollment

The time they have to attend school is very limited. The School understands this circumstance and provides as many activities as possible within the school day. These include: ● Health and Leadership Classes also known as "Promotores' ' are provided where students have the opportunity to become health promoters and every year; they organize the Annual Health Fair, where they bring together many community organizations that promote wellness. Students also present to educate on health issues facing our community. Visits to health seminars in universities such as UC Berkeley and Stanford are also a part of this program. ● Annual Career Day, where professional speakers are invited to talk to students about their careers. Academic counselors present requirements to obtain degrees for certain careers. Academic advisors are available to assist students in exploring career paths. ● Annual College Day where alumni are asked to return to share their college experience. Community College representatives are on campus to provide students with information. ● Academic Advisors provide support to complete college applications and financial aid. Escuela Popular has a Student Fund that provides scholarships to graduates. ● Art, Music, Filming, and Theater classes are available to expose students to the arts. ● Sports Tournaments to foster enthusiasm, and teamwork, and promote physical activity. ● Spirit Weeks to create a sense of fun, belonging, and community. ● Cultural festivities at school, including Day of the Dead, Posadas, Founder's Week, Mother's Day, and Cesar Chavez Day. ● Tutoring where teachers make themselves available before school, during lunch, and after school to tutor students. The over-19 program offers a Learning Enrichment period for tutoring and make-up time. The under-19 program offers scheduled tutoring during the	

academic lab, where teachers upload resources such as videos and class materials onto Google Classroom or YouTube for students to access outside class time.

- Escuela Popular connects with outside agencies, such as Alum Rock Youth Center, Gardner, Youth Initiatives, San Jose Bridge Communities, Kaiser Permanente, and Next Door Solutions to Domestic Violence, to counsel at-risk youth.
- An annual parenting conference is held where families are invited to participate in workshops on topics such as mental health, nutrition, cancer awareness, immigration, and more.
- Dual Enrollment and Concurrent Enrollment opportunities for students through our partnership with San Jose City College.

E3.4 As the School's vision states, Escuela Popular educates to transform lives, an essential part of providing access to education to immigrant students and families is so they can become advocates for their own lives, their families and community. In fact, our proudest achievement is our Homegrown Teacher Program, where our alumni have completed their certification for teaching and administration or are in the process. At least 60% of our staff currently working as teachers, paraprofessionals, childcare specialists or administrators have graduated from our high school program.

Typically, Escuela Popular students earn their high school diploma and learn English, meet friends, hear about job opportunities, get health services, learn about their new community, and participate in new cultural traditions. In addition, our students can access personal and family counseling, participate in health programs, receive free childcare while attending school, and attend enriching field trips. These activities are directly tied to ESLRs – to create students who are responsible citizens, intellectually curious, sound and healthy, and effective bi-literate communicators. We recognize that many students, primarily due to poverty and the

strains of their transition to a new country, have stressful and sometimes chaotic lives and that this can make for a challenging environment in which to learn. To this end, Escuela Popular refers students to services such as: ● Alum Rock Counseling Center ● Next Door Solutions Family Services ● Santa Clara Valley Medical Services ● City of San Jose, Youth Intervention Services ● Santa Clara Mental Health Behavioral Department ● Gardner Children's Health Council The cultural, emotional, and social experience that Escuela Popular offers to students is so rich and personal that many are reluctant to leave when it is time to graduate. They return either to work or volunteer at the school, visit with friends, participate in school events, assist teachers, or ask for help from counselors as they maneuver through college.	

ACS WASC Category E. School Culture and Support for Student, Personal, Social-Emotional, and Academic Growth Summary

Prioritize and list the strengths and growth areas for the criteria and indicators in this category based on the school's identified major student learner needs.

Areas of Strength

1. We meet the students where they are at
2. Flexible academic hours
3. Free childcare for all (students & staff)
4. Staff reflect our student population
5. Safe learning environment
6. Students are able to keep their heritage
7. We provide requested resources to support family's needs
8. Provide culturally reflected foods
9. Cultural awareness and respect for all

Areas of Growth

1. Continue refining the process of the needs assessment to gain a better understanding of the support system that is required to address identified needs effectively.
2. Enhance the engagement of students and families through various means of communication to increase school involvement and high school completion.
3. Continue to actively work towards enhancing communication channels and cultivating an environment that encourages collaborative teamwork.
4. Create a framework to provide academic intervention services for adult high school students.

Prioritized Areas of Growth Needs from Categories A through E

Prioritize the growth areas.

- Reassess how student achievement data can be used more effectively in informing instruction and allocation of resources. (Goal 1)

- Offer differentiated professional development opportunities to teachers in all departments in language acquisition and English language development. (Goal 1)

- Increase cross-disciplinary collaborations to create interdisciplinary projects. (Goal 2)

- Offer professional development on Project-Based Learning (PBL) and guide teachers in developing authentic tasks and rubrics that engage students through projects involving critical thinking, teamwork, and problem-solving skills. (Goal 2)

- Develop an infrastructure to guide instructional leaders and teachers to analyze student achievement data to inform instruction. (Goal 1)

- Enhance the engagement of students and families through various means of communication to increase school involvement and high school completion. (Goal 3)

Chapter 4: Summary from Analysis of Identified Major Student Learner Needs

	Category A	Category B	Category C	Category D	Category E
Growth	Reassess how student achievement data can be used more effectively in informing instruction and allocation of resources.	Offer differentiated professional development opportunities to teachers in all departments in language acquisition and English language development. Increase cross-disciplinary collaborations to create interdisciplinary projects.	Offer professional development on Project-Based Learning (PBL) and guide teachers in developing authentic tasks and rubrics that engage students through projects involving critical thinking, teamwork, and problem-solving skills.	Develop an infrastructure to guide instructional leaders and teachers to analyze student achievement data to inform instruction.	Enhance the engagement of students and families through various means of communication to increase school involvement and high school completion.
Strength	The school provides adequate resources for instruction, such as Chromebooks, document cameras, etc Assessment data that provides the academic achievement of students is accessible	Google Classroom is being used by 90% of teachers. Most teachers are effectively integrating more technology into their lessons. Teachers have partnered with organizations such as the San Jose Department of Transportation's Project Vision Zero and San Jose State University (Y-Plan). These partnerships have provided students with a	Teaching Learning Communities (TLC) has provided teachers with new formative assessment strategies. The ELD and Math Lab programs provide students with foundational skills, better preparing them for core classes. Core subjects such as English, math, science, and social science present students with	The Math Modules program has evolved into Math Labs to meet student needs while adhering to educational standards. Escuela Popular addresses the challenges associated with childcare responsibilities by providing free childcare services for both students and staff. Our staff reflects the student population.

		curriculum that includes real-world experiences.	meaningful learning experiences that adhere to the Common Core and College and Career Readiness standards, offering challenging educational opportunities.		

- **Provide a summary confirming the major student learner needs based on the School Profile and the Focus Group findings. Cite data/evidence that supports the identification of the major student learner needs.**

Based on the focus group findings, student demographic and achievement data, below is a summary of the identified critical student learning needs.

Student Learner Need #1: Students leave school prior to completing graduation requirements.

Student Learner Need #2: Between 50% - 60% of students do not meet their NWEA Annual Growth Target in reading and mathematics.

Student Learner Need #3: Over 90% of students are immigrant students whose primary language is Spanish and Escuela Popular is their first U.S. school.

Data/evidence that supports the identification of the major student learner needs.

1. The low stability rate of our high school students, currently standing at 19% for EPCTC and for EPAFLC 67.1%, has a profound impact on student achievement and graduation rates. This lack of stability creates challenges for students in maintaining consistent academic progress. CTC Stability Rate AFLC Stability Rate (TK-12)

2. Additionally, for EPCTC 80% and EPAFLC 91% of our students are identified as

socio-economically disadvantaged. This demographic factor further underscores the complexities and barriers that our students may face in their educational journey. CTC Economically Disadvantaged AFLC Economically Disadvantaged

3. A significant portion of our student population faces language-related challenges, with 82.3% of EPAFLC students and over 90% of EPCTC students classified as English learners (ELs). Notably, Escuela Popular serves as their first school experience in the United States, introducing an additional layer of adjustment and learning for these students.
EPCTC number of English Learners taken from CALPADS AFLC English Learners Rate

4. Moreover, EPCTC students and some of our EPAFLC students work full-time and are the heads of households, creating constraints that affect their ability to attend school regularly and make satisfactory progress toward their high school diploma. The dual responsibilities of being a student and a household leader pose unique challenges that we strive to address in supporting their academic success. (Attendance patterns, class surveys, student intake forms)

Chapter 5: Schoolwide Action Plan/SPSA

- **State any additional specific strategies to close achievement gaps of student groups in the schoolwide action plan/SPSA.**
- **Revise the schoolwide action plan/SPSA and ensure the plan is aligned with the LCAP goals. (Provide link.)**
- **Describe the process to monitor student learning based on the major student learner needs, the schoolwide learner goals, academic standards, and the progress for each area in the schoolwide action plan/SPSA.**

2023 EPCTC LCAP/SWAP & 2023 EPAFLC LCAP/SWAP

Our LCAP/SWAP plan will be revised in the Spring of 2024. Based on our self-study, we will be making the following changes to our existing goals and actions:

Goal 1: Increase engagement and retention of students by providing students with a system to understand and track their academic progress toward mastery of learning goals, measured by formative and summative performance-based assessments.

Revised Goal 1: Increase student and family engagement and retention of students by providing students and families with information about the educational program, the objectives of the educational program, and a high school diploma, and the progress of students toward meeting grade level standards.

ADDED to Strategy/Action:

- Set protocols and use collaboration time to analyze student achievement data to inform instruction.
- Develop a strategic plan, allocate resources, and offer professional development to teachers and school leadership, focusing on utilizing data analysis to enhance student achievement.
- Focus PD time for language acquisition and English language development.
- Create a partnership with SCCOE and other organizations for external PD.

Goal 2: Increase student achievement toward meeting 21st Century Skills and College and Career Readiness through aligned and clearly articulated instructional objectives with the appropriate progression relevant to student needs.

ADDED to Strategy/Action:

- Schedule cross-disciplinary collaboration time to focus on the creation of interdisciplinary projects.
- Create an action plan to facilitate cross-disciplinary collaboration that includes a timeline outcomes, and metrics.
- Provide professional development on Project Based Learning (PBL).
- Design common authentic performance tasks and rubrics aligned with the College and Career Readiness Standards for each content area.

Goal 3: Provide students and families with the necessary academic and social and emotional resources to support academic achievement and retention.

Revised Goal 3: Provide students and families with academic, social emotional, socioeconomic supports to increase attendance, school connectedness, retention, graduation rate, and post secondary success.

ADDED to Strategy/Action:

- Hire student services case manager to take a preliminary assessment of student needs and manage services.
- Create a needs assessment process to collect data on EPAFLC & EPCTC student needs.
- Analyze service logs and collected data on student requests and needs to determine services.

<u>Ongoing Follow-up Process:</u>

The School's leadership team will guide the process the entire School will implement of monitoring and following up on the LCAP/SWAP plan. We have deliberately combined our LCAP and SWAP to be the same document for efficiency and focus. Annually, at the beginning, middle, and end of the school year, we will review the LCAP/SWAP goals, evaluate progress on actions, and analyze available student performance and demographic data. This includes gathering feedback from our educational partners and analyzing results to determine areas of improvement. As we identify challenges or gaps during the monitoring of progress, we will develop strategies to address them promptly by providing additional resources as needed. As a School, we aim to emphasize a culture of continuous improvement by using feedback and assessment results to refine processes and strategies. This allows us to enhance the quality of our educational programs and services.

Since the establishment of an ongoing improvement process, departments function under the following guidelines and timelines:

Fall: The monitoring process involves a thorough examination of the Local Control and Accountability Plan (LCAP) and School-Wide Action Plan (SWAP) goals. To ensure effective monitoring and progress assessment, the Principal, Instructional Leader, and the Student Services Associate Director will collaboratively organize check-in meetings with department leads. These meetings serve as a platform for a comprehensive review of the goals, allowing for discussions on achievements, challenges, and strategies to enhance goal progress. Through these check-in sessions, the leadership team aims to foster a collaborative and proactive approach, facilitating a continuous feedback loop that supports the successful realization of the established LCAP/SWAP goals. Gatherer student achievement baseline data and fall LCAP feedback data from educational partners

Winter/Spring: Collect and compare student post-NWEA, pre-NWEA, spring LCAP feedback, and fall LCAP feedback data from educational partners to identify challenges and gaps. Once these data sets are reviewed, the next step involves allocating necessary resources strategically. This allocation is guided by the identified gaps and challenges, ensuring that resources are directed toward addressing specific needs and fostering student success. This systematic approach aims to create a responsive and adaptive educational environment that actively addresses challenges and promotes continuous improvement based on data-driven insights.

Summer: The School's leadership team analyzes student achievement results and progress made on actions from the LCAP/SWAP. Goals and timelines are set for the upcoming school year. School leadership will attend intensive professional development that is related to identified gaps or challenges.

SUMMARY

Include:
I- Student/ Community Profile Data
General comments about the school, including summary of achievement data

Since 1986, Escuela Popular (EP) has been providing educational services to the San Jose community. The school was developed as a grassroot effort to serve the growing need for English classes. As demand grew, the academic curriculum expanded to include parent education, citizenship classes, after-school/youth programs, in addition to English classes. In May 2002, the school was granted a charter by the East Side Union High School District to operate a family learning center for K-12 and adult learners seeking a high school diploma. The majority of the students served are of Latino heritage, recent immigrants who are Spanish speaking and are eligible for free and reduced lunch or are eligible under the Federal poverty guidelines. Current enrollment has steadily decreased from 2019-20 and 2020-21 due to the COVID 19 pandemic.

The Accelerated Family Learning Center (AFLC) enrollment serves mainly immigrant students and English learners predominantly from Central America. Most of the students' parents have not earned a high school diploma and fifty percent of the students are unaccompanied minors. Most of the students, 98%, are learning English as a second language. About 82.5% of the students qualify for the reduced lunch program. AFLC student enrollment was from 108 in 2019-20 to 60 students in 2020-21.

The Center for Training and Careers (CTC) offers a combined standards based academic program with relevant job, career, and college-readiness skills for students who are 18 - 60+ years. This program is an extension of the TK-12 grades and serves students who are over 18 years of age and can no longer attend EP's TK-12 academy or other comprehensive high schools. The school closure had a major impact on youth students attending school due to COVID 19. Attendance went from 590 students in 2019-20 to 414 students in 2020-21.

Students at EP AFLC have demonstrated some growth passing their English 2-4 core classes and reached an average of 80% + passing rate during the last three years based on the NWEA assessment instrument. Curriculum that was aligned to the Common Core State Standards, various instructional practices, defined expectations for the A-G course descriptions allowed for a richer and streamlined learning outcomes and expectations. The unexpected shift to online instruction during the second semester of the 2019-20 academic year significantly revealed a decreased in students' percent of passage of their core classes both in English and math.

In English 1 the passage rate was from 86.58% in 2018-19, and 76.35% in 2019-20. For English 2, it was from 88.46% in 2018-19 to 83.02% in 2019-20. Likewise for English 3, In 2018-19 it was 87.88% and a slight increase of 88.28% in 2019-20. For English 4, there was a significant decrease from 90.20% in 2018-19 to 77.78% in 2019-20. Most students had difficulty and were challenged with online instructional strategies.

For math core Algebra classes, there was an average of 85.5% passage for the students. The school developed and implemented an Algebra Readiness Math Module program that focused on skills and concepts needed to pass Algebra and Integrated Math at an accelerated pace. The Integrated Math 1 course description was A-G approved in 2017. Both the Integrated Math 2 & 3 proposed courses will be submitted for A-G approval during the second semester. Once again the sudden shift to online instruction in the second semester of 2019-20 showed a decrease in students' percentage passage rate of their core math classes. In the Integrated Math 1, the student passage rate was from 90.2% in 2018-19 to 76.56% in 2019-20. For Integrated Math II, from 95.42% in 2018-19 to 93.29% in 2019-20. In Integrated Math III, the passage rate was from 100% in 2018-19 to 87.50% in 2019-20.

In addition AFLC implemented a locally administered, norm referenced and value added test of Measures of Academic Progress (MAP) from the North Western Evaluation Association (NWEA). It is an annual pre-and-post data-based inquiry process used by the faculty to ensure continuous improvement. There is stable achievement in reading which is attributed to core novel adoptions, increased reading opportunities in ELD, implementation of Lexile-leveled library, and Lexile data readily available to teachers and students. The increased RiT scores in reading were 181.2 in 2019-20 to 194 in 2020-21, while the math scores went from 193.7 in 2019-20 to 198.6 in 2020-21.

Due to the suspension of the state testing in 2019-20, data for the year was unavailable. While EP administers the annual California Assessment of Student Performance and Progress-Smarter Balanced Assessment Consortium (CAASPP-SBAC) annually, the school is able to demonstrate a percentage of students meeting or exceeding the standards for English Language Arts from a total of 18% in 2016-17, 21% in 2017-18, to 13% in 2018-19. As for Math, the school has seen some degree of stability in students scores from 30% in 2016-17, 25% in 2017-18, and 25% in 2018-19. The continued effort in developing and implementing the Algebra Readiness Math Module program to the final submission of the draft of Integrated Math 2 & 3 courses for approval will allow students to score better and demonstrate improvement in meeting their math standards.

II- Significant Changes and Developments

- **Significant changes and/or developments and their impact on the school**

There were several significant changes and developments at Escuela Popular; they include the following:

1. Restructuring of Instructional Team
   The role of the instructional leaders were re-defined and restructured in December 2019. Two instructional leaders oversee the high school programs to better align services for the morning and evening programs. A deputy director

works with the instructional leaders ensuring that all receive a consistent message in vision, goals, increased academic expectations, and professional development.

2. Integration of Technology
   An online platform was adopted in July 2019, Google Suite wherein both faculty, staff and students were transitioned and trained from Microsoft 360. Thus, it allowed faculty & staff to learn what is a Google Classroom, Zoom, and use various educational applications to ensure a smooth transition for the students' instructional programs. Chromebook carts were purchased and made available for staff and student check out. The change to use solely Google Suite provided a much needed transition last March 2020 when the entire school was required to be on remote learning.

3. TEN transition
   After the TEN contract was terminated in December of 2019, EP created its own internal feedback using Google forms for students, faculty, staff, and parents. The feedback provided the school priorities to assist determine the goals for LCAP and necessary changes for the academic and instructional programs. With COVID in place, the surveys were completed at the beginning and at the end of the school year. Once again, the results provided the school the needs of the community and its effectiveness in meeting the needs.

4. Targeted Professional Development
   Based on the last WASC Visiting Team's recommendations, the Follow Up Team integrated the school's goals and critical needs to be the basis for a targeted professional development plan. These included areas in ELD curriculum, course development aligned to A-G in science & ELA.

5. Academic Operations Team
   A team of Student Services Coordinator, Instructional Leader, School Operations Coordinator, and Student Data Specialist was created to ensure all counseling tasks were completed and all students received the academic counseling support as needed. Students were tracked in their English progress, projected graduation date, program schedules for the year and projected pathways.

6. Retention Task Force
   In order to provide a collaborative platform to discuss and take action on strategies to support students, a Retention Task Force was created. The members are directors, instructional leaders, coordinators and other identified guests as needed, who then reviewed student attendance data, drop out data, and survey results. The Task Force meets regularly to identify students' needs in a timely manner.

7. Curriculum Adoptions
   Curriculum adoptions occurred in Spanish I, Integrated Science, & Edge Fundamentals Curriculum for Youth ELD, thereby, allowing students to have access to the materials they need and accelerate their learning in ELD and Spanish as needed.

8. Covid 19 Campus Closure
   Escuela Popular's community, families and students, were heavily impacted by COVID 19. Once the county declared Shelter in Place, students had to adjust to online learning, Flexible Learning Plan. In addition, many families and students required financial and housing assistance, access to nutritious food, and health and mental support. The school quickly formed partnerships with local organizations to provide the much needed resources to its families. An inventory of needs was collected to better serve the needs of the entire community. The school continues to use the same communication process and tools that were proven successful in meeting the needs of the families and students, in particular the use of the Flexible Learning Plan and its support services.

III-Ongoing Improvement/ Engagement of Stakeholders

- **School's follow-up process and process used to prepare the mid-cycle report**

  With the last WASC full self study visit, the Leadership Team was instrumental in integrating the goals and objectives of the LCAP into the SWAP. This allowed the team to communicate effectively & work collaboratively in order to provide the staff direction and leadership that is clearly aligned to the school's vision and mission. The team has shared the plans and continues to gather input from various stakeholders of the school community.

  To prepare for the WASC mid cycle progress report, teachers and staff provided input on the progress of the SWAP through departmental meetings, Flexible Learning Committee meetings, and analysis of the quarterly student & family survey results. Various task force groups were created and met regularly to support the implementation of the goals & objectives in the SWAP.

IV - Progress on the Implementation of the Schoolwide Action Plan/SPSA

Following the self study Escuela Popular integrated the Schoolwide Action Plan (SWAP) into their goal setting and integrated the plan into their school programs. The school identified three goals/ areas of need. While some have made significant progress others still require more time and ongoing effort. The school found that the COVID-19 pandemic shifted the priority of some of these goals. Most specifically, they identified the need to turn their attention to developing technological competencies and incorporating the use of technology. Below, the goals that Escuela Popular has identified and the progress that has been made towards those goals is captured.

Goal 1: Increase engagement and retention of students by providing students with a system to understand and track their academic progress toward mastery of learning goals, measured by formative and summative performance-based assessments. (Aligned to LCAP Goal 1, Schoolwide Critical Area #1, #3,)

Objective 1: Design and implement performance-based assessments and rubrics for 100% of courses offered at Escuela Popular.

In the 2018-2019 school year teachers were given professional development time to refine and review the student learning goals as well as explore and create performance based tasks. Each department met to make improvements to their specific subject area.These improvements included updating unit guiding questions for Social Science courses, adjusting the scope and sequences for Science courses, revising summative assessments and redefining learning goals for all courses. In order to develop performance tasks departments collaborated to create shared assignments and assessments. This is evidenced by the course syllabi, scope and sequence, and the classes' daily agendas. Additionally, evidence of this can be found in class recordings and student work samples.

The efforts that were made have improved student learning by raising student engagement and deepening students' understanding of how course content applies to real life situations.The use of performance based tasks has allowed students across subject areas to develop metacognitive skills and demonstrate learning through different modalities.

Rubrics and course's learning objectives have been developed with subject specific skills in Spanish, ELD and ELA. However Math and Science need to be revised and updated. These rubrics can be found in Google Classrooms and in shared department folders.

The initial implementation of these rubrics have provided students with specific feedback and clear understanding of the expectations. This gives students and teachers a clearer sense of their learning and provides them with a more focused understanding of their progress towards the outcomes of the course.

Escuela Popular is still progressing towards the remaining tasks of their first objective of Goal 1. The remaining tasks include meaningful professional development opportunities for administering and assessessing performance tasks, as well as implementation and monitoring of their performance task rubric use.

While some departments have participated in professional developments that focus on performance tasks others note that this is a piece that is still in progress. Departments do continue to collaborate with each other and share knowledge to brainstorm ways to make lessons engaging. The departments meet regularly to support each other. Implementing and monitoring the use of rubrics for performance tasks is another area that Escuela Popular is still working towards. Teachers in the ELD courses use rubrics and update them based on students' needs. Science teachers are also working on making refinements to their current rubrics and assessments.

Objective 2:

Fully implement an online tracking system for students and teachers to monitor mastery of learning goals.

During the 2018-2019 school year Escuela Popular switched to the use of PowerTeacher which incorporated PowerTeacher Pro to keep track of grading and student progress towards learning goals. This platform has features that allow the teachers to implement standards based grading. Teachers have not yet used this feature due to the fact that they are still refining their learning objectives and course descriptions. The use of this platform has also conflicted with the newly adopted Google Classroom platform because Google Classroom has its own internal grading system. With Google Classroom students are granted instant access to their grades and progress. Currently teachers have to update both Google Classroom and PowerTeacher in order for grades to be recorded. PowerTeacher Pro has proven to be useful in monitoring student progress.

The school is still making progress and taking action towards teachers consistently updating the PowerTeacher Pro Gradebook and providing families with access to the PowerTeacher Gradebook. Prior to the COVID-19 pandemic 94% of teachers were using PowerTeacher Pro to track grades now this has shifted with forced school closures and the introduction of Google Classroom. Teachers customize their classes in PowerTeacher and adjust the categories relevant to their course and subject areas. Instructional leaders and school administrators monitor the use of PowerTeacher. Escuela Popular offered training sessions on using PowerTeacher Pro during the 2018-2019 school year.

Exploring the use of PowerTeacher as a system to give students access to track their grades was put on hold due to COVID-19 school closures. Students and families can request a grade report from their teacher at any time during the quarter but do not have their own access to PowerSchool. Students can view their progress in Google Classroom. Students are also updated about their class standing based on their progress reports.

Goal 2: Increase student achievement toward meeting 21st Century Skills and College and Career Readiness through aligned and clearly articulated instructional objectives with the appropriate progression relevant to student needs. (Aligned to LCAP Goal 3, Schoolwide Critical Area #2, Schoolwide Critical Area #5, #7, #8, #10)

Objective 1: Establish a clearly articulated curriculum and assessment framework.

The school has laid out a clear list of objectives and tasks that must be made in order to achieve this goal by Spring of 2023. The following progress has been made towards achieving those objectives and tasks.

Beginning in the 2019-2020 school year, Professional Development time was allotted to review assessment tools. Each department has made progress in developing assessment tools and curriculum that are standards aligned. The assessment tools are designed to target the needs of English Language Learners. As a result of their efforts there have been opportunities for cross curricular assessments such as the World History course's Holocaust unit aligning with English 2 classes studying *Night*. The frequent assessment of students that is rooted in Common Core standards and has caused students to advance within shorter time spans.

The following tasks are not set to be achieved until Spring 2022 or 2023 but progress has been made towards each of the following tasks.

Teachers, departments and instructional leaders were tasked with evaluating existing curriculum and instructional practices and establishing student learning outcomes by grade level and course. Physical education teachers were brought into the conversation to assure alignment to physical fitness standards. Instructional practices such as graphic organizers, primary source chunking, guided annotation were implemented to align with the ELD Common Core standards. Student learning outcomes by course and grade level can be reviewed in class syllabi, scope and sequence and the curriculum maps for each course. Instructional practices are evaluated both formally and informally through observation cycles.

In order to develop College and Career Pathways in school curriculum, the Counseling Department, Instructional Leaders and Directors of Escuela Popular built relationships with OYP and attended CTE training. This year they are piloting a CTE course and have updated their website and student handbook to include the pathways.

Furthermore the leaders of the school have made progress towards being able to communicate to stakeholders information about the school's curriculum and assessment frameworks. The school has streamlined their communication through the use of Parent Square, Facebook Page, and Escuela Popular website. Via these various points of access community members receive Weekly Newsletters and a Jaguar bulletin. Steps still must be taken in order to create a diagram of the school's curriculum and assessment framework and share that with stakeholders.

When the school began the transition to remote learning, all departments reviewed the resources and educational apps that were used. The English and ELD courses have laid out most clearly the instructional resources they use such as Side by Side Plus One, Newsela, Noredink and Naiku.

Objective 2: Resources and instructional programs will be systematically aligned to facilitate student learning.

Escuela Popular is still making progress towards examining the resources and instructional programs. New adoptions have been made to adapt the curriculum and this process was accelerated by the COVID 19 pandemic but an analysis of the gaps in the resources still must be done.

Due to COVID-19 Escuela Popular was forced to do remote learning and teachers were pushed to incorporate technology into their instruction. All teachers implemented the Google Suite as their main instructional platform. Staff and Leadership alike continue to push students and staff to learn and implement 21st Century Skills by teaching the basics of tablet use and Google Classroom. Additionally, teachers have supported each other to find and implement new resources due to distance learning. They noted that peer collaboration was critical to finding and using these new resources. This led to the use of learning resources/technologies such as Pear Deck, Newsela, Naiku, Flipboard to name a few.

Escuela Popular is taking steps to coordinate and develop Professional Development opportunities to support their staff in creating curriculum frameworks and new instructional resources. All departments have received focused Professional Development time to develop their frameworks this will be an ongoing improvement as standards continue to change. The Leadership Team at Escuela Popular provides training to staff on topics such as engagement and technology. Instructional staff also stated that Leadership provides them with links and opportunities to participate in professional development from outside organizations.

In order to ensure resources and instructional programs are aligned to facilitate student learning, Escuela Popular has allocated funds to support having qualified bilingual staff and professional development on EL student needs. The school has supported students by maintaining small class sizes, offering programming to assist in graduating and creating college and career goals, as well as creating a flexible AM/PM schedule to meet their needs. The school has also allocated funds to have IT support, childcare, immigration, and social/emotional services.

Goal 3: Increase student retention and community college enrollment by providing resources to support academic, wellbeing, and socio-economic needs. (Aligned to LCAP Goal 2, Schoolwide Critical Area #2, #4, #6, #9, #11)

Objective 1: Increase student retention by providing resources to support academic, wellbeing, and socio-economic needs.

In order to provide resources to support students academic growth, wellbeing and socioeconomic needs, the school implemented and continues to implement a series of strategies which they hope will also increase student retention.

The school continues to reassess truancy, personal needs of students and academic concerns. Attendance is tracked weekly and outreach is done to the

guardians of students with consistent tardiness. Students are referred to the Student Support team for face to face check ins. After an assessment of the student and their family's needs are determined, a referral is completed.

The school provides support for parents and parenting students through an annual offering called Parent Conference. In this conference parents and parenting students learn from guest speakers and workshops on different parenting topics. This has had a great impact on the community and they have found that parents better understand the school system and know how to support their children better. The Parent Conference has also granted parenting students the confidence to stay motivated to continue on with school. Escuela Popular intends to hold the conference virtually this year. Another strategy they have for retaining parenting students is providing childcare for staff and students alike. Currently there are 151 students enrolled in the childcare program. Other support for parents includes, parenting classes and nutritional classes.

To improve student experience and increase retention, Escuela Popular has dedicated itself to preparing the staff to be prepared to teach their student population by offering culturally and linguistically relevant instructional practices with an emphasis on immigrant students. The departments have welcomed guest speakers from immigrant outreach organizations and had opportunities to revise the curriculum to incorporate culturally relevant texts and authors. Escuela Popular has also partnered with a community organization called Immigrants Rising to have an intern dedicated to developing a platform that can support the needs of immigrant students.

Another way that students' overall well being is addressed, is through the offering of extracurricular activities. Students have the option to engage in a variety of physical activities such as soccer and Zumba. More artistically inclined students have the opportunity to participate in Folklorico classes, theater classes and art classes. The Promotores Health and Leadership program is offered to all students who are interested. Students did express a desire to have even more options to participate in sports and art classes.

In order to provide better academic support, the school has a few programs and partnerships intended to supplement their daily class instruction. There are a variety of academic support systems or programs in place to assist student growth and learning. Teachers hold daily office hours to provide additional reinforcement. There is also a Math lab class offered to students with math courses. Escuela Popular has partnered with Santa Clara University's Arrupe Engagement Program to provide assistance with speaking, reading and grammar. Their connection and interaction with college students is reported to have had positive impacts on students' desire to attend college. These programs are consistent and sustainable, however there is a need for a more refined and sustainable program across all subject areas.

As a means to increase awareness of the programs and resources offered by the Student Resource Advocate Office and Office of Student Services, Escuela Popular has continued to secure and offer DACA grants for application and renewal fees. Telemundo has a monthly event where they come onto the campus and provide legal support to those in need not only at the school but in the community as well. They also offer a 24 hour support and outreach hotline, financial support opportunities, grocery distributions,

Health Fair, Santa Clara Valley Medical on-site health van, safe and clean learning environment. The school has also made efforts to promote Escuela Popular's Sanctuary School Policy. Student and Family Engagement Coordination has initiated and implemented numerous partnerships with local organizations that support immigrants in regards to legal rights, immigration rights, housing, and socio-emotional wellness.

Quarterly assemblies are held to recognize and celebrate student achievement and growth. This assembly recognizes Honor Roll, perfect attendance, language development and Lexile growth to name a few. Recognition is also given to students who are being reclassified based on their ELPAC scores. Students receive an award and a medal for their accomplishments; this has shown to be a great incentive and motivation for students to continue to pursue their education.

Student success is ensured by giving them spaces and information necessary to access the appropriate tech needed for school. The library and computer lab are made available to students during school hours. Escuela Popular also offered basic tech workshops to teach students about using the Google Suite and other learning platforms. To communicate with the school wide community the school has used a wide variety of platforms to engage the community in updates. They use ParentSquare, Google Email, Google Classroom and weekly newsletters to ensure school-wide information is shared and updated.

Objective 2: Increase community college enrollment by providing resources to support academic, wellbeing, and socio-economic needs.

Improvements have been made to increase college enrollment through a variety of resources. One major area for growth has been finding opportunities to engage PM students in college related events and resources. The PM staff is currently exploring options for students enrolled in the PM courses to participate in field trips to colleges and universities. The COVID-19 school closures have made this a challenge, however students are still encouraged to attend virtual trips and workshops. The school went as far to create a Google Classroom for these virtual visits so students could have access to all the visits. Counselors pursued options to bring the schools onto campus; speakers from various colleges to speak with the English classes. College and career day events were also brought to the school campus for students to acquire further information from colleges of their interest.

The various events made the school aware of a need for a more robust College and Career Day for PM students. The school organized College and Career Day twice a year and were able to have some of the participating organizations extend themselves to the evening classes as well. This year the College and Career Day was expanded to a week long event and there were presentations available for the morning and evening cohorts. College and Career Day has also become an opportunity for EPHS alumni and staff enrolled in colleges to connect with seniors entering college. During this year's event alumni were brought in to share their academic journeys.

To increase and ensure graduation and college going rates, Escuela Popular must obtain A-G approval for all of its courses. The Social Science, Math, and Science

were in need of approval. The Social Science courses are in the preliminary phases of obtaining approval, the Math 3 course is still pending, and the Math 2 rough draft has been submitted to the directors for approval.

V. Schoolwide Areas of Strength and Growth Areas for Continuous Improvement

Schoolwide Strengths:

The visiting committee has identified the following areas as Strength for the Escuela Popular (EP) Community.

1. Escuela Popular (EP) Instructional Team, Faculty, & Support Staff continues to demonstrate a high level of commitment and dedication to all of the students for their quality educational programs.

2. EP offers and provides services and opportunities to meet the diverse needs of their unique student population.

3. EP created and implemented a plan that allowed the school to respond quickly to the COVID-19 Shelter in Place orders and shift their entire school program from in person to online learning.

4. EP responded to the needs of students by creating & offering a basic technology needs course for students to participate in during the summer.

5. EP offered ongoing community and stakeholder events to participate during whole school celebrations and strongly encourage their participation despite campus closures due to COVID-19.

6. EP offered & developed a Professional Development Plan that included course descriptions, course learning objectives, and lesson plans.

7. EP uses students' Lexile scores to inform instruction and planning. The staff prioritized incorporating the student's real world experiences into their educational plans.

Growth Areas for Continuous Improvement:

The visiting committee concurs with the school's identified areas for growth as listed below.

1. Administration and staff collaboratively explore opportunities and options to establish and develop systems that use student performance-based

assessments and rubrics for all courses. These assessments and rubrics will provide data to inform how instruction is modified and measure effective school programming.

2. Administration and staff continue to create, align, and articulate more rigorous curriculum based on A-G requirements or expectations.

3. Administration and Staff explore and implement an online tracking system to monitor students' mastery of the course standards and graduating seniors' academic progress. This will allow the school to evaluate the success of the current program, make informed decisions to adjust and modify the program, and increase the success of student graduates.

4. Administration and staff establish a clear understanding and articulation of ELD and English Language Arts curriculum alignment amongst the differing levels of education in middle schools, Escuela Popular, colleges/universities, and technical schools to allow for a smooth and successful transition for ELD students.

5. Administration, with support of department chairs, develop a concrete plan to increase teachers', students', and families' competency in technology through training and professional development opportunities in order to integrate technology strategies into all course content and ensure that it enhances learning outcomes for all students.

6. Administration and staff explore additional avenues to generate revenues for consistent allocation of funds and investigate the hiring of a social-emotional counselor to meet the diverse needs of their students.

7. The Leadership Teamfacilitates ongoing partnerships with their sponsoring district, as well as other charter schools, to provide rich technology infrastructure for all students and staff.

Patricia Reguerin, Executive Director
Escuela Popular / Center for Training and Careers
149 North White Rd.
San Jose, California 95127

Dear Patricia Reguerin:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) announces the action taken at the Spring 2024 Commission Meeting. The ACS WASC Commissioners have determined Escuela Popular / Center for Training and Careers (9-12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's report, and the satisfactory completion of the accreditation visit.

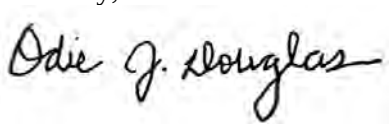
It is the decision of the Commission to grant six-year accreditation status through June 30, 2030 with a mid-cycle visit during the 2026-2027 school year.

Escuela Popular / Center for Training and Careers is required to prepare an in-depth progress report for the mid-cycle visit. The report and visit should demonstrate that the school has: 1) addressed the growth areas for continuous improvement through the schoolwide action plan; 2) made appropriate progress on the implementation of the schoolwide action plan; and 3) improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Accreditation status is conditioned upon Escuela Popular / Center for Training and Careers's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Escuela Popular / Center for Training and Careers's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,



Odie J. Douglas, Ed.D.
Commission Chairperson

Appendix 8: Course Description/Scope and Sequence/Curriculum Maps

CTC-ELD 1A

Course Description:

This is a beginner English Language Development class. This class will allow students to develop basic English vocabulary and grammatical structures to become successful communicators.This course is designed to cover the fundamentals areas of ELD. Students will engage in basic conversation by asking and aswering basic questions about personal information, school and everyday activities. Students will beging to produce basic paragraphs using the first the stages of the writing process.

CTC-ELD 1B

Course Description:

This course will allow students to continue developing basic academic and career readiness skills.Students will be learning how to ask and answer questions about a variety of topics such as personal information, daily activities, responsibilities. Students will apply different modes of communication to report present and past actions, abilities, obligations and plans. Students will read about school subjects, work and life skills topics to build academic vocabulary and develop reading comprehension skills. Students will continue applying the first three stages of the the writing process to write simple paragraphs about relevant topics.

CTC-ELD 2A

Course Description:

The ELD 2A class is designed to help students to improve their skills in learning how English works and interacting in meaningful ways. Students will develop reading strategies, such as comparing and contrasting ideas in the present, past, and future actions by exchanging information/ ideas via oral and written forms. Students will develop skills to describe and make recommendations about food, places, and things by using partitive nouns to expand ideas and provide more details while developing skills in and out of school. Also, students will be able to express opinions about the future and use technology as a resource to investigate, create and present informational texts such as brochures and food menus.

CTC-ELD 2B

Course Description:

The ELD 2B course is designed to help intermediate English Language Learners continue developing the fundamental skills they can apply in real-life situations by describing people's actions, plans, intentions, and consequences of actions. This course will allow students to engage in dialogue with others, develop comprehension of written and spoken texts, and connect and condense ideas. This course will enable students to describe ongoing activities and apply the forms of present, past, and future tenses to express ability in and out of school. Students will also develop skills to understand and follow the steps during a medical examination and make decisions about good healthy habits in verbal and written form.

CTC-ELD 3A

Course Description:

The ELD 3A course is designed to help English learners expand their writing, speaking, and analyzing skills. Students will learn to understand text structures based on text type and purpose. Also, students will develop English skills to integrate them into real-life situations, such as exchanging information at the moment of speaking, listening actively, and reading closely. Students will use verbs and verb phrases to expand ideas from reading and writing by applying grammar rules correctly and following the appropriate writing structure when needed.

CTC-ELD 3B

Course Description:

Throughout this course students will continue developing the four language domains; listening, speaking, reading, and writing skills. Students will practice academic communication about English language. Students will have the opportunity to describe like, dislikes, plans, past experiences and feelings. Students will develop literary and analytical skills that will help them be successful in core courses. Students will write a five paragraph descriptive essay and short narrative pieces while applying the writing process. By the end of the quarter, students will gain knowledge to apply in real life situations and academic settings.

Quarters 1- 4	SCOPE AND SEQUENCE UNIT PLANNING AT-A-GLANCE				
Course: **ELD 1A**					
Unit Title --- Big Ideas	**Weeks**	**ENDURING UNDERSTANDINGS**	**ESSENTIAL QUESTIONS**	**FORMATIVE ASSESSMENTS**	**SUMMATIVE ASSESSMENTS**
Chapter 1 Writing about yourself: Name, address, phone number, country of origin • Filling out a form • Addressing an envelope •To Be Introduction Personal Information • Meeting People, Alphabet, Spelling Names aloud, Cardinal Numbers in addresses & telephone numbers. • Listening for personal information • Pronouncing linked sounds	Week 1	Gather information, cooperate with others, socialize, acquire & evaluate information	What role does personal information play in our life?	_X_ Do Nows/Match Minutes; _X_ Written Responses; _x_ Informal observations; _X_ Visual products; _X_ Worksheets; _X_ Quizzes/Tests; _X_ Reflective journals/learning logs; _X_ Other types:	_x_ Unit Exam; ___ Quarter Final Exam; ___ Unit Project; _x_ Oral Presentation; _x_ Student Demonstration; _x_ Exhibition; __Formal Essay/Report; __ Portfolio; __ Other type:
Chapter 2 •To Be+ Location •Subject Pronouns Classroom • Objects • Rooms in the home cities, countries, nationalities places around town •Listening for information about people's locations • Pronouncing reduced and • Listening for information about people's locations • Pronouncing reduced and	Week 2	Manage and identify resourses, work together, give directions, participate as a team member & see things in the mind's eyes	Why do you have to have subject pronouns, why not just call everything by its name?	_X_ Do Nows/Match Minutes; X Written Responses; x Informal observations; _X_ Visual products; _X_ Worksheets; _X_ Quizzes/Tests; X Reflective journals /learning logs; __ Other types:	_x_ Unit Exam; ___ Quarter Final Exam; ___ Unit Project; _x_ Oral Presentation; _x_ Student Demonstration; _x_ Exhibition; __Formal Essay/Report; __ Portfolio; __ Other type:

Quarter 1 Curriculum by Level:

Genre focus: Narrative fiction (Short Stories, Novels, and Anecdotes)
Writing focus: Narrative
English 1: Narrative essay about a role model
English 2: Personal narrative about a transformational event
English 3: Fictional narrative
English 4: Collection of stories focusing on the experience of a group of people

Reading Strategy Focus: Plan and Monitor (Preview and Predict); Make Inferences
Vocabulary: Academic vocabulary at each level

Enduring Understanding(s): Students will understand …
(1) short stories and anecdotes are narratives meant to be read or told in one sitting;
(2) short stories and anecdotes are narratives with a clean set of events: beginning, middle and end;
(3) readers analyze short stories to gain a better understanding of what the author can teach us about the human condition

Essential Question(s):
1. Why read short stories and anecdotes in one sitting?
2. Why read/tell stories?
3. Does the author decide the meaning of a story?
4. Who decides the meaning of a story?
5. Why do certain stories endure?
6. What do you do after you read a story? What happens after a story is told?

Quarter 2 Curriculum by Level:

Genre focus: Nonfiction
Writing focus: Persuasive Essay
English 1: Persuasive essay on school issue
English 2: Persuade others to improve their lives in some way (volunteer, exercise, eat healthy, etc.)
English 3: Persuade Scholarship Essay
English 4: Persuasive essay on a social issue, preparing for a formal debate
Reading Strategies: Determine Importance; Ask Questions

Vocabulary: Academic vocabulary at each level
Enduring Understanding(s): Students will understand …
(1) texts are grounded in historical and sociological context;
(2) a nonfiction text is an attempt to present reality;
(3) it is important to understand the author's intent and/or purpose in creating the text;
(4) we need to read critically (weighing the text's validity) in order to determine truth;
(5) that word choice, tone, and writing style are critical to reading nonfiction;
(6) readers bring their own bias/perspectives to the reading;
(7) it is important to look at the world through someone else's eyes.
Essential Question(s):
(1) Does nonfiction present truth?
(2) Is it possible to create a true text?
(3) How do we decide who/what is an authority?
(4) Is being biased/having perspectives good?
(5) What do we need to know about the author to understand the text?

(6) Can we create peace and prevent war by reading historical and contemporary texts?
(7) How do words shape the way we see the world?

English 1:	English 2:	English 3:	English 4:
Common Core State Standards:	**Common Core State Standards (9-10): RL 1, RL 2, RL 3, RL 4, RL 5, RL 6, RL 7, RL 10, RI 1, RI 2, RI 3, RI 4, RI 5, RI 6, RI 8, RI 10, W1, W4, W7, W8, W9, W10, SL 1, SL3, SL4, SL 6, L1, L2, L3, L4, L5, L6**	**Common Core State Standards (11-12): RL 1, RL 2, RL 3, RL 4, RL 6, RL 7, RL 10, RI 1, RI 2, RI 3, RI 4, RI 5, RI 6, RI 8, RI 10, W1,W4, W7, W8, W9, W10, SL 1, SL3, SL4, SL 6, L1, L2, L3, L4, L5, L6**	**Common Core State Standards (11-12): RL 1, RL 2, RL 3, RL 4, RL 6, RL 7, RL 10, RI 1, RI 2, RI 3, RI 4, RI 5, RI 6, RI 8, RI 10, W1, W4, W7, W8, W9, W10, SL 1, SL3, SL4, SL 6, L1, L2, L3, L4, L5, L6**

Transitions Q2:

Agreement / Addition / Similarity

English 1:	English 2:	English 3:	English 4:
Q2 & Q4 Adverbs and conjunctive adverbs (and adverbial expressions): in the same way also in addition like as too (at the end of a sentence) Conjunctions: and	Adverbs and conjunctive adverbs (and adverbial expressions): as well as together with another key point is that similarly equally in the same way	Adverbs and conjunctive adverbs (and adverbial expressions): furthermore likewise in the same fashion additionally besides not only ... but also Prepositions: coupled with	Adverbs and conjunctive adverbs: (and adverbial expressions) by the same token moreover in like manner ito say nothing of Prepositions: not to mention in the light of

Opposition / Limitation / Contradiction

English 1:	English 2:	English 3:	English 4:
Adverbs and conjunctive adverbs (and adverbial expressions): on the other hand although this may be true Conjunctions: but although though	Adverbs and conjunctive adverbs (and adverbial expressions): in contrast even so notwithstanding (also a preposition) Conjunctions: even though (not the same as “even” or “even so”) on the contrary while (for contrast or contradiction) Prepositions: notwithstanding (also a conjunctive adverb)	Adverbs and conjunctive adverbs (and adverbial expressions): nevertheless nonetheless then again at the same time Conjunctions: whereas Prepositions: in spite of despite	Adverbs and conjunctive adverbs (and adverbial expressions): be that as it may however conversely rather Conjunctions: albeit (followed by an adjective) (and) yet

Quarter 2:

Example/Explanation

English 1:	English 2:	English 3:	English 4:
Adverbs and conjunctive adverbs (and adverbial expressions): for example for instance as an example in fact	Adverbs and conjunctive adverbs (and adverbial expressions): to put it another way as a matter of fact especially Prepositions: including	Adverbs and conjunctive adverbs: (and adverbial expressions): as an illustration specifically in particular to put it differently	Adverbs and conjunctive adverbs: (and adverbial expressions): for one thing that is to say in other words Prepositions: namely

Quarter 3 Curriculum by Level:

Genre focus: *English 1: Introduction to Drama,* Full-length Narrative Novel *(The Pearl)*, *English 2-4:* Drama and Speech
Writing focus:
English 1: Descriptive Essay
English 2: Expository essay
English 3 and 4: Reflective Essay
Reading Strategies: Synthesize (Compare and Contrast), Make Connections
Grammar/Mechanics Focus: See proposed grammar/mechanics curriculum
Vocabulary: Academic vocabulary at each level

Key Enduring Understandings (Drama and Speech):

1. Know the aspects of your audience and how to speak to them
2. Drama and speech are meant to be performed (including visuals, body language, vocal control)
3. Drama can be applied to the roles we have in our life, switching between your cultures
4. All speaking has dramatic components
5. In speech, your message is clear and defined, but in drama your message is not clearly stated

Essential Questions:

Why do people like to pretend?
How is drama important in learning a language and a culture?
What makes a speech or drama good/entertaining/interesting?
How do you personalize a character or the message of a speech?
How do you build connections between the performer and the audience?
What roles do we play in life?
How do words shape the way we see the world?

English 1:	**English 2:**	**English 3:**	**English 4:**

Vocabulary: Academic vocabulary at each level

Enduring Understanding(s):
A true poet is able to limit him/herself.
Poems are open to interpretation and there is no one "right" answer.
Poetry has a surface structure and a deep structure.

Essential Question(s):
Can we enchant with words?
What is the difference between poetry and prose?
Can words create reality?
Why are poems important to study?
How can poetry communicate what is difficult to say?
How can we use words like paint?
How can words have an impact on the world (for good or bad)?
Why are poetic words so powerful?

English 1: English 2: English 3: English 4:

[Climate Change Concepts in the Next Generation Science Standards]

Qtr 1	**From Molecules to Organisms: Structures and Processes** ***Students act as biochemists who develop a model for how cells rearrange food into new molecules that enable living things to survive and grow.***
NGSS Focus:	HS-LS1-1, HS-LS1-2, HS-LS1-3, HS-LS1-5, HS-LS1-6, HS-LS1-7
Topics:	Scientific Method, Cell Structure & Function, Photosynthesis, Cellular Respiration, Cell Growth & Division, Homeostasis
Key Labs:	❖ Microscope Lab: Comparing plant vs. animal cells ❖ Osmosis & Diffusion Lab (modeling homeostasis) ❖ Photosynthesis Lab (using leaf disks or aquatic plants) ❖ Cellular Respiration Lab (yeast fermentation/CO_2 collection) ❖ Onion root tip cell mitosis slide analysis

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Welcome & Scientific Method	Theory, Bias, Skepticism	Week 4	Feedback & Homeostasis	Homeostasis, tissue, organ, organ system, receptor	Week 7	Cell growth & Cell Division	Cell division, asexual reproduction, sexual reproduction
Week 2	Introduction to the cell structure	Cell, cell theory, cell membrane, nucleus, Eukaryote, prokaryote	Week 5	Photosynthesis	Pigment, chlorophyll, thylakoid, stroma, NADP, Light-dependent reaction, light-independent reactions	Week 8	Labs between weeks	
Week 3	Plant Cell & Animal Cell Parts	Cytoplasm, Organelle, vacuole,	Week 6	Cellular Respiration &	Calorie, Cellular respiration, aerobic, anaerobic,-	Week 9	Review/final	

		lysosome, cytoskeleton, centriole, ribosomes, endoplasmic reticulum, Golgi apparatus, Chloroplast, mitochondria, cell wall, Lipid bilayer, selectively permeable		Fermentation	Fermentation		

Qtr 2	**Genetics, Heritage, Evolution: Inheritance and Variation of Traits** **Students act as informed citizens who evaluate different designs based on how well they protect the environment and meet economic and social needs**
NGSS Focus:	HS-LS3-1, HS-LS3-2, HS-LS3-3, HS-LS4-1 through HS-LS4-6
Topics:	DNA structure & replication, Protein synthesis, Mendelian & non-Mendelian genetics, Genetic engineering, Evolutionary theory, Population genetics
Key Labs:	❖ DNA Extraction Lab (strawberries or cheek cells) ❖ Modeling Protein Synthesis (using beads or cards) ❖ Punnett Squares/Probability Lab with simulated traits ❖ Gel Electrophoresis Simulation (online or lab kit) ❖ Natural Selection Simulation (e.g., peppered moth, bean/beak activity) ❖ Hardy-Weinberg Population Genetics Lab

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Introduction to Genetics	Genetics, fertilization, trait, hybrid, gene, allele, principle of dominance, segregation, gamete,	**Week 4**	Darwin's Theory of Evolution	Evolution, fossil/artificial selection,adaptation, fitness, natural selection, biogeography,	**Week 7**	Classification	domain, bacteria, archaea, Eukarya

		probability, homozygous, heterozygous, phenotype, genotype, punnett square, independent assortment,incomplete dominance, codominance, multiple alleles, polygenic trait,			homologous structure, analogous structure, vestigial structure			
Week 2	DNA	Transformation, bacteriophage, base pairing, replication, DNA polymerase, telomere	**Week 5**	Evolution of Population	Gene pool, allele frequency, single-gene trait, polygenic trait. directional selection, stabilizing selection, disruptive selection, genetic drift, bottleneck effect, founder effect, genetic equilibrium, Hardy-Weinberg principle, sexual selection.	**Week 8**	History of Life	Extinct, paleontologist, relative dating, index fossils, radiometric dating,macroevolutionary patterns, background extinction, mass extinction, gradualism, adaptive radiation, convergent evolution, coevolution, endosymbiotic theory
Week 3	Human Heredity/Genetic Engineering	Genome, Karyotype, sex chromosome, autosome, sex-linked gene, pedigree, nondijunction, restriction enzyme, gel electrophoresis, bioinformatics, genomics	**Week 6**	Classification	binomial nomenclature, genus, systematics, taxon, family, order, class, phylum, kingdom.516: phylogeny, clade, monophyletic group, cladogram, derived character	**Week 9**	Review/Final	

Qtr 3	**Human Body Systems** ***Students act as biochemists who develop a model for how cells rearrange food into new molecules that enable living things to survive and grow.***
NGSS Focus:	HS-LS1-2, HS-LS1-3, HS-LS1-4
Topics:	Skeletal, Muscular, Digestive, Circulatory, Respiratory, Immune, Nervous, Endocrine, Reproductive Systems
Key Labs:	❖ Bone & Muscle Structure Lab (modeling joints and muscle pairs) ❖ Food Digestion Lab (enzyme activity with starch/amylase) ❖ Heart Dissection Lab (sheep heart or digital simulation) ❖ Lung Capacity Lab (spirometers or balloons) ❖ Immune System Simulation (disease transmission activity) ❖ Reflex & Reaction Time Lab (testing nervous system responses)

\Week	Focus Area	Vocabulary	Week	Focus Area	Vocabulary	Week	Focus Area	Vocabulary
Week 1	Human Body: Skeletal System	Axial skeleton, Appendicular skeleton Bone marrow, cartilage, ossification, osteoblast, osteocyte, osteoclast, joint, ligament	**Week 4**	Circulatory System	Veins, Arteries, Septum, Oxygen-rich blood, Oxygen poor blood, Capillaries	**Week 7**	Immune System	Antigens, antibodies, a cell-mediated response, Humoral response,
Week 2	Muscle System	Muscular fiber, myofibril,myosin, actin, sarcomere, tendon	**Week 5**	Respiratory system	Lungs, Pharynx, Larynx Esophagus	**Week 8**	Nervous System	The peripheral nervous system, central nervous system, cell body, Dendrites, axon, myelin sheath.
Week 3	Digestive System	Mechanical digestion, chemical digestion, amylase, esophagus, stomach, pepsin, chyme	**Week 6**	Endocrine System	Hormones, glands	**Week 9**	Review/Final	

Qtr 4	**Ecosystems: Interactions, Energy, and Dynamics** **Students act as ecologists who develop a model of how energy and matter cycle between living and non-living parts of the Earth system..**
NGSS Focus:	HS-LS2-1 through HS-LS2-8, HS-ESS3-1, HS-ESS3-4, Environmental Principles & concepts
Topics:	Ecology, Energy Flow, Cycles of Matter, Climate Change & Biomes, Population Dynamics, Biodiversity, Human Impact on the Biosphere
Key Labs:	❖ Food Web Modeling with local ecosystem data ❖ Energy Pyramid Simulation (measuring biomass in classroom models) ❖ Climate Change & Greenhouse Gas Lab (CO_2 and temperature data analysis) ❖ Population Growth Simulation (using beans or M&M “organisms”) ❖ Water Quality Testing (nitrates, pH, turbidity – local watershed tie-in) ❖ Biodiversity Field Investigation (schoolyard or nearby park survey)

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Intro to Ecology	biosphere, species, population, community, ecology, ecosystem, biome, biotic factors, abiotic factor, 69: autotroph, primary producer, photosynthesis, chemosynthesis, heterotroph, consumer, carnivore, herbivore, scavenger, omnivore, decomposer, detritivore,	**Week 4**	Ecosystems & Communities	canopy, understory, deciduous, coniferous, humus, taiga, permafrost, photic zone photic zone, benthos, plankton, wetland, estuary	**Week 7**	Biodiversity: Finish Humans in the Biosphere	biodiversity, ecosystem diversity, species diversity, genetic diversity, habitat fragmentation, ecological hotspot, ecological footprint, ozone layer, aquaculture, global warming
Week 2	Energy flow in the ecosystem	Food chain, phytoplankton, food web, zooplankton, trophic level, ecological pyramid, biomass, biogeochemical cycle,	**Week 5**	How Populations Grow	population density, age structure, immigration, emigration, exponential growth, logistic growth, carrying capacity, limiting factor	**Week 8**	Labs between weeks	

		nutrient, nitrogen fixation, denitrification, limiting nutrient			density-dependent limiting factor, density independent limiting factor, demography, demographic transition		
Week 3	Climate change, niches and community interaction, succession.	weather, climate, microclimate, greenhouse effect, tolerance, habitat, niche, resources, competitive exclusion principle, predation, herbivory, keystone species, symbiosis, mutualism, parasitism, commensalism, ecological succession, primary succession, pioneer species, secondary succession,	**Week 6**	Populations/ intro to Humans in the Biosphere	Monoculture, renewable resource, nonrenewable resource, sustainable development, desertification, deforestation, pollutant, biological magnification, smog, acid rain	**Week 9**	Review/final

Qtr 1	***Forces, Motion & interactions: students act as mechanical engineers who design a device to minimize damage during a collision***
NGSS Focus:	HS-PS2-1, HS-PS2-2, HS-PS2-3, HS-PS2-4, HS-PS3-1
Topics:	Newton's Laws, gravitational forces, energy transfer, collisions
Key Labs & Activities:	❖ Egg Drop Challenge (Newton's 3rd Law, impact forces) ❖ Force & Motion Lab (measuring acceleration, F=ma) ❖ Gravity Lab (pendulum or free-fall experiments) ❖ Mousetrap Car Design (energy transfer & kinetic energy) ❖ Electric & Magnetic Forces Investigation (magnets, circuits) ❖ Final Project: **Rube Goldberg Machine** (design, qualitative & quantitative analysis)

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Scientific Method	Theory, Bias, Skepticism	**Week 4**	Gravitational Forces	Gravity, Gravitational force, Mass, Weight, Inertia, Acceleration due to gravity (g), Free fall, Orbit, Gravitational constant	**Week 7**	Potential energy	Thermal Energy Transfer/ Energy Transfer and Temperature

					(G), Universal Law of Gravitation			
Week 2	Changes in Force and motion:	Motion, reference point, speed, average speed, instantaneous speed, velocity, slope, plate, theory of plate tectonics, acceleration,	**Week 5**	Electric and Magnetic Forces	Conductor, Insulator, Current (I), Voltage (V), Resistance ®, Magnetism, Magnetic field, Electromagnet, Electromagnetic force, Induction, Electromagnetic spectrum	**Week 8**	*Final Project: Final Project- Analysis Report of a Rube Goldberg device* https://www.teachengineering.org/activities/view/cub_simp_machines_lesson05_activity1 *Step 1- Knowing what a Rube Goldberg Machine is.* *First part of the project- create a simple, but functional Rube Goldberg Machine with three steps.* *Second part of project- Qualitative Description of Rube Goldberg Device Step* *Third Part of the project- Setup of Quantitative Description of Your Rube Goldberg Device Step*	
Week 3	Newton's Third Law of motion Collision	Force, newton, net force, unbalanced forces, balanced forces, momentum, law of conservation of momentum	**Week 6**	Kinetic energy	Energy, kinetic energy, potential energy, gravitational potential energy, elastic potential energy	**Week 9**	Review/final	

Qtr 2	*Matter & Its Interactions: Students act as chemical Engineers who construct and revise an explanation for the outcome of a simple chemical reaction based on the outermost electron states of atoms, trends in the periodic table, and knowledge of the patterns of chemical properties*

NGSS Focus:	HS-PS1-1, HS-PS1-2, HS-PS1-3, HS-PS1-4, HS-PS1-7, HS-PS3-4, HS-PS4-1
Topics:	Atomic structure, bonding, conservation of mass, energy in reactions, waves
Key Labs & Activities:	❖ Atomic Structure Modeling (Bohr models, Lewis structures) ❖ Conservation of Mass Lab (before/after chemical reaction) ❖ Physical vs. Chemical Change Lab ❖ Thermal Energy & Chemical Reaction Lab (endothermic vs. exothermic) ❖ Final Project: Chemical Reactions Demonstration & Analysis or Synthetic Materials Research Project (societal impacts)

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Matter and properties	Matter, physical properties, chemical properties, atomic matter, pure substances, mixtures, exothermic, endothermic	**Week 4**	Atomic Mass and Periodic Table	Atomic mass, periodic table, families, groups, elements, atomic number	**Week 7**	Chemical Equations/reactions Naming Binary Compounds	Chemical reaction, reactants, products, combustion, synthesis reaction, photochemical reaction, decomposition reaction, cation, anion,
Week 2	Scientific Notation and Significant figures	Exponential notation, coefficient, significant figures	**Week 5**	Classifying elements	metals, non-metals, metalloids	**Week 8**	*Final Project- Chemical Reactions* *https://www.youtube.com/watch?v=sJuJH_GT36k&t=38s* *https://docs.google.com/document/d/19hqLUofBLGxAAKwuJo9bAwENdy4XpG4IjUlNek_NMhk/edit*	
Week 3	Dalton's Atom	Atom, Atomic theory, subatomic particles, modern atom view, isotopes	**Week 6**	Orbits and Bounds	Bohr Model, atomic spectra, atomic orbits, electron cloud, electron configuration	**Week 9**	Review/final	

Earth and Space Science Standards aligned:
https://www.nextgenscience.org/sites/default/files/HS%20ESS%20DCI%20combined%206.13.13.pdf

Qtr 3	*Earth's Systems: Students act as geologists who analyze geoscience data to make the claim that one change to Earth's surface can create feedback that causes changes to other Earth systems.*
NGSS Focus:	HS-ESS2-1, HS-ESS2-2, HS-ESS2-3, HS-ESS2-5, HS-ESS2-6, HS-ESS3-1, HS-ESS3-4, HS-ESS3-5, Environmental Principles & concepts
Topics:	Plate tectonics, earthquakes, volcanoes, rock cycle, climate & human impact
Key Labs & Activities:	❖ Plate Tectonics Modeling (continental drift, convection currents) ❖ Earthquake Simulation (seismic wave models, earthquake-safe structures) ❖ Rock & Mineral Lab (Mohs hardness, streak, luster tests) ❖ Rock Cycle Lab (model transitions over geologic time) ❖ Volcano Modeling (viscosity, silica content, eruption styles) ❖ Climate Change Data Analysis (CO_2 and temperature trends) ❖ Final Project: Classifying Rocks Report & Presentation

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary
Week 1	Plate Tectonics	Seismic waves, Pressure Crust Basalt Granite Mantle Lithosphere Asthenosphere Outer core Inner core	Week 4	Properties of Matter and Minerals	Mineral, inorganic, crystal, streak, luster, Mohs hardness scale, cleavage, fracture, geode, crystallization, solution, vein, gemstone, ore, smelting, alloy,	Week 7	Properties of Visible light/Modeling Waves	

Week 2	Energy Transfer and Earth Structure	earthquake, epicenter, focus, P waves, S waves, surface waves, Richter scale, seismograph, liquefaction, aftershock, tsunami.	**Week 5**	Cycles of Matter and Energy	Rock-forming mineral, granite, basalt, grains, texture, igneous rock, sedimentary rock, metamorphic rock, extrusive rock, intrusive rock, sediment, erosion, deposition, compaction, cementation, clastic rock, organic rock, chemical rock, foliated, rock cycle	**Week 8**	Final Project: Classifying Rocks Students will examine rock samples and fill in the Rock Data Sheet (Lab.) Then, they will write about a specimen that has gone through the following transitions along the timeline given: 5 million years ago: a sandy beach 3 million years ago: a piece of sandstone 1.5 million years ago: a piece of quartzite today: a piece of granite
Week 3	Forces Inside Earth	Volcano, magma, lava, ring of fire, island arc, hot spot, element, compound, physical and chemical properties, viscosity, silica, pahoehoe, aa, magma chamber, pipe, vent, lava flow, crater, pyroclastic flow, dormant, extinct, shield volcano, cinder cone, composite volcano, caldera, volcanic neck, dike, sill, batholith, geothermal activity, geyser	**Week 6**	Causes and Effects of Climate Change	Cause, effect, flow of energy, mitigation, adaptation, anthropogenic climate change	**Week 9**	Review/final

Qtr 4	*Space Systems: Students act as astrologers who communicate scientific ideas about the way stars, over their life cycle, produce elements.*
NGSS Focus:	HS-ESS1-1, HS-ESS1-2, HS-ESS1-3, HS-ESS1-4, HS-ESS1-6, HS-PS4-3
Topics:	Solar system formation, stars, galaxies, universe, nuclear fusion
Key Labs & Activities:	❖ Phases of the Moon Lab (model Earth-Moon-Sun system) ❖ Electromagnetic Spectrum Exploration (visible light & wavelength) ❖ Stellar Life Cycle Modeling (nebula to black hole) ❖ Big Bang Expansion Lab (balloon model of galaxy expansion) ❖ Solar System Scale Model (AU and planetary distances) ❖ Asteroids & Impacts Research Activity (mass extinctions & craters) ❖ Final Project: Planet of the Month Brochure (astronomy research & communication) or Big Bang Balloon Lab & Analysis

Week	Focus Area	Key Vocabulary	Week	Focus Area	Key Vocabulary	Week	Focus Area	*Key Vocabulary*
Week 1	Earth, Moon and Sun	Astronomy, axis, rotation, revolution, orbit, latitude, solstice, equinox, phase, eclipse, solar eclipse, penumbra, gravity, crater, maria	**Week 4**	Comets, Asteroids, and Meteors	comet, asteroid, meteoroid, meteor, meteorite	**Week 7**	Understanding some Phenomena	Phenomena
Week 2	The Solar System	Geocentric, heliocentric, ellipse, inertia, nuclear fusion, core, photosphere, chromosphere, corona, solar wind,	**Week 5**	Tools of modern Astronomy, Characteristics of Stars, and Lives of Stars	Constellation. Visible light, electromagnetic radiation, wavelength, spectrum, galaxy, universe, light year, parallax, giant star, apparent magnitude, absolute magnitude, pulsar, nebula,	**Week 8**	*Final Project 1: Students will create a brochure about "The Planet of the Month" https://docs.google.com/presentation/d/10LGmlb_vF_ap-j9ArW6Tt-r7Ru8SpOIjmCDs4R9D0MM/edit#slide=id.g8789a5c5b8_0_109* *Final Project 2: The Big Bang Balloon Purpose:*	

					protostar, supernova, black hole		*According to the big bang theory, almost all galaxies are moving outward from other galaxies.* *The purpose of this lab is to demonstrate the principles of this expansion using a simple model.*
Week 3	The Inner Planets and The Outer Planets	terrestrial planet, retrograde motion, greenhouse effect, gas giant	**Week 6**	Star System and Galaxies and History of Universe	Binary star, eclipsing binary, spiral galaxy, elliptical galaxy, irregular galaxy, big bang	**Week 9**	Review/final

Escuela Popular High School Program

Math Lab Course Description

Course Objectives

The Math Lab course is designed to accelerate students' progress through the mathematics program by strengthening their foundational skills. The course prepares students for success in the core mathematics sequence—**CCSS Math 1, CCSS Math 2, and CCSS Math 3** (the latter is not required for graduation).

Course Content and Skills

Math Lab serves as a prerequisite for students who do not demonstrate proficiency on the placement test administered at Escuela Popular upon enrollment. The course consists of **33 lessons** focused on essential mathematical skills needed to succeed in core math classes.

Classes are offered during morning periods 1, 2, and 4, and afternoon periods 1, 2, and 4. All sections are taught by a **Single Subject Credentialed Mathematics Teacher**.

The Math Lab curriculum is divided into three progressive sections:

1. **Arithmetic and Fractions**
2. **Powers, Radicals, and Order of Operations**
3. **Solving and Graphing Linear Equations**

Instruction is supported through **Khan Academy** resources, teacher-created instructional videos, and guided practice worksheets. Students may enter the course at any level based on their placement results.

To demonstrate proficiency, students must pass **three exams with a minimum score of 75%** in each section. Students who successfully complete the three sections, corresponding tests, and one quarter of active participation earn **2.5 elective credits**.

Student Expectations

Students are expected to complete all three sections of the Math Lab course before enrolling in **Integrated Math 1**. Regular attendance, active participation, and consistent effort are essential for success.

Assignments, Grading, and Passing Criteria

Each student will work on an assigned packet for each section over a structured **33-day term**.

- Advanced students may complete the course within this timeframe, while those requiring additional support may take extra time as needed.

- Each packet section covers specific topics, and students must complete **at least 70%** of the assigned work before taking the corresponding exam.

Grading Breakdown:

- Tests: **90%**

- Participation and Packet Completion: **10%**

To earn credit, students must achieve **a minimum score of 75% on each exam** and complete **at least 70% of each section packet**.

Course Title and Code: Integrated Mathematics II

Course Overview (1-2 paragraph description)

(Describe the class:

- include connection/reference to 21st century skills (college and career readiness)
- Real-life relevance
- Big Ideas
- Posit overarching Essential Question(s)

"How and why is mathematics essential for our lives?

Math II incorporates mathematical concepts from the different mathematical strands: It starts by incorporating algebra in which students connect the use of quadratic functions to apply them to solve problems related to gravity and area. Furthermore, students create an analysis of the use of parabolas in the structures used in our world by doing a project in which students find parabolic objects in real life, they match it to a coordinate plane and analyze the different parts of the parabola. Later in the second quarter, students also incorporate trigonometric functions to be able to solve word problems that relate to real life when camping or when skiing high in the mountains, figuring out how far they are from certain objects. They will accomplish this by using an angle and a side to figure out the second distance in a triangle. They also find measurements by using the sun and shadows created by objects and their persona. In the third quarter, students will create a map where they apply different theorems of parallel lines and the transversal. In it they will apply concepts learned to know location of different types of angles by adding hospital, a school, a shopping center, and more, into the map, with specific indications using angle pairs as guidance. In the fourth quarter, students learn geometric concepts as well as statistics and probability and the apply what they learn in a project where they find a three dimensional object and figure out its volume as well as its surface area. Not only that, but they construct their net figures. Furthermore, they will go on to describe how they would use this information in relation to the specific object they bring.

Learning Outcomes by Quarter

(Apply basic operations with complex numbers, derive equations and polynomials using complex numbers, apply operations with polynomials, solve quadratic equations, and system of a linear and quadratic equations**.**)

Q1

In quarter 1 of Math II, students will focus on learning about the Real Number System. They will rewrite expressions involving radicals and rational exponents, apply properties of rational and irrational numbers, apply basic operations with complex numbers, and solve quadratic equations. They also will learn how to interpret parts of quadratic and exponential equations, how to manipulate an expression to change its form (factor), how to perform the basic operations on polynomials, and how to solve with completing the square.Then, they will learn how to graph quadratic equations and linear and quadratic systems. At the end of this quarter, students complete a project that demonstrates the use of parabolas in our lives by taking a selfie of them standing next to a structure where a parabola is used and then match it to a graph on a coordinate plane and describe the different parts of the parabola.

Q2

In Quarter 2 of Math II, students will begin with a unit on transformations. In this unit, students will start by defining graph characteristics. These characteristics will include things like extrema (minima and maxima), graph signs (positive and negative), graph changes (increasing and decreasing sections), intercepts, periodicity, asymptotes, and end behavior. Students will extend these characteristics with transformations. Students will transform the graph with rigid transformations: translations and reflections, as well as non-rigid transformations: dilations and stretches. Students will continue to perform rigid transformations on geometric shapes in sketches. These include translations, rotations, and reflections. At the end of this unit, they will finish by performing dilations on said geometric shapes. Students will continue into a second unit involving functions. They will learn how to use function notation to define arithmetic and geometric sequences in explicit and recursive forms. Students will continue to use function notation to define rational and exponential functions. They will finish off by using function notation to perform translations, reflections, and stretches and study how these look using f(x). Students will finish the quarter with a third unit involving trigonometric ratios. These include sine, cosine, and tangent. They will use them to solve real world problems involving distances and angles.

Q3

In Quarter 3 of Math II, students learn different characteristics of pairs of angles formed by intersecting lines and Parallel lines. Students will apply these characteristics to find measurements of angles by using properties of complementary angles, supplementary angles, alternate interior angles, same side interior angles, and corresponding angles. They will also learn and apply the triangle angle sum theorem, as well as the remote interior . Students also learn about triangle relationships, and will find measurements of sides and angles by using properties of medians, angle bisectors, perpendicular bisectors, inscribed circles, circumscribed circles, triangle inequality theorem, finding possible side measurements. Furthermore, students learn components of circles. They will be working with circle similarity, inscribed angles, angles formed by intersecting chords, secants, and tangents. They will go on to finding area of sectors and segments of a circle.

Q4

In Quarter 4, students will begin with a unit on conic sections. Students will derive and use the equations of circles, parabolas to graph them. Students will continue to use variable coordinates to do simple coordinate proofs for triangles and quadrilaterals. Students will continue with formulas. More specifically, they will use formula to find areas of two dimensional shapes, and the surface areas and volumes of three dimensional shapes. Students will finish off the quarter with a unit on probability. The unit will start with Boolean Logic and will expand into calculating conditional and independent probabilities. Students will explore the formulas for both types of probabilities and how they reflect in real life scenarios.

As a capstone project, students will be given the role of a product designer where they are tasked with finding the most efficient design for a box of varying objects. Each group will be assigned a random object to box en masse such as small round marbles, flat wide boards, or odd shaped skeleton models. Students will be tasked with finding the best dimension, material, design, and decorations, if any.

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 1 **Quantities : Reason Quantitatively and Use Units to Solve Problems**	Students will be able to determine an appropriate unit and accuracy.	N-Q.1 N-Q.2 N-Q.3	Why do you think it's appropriate to pick an appropriate unit or accuracy? What happens if you don't pick an appropriate unit or accuracy?
Seeing Structures in Expressions: Interpret the structure of Expressions	Students will be able to interpret and explain the usage of different parts of an expression.	A-SSE.1 [Linear Only] A-SSE.1a A-SSE.1b	*How can the interpretation of an expression help us to understand the use of algebra?*
UNIT 2 **Creating Equations : Create Equations that Describe Numbers or Relationships**	Students will be able to represent a scenario using variables and graphs.	A-CED.1 [Linear Only - Equation] A-CED.2 [Linear Only] A-CED.3 A-CED.4 [Linear Only] A-CED.1 [Linear Only - Inequalities] A-CED.1 [Absolute Value (CA)]	What's the difference between applying an expression and applying an equation?
Reasoning with Equations and Inequalities : Understand Solving Equations as a Process of Reasoning and Explain the Reasoning	Students will solve simple linear equations by using inverse operations.	A-REI.1	How can you make sense of using inverse operations to solve equations?

Reasoning with Equations and Inequalities : Solve Equations and Inequalities in One Variable	Students will solve equations synthetically.	A-REI.3 [Equation] A-REI.3.1 [Absolute Value Equation] A-REI.3 [Inequality] A-REI.3.1 [Absolute Value Inequality]	
UNIT 3 **Reasoning with Equations and Inequalities : Represent and Solve Equations and Inequalities Graphically**	Students will graph simple equations.	A-REI.10 A-REI.12 [Inequality]	

Go back to these standards.
A-SSE.1 [Exponential]
A-CED.1 [Exponential]
A-CED.2 [Exponential]
A-CED.4 [Exponential]
A-REI.3 [Exponential]
A-REI.12 [Systems]
If italicized, review.

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 1 **Reasoning with Equations and Inequalities : Represent and Solve Equations and Inequalities Graphically**	Students will solve systems by graphing. Students will interpret intersections.	A-REI.11 A-REI.12 [Systems of Equations]	How can a solution be interpreted in real life?
Reasoning with Equations and Inequalities : Solve Systems of Equations	Students will solve systems of linear equations.	A-REI.5 A-REI.6	How can a solution be interpreted in real life?
UNIT 2 **Reasoning with Equations and Inequalities : Represent and Solve Equations and Inequalities Graphically**	Students will solve systems of inequalities.	A-REI.12 [Systems of Inequalities]	Why is the set of solutions represented by an area instead of points?
UNIT 3 **Interpreting Functions : Understand the Concept of a Function and Use Function Notation**	Students will be able to use and interpret function notation.	F-IF.1 F-IF.2 F-IF.3	What are some advantages of function notation?

Interpreting Functions : Interpret Functions that Arise in Applications in Terms of the Context	Students will be able to interpret function notation in applications.	F-IF.4 F-IF.5 F-IF.6	What is the real life interpretation of horizontal and vertical transformations?
Interpreting Functions : Analyze Functions Using Different Representations	Students will be able to represent information of functions in different formats: graphs, function, table, scenarios, etc..	F-IF.7 F-IF.7a F-IF.7a [quadratic with technology] F-IF.7e F-IF.7e [trigonometric with technology] F-IF.9	What advantages does each form of representation bring? What are the differences in advantages between visual and synthetic representation?

Go back to these standards.
A-SSE.1b [Exponential]
A-CED.1 [Exponential]
A-CED.2 [Exponential]
A-CED.4 [Exponential]
A-REI.3 [Exponential]
F-IF.7e [Exponential]

If italicized, review.

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 1 **Building Functions : Build a Function that Models a Relationship Between Two Quantities**	Students will compound and embed functions.	F-BF.1 F-BF.1a F-BF.1b F-BF.2	When will the result of one event affect the result of another?
Building Functions : Build New Functions From Existing Functions	Students will perform arithmetic on functions.	F-BF.3	When would the results of multiple events compound in real life?
UNIT 2 **Seeing Structure in Expresions : Interpret the Structure of Expressions**	Students will identify portions of exponential functions.	A-SSE.1b [Exponential]	Why is the order of operations important when setting up exponential functions.
Creating Equations : Create Equations that Describe Numbers or Relationships	Students will set up exponential functions.	A-CED.1 [Exponential] A-CED.2 [Exponential] A-CED.4 [Exponential/Logarithmic (implied)]	When are exponential functions used in real life?
Reasoning with Equations and Inequalities : Solve Equations	Students will solve exponential equations.	A-REI.3 [Exponential/Logarithmic (implied)]	What are exponential functions used for? What can they find?

and Inequalities in One Variable			
Interpreting Functions : Analyze Functions Using Different Representations	Students will	F-IF.7e [Exponential/Logarithmic]	
Linear, Quadratic, and Exponential Models : Construct and Compare Linear, Quadratic, and Exponential Models and Solve Problems		F-LE.1 F-LE.1a F-LE.1b F-LE.1c F-LE.2 F-LE.3	
Linear, Quadratic, and Exponential Models : Interpret Expressions for Functions in Terms of the Situation They Model		F-LE.5	
UNIT 3 **Congruence : Experiment with**		G-CO.1 G-CO.2 G-CO.3 G-CO.4 G-CO.5	

Transformations in the Plane			
Congruence : Understand Congruence in Terms of Rigid Motions		G-CO.6 G-CO.7 G-CO.8	

Go back to these standards.
A-SSE.1b [Exponential]
A-CED.1 [Exponential]
A-CED.2 [Exponential]
A-CED.4 [Exponential]
A-REI.3 [Exponential]
F-IF.7e [Exponential]

If italicized, review.

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 1 **Congruence : Make Geometric Constructions**	Students will connect congruency with rigid transformations. Students will rotate, reflect, and translate geometric figures.	G-CO.12 G-CO.13	What is the difference between congruent and similar? Why is it possible to get any congruent figure using only translations, rotations, and reflections.
UNIT 2 **Expressing Geometric Properties with Equations : Use Coordinates to Prove Simple Geometric Theorems Algebraically**	Students will perform coordinate proofs. Students will manipulate variable equations.	G-GPE.4 G-GPE.5 G-GPE.7	Why are coordinate proofs a quicker way to prove something?
UNIT 3 **Interpreting Categorical and Quantitative Data : Summarize, Represent, and Interpret Data on a Single Count or Measurement Variable**	Students will represent data visually? Students will find mathematical centers for information.	S-ID.1 S-ID.2 S-ID.3	What is the benefit of graphing something in lieu of showing numbers? What can data centers be used for?

Interpreting Categorical and Quantitative Data : Summarize, Represent, and Interpret Data on Two Categorical and Quantitative Variables		S-ID.5 S-ID.6 S-ID.6a S-ID.6b S-ID.6c	
Interpreting Categorical and Quantitative Data : Interpret Linear Models		S-ID.7 S-ID.8 S-ID.9	

Go back to these standards.
A-SSE.1b [Exponential]
A-CED.1 [Exponential]
A-CED.2 [Exponential]
A-CED.4 [Exponential]
A-REI.3 [Exponential]
F-IF.7e [Exponential]

If italicized, review.

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 1 **Apply basic operations with complex numbers, and derive equations and polynomials using complex numbers**	Students will be able to explain some real number properties with rational and irrational numbers, and will be able to apply the complex numbers using the basic operations, as well factoring polynomials and solving quadratic equations.	N-RN.1 N-RN.2 N-RN.3 N-CN.1 N_CN.2 N-CN.7 N-CN.8 N-CN.9	How come sometimes something that is the same can have different structure? Where else in the world do you see the closure property?
UNIT 2 **Apply operations with polynomials and solving quadratic equations**	Students will solve quadratic equations by factoring, completing the square, and using the quadratic formula.	A-SSE.1a,1b A-SSE.2 A-SSE.3a, 3b A-APR.1 A-REI.4a, 4b	Where in our world do we see parabolas?
UNIT 3 **Solve quadratic equations; solve systems of a linear and quadratic equation**	Students will be able to solve word problems related to quadratic and linear equations (algebraically, and graphically), and solve linear and quadratic systems (algebraically and graphically).	A-CED.1 A-CED.2 A-CED.4 A-REI.7 A-SSE.3c	What are the similarities and differences of linear functions and quadratic functions?

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 4 Interpreting graphs, transformations of graphs, periodicity, end behaviors, relative extrema, symmetry, vertical stretches and compressions, horizontal stretches and compressions, inverse functions	Students will be able to determine and apply transformations in graphs, and they will be able to identify parts of a graph such as periodicity, end behaviors, symmetry, stretches and compressions, maximum, minimum.	F-IF.4 F-BF.3,4,4a	Where can you find transformations in your surroundings? Why are isometries important? Why is symmetry important?
UNIT 5 Building new functions from existing ones: recursive <->explicit, translations with quadratic and exponential functions,	Students will be able to build new functions from existing ones:	F-BF.1a, F-BF.1b F-BF.3 F-BF.4a F-LE.3 F-LE.6	Why do we need to know formulas written in different ways? How does it make our lives easier?

inverse functions, **Constructing and comparing linear, quadratic and exponential models and solving problems.**			
UNIT 6 **Proving and Applying Sine, Cosine, Tangent**	Students will be able to solve word problems related to angles in reference to trigonometric functions: sine, cosine, tangent.	F-TF.8	Why do we need to know angles of elevation? Why do we need to know angles of declination? Where do they appear in real life? Why are trigonometric ratios the same regardless of the size of the sides?

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 7 **Proving geometric theorems:** **Vertical angles, parallel lines with transversals, Points of a perpendicular line equidistant from the segments endpoints, triangle sum-theorem, base angles of isosceles triangles, the mid-segment of a triangle, the medians of a triangle, parallelogram theorem.**	Students will be able to prove different geometric theorems related to angles, triangles, parallel lines, and parallelograms	G-CO.9 G-CO.10 G-CO.11	Where can you find useful the understanding of theorems related to this figures? How do theorems help us, knowing that parts of the figures are congruent.
UNIT 8 **Similarity, Right Triangles, and trigonometry: defining congruent corresponding angles, and proportional corresponding sides,** **Relationship between sine and cosine of complementary angles,** **Prove theorems involving similarity,**	Students will be able to understand similarity and will use the information to define whether a triangles are similar, Prove theorems about triangles such as a line parallel to one side of a triangle divides the other two proportionally, the Pythagorean Theorem proved using triangle similarity, to prove relationships in geometric figures using congruency an similarity criteria for triangles. Students will be able to explain and use the relationship between the	G-SRT.1a G-SRT.1b G-SRT.2 G-SRT.3 G-SRT.4 G-SRT.5 G-SRT.6 G-SRT.7 G-SRT.8 G-SRT.8.1	How does knowing that angles are congruent and sides are proportional help in the real world? Who would use these proofs and theorems?

Define trigonometric ratios and solve problems involving right triangles.	sine and cosine of complementary angles. Derive and use the trigonometric ratios for special right triangles (30, 60, 90 and the 45, 45, 90)		
UNIT 9 **Circle theorems:** **Arc lengths, and areas of sectors of circles.** **Inscribed and circumscribed circles of a triangle** **Areas of sectors**	Students will be able to: prove that all circles are similar. Identify and describe relationships among inscribed angles, radii, and chords. (central inscribed and circumscribed angles; inscribed angles on a diameter are right angles; the radius of a circle is the perpendicular to the tangent where the radius intersects the circle) Construct the inscribed and circumscribed circles of a triangle, and prove properties of angles for a quadrilateral inscribed in a circle. Construct a tangent line form a point outside a given circle to the circle.	G-C.1 G-C.2 G-C.3 G-C.4 G-C.5	Where do you see circles? How are all circles similar? How are they different?

TOPIC	OUTCOMES/ OBJECTIVES	CCSS	ESSENTIAL QUESTION
UNIT 10 **Expressing Geometric Properties with Equations: Translate between the geometric description and the equation for a conic section.**	Students will be able to derive and use equations for circles and parabolas.	G-GPE.1 G-GPE.2	How are circles and conic sections related?
Use coordinates to prove simple geometric theorems algebraically.	Students will be able to perform coordinate proofs. Students will be able to partition segments in a Cartesian coordinate plane.	G-GPE.4 G-GPE.6	How can we use coordinates to describe the physical world?
UNIT 11 **Geometric Measurement and Dimension: Explain volume formulas and use them to solve problems.**	Students will calculate area and volumes for several geometric shapes. Students will use the length-surface-volume ratio. Students will use the hinge theorem.	G-GMD.1 G-GMD.3 G-GMD.5 G-GMD.6	Why is something that is twice as long not twice as big?
UNIT 12 **Conditional Probability and the Rules of Probability: Understand Independence and Conditional probability**	Students will understand Boolean logic. Students will understand conditional and independent probability.	S-CP.1 S-CP.2 S-CP.3 S-CP.4 S-CP.5	What is the difference between conditional and independent probability.

and use them to interpret data.	Students will construct probability tables. Students will apply conditional and independent probability in real life.		
Use the rules of probability to compute probabilities of compound events in a uniform probability model.	Students will calculate conditional and independent probability. Students will calculate permutations and combinations.	S-CP.6 S-CP.7 S-CP.8 S-CP.9	What does the percentage in a probability mean?
Using Probability to Make Decisions: Use probability to evaluate outcomes of decisions.	Students will use probability to make decisions.	S-MD.6 S-MD.7	Why is it beneficial to compare rewards and risks?

G-GPE.1 2-3 days
G-GPE.2 3 days

G-GPE.4 3 days

Integrated Math III

Grades: 10,11,12

Length: Full Year

Environment: Classroom-based

Honors: None

Subject: Mathematics (C)

Discipline: Mathematics III

Institution: Escuela Popular Accelerated Family Learning Center

Course Overview

This course is the last of a three-course sequence consisting of CCSS Integrated Math I (IM 1), CCSS Integrated Math II (IM 2), and CCSS Integrated Math III (IM 3). CCSS Integrated Math III is divided into four different quarters. In this course, students integrate and apply all the knowledge acquired from IM 1 and IM 2. This course includes conceptual categories of Number and Quantity, Algebra, Functions, Geometry, statistics, and Probability. The beginning quarter starts with multiplying and factoring of polynomials of higher-level polynomials by using synthetic division, the pascal triangle. Then they go on to graph higher-level polynomial functions.

Unit 1 - The Complex Number System

In this unit of Integrated Math III, students will begin by reviewing complex numbers. Students will solve quadratic equations by factoring and by using the quadratic formula. Students will extend the factoring of the difference of squares by using imaginary coefficients. Students will finish the unit by being introduced to the Fundamental Theorem of Algebra, in order to determine how many roots and factors to seek.

Assignments

Students will be able to:

- Review the quadratic formula and solve quadratic equations, including those with complex solutions.
- Use the quadratic formula to solve quadratic equations.
- Be introduced to the Fundamental Theorem of Algebra.
-

Use the Fundamental Theorem of Algebra to understand equations with a degree greater than 2.

Unit 2 - Parts of Expressions (Including degree 3+)

In this unit, students will work mainly on the applications of expressions to real-life world scenarios. These applications will be used to interpret the different parts of the expressions such as terms, factors, coefficients, and powers. Furthermore, students will be able to identify different ways of rewriting expressions and how rewriting can be interpreted in a real-life scenario.

Assignments

Students will be able to:

- Identify parts of an expression (terms, factors, coefficients) and relate them to a scenario or use them to cre
- Create equivalent expressions by using the GCF and relate them to scenarios
- Solve word problems and identify factors.
- Factor polynomial expressions with a leading coefficient that is not 1.
- Evaluate finite geometric series.

Unit 3 - Simplifying Polynomials

In this unit, students will begin by performing basic operations on polynomials such as adding, subtracting, multiplying, and dividing. This way, they will relate them to integers. Students will move on to factoring expressions, including those with degrees higher than 2. They will use this factoring to solve and graph higher power equations by using synthetic division and by finding zeros. Students will finish by reviewing the polynomial identities.

Assignments

Students will be able to:

- Review polynomials and relate them to integers.
- Add and subtract polynomials.
- Identify monomials, binomials, trinomials, and the degree of the polynomial.

- Identify equivalent expressions with different structures.
- Multiply polynomials and identify their parts.
- Divide a polynomial by a monomial by using the Laws of Exponents.
- Divide a polynomial by a binomial using long division.
- Relate Pascal's Triangle to binomial expansion.
- Expand binomials with leading coefficients not equal to one and negative coefficients.
- Explain polynomial identities.
- Find the simplest form of an expression by factoring.
- Add, subtract, multiply and divide rational expressions.

At the end of this quarter, students will present a task related to Pascal's Triangle. In class, they learned how to apply Pascal's Triangle to binomial expansions, but now they will choose one application where Pascal's Triangle can be used to solve or to analyze real-world situations. They will create a model or bring a visual representation to demonstrate the use of it and how it helps solve the problem, to their classmates.

Unit 4 - Equations, Inequalities, Absolute Value

In this unit, students create simple, rational, and absolute value equations from scenarios. They analyze the different parts of equations such as terms, factors, and coefficients. They will go on to represent the equations and inequalities graphically to then analyze the different parts in the graph such as intercepts, slope, and constraints. The students will also convert between standard and slope-intercept forms of an equation and will rearrange equations to isolate one of the variables.

Assignments

Students will be able to:

- Create and solve equations from scenarios
-

Create and solve quadratic equations.

- Create and solve multi-step equations and simple rational equations.
- Create equations from exponential scenarios.
- Set up and solve absolute value equations.
- Set up simple inequalities in two variables.
- Describe possible answers to said inequalities.
- Graph and explain a relationship between two variables, one independent and one dependent
- Create equations in standard form and create linear inequalities in two variables from scenarios.
- Explain intercepts and state constraints
- Rearrange formulas.

Unit 5 - Simple & Complex Roots

In this unit, students will analyze and explain the process taken to solve simple roots as well as complex roots. They will solve radical equations with variables inside and outside of the radical and under multiple radicals. Students will go on to represent equations and inequalities in a graph. The graphs will include radical, polynomial, and absolute values. For the more complicated ones, students will be using technology to create graphs.

Assignments

Students will be able to:

- Solve simple radical equations.
- Solve radical equations with variables under multiple radicals.
- Solve radical equations with variables inside and outside of the radical.

- Solve absolute value equations.
- Solve absolute value inequalities.
- Graph absolute value functions.
- Graph radical functions, cubic functions (verify with technology).
- Find the solution for any algebraic equation using technology.

Unit 6 - Graphs

In this unit, students will begin by acquiring the vocabulary necessary to describe graphs. They will not be asked to the graph at first but rather be given graphs and asked to determine their properties, describe them with their newly acquired vocabulary, and describe what these represent in real life. By doing this the students will be able to discuss the graphs with proper mathematical vocabulary. Students will continue on to calculate the rate of change. They will complete the unit by graphing square root, cube root, and piecewise functions.

Assignments

Students will be able to:

- Identify and explain: extrema, change, and sign
- Identify periodicity, symmetry, end behavior, and extrema.
- Identify domain and range.
- Calculate the average rate of change.
- Graph square root functions and cube root functions.
- Describe the end behavior of root functions.
- Graph piecewise functions.

At the end of this quarter, students will create a five-page mini portfolio in which they present one of the following: Inequality equations in two variables, Rational Functions, Quadratic functions, absolute value functions, or exponential functions. For this presentation, they will create a word problem and other forms to represent the problem. In their mini-portfolio they will include the following information:

- Page 1. Presentation page
- Page 2. Objective (common core)
- Page 3. Word Problem and Set-Up
- Page 4. Table
- Page 5. Graph

Students will present to three other students, and the students listening to the presentations will give feedback to the presenter on his/her project, using a rubric given to them.

Unit 7 - Rational Expressions & Higher Degree Polynomials

In unit 7 students will work mainly with rational expressions and higher degree polynomials. They will graph exponential functions, and demonstrate an understanding of what different components mean, such as intercepts and end behavior represent. When graphing simple functions, they will do it by hand by finding the zeros. Furthermore, they will describe the parts of the graph as positive or negative. For more complicated graphs, students will use technology, and use it to find extrema, and where the graph is increasing or decreasing. They will end the unit by comparing different forms of representation such as tables, graphs, or verbal descriptions to reason about the different parts of the graph and the way they behave.

Assignments

Students will be able to:

- Graph f(x)=x^n, where n is a whole number.
- Review synthetic division and graphing higher exponent polynomials.
- Graph polynomials of higher degrees with multiplicity.

- Graph rational functions with asymptotes.
- Graph rational functions with removable discontinuities.
- Graph removable discontinuities that affect the graph.
- Practice graphing rational equations.
- Factor and multiply portions of rational equations to modify how they look.
- Create tables to the graph.

Unit 8 - Arithmetic Operations

In this unit, students will combine functions by using the four basic arithmetic operations. They will start by practicing them mechanically, as well as relating them to real-life scenarios. They will continue to build a new function given a mother graph and they will verbally describe the transformations taking place. Furthermore, they will identify whether a function is even or odd by using technology to graph them as well as demonstrating it algebraically. In the end, they will also find the inverse of the functions.

Assignments

Students will be able to:

- Combine functions arithmetically for rational expressions.
- Embed functions with rational expressions.
- Apply embedded functions to real-world problems for example person A produces bread, person B produces
- Graph vertical transformations: translations and dilations. (Using technology)
- Describe horizontal transformations with rational coefficients: translations and dilations (Using technology)
- Describe vertical and horizontal flips
-

Identify whether a function is even or odd, given the function and finding its inverse, and given the graph. (in

Unit 9 - Graphing Exponential & Logarithmic Functions

In unit 9 students will start by graphing exponential and logarithmic functions to demonstrate that they are inverses of each other. They will understand and prove the laws of logarithms. Then students will translate between logarithms by changing their base. Students will be using technology to evaluate logarithms. Also, students will be able to solve exponential equations with the use of logarithms to solve real-world situations. And they will conclude the unit by solving real-world problems by deriving and using Euler's number.

Assignments

Students will be able to:

- Review graphing exponential functions.
- Review evaluating logarithmic expressions with rational bases.
- Graph logarithmic functions.
- Review Logarithmic Laws (Product/Quotient/Power Laws)
- Use the change of base of logarithms and use the change of base to evaluate logarithms using technology.
- Solve exponential equations with the use of logarithms.
- Apply logarithms to real-life scenarios.
- Derive and use Euler's number.

In order to expand the knowledge acquired, students will be asked to present a project. They will have different options that can be applied to real life. One of those concepts is related to vertical transformations: translations and dilations using technology. For this presentation, they will create a word problem in which they can apply the concept of vertical transformations, such as a graph of a person's finances and that by adding extra money it will move up, or a sudden emergency may lower the graph. The second option would be for them to do a presentation with embedded functions for example a production chain or planning for a party involving several layers of information such as capacity and cost, preferences, etc. As an example, the cost depends on the amount of food, the amount of food depends on the guests, the total number of guests depends on the number of invitations sent, and the invitations sent depend on capacity. In their google slides they will include at least the following information:

- Slide 1. Presentation page
- Slide 2. Objective (common core)
- Slide 3. Word Problem and Set-Up
- Slide 4. Table (only for transformations)/description of the parts of each function
- Page 5. Graph with a transformation

Students will present it in front of the whole class, and the rest of the students listening to the presentations will give feedback to the presenter on his/her project, using a rubric given to them.

Unit 10 - Unit Circle

In this unit, students will begin with an introduction to the unit circle. They will understand where the values in the unit circle come from, and use them to evaluate trigonometric ratios sine, cosine, and tangent. They will use the unit circle to plot points and create a graph of sine, cosine, and tangent. Students will transform trigonometric functions and relate these transformations to other types of functions to make the connection that transformations are consistent regardless of the underlying function. They will also compare models to analyze the appropriateness of fit and make judgments about the domain and the range. Students will apply several concepts in geometry to real-life situations and to two and 3-dimensional objects.

Assignments

Students will be able to:

- Understand the radian measure of an angle as the length of the arc on the unit circle subtended by the angl
- Label the unit circle and derive the measurement in radians, and relate it to cosine and sine,
- Use the unit circle to find tangent, cotangent, secant, and cosecant.
- Graph the basic trigonometric functions using the unit circle.
- Graph trigonometric functions to model periodic phenomena

- Identify amplitude, frequency, and midline
- Prove trigonometric identities are true and derive the three main identities.
- Identify the 3-D shapes formed by the rotation of two- dimensional figures, and shapes formed by cutting 3-D
- Derive the formula A=1/2absin(C) for the area of a triangle.
- Understand and apply the Law of Sines and Cosines to find unknown measurements in a triangle.

Unit 11 - Standard Form

In this unit, students will manipulate equations given in the form of ax^2+by^2+cx+dy+e=0 by completing the square so that they can graph them. They will also identify the equation by the type of conic section by analyzing the structure of the equation. By analyzing the parts of the function they will be able to identify the transformations that are taking place.

Assignments

Students will be able to:

- Derive the standard form equation of a circle
- Graph circles from the standard form.
- Complete the square to manipulate the equation into standard form
- Graph parabolas and understand the difference between y=x^2 and x=y^2
- Students will be able to identify the conic section type and will manipulate the equation to graph it

Unit 12 - Mean & Standard Deviation

In this unit, students will find the mean and standard deviation to be able to analyze where specific data falls. They will do this using calculators, spreadsheets, and tables to identify data that falls under the normal curve. Also, students will investigate using different types of statistical instruments: sample surveys, experiments, and observational studies. They will use data collected to analyze and evaluate data to offer

solutions to real-world problems.

Assignments

Students will be able to:

- Review the mean average
- Calculate the variance and standard deviation as measures of variation or dispersion
- Determine within how many standard deviations data falls
- Discern among sample surveys, experiments, and observational studies and identify how information is mad
- Sample population and use proportions to estimate data
- Use probability to make decisions by analyzing data from real-world problems

At the end of the quarter, students will play the role of a sociologist, who will create one of the three types of surveys: sample, experimental, or observational; and they will then collect data. They will analyze the data, make inferences, and justify conclusions. They will present their findings to the class by including a visual representation (i.e. A pie with percentages), and a written explanation in paragraph form.

Module #A whole numbers (W) Operations

Topic	Main Outcomes	CCSS	Essential Questions
1. What are Whole (W) numbers?			What are different ways to represent a number?
2. Reading and Writing numbers to 1,000	1. Students should be able to read and write whole numbers in words and standard form.	2.NBT.3 Read and write numbers to 1000 using base-ten numerals, number names, and expanded form.	In how many different ways can a number be written?
3. Rounding	4. Students should be able to: Understand and name the place value of digits in whole numbers in order to round to specific places.	**3.NBT.1** Use place value understanding to round whole numbers to the nearest 10 or 100. **4. NBT.** Use place value understanding to round multi-digit whole numbers to any place.	In which way can we round numbers to the nearest tens, hundreds, or thousands?
4. Adding	2. At the end of this module students will be able to recognize the four basic operations in Math	**1.OA.1** Use addition and subtraction within 20 to solve	What would happen if we would not be able to add?

	(multiplication, division, subtraction, and addition.)	word problems involving situations of adding to, taking from, putting together, and taking apart.	
5. Subtracting		**1.OA.1** Use addition and subtraction within 20 to solve word problems involving situations of adding to, taking from, putting together, and taking apart.	What would happen if we would not be able to subtract?
6. Multiplying—the tables:		**3.OA.3** Use multiplication and division within 100 to solve word problems. **3.OA.5** Apply properties of operations as strategies to multiply and divide. Examples: If 6 × 4 = 24 is known, then 4 × 6 = 24 is also known. (Commutative property of	When should we multiply? Can multiplication make things smaller? What strategies can we use to efficiently solve multiplication problems?

		multiplication.) 3 × 5 × 2 can be found by 3 × 5 = 15, then 15 × 2 = 30, or by 5 × 2 = 10, then 3 × 10 = 30. (Associative property of multiplication.) Knowing that 8 × 5 = 40 and 8 × 2 = 16, one can find 8 × 7 as 8 × (5 + 2) = (8 × 5) + (8 × 2) = 40 + 16 = 56 **3.OA.7** Fluently multiply and divide within 100, using strategies such as the relationship between multiplication and division (e.g., knowing that 8x5=40, one knows 40/5=8) or properties of operations.	

7. Factors and Multiples	3. Students should be able to determine if given numbers are divisible by 2, 3, 4, 5, 6, 9 and 10.	**4.0A** Gain familiarity with factors and multiples **4.OA.4** Find all factors pairs whole numbers in the range 1-100. Recognize that a whole number is a multiple of each of its factors. Determine whether a given whole number in the range 1-100 is a multiple of a given one-digit number.	How do I use multiples and factors to find products of whole numbers? How can we find the divisibility of a whole number?
8. Dividing		**3.OA.3** Use multiplication and division within 100 to solve word problems. **3.OA.7** Fluently multiply and divide within 100, using strategies such as the relationship between multiplication and division (e.g., knowing that 8x5=40, one knows 40/5=8) or properties of operations.	What strategies can we use to efficiently solve division problems?

MODULE C CURRICULUM MAP (FRACTIONS)			
Module C/ Topics	**Outcomes :**	**Essential Standards**	**Essential questions**
Fractions (Rational numbers, Q) 1. What is a fraction? /Proper and Improper fractions 2. Ways of representing a fraction (graphs, on a number line, as a ratio) 3. Comparing fractions/ equivalent fractions 4. Prime factorization 5. Greatest Common Factor 6. Fractions in simplest form 7. Adding and subtracting with Like Denominators 8. Multiplying 9. Dividing/ reciprocals	***Fractions*** Students will be able to 1. Identify the parts of a fraction and work with them in general. 2.- Compare fractions and use the basic four operations. 3.- Rename fractions in their simplest form and represent them on a graph. ***Prime factorization*** 4.- Students will be able to use their previous knowledge of prime and composite numbers to understand and work with prime factorization as a step to find the greatest common factor of a pair of numbers. 5.- Students will be able to find: the sum, the difference, the product and the quotient of two fractions, then, express the fractions in the simplest form.	**Grade 3 P. 26** **Develop understanding of fractions as numbers.** 1. Understand a fraction as a number on the number line; represent fractions on a number line diagram. Represent a fraction 1/*b* on a number line diagram by defining the interval from 0 to 1 as the whole and partitioning it into *b* equal parts. Recognize that each part has size 1/*b* and that the endpoint of the part based at 0 locates the number 1/*b* on the number line. a. Represent a fraction *a/b* on a number line diagram by marking off *a* lengths 1/*b* from 0. Recognize that the resulting interval has size *a/b* and that its endpoint locates the number *a/b* on the number line. 2. Explain equivalence of fractions in special cases, and compare fractions by reasoning about their size. a. Understand two fractions as equivalent (equal) if they are the same size, or the same point on a number line. b. Recognize and generate simple equivalent fractions, e.g., 1/2 = 2/4, 4/6 = 2/3). Explain why the fractions are equivalent, e.g., by using a visual fraction model. c. Express whole numbers as fractions, and recognize fractions that are equivalent to whole numbers. *Examples: Express 3 in the form 3 = 3/1; recognize that 6/1 = 6; locate 4/4 and 1 at the same point of a number line diagram.* d. Compare two fractions with the same numerator or the same denominator by reasoning about their size. Recognize that comparisons are valid only when the two fractions refer to the same whole. Record the results of comparisons with the symbols >, =, or <, and justify the conclusions, e.g., by using a visual fraction model. **Grade 4 P. 31** Number and operations fractions 4.NF **Extend understanding of fraction equivalence and ordering.** 3. Explain why a fraction *a/b* is equivalent to a fraction *(n × a)/(n × b)* by using visual fraction models, with attention to how the number and size of the parts differ even though the two fractions themselves are the same size. Use this principle to recognize and generate equivalent fractions. 4. Compare two fractions with different numerators and different denominators, e.g., by creating common denominators or numerators, or by comparing to a benchmark fraction such as 1/2. Recognize that comparisons are valid only when the two fractions refer to the same whole. Record the results of comparisons with symbols >, =, or <, and justify the	1) What is a fraction? What do the parts of a fraction tell about its numerator and denominator? How do you know how many fractional parts make a whole? 2) How do I graph a fraction on a numeric line? How can you distinguish a ratio in a fraction? 3) Why is it important to compare fractions (thirds, sixths, eighths, tenths) as representations of equal parts of a whole or of a set? If you have 2 fractions, how do you know which is greater or has more value? How are numbers related to one another? 4) How does prime factorization help you understand the world? How can you find all the prime factors of a number? How can you find the greatest common factor of two numbers? How can I add and subtract fractions with like denominators? How can I multiply and divide fractions with like denominators?

		conclusions, e.g., by using a visual fraction model. **Build fractions from unit fractions by applying and extending previous understandings of operations on whole numbers.** 3. Understand a fraction *a/b* with *a* > 1 as a sum of fractions 1*/b*. a. Understand addition and subtraction of fractions as joining and separating parts referring to the same whole. b. Decompose a fraction into a sum of fractions with the same denominator in more than one way, recording each decomposition by an equation. Justify decompositions, e.g., by using a visual fraction model. *Examples:3/8 = 1/8 + 1/8 + 1/8 ; 3/8 = 1/8 + 2/8 ; 2 1/8 = 1 + 1 + 1/8 = 8/8 + 8/8 + 1/8.* c. Add and subtract mixed numbers with like denominators, e.g., by replacing each mixed number with an equivalent fraction, and/or by using properties of operations and the relationship between addition and subtraction. d. Solve word problems involving addition and subtraction of fractions referring to the same whole and having like denominators, e.g., by using visual fraction models and equations to represent the problem. 4. Apply and extend previous understandings of multiplication to multiply a fraction by a whole number. a. Understand a fraction *a/b* as a multiple of 1*/b. For example, use a visual fraction model to represent 5/4 as the product 5 × (1/4), recording the conclusion by the equation 5/4 = 5 × (1/4).* b. Understand a multiple of *a/b* as a multiple of 1*/b,* and use this understanding to multiply a fraction by a whole number. *For example, use a visual fraction model to express 3 × (2/5) as 6 × (1/5), recognizing this product as 6/5. (In general, n × (a/b) = (n × a)/b.)* c. Solve word problems involving multiplication of a fraction by a whole number, e.g., by using visual fraction models and equations to represent the problem. *For example, if each person at a party will eat 3/8 of a pound of roast beef, and there will be 5 people at the party, how many pounds of roast beef will be needed? Between what two whole numbers does your answer lie?* **Grade 4 P.32 4.MD** *Solve problems involving measurement and conversion of measurements from a larger unit to a smaller unit. **2.** Represent and interpret data. **Represent and interpret data.** 4. Make a line plot to display a data set of measurements in fractions of a unit (1/2, 1/4, 1/8). Solve problems involving addition and subtraction of fractions by using information presented in line plots. *For example, from a line plot find and interpret the difference in length between the longest and*	

		shortest specimens in an insect collection. **Grade 5 P. 37** **Use equivalent fractions as a strategy to add and subtract fractions.** 5. Add and subtract fractions with unlike denominators (including mixed numbers) by replacing given fractions with equivalent fractions in such a way as to produce an equivalent sum or difference of fractions with like denominators. *For example, 2/3 + 5/4 = 8/12 + 15/12 = 23/12. (In general, a/b + c/d = (ad + bc)/bd.)* 6. Solve word problems involving addition and subtraction of fractions referring to the same whole, including cases of unlike denominators, e.g., by using visual fraction models or equations to represent the problem. Use benchmark fractions and number sense of fractions to estimate mentally and assess the reasonableness of answers. *For example, recognize an incorrect result 2/5 + 1/2 = 3/7, by observing that 3/7 < 1/2.* Apply and extend previous understanding of multiplying and division to multiply and divide fractions. 3 **Grade 6 P.42 6NS** **Apply and extend previous understandings of multiplication and division to divide fractions by fractions.** 1. Interpret and compute quotients of fractions, and solve word problems involving division of fractions by fractions, e.g., by using visual fraction models and equations to represent the problem. *For example, create a story context for (2/3) ÷ (3/4) and use a visual fraction model to show the quotient; use the relationship between multiplication and division to explain that (2/3) ÷ (3/4) = 8/9 because 3/4 of 8/9 is 2/3. (In general, (a/b) ÷ (c/d) = ad/bc.) How much chocolate will each person get if 3 people share 1/2 lb of chocolate equally? How many 3/4-cup servings are in 2/3 of a cup of yogurt? How wide is a rectangular strip of land with length 3/4 mi and area 1/2 square mi?*	

Module D

Module/Topic	Main Outcomes	CCSS	Essential Questions
D – Fractions II 1. Least Common Multiple	Students will be able to add, subtract, multiply and divide mixed numbers and fractions with unlike denominators. Students will be able to apply fractions to realistic examples.	6.NS.4 Find the greatest common factor of two whole numbers less than or equal to 100 and the least common multiple of two whole numbers less than or equal to 12. Use the distributive property to express a sum of two whole numbers 1–100 with a common factor as a multiple of a sum of two whole numbers with no common factor. *For example, express 36 + 8 as 4 (9 + 2).*	What is the purpose of an LCM or GCF? What is an efficient strategy for adding and subtracting fractions? When are unlike-denominators easier to add? What models or equations can be used to efficiently solve problems using fractions and mixed numbers? How do people use fractions in their professions?
2. Adding Fractions with Unlike Denominators – Least Common Denominator		5.NF.1, 2 1. Add and subtract fractions with unlike denominators (including mixed numbers) by replacing given fractions with equivalent fractions in such a way as to produce an equivalent sum or difference of fractions with like denominators. For example, 2/3 + 5/4 = 8/12 + 15/12 = 23/12. (In general, a/b + c/d = (ad + bc)/bd.) 2. Solve word problems involving addition and subtraction of fractions referring to the same whole, including cases of unlike denominators, e.g., by using visual fraction models or equations to represent the problem. Use benchmark fractions and number sense of	

		fractions to estimate mentally and assess the reasonableness of answers. For example, recognize an incorrect result 2/5 + 1/2 = 3/7, by observing that 3/7 < 1/2.	
3. Subtracting Fractions with Unlike Denominators – Least Common Denominator		5.NF.1, 2 1. Add and subtract fractions with unlike denominators (including mixed numbers) by replacing given fractions with equivalent fractions in such a way as to produce an equivalent sum or difference of fractions with like denominators. For example, 2/3 + 5/4 = 8/12 + 15/12 = 23/12. (In general, a/b + c/d = (ad + bc)/bd.) 2. Solve word problems involving addition and subtraction of fractions referring to the same whole, including cases of unlike denominators, e.g., by using visual fraction models or equations to represent the problem. Use benchmark fractions and number sense of fractions to estimate mentally and assess the reasonableness of answers. For example, recognize an incorrect result 2/5 + 1/2 = 3/7, by observing that 3/7 < 1/2.	
4. Improper Fractions as mixed numbers and		5.NF.3,6 3. Interpret a fraction as division of the numerator by the denominator (a/b =	

vice versa		a ÷ b). Solve word problems involving division of whole numbers leading to answers in the form of fractions or mixed numbers, e.g., by using visual fraction models or equations to represent the problem. For example, interpret 3/4 as the result of dividing 3 by 4, noting that 3/4 multiplied by 4 equals 3, and that when 3 wholes are shared equally among 4 people each person has a share of size 3/4. If 9 people want to share a 50-pound sack of rice equally by weight, how many pounds of rice should each person get? Between what two whole numbers does your answer lie? 6. Solve real-world problems involving multiplication of fractions and mixed numbers, e.g., by using visual fraction models or equations to represent the problem.	
5. Adding, Subtracting, Multiplying, Dividing with Mixed Numbers		5.NF.3,6 3. Interpret a fraction as division of the numerator by the denominator (a/b = a ÷ b). Solve word problems involving division of whole numbers leading to answers in the form of fractions or mixed numbers, e.g., by using visual fraction models or equations to represent the problem. For example, interpret 3/4 as the result	

		of dividing 3 by 4, noting that 3/4 multiplied by 4 equals 3, and that when 3 wholes are shared equally among 4 people each person has a share of size 3/4. If 9 people want to share a 50-pound sack of rice equally by weight, how many pounds of rice should each person get? Between what two whole numbers does your answer lie? 6. Solve real-world problems involving multiplication of fractions and mixed numbers, e.g., by using visual fraction models or equations to represent the problem.	
6. Applications		5.NF.4,5,6,7 4. Apply and extend previous understandings of multiplication to multiply a fraction or whole number by a fraction. a. Interpret the product (a/b) × q as a parts of a partition of q into b equal parts; equivalently, as the result of a sequence of operations a × q ÷ b. For example, use a visual fraction model to show (2/3) × 4 = 8/3, and create a story context for this equation. Do the same with (2/3) × (4/5) = 8/15. (In general, (a/b) × (c/d) = ac/bd.) b. Find the area of a rectangle with fractional side lengths by tiling it	

		with unit squares of the appropriate unit fraction side lengths, and show that the area is the same as would be found by multiplying the side lengths. Multiply fractional side lengths to find areas of rectangles, and represent fraction products as rectangular areas. 5. Interpret multiplication as scaling (resizing), by: a. Comparing the size of a product to the size of one factor on the basis of the size of the other factor, without performing the indicated multiplication. b. Explaining why multiplying a given number by a fraction greater than 1 results in a product greater than the given number (recognizing multiplication by whole numbers greater than 1 as a familiar case); explaining why multiplying a given number by a fraction less than 1 results in a product smaller than the given number; and relating the principle of fraction equivalence a/b = (n × a)/(n × b) to the effect of multiplying a/b by 1. 6. Solve real-world problems involving multiplication of fractions and mixed numbers, e.g., by using visual fraction	

		models or equations to represent the problem. 7. Apply and extend previous understandings of division to divide unit fractions by whole numbers and whole numbers by unit fractions.1 a. Interpret division of a unit fraction by a non-zero whole number, and compute such quotients. For example, create a story context for (1/3) ÷ 4, and use a visual fraction model to show the quotient. Use the relationship between multiplication and division to explain that (1/3) ÷ 4 = 1/12 because (1/12) × 4 = 1/3. b. Interpret division of a whole number by a unit fraction, and compute such quotients. *For example, create a story context for 4 ÷ (1/5), and use a visual fraction model to show the quotient. Use the relationship between multiplication and division to explain that 4 ÷ (1/5) = 20 because 20 × (1/5) = 4.* c. Solve real-world problems involving division of unit fractions by non-zero whole numbers and division of whole numbers by unit fractions, e.g., by using visual fraction models and equations to represent the problem. *For example,*	

		how much chocolate will each person get if 3 people share 1/2 lb of chocolate equally? How many 1/3-cup servings are in 2 cups of raisins?	

Module/ Topic	Objective	CCSS	Essential Question
Module E: Decimal and percent **1. Place Value**	Identify a digit that occupies a specific place in a decimal number. *Identify the value of a digit in a specific place in a decimal number.	NBT.1 Use place value understanding to round whole numbers to the nearest 10 or 100.	How does a digit's position affect its value?

	objective	CCSS	Essential Question
Module E: Decimal and percent **2. Reading and Writing Decimals**	*Read decimal numbers written as numerals. *Write numerals for numbers that contain decimals and are expressed as words.	5.NBT.3 Read, write and compare decimals.	How does a digit's position affect its value?

	objective	CCSS	Essential Question
Module E: Decimal and percent **3. Comparing and Rounding**	*Determine which of two decimals is greater, using symbols for greater then and less than. *Determine which decimal in a set of decimal numbers is greatest. * Write a set of decimal numbers in order from least to greatest. * Round decimals to the nearest tenth, hundredth, or thousandth. *Solve word problems requiring the rounding of decimals	NBT.1 Use place value understanding to round whole numbers to the nearest 10 or 100. NBT.3 Use place value understanding to round multi-digit whole numbers to any place. 5.NBT.3 Read, write and compare decimals. 5.NBT.4 Use place value understanding to round decimals to any place.	How can we use rounding in real life?

	objective	CCSS	Essential Question
Module E: Decimal and percent **4. Adding and Subtracting**	* Add decimals presented in either horizontal or vertical form. * Solve word problems involving addition of decimals. *Subtract decimals, using the words *subtract, or take away from.* *Solve word problems involving subtraction of decimals.	3.NBT.2 Fluently add and subtract within 1000 using strategies and algorithms based on place value, properties of operations, and/or the relationship between addition and subtraction. 5.NBT.7 Add, subtract, multiply, and divide decimals to hundredths, and explain.	How can understanding place value help you add or subtract in an efficient manner?

	objective	CCSS	Essential Question
Module E: Decimal and percent **5. Multiplying and Dividing**	* Multiply decimals * Correctly place the decimal point in a product. *Annex zeros correctly when needed in a product. *Solve word problems involving multiplication of decimals. *Find the quotient when dividing decimal dividends by whole numbers or decimal numbers. *Place the decimal point correctly in a quotient. *Solve word problems involving division of decimals.	5.NBT.7 Add, subtract, multiply, and divide decimals to hundredths, and explain.	How can understanding place value help you multiply in an efficient manner? What is an efficient strategy for dividing numbers?

	objective	CCSS	Essential Question
Module E: Decimal and percent **6. Fractions as Decimals and Percent**	*Rename percent as decimals. *Rename percent as fractions in simples form. *Rename decimals and fractions as percent. *Round decimals to the nearest hundredth and write a decimal as a whole percent. *Solve word problems involving renaming fractions and decimals as percent.	6.RP.3.c Find a percent of a quantity as arate per 100 (e.g., 30% of a quantity means 30/100 times the quantity); solve problems involving finding the whole, given a part and the percent. 7.RP.3 Use proportional relationships to solve multistep ratio and percent problems.	Why is a unit rate important for solving problems? What strategies can you apply to solve real world problems using a ratio or unit rate?

	objective	CCSS	Essential Question
Module E: Decimal and percent **7. Applications: Discount, Sales tax, Simple and Compound interest, Commission, Tips, and Profit**	*Find the discount when given the list price and sales price. *Find the cost of an item after tax when given either list price, sale price, *Find the interest when given the principal, interest rate and time. * Find the commission when given the commission rate and amount of sale. *Find the amount of tip for restaurant servers.	6.RP.3.c Find a percent of a quantity as arate per 100 (e.g., 30% of a quantity means 30/100 times the quantity); solve problems involving finding the whole, given a part and the percent.	What is an efficient strategy for calculating discounts, simple interest and tax?

Curriculum map Module F
Instructor: Mrs. Rosales

Module F: Statistics days	**Topics**	**Main outcomes**	**CCSS**	**Essential Questions**
4.5	Ratios and Rates And Proportion relationships	Students will be able to solve real-world and mathematical problems involving ratio and rate and proportion relationships.	6.RP.1 Understand the concept of a ratio and use ratio language to describe a ratio relationship between two quantities. 6.RP.2 Understand the concept of a unit rate a/b associated with a ratio a:b with b ≠ 0, and use rate language in the context of a ratio relationship. 6.RP.3.b Solve unit rate problems including those involving unit pricing and constant speed. 6.RP.3.a Make tables of equivalent ratios relating quantities with whole-number measurements, find missing values in the tables, and plot the pairs of values on the coordinate plane. Use tables to compare ratios. 7.RP.2.a Decide whether two quantities are in a proportional relationship, e.g., by testing for equivalent ratios in a table or graphing on a coordinate plane and observing whether the graph is a straight line through the origin.	How is a ratio different than a fraction? How can proportional reasoning be used to efficiently solve real world problems involving rational numbers?

2	Applications	Same as above	S ame as above	What strategies can you apply to solve real world problems using a ratio or unit rate? How can ratio and rate reasoning be used to efficiently solve real world problems?
3	Probability as percent, decimals and Fractions	Students will be able to represent the chances of an event happening o not, as a fraction, as a decimal and as a percent.	7.SP.5 Understand that the probability of a chance event is a number between 0 and 1 that expresses the likelihood of the event occurring. Larger numbers indicate greater likelihood. A probability near 0 indicates an unlikely event, a probability around ½ indicates an event that is neither unlikely nor likely, and a probability near 1 indicates a likely event. 7.SP.6 Approximate the probability of a chance event by collecting data on the chance process that produces it and observing its long-run relative frequency, and predict the approximate relative frequency given the probability. 7.SP.7.a Develop a uniform probability model by assigning equal probability to all outcomes, and use the model to determine probabilities of events. 7.SP.7.b Develop a probability model (which may not be uniform) by observing frequencies in data generated from a chance process. 7.SP.8.b Represent sample spaces for compound events using methods such as organized lists,	What is the chances that you will win the lottery/ que le pegues al gordo? What is the probability that Obama passes a comprehensive immigration law before he leaves office? What is the probability of a Latino student being admitted into the UC system?

			tables and tree diagrams. For an event described in everyday language (e.g., “rolling double sixes”), identify the outcomes in the sample space which compose the event. 7.SP.8.a Understand that, just as with simple events, the probability of a compound event is the fraction of outcomes in the sample space for which the compound event occurs. 7.SP.8.c Design and use a simulation to generate frequencies for compound events.	
1.5	Measure of Central Tendency		6.SP.4 Part 2 [Display numerical data in plots on a box plot[s]. 6.SP.5.c: Giving quantitative measures of center (median and/or mean) and variability (interquartile range and/ or mean absolute deviation), as well as describing any overall pattern and any striking deviations from the overall pattern with reference to the context in which the data were gathered. 6.SP.5.c Summarize numerical data setsin relation to their context, such as by: Giving quantitative measures of center (median and/or mean) and variability (interquartile range and/or mean absolute deviation), as well as describing any overall pattern and any striking deviations from the overall pattern with reference to the context in which the data were gathered.	How can data be described? What are different ways data can be described?

2	Quartiles, box and whisker plots, stem and leaf plots		6.SP. 2 Understand that a set of data collected to answer a statistical questions has a distribution, which can be described by its center, spread, and overall shape. 6.SP.4 Part 1 Display numerical data in plots on a number line, including dot plots, histograms.	How does the type of data determine the best choice of visual representation?

Curriculum map Module F2

Module F2	Outcomes	CCSS	Essential questions
Integers (Positive and negative)	Students will know what integers are and will be able to distinguish between a positive integer and a negative integer.	6.NS.5 Understand that positive and negative numbers are used togetherto describe quantities having opposite directions or values (e.g., temperature above/below zero, elevation above/below sea level, credits/debits, positive/negative electric charge); use positive and negative numbers to represent quantities in real- world contexts, explaining the meaning of 0 in each situation.	**What is the relationship between a positive and a negative integer in relationship to zero?**
Operations with integers	Students will perform basic operations using negative and positive integers	7.NS.2 . Apply and extend previous understandings of multiplication and division and of fractions to multiply and divide rational numbers.	What strategies can be applied to add, subtract, factor and expand linear equations?
Addition	Students will perform basic operations using negative and positive integers		
subtraction	Students will perform basic operations using negative and positive integers		

Division	Students will perform basic operations using negative and positive integers		
Multiplication	Students will perform basic operations using negative and positive integers	Understand that multiplication is extended from fractions to rational numbersby requiring that operations continue to satisfy the properties of operations, particularly the distributive property, leading to products such as $(-1)(-1) = 1$ and the rules for multiplying signed numbers. Interpret products of rational numbers by describing real-world contexts.	
Order of operations	Students will follow an order to complete a set of operations using algebraic expressions.		Why is examining algebraic expressions in different forms important?
Absolute Value	Students will identify the absolute value of integers and compute some operations		
Property of addition and multiplication	Students will be able to use special properties to express equivalent equations.		What strategies can be used to create two equivalent expressions?

Module G: Statistics days	**Topics**	**Main outcomes**	**CCSS**	**Essential Questions**
1	Definition of powers & 5 properties of powers	Students will be able to understand and apply the 5 properties of powers Movie "Powers of Ten TM (1977)"	6.EE.2.c Evaluate expressions at specific values of their variables. Include expressions embedded in formulas or equations from real-world problems. Perform arithmetic operations, including those involving whole-number exponents, in the conventional order when there are no parentheses to specifya particular order (Order of Operations). 8.EE.1 know and apply the properties of integer exponents to generate equivalent numerical expressions. For example, $3^2*3^{-5} = 3^{-3} = 1/3^3 = 1/27$.	Is it the same if we write 6 to the 3^{rd} power than 3 to the 6^{th} power? Where in real life do we use powers?
2	The three definitions (exponent of one, negative and zero)	Same as above	Same as above	What does a negative exponent represent? Why does sending a negative exponent to the denominator make the exponent positive?
1	Review and quiz	Students will be able to show what they learned to meet above outcomes	Same as above	
2	Scientific notation	Students will be able to use the concept of scientific	5.NBT.2 Explain patterns in the number of zeros of the product when multiplying a numberby	How is writing the distance of the planets or the measurement or

		notation on relation to history's populations and science's distances between the planets and the sun.	powers of 10, and explain patterns in the placement of the decimal point when a decimal is multiplied or divided by a power of 10. Use whole- number exponents to denote powers of 10.	masses of small molecules in scientific notation beneficial?
2	Square roots and estimation of square roots	Students will be able to find and estimate square roots	8.EE.2 Use square root and cube root symbols to represent solutions to equations of the form $x^2 = p$ and $x^3 = p$, where p is a positive rational number. Evaluate square roots of small perfect squares and cube roots of small perfect cubes. Know that the square root of 2 is irrational.	What are we looking for when solving square roots? Is the square root of a number always smaller than the radicand?
1		Review/quiz		
1	Distributive properties with powers	Students will use the rules of powers in distributive property.	8.EE.7.b Solve linear equations with rational number coefficients, including equations whose solutions require expanding expressions using the distributive property and collecting like terms.	Why do we multiply the number outside times the terms inside of a parenthesis?
2	Dividing monomial and polynomials by a monomial	Students will use the rules of powers in division of polynomials.		Why do we subtract the exponents in division of polynomials by monomials?
2		1 day review 1 day final		

Curriculum Map Module 1

Teacher: Elizabeth Barrera

Module 1/ Topic	Outcomes/Objectives	CCSS	Essential Questions
1. Polygons	• Students will be able to learn the different kinds of polygons	• 3.G.1 Understand that shapes in different categories (e.g., rhombuses, rectangles, and others) may share attributes (e.g., having four sides), and that the shared attributes can define a larger category (e.g., quadrilaterals). Recognize rhombuses, rectangles, and squares as examples of quadrilaterals, and draw examples of quadrilaterals that do not belong to any of these subcategories.	• **What are the different kinds of polygons?**
2. Classifications of quadrilaterals and the sum of their internal angles	• Students will be able to: 1. Identify and classify quadrilaterals, 2. Find the sum of the internal angles	• 2.G. 1Recognize and draw shapes having specified attributes, such as a given number of angles or a given number of equal faces.[5] Identify triangles, quadrilaterals,	Why do we need to classify quadrilaterals? How can we find the measure of a missing angle in quadrilaterals?

		pentagons, hexagons, and cubes.	
3. Classifications of triangles and the sum of their internal angles	• Students will be able to: 1. Classify the triangles because of their sides and angles, 2. Find the sum of the internal angles of triangles.	• 7. G .2Draw (freehand, with ruler and protractor, and with technology) geometric shapes with given conditions. Focus on construct-ing triangles from three measures of angles or sides, noticing when the conditions determine a unique triangle, more than one triangle, or no triangle. 4.M.D 7. Recognize angle measure as additive. When an angle is decomposed into non-overlapping parts, the angle measure of the whole is the sum of the angle measures of the parts. Solve addition and subtraction problems to find unknown angles on a diagram in real-world and mathematical problems, e.g., by using an equation with a symbol for	What are they ways we have to classify triangles? How many degrees do we have in the sum of the three angles of any triangle?

		the unknown angle measure.	
4. Perimeter and Area of: **Rectangle, parallelogram, triangle, trapezoid, and circle.**	• Students will be able to understand and apply the formulas of areas and perimeters of regular basic geometric figures.	• 6. G.3 Find the area of right triangles, other triangles, special quadrilaterals, and polygons by composing into rectangles or decomposing into triangles and other shapes; apply these techniques in the context of solving real-world and mathematical problems.	What is the difference between area and perimeter? Where can I apply areas and perimeters in my daily life? What is the difference between circumference and perimeter?
5. Areas and perimeters of irregular geometric figures	Students will be able to separate irregular figures into basic geometric figures in order to add them and find the areas and perimeters.	• 7. G.4Know the formulas for the area and circumference of a circle and use them to solve problems; give an informal derivation of the relationship between the circumference and area of a circle.	How can we find the areas or perimeters of irregular figures knowing the formulas of basic geometric figures?

Scope and Sequence: Module K

Number of Week	DAYS				
#1	**1** Introduction to Module K Pre-test	**2** Introduction to part of an algebraic expressions	**3** Simplifying Algebraic Expressions	**4** Simplifying Algebraic Expressions	**5** Solving one step linear equations
#2	**6** Review Midterm test	**7** Midterm Test	**8** Solving Two Steps Equations	**9** Solving Two Steps Equations	**10** Solving Multistep Equations.
#3	**11** Solving Multistep Equations.	**12** Solving Special Equations.	**13** Solving Special Equations.	**14** Review Final Test Module K	**15** Final Test Module K

Curriculum Map Module L

Module L/ Topic	Outcomes/Objectives	CCSS	Essential Questions
Solving and graphing inequalities	Students will be able to understand what inequalities represent and they will be able to graph them.	6.EE.8 Write an inequality of the form $x > c$ or $x < c$ to represent a constraint or condition in a real-world or mathematical problem. Recognize that inequalities of the form $x > c$ or $x < c$ have infinitely many solutions; represent solutions of such inequalities on number line diagrams. 6.NS.7.a Interpret statements of inequality as statements about the relative position of two numbers on a number line diagram.	How can we use inequalities to represent real world problems?
The coordinate plane	Recognize that slope is determined by the constant rate of change. Recognize that the y-intercept is the initial value where $x = 0$. Determine the rate of change from two (x,y) values, a verbal description, values in a table, or graph. Determine the initial value from two (x,y) values, a	5.OA.3 Generate two numerical patterns using two given rules. Identify apparent relationships between corresponding terms. Form ordered pairs consisting of corresponding terms from the two patterns, and graph the ordered pairs on a coordinate plane. 5.G.1 Use a pair of perpendicular number lines, called axes, to define a coordinate system,with the intersection of the lines (the origin) arranged to coincide with the 0 on each line and a given point in the plane located by using an ordered pair of numbers, called its coordinates. Understand that the first number indicates how far to travel from	How can you use the coordinate graph to solve problems?

	verbal description, values in a table, or graph.	the origin in the direction of one axis, and the second number indicates how far to travel in the direction of the second axis, with the convention that the names of the two axes and the coordinates correspond (e.g., x-axis and x-coordinate, y-axis and y-coordinate).	
Finding the value of Y	Students will be able to replace the value of x to find the value of y.	8.EE.7.b Solve linear equations with rational number coefficients, including equations whose solutions require expanding expressions using the distributive property and collecting like terms.	In what instances are we using solving formulas?
Graphing by plotting points	Students will find the values of different coordinates and locate the points to form a line.	5.G.1 Use a pair of perpendicular number lines, called axes, to define a coordinate system,with the intersection of the lines (the origin) arranged to coincide with the 0 on each line and a given point in the plane located by using an ordered pair of numbers, called its coordinates. Understand that the first number indicates how far to travel from the origin in the direction of one axis, and the second number indicates how far to travel in the direction of the second axis, with the convention that the names of the two axes and the coordinates correspond (e.g., x-axis and x-coordinate, y-axis and y-coordinate).	How is the coordinate plane used by planes, in machinery, etc?

Curriculum Map Module L

Graphing by using the x and y intercepts	Students will find the intercepts and will locate them to form a line.	Construct a function to model a linear relationship between two quantities. Determine the rate of change and initial value of the function from a description of a relationship or from two (x,y) values, including reading these from a table or from a graph. Interpret the rate of change and initial value of a linear function in terms of a situation it models, and in terms of its graph or a table of values.	Why do we have to learn different ways of approaching the problem?
Graphing by using the slope intercept form	Recognize that slope is determined by the constant rate of change. Recognize that the y-intercept is the initial value where x = 0. Determine the rate of change from two (x,y) values, a verbal description, values in a table, or graph.	7.RP.2.a Decide whether two quantities are in a proportional relationship, e.g., by testing for equivalent ratios in a table or graphing on a coordinate plane and observing whether the graph is a straight line through the origin. 8.EE.6 Use similar triangles to explain why the slope m is the same between any two distinct points on a non-vertical line in the coordinate plane; derive the equation $y = mx$ for a line through the origin and the equation $y = mx + b$ for a line intercepting the vertical axis at b.	
Choosing the best method	Students will be able to identify the best method to graph a linear equation by looking at the structure of the equations.	8.SP.3 Use the equation of a linear model to solve problems in the context of bivariate measurement data, interpreting the slope and intercept.	
Finding the slope given two points	Understand that the two points represent specific	n/a	What does the slope represent?

	information in scenarios and apply the formula to find the slope.		
Finding the slope from a graph	Find the slope given a graph either by using the formula or by counting the units.	n/a	Where do you find the slope?
Graph a line given a point and the slope	Graph the first point and then use the slope to find the second point and draw the line through the two points.	n/a	What is the difference in graphing the slope intercept equation and a point and the slope?
Identify the equation for different graphs	Students will learn what type of graph is created with the different equations: linear, quadratic, cubic,	A.CED. 2 Create equations in two or more variables to represent relationships between quantities; graph equations on coordinate axes with labels and scales.	Why do we have different shapes in the graphs?
Review			
Final exam			

Social Sciences QTR1

Scope & Sequence: United States History

Unit	Enduring Understandings	Essential Questions	Assessments
The American Colonial Period	1. Students will understand that European exploration had an extremely negative effect on the Native Americans. 2. Students will understand that Native Americans lived in harmony with their environment. 3. Students will understand the significance of political borders. 4. Students will understand the intentions and sentiment of British colonialists. 5. Students will understand that even though the colonists had stronger weapons, the Native Americans often fought each other.	1. Why do human beings generally seek out power? 2. What drove the British to colonize North America? 3. How did the Native Americans help the British colonists survive? 4. What are some pros and cons of the Columbian exchange? 5. What are the enduring effects of Native American relocation? 6. What Western ideas and technology did the colonists bring with them?	Unit Exam: Multiple Choice & Writing Segment

The Thirteen Colonies	1. Students will understand that the Thirteen Colonies felt somewhat independent whilst answering to the British crown. 2. Students will understand that slavery had a profound effect on African Americans. 3. Students will understand that each colony, and later state, were totally different from one another from the beginning.	1. What are the key differences between the North and the South? 2. How did slavery contribute to the wealth of the South? 3. How did industry in the North help define urban centers? 4. What did the colonies share in common regarding self-government?	Unit Exam: Multiple Choice & Writing Segment
The American Revolution	1. Students will understand that revolution stems from unrest and unhappiness. 2. Students will understand that the American Revolution was influenced by Enlightenment thinking. 3. Students will understand that the revolutionaries took a great risk in trying to part with the British crown.	1. What fuels revolution? 2. Are revolutions inevitable? 3. What indicates the success of a revolution? 4. What factors led to the colonist rebellion? 5. What is sacrificed in the name of freedom? 6. What basic principles lie within the Declaration of Independence?	Project-Based Assessment: Case-Study Research Project
The Constitution	1. Students will understand that the Constitution is a living document. 2. Students will understand that the Constitution is the supreme law of the land.	1. Why did the writing of the Constitution require compromise? 2. Why does the United States have a two-party system?	Essay

	3. Students will understand that the American government is built on compromise. 4. Students will understand that no one is above the law.	3. How does the Constitution shape policy and lawmaking? 4. What is the purpose of separation of powers? 5. What are the benefits of checks and balances?	
The New Nation/Westward Expansion	1. Students will understand that the acquisition of new territory would strengthen the United States while simultaneously devastating the Native American populations. 2. Students will understand that expansion will create new solutions *and* problems within the new nation.	1. How did territorial expansion affect the Native Americans? 2. What are the motives for enlarging the United States? 3. What is the meaning of *Manifest Destiny*?	Unit Exam: Multiple Choice & Written Segment
The Civil War/Railroads/Reconstruction	1. Students will understand that railroads played a major role in unifying the United States. 2. Students will understand that slavery was a contentious issue between the Northern and Southern states. 3. Students will understand that the Civil War has had an enduring effect on the nation, up to today. 4. Students will understand the importance of the preservation of the Union.	1. Why was connecting the states with a railroad significant in strengthening the American economy? 2. How did the railroads help the North win the Civil War? 3. Why did the South want to secede from the Union? 4. Why didn't Lincoln want the South to secede? 5. What is the significance of the 13th-15th amendments to the Constitution?	Film Analysis: Lincoln Unit Exam: Multiple Choice & Written Segment

	5. Students will understand the difference between state and federal governments.	6. How did reconstruction both help and takeaway civil rights from African Americans?	

QTR2

Scope & Sequence: United States History

Unit	Enduring Understandings	Essential Questions	Assessments
Reconstruction ● Radical Republicans ● Andrew Johnson ● Amendments 13-15 ● Jim Crow Laws ● KKK ● Federal Withdrawal/President Hayes	1. Students will understand that Southern culture dramatically changed after the Civil War. 2. Students will understand the importance of keeping the Union unified.	1. How did the South change after the Civil War? 2. Was the North fair in their dealings with the South? 3. How did state and federal law differ during Reconstruction?	Unit Exam: Multiple Choice & Writing Segment
Changes on the Western Frontier ● Settling on the Great Plains ● Cultures Clash on the Prairie ● Native Americans ● Sitting Bull ● Battle of Wounded Knee ● Cowboys ● Assimilation	1. Students will understand that U.S. expansion further devastated the Native American populations. 2. Students will understand that the American quest for freedom often leads to conflict. 3. Students will understand that cultural blending is often a consequence when cohabitating land.	1. How did the United States settle the newly acquired territories? 2. Who benefited from U.S. Western expansion? 3. How did the settling of the Plains affect the buffalo? 4. How did the Native Americans react to American expansion?	Unit Exam: Multiple Choice & Writing Segment Project-Based Assessment: Case-Study Research Project
A New Industrial Age ● Electricity ● Telephones ● The Transcontinental Railroad	1. Students will understand how the United States transformed into a modern, industrial power.	1. Do entrepreneurs have the right to have monopolies? 2. How did technology affect American life?	Unit Exam: Multiple Choice & Writing Segment

● Big Business ● Carnegie ● Rockefeller	2. Students will understand that harsh working conditions led to various regulation agencies that improved American society. 3. Students will understand that industrialization led to the development of the middle class. 4. Students will understand that big business plays a fundamental role in policymaking.	3. What should the government's role be in regulating business?	
Immigrants & Urbanization/The Gilded Age ● Ellis Island ● Nativism ● Chinese Exclusion Act ● Diversity and National Identity ● Urbanization ● Americanization ● Tenements ● Jane Adams ● Political Machine ● Graft	1. Students will understand that there was a large gap in economic distribution throughout the social hierarchy. 2. Students will understand the significance of mass immigration from various regions in the world. 3. Students will understand that American society is built upon immigration and the various talents and attributes that immigrants bring.	1. What role and influence did the Political Machines have? 2. What were the economic, social, and political effects of immigration? 3. How did nativism play a role in the American social structure? 4. What are the tradeoffs when moving to a new country?	Primary Resource Analysis Expository Essay

Life at the Turn of the 20th Century ● Science and Urban Life ● Expanding Public Education ● Booker T. Washington ● W.E.B. Du Bois ● Segregation and Discrimination ● The Dawn of Mass Culture	1. Students will understand that free enterprise led to American inventions that influenced/changed the world. 2. Students will understand that American inventions and other features of modern life seem to confirm the idea of unending progress.	1. How did America's economy, industry, and population expand? 2. How did the changes in technology affect American culture and life? 3. Why is education important in a modern society? 4. How did black authors and thinkers make their mark in American culture?	Unit Exam:Multiple Choice & Writing Segment
The Progressive Era ● Prohibition ● Muckrakers ● Social Welfare ● Economic Reform ● Reforming Local Government ● Child Labor/Reforms ● Election Reform ● Women in Public Life ● Suffrage ● Teddy's Square Deal ● The Jungle ● NAACP	1. Students will understand that there was a need for social, economic, and political reform. 2. Students will understand that reform is constantly evolving. 3. Students will understand that with journalism and mass media, the truth would be exposed and thus lead to reform.	1. Why was social, economic, and political reform desired by many Americans? 2. How can we keep the government responsive to its citizens' needs and interests? 3. Why is striking, protesting, and free speech a fundamental part of American values? 4. Should everyone have the right to vote and participate in politics?	Project-Based Assessment: Research Project-Presentation
America Claims an Empire (Imperialism) ● Queen Liliuokalani/Hawaii ● Imperialism ● Pearl Harbor ● Sanford Dole	1. Students will understand that Theodore Roosevelt wanted to put the USA on the map as a world power. 2. Students will understand that although freedom of the press is a fundamental value,	1. How did America's role in the world change between the 1870's and 1910? 2. How did yellow journalism create sensationalism?	Unit Exam: Multiple Choice & Writing Segment

● The Spanish-American War ● Yellow Journalism ● Acquiring New Lands (the Platt Amendment, Open Door Notes, etc.) ● The Panama Canal ● America as a World Power (Roosevelt Corollary, Dollar Diplomacy ● President Wilson and the Mexican Revolution	that there is often exaggeration and one needs to be careful when formulating opinions and making decisions. 3. Students will understand that the United States had economic interests that often led to negative effects for much of the population. 4. Students will understand how the United States operated as an imperial power.	3. What did the United States gain in the Spanish-American War? 4. What is the economical and political significance of the Panama Canal? 5. Why was Hawaii an important location for the United States?	

Social Sciences QTR3
Scope & Sequence: United States History

Unit	Enduring Understandings	Essential Questions	Assessments
WWI	1. Students will understand why the United States was isolationist and how the proposed German alliance with Mexico brought her into the war. 2. Students will understand that war always involves large expenses and that there is always a cost- no matter who the victor is. 3. Students will understand the significance of political borders and that border change often leads to new hostilities. 4. Students will understand the intentions and sentiment of WWI leaders.	1. Why do human beings generally seek out power? 2. Why do nations seek to expand their borders or change existing borders? 3. Why do some leaders seek democracy and freedom for the people while others seek power and control over the people? 4. How does Total War affect the homefront and what are some economic consequences? 5. How does Nationalism make people feel empowered?	Unit Exam: Multiple Choice & Writing Segment
The Twenties	1. Students will understand how the United States went through yet another transformation during the 1920's. 2. Students will understand that American women began to feel empowered and independent.	1. How do citizens (both individually and objectively) influence government policy? 2. How did American women change during the Twenties?	Unit Exam: Multiple Choice & Writing Segment
The Great Depression	1. Students will understand the effects of Black Tuesday on American society, as well as the rest of the world.	1. What role did the federal government play during the Great Depression?	Project-Based Assessment: Case-Study Research Project

	2. Students will understand that creature comforts can be removed easily and unexpectedly. 3. Students will understand why the federal government expanded its power during the Great Depression.	2. What factors led to the Great Depression? 3. What were the economic, social, and political consequences of the Great Depression?	
FDR & the New Deal	1. Students will understand that there was a need for social, economic, and political reform. 2. Students will understand that the use of Federal power is argued and debated amongst Americans.	1. Why is social, economic, and political reform desired by some? 2. How can we keep the government responsive to its citizens' needs and interests?	Unit Exam: Multiple Choice & Written Segment

Social Sciences QTR4

Scope & Sequence: United States History

Unit	Enduring Understandings	Essential Questions	Assessments
WWII	1. Students will understand the debate between isolationists and interventionists in the U.S. 2. Students will understand that WWII would require massive buildup of resources on two fronts. 3. Students will understand the key battles on different fronts of WWII. 4. Students will understand the brutality of war. 5. Students will understand that economic opportunities were advanced by wartime factory work. 6. Students will understand that Nazi Germany threatened the world and freedom itself. 7. Students will understand the Japanese drive for empire.	1. Why did Americans not want to join WWII before the bombing of Pearl Harbor? 2. How did the American government change because of WWII? 3. How was the war mobilized and fought differently in the Atlantic vs. the Pacific? 4. How did America win the war in the Pacific? 5. How did WWII serve to advance movements for equality at home and abroad? 6. How did Nazi Germany advance its ideals and what were the consequences? 7. Why did the Holocaust happen?	Unit Exam: Multiple Choice & Written Segment Expository Essay
The Cold War	1. Students will understand that the United states and the Soviet Union	1. How was containment employed?	Unit Exam: Multiple Choice & Written Segment

	emerged from WWII as the world superpowers. 2. Students will understand the fundamental differences between American capitalist values and The Soviet Unioin's communist values.	2. What factors led to the USA and the USSR being the world superpowers? 3. How did American foreign policy shift after WWII? 4. Why was the period between 1946 and 1990 known as the Cold War? 5. How did anti-communism drive American foreign policy?	
Post-WWII	1. Students will understand the term liberal consensus. 2. Students will understand the necessity for a strong central government, especially the executive branch, to facilitate the welfare state and anti-communist policy. 3. Students will understand the remarkable prosperity, growth of the middle class, and achievement of the "American Dream" during this timeframe. 4. Students will understand the impact of the baby boom.	1. What was the term liberal consensus? 2. What was the baby boom? 3. How are the post-war years best characterized?	Unit Exam: Multiple Choice & Written Segment
The Sixties/Civil Rights	1. Students will understand that it takes courage and strength to stand up for one's rights.	1. Why was there a Civil Rights Movement?	Project-Based Assessment:

	2. Students will understand that people have marched and fought for rights they enjoy. 3. Students will understand the need to preserve the ideals of American freedom. 4. Students will understand the difference between yuppies and hippies.	2. What were the goals and strategies of the Civil Rights Movement? 3. How did various movements for equality build upon one another? 4. Did the Civil Rights Movement succeed? 5. How was the government involved in the Civil Rights Movement?	Case-Study Research Project
The Vietnam War	1. Students will understand that the United States wanted to contain Communism at almost any price. 2. Students will understand that communism threatens American ideals and political structure. 3. Students will understand the thinking behind the "Domino Theory." 4. Students will understand that this long war was never won and is thought to have been a useless war by many.	1. How was the war in Vietnam similar and different from other Cold War struggles? 2. How did the war in Vietnam affect movements for equality at home? 3. How were Vietnam veterans treated upon their return? 4. What are some enduring effects of an American presence in Vietnam? 5. What tactics were used in the Vietnam War?	Unit Exam: Multiple Choice & Written Segment

Social Sciences QTR1

Scope & Sequence: World History

Unit Title/Big Ideas	Enduring Understandings	Essential Questions	Formative Assessments (CFU's)	Summative Assessments
Getting Acquainted/Technology Review	1. Students will be able to understand the importance of having technical skills.	1. Why is it important to have technical skills?	**Do Now's** 3 **Equity Sticks** 7 **Worksheets** 2 **Quizzes/Tests** 1	**Unit Exam** 1
History Fundamentals	1. Students will be able to understand the importance of cardinal directions and geographical locations. 2. Students will understand the nature of time and how timelines help to place historical events in a chronological order?	1. How do we benefit from geographical knowledge? 2. How does time shape historical events?	**Do Now's** 10 **Equity Sticks** 5 **Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1	**Unit Exam** 1
Greco-Roman Era	1. Students will understand that the Greeks and the Romans had a significant impact on Western Civilization. 2. Students will understand the mathematical, philosophical, and cultural impact on our daily lives from the Greeks and the Romans.	1. What contributions have the Greeks made to Western Civilization? 2. What contributions have the Romans made to Western Civilization? 3. How did the Greco-Roman Era shape American democracy? 4. How did the Roman Empire affect future events in Europe?	**Equity Sticks** 5 **Informal Observations** 3 **Worksheets** 3 **Quizzes/Tests** 1	**Unit Exam** 1

Judeo-Christian Tradition	1. Students will understand that Judaism and Christianity are two of the four pillars of Western Civilization.	1. How did Judaism lay the foundation of Western moral and ethical principles? 2. How did Christinaty shape European, and later, Western history? 3. How are equal rights connected to Christianity?	**Equity Sticks** 5 **Informal Observations** 3 **Worksheets** 3 **Quizzes/Tests** 1	
The Middle Ages	1. Students will understand that the Middle Ages played a significant role in the development of the Renaissance. 2. Students will understand that the Catholic Church held an immense amount of power during the Middle Ages. 3. Students will understand that European countries were not always prosperous.	1. Why are the Middle Ages sometimes referred to as the Dark Ages? 2. What developments were made in Europe during the Middle Ages? 3. How did European countries progress into powerful nations? 4. How did the church and kingdoms control the people? 5. How does disease and the decimation of a population affect the economy and social structure of a country?	**Equity Sticks** 6 **Informal Observations** 3 **Worksheets** 3 **Quizzes/Tests** 1	
The Renaissance/ Exploration/Art	1. Students will understand how the Renaissance had an enormous effect on European countries. 2. Students will understand that Western art stems from the Renaissance.	1. Who are the major Renaissance painters? 2. Why do people desire to explore unknown lands and waters? 3. What drives human curiosity?	**Equity Sticks** 10 **Informal Observations** 3 **Worksheets** 3 **Quizzes/Tests** 1	

	3. Students will understand the significance of European exploration, education, invention and political thought.	4. What are some major developments from the Renaissance period? 5. How has Western Civilization benefited from Renaissance thinking? 6. What are some major technological developments from the Renaissance?		
The Enlightenment/ Democratic Revolutions	1. Students will understand that American democracy is influenced by Enlightenment thinking. 2. Students will understand that individual worth is a paramount component in Western Civilization. 3. Students will understand that freedom enjoyed now came at a high price.	1. How did Enlightenment thinkers contribute to the development of democratic revolutions? 2. Why was the French Revolution a political turning point in Europe? 3. How does the concept of natural rights play a role in our daily lives?	**Equity Sticks** 5 **Informal Observations** 3 **Worksheets** 4 **Quizzes/Tests** 1	
Nationalism	1. Students will understand the significance of the nation-state. 2. Students will understand that nationalism can be dangerous. 3. Students will understand that nationalism creates cohesion.	1. How did the nation-state develop? 2. Why did nationalism create tension and competition amongst the Europeans? 3. How did nationalism play a role in the development of alliances?	**Equity Sticks** 6 **Informal Observations** 2 **Worksheets** 4 **Quizzes/Tests** 1	

The Industrial Revolution	1. Students will understand that the Industrial Revolution changed the ways in which goods were made. 2. Students will understand that the Industrial Revolution fuelled the European and American desire for natural resources and new markets. 3. Students will understand that there are costs and benefits to the exploitation of natural resources.	1. How did the Industrial Revolution contribute to the capitalist system? 2. What are the pros and cons of capitalism? 3. How did the Industrial Revolution play a role in the development of the middle class? 4. What is the driving force behind imperialism?	**Equity Sticks** 4 **Informal Observations** 5 **Worksheets** 6 **Quizzes/Tests** 1	

Social Sciences QTR2
Scope & Sequence: World History

Unit Title/Big Ideas	Enduring Understandings	Essential Questions	Assessments
Imperialism ● Review Nationalism and the Industrial Revolution ● Social Darwinism ● The Six Motives of Imperialism ● The Scramble for Africa ● Imperialism in SE Asia ● Types of Rule (e.g. direct and indirect)	1. Students will understand that industrialized nations sought to control the resources and markets in other regions of the world. 2. Students will understand the effects of an oppressive society.	1. What does it mean to be "civilized?" 2. Are modern civilizations more 'civilized' than others? 3. How do maps and globes reflect history, politics and economics? 4. What drives man to dominate?	**Project-Based Assessment: Imperialism Case Study Research Project-Presentation**
WWI ● MANIA (causes of WWI) ● Total War ● Propaganda ● Alliances ● Modern Warfare ● Trench Warfare ● The League of Nations ● The Fourteen Points ● The Treaty of Versailles ● The Armenian Genocide	1. Students will understand why the United States was isolationist and how the proposed German alliance with Mexico brought her into the war. 2. Students will understand that war always involves large expenses and that there is always a cost- no matter who the victor is. 3. Students will understand the significance of political borders and that border change often leads to new hostilities.	1. Why do human beings generally seek out power? 2. Why do nations seek to expand their borders or change existing borders? 3. Why do some leaders seek democracy and freedom for the people while others seek power and control over the people? 5. How does Total War affect the homefront and what are some economic consequences?	**Project-Based Assessment: WWI Jigsaw on Elements of WWI and/or Research Project-Presentation**

	4. Students will understand the intentions and sentiment of WWI leaders.		
Russian Revolution ● Russia's Role in WWI ● The Romanov Empire ● Karl Marx ● Vladimir Lenin ● Joseph Stalin ● Communism ● Socialism ● Totalitarianism	1. Students will understand that revolution stems from unrest and unhappiness. 2. Students will understand that having a communist government became highly desirable by the majority of the Russian population.	1. What fuels revolution? 2. Why are revolutions often started by the peasant class? 3. Are revolutions inevitable? 4. What indicates the success of a revolution?	**Project-Based Assessment: Russian Revolution Role Play**

Social Sciences QTR3
Scope & Sequence: World History

Unit Title/Big Ideas	Enduring Understandings	Essential Questions	Summative Assessments
Totalitarianism/Fascism	1. Students will understand that WWI left Germany embittered. 2. Students will understand how and why the Soviet Union became communist. 3. Students will understand that totalitarian dictatorships control every aspect of private and public life.	1. Why do various countries turn to extreme forms of government? 2. Why do people allow powerful and cruel dictators to stay in power?	**Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1
WWII/Holocaust	1. Students will understand that Nazi Germany felt superior to all other races and therefore justified genocide and world domination.	1. How was Hitler and the Nazi Party able to exterminate millions of human beings, primarily Jews? 2. Why do some people feel superior to others? 3. How do some leaders gain enough power and support to commit horrific crimes against humanity?	**Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1
WWII	1. Students will understand the intentions and sentiment of WWII leaders. 2. Students will understand that total war always involves large expenses and that there is always a cost- no matter who the victor is.	1. Why would Germany start a second world war? 2. How does Total War affect the homefront and what are some economic consequences?	**Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1

	3. Students will understand why Nazi Germany, Italy and Japan had a drive for empire and how it led to a world war. 4. Students will understand why the United States was isolationist and how the attack on Pearl Harbor by the Japanese led them to joining the war.	3. Why do nations seek to expand their borders or change existing borders? 4. How was Japan able to gain momentum? 5. What is the appropriate response to being attacked when your intention was not to fight to begin with? 6. Why do some leaders seek democracy and freedom for the people while others seek power and control over the people?	
Post-WWII	1. Students will understand that the Post-WWII era world created changes in international policy. 2. Students will understand that the effects of war often result in the redrawing of borders. 3. Students will understand that many Post-WWII programs, i.e., the United Nations and Containment were developed to prevent another world war and to contain communism.	1. How does the Post-WWII era contribute to the understanding of the world today? 2. How are borders determined and drawn? 3. How are governments created, structured, maintained and changed?	**Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1

Social Sciences QTR4
Scope & Sequence: World History

Post-WWII/The Cold War	1. Students will understand that WWII accelerated the decline of European powers worldwide and that the United States would rise as a militarily, economically, and cultural world power. 2. Students will understand that the postwar period witnessed an escalation in hostility between the U.S. and the Soviet Union.	1. How did the Cold War develop? 2. How was the Cold War waged all over the world? 3. How did former colonies respond to the Cold War and liberation? 4. How and why did the Cold War end?	**Informal Observations** 5 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1
China	1. Students will understand that the presence of communist China complicated the earlier bipolar Cold War world. 2. Students will understand that as tensions developed between the two communist powers, the world was on the brink of a nuclear war. 2. Students will understand that China's markets opened, but its political system did not. 3. Students will understand that Cold War competition spread throughout East and Southeast Asia, the Middle	1. Why did imperial powers seek to expand their empires into Asia? 2. How did colonies and other nations respond? 3. What were the legacies of these conquests? 4. Why was the modern period defined by global conflict?	**Informal Observations** 2 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1

	East, Africa, and Latin America.		
Latin America	1. Students will understand that the U.S. and the Soviet Union intervened politically, militarily, and economically in dozens of nations in Asia, the Middle East, Africa, Latin America, and the Caribbean in an effort to protect their strategic interests.	1. How did the conflict between economic and political systems that defined the post–WWII period affect nations? 2. How was imperialism similar and different between colonies in Africa, Asia, and Latin America? 3. What were the causes and effects of the Mexican Revolution? 4. How was the Cold War waged all over the world?	**Informal Observations** 3 **Worksheets** 2 **Quizzes/Tests** 1 **Unit Exam** 1

Social Sciences QTR1

Scope & Sequence: Government

Unit Title/Big Ideas	Enduring Understandings	Essential Questions	Assessments
Government/State Fundamentals	1. Students will understand the difference between government and the state. 2. Students will understand the basic tenets of American government.	1. What type of governments are common in history? 2. How is the American government organized?	Unit Exam: Multiple Choice & Writing Segment
Basic Concepts of Democracy	1. Students will understand the basic concepts of democracy. 2. Students will understand that citizen participation is necessary for democracy to function properly.	1. What are the basic concepts of democracy? 2. Why is democracy so important to the American people? 3. What is required by citizens to maintain a functioning democracy?	Unit Exam: Multiple Choice & Writing Segment
The Coming of Independence	1. Students will understand the reasons for colonial resistance. 2. Students will understand that suppression can lead to revolution.	1. Why did Great Britain impose restrictions and taxes on the Thirteen Colonies? 2. How did the colonists respond to Great Britain's demands? 3. Why do people want independence?	Unit Exam: Multiple Choice & Writing Segment
The Declaration of Independence	1. Students will understand that the Declaration of Independence set the	1. Why is it important to declare what you want? 2. Why is independence from a monarchy important?	Unit Exam: Multiple Choice & Writing Segment

	foundation for American government and ideals. 2. Students will understand the cost of freedom.	3. Does independence have a price? 4. What responsibilities come with being “free?” 5. How has American independence affected other nations in the world?	
The Founding Fathers/Framers	1. Students will understand that the Founding Fathers played a significant role in the development of the United States. 2. Students will understand that the Founding Fathers were able to create a sound government - even with their major differences in ideology.	1. Why are the Founding Fathers relevant in American history and government? 2. How did the Founding Fathers compromise with one another?	Unit Exam: Multiple Choice & Writing Segment
The Constitution +	1. Students will understand that the Constitution is the supreme law of the land and that no one is above the law. 2. Students will understand that the wording cannot be changed in the Constitution.	1. What makes the Constitution a living document? 2. How does the Constitution play a role in our daily lives? 3. What rights are granted to the American people? 4. What are amendments?	Unit Exam: Multiple Choice & Writing Segment
Current Events: Politics	1. Students will understand that political events are ongoing.	1. Why is it important to stay politically informed? 2. How do current events shape our thinking and actions?	Unit Exam: Multiple Choice & Writing Segment
Supreme Court Project/Presentation	1. Students will understand the significance of major Supreme Court decisions.	1. Why is the Supreme Court an important element of the American government?	Unit Exam: Multiple Choice & Writing Segment

Social Sciences QTR2
Scope & Sequence: Government

Unit Title/Big Ideas	Enduring Understandings	Essential Questions	Assessments
Federalism ● Division of Powers ● Types of Powers Given by the Constitution ● Supreme Law of the Land ● Admitting New States/Territorial Expansion ● Interstate Relations	1. Students will understand that there is a separation of powers at the national and local levels. 2. Students will understand that *Implied Powers* still require intense interpretation. 3. Students will understand that the Constitution is the supreme law of the land and that no one is above the law.	1. What are the roles and responsibilities of government? 2. How do the structures and functions of government interrelate? 3. Why is it important to have separation of powers?	Unit Exam: Multiple Choice & Writing Segment
Political Parties + Current Events/Situations ● Political Spectrum ● Partisan/Bipartisan ● Consensus ● Coalition ● Nominations ● The Two-Party System ● Left-Center-Right ● Factions ● Electorate ● Spoils System ● Minor Parties ● Ward, Precinct, etc.	1. Students will understand the different philosophies and platforms of the two major political parties in the United States. 2. Students will understand the diversity within the political parties.	1. How do citizens (both individually and collectively) influence political parties? 2. In what ways should people participate in public affairs? 3. What are the major differences between the Democratic and Republican parties?	Unit Exam: Multiple Choice & Writing Segment Debate
Voters & Voter Behavior ● The Right to Vote ● Suffrage	1. Students will understand the factors that influence voting.	1. Can an individual make a difference?	Unit Exam: Multiple Choice & Writing Segment

• Franchise/Disenfranchised • Poll Tax • Voter Qualifications • Suffrage and Civil Rights • Gerrymandering • Injunction • Voter Behavior	2. Students will understand the historical significance and struggle that gave way to full suffrage.	2. What are the roles and responsibilities of citizens in a democracy?

Globalization	1. Students will understand the process in which cheap goods are manufactured? 2. Students will understand that globalization is experienced differently by various nations.	1. How does technological change influence society? 2. Does every nation benefit from globalization? 3. What are the pros and cons of globalization?	Unit Exam: Multiple Choice & Writing Segment
Free Enterprise	1. Students will understand the connection between democracy and free enterprise. 2. Students will understand that there are both positive and negative attributes to capitalism.	1. How does something acquire value? 2. Should the government regulate business? If so, to what degree? 3. How are free enterprise and	Unit Exam: Multiple Choice & Writing Segment
Supply & Demand	1. Students will understand that there would be no supply if there was no demand. 2. Students will understand the difference between subsistence and excess.	1. What would we do if a good we depended on was not available? 2. Who should produce goods and services? 3. How does the free market system affect personal lives, society and the world at large?	Unit Exam: Multiple Choice & Writing Segment
Final Project: Create a Business			Project-Based Assessment

QTR4
Scope & Sequence: Economics

Unit	Enduring Understandings	Essential Questions	Assessments
Introduction to Economics/Economic Systems	1. Students will understand that human beings have historically traded and bartered goods. 2. Students will understand that limited resources cannot satisfy our unlimited wants. 3. Students will understand that there are different perspectives on how an economy should function.	1. Why do we have money? 2. What is the difference between *needs* and *wants*? 3. How do different economic systems vary in their toleration and encouragement of change? 4. Are there enough resources to satisfy everyone's needs?	Unit Exam: Multiple Choice & Writing Segment
The Economic Way of Thinking	1. Students will understand the difference between microeconomics and macroeconomics. 2. Students will understand the power of incentives.	1. How do costs and benefits affect decisions? 2. What are incentives and why are they important? 3. Why do economists develop theories?	Unit Exam: Multiple Choice & Writing Segment
Basic Economic Language	1. Students will understand that goods either provide utility or disutility. 2. Students will understand the difference between tangible and intangible goods.	1. What are the different ways that economists talk about "goods?" 2. What are services? 3. What are the four types of resources? 4. What are the factors of production?	Unit Exam: Multiple Choice & Writing Segment

Economic Systems	1. Students will understand that there are differing ideas on what the best type of economic system is. 2. Students will understand that the United States is predominantly a free enterprise system.	1. What are three questions that every society must answer? 2. What are the major differences between free enterprise and socialism? 3. What is an economic system?	Unit Exam: Multiple Choice & Writing Segment

Spanish for Spanish Speakers 1 - Scope & Sequence

Quarter	Weeks	Unit & Focus	Learning Objectives	Weekly Breakdown	Key Tasks	Formative Assessments (CFU)	CA WL Standards
Q1	1–4	Unit 1: Tú y yo – Geography, identity, nouns/adjectives	• Learn geographical terms related to Latin America • Analyze texts/poems about Simón Bolívar • Identify and use nouns/adjectives • Make text-to-self, text-to-text, and text-to-world connections	W1: Intro, geography. W2: Simón Bolívar. W3: "Soy de aquí." W4: Hero project.	Descriptive paragraph + oral presentation with visuals	Exit tickets, grammar drills, and peer feedback on drafts	Interpretive (CM1), Presentational (CM3), Productive Structures (CM6), Cultures (CL1, CL2)
Q1	5–9	Unit 2: Nosotros – Ethnic groups, sociology, verbs/adverbs	• Learn about ethnic groups • Learn sociology/anthropology terms • Identify and use verbs/adverbs • Differentiate synonyms/antonyms	W5: Grupos étnicos. W6: "La araucana." W7: Rigoberta Menchú. W8: Draft. W9: Reflection.	Personal paragraph on family values + Venn Diagram	Think-Pair-Share, vocabulary quizzes, draft checks	Interpretive (CM1), Interpersonal (CM2), Presentational (CM3), Cultures (CL1, CL3)
Q2	10–13	Unit 8: México – Conquest, careers, accents, Día de los Muertos	• Study Mexico's conquest • Understand medical vocabulary • Analyze poem	W10: Conquista. W11: Medicina. W12: Career essay draft.	Career essay + Día de los Muertos altar/reflection	Peer review, accent rule practice, Kahoot quizzes	Interpretive (CM1), Presentational (CM3), Productive Structures

			about peace • Apply accent rules	W13: Día de los Muertos project.			(CM6), Cultures (CL2, CL4), Connections (CN1, CN2)
Q2	14–18	Unit 10: Arte y música – Fine arts, traditions	• Study Hispanic artists • Learn arts vocabulary • Explore traditions • Identify indirect objects	W14: Arte. W15: Música. W16: "La camisa de Margarita". W17: Poster draft. W18: Display + Ancient Civilizations project.	Poster for artistic event + Ancient Civilizations group project	Gallery walk feedback, Edpuzzle video checks, vocabulary quizzes	Interpretive (CM1), Presentational (CM3), Productive Structures (CM6), Cultures (CL1, CL2, CL3), Connections (CN1)
Q3	19–22	Unit 3: Cuentos – Short stories, novels, sentence structure	• Study cuentos/novelas • Analyze story + novel excerpt • Compare sentence structure • Apply punctuation rules	W19: Genre intro. W20: "Una moneda de oro". W21: *Amor en tiempos de cólera* W22: Interview role-play.	Interview research + recorded role-play	Plot diagram, graphic organizer,and peer review on interview questions	Interpretive (CM1), Interpersonal (CM2), Presentational (CM3), Language Comparisons (CM7)
Q3	23–27	Unit 4: Atletas y deportes – Roberto Clemente, debates	• Analyze Roberto Clemente • Debate structure/process • Identify infinitives • Practice c/z/s spelling	W23: Clemente. W24: Spelling. W25: Story. W26: Debate prep. W27: Debate.	Class debate on salaries & equity in sports	Practice debates, debate outlines, and exit tickets	Interpretive (CM1), Interpersonal (CM2), Presentational (CM3), Productive Structures (CM6), Cultures (CL4)
Q4	28–31	Unit 7: Tierra y aventura – Geography, persuasive ads	• Study geography • Analyze commerce • Identify similes/metaphors • Apply punctuation	W28: Geography + punctuation. W29: "Canción del pirata." W30: Novel excerpt. W31: Ad project.	Persuasive ad (print or digital)	Draft review, peer critique, simile/metaphor ID exit slips	Interpretive (CM1), Presentational (CM3), Productive Structures (CM6), Connections (CN1, CN2)

Q4	32–36	Unit 8: Leyenda y vida – Legends, ecology, dramatization	• Read La Malinche & La Llorona • Learn ecological terms • Read Don Quijote + Golden Age texts • Practice spelling with h • Write/perform dramatization	W32: Legends. W33: Ecology. W34: Golden Age texts. W35: Script. W36: Performance.	Dramatization of *Don Quijote* chapter	Rehearsal peer feedback, comprehension questions, spelling checks	Interpretive (CM1), Presentational (CM3), Productive Structures (CM6), Cultures (CL1, CL3), Connections (CN2)

Appendix 9: Dual Enrollment Agreement

COLLEGE AND CAREER ACCESS PATHWAYS PARTNERSHIP AGREEMENT
A DUAL ENROLLMENT PARTNERSHIP AGREEMENT
2023 – 2028

This College and Career Access Pathways Partnership Agreement ("CCAP Agreement") is between San Jose City College and Evergreen Valley College ("COLLEGE") both a college of the San Jose Evergreen Community College District ("SJECCD"), 40 South Market Street, San José, CA 95113, and Escuela Popular Del Pueblo ("SCHOOL DISTRICT"), 149 North White Road San José, CA 95127.

WHEREAS, the mission of the COLLEGE includes providing educational programs and services that are responsive to the needs of the students and communities within the San José Evergreen Community College District; and

WHEREAS, students who complete college credit while enrolled in high school are more likely to earn high school diplomas, to enroll in community colleges and four-year colleges, to attend post-secondary education on a full-time basis, and to complete degrees in those institutions than students without these experiences; and

WHEREAS, SCHOOL DISTRICT is a public SCHOOL DISTRICT located within the regional service area of SJECCD, unless otherwise specified and agreed to as specified in Education Code section 76004, subdivision (e); and

WHEREAS, SJECCD and SCHOOL DISTRICT desire to enter into this CCAP Agreement for the purpose of offering or expanding dual enrollment opportunities for high school students who may not already be college bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school, including continuation high school, to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school students achieve college and career readiness.

WHEREAS, instruction will comply with the student selection standards, curriculum guidelines, recommendations and procedures promulgated by applicable law, the California Community College Chancellor's Office, SJECCD and COLLEGE;

NOW THEREFORE, SJECCD, the COLLEGE and SCHOOL DISTRICT agree as follows:

1. TERM OF AGREEMENT

1.1 The term of this CCAP Agreement shall be for five years beginning on July 1st, 2023, and ending on June 30, 2028 and (may be renewed upon mutual written agreement of both parties on a year by year basis for a maximum of 3 more years), unless otherwise terminated in accordance with Section 19 of this CCAP Agreement. Parties agree to amend this agreement through the use of fully-executed Addendum(s).

1.2 This CCAP Agreement outlines the terms of the Parties' agreement. The CCAP Agreement Appendix shall specify additional detail regarding the scope, nature, time, location, and listing of community college courses to be offered; and criteria to assess the ability of students to benefit from those courses. The CCAPAgreement Appendix shall also establish protocols for information sharing in compliance with all applicable state and federal privacy laws, joint facilities use, and parental consent for high school students to enroll in community college courses. The protocols shall only require a high school pupil participating in a CCAP partnership to submit one parental consent form and principal recommendation for the duration of the student's participation in the CCAP partnership. Sec. 2 (c) (1).

1.3 The CCAP Agreement Appendix shall identify a point of contact for the participating COLLEGE and SCHOOL DISTRICT. Sec. 2 (c) (2).

1.4 A copy of the CCAP Agreement shall be filed with the office of the Chancellor of the California Community Colleges and with the department [California Department of Education] before the start of the CCAP partnership. Sec. 2 (c) (3).

2. DEFINITIONS

2.1 CCAP Agreement Courses - Courses offered as part of this CCAP Agreement shall be community college courses acceptable towards a career technical education credential or certificate, or preparation for transfer, or appropriate to improve high school graduation rates or help high school students achieve college and career readiness. All community college courses offered at the SCHOOL DISTRICT have been approved in accordance with the policies and guidelines of SJECCD and applicable law. Sec. 2 (a).

2.2 Consistent with AB 288, this CCAP Agreement may include "underachieving students, those from groups underrepresented in postsecondary education, those who are seeking advanced studies while in high school, and those seeking a career technical education credential or certificate." Sec. 1 (d).

2.3 Pupil or Student - A resident or nonresident student attending high school in California. Pursuant to AB-288, high school student may attend college classes, enrolling in up to 15 units per semester, without incurring fees for tuition, books, and materials.

3. STUDENT ELIGIBILITY, SELECTION AND ENROLLMENT, ADMISSION, REGISTRATION, MINIMUM SCHOOL DAY

3.1 Student Eligibility - Students who "may not already be college bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school students to achieve college and career readiness" and "underachieving students, those from groups underrepresented in postsecondary education, those who are seeking advanced studies while in high school, and those seeking a career technical education credential or certificate." Sec. 1 (d) & Sec. 2 (a).

3.2 Student Selection and Enrollment - Enrollment shall be open to all eligible students as part of the CCAP Agreement who have been admitted to the COLLEGE and who meet all applicable prerequisites. Student selection criteria may be further specified in the CCAP Agreement Appendix. Applicable prerequisite courses, training, or experience and standards required as preparation for courses offered through the CCAP Agreement will be determined by COLLEGE and shall be in compliance with applicable law and SJECCD standards and policies.

3.3 College Admission and Registration - Procedures for students participating in the CCAP Agreement shall be governed by the COLLEGE and shall be in compliance with the admissions and registration guidelines set forth in applicable law and SJECCD policy. Decisions regarding scheduling of CCAP classes will occur in partnership with the SCHOOL DISTRICT and participating high schools.

3.4 Student Records – It is the responsibility of the student to follow the COLLEGE process when requesting an official COLLEGE transcript for grade submission to the SCHOOL DISTRICT unless otherwise specified in the Appendix. In accordance with federal Family Educational Rights and Privacy Act (FERPA) law, student records will not be shared with the student's parent or guardian.

3.5 Priority Enrollment - A COLLEGE participating in this CCAP Agreement may assign priority course registration to a pupil seeking to enroll in a community college course that is required for the student's CCAP partnership program that is equivalent to the priority assigned to a pupil attending middle college high school as described in Section 11300 and consistent with middle college high school provisions in Section 76001. Units completed by a pupil pursuant to a CCAP agreement may count towards determining a student's registration priority for enrollment and course registration at a community college. Sec. 2 (3) (g).

3.6 As part of a CCAP Agreement, a participating community college district shall not provide physical education course opportunities to high school students or any other course opportunities that do not assist in the attainment of the goals associated with career technical education or preparation for transfer, improving high school

graduation rates, or helping high school students achieve career and college readiness. Sec. 2 (d).

3.7 Students participating in a CCAP Agreement may enroll in up to a maximum of 15 units per term per conditions specified in AB 288, Sec. 2 (p). Specifically, the units must constitute no more than four (4) community college courses per term and be part of an academic program that is part of the CCAPAgreement designed to award students with both a high school diploma and an associate degree or certificate or a credential.

3.8 Minimum School Day - The SCHOOL DISTRICT shall certify that it shall teach SCHOOL DISTRICT students participating as part of a CCAP Agreement no less than the number of instructional minutes required to complete a minimum school day pursuant to Education Code §§ 46141 and 46142.

4. COLLEGE APPLICATION PROCEDURE

4.1 The COLLEGE will be responsible for processing student applications.

4.2 The COLLEGE will provide the necessary admission and registration forms and procedures. SCHOOL DISTRICT will ensure that each applicant accepted has met all the enrollment requirements, such as prerequisite courses and other potential program-specific requirements.

4.3 The SCHOOL DISTRICT agrees to assist COLLEGE in the admission and registration of SCHOOL DISTRICT students as may be necessary and requested by COLLEGE.

4.4 The SCHOOL DISTRICT and COLLEGE understand and agree that successful COLLEGE admission and registration requires that each participating student has completed the COLLEGE enrollment application process.

4.5 Participating students enrolled in a course offered through a CCAP Agreement shall not be assessed any fee that is prohibited by California Education Code Sections 49011, 76060.5, 76140, 76223, 76300, 76350, and 79121. Sec. 2 (f) & (q).

5. PARTICIPATING STUDENTS

5.1 A high school student enrolled in a course offered through a CCAPAgreement shall not be assessed any fee that is prohibited by Education Code Section 49011. See also Sec. 2 (f). The Governing Board of SJECCD shall exempt special part-time students described in subdivision (p) from the fee requirements in Sections 76060.5, 76140, 76223, 76300, 76350, and 79121. Sec. 2 (p) & (q).

5.2 The total cost of books and instructional materials for SCHOOL DISTRICT students who enroll in a COLLEGE course offered as part of this CCAP Agreement

will be specified in the Appendix to this CCAP Agreement. Costs will be borne by SCHOOL DISTRICT.

5.3 Participating students must meet all SJECCD prerequisite requirements as established by the SJECCD and stated in the college catalog before enrolling in a course offered as part of this CCAP Agreement.

5.4 Grades earned by students enrolled in courses offered as part of this CCAP Agreement will be posted on the official COLLEGE transcript. Students may submit a request for Pass/No Pass if the course is designated as such in the COLLEGE catalog.

5.5 Students enrolled in courses offered as part of this CCAP Agreement will be directed to the official catalog of the COLLEGE for information regarding applicable policies and procedures.

5.6 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement will be eligible for student support services, which shall be available to them at the COLLEGE or through the SCHOOL DISTRICT. COLLEGE shall ensure that student support services, including counseling and guidance, assistance with assessment and placement, and tutoring are available to participating students at the COLLEGE. SCHOOL DISTRICT shall ensure that support services, including counseling and guidance, and assistance with assessment and placement are available to students at the SCHOOL DISTRICT.

5.7 Students who withdraw from courses offered as part of this CCAP Agreement will not receive COLLEGE credit. Students must comply with, and submit appropriate information/paperwork, by all published deadlines. Transcripts will be annotated according to COLLEGE policy.

5.8 A course dropped within the COLLEGE drop "without a W" deadline will not appear on the SCHOOL DISTRICT or the COLLEGE transcript.

6. CCAPAGREEMENT COURSES

6.1 OPTION 1: A COLLEGE may limit enrollment in CCAP courses offered pursuant to this CCAP Agreement solely to eligible high school students. The courses may be offered at a high school campus during the regular school day. Although not open to the general public, CCAP course will be published in the course schedule. Sec. 2 (o) (1).

OPTION 2: Enrollment in CCAP courses offered pursuant to this CCAP Agreement shall be open to any person who has been admitted to the COLLEGE and has met any applicable prerequisites. The courses may be held at facilities

which are clearly identified as being open to the general public. The SJECCD policy on open enrollment along with a description of the course and information about whether the course is offered for credit and is transferable shall be published in the COLLEGE catalogue, schedule of classes, and any addenda to the schedule of classes.

6.2 Courses offered as part of this CCAP Agreement at the COLLEGE may not limit enrollment in the course. Sec. 2 (o) (1).

6.3 The COLLEGE is responsible for all courses and educational programs offered as part of CCAP Agreement regardless of whether the course and educational program is offered on site at the SCHOOL DISTRICT or at the COLLEGE.

6.4 The scope, nature, time, location, and listing of courses offered by the COLLEGE shall be determined by COLLEGE with the approval of the Governing Board and will be recorded in the Appendix to this CCAP Agreement. Sec. 2 (c) (1).

6.5 Courses offered as part of a CCAPAgreement either at the COLLEGE or SCHOOL DISTRICT shall be jointly reviewed and approved for inclusion in the CCAP program.

6.6 Courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be of the same quality and rigor as those offered on COLLEGE campus and shall be in compliance with SJECCD academic standards.

6.7 Courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be listed in the COLLEGE catalog with the same department designations, course descriptions, numbers, titles, and credits.

6.8 Courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall adhere to the official course outline of record and the student learning outcomes established by the associated COLLEGE academic department.

6.9 Courses offered as part of this CCAP Agreement and taught by SCHOOL DISTRICT instructor are part of an approved Instructional Service Agreement as required by SJECCD Business Procedure 2.02.

6.10 Courses offered as part of this CCAP Agreement will comply with all applicable regulations, policies, procedures, prerequisites and standards applicable to SJECCD and COLLEGE as well as any corresponding policies, practices, and requirements of the SCHOOL DISTRICT. In the event of a conflict between SJECCD and/or COLLEGE course related regulations, policies, procedures, prerequisites and standards and SCHOOL DISTRICT policies, practices and requirements, the SJECCD and COLLEGE regulations, policies, procedures, prerequisites, and standards, shall prevail.

6.11 Site visits and instructor evaluations by one or more representatives of the COLLEGE shall be permitted by the SCHOOL DISTRICT to ensure that courses offered as part of this CCAP Agreement in the SCHOOL DISTRICT are the same as the courses offered on the COLLEGE campus and in compliance with SJECCD academic standards.

6.12 A student's withdrawal prior to completion of a course offered as part of this CCAP Agreement shall be in accordance with COLLEGE guidelines, SJECCD policies, pertinent statutes and state regulations.

6.13 Supervision and evaluation of students enrolled in courses offered as part of this CCAP Agreement shall be in accordance with COLLEGE guidelines, SJECCD policies, pertinent statutes, and state regulations.

6.14 COLLEGE has the sole right to control and direct the instructional activities of all instructors, including those who are SCHOOL DISTRICT employees.

6.15 This CCAP Agreement certifies that any remedial course taught by COLLEGE faculty at a partnering high school campus shall be offered only to high school students who do not meet their grade level standard in math, English, or both on an interim assessment in grade 10 or 11, as determined by the SCHOOL DISTRICT, and shall involve collaborative effort between the SCHOOL DISTRICT and the COLLEGE faculty to deliver an innovative remediation course as an intervention in the student's junior or senior year to ensure the student is prepared for college-level work upon graduation. Sec. 2 (n).

7. INSTRUCTOR(S)

7.1 All instructors teaching COLLEGE courses offered as part of this CCAP Agreement must meet the minimum qualifications for instruction in a California community college as set forth in Title 5 California Code of Regulations, Sections 53410 and 58060 or as amended and be hired by the SJECCD pursuant to an approved Instructional Service Agreement. The minimum qualifications for instruction are listed in the CCAP Agreement Appendix.

7.2 The CCAP Agreement Appendix shall specify which participating SCHOOL DISTRICT or COLLEGE will be the employer of record for purposes of assignment monitoring and reporting to the SCHOOL DISTRICT. Sec. 2 (m) (1).

7.3 This CCAP Agreement specifies the SCHOOL DISTRICT will assume reporting responsibilities pursuant to applicable federal teacher quality mandates. Sec. 2 (m) (2).

7.4 Instructors who teach COLLEGE courses offered as part of this CCAP Agreement must provide the supervision and control reasonably necessary for the protection of

the health and safety of students and may not have any other assigned duty during the instructional activity.

7.5 Instructors who teach COLLEGE courses shall comply with the fingerprinting requirements set forth in Ed Code § 45125, 45122.1 or as amended and the tuberculosis testing and risk assessment requirements of California Health and Safety Code § 121525 or as amended. In addition to any other prohibition or provision, no person who has been convicted of a violent or serious felony shall be eligible to teach any courses offered as part of this CCAP Agreement or otherwise provide services on a SCHOOL DISTRICT site.

7.6 Prior to teaching, faculty provided by the SCHOOL DISTRICT shall receive discipline-specific training and orientation from COLLEGE regarding, but not limited to, course curriculum, assessment criteria, pedagogy, course philosophy, testing and grading procedures record keeping, and other instructional responsibilities. Said training shall be approved by and provided by the COLLEGE.

7.7 Faculty provided by the SCHOOL DISTRICT will participate in professional development activities sponsored by the COLLEGE as required by the terms and condition of the contract and shall be encouraged to participate in ongoing collegial interaction to include, but not limited address course content, course delivery, assessment, evaluation, and/or research and development in the field.

7.8 Faculty performance shall be evaluated by the COLLEGE using the adopted evaluation process and standards for faculty of the COLLEGE.

7.9 The COLLEGE may select instructors from SCHOOL DISTRICT personnel. SCHOOL DISTRICT personnel selected to be instructors remain employees of the SCHOOL DISTRICT, subject to the authority of the SCHOOL DISTRICT, but will also be subject to the authority of SJECCD specifically with regard to their duties as instructors.

7.10 The COLLEGE shall determine the number of instructors, the ratio of instructors to students, and the subject areas of instruction, subject to approval by SJECCD.

8. ASSESSMENT OF LEARNING AND CONDUCT

8.1 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be held to the same standards of achievement as students in courses taught on the COLLEGE campus.

8.2 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be held to the same grading standards as those

expected of students in courses taught on the COLLEGE campus.

8.3 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be assessed using the same methods (e.g., papers, portfolios, quizzes, labs, etc.) as students in courses taught on the COLLEGE campus.

8.4 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT shall be held to the same behavioral standards as those expected of students in courses taught on the COLLEGE campus.

8.5 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT who have approved Section 504 Plans that provide accommodations to the educational environment such as extended time on tests or special seating shall be implemented by COLLEGE upon notice of the accommodations by the SCHOOL DISTRICT. Accommodations involving the provision of special equipment or services or additional personnel, such as sign language interpreters shall be provided by the SCHOOL DISTRICT.

8.6 Students enrolled in COLLEGE courses offered as part of this CCAP Agreement at the SCHOOL DISTRICT who have an Individualized Education Program ("IEP") shall receive all programs and services provided for under the IEP by the SCHOOL DISTRICT. The COLLEGE has no responsibility for implementing any portion of a student's IEP.

8.7 The COLLEGE and SCHOOL DISTRICT shall jointly draft a Notice to Parents that outlines the rights and responsibilities of students participating in the CCAP Program, and the respective responsibilities of the COLLEGE and SCHOOL DISTRICT described in this Agreement.

9. LIAISON AND COORDINATION OF RESPONSIBILITIES

9.1 The COLLEGE shall appoint an educational administrator, to be specified in the Appendix to this CCAP Agreement, who will serve as point of contact to facilitate coordination and cooperation between COLLEGE and SCHOOL DISTRICT in conformity with SJECCD policies and standards. Sec. 2 (c) (2). Among other things, the COLLEGE educational administrator, and the SCHOOL DISTRICT educational administrator described in Section 9.2, shall collaborate to determine the process for timely receiving, investigating and remediating complaints of sexual misconduct or other conduct covered by Title IX of the Education Amendments of 1972 alleged to have occurred in the CCAP program.

9.2 Student misconduct in the college course on the COLLEGE campus or SCHOOL DISTRICT campuses will be addressed in accordance with the SJECCD Student

Code of Conduct. The COLLEGE shall report disciplinary issues to the SCHOOL DISTRICT. The COLLEGE administration may refuse to admit or continue enrollment of students with disciplinary issues.

9.3 The SCHOOL DISTRICT shall appoint an educational administrator, to be specified in the Appendix to this CCAP Agreement, who will serve as point of contact to facilitate coordination and cooperation between SCHOOL DISTRICT and COLLEGE in conformity with SCHOOL DISTRICT policies and standards. Sec. 2 (c) (2).

9.4 The COLLEGE will provide SCHOOL DISTRICT personnel with reasonable assistance, direction and instruction in how to fulfill their responsibilities under this CCAP Agreement, including conducting appropriate student assessments, outreach/recruitment activities and compliance with SJECCD policy and COLLEGE procedures and academic standards.

9.5 The SCHOOL DISTRICT shall provide personnel to perform clerical services and services associated with student outreach and recruitment activities, student assessment and college applications, the enrollment of eligible students and other related services as deemed necessary.

9.6 The SCHOOL DISTRICT's personnel will perform services specified in Section 9.5 of this CCAP Agreement as part of their regular assignment. SCHOOL DISTRICT personnel performing these services will be employees of SCHOOL DISTRICT, subject to the authority of SCHOOL DISTRICT, but will also be subject to the direction of COLLEGE, specifically with regard to their duties pertaining to the COLLEGE courses.

9.7 This CCAP Agreement requires an annual report as specified in the Appendix, to the office of the Chancellor of the California Community Colleges by each participating COLLEGE and SCHOOL DISTRICT on all the following information: Sec. 2 (t)(1)(A-D).

- The total number of high school students by school site enrolled in each partnership, aggregated by gender and ethnicity, and reported in compliance with all applicable state and federal privacy laws. Sec. 2 (t) (1) (A).

- The total number of community college courses by course category and type and by school site enrolled in by CCAP partnership participants. Sec. 2 (t) (1) (B.)

- The total number and percentage of successful course completions, by course category and type and by school site, of CCAP partnership participants. Sec. 2 (t) (1) (C).

- The total number of full-time equivalent students generated by CCAP partnership community college district participants. Sec. 2 (t) (1) (D).

9.8 SJECCD or COLLEGE will complete and submit the Apportionment Attendance Report (CCFS-320).

10. APPORTIONMENT

10.1 SJECCD shall include the students enrolled in a CCAP Agreement course in its report of full-time equivalent students (FTES) for purposes of receiving state apportionments when the course(s) complies with current requirements for dual enrollment under applicable California law.

10.2 For purposes of allowances and apportionments from Section B of the State School Fund, a community college district conducting a closed course on a high school campus shall be credited with those units of full-time equivalent students attributable to the attendance of eligible high school students. Sec. 2 (o) (2).

10.3 SJECCD shall not receive a state allowance or apportionment for an instructional activity for which SCHOOL DISTRICT has been, or shall be, paid an allowance or apportionment. Sec. 2 (r).

10.4 The attendance of a high school pupil at COLLEGE as a special part-time or full-time student pursuant to this section is authorized attendance for which COLLEGE shall be credited or reimbursed pursuant to Section 48802 or 76002, provided that no SCHOOL DISTRICT has received reimbursement for the same instructional activity. Sec. 2 (s).

11. CERTIFICATIONS

11.1 The SCHOOL DISTRICT certifies that the direct education costs of the courses offered as part of this CCAP Agreement are not being fully funded through other sources.

11.2 SJECCD certifies that it has not received full compensation for the direct education costs for conducting the courses offered as part of this CCAP Agreement from other sources.

11.3 The SCHOOL DISTRICT agrees and acknowledges that SJECCD will claim apportionment for the SCHOOL DISTRICT students enrolled in community college course(s) under this CCAP Agreement.

11.4 This CCAP Agreement certifies that any COLLEGE instructor teaching a course on a SCHOOL DISTRICT campus has not been convicted of any sex offense as defined in Ed Code § 87010 or as amended, or any controlled substance offense as

defined in Ed Code § 87011 or as amended. Sec. 2 (h).

11.5 This CCAP Agreement certifies that any COLLEGE instructor teaching a course at the partnering high school campus has not displaced or resulted in the termination of an existing high school teacher teaching the same course on that high school campus. Sec. 2 (i).

11.6 This CCAP Agreement certifies that a qualified SCHOOL DISTRICT teacher teaching a course offered for college credit at a high school campus has not displaced or resulted in the termination of an existing COLLEGE faculty member teaching the same course at the COLLEGE campus. Sec. 2 (j).

11.7 The COLLEGE certifies that:

- A community college course offered for college credit at the participating SCHOOL DISTRICT does not reduce access to the same course offered at COLLEGE. Sec. 2 (k) (1).

- A community college course that is oversubscribed or has a waiting list shall not be offered or included in this CCAP Agreement. Sec. 2 (k) (2).

- The CCAP Agreement is consistent with the core mission of the COLLEGE pursuant to Section 66010.4, and that students participating in this CCAP Agreement will not lead displacement of otherwise eligible adults at the COLLEGE. Sec. 2 (k) (3).

11.8 This CCAP Agreement certifies that the SCHOOL DISTRICT and COLLEGE comply with local collective bargaining agreements and all state and federal reporting requirements regarding the qualifications of the teacher or faculty member teaching a CCAP Agreement course offered for high school credit. Sec. 2 (l).

12. PROGRAM IMPROVEMENT

12.1 The COLLEGE and the SCHOOL DISTRICT may annually conduct surveys of participating SCHOOL DISTRICT students, instructors, principals, and guidance counselors for the purpose of informing practice, making adjustments, and improving the quality of courses offered as part of this CCAP Agreement.

13. RECORDS

13.1 Permanent records of student attendance, grades and achievement will be maintained by SCHOOL DISTRICT for SCHOOL DISTRICT students who enroll in a course(s) offered as part of this CCAP Agreement. Permanent records of student enrollment, grades and achievement for COLLEGE students shall be maintained by COLLEGE.

13.2 SCHOOL DISTRICT shall certify that each student interested in participating in CCAP dual enrollment pathway(s) is prepared for college level coursework and shall maintain such document on file for audit purposes as prescribed by Title 5 of the California Code of Regulations, section 59026(b).

13.2 Each party shall maintain records pertaining to this CCAP Agreement as may be required by federal and state law. Each party may review and obtain a copy of the other party's pertinent records subject to federal and state privacy statutes.

14. REIMBURSEMENT

14.1 The financial arrangements implied herein may be adjusted annually by a duly adopted written Appendix to this CCAP Agreement.

15. FACILITIES

15.1 The SCHOOL DISTRICT will provide adequate classroom space at its facilities, or other mutually agreed upon location, to conduct the instruction and do so without charge to SJECCD or students. SCHOOL DISTRICT agrees to clean, maintain, and safeguard SCHOOL DISTRICT's premises. SCHOOL DISTRICT warrants that its facilities are safe and compliant with all applicable building, fire, and safety codes.

15.2 The SCHOOL DISTRICT will furnish course materials, specialized equipment, books and other necessary equipment for all SCHOOL DISTRICT students taking CCAP dual enrollment courses. The instructor shall determine the type, make, and model of all equipment, books and materials to be used during each course offered as part of this CCAP Agreement. SCHOOL DISTRICT understands that no equipment or materials fee may be charged to students except as may be provided for by Education Code 49011.

15.3 The COLLEGE facilities may be used subject to mutually agreement by the parties as expressed in the Appendix to this CCAP Agreement.

16. INDEMNIFICATION

16.1 The SCHOOL DISTRICT agrees to and shall indemnify, save and hold harmless the COLLEGE and SJECCD and its governing board, officers, employees, administrators, independent contractors, subcontractors, agents and other representatives from any and all claims, demands, liabilities, costs, expenses, damages, causes of action, losses, and judgments, arising out of SCHOOL DISTRICT’s performance of this CCAP Agreement. The obligation to indemnify shall extend to all claims and losses that arise from the negligence of the SCHOOL DISTRICT, its officers, employees, independent contractors, subcontractors, agents and other representatives.

16.2 The SJECCD agrees to and shall indemnify, save and hold harmless the SCHOOL

DISTRICT and its governing board, officers, employees, administrators, independent contractors, subcontractors, agents and other representatives from any and all claims, demands, liabilities, costs, expenses, damages, causes of action, losses, and judgments, arising out of SJECCD and COLLEGE'S performance of this CCAP Agreement. The obligation to indemnify shall extend to all claims and losses that arise from the negligence of the SJECCD and COLLEGE its officers, employees, independent contractors, subcontractors, agents and other representatives.

17. INSURANCE

17.1 The SCHOOL DISTRICT, in order to protect the SJECCD, its agents, employees and officers against claims and liability for death, injury, loss and damage arising out of or in any manner connected with the performance and operation of the terms of this CCAP Agreement, shall secure and maintain in force during the entire term of this CCAP Agreement, general liability insurance coverage or an approved program of self-insurance in the amount of not less than ONE MILLION DOLLARS ($1,000,000) per incident, and property damage insurance of not less than ONE HUNDRED THOUSAND DOLLARS ($100,000) per accident with an admitted California insurer duly licensed to engage in the business of insurance in the State of California, or public entity risk management Joint Powers Authority, authorized to provide public liability and property damage insurance in the state of California. Said policy of insurance, insurance coverage through a public entity risk management JPA or program of self-insurance shall expressly name the COLLEGE and SJECCD, its agents, employees and officers as an additional insured for the purposes of this CCAP Agreement. A certificate of insurance including such endorsement shall be furnished to the COLLEGE and to SJECCD.

17.2 For the purpose of Workers' Compensation, SCHOOL DISTRICT shall be the "primary employer" for all its personnel who perform services as instructors and support staff. SCHOOL DISTRICT shall be solely responsible for processing, investigating, defending, and paying all workers' compensation claims by their respective SCHOOL DISTRICT personnel made in connection with performing services and receiving instruction under this CCAP Agreement. SCHOOL DISTRICT agrees to hold harmless, indemnify, and defend COLLEGE and SJECCD, its directors, officers, agents, and employees from any liability resulting from its failure to process, investigate, defend, or pay any workers' compensation claims by SCHOOL DISTRICT personnel connected with providing services under this CCAP Agreement. SCHOOL DISTRICT is not responsible for non-SCHOOL DISTRICT personnel who may serve as instructors or students who are not affiliated with the SCHOOL DISTRICT.

18. NON-DISCRIMINATION

18.1 Neither the SCHOOL DISTRICT nor the COLLEGE and SJECCD shall

discriminate on the basis of race or ethnicity, gender, gender identity, gender expression, marital status, nationality, physical or mental disability, sexual orientation, religion, or any other protected class under California State or federal law.

19. TERMINATION

19.1 Either party may terminate this CCAP Agreement by giving written notice specifying the effective date and scope of such termination. The termination notice must be presented by January 15 for the following fall semester and by September 1 for the following spring semester. Written notice of termination of this CCAP Agreement shall be addressed to the responsible person listed in Section 20 below.

20. NOTICES

20.1 Any and all notices required to be given hereunder shall be deemed given when personally delivered or deposited in the U.S. Mail, postage to be prepaid, to the following addresses:

COLLEGE
San Jose City College
2100 Moorpark Avenue
San Jose, CA 95128
Attention: Dr. Rowena Tomaneng, President

21. INTEGRATION

21.1 This CCAP Agreement sets forth the entire agreement between the Parties relating to the subject matter of this CCAP Agreement. All agreements or representations, express or implied, oral or written, of the Parties with regard to the subject matter

hereof are incorporated into this CCAP Agreement.

22. MODIFICATION AND AMENDMENT

22.1 No modifications or amendments of any of the terms or provisions of this CCAP Agreement shall be binding unless made in writing and signed by the Parties.

23. GOVERNING LAWS

23.1 This CCAP Agreement shall be interpreted according to the laws of the State of California.

24. COMMUNITY COLLEGE DISTRICT BOUNDARIES

24.1 For locations outside the geographical boundaries of SJECCD, COLLEGE will comply with the requirements of Title 5 of the California Code of Regulations, Sections 53000 et seq. or as amended, concerning approval by adjoining high school or community college districts and use of non-district facilities.

25. SEVERABILITY

25.1 This CCAP Agreement shall be considered severable, such that if any provision or part of the CCAP Agreement is ever held invalid under any law or ruling, that provision or part of the CCAP Agreement shall remain in force and effect to the extent allowed by law, and all other provisions or parts shall remain in full force and effect.

26. COUNTERPARTS

26.1 This CCAP Agreement may be executed by the parties in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument.

SJECCD Legal Review

APPENDIX

COLLEGE AND CAREER ACCESS PATHWAYS PARTNERSHIP AGREEMENT
A DUAL ENROLLMENT PARTNERSHIP AGREEMENT

WHEREAS, the College and Career Access Pathways Partnership Agreement ("CCAP Agreement") is between San Jose City College and Evergreen Valley College ("COLLEGE"), both a college of San Jose Evergreen Community College District ("SJECCD"), 40 South Market Street, San Jose, CA 95113, and Escuela Popular Del Pueblo ("SCHOOL DISTRICT") and

WHEREAS, the COLLEGE and the SCHOOL DISTRICT agree to record COLLEGE and SCHOOL DISTRICT specific components of the CCAP Agreement using the Appendix for purposes of addressing mandated reporting requirements to include, but not limited to, the total number of high school students to be served and the total number of full-time equivalent students projected to be claimed by the community college district for those students; the scope, nature, time, location, and listing of community college courses to be offered; and criteria to assess the ability of students to benefit from those courses; and (Sec. 2 (c)(1))

WHEREAS, the CCAP Agreement Appendix shall also be used to record protocols for information sharing in compliance with all applicable state and federal privacy laws, joint facilities use, and parental consent for high school students to enroll in community college courses; and (Sec. 2 (c)(1))

WHEREAS, participation in the CCAP Agreement is consistent with the core mission of the community colleges pursuant to Section 66010.4, and that students participating in a CCAP Agreement will not lead to enrollment displacement of otherwise eligible adults in the community college; (Sec. 2 (k)(3))

NOW THEREFORE, SJECCD, COLLEGE and SCHOOL DISTRICT agree as follows:

1. CCAP AGREEMENT

a. COLLEGE and SCHOOL DISTRICT shall ensure that a public meeting is held by the each party in the review and approval of this CCAP Agreement. Sec. 2 (b).

b. COLLEGE shall file this CCAP Agreement with the office of the Chancellor of the California community colleges prior to the start of the partnership. Sec. 2 (c) (3).

c. COLLEGE and SCHOOL DISTRICT shall review and establish new or amended CCAP Agreements annually on or before June 30 and follow the protocols set forth in (a) and (b) of this section.

d. SJECCD, COLLEGE and SCHOOL DISTRICT point of contact: Sec. 2 (c) (2).

LOCATION	NAME	TELEPH	EMAIL
SJECCD:	Jorge Escobar, Vice Chancellor	408-270-6402	Jorge.Escobar@sjceed.edu
COLLEGE:	Dr. Rowena Tomaneng, President, SJCC	408-288-3725	rowena.tomaneng@sjcc.edu

SCHOOL DISTRICT:	Patricia Reguerin, Executive Director	408-426-6593	patricia@escuelapopular.org

2. STUDENT SELECTION

a. Minimum School Day - The SCHOOL DISTRICT shall certify that it shall teach SCHOOL DISTRICT students participating as part of a CCAP Agreement no less than the number of instructional minutes required to complete a minimum school day pursuant to Education Code §§ 46141 and 46142. In all circumstances the COLLEGE shall claim allowable FTES for the enrollment of high school students in a CCAP Agreement community college course.

b. SCHOOL DISTRICT shall select students consistent with the intent of AB 288 to include: high school students "who may not already be college bound or who are underrepresented in higher education with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school students to achieve college and career readiness" and "underachieving students, those from groups underrepresented in postsecondary education, those who are seeking advanced studies while in high school, and those seeking a career technical education credential or certificate." Sec. 1 (d) & 2 (a).

c. COLLEGE and SCHOOL DISTRICT shall certify that participating students will have a signed parental consent form on file with the COLLEGE. Sec. 2 (c) (1).

d. COLLEGE and SCHOOL DISTRICT shall certify that participating students may enroll in up to a maximum of 15 unit load per term, the units may not constitute more than four (4) community college courses per term, the units are part of an academic (educational) program identified as part of this CCAP Agreement and the units are part of an academic (educational) program designed to award students both a high school diploma and an associate degree or a certificate or credential. Sec. 2 (p) (1)-(3).

e. COLLEGE and SCHOOL DISTRICT shall certify that they understand that the statewide number of full-time equivalent students claimed as special admits cannot exceed ten (10) percent of the total number of full-time equivalent students claimed statewide. The statewide ten (10) percent full-time equivalent students cap on special admits includes both non-AB 288

and AB 288 students.

3. CCAPAGREEMENT EDUCATIONAL PROGRAM(S) AND COURSE(S)

a. COLLEGE is responsible for all educational program(s) and course(s) offered as part of this CCAP Agreement whether the educational program(s) and course(s) are offered at the SCHOOL DISTRICT or the COLLEGE.

4. MANDATED ANNUAL STATE REPORTING

a. COLLEGE and SCHOOL DISTRICT shall ensure accurate and timely reporting of the total number of full-time equivalent students generated by CCAP partnership community college district participants.

b. COLLEGE and SCHOOL DISTRICT shall report the annual total number of unduplicated high school student headcount by school site enrolled in each CCAP Agreement are aggregated by gender and ethnicity and shall be reported annually in compliance with all applicable state and federal privacy laws. The SJECCD shall annually report the student data to the office of the Chancellor of the California Community Colleges. Sec. 2 (t) (1) (A).

c. COLLEGE and SCHOOL DISTRICT shall report the annual total number of community college courses by category and type and by school site enrolled in by this CCAP Agreement. Sec. 2 (t) (1) (B).

d. COLLEGE and SCHOOL DISTRICT shall report the annual total number of the unduplicated high school student headcount and the percentage of successful course completions, by course category and type and by school site. Sec. 2 (t) (1) (C).

e. COLLEGE and SCHOOL DISTRICT shall report the annual total number of full-time equivalent students generated by this CCAP Agreement. Sec. 2 (t) (1) (D).

f. COLLEGE and SCHOOL DISTRICT shall ensure that the point of contact for each site establishes protocols for the collection and dissemination of participating student data each semester within 30 days of the end of the term.

g. SJECCD or COLLEGE will complete and submit the Apportionment Attendance Report (CCFS-320).

5. CCAPAGREEMENT DATA MATCH AND REPORTING

a. COLLEGE and SCHOOL DISTRICT shall ensure operational protocols consistent with the collection of participating student data and the timely submission of the data.

b. COLLEGE shall report all program and participating student data to the office of

the Chancellor of the California Community Colleges.

6. PRIVACY OF STUDENT RECORDS

COLLEGE and SCHOOL DISTRICT understand an agree that education records of students enrolled in the CCAP course and personally identifiable information contained in those educational records are subject to the Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. § 1232g; 34 C.F.R. Part 99, including the disclosure provisions of § 99.30 and state law as set forth in Education Code §§ 49064 and 49076). COLLEGE and SCHOOL DISTRICT agree to hold all student education records generated pursuant to this CCAP Agreement in strict confidence, and further agree not to re-disclose such records except as authorized by applicable law or regulation or by the parent or guardian's prior written consent. (34 C.F.R. § 99.33 (a), (b); 34 C.F.R. § 99.34(b) and Education Code §§ 49064 and 49076.)

a. Limitation on Use. COLLEGE and SCHOOL DISTRICT shall use each student education record that he or she may receive pursuant to this CCAP Agreement solely for a purpose(s) consistent with his or her authority to access that information pursuant to Federal and State law, as may be as applicable. (34 C.F.R. § 99.31, 34 C.F.R. § 99.34, and Education Code § 49076.)

b. Recordkeeping Requirements. COLLEGE and SCHOOL DISTRICT shall comply with the requirements governing maintenance of records of each request for access to and each disclosure of, student education records set forth under Title 34, Code of Federal Regulations § 99.32 and under Education Code § 49064 as applicable.

c. Acknowledgement of Receipt of Notice of FERPA Regulations. By signature of its authorized representative or agent on the CCAP Agreement, COLLEGE and SCHOOL DISTRICT hereby acknowledges that it has been provided with the notice required under 34 C.F.R. § 99.33(d) that it is strictly prohibited from re-disclosing student education records to any other person or entity except as authorized by applicable law or regulation or by the parent or guardian's prior written consent.

7. FACILITIES USE

a. COLLEGE and SCHOOL DISTRICT shall adhere to the terms outlined in Section 15, Facilities, of this CCAP Agreement.

b. COLLEGE, as part of Section 15.3 of this CCAP Agreement, shall extend access and use of the following COLLEGE facilities:

GENERAL INFORMATION

VISION

Educates to Transform Lives.

MISSION

Our Family Learning Center believes that teaching is an act of love through which learning is reciprocal; we develop bilingual, bi-cultural students, fully prepared to continue onto higher education and empowered to pursue their goals in a global society.

EP SCHOOL-WIDE LEARNING OUTCOMES

All EP students will RISE by being:

Responsible citizens

- who are globally aware,
- who appreciate the civic, economic, historical, and cultural perspectives of diverse people,
- who can function in a multicultural world,
- who are proud of their roots and personal value and,
- who care for the environment.

Intellectually curious and independent learners

- who achieve academic excellence through rigorous active learning,
- who use critical thinking skills to understand and solve complex problems across disciplines,
- who are able to analyze, synthesize, and evaluate.

Sound healthy individuals

- who understands the importance of physical fitness, and the need for a lifestyle that is balanced intellectually, physically, and emotionally,
- who achieve well-being for themselves.

Effective bi-literate & bilingual communicators

- who can acquire information through reading and listening,
- who can write clearly and concisely,
- who can communicate ideas and thoughts in a group setting and when making presentations.

Attendance

It is extremely important for all students to attend school daily in order to gain the maximum benefit from his/her education and demonstrate dedication to being on track to higher education.

Regular attendance is vital to academic success. Escuela Popular students are expected to attend school every day and arrive on time for every class. The Governing Board recognizes its responsibility under the law to ensure that students attend regularly. The Board shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy.

In the event that a student cannot attend school, certain absences may be excused. Absences for the following reasons may be excused: student's illness, medical appointments, jury duty, religious observance, etc. Absences may be excused up to one week after the absence occurs. In the case of consecutive absences, absences may be excused up to one week after the last consecutive absence. For students 18 and older, the students themselves may contact the school to excuse absences. The Board Attendance Policy is posted on the website.

Verification of Absence

Students must communicate with the school absences by calling (408) 835-3181 or 408-275-7191. If absences are not communicated, they will not be accurately excused, if applicable.

When reporting an absence, the following information is required:

- Full Name
- Identification Number
- Date of Absence
- Reason for absence

Excused & Unexcused Absences or Tardies

Below is the list of excused and unexcused absences. If a student is unsure if their absence will be excused, please contact the school attendance office immediately.

Excused Absences and Tardies

1. Personal illness, including an absence for the benefit of the pupil's mental or behavioral health

2. Quarantine under the direction of a county or city health officer.

3. Medical, dental, optometric, or chiropractic appointments:

4. For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five (5) days per incident. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

5. For any of the following reasons, if an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, has died:

    a. To access services from a victim services organization or agency.

    b. To access grief support services.

    c. To participate in safety planning or to take other actions to increase the safety of the pupil or an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, including, but not limited to, temporary or permanent relocation.

    Absences under this section shall not be excused for more than three (3) days per incident, unless extended on a case-by-case basis at the discretion of the school administrator. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

6. Participation in religious instruction or exercises as follows:

    a. The student shall be excused for this purpose on no more than four (4) school days per month.

7. For the purposes of jury duty in the manner provided for by law.

8. Due to the illness or medical appointment during school hours of a child of whom the student is the custodial parent, including absences to care for a sick child. (The school does not require a note from the doctor for this excuse).

9. To permit the student to spend time with an immediate family member who is an active duty member of the uniformed services, as defined in Education Code section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the Charter School.

10. For the purpose of serving as a member of a precinct board for an election pursuant to Election Code section 12302.

11. Attendance at the student's naturalization ceremony to become a United States citizen.

12. Authorized parental leave for a pregnant or parenting student for up to eight (8) weeks, which may be extended if deemed medically necessary by the student's physician.

13. Authorized at the discretion of the Executive Director or designee, based on the facts of the student's circumstances, are deemed to constitute a valid excuse.

14. A student who holds a work permit to work for a period of not more than five (5) consecutive days in the entertainment or allied industries shall be excused from school during the period that the student is working in the entertainment or allied industry for a maximum of up to five (5) absences per school year subject to the requirements of Education Code section 48225.5.
15. In order to participate with a not-for-profit performing arts organization in a performance for a public-school student audience for a maximum of up to five (5) days per school year provided the student's parent or guardian provides a written note to the school authorities explaining the reason for the student's absence.
16. For the purpose of participating in a cultural ceremony or event. "Cultural" for these purposes means relating to the habits, practices, beliefs, and traditions of a certain group of people.

17. For the purpose of a middle or high school pupil engaging in a civic or political event as indicated below, provided that the pupil notifies the school ahead of the absence. A “civic or political event” includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls.
    a. A middle school or high school pupil who is absent pursuant to this provision is required to be excused for only one school day-long absence per school year.
    b. A middle school or high school pupil who is absent pursuant to this provision may be permitted additional excused absences in the discretion of a school administrator.

18. For the following justifiable personal reasons for a maximum of five (5) school days per school year (unless otherwise indicated), upon advance written request by the student’s parent or guardian and approval by the Executive Director or designee pursuant to uniform standards:
    a. Appearance in court.
    b. Observance of a holiday or ceremony of the pupil’s religion.
    c. Attendance at religious retreats (not to exceed one school day per semester).
    d. Attendance at an employment conference.
    e. Attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization.

A student who is absent due to an excused absence will be allowed to complete all assignments and tests missed during the excused absence that can be reasonably provided and will receive full credit upon satisfactory completion within a reasonable period of time. The teacher of the class from which a student is absent shall determine which tests and assignments are reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the excused absence.

Unexcused Absences and Tardies

Missing or being tardy to class or school for a reason not listed above will be considered an unexcused absence or tardy.

Legally Truant

A student shall be classified as a truant if the student is absent from school without a valid excuse three (3) full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three (3) occasions in one school year, or any combination thereof. Any student who has once been reported as a truant and who is again absent from school without valid excuse one or more days, or tardy on one or more days, shall again be deemed a truant. Such students shall be reported to the Executive Director or designee

Cutting Class or School

Cutting class or any part of the school day is considered an unexcused absence. Cutting includes students who leave campus without permission at any time of the school day.

Calling the school and teacher's email

All teachers have an email account. A list of school staff email addresses are available on the Escuela Popular website. Students may also leave a message at any time with the front office, which will be delivered to the teacher at the first opportunity outside of class time. Teachers will also provide phone numbers where they can be reached. Please feel free to reach out directly to teachers or the Instructional Leader regarding a question, concern, compliment or issue.

Facility Safety

Escuela Popular will comply with education code section 47610 by using facilities that are compliant with the California Building Standards Code.

The school shall partner with the District and the City of San Jose to test sprinkler systems, fire extinguishers, and fire alarms at its facilities to ensure that they are maintained in an operable condition.

Safety Plan

Escuela Popular will adhere to a safety plan, specifically to meet the needs of the school site. The safety plan will include a comprehensive set of health, safety and risk management policies that will address, at a minimum, policies and procedures for responses to disasters and emergencies, including fires and earthquakes, blood borne pathogens,

and a policy establishing Escuela Popular as a drug, alcohol and tobacco free workplace. Instructional and administrative staff shall also receive training in emergency response including “first responder training” or its equivalent.

Student Safety

Escuela Popular has campus supervisors during school hours, however the use of the buddy system when walking is encouraged. Please communicate any activity that may appear suspicious.

Closed Campus

Escuela Popular is a closed campus; it is requested for students to limit the in and outgoing traffic. Please only do so on a limited need basis.

Tuberculosis Risk Assessment

Employees, and volunteers who have frequent or prolonged contact with students, will be assessed and examined (if necessary) for tuberculosis prior to commencing employment and working with students as required by Education Code Section 49406. In addition, all students are required to submit proof of TB screening upon enrollment. If not available upon enrollment, students have 20 school days to submit results.

Blood Borne Pathogens

Escuela Popular shall meet state and federal standards for dealing with blood-borne pathogens and other potentially infectious materials in the school. Escuela Popular has established an infectious control plan designed to protect employees from possible infection due to contact with blood-borne viruses, including human immunodeficiency virus (HIV) and hepatitis B virus (HBV). Whenever exposed to blood or other body fluids through injury or accident, students, and staff should follow the latest medical protocol for disinfecting procedures.

First Aid, Illness, & Injuries

First aid kits are located in every classroom. If a student is ill or injured beyond first aid or simple comfort measures, the school will call the emergency contacts. In an emergency, appropriate action will be taken, including calling 911 for emergency assistance, and designated contact listed on the student's emergency form will be notified. It is essential that students keep the school informed of any change in address and/or telephone numbers so that a responsible party may be reached in an emergency. Emergency cards must be updated annually and if information changes, the student must come to the main office to contact the school of the changes.

Students may opt to go home and/or visit a doctor.

Administration of Medication

Escuela Popular does not have a registered nurse nor nurse's office on campus. Students needing to take prescribed medication during the school day are required to care and administer medication on their own.

The staff will NOT administer nor provide non-prescription medication such as aspirin, acetaminophen, allergy capsules, diet pills, Pepto-Bismol, etc. without medical authorization. Please do not ask any staff member.

Dress Code

Students are expected to wear appropriate clothing to school. Students may not wear clothing and/or accessories that are entirely blue or red. The following are NOT permitted: **gang-related clothing, shirts that expose the midriff, strapless shirts, blouses, or dresses, see-through blouses, shirts, pants, skirts, or dresses. Shorts, skirts, and dresses must be at least mid-tight or 4 inches above the knee.**

Physical Education

For Physical Education, students are required to dress every day for class. A t-shirt, along with shorts or sweatpants are required. Sweatshirts and sweatpants are recommended for outdoor activities during the cold weather. Appropriate shoes, high top or low top sneakers, are required.

Change in Student Information

If a student moves or changes telephone numbers, the information should be reported to the main office. This is very important in order to keep school records current. This includes change in name due to marriage or dissolution of marriage, etc. Supporting documents may be requested prior to making the change.

Schedules

If a student has questions or needs help in relation to their schedule and is taking ELD classes (levels 1A - 3B) the student can visit the main office or office # 203. If the student is taking English 1 classes and above, visit office # 103.

Schedule Changes

Academic advisors support and guide students and/or families monitor their progress on a yearly basis. Changes in schedule can occur under the following circumstances:

- Improper placement and program errors will be corrected within the first 14 days of enrolling within the quarter
- A valid need to change their schedule by dropping one course and adding another
- When availability in a particular course opens up, with academic advisor's approval. Administrator's approval is required after the 14-day deadline.

To ensure that all requests for schedule changes are processed, students must fill out the form provided by an academic advisor.

Transferability of Courses

Should the student submit a request to withdraw from the school, all courses listed on the official transcript may be transferred. It is the next school's discretion to apply the earned courses and credit as they see appropriate to their program. Courses approved by the University of California, and are A - G are transferable. The complete list of A-G approved courses are found on the University of California A-G Course List for Escuela Popular.

Parking Identifications

Personal cars driven to school require a parking identification. Students must have a current parking ID to park in the student parking lot as well as in areas outside the school. The ID's are for identification purposes. Students are expected to respect our neighbors and park appropriately, not remove garbage and recycle bins for the purpose of parking, not litter, not block driveways, not double park, not park in the spaces designated for the disabled, or reserved. There is a public parking lot available after 3:00 P.M. on the corner of White Road and Alum Rock (at James Lick High School).

Parking IDs are obtained in the Library.

Student Services Advocate

Students will find a person who can give them assistance and resources in areas such as:

- Immigration
- Traffic tickets/Violations
- Court appearances
- Loan scams

Please visit the Student Resource Advocate in Room 208 for any question, or make an appointment in the main office.

Childcare (room 305)

Parents (Students) with children in Escuela Popular Childcare Academy must never leave campus and leave children alone. The parent must always be on campus when their child is in the care of Escuela Popular. In the case of a field trip, it is the student's responsibility to inform the Childcare Teacher and Coordinator. Field Trips must be approved by the Instructional Leader.

Electronics / Cell Phone Use Policy

Escuela Popular recognizes the prevalence of cell phone use among students and respects it as a means of communication in a busy family. Students often have before and after school commitments and a cell phone enables family members to be aware of family plans. We therefore permit cell phone use before and after school and during lunch. At all other times cell phones must be in the student's backpacks, recognizing the student's responsibility for damage, loss, or theft.

Any electronic devices that disrupt the learning environment, violates school rules, or are otherwise distracting or inappropriate in a school setting may be confiscated. All emergency calls should be directed to the main office at 408-275-7191, students will be located by school staff.

Thank you for understanding and respecting the need to regulate cell phone use in school.

Valuable Personal Property

Personal property (including, but not limited to iPods, CD, MP3 players, pagers, cellular phones, and/or electronic games, etc.), are to be turned silenced, kept out of sight, and not used during the school day. Violation of this rule will result in disciplinary action and confiscation of the item(s) it interrupts the learning environment. Confiscated items will be returned to the owner at the end of the day, provided there are no concerns with the contents of the items. On a second violation, the item(s) will be confiscated after a resolution.

NOTE: Escuela Popular Charter High School is not responsible for any loss or damage to confiscated property.

Food

Food is sold in the cafeteria during the lunch and dinner breaks.

School Pictures

Individual pictures are taken during the school year for use on school issued student identification cards.

Fundraisers

The Principal must approve all fundraisers. All fundraisers must be for school-related needs.

Advertising & Flyers

All flyers must be approved by the main office. At the end of the activity, all flyers need to be removed for the responsible person of the activity.

Public Displays of Affection

Students shall refrain from displays of affection that are offensive, sexual in nature, or inappropriate for the school environment. Holding hands is permitted.

Visitors

All visitors must immediately sign in at the main office at the beginning of their visit, receive a visitor's badge, and sign out at the end of their visit. These procedures are designed to protect students and staff from unauthorized individuals. All visitors are expected to follow our school expectations and treat all students and staff with respect. To register as a visitor, the person will need to provide the following information:

- Name;
- Purpose for entering school grounds;
- Destination within the school;
- Time in and out;
- At his/her discretion the administrator or designee may also request:
- Proof of identity;
- Address;
- Occupation and company affiliation;
- Age (if less than 21);
- And any other information consistent with law.

The administrator or designee may deny visitation to any individual if they reasonably conclude that their presence would disrupt the school, students or employees, would result in damage to property, or would result in the distribution or use of a controlled substance. (Penal Code 627.4)

The administrator or designee, may request that a visitor/outsider who has failed to register, or whose registration privileges have been denied or revoked, to promptly leave school grounds. If necessary the dean or designee, may call the local police to enforce the departure of the visitor/outsider. When a visitor/outsider is directed to leave, the administrator or designee, shall inform the visitor/outsider that if they reenter the school within seven (7) days, they will be guilty of a misdemeanor and subject to a fine and/or imprisonment. (Penal Code 627.7)

Math Policy

Escuela Popular Board of Directors has established a fair, objective, and transparent protocol for placement in mathematics courses for students entering 9th grade, in order to ensure the success of every student and to meet the Legislative intent of the California Mathematics Placement Act of 2015.

This policy is adopted pursuant to the Mathematics Placement Act of 2015, enacted as Education Code Section 51224.7. The policy is posted on the website.

Graduation Requirements

A: History/Social Science - (30 credits), including one year of World History, one year of U.S. History, one-half year of U.S. Government, and one-half year of U.S. Economics

B: English – (40 credits) that includes frequent and regular writing, reading of classic and modern literature, and practice listening and speaking, including English 2, English 3, and English 4, with a minimum completion of English 2 and English 3.

C: Mathematics - (20 credits) that include the topics covered in Integrated Math 1 and Integrated Math 2 (three years recommended, Integrated Math 3 or Pre-Calculus)

D: Science — (20 credits) providing fundamental knowledge, including Integrated Science I and II.

E: Foreign Language or Performing Arts – One year (10 credits) of the same language other than English, Art or Dance.

F: Physical Education – (10 credits) One year of Physical Education.

G: Electives – 60 credits, Electives classes include ELD levels, math modules and other elective courses.

Total: 190 credits to obtain High school Diploma

For Students in their 3rd or 4th year: Under California Assembly Bill 104 students who, in the 2020–21 school year, were in their 3rd or 4th year of high school and who are not on track to graduate in 4 years from all coursework and other requirements adopted by the governing body of a school district are eligible to graduate by completing the minimum California state graduation requirements (130 credits total). Students who graduate under AB 104 do not have to complete additional Escuela Popular requirements of 205 for AFLC, 190 for CTC credits.

Program Progression

Pre-Grade 9 Credits: 0-36

ELD 1A-3B classes; ELD 1 and ELD 2; Math Modules; Algebra Readiness; Integrated Math; Physical Education; Foreign Language Art or any other Elective

Grade 9 Credits: 37-72

English 1; Math Modules; Algebra Readiness; Integrated Math; Physical Education; Foreign Language Art or any other Elective.

Grade 10 Credits: 73-116

English 2; Integrated Math; World History; Integrated Science I or Integrated Science II, Foreign Language Art or any other Elective course

Grade 11 Credits: 117-160

English 3; Integrated Math; US History; Integrated Science Ior Integrated Science II; Foreign Language Art or any other Elective course

Grade 12 Credits: 161+

English 4; Integrated Math; Government; Economics; Foreign Language Art or any other Elective course

Notice: This program progression is an example and varies on the individual students, based on previous education, credits earned, initial placement, etc.

Senior Activities including Graduation

All Credits and graduation requirements must be met by the "senior exit" date in order to participate in the Graduation Ceremony. Students deficient in one course, to be completed in summer or Quarter
1 after the graduation date, may participate in all activities, including Graduation.

College Entrance Requirements

Currently, English 1, 2, 3, 4, Integrated Math 1, 2, 3, Integrated Science 1, 2, Biology, Physics, and Chemistry and Spanish 1 courses are A-G approved by the University of California. Our school is in progress of developing additional A—G courses. Currently, the pathway for higher education after high school is the community college and/or private college, then transfer to a UC or CSU.

Career/College Information

The academic advisory team has a wealth of information available to students. They provide college applications, scholarship information, and applications and college testing dates. Career speakers and college representatives make appearances throughout the year. Sign-ups and announcements for these events are announced weekly in Escuela Popular Weekly Bulletin. For assistance, please call or visit the Academic Advisors in Room 202.

SARC (School Accountability Report Card)

Every school in California is required by State Law to publish a (SARC). The SARC contains information about the condition and performance of each California Public School. Under the Local Control Funding Formula (LCFF) all local educational agencies are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school specific goals for all pupils, with specific activities to address Local and State priorities. For more information see www.escuelapopular.org. A printed copy will be available upon request in the main office.

Student Study Team (SST)

A teacher may initiate a Student Study Team meeting to develop other intervention strategies. If a student has any academic concerns, they are encouraged to first speak with their classroom teacher.

If their concern continues, they may ask for an SST meeting to be held to help support their learning.
The classroom teacher must submit a SST referral.

Suspension and Expulsion Policy

A copy is available upon request in the main office.

Code of Conduct

Students show pride of themselves, their culture, and their ethnicity by doing their best, and striving for excellence at all times. Our society is multicultural, and mutual respect is important for living in peace and harmony. The Escuela Popular (EP) Code of Conduct (COC) sets out clear standards of behavior for all members of the EP community, including students, parents, teachers, and staff. The COC strives to foster a school culture in which respect, responsibility, civility, academic excellence, and appreciation of cultural heritage are held paramount. The COC seeks to teach and reinforce responsibility, rather than simply to punish problem behavior. Please refer to Escuela Popular school wide behavior expectations matrix below**.**

Escuela Popular believes that everyone can learn from their mistakes and learn to solve their own conflicts by correcting their inappropriate decisions. Additionally, EP believes that every inappropriate decision has a consequence that functions as a way to teach wanted behavior that applies to each specific case. Consequences may include (they are not in specific order):

- Verbal warning
- Writing a letter of apology
- Participating in school community service/repairing any damage they have caused
- Being removed from a given situation (reflection time, etc.)
- Completing a behavior reflection to be discussed with Student Support team member
- Student/Teacher/Administrator conference
- Being placed on a safety/behavior plan or academic contract
- Suspension
- Expulsion

COC Advisory Group

In the event that a particular student exhibits a problem behavior that has become chronic, or is otherwise very serious, and the issue must be elevated to the level of administration, a meeting of the COC Advisory Group will be held. The COC Advisory is a group composed of EP stakeholders who will examine a student's case and make

recommendations to the principal regarding how best to resolve a student's unwanted behavior. Such recommendations may include, but are not limited to: tutoring, community service, or teaching appropriate behavior. The final decision as to how to handle a student's situation rests with the principal.

Email Accounts

Students will receive a school email account once they have completed the registration process. Assigned email accounts can only be used for educational purposes. If a student is withdrawn from the program, the school email account will be deactivated.

	Restrooms	Common areas	Cafeteria	Hallway	Classroom
Be safe	Be Sanitary. Keep hands, feet and objects to self. Report problems and concerns to staff.	Keep out of others personal space. Use equipment properly. Inform staff of any suspicious activity. Use appropriate language.	Walk all the time. Consult staff to avoid conflicts. Enter and exit in an orderly manner.	Walk all the time. Stay to the right. Hands and feet to self.	Enter & exit in an orderly manner. Stay in your own personal space. Use classroom equipment properly. Maintain a clutter-free environment. Know the evacuation route and safety procedures.
Be Respectul	Keep the environment clean and graffiti free. Be mindful of personal space.	Monitor tone and language. Leave the area clean. Give others a helping hand as needed. Park in assigned areas. Respect parking lot rules.	Use good manners. Eat only food that belongs to you. Use appropriate language with an indoor voice.	Use a quiet voice. Honor the learning environment and display work. Monitor tone and language. Keep all doorways and hallways free and clear.	Listen when others are speaking. Take care of school, classroom and other property. Use appropriate language and tone. Treat others, in the best manner. Eating is not permitted.
Be Responsible	Have a pass. Take care of business. Flush please. Wash hands. Use restrooms during passing periods.	Follow staff instructions/ directions. Keep track of belongings. Obey all school rules and state traffic laws.	Be prepared for after lunch classes. Leave the lunch area clean. Respond to quiet signals.	Take responsibility for your own actions. Keep our building clean.	Arrive to class on time and be prepared. Participate in class and do your best. Complete all required work. Use time wisely.
Be Aware	Use only the amount of toilet paper/paper towel you need.	Use appropriate recycle bins. Pick up garbage. Keep vehicles in good condition.	Put containers in the correct recycling bins.	Pick up garbage.	Reduce the use of paper products.

APPENDIX A: ANNUAL NOTICES

Animal Dissections

Students at the Charter School may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a signed written statement, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Availability of Prospectus

Upon request, the Charter School will make available to any student, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

Cal Grant Program Notice

The Charter School is required by state law to submit the Grade Point Average ("GPA") of all high school seniors by Oct. 1 of each year, unless the student (if the student is 18 years of age or older) opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student has opted out by or before February 1.

Campus Search and Seizure

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

Dangers of Synthetic Drugs

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.
This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.
A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.
Synthetic drugs include but are not limited to synthetic cannabinoids ("synthetic marijuana," "Spice," "K2"), methamphetamines, bath salts, and fentanyl.
The California Department of Public Health ("CDPH") has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent.
Additional information regarding fentanyl from the CDPH's Substance and Addiction Prevention Branch can be found here.

Information Regarding Financial Aid

The Charter School shall ensure that each of its students receives information on how to properly complete and submit the 1) Free Application for Federal Student Aid (FAFSA) or 2) the California Dream Act Application as appropriate, at least once before the student enters 12th grade. The Charter School will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
    - https://studentaid.gov/h/apply-for-aid/fafsa

- The California Dream Act Application and information regarding the California Dream Act is available at:
    - https://www.csac.ca.gov/post/resources-california-dream-act-application

The Charter School shall confirm that each of its students in grade 12 completes and submits a FAFSA to the United States Department of Education, or if the student is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, a California Dream Act Application to the Student Aid Commission. Students who are exempt or whose parent/guardian (if the student is a minor) have opted-out will not be required to comply.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. Adult students have the right to opt out from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request for opt out, you will be included in the instruction.

Information and materials for students about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the adult student is liable for all damages caused by the student's misconduct not to exceed ten thousand dollars ($10,000), adjusted annually for inflation. After notifying the student in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student is unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

Available on Campus:

- School-based counseling services – you are encouraged to directly contact a Charter School counselor by coming into the counseling office during school hours and making an appointment to speak with a counselor. The counseling office can also be reached at 408-426-2106. Our Charter School counselors support students by providing individual sessions, group or parent consultations whenever a student is having a difficult time due to academic stress, transition to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our Charter School or by an outside provider listed herein, are voluntary.
- Special education services – if you believe you may have a disability, you are encouraged to directly contact Rutilo Alonso Bucio at 408-593-0806 to request an evaluation.

Available in the Community:

- CHC
  2280 Kenwood Avenue, San Jose, CA 95128 | (408) 831-7512

- Santa Clara County Mental Health
  1075 E Santa Clara St, San Jose, CA 95116 | (408) 792-2100

- Alum Rock Counseling Center
  1245 E Santa Clara St, San Jose, CA 95116 | (408) 294-0500

- NAMI
  1150 S Bascom Ave #24, San Jose, CA 95128 | (408) 453-0400

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at 1-800-273-8255.
- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. **Available at 1-866-488-7386 or visit** https://www.thetrevorproject.org/**.**
- Big Brothers/Big Sisters of America – This organization is a community- based mentorship program. Community-specific program information can be found online at https://www.bbbs.org or by calling (813) 720-8778.

Nondiscrimination Statement

The Charter School does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

The Charter School Board of Directors shall not refuse to approve the use or prohibit the use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction or any book or other resource in a school library on the basis that it includes a study of the role and contributions of Native Americans, African Americans, Latino Americans, Asian Americans, Pacific Islanders, European Americans, LGBTQ+ Americans, persons with disabilities, or members of other ethnic, cultural, religious, or socioeconomic status groups. The Charter School Board of Directors shall not adopt or approve the use of any textbook, instructional material, supplemental instructional material, or curriculum for classroom instruction if the use of such would subject a student to unlawful discrimination pursuant to Education Code section 220.

The Charter School adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (“ADA”), and the Individuals with Disabilities Education Improvement Act of 2004 (“IDEIA”).

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School’s charter and relevant policies.

The Charter School does not request nor require student records prior to a student’s enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over of the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

The Charter School is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability).

The Charter School also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation.

The Charter School does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender.

Pursuant to California law and the California Attorney General's guidance to K-12 schools in responding to immigration issues ("Guidance"), Charter School provides equal access to free public education, regardless of a student's or their parent's or guardian's immigration status or religious beliefs. The complete Guidance, including *Appendix G – Know Your Rights* can be reviewed via the following link: https://oag.ca.gov/sites/all/files/agweb/pdfs/bcj/school-guidance-model-k12.pdf

The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the Charter School Uniform Complaint Procedures ("UCP") Compliance Officer:

Olivia Cortes
Principal
149 N. White Road, San Jose, CA 95127
(408) 275-7191
oliviacortes@escuelapopular.org

The lack of English language skills will not be a barrier to admission or participation in the Charter School's programs or activities. The Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and re-enrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the student to be able to complete any graduation requirements, unless the Charter School determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Olivia Cortes
Principal
149 N. White Road, San Jose, CA 95127
(408) 275-7191

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Executive Director.

Safe Storage of Firearms

The purpose of this notice is to inform and to remind parents and legal guardians of all students at the Charter School of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily**

prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.
    - The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.
- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

School Bus and Passenger Safety

All students who are transported in a school bus or school student activity bus shall receive instruction in school bus emergency procedures and passenger safety. A copy of the complete Policy is available upon request at the main office.

School Safety Plan and Asbestos Management Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

The Charter School has also established an Asbestos Management Plan. The Plan is available upon request at the main office. The following asbestos-related activities are planned or in progress at the Charter School: no such activities are planned or in progress for the current school year.

Section 504

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the Charter School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the Charter School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Executive Director. A copy of the Charter School's Section 504 policies and procedures is available upon request at the main office.

Sexual Health Education

The Charter School offers comprehensive sexual health education to its students in grades 9-12. An adult student has the right to opt out from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. The Charter School does not require active consent ("opt-in") for comprehensive sexual health education and HIV prevention education. Students may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse themselves from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
    - The date of the instruction
    - The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 9-12. A passive consent ("opt-out") process is available. Students shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to opt out from the test, questionnaire, or survey, and informed that in order to opt out they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the Charter School has received a written request from the student excusing the student from participation. An alternative educational activity shall be made available to students who have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Special Education /Students with Disabilities

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The Charter School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), Education Code requirements, and applicable policies and procedures of the El Dorado County SELPA. These services are available for special education students enrolled at the Charter School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The Charter School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, the Charter School is responsible for identifying, locating, and evaluating children enrolled at the Charter School with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Rutilo Alonso, Special Education Coordinator, 408-593-0806.

Student Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to

the Charter School Executive Director or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School's Executive Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School's Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;

3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non-related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent's or eligible student's prior written consent. The Charter School has designated the following information as directory information:

1. Student's name
2. Student's address
3. Parent's/guardian's address
4. Telephone listing
5. Student's electronic mail address
6. Parent's/guardian's electronic mail address
7. Photograph/video
8. Date and place of birth
9. Dates of attendance
10. Grade level
11. Participation in officially recognized activities and sports
12. Weight and height of members of athletic teams
13. Degrees, honors, and awards received
14. The most recent educational agency or institution attended
15. Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's social security number, in whole or in part, cannot be used for this purpose.)

If you do not want the Charter School to disclose directory information from your child's education records without your prior written consent, you must notify the Charter School in writing at the time of enrollment or re-enrollment.

Please notify the Principal at: Olivia Cortes, 408-426-6586. A copy of the complete Policy is available upon request at the main office.

Please note that data collected and reported by Charter School to the California Longitudinal Pupil Achievement Data System ("CALPADS"[1]) pursuant to state law, will be shared with the California College Guidance Initiative ("CCGI"[2]) and will:

1) Be used to provide pupils and families with direct access to online tools and resources.
2) Enable a pupil to transmit information shared with the CCGI to both of the following:
    a. Postsecondary educational institutions for purposes of admissions and academic placement.
    b. The Student Aid Commission for purposes of determining eligibility for, and increasing uptake of, student financial aid.

[1] CALPADS is a database maintained by the CDE which consists of pupil data from elementary and secondary schools relating to, among other things, demographic, program participation, enrollment, and statewide assessments data.
[2] CCGI is an authorized provider of an institutional service to all California local educational agencies and part of the state's efforts to make college-going a more streamlined experience for students. The CCGI currently receives enrollment data for all public-school students enrolled in grades six through twelve from the California Department of Education ("CDE").

Uniform Complaint Procedure ("UCP")

The Charter School is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. The Charter School shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Governing Board for the following types of complaints:

1. Complaints alleging unlawful discrimination, harassment, intimidation, or bullying against any protected group on the basis of the actual or perceived characteristics of age, ancestry, color, mental disability, physical disability, ethnic group identification, immigration status, citizenship, gender expression, gender identity, gender, genetic information, nationality, national origin, race or ethnicity, religion, medical condition, marital status, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any Charter School program or activity. Unlawful discrimination includes, but is not limited to, noncompliance with Education Code section 243(a) or 244(a).
2. Complaints alleging a violation of state or federal law or regulation governing the following programs:

    - Accommodations for Pregnant, Parenting or Lactating Students;
    - Adult Education;
    - After School Education and Safety
    - Agricultural Career Technical Education
    - Career Technical and Technical Education and Career Technical and Technical Training Programs;
    - Child Care and Development Programs
    - Compensatory Education
    - Consolidated Categorical Aid programs
    - Course Periods without Educational Content
    - Discrimination, harassment, intimidation, or bullying against any protected group as
        - identified under Education Code (EC) sections 200 and 220 and Government Code
        - Section 11135, including any actual or perceived characteristic as set forth in Penal
        - Code Section 422.55, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity conducted by an educational institution, as defined in EC Section 210.3, that is funded directly by, or that receives or benefits from, any state financial assistance.
    - Educational and graduation requirements for pupils in foster care, pupils who are
        - homeless, pupils from military families and pupils formerly in Juvenile Court now
        - enrolled in a school district
    - Every Student Succeeds Act
    - Local control and accountability plans (LCAP)
    - Migrant Education
    - Physical Education Instructional Minutes
    - Pupil Fees

- Reasonable Accommodations to a Lactating Pupil
- Regional Occupational Centers and Programs
- School Plans for Student Achievement
- School Safety Plans
- School Site Councils
- State Preschool
- State Preschool Health and Safety Issues in LEAs Exempt from Licensing
- And any other state or federal educational program the State Superintendent of Public
- Instruction (SSPI) of the California Department of Education (CDE) or designee deems
- appropriate

3. Complaints alleging noncompliance with laws relating to pupil fees. A student enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

    - A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory or is for credit.
    - A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
    - A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

Complaints of noncompliance with laws relating to pupil fees may be filed with the Principal or the Compliance Officer identified below.

4. Complaints alleging noncompliance with the requirements governing the Local Control Funding Formula ("LCFF") or Local Control and Accountability Plans ("LCAP") under Education Code sections 47606.5 and 47607.3, as applicable. If the Charter School adopts a School Plan for Student Achievement ("SPSA") in addition to its LCAP, complaints of noncompliance with the requirements of the SPSA under Education Code sections 64000, 64001, 65000, and 65001 shall also fall under the UCP.

Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations ("C.F.R.") sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations ("C.C.R.") sections 15580 - 15584.

Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

Complaints regarding state preschool health and safety issues in local educational agencies exempt from licensing are governed by 5 C.C.R. sections 4690-4694, except as otherwise indicated.

Complaints other than complaints relating to pupil fees must be filed in writing with the following Compliance Officer:

Olivia Cortes
Principal
149 N. White Road, San Jose, CA 95127
(408) 275-7191
oliviacortes@escuelapopular.org

Only complaints regarding pupil fees, LCAP, or noncompliance with Education Code section 243 or 244 may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with the respective applicable laws.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School's Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.

2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.

3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.

4. The legal conclusion in the Charter School's Decision is inconsistent with the law.

5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

Complaints alleging noncompliance with Education Code section 243 or 244 may be filed with the SSPI directly, and the SSPI may directly intervene without waiting for an investigation by the Charter School. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is

applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

APPENDIX B: COMPLETE POLICIES

Title IX Policy Prohibiting Discrimination On The Basis Of Sex

For a complete Title IX policy please visit our websiate at: www.escuelapopular.org

Title IX Coordinator

The Board of Directors of Charter School ("Board") has designated the following employee as the Title IX Coordinator ("Coordinator"):

Lucero Arellano
Student Services Director
149 N. White Rd., San Jose, CA., 95127
Office 102
408-426-2106
lucero@escuelapopular.org

In the event the above-named individual becomes unavailable or unable to serve as the Coordinator, the Board has designated the following employee to serve as a temporary or interim Coordinator until a new Coordinator is designated:

Berenice Castro
149 N. White Rd., San Jose, CA., 95127
Inside Room 708
408-375-0631
berenicecastro@escuelapopular.org

Professional Boundaries Policy

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries

of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member's perspective but may be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or "grooming." Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction. Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. If a student specifically requests that they not be touched, then that request must be honored. Violations could subject the teacher or staff member discipline up to and including termination. Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.

Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior we intend to address by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature (including photographs); or items such as money, food, outings, electronics, etc. without the written pre-approval of the Principal or School Leader. It is recommended that any such gifts be filtered through the Principal along with the rationale therefore.
- Kissing of ANY kind
- Massage [Note: Prohibited in athletics unless provided by massage therapist or other certified professional in an open public location. Coaches may not perform massage or rub-down. Permitted in special education only as instructed under an IEP or 504 plan.]
- Full frontal or rear hugs and lengthy embraces
- Sitting students on one's lap (grades 3 and above)

- Touching buttocks, thighs, chest or genital area
- Wrestling with students or other staff member except in the context of a formal wrestling program
- Tickling or piggyback rides
- Any form of sexual contact
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Furnishing alcohol, tobacco products, or drugs or failing to report knowledge of such
- "Dating" or "going out with" a student
- Remarks about physical attributes or physiological development of anyone. This includes comments such as "Looking fine!" or "Check out that [body part]."
- Taking photographs or videos of students for personal use or posting online
- Undressing in front of a student
- Leaving campus alone with a student for lunch
- Sharing a bed, mat, or sleeping bag with a student
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing your personal troubles or intimate issues with a student
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without the express, advance written permission of the Principal and the student's parent or legal guardian
- Being alone in a room with a student at school with the door closed and/or windows blocked from view
- Allowing students at your home and/or in rooms within your home without signed parental permission for a pre-planned and pre-communicated educational activity

which must include another educator, parent, or designated school volunteer

- Staff mirroring the immature behavior of minors
- Sending emails, text messages, social media responses, making phone calls, or sending notes or letters to students if the content is not about school activities. Communication via private social media accounts is not acceptable.

Acceptable Behaviors

- Pats on the shoulder or back
- Handshakes
- "High-fives" and hand slapping
- When age appropriate, touching face to check temperature, wipe away a tear, remove hair from face, or other similar types of contact
- Placing TK through second grade students on one's lap for purposes of comforting the child for a short duration only
- Holding hands while walking with small children or children with significant disabilities
- Assisting with toileting of small or disabled children in view of another staff member
- Touch required under an IEP or 504 Plan
- Reasonable restraint of a violent person to protect self, others, or property
- Obtaining formal written pre-approval from the Principal to take students off school property for activities such as field trips or competitions, including parents written permission and waiver form for any sponsored after-school activity whether on or off campus
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via transparent [non-private] school-based technology and equipment)
- Keeping the door wide open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries,

including touching legs, or buttocks, frontal hugs, kissing, or caressing

- Keeping administration informed when a significant issue develops about a student, such as a change in demeanor or uncharacteristic behavior
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior staff or administration if you find yourself in a difficult situation related to boundaries
- Involving your supervisor in discussion about boundaries situations that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop Unacceptable Behaviors of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Preventing a pupil from committing an act of vandalism
- Forcing a pupil to give up a weapon or dangerous object
- Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career

This policy does not prevent: 1) touching a student for the purpose of guiding them along a physical path; 2) helping them up after a fall; or 3) engaging in a rescue or the application of Cardiopulmonary Resuscitation (CPR) or other emergency first-aid. Nor does it prohibit the use of reasonable force and touching in self-defense or in the defense of another. Restraining a child who is trying to engage in violent or inappropriate behavior is also allowed. Only such force as necessary to defend one's self, another person, or the child or to protect property is legally permitted. Excessive force is prohibited.

Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, they must report the suspicion to the Executive Director promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The Executive Director will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior by a staff member, using such support staff or outside assistance, as they deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Executive Director shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

Student Commitment Agreement

1. I agree to do whatever it takes to prepare myself academically and personally to excel in all aspects of life and to continue on to higher education. I understand that I will have to attend school daily, complete all homework, and may be required to attend programs, such as: before and after school tutoring, Saturday school tutoring, support classes, etc., as needed in order to acquire the necessary skills to ensure my success.
2. I agree to take all the state tests required. I understand that it is my responsibility as a student to participate in all the mandatory testing administrations and do the best of my ability to demonstrate my academic progress.
3. I will be open to trying new ideas, activities, and challenges. I will be given the opportunity to give input, ideas, and suggestions to improve the school and plan student activities.
4. The student commitment includes the behavior and dress codes. I acknowledge that I understand the Code of Conduct Behavioral Expectations and will abide by expectations at school and at home and will work to ensure that others meet those expectations as well.

I have read this agreement and will follow each of the points to the very best of my ability.

Appendix 11: Professional Development Collaboration Meeting Schedule

2025-2026 Professional Development Collaboration Schedule

This is a live PD plan, we have been working very hard to make changes aligned to our target areas, LCAP, SWAP, Early Literacy Plan, Target Monitoring Plan, and Charter Petition. We will continue breaking every session down into objectives, focus areas, and tasks.

Objective:

Enhance teachers' ability to analyze student achievement data and analyze student work to guide instruction, implement effective differentiation strategies for English learners, and utilize a comprehensive intervention toolbox to support student success.

	-Collaboration is 3:00 -- 4:30 P.M. each Wednesday, except on holidays. Additional in-service days are part of a different document. --Clusters/NWEA Analysis --Clusters/Grade-levels/SpEd Training --Departments/PBIS-grade-spans --HS/DL Community Meetings

Appendix 12: Instructional Minutes Certification

Preparing every student to thrive in a global society.

Charter School Instructional Minutes Certification

Please provide a certification that charter school meets the Instructional Minutes requirements for year 2025-26 as per California Education Code on the following lines.

This is to certify that Charter School is in compliance with California Education Code on the instructional minutes requirements as below.

Charter School Name: Escuela Popular CTC

Total Days of Instruction in 2025 -26: 189

Total Instructional Minutes in 2025-26: 9th - 12th grade= 66,150

Signature of Charter Principal/Director: _____

Date: 05/30/2025

Re: Escuela Popular/Center for Training and Careers, Family Learning – CDS # 43-69427-0107151

To whom it may concern,

Escuela Popular/Center for Training and Careers, Family Learning has been a member of the El Dorado County Charter SELPA since July 2016. Escuela Popular/Center for Training and Careers, Family Learning is a member in good standing and has demonstrated the commitment and capacity to function as a LEA for special education services.

Please contact me if you have any questions.

Sincerely,

Ginese Quann
Assistant Superintendent

Contract Year: 2025-2026 Contract Number:

LEA: _Escuela Popular_____ _____

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

Ed Sped Solutions, Inc.

NONPUBLIC, NONSECTARIAN SCHOOL AND AGENCY MASTER CONTRACT

1) GENERAL PROVISIONS

a) This Master Contract is entered into this 1st day of July, between the Escuela Popular (hereinafter referred to as "LEA") and Ed Sped Solutions, Inc. (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR pursuant to an Individualized Education Program (hereinafter referred to as "IEP"), and/or Individual Family Service Plan (hereinafter referred to as IFSP)

b) The Collaborative**:** The Bay Area Collaborative represents fourteen (14) SELPAs and member nonpublic schools (NPS) and nonpublic agencies (NPA (Collectively NPS/A) (see https://www.solanocountyselpa.net/governance/bac for a complete listing and contact information). NPS/A that are contracting within one of the participating SELPAs agree to participate in this collaborative process to establish a uniform contract for identified services and standards. The established system provides NPS/As with an opportunity to have input to the development of the process, contract issues, etc., and a simplified, standard process for rate negotiation with the participating SELPAs. Issues listed on the Rate Schedule portion of this Master Contract may be reviewed on an annual basis upon request of the CONTRACTOR using the established Bay Area

SELPA Collaborative system. CONTRACTOR agrees that the rates set forth in this Master Contract will remain unchanged from July 1 through June 30 of the term of contract, with no changes in the services provided, unless changed in a duly executed amendment to this Master Contract signed by both parties. Increases in rates will be considered on an annual basis and remain unchanged for the term of the contract from July 1 through June 30, with no changes in level of service provided without written approval by both parties.

c) NPA/Ss that are not a member of the Bay Area Collaborative should negotiate rates with their geographically corresponding SELPA(s). The LEA will contact the corresponding SELPA to verify established rates. Increases in rates will be considered on an annual basis and remain unchanged for the following year from July 1 through June 30, with no changes provided without written approval by both parties.

d) Any CONTRACTOR not participating as a member of the Bay Area SELPA Collaborative shall individually negotiate rates following local SELPA and/or LEA procedures. Those CONTRACTORs shall notify the SELPA with whom they contract of any proposed rate changes effective July 1 by March 1 of the preceding year.

e) The Bay Area SELPA Collaborative Chair shall maintain, annually update and disseminate to all LEAs, NPS/As who are members of the Collaborative, a master rate schedule reflecting such NPS/A rates.

f) Upon CONTRACTOR's acceptance of a student referred by the LEA, the LEA shall complete an Individual Services Agreement (hereinafter referred to as "ISA") as specified in the LEA Procedures which shall identify the provider of each service required by the student's IEP/IFSP). For purposes of enrollment, the LEA must provide approval before any authorization for payment can be made. Such authorization may be provided electronically, by telecommunications, by mail or by fax. Unless otherwise agreed in writing, or in the student's ISA, CONTRACTOR acknowledges its obligation to provide all services specified in the pupil's IEP/IFSP. The LEA acknowledges its responsibility to pay for all services rendered to LEA students by CONTRACTOR. The ISA shall be executed within ninety (90) days of an LEA student's enrollment. (Education Code Section 56366(c)(1)) LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. CONTRACTOR shall notify the LEA in writing in advance of providing any service(s) when CONTRACTOR is unable to meet the requirements of this Master Contract or of any Individual Services Agreement.

g) Unless placement and or services are made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP

team meeting is convened, the IEP team determines that an NPS placement is appropriate, and the IEP is signed by the student's parent.

2) DEFINITIONS

The following definitions shall apply for purposes of this contract:

a) The term "CONTRACTOR" means an NPS/A certified by the California Department of Education and its officers, agents, and employees.

b) The term "authorized LEA representative" means a LEA administrator designated to be responsible for NPS/A. It is understood, a representative of the Special Education Plan Local Area (SELPA) of which the LEA is a member is an authorized LEA representative in collaboration with the LEA. The LEA maintains sole responsibility for the contract, unless otherwise specified in the contract.

c) The term "credential" means a valid credential, life diploma, permit, a county office of education Temporary County Certificate or document in special education or pupil personnel services issued by, or under the jurisdiction of, the State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

d) The term "qualified" means that a person holds a certificate, permit or other document equivalent to that which staff in a public school are required to hold to provide special education and related services and has met federal and state certification, licensing, registration, or other comparable requirements which apply to the area in which the individual is providing special education or related services, including those requirements set forth in Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and those requirements set forth in Title 5 of the California Code of Regulations Sections 3064 and 3065, and adheres to the standards of professional practice established in federal and state law or regulation, including the standards contained in the California Business and Professions Code.

    i) Nothing in this definition shall be construed as restricting the activities in services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.

e) The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services, including but not limited to mental health and board and care services at a residential placement, or refer to themselves using a specified professional title. If a

license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).

f) Parent means a biological or adoptive parent, unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Code of Federal Regulations 300.30(b)(1) or (2). Parent does not include the state or any political subdivision of government or the NPS/A under contract with the LEA for the provision of special education or designated instruction and services for a child. (California Education Code section 56028).

g) The term "days" means calendar days unless otherwise specified.

h) The phrase "billable day" means a school day in which instructional minutes meet or exceed those in comparable LEA programs.

    i) The phrase "billable day of attendance" means a school day as defined in California Education Code Section 46307, in which a student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.

i) It is understood that the term "Master Contract" also means "Agreement" and is referred to as such in this document.

3) TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2025 to June 30, 2026 (Title 5 California Code of Regulations section 3062(a)). Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026. If the subsequent Master Contract has not been executed prior to June 30, 2026, this Contract shall remain in force and effect until terminated as provided herein or a new Master Contract is executed.

4) CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as an NPS/A. All NPS/A services shall be provided consistent with the

area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification.

In addition to meeting the certification requirements of the State of California, CONTRACTOR that operates a non-public school or agency outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

a) If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

b) A current copy of CONTRACTOR's licenses and NPS/A certifications, or a validly issued waiver of any such certification must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall be null and void.

c) Notwithstanding the foregoing, if current (re)certification documents are not available through no fault of the NPS/A, this Master Contract shall remain in effect until such documents are made available to the NPS/A, which shall in turn submit copies of same to the LEA within five (5) business days of receipt by the NPS/A. The NPS/A shall, within five (5) business days of any change in the status of its approved capacity to serve a specific number of students notify the LEA of the change.

5) COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

a) During the term of this Master Contract the CONTRACTOR and the LEA shall comply with all applicable federal and state laws and regulations relating to the provision of special education and related services, and facilities for individuals with exceptional needs.

b) CONTRACTOR shall also comply with all applicable policies pursuant to the Local Plan, unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR.

c) CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with applicable LEA policies and shall indemnify LEA under the provisions of section 16 of this Master Contract for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with LEA policies.

d) The CONTRACTOR shall comply with those policies, relating to among other things, the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA pupil enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions.

6) RIGHT TO REPORT MASTER CONTRACT VIOLATIONS

CONTRACTOR and LEA acknowledge and understands that either party may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE NPS/A certification pursuant to California Education Code section 56366.4(a) or action by the CDE against the LEA.

7) INTEGRATION / CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

a) This Master Contract includes the LEA Procedures and each Individual Services Agreement and they are incorporated herein by this reference. Upon written request, LEA agrees to make all of its policies and procedures available to CONTRACTOR, either electronically or by hard copy. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement with respect to the terms set forth in this Master Contract. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, the LEA may modify the LEA procedures from time to time without the consent of CONTRACTOR.

b) CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

c) At a minimum, such information shall include current copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

8) INDIVIDUAL SERVICE AGREEMENT

a) This contract shall include an Individual Service Agreement (ISA) developed for each LEA student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A).

b) ISAs are void upon termination or expiration of the Master Contract. In the event that this Master Contract expires or terminates, CONTRACTOR and the LEA shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students, until such time as a new Master Contract is executed.

c) Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP/IFSP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP/IFSP subject to all procedural safeguards required by law, including notice to and participation by the CONTRACTOR in the IEP Team meeting.

d) Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP/IFSP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

e) If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the California Office of Administrative Hearings (hereinafter referred to as "OAH"), CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

f) Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the local SELPA office prior to appeal to the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366 (C) (2).

ADMINISTRATION OF CONTRACT

9) NOTICES

All notices provided for by this contract shall be in writing. Notices shall be faxed, emailed with verification of receipt, mailed by first class mail deposited with the United States Postal Service or delivered by hand and shall be effective as of the date of receipt by addressee. All notices mailed to LEA shall be addressed to both:

Name _____	Name _____
LEA _____	LEA _____
Address _____	Address _____
City, State, Zip _____	City, State, Zip _____
Phone _____	Phone _____

Notices to CONTRACTOR shall be addressed as indicated on signature page.

10) MAINTENANCE OF RECORDS

a) All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers and/or daily service providers; daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided through additional instructional assistants, NPA behavior intervention aides, and bus aides; behavior emergency reports (BER); incident reports; notification of injuries; absence verification records (parent/doctor notes, telephone logs, and related documents) if the CONTRACTOR is funded for excused absences, however, such records are not required if positive attendance is required; bus rosters; staff lists specifying credentials held and documents evidencing other staff qualifications, social security numbers, dates of hire, and dates of termination; records of employee training and certification, including verification of behavior training consistent with Education Code 56366.1; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state NPS/A certifications; by-laws of current board of directors/trustees, if applicable; statement of income and expenses; general journals; cash receipts and disbursement books; general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports; evidence of electronic payments; and bank statements and canceled checks or facsimile thereof.

b) CONTRACTOR shall maintain LEA electronic and physical student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR's employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record (California Education Code Section 49064). Such logs shall be maintained as required and include the name, title, agency/organization affiliation, date/time of access for each individual requesting or receiving information from the LEA student's record, and a description of the record(s) provided. Such logs need to record access to the LEA student's records by: (a) the LEA student's parent; (b) an individual to whom written consent has been executed by the LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record (Education Code Section 49064). CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant the following access to student records, (a) the student's parent; (b) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record, and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward LEA student records to LEA within five (5) business days. These records shall include, but not be limited to, the LEA student's current transcripts, IEP/IFSPs, , BER's, incident reports, notification of injuries and all other relevant reports. LEA and/or SELPA shall have access to and receive copies of any and all records upon request within five (5) business days.

11) SEVERABILITY CLAUSE

If any provision or portion of a provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

12) SUCCESSORS IN INTEREST

This Master Contract binds CONTRACTOR's successors and assignees. Contractor shall notify the LEA within 30 days of any change of ownership or corporate control.

13) VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where the LEA is located.

14) MODIFICATIONS AND AMENDMENTS

This Master Contract may be modified or amended by the LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. The LEA shall provide the CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

15) TERMINATION OF MASTER CONTRACT AND/OR INDIVIDUAL SERVICES AGREEMENT

This Master Contract may be terminated with or without cause by either the CONTRACTOR or LEA. To terminate the Master Contract either party shall give no less than twenty (20) calendar days prior written notice (California Education Code Section 56366(a)(4)). At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause. To terminate the ISA, either party shall give twenty (20) calendar days prior written notice (refer to Section 7).

In the event of the closure of a non-public school or agency, the LEA will be given as much notice as is reasonably possible.

16) INSURANCE

a) CONTRACTOR shall procure and maintain for the duration of the Master Contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with performance under this Master Contract by CONTRACTOR, its agents, representatives, or employees.

b) Prior to final approval of this Master Contract, CONTRACTOR shall deliver to the LEA a certificate of insurance for each required policy with insurers and additional insured policy endorsements for the comprehensive general liability insurance and comprehensive automobile liability insurance. If at any time said policies of insurance lapse or become canceled, this MASTER CONTRACT shall become void. The acceptance by LEA of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR.

c) Insurance coverage shall be at least as broad as:

    i) Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

    ii) Insurance Services Office form number CA 0001 (Ed. 1/2010) covering Automobile Liability, code 1 (any auto).

iii) Workers' Compensation insurance as required by the state in which services are performed and Employer's Liability Insurance with limits of $2,000,000/$2,000,000/$2,000,000.

d) CONTRACTOR shall maintain limits of insurance no less than:

	Agencies with 1-5 providers	Agencies with 6+ providers and non-public school	Residential
General Liability			
Per occurrence	$1,000,000	$2,000,000	$3,000,000
Fire damage	$500,000	$500,000	$500,000
Medical expenses	$5,000	5,000	5,000
Personal and adv. Injury	$1,000,000	$1,000,000	$1,000,000
General aggregate	$1,000,000	$2,000,000	$6,000,000
Business Auto Liability combined single limit	$2,000,000	$2,000,000	$2,000,000
Professional Liability/Errors and Omissions coverage not to exclude sexual molestation and abuse coverage unless that coverage is afforded elsewhere in the commercial general liability insurance			
Per Claim	$2,000,000	$2,000,000	$3,000,000
General Aggregate	$3,000,000	$3,000,000	$6,000,000
Workers Compensation	Statutory Limit	Statutory Limit	Statutory Limit
Employers Liability	$2,000,000	$2,000,000	$2,000,000

e) For all insurance coverage procured by CONTRACTOR, the following terms apply:

i) Any deductibles or self-insured retentions above $25,000 must be declared in writing to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions as respects to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

ii) The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

a) The LEA, its subsidiaries, officials and employees are to be covered as additional insured as respects: liability arising out of activities performed by or on behalf of CONTRACTOR; products and completed operations of the CONTRACTOR; premises owned, occupied or used by the CONTRACTOR; or automobiles owned, leased, hired or borrowed by the CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to the LEA, its subsidiaries, officials and employees.
b) For any claims related to the services performed in connection with this Master Contract, the CONTRACTOR's insurance coverage shall be the primary insurance with respect to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
c) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, re-duced in coverage or in limits except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the LEA.

f) Insurance is to be placed with insurers admitted by the State of California and with a current A.M. Best's rating of no less than A-: VII, unless otherwise acceptable to the LEA.

g) The CONTRACTOR shall furnish the LEA with original or photocopies of endorsements effecting coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All Certificates of Insurance shall reference the contract number, the name of school or agency submitting the contract number, the name of school or agency submitting the certificate, an indication if the school or agency is an NPS or NPA, and the location of the school or agency submitting the certificate.

h) If LEA or CONTRACTOR determines that change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

17) INDEMNIFICATION AND HOLD HARMLESS

a) CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was caused, in whole or in part, by negligence, intentional act or willful misconduct of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR.

b) LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the gross negligence or willful act of LEA, including, without limitation, its agents, employees, subcontracts or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR indemnities).

c) LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

18) INDEPENDENT CONTRACTOR

This Master Contract is by and between two independent entities that have an independent contractual relationship. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Master Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the LEA and CONTRACTOR and any of their employees, agents, affiliates or other representatives, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any

expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

19) SUBCONTRACTING

a) CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR shall enter into an initial subcontract only with a provider who is certified as an NPS/A to delivery any of the instructional or related services contemplated under this Master Contract. The LEA and the CONTRACTOR shall maintain a copy of the written approval. CONTRACTOR shall provide all required clearances for its employees, including, but not limited to fingerprint requirements, and tuberculosis. When subcontracting with an NPA, CONTRACTOR shall not charge LEA a higher rate than its own approved collaborative rate.

b) Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including without limitation transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 16. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance affecting coverage required by Section 16. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on the forms provided by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements reflecting the coverage required by this Master Contract. All subcontractors must meet the requirements as contained in Section 46 Fingerprint Clearance Requirements and Section 47 Staff Qualifications of this Master Contract.

20) CONFLICTS OF INTEREST

a) CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code Section 56042 and including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP/IFSP team meetings acting as a student's advocate.

b) LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or

whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR.

21) NON-DISCRIMINATION

CONTRACTOR and LEA programs, activities, and practices shall be free from unlawful discrimination, including discrimination against an individual or group based on race, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

In the event any CONTRACTOR employee, working on a public school campus, alerts CONTRACTOR or LEA of a concern, CONTRACTOR and LEA shall coordinate efforts to respond and rectify any validated concerns.

EDUCATIONAL PROGRAM

22) FREE AND APPROPRIATE PUBLIC EDUCATION (FAPE)

a) LEA shall provide CONTRACTOR with a copy of the IEP/IFSP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. Unless otherwise agreed to by the CONTRACTOR and the LEA, CONTRACTOR shall provide special education and/or related services (including transition services) to each LEA student within the NPS/A consistent with the LEA student's IEP/IFSP and as specified in the ISA. If CONTRACTOR is an NPS, CONTRACTOR shall not accept an LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP/IFSP (California Education Code Section 56366.10(a)).

b) Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, or facilities, as specified in the LEA student's IEP/IFSP and ISA. Supplies and equipment purchased and/or provided by the LEA remains the property of the LEA. Supplies and/or equipment provided by the CONTRACTOR remains the property of the CONTRACTOR, if CONTRACTOR is not specifically reimbursed by the LEA for that specific supply or equipment. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA pupil's IEP/IFSP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA pupil's enrollment under the terms of this Master Contract).

c) Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA pupil's receipt of special education and/or related services as specified in the LEA student's IEP/IFSP and ISA.

23) GENERAL PROGRAM OF INSTRUCTION

a) General Program

i) All NPS/A services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. No service will be provided by the CONTRACTOR outside of the CONTRACTOR's certification unless otherwise agreed to by the LEA.

ii) When CONTRACTOR is an NPS, CONTRACTOR's general program of instruction shall: (a) be consistent with LEA's standards regarding required courses of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the LEA student's IEP/IFSP and ISA. The State Standards and coursework selected for each student shall be aligned with the student's IEP/IFSP to meet the individual student's needs.

iii) LEA students shall have access to the following educational materials, services, and programs that are consistent with each student's individualized educational program: (a) For kindergarten and grades 1-8 inclusive, state adopted Common Core State Standards ("CCSS") for curriculum and instructional materials; and for grades 9-12 inclusive, standards-aligned, core curriculum and instructional materials used by an LEA that contracts with the non-public, non-sectarian school; (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling (California Education Code 56366.10). CONTRACTOR's general program of instruction shall be described in writing and a copy provided to LEA within 5 days upon request.

iv) When NPS CONTRACTOR serves LEA students in grades 9 through 12 inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by LEA students leading toward graduation or completion of diploma requirements. When CONTRACTOR is an NPA and/or related services provider, CONTRACTOR's general program of instruction and/or services shall be consistent with LEA and CDE guidelines and provided as specified in the LEA student's IEP/IFSP and ISA. The NPA providing Behavior Intervention Development services shall review or develop a written plan that

specifies the nature of its' NPA service for each LEA pupil within thirty (30) days of enrollment which shall be available upon request. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present at the IEP meeting held to review and approve the plan. CONTRACTOR shall provide to LEA a written description of the general program of instruction and/or services provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention services must have a Board Certified Behavior Analyst, or an appropriately trained professional.

v) Except for emergency situations requiring a change of location in order to continue the education of LEA students, school-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP/IFSP team. Except for services provided by a contractor that is a licensed children's institution, all services not provided in the school setting require the presence of, or the prior written consent of a parent, guardian or adult caregiver during the delivery of services. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract.

b) Transportation Services:

i) In the event that transportation services for a student served by CONTRACTOR pursuant to an Individual Services Agreement are to be provided by a party other than CONTRACTOR or the LEA or its transportation providers, such services shall be reflected in a separate agreement signed by the parties hereto, and provided to the LEA and SELPA Director by the CONTRACTOR. Except as provided below, CONTRACTOR shall compensate the transportation provider directly for such services, and shall charge the LEA for such services at the actual and reasonable rates billed by the transportation provider, plus a ten percent (.10) administrative fee, unless a "flat rate" is provided in the transportation contract. In the event that the transportation provider notifies the LEA or SELPA Director that CONTRACTOR is more than 90 days behind in payment for transportation services, LEA shall have the right, in its sole and exclusive discretion, but not the obligation, to make payment for such services directly to the transportation provider, and to deduct such payments from any sums owed to CONTRACTOR pursuant to this Master Contract and any Individual Services Agreement between the parties. In the event that the LEA makes direct payment of the transportation provider's charges, it shall be entitled to withhold both the transportation charges themselves and such additional amount as shall be reasonably necessary to compensate the LEA for the staff and other costs incurred in making direct payment of those charges. The remedies provided to the LEA pursuant to this Paragraph shall not be exclusive. CONTRACTOR shall not include transportation through the use of services or

equipment owned, leased or contracted through the LEA unless expressly provided in the Individual Services Agreement for the student transported.

ii) When CONTRACTOR is an NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for LEA student unless the LEA and the CONTRACTOR agree otherwise in writing.

c) Assistive Technology (AT), Augmentative and Alternative Communication (AAC) equipment and classroom technology:
   i) Provision, repair, and/or replacement of AT and AAC devices specified on the IEP are the responsibility of the LEA.

   ii) Provision, repair, and/or replacement of technology devices made available to all students by the NPS for general access (not specific to an IEP) are the responsibility of the NPS.

24) INSTRUCTIONAL MINUTES

a) When CONTRACTOR is an NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level, attending LEA schools, unless otherwise specified in the student's IEP/IFSP, and shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP/IFSP.

b) For NPS students in grades pre-kindergarten through 12, unless otherwise specified in the LEA student's IEP/IFSP, the number of instructional minutes, excluding recess, lunch, and passing time, shall be at least the minimum as specified in Education Code Sections 46110-46147, and in no case will be less than the amount as specified in the IEP/IFSP. In addition, the total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade level unless otherwise specified in the LEA student's IEP/IFSP.

c) When CONTRACTOR is a NPA and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the LEA student's ISA developed in accordance with the LEA student's IEP/IFSP.

25) CLASS SIZE

a) When CONTRACTOR is an NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per fourteen (14) pupils. Each classroom with 2 or more students shall be assigned at least one paraprofessional. Upon written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1

teacher to sixteen (16) pupils when necessary to provide services to pupils with disabilities. For any billing period where the class size has exceeded sixteen (16) students for five consecutive school days, the CONTRACTOR shall have a 10% decrease in its approved daily rate for those LEA students that exceeded sixteen (16), for those days (over five).

b) In the event an NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of student by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

c) CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

26) CALENDARS

a) When CONTRACTOR is a Non-Public School, the CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days for the regular school year, plus extended school year billable days as determined by the IEP/IFSP team ((34 CFR § Section 300.106); a minimum of 20 instructional days (excluding July 4th). Billable days shall include only those days that are included in the submitted and approved school calendar, and/or required by the IEP/IFSP for each student. CONTRACTOR shall adhere to the requirements for providing Extended School Year as outlined in Title 5, Article 4 of the California Code of Regulations. Unless otherwise specified by the students IEP/IFSP, educational services shall occur at the school site.

b) When CONTRACTOR is an NPA, CONTRACTOR shall be provided with a LEA developed/approved calendar; CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar, or as specified in the LEA pupil's IEP/IFSP and ISA. Unless otherwise specified in the LEA student's IEP/IFSP and ISA, CONTRACTOR shall provide related services to LEA pupils on only those days that the LEA pupil's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless otherwise specified in the LEA student's IEP/IFSP and ISA.

c) CONTRACTOR shall identify at least five (5) "emergency days" in their calendar to be used as regular school days during school closure when no attendance waiver is approved by the CDE.

27) DATA REPORTING

a) CONTRACTOR shall agree to provide all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide all data related to any and all sections of this contract and requested by and in the format require by the LEA. CONTRACTOR shall provide the LEA with invoices, attendance reports and progress reports for LEA students enrolled in CONTRACTOR's NPS/A.

b) Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include, in this monthly report, incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

c) The LEA shall provide the CONTRACTORS with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTORS-provided forms at their discretion.

28) LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

a) CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") placement options and/or Dual Enrollment options for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

b) CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP/IFSP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP/IFSP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and that may be necessary to enable students to transition to less restrictive settings. The District has the responsibility to determine the offer of FAPE in the Least Restrictive Environment.

c) When an IEP/IFSP team has determined that an LEA student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP/IFSP team's recommendations to support the transition.

29) STATEWIDE ACHIEVEMENT TESTING

a) When CONTRACTOR is an NPS, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment

instruments), the Fitness Gram, English Language Proficiency Assessment for California (ELPAC) the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"),, as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines. In the event the LEA requests that the NPS administer the assessments, NPS staff will be trained by a contracting LEA in the administration of all State-wide assessments in accordance with the guidelines of Ed Code 56385. Verification of training will be maintained with CONTRACTOR.

b) NPS CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested, as determined by the student's IEP, by qualified staff of CONTRACTOR in accordance with that accountability program. Contractor shall report the test results to the CDE as required by Education Code section 56366(a)(8)(A). Test results shall be made available to the CONTRACTOR by the LEA, if the results are not sent to the CONTRACTOR by the test publisher or CDE.

c) LEA shall provide NPS with the SSID for each LEA student. LEA shall cooperate with CONTRACTOR to accommodate CONTRACTOR's testing window. (Education Code Section 56366(a)(8)(B))

30) ATTENDANCE AT DISTRICT MANDATED MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s). After attending one meeting during the school year (including Extended School Year), upon request, a CONTRACTOR who is providing NPA services may request payment for services for attending any additional meetings mandated by the LEA. The request for payment will be at the CONTRACTOR'S agreed upon hourly rate.

31) POSITIVE BEHAVIOR INTERVENTIONS

a) CONTRACTOR shall comply with the requirements of Education Code section 56521.5 regarding positive behavior interventions. LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the IEP) team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral

interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals. NPS site based staff and relevant NPA staff will be trained in positive behavior strategies prior to working with students.

b) CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and BERs. CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention and emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population as related to appropriate behavior management strategies. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request. This training shall include, but not be limited to:
    i) Positive behavioral intervention and supports, including collection, analysis, and use of data to inform, plan, and implement behavioral supports.
    ii) How to understand and address challenging behaviors, including evidence-based strategies for preventing those behaviors.
    iii) Evidence-based interventions for reducing and replacing challenging behaviors, including deescalation techniques.

c) Staff will not participate in restraint of students until trained in crisis prevention programs. Evidence of training in a SELPA approved crisis intervention program to staff working in a staffing ratio of 1:1 with students with severe behavioral needs shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire as referenced above. If the training is not able to be provided within 30 days, the non-public school or agency will notify the LEA to determine a plan to provide the training in a timely manner.

d) Pursuant to Education Code section 56521.1 emergency interventions shall not be used as a substitute for a Behavior Intervention Plan (BIP), and instead may only be used to control behavior that is unpredictable and spontaneous. For an emergency intervention to be used, the behavior must pose a clear and present danger of serious physical harm to the individual with exceptional needs, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency intervention shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of emergency intervention,

staff must seek assistance from the school site administrator or a law enforcement agency.

e) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies ***require*** a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a BIP, an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

f) Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:
    i) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock.

    ii) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual.

    iii) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities.

    iv) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma.

    v) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities.
    vi) Prone Restraint

    vii) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

    viii) An intervention that precludes adequate supervision of the individual.

ix) An intervention that deprives the individual of one or more of the individual's senses.

g) CONTRACTOR shall comply with Education Code section 48905.8. Specifically,
   i) CONTRACTOR shall not do any of the following:
      a) Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.

      b) Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

      c) Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.

      d) Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.

      e) Use prone containment.

      f) Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

   ii) CONTRACTOR shall:
      a) Keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

      b) Afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

h) Notwithstanding the provisions of sections 31(f) and 31(g) above and Education Code 48905.8, NPS/NPA staff shall not use prone restraint.

i) In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and

other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

32) STUDENT DISCIPLINE

a) CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include, in this monthly report, incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

b) When NPS CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP/IFSP meeting no later than the tenth (10th) day of suspension. LEA shall notify and invite CONTRACTOR representatives to the IEP/IFSP team meeting where the manifestation determination will be made.

33) IEP / IFSP TEAM MEETINGS

a) Upon referral of an LEA student to CONTRACTOR, the LEA shall provide CONTRACTOR with a copy of that student's IEP/IFSP, as well as available assessment information, and facilitate, if requested, an observation of the student. CONTRACTOR retains the right to decline enrollment of any student, unless ordered by the Office of Administrative Hearing (OAH) or a Court of Competent Jurisdiction. CONTRACTOR shall notify the LEA written notification of its intent to decline enrollment of the LEA student.

b) An IEP/IFSP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the LEA student continue to be best met at the NPS; and (3) whether changes to the LEA student's IEP/IFSP are necessary, including whether the student may be transitioned to a public school setting. With parent and LEA concurrence, an IEP team may excuse a required IEP team member either from the entire meeting or after the member's report.

c) Each LEA student shall be allowed to provide confidential input to any representative of his or her IEP/IFSP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP/IFSP team meetings regarding LEA students for whom ISAs have been or may be executed. A CONTRACTOR who is providing NPA services may request payment for services for attending any meeting that occurs after the Annual Review of the IEP/IFSP. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP/IFSP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP/IFSP team meetings at a time and place that is mutually convenient to parents, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures.

d) Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP/IFSP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP/IFSP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

34) SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youth, in special education procedures pursuant to California government code section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to 20 USC 1414-1482 and 34 CFR 300.1-300.756. A student in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a student in foster care is enrolled in an NPS by the LEA any time after the completion of the student's second year of high school, the CONTRACTOR shall schedule the student in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

35) DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation

and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

36) COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Pupil Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act (HIPAA), if applicable. CONTRACTOR shall include verification of these procedures to the LEA upon request. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

37) LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

a) Unless LEA requests in writing that progress reports be provided on a monthly basis, progress reports shall be sent by CONTRACTOR to LEA and parents no later than October 30th, January 30th, April 30th, and July 30th or as otherwise specified on the IEP/IFSP or requested in writing by the LEA, with respect to LEA students enrolled in CONTRACTOR's educational program. An updated report shall be submitted if there is no current progress report when LEA student is scheduled for a review by the LEA's IEP/IFSP team or when an LEA student's enrollment is terminated. Payment of invoices may be held until progress reports are provided. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and made available upon request of LEA and/or the LEA student's parent(s).

b) CONTRACTOR shall complete academic or other assessment of the LEA student one month prior to the LEA student's annual or triennial review IEP/IFSP team meeting for the purpose of reporting the LEA student's present levels of performance at the IEP/IFSP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. Supporting documentation, such as test protocols and data collection, shall be made available to LEA upon request. CONTRACTOR shall not charge the LEA student's parent(s) or LEA for the provision of progress reports, report cards, and/or any assessments, interviews, or meetings. Additional formalized standardized assessments shall be at the determination of the IEP

team and the responsibility of the LEA unless otherwise agreed upon between LEA and CONTRACTOR. If CONTRACTOR is asked to provide formalized standardized assessment, such service will be paid at the rate stated in Section 62.

38) GRADES, HIGHSCHOOL COURSE CREDIT, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in *EC* Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA shall be invited via written notification.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements.

CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in *EC* Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR, at the close of each semester or upon LEA student transfer, shall prepare transcripts for LEA students in grades nine through twelve inclusive, and submit them to the LEA student's district of residence, for evaluation of progress toward completion of diploma requirements, or if appropriate, a Certificate of Completion, as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

39) LEA STUDENT CHANGE OF RESIDENCE

a) Within three (3) school days after CONTRACTOR or LEA becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA and/or the LEA shall notify CONTRACTOR of the LEA student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of the parent's obligation to notify CONTRACTOR of the LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

b) If the LEA student's change of residence is to a residence outside of LEA's service boundaries or CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after the LEA student's

change of residence, if CONTRACTOR had knowledge or should reasonably have had knowledge of the LEA student's change of residence. LEAs will adhere to requirements for students identified as homeless or foster youth under current education code.

40) WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, to the LEA when a LEA student is withdrawn from school and/or services. CONTRACTOR shall confirm such telephone call with written submission within three (3) days.

41) PARENT ACCESS

a) CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

b) CONTRACTOR operating programs associated with an NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

c) CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

d) All problems and/or concerns, both verbal and written, reported to pupil's parents, shall also be provided to the LEA.

42) SERVICES AND SUPERVISION ON PUBLIC SCHOOL CAMPUSES

a) If CONTRACTOR provides services on LEA public school campuses, CONTRACTOR shall comply with Penal Code Section 627.1 et. seq., and LEA procedures regarding visitors to school campuses specified by LEA policy and in the LEA Procedures, and shall follow the procedures of the campus at which services are being provided.

b) CONTRACTOR shall be responsible for purchase and provision of the supplies and assessment tools necessary to implement the provision of services on LEA public school campuses.

c) In the event CONTRACTOR wishes to bring an animal, other than a bona fide service animal, on LEA premises, both CONTRACTOR'S management and LEA must agree in writing.

43) LICENSED CHILDREN'S INSTITUTION CONTRACTORS

a) If CONTRACTOR is a licensed children's institution (LCI), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a student be placed in its NPS as a condition of being placed in its residential facility.

b) If CONTRACTOR is an NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment, and 2) the educational placement and services specified in each student's IEP/IFSP at the time of enrollment.

c) In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.) and shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type.

44) STATE MEAL MANDATE

When CONTRACTOR is an NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq,; 49501.5, the universal meal mandate enacted by AB 130 (2021-22); 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to
LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that

CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

45) MONITORING

a) CONTRACTOR shall allow access by LEA to its facilities for periodic monitoring of each LEA student's instructional program and shall be invited to participate in the review of each student's progress. LEA shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR employees, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office.

b) The LEA (or SELPA) shall report the findings resulting from the monitoring visit to the California Department of Education within 60 calendar days of the onsite visit.

c) The LEA (or SELPA) shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

d) When CONTRACTOR is an NPS, the LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS at which the LEA has placed a pupil attending and with which it maintains a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil through the ISA between the LEA and the NPS, a review of progress the pupil is making toward the goals set forth in the pupil's

individualized education programIEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, and a walkthrough of the facility. The LEA or SELPA shall report the findings resulting from the monitoring visit to the California Department of EducationCDE within 60 calendar days of the onsite visit.

e) If CONTRACTOR is also a LCI, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

f) During the term of this Master Contract, CONTRACTOR shall participate in a District Review to be conducted as aligned with the CDE On-site Review or more often if necessary. This review will address programmatic aspects of the NPS/A, compliance with relevant state and federal regulations, and Master Contract compliance.

g) CONTRACTOR shall participate in compliance reviews of LEA in accordance with requirements of CDE. CONTRACTOR will use all SELPA IEP forms. CONTRACTOR will adhere to all SELPA assurances and procedures required for compliance.

h) CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

i) When CONTRACTOR is an NPS, CONTRACTOR shall prepare a School Accountability Report Card in accordance with California Education Code Section 56366(a)(9) and 33126 and state guidelines.

PERSONNEL

46) FINGERPRINT CLEARANCE REQUIREMENTS

a) CONTRACTOR shall comply with the requirements of California Education Code section 44237, 35021.1, 35021.2 and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with LEA students, prior to service with any LEA student. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with LEA pupils, shall not come in contact with LEA students, in-person or virtually, until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR

determines that the volunteers will have no direct contact with LEA students, or contractors who may come into contact with LEA students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2. Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2.

b) According to Education Code sections 44237 and 56366.1 CONTRACTOR shall verify that it has received a successful criminal background check clearance and has enrolled in subsequent arrest notice service, as specified, **for each owner, operator, and employee of the NPS/A who may have contact with students**. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the Department of Justice and the Federal Bureau of Investigation. Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the State Superintendent evidence of a successful criminal background check clearance and enrollment in subsequent arrest notice service, as provided, for each owner, operator, and employee of the NPS/A. CONTRACTOR is required to retain the evidence with their "Custodian of Records", as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request to the State Superintendent.

47) STAFF QUALIFICATIONS

a) CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold in the service rendered consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 5 of the California Code of Regulations sections 3064 and 3065.

b) Only those NPS/A located outside of California that employ staff that hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified. NPA/NPS staff shall be required to hold credentials and licenses within the state where they are providing services regardless of where the agency is located.

c) In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a nonpublic school, NPS, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development. The administrator of the NPS holds or is in the process of obtaining one of the following: (A) An administrative credential granted by an accredited postsecondary educational institution and two years of experience with pupils with disabilities. (B) A pupil personnel services credential that authorizes school counseling or psychology. (C) A license as a clinical social worker issued by the Board of Behavioral Sciences. (D) A license in psychology regulated by the Board of Psychology. (E) A master's degree issued by an accredited postsecondary institution in education, special education, psychology, counseling, behavioral analysis, social work, behavioral science, or rehabilitation. (F) A credential authorizing special education instruction and at least two years of experience teaching in special education before becoming an administrator. (G) A license as a marriage and family therapist certified by the Board of Behavioral Sciences. (H) A license as an educational psychologist issued by the Board of Behavioral Sciences. (I) A license as a professional clinical counselor issued by the Board of Behavioral Sciences (California Education Code Section 56366.1. (a)(5)) CONTRACTOR shall maintain, and provide to the LEA upon request, documentation of its administrator's qualifications in accordance with the above.

d) CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 et seq. and 45350 et seq. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

e) Notwithstanding the foregoing, if current license or credential documents are not available through no fault of the NPS/A, timely application having heretofore been made, this Master Contract shall remain in effect until such documents are made available to the NPS/A from the Consumer Affairs Department or the Commission on Teacher Credentialing. The NPS/A shall in turn submit copies of same to the LEA within five (5) business days of receipt by the NPS/A.

48) VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

a) CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, permits and/or other documents, which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify the CDE and the LEA in writing as specified in the LEA Procedures and CDE within forty-five (45) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in the LEA Procedures. Notwithstanding the foregoing, if current license or credential documents are not available through no fault of the NPS/A, timely application having theretofore been made, this Master Contract shall remain in effect until such documents are made available to the NPS/A from the

Consumer Affairs Department or the Commission on Teacher Credentialing. The NPS/A shall in turn submit copies of same to the LEA within five (5) business days of receipt by the NPS/A.

b) CONTRACTOR shall monitor the status of licenses, credentials, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide special education services to LEA students. CONTRACTOR shall provide to LEA updated information regarding the status of licenses, credentials, permits and/or other documents as specified in LEA Procedures. CONTRACTOR will be considered to be in breach of this contract for any service provided by an unqualified provider or one who has an expired credential. In such an event, the provider shall be paid at 70% of the agreed upon rate.

49) CALSTRS REPORTING REQUIREMENT

CONTRACTOR shall identify to the LEA any employee (or the CONTRACTOR, if the CONTRACTOR is an individual) expected to perform services under this Agreement who is then-receiving CalSTRS benefits, and who may perform creditable service for the LEA as defined in Education Code 22119.5. Identification to the LEA shall include the individual's full legal name and STRS and social security identification numbers. Before any services by the individual are provided, the CONTRACTOR shall provide to the LEA a signed written confirmation from the individual that he/she is aware of the separation-from-service requirement earnings limitations imposed by Education Code Sections 22714, 24114, 24116, 24214, 24214.5, and 24215. CONTRACTOR shall thereafter provide on a monthly basis to the LEA the actual amounts paid to the individual for services rendered under this Agreement, with the LEA responsible for reporting the individual's earnings to CalSTRS as required by law or regulation.

Pursuant to Education Code 22164.5(b), the activities of an employee of CONTRACTOR shall not be included in the definition of "retired member activities" if all of the following conditions apply:

(1) The employee performs a limited-term agreement.
(2) The third-party employer does not participate in a California public pension system.
(3) The activities performed by the individual are not normally performed by employees of an employer, as defined in Section 22131.

50) STAFF ABSENCE

a) When CONTRACTOR is an NPS and CONTRACTOR's classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided. If

a teacher is absent and a non-qualified substitute has been provided, CONTRACTOR will notify the LEA immediately. The LEA will determine how to address the denial of FAPE.

The LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided in accordance with California Education Code section 56061.

b) When CONTRACTOR is a NPA and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in section eight (8) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides a mutually agreed upon plan evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. Provider shall notify LEA immediately of the development of the plan for any missed services that include: 5 or more consecutive days of specialized academic instruction (SAI) or more than 2 weeks of missed related services. CONTRACTOR shall not "bank" or "carry over" make-up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA.

HEALTH AND SAFETY MANDATES

51) HEALTH AND SAFETY

a) CONTRACTOR shall comply with all applicable federal, state, local, and LEA laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 49406et. seq. regarding the examination of CONTRACTOR's employees and volunteers for tuberculosis. CONTRACTOR shall provide to LEA documentation for each individual volunteering, employed, contracted, and/or otherwise hired by CONTRACTOR of such compliance before an individual comes in contact with an LEA student. CONTRACTOR will comply with the requirements of California Education Code section 35021 et seq., regarding preventing registered sex offenders from volunteering and to request fingerprinting clearance of volunteers.

b) CONTRACTOR shall comply with OSHA Bloodborne Pathogens Standards, Title 29 Code of Federal Regulations (CFR) section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

52) FACILITIES, FACILITIES MODIFICATIONS AND FIRE DRILLS

a) Facilities: CONTRACTOR shall provide special education and/or related services to LEA pupils in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related to, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, state, and local laws, regulations, and ordinances.

b) Fire Drills: When CONTRACTOR is an NPS, CONTRACTOR shall conduct fire drills monthly for elementary and intermediate students and twice per school year for secondary students, as required by Title 5 California Code of Regulations, Section 550.

53) ADMINISTRATION OF MEDICATION

a) CONTRACTOR shall comply with the requirements of Federal Regulations and California Education Code and the California Code of Regulations, when CONTRACTOR serves an LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the LEA student with the administration of such medication after the LEA student's parent(s) provides to CONTRACTOR:

    i) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and

    ii) a written statement from the LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement.

b) CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify the LEA student's name; the type of medication; the date, time, and amount of each administration; and the name of CONTRACTOR's employee who administered the medication.

c) CONTRACTOR maintains full responsibility for storing medications in a secure location and ensuring appropriate staff training in the administration of such medication consistent with physician's written orders or current student's Individual Health Care Plan. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

54) INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall notify the LEA within 12 hours of learning of any significant accident or incident. CONTRACTOR shall properly submit required accident or incident reports within one business day pursuant to the procedures specified in LEA Procedures.

55) MANDATED REPORTING REQUIREMENTS

a) CONTRACTOR hereby agrees to annually train all staff members, so that they are familiar with and agree to adhere to its own child and dependent adult abuse reporting obligations and procedures as specified in California Penal Code section 11164 et seq. and California Education Code 44691. To protect the privacy rights of all parties involved (i.e., reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written notice acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA upon request.

b) CONTRACTOR agrees to provide annual training to all employees regarding mandated child abuse reporting laws, and shall maintain documentation, signed by each staff member receiving such training. CONTRACTOR agrees that its obligations to report incidents of abuse or neglect to the LEA are in addition to, and not in lieu of, CONTRACTOR's obligation to immediately report suspected abuse or neglect to the appropriate public authorities; a written report should be submitted within 36 hours (PC 11166(a)). CONTRACTOR shall maintain confidential records of any report of suspected child abuse and shall inform the LEA by facsimile or email within 24 hours (and followed up with U.S. mail) of becoming aware of circumstances including, but not limited to allegations of abuse involving a staff member.

c) CONTRACTOR shall notify the LEA of general concerns regarding the health and safety of a student that may impact the student's educational program, including the need for mental health services, injuries requiring medical attention or injuries resulting from physical restraint.

56) SEXUAL HARASSMENT

CONTRACTOR shall maintain, and provide upon request, a Sexual and Gender Identity harassment policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

In the event any CONTRACTOR employee, working on a public school campus, alerts CONTRACTOR or LEA of a concern, CONTRACTOR and LEA shall coordinate efforts to respond and rectify any validated concerns.

57) REPORTING OF MISSING CHILDREN

a) CONTRACTOR assures LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in

California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA upon request.

b) In the event a child elopes from an NPS or Residential Treatment Center and evades adult supervision, the LEA shall be notified immediately following contact to law enforcement.

FINANCIAL

58) ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

a) CONTRACTOR shall ensure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP/IFSP for each and every student.

b) CONTRACTOR shall be paid for the provision of special education and/or related services specified in the LEA student's IEP/IFSP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract.

c) CONTRACTOR shall maintain registers for the basic education program and each related service. Original attendance forms shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years after the date of origination. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

d) CONTRACTOR shall submit accurate and timely invoices and related documents to LEA for payment, for each calendar month when education or related services were provided to an LEA student. Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days from the date a completely corrected re-billing invoice is received by LEA.

e) If the LEA fails to comply with the provision of payment within 45 days of receipt of the request for payment of services, the CONTRACTOR may require the LEA to pay an additional amount of 1-1/2 percent of the unpaid balance per month until full payment is

made (California Education Code 56366.6 (b)). Upon written notification of dispute, CONTRACTOR shall not apply additional charges to the disputed bill until the matter is resolved.

59) RIGHT TO WITHHOLD PAYMENT

a) LEA may withhold payment to CONTRACTOR when:

   i) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract

   ii) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records

   iii) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by Section 57

   iv) education and/or related services are provided to LEA pupils by personnel who are not appropriately credentialed, licensed, or otherwise qualified

   v) LEA has not received prior to school closure or contract termination, all documents concerning one or more LEA pupils enrolled in CONTRACTOR's educational program

   vi) CONTRACTOR fails to confirm a pupil's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation

   vii) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA pupil.

b) The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows:

   i) the value of the service CONTRACTOR failed to perform

   ii) the amount of overpayment

   iii) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR

   iv) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified

v) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured

vi) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured

vii) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA pupil.

c) If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of receipt of such invoice, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment, submit a written request for extension of time to correct the deficiencies, or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

d) If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR shall invoke the following escalation policy.

i) Persons involved after forty-one (41) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Specialist, LEA's Administrator will become involved and shall attempt to resolve the dispute. The LEA Coordinator shall respond to the CONTRACTOR in writing within ten (10) business days.

ii) Persons involved after fifty-one (51) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Administrator, the SELPA Director shall become involved. The SELPA Director shall respond to the CONTRACTOR in writing within ten (10) business days. This shall be the final LEA determination regarding the withholding of payment.

iii) Persons involved after sixty-one (61) business days: Dispute Resolution, as defined in the SELPA's Local Plan, shall be followed.

e) If the dispute has not been resolved through the SELPA's Dispute Resolution process, the party claiming injury may seek legal or CDE redress, or may submit, if mutually agreed to in writing by the parties, the matter to binding arbitration by an arbitrator or arbitration service agreed upon by the parties. Each party shall be responsible for their own fees for arbitration, if applicable. The parties agree that this Master Contract provision dealing with Master Contract disputes does not alter the parties' right to bring action in accordance with the applicable statute of limitations under state or federal law.

60) PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services covered by this Master Contract or the ISA to LEA pupils. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services covered by this Master Contract or ISA to LEA pupils. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually.

61) PAYMENT FOR STUDENT ABSENCES

a) For student absences beginning on the first day of quarantine or isolation consistent with public health protocol, when student's symptoms allow for participation in instruction, CONTRACTOR shall receive payment consistent with the student's approved ISA, contingent upon the provision of agreed upon services consistent with the Emergency Circumstances documented in the pupil's IEP in accordance with Education Code section 56345(a)(9). In the event that a student's symptoms do not allow participation in instruction, they shall be considered absent due to illness.

b) Two accounting/billing options are offered at the discretion of the LEA: "Excused Absence" or "Positive Attendance." In neither case will CONTRACTOR bill for any absences during Extended School Year (ESY).

i) **Positive Attendance Method**

a) A factor of 1.055 shall be applied to all approved rates when a Positive Attendance method is used. Actual days of attendance without exception shall be counted as a unit of service.

ii) **Excused Absence Method**

a) LEA shall not be responsible for payment for more than 8 cumulative days of absences, for each of the first ninety days and second ninety days of the school year (i.e., semester), unless a written time extension is granted by LEA. No more than three of the 8 cumulative absences shall be unexcused.

b) In addition to regular school year absences listed above, LEA shall not be responsible for more than 2 days of absence during Extended School Year services.

c) On the 4th consecutive day of a pupil's absence, CONTRACTOR shall notify LEA of such absence. If CONTRACTOR fails to provide such notice by the 4th day of consecutive absence, CONTRACTOR shall not be compensated for services delivered during continuing absence after the 4th consecutive day of excused absence.

d) All excused absences must be verified and a copy must be submitted to LEA with the monthly invoice. All documentation must be kept for at least five (5) years from the date of origination.

e) Only the individuals listed below may verify the reason for absence:
   (1) School or public health nurse
   (2) Physician
   (3) Principal
   (4) Teacher
   (5) School employee assigned to make such verification
   (6) Student eighteen years of age or over
   (7) Parent

f) Any reasonable method which established the reason for the absence may be used:
   (1) Written note from parent, guardian, representative or adult pupil (over 18 or emancipated)
   (2) Telephone conversation with parent, guardian, representative, or adult pupil (over 18 or emancipated)

g) Standards for excused absences are defined in the education code. CONTRACTOR is responsible for verification of excused absence in accordance with current requirements.

62) SCHOOL CLOSURE

The following shall apply in the event of an NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422 and 46392:

In the event of an NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, contingent upon the provision of agreed upon services consistent with the Emergency Circumstances documented in the pupil's IEP in accordance with Education Code section 56345(a)(9).

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

62) NPA PUPIL ABSENCE

If CONTRACTOR is an NPA, it shall notify LEA of the absence of an LEA student no later than the fifth consecutive service day of the student's absence. A unit of service for payment purposes shall not be credited for an excused absence when CONTRACTOR is provided 24 hours advance verbal notification of the student's absence. A unit of service for payment purposes shall not be credited to CONTRACTOR for CONTRACTOR'S staff development days.

63) INSPECTION AND AUDIT

a) The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Master Contract.

b) CONTRACTOR shall provide access to LEA to all records including, but not limited to student records as defined by California Education Code section 49061(b). CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

c) CONTRACTOR shall provide access to LEA to all records including, but not limited to:
    i) student records as defined by California Education Code section 49061(b)
    ii) registers and roll books of teachers
    iii) daily service logs and notes or other documents used to record the provision of related services

iv) Medi-Cal/daily service logs and notes and other documents used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors
v) absence verification records (parent/doctor notes, telephone logs, and related documents)
vi) bus rosters
vii) staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, social security numbers, dates of hire, and dates of termination
viii) staff time sheets; non-paid staff and volunteer sign-in sheets
ix) transportation and other related service subcontracts
x) school calendars
xi) bell/class schedules
xii) liability and worker's compensation insurance policies
xiii) state NPS/A certifications
xiv) marketing materials
xv) by-laws
xvi) lists of current board of directors/trustees, if incorporated, statements of income and expenses
xvii) general journals
xviii) cash receipts and disbursement books
xix) general ledgers and supporting documents
xx) federal/state payroll quarterly reports; and bank statements and canceled checks or facsimile thereof.
xxi) Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

d) CONTRACTOR shall make all records, or copies of records, available at either the office of the LEA or at the CONTRACTOR's offices (to be specified by LEA) at all times and without charge. All records shall be provided to LEA within) ten (10) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format. CONTRACTOR may request from the LEA an extension of time to comply with any records request, which shall not be unreasonably withheld.

e) If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that the CONTRACTOR or the LEA owes the other monies as a result of over billing, underpayment, or failure to perform, in whole or in part, any of its obligations under this Master Contract, the party owed money shall provide to

the other party written notice demanding payment and specifying the basis or bases for such demand. Unless otherwise agreed in writing, the party that owes money shall make such payment within thirty (30) days of receipt of the written notice demanding payment. In the event that a party from whom payment is demanded disputes that any payment is owed, the matter shall be resolved in accordance with the dispute resolution section of this Master Contract.

f) The attached rate schedule limits the number of LEA students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per diem rates for LEA students whose IEPs authorize less than a full instructional day shall be adjusted proportionally. Special education and/or related services offered by CONTRACTOR, shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Section 62.

64) RATE SCHEDULE

Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of the required minimum number of minutes per grade level as set forth in paragraph 24, above, and in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated below.

INDEPENDENT SERVICES AGREEMENT

The following Independent Services Agreement, dated as of September 5, 2025, is made by and between **ESCUELA POPULAR,** with its place of business at **149 N White Road, San Jose, CA 95127** ("Client") and **NOVA HEALTH THERAPIES** with its principal place of business at **4701 Patrick Henry Dr., Bldg. 25, Suite 124, Santa Clara, CA 95054** ("Consultant")**.**

RECITALS

A. Client requires the services of an Occupational Therapist ("OT") and Speech Language Pathologist for the 2025-2026 school year on an as needed basis the ("Services"); and

B. Consultant has an OT available to provide such services under the terms and conditions set forth below.

NOW THEREFORE, Client and Consultant hereby agree to the following:

1. TERM. This agreement shall commence on September 5, 2025 and end on or about June 11, 2025.

2. SERVICES. Consultant agrees to provide a paraprofessional to perform in-school services in a competent and professional manner, at the following rate:

HOURLY RATE: $ 170.00 per hour. (OT) and

$155.00 (SLP)

3. PAYMENT. Client agrees to pay Consultant, upon receipt of an itemized timesheet of services, rendered in accordance with this Agreement. Client will pay approved invoices received by the 1st of the month in the Business Office by the 30th of the same month. Client agrees that any work hours beyond 8 hours/day or 40 hours/week will be classified as overtime hours and charged at the rate of 1.5 times the hourly rate. Absent an agreement in writing signed by both parties, Client agrees not to reduce the rate of pay or the approximate amount of hours.

4. NONSOLICITATION. Client agrees not to directly or indirectly solicit for employment, employ or engage as an independent the paraprofessional or any other contractor, employee or subcontractor of the Consultant, during the term of this Agreement and for a period of 1 year thereafter without the prior written consent of the Consultant. If Client breaches this provision, Client agrees to pay to the Consultant a fee in the amount of forty percent (40%) of the paraprofessional's annualized compensation as compensation for the breach of this provision.

5. NATURE OF RELATIONSHIP. The services that Consultant through its Consultant's employee or contractor will render to the Client under this Agreement will be as an Independent Contractor. Nothing contained in this Agreement will be construed to create the relationship of principal and agent, or employer and employee, between the Consultant and the Client.

Client shall not be liable to Consultant for any monies owed by Consultant to the paraprofessional including pay, benefits, sick leave, PTO and taxes, except for Client's liability to Consultant for compensation pursuant to this Agreement. Consultant shall be solely responsible for filing tax all returns and paying any income, social security or other tax levied upon or determined with respect to the payments made by Client to Consultant pursuant to this Agreement.

Consultant states and affirms that they are acting as a free agent and independent consultant, maintains the principal place of business at own address, and that this Agreement is not exclusive. Consultant may enter any other contracts as Consultant sees fit providing that such contract does not interfere with any services that Consultant is currently providing the Client or that might be deemed to be a conflict of interest with the best interests of the Client.

6. COMPLIANCE WITH LAWS. Consultant shall comply with all laws and ordinances governing the operation of this agreement.

7. ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the parties hereto with respect to its subject matter. This Agreement supersedes any and all prior agreements, discussions, or understandings, whether written, oral or implied, with respect to the subject matter of this Agreement. This Agreement may not be modified or amended except by a writing signed by each party.

8. AUTHORITY TO SIGN. Each Party represents and warrants that the person signing below for that Party is duly authorized to sign this Agreement on that Party's behalf.

IN WITNESS WHEREOF the parties hereto have subscribed their names to this Agreement.

Appendix 16: Facility Inspection Tool and Facility Safety

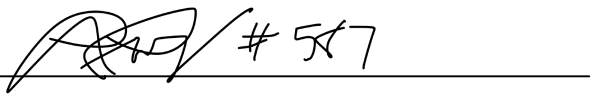
SAN JOSE FIRE DEPARTMENT
Bureau of Fire Prevention
200 E. Santa Clara St, Suite T2
San Jose, CA 95113
(408) 535-7750

No Violation Notice

ESCUELA POPULAR HIGH SCHOOL 149 N WHITE RD SAN JOSE, CA 95127	Occupancy ID 082571

Date : 05/23/2025
Inspector: Heredia, Alejandro
Station: BFP Insp.Dist: 02

An inspection of your facility on Friday March 28, 2025 revealed that there were **NO VIOLATIONS** of the San Jose Fire Code noted at that time. Thank you for your cooperation.



X

Heredia, Alejandro /Fire Fighter
Inspector

GENERAL INFORMATION

The Facility Inspection Tool (FIT) has been developed by the Office of Public School Construction to determine if a school facility is in "good repair" as defined by Education Code (EC) Section 17002(d)(1) and to rate the facility pursuant to EC Section 17002(d)(2). The tool is designed to identify areas of a school site that are in need of repair based upon a visual inspection of the site. In addition, the EC specifies the tool should not be used to require capital enhancements beyond the standards to which the facility was designed and constructed.

Good repair is defined to mean that the facility is maintained in a manner that ensures that it is clean, safe, and functional. As part of the school accountability report card, school districts and county offices of education are required to make specified assessments of school conditions including the safety, cleanliness, and adequacy of school facilities and needed maintenance to ensure good repair. In addition, beginning with the 2005/2006 fiscal year, school districts and county offices of education must certify that a facility inspection system has been established to ensure that each of its facilities is maintained in good repair in order to participate in the School Facility Program and the Deferred Maintenance Program. This tool is intended to assist school districts and county offices of education in that determination.

County superintendents are required to annually visit the schools in the county of his or her office as determined by EC Section 1240. Further, EC Section 1240(c)(2)(I), states the priority objective of the visits made shall be to determine the status of the condition of a facility that poses an emergency or urgent threat to the health or safety of pupils or staff as defined in district policy, or as defined by EC Section 17592.72(c) and the accuracy of data reported on the school accountability report card with the respect to the safety, cleanliness, and adequacy of school facilities, including good repair as required by EC Sections 17014, 17032.5, 17070.75, and 17089. This tool is also intended to assist county offices of education in performing these functions.

The EC also allows individual entities to adopt a local evaluation instrument to be used in lieu of the FIT provided the local instrument meets the criteria specified in EC Section 17002(d) and as implemented in the FIT. Any evaluation instrument adopted by the local educational agency for purpose of determining whether a school facility is maintained in good repair may include any number of additional items but must minimally include the criteria and rating scheme contained in the FIT.

USER INSTRUCTIONS

The FIT is comprised of three parts as follows:

Part I, Good Repair Standard outlines the school facility systems and components, as specified in EC Section 17002(d)(1), that should be considered in the inspection of a school facility to ensure it is maintained in a manner that assures it is clean, safe and functional. Each of the 15 sections in the Good Repair Standard provides a description of a minimum standard of good repair for various school facility categories. Each section also provides examples of clean, safe and functional conditions. The list of examples is not exhaustive. If an evaluator notes a condition that is not mentioned in the examples but constitutes a deficiency, the evaluator can note such deficiency in the applicable category as "other."

Some of the conditions cited in the Good Repair Standard represent items that are critical to the health and safety of pupils and staff. Any deficiencies in these items require immediate attention and, if left unmitigated, could cause severe and immediate injury, illness or death of the occupants. They constitute extreme deficiencies and indicate that the particular building system evaluated failed to meet the standard of good repair at that school site. These critical conditions are identified with underlined text followed by an (X) on the Good Repair Standard. If the underlined statement is not true, then there is an extreme deficiency (to be marked as an "X" on the Evaluation Detail) resulting in a "poor" rating for the applicable category. It is important to note that the list of extreme deficiencies noted in the Good Repair Standard is not exhaustive. Any other deficiency not included in the criteria but meeting the definition above can be noted by the evaluator and generate a poor rating.

Part II, Evaluation Detail is a site inspection template to be used to evaluate the areas of a school on a category by category basis. The design of the inspection template allows for the determination of the scope of conditions across campus. In evaluating each area or space, the user should review each of the 15 categories identified in the Good Repair Standard and make a determination of whether a particular area is in good repair. Once the determination is made, it should be recorded on the Evaluation Detail, as follows:

OK	**No Deficiency - Good Repair:** Mark "OK" if all statements in the Good Repair Standard are true, and there is no indication of a deficiency in the specific category.
D	**Deficiency:** Mark "D" if one or more statement(s) in the Good Repair Standard for the specific category is not true, or if there is other clear evidence of the need for repair.
X	**Extreme Deficiency**: Indicate "X" if the area has a deficiency that is considered an "Extreme Deficiency" in the Good Repair Standard or there is a condition that qualifies as an extreme deficiency but is not noted in the Good Repair Standard.
NA	**Not Applicable:** If the Good Repair Standard category (building system or component) does not exist in the area evaluated, mark "NA".

Below are suggested methods for evaluating various systems and areas:

• **Gas** and **Sewer** are major building systems that may span the entire school campus but may not be evident as applicable building systems in each classroom or common areas. However, because a deficiency in either of these systems could become evident and present a health and safety threat anywhere on campus, the user should not mark "NA" and should instead include an evaluation of these systems in each building space.

• **Roofs** can be easily evaluated for stand alone areas, such as portable classrooms. For permanent buildings containing several areas to be evaluated, roofs should be considered as parts of individual areas in order to accurately account for a scope of any roofing deficiency. For example, a 10 classroom building contains damaged gutters on one side of the building, spanning across five classrooms. Therefore, an evaluator should mark five classrooms as deficient in the roof category and the other five classrooms as in good repair, assuming there are no other visible deficiencies related to roofing.

• **Overall Cleanliness** is intended to be used to evaluate the cleanliness of each space. For example, a user should note a deficiency due to dirty surfaces in Overall Cleanliness, rather than **Interior Surfaces**. At the same time, the user should note such deficiency only in Overall Cleanliness in order to avoid accounting for such deficiency twice, i.e. in two sections.

• The tool is designed to evaluate stand-alone restrooms as separate areas. However, restrooms contained within other spaces, such as a kindergarten classroom or a library, can be evaluated as part of that area under Restrooms. If the area evaluated does not contain a restroom, Restrooms should be marked "NA."

• **Drinking fountains** can exist within individual classrooms or areas, right outside of classrooms or restrooms or other areas, or as stand alone fixtures on playgrounds and sports fields. If a drinking fountain or a set of fountains is located inside a building or immediately outside the area being evaluated, it should be included in the evaluation of that area under Drinking Fountains. If a fountain is located on the school grounds, it should be evaluated as part of that outside space. If there is no drinking fountain in the area evaluated, Drinking Fountains should be marked "NA."

• **Playgrounds/School Grounds**, should be evaluated as separate areas by dividing a campus into sections with defined borders. In this case, several sections of the good repair criteria would not apply to the evaluation, as they do not exist outside of physical building areas, such as **Structural Damage** and **Fire Safety**, for example.

Part III includes the **Category Totals and Ranking**, the **Overall Rating**, and a section for **Comments and Rating Explanation**.

Once the inspector completes the site inspection, he or she must total the number of areas evaluated. The inspector must also count all of the spaces deemed in good repair, deficient, extremely deficient, or not applicable under each of the 15 sections. Next, the evaluator must determine the condition of each section by taking the ratio of the number of areas deemed in good repair to the number of areas being evaluated (after subtracting non-applicable spaces from the total number of areas evaluated). If any of the 15 sections received a rating of extreme deficiency, the ratio (i.e., the percentage of good repair) for that section and the category the section is in should default to zero. The total percent per category (A through H) is determined by the total of all percentages of systems in good repair divided by the number of sections in that category. For example, to determine the total percent for the Structural category, add the percentages for the Structural Damage and Roof sections and divide the result by two.

Next, the overall school site score is determined by computing the average percentage rating of the eight categories (i.e., the total of all percentages divided by eight). Finally, the rater should determine the overall School Rating by applying the Percentage Range in the table provided in Part III to the average percentage calculated and taking into consideration the Rating Description provided in the same table.

*Although the FIT is designed to evaluate each school site within a reasonable range of facility conditions, it is possible that an evaluator may identify critical facility conditions that result in an Overall School Rating that does not reflect the urgency and severity of those deficiencies and/or does not match the rating's Description in Part III. In such instances, the evaluator may reduce the resulting school score by one or more grade categories and describe the reasons for the reduction in the space provided for Comments and Rating Explanation.

When completing Part III of the FIT, the inspector should note the date and time of the inspection as well as weather conditions and any other pertinent inspection information in the specific areas provided and utilize the Comments and Rating Explanation Section if needed.

When completing Part III of the FIT, the school district should be provided the opportunity to provide comments and utilize the Comments and Rating Explanation Section if needed.

PART I: GOOD REPAIR STANDARD

(X): If underlined statement is not true, then this is an extreme deficiency (marked as an "X") on the Evaluation Detail resulting in a "poor" rating for the applicable category.

Gas Leaks
Gas systems and pipes appear safe, functional, and free of leaks.
Examples include but are not limited to the following:

a. There is no odor that would indicate a gas leak. (X)
b. Gas pipes are not broken and appear to be in good working order. (X)
c. Other

Mechanical Systems
Heating, ventilation, and air conditioning systems (HVAC) as applicable are functional and unobstructed. Examples include but are not limited to the following:

a. The HVAC system is operable. (X)
b. The facilities are ventilated (via mechanical or natural ventilation).
c. The ventilation units are unobstructed and vents and grills are without evidence of excessive dirt or dust.
d. There appears to be an adequate air supply to all classrooms, work spaces, and facilities (i.e. no strong odor is present, air is not stuffy)
e. Interior temperatures appear to be maintained within normally accepted ranges.
f. The ventilation units are not generating any excessive noise or vibrations.
g. Other

Sewer
Sewer line stoppage is not evident. Examples include but are not limited to the following:

a. There are no obvious signs of flooding caused by sewer line back-up in the facilities or on the school grounds. (X)
b. The sanitary system controls odors as designed.
c. Other

Interior Surfaces (Floors, Ceilings, Walls, and Window Casings)
Interior surfaces appear to be clean, safe, and functional. Examples include but are not limited to the following:

a. Walls are free of hazards from tears and holes.
b. Flooring is free of hazards from torn carpeting, missing floor tiles, holes.
c. Ceiling is free of hazards from missing ceiling tiles and holes.
d. There is no evidence of water damage (e.g. no condensation, dampness, staining, warping, peeling, mineral deposits, etc.)
e. Other

Overall Cleanliness
School grounds, buildings, common areas, surfaces, and individual rooms appear to have been cleaned regularly. Examples include but are not limited to the following:
a. Restrooms, drinking fountains, and food preparation or serving areas appear to have been cleaned each day that school is in session.
b. An area should appear to be clean with minimal dirt, dust, or buildup. Floors and carpets should appear to have been swept or cleaned within the last week. Light fixtures and all bulbs are working properly. Facilities area adequately stocked and odor free. (OK)
c. An area marked as "Deficiency" would appear to not have been cleaned in the last two weeks and carpet may look dull, matted, or stained. Corners of the room may have a recognizable amount of dirt or grime buildup. Floors do not appear to have been swept or vacuumed in two weeks. Some light fixtures are dirty and fewer than five percent of the bulbs have burned out. Daily trash has not been taken out. (D)
d. An area marked as having an "Extreme Deficiency" would appear to be dirty, dingy, or scuffed with an evident buildup of dust, dirt, stains, or trash. Floors have not been swept or vacuumed in over two weeks. Light fixtures are dirty and more than five percent of the bulbs have burned out. There is trash overflow and the area being evaluated has a foul odor. (X)
e. Area(s) evaluated is free of unabated graffiti.
f. Other

Part IIb (Optional) - The Cleanliness Detail worksheet may be used to evaluate the Overall Cleanliness of each area. Based on Part IIb, use the following to complete Part IIa:
The district may choose how to report maintenance and custodial staff. The district may report staffing at the site or district level. Staffing may be based on assigned staff or represented as Full-Time Equivalent increments.
a. If 75.0 percent or more of the review is "Yes", the area should be rated clean (OK).
b. If 50 - 74.9 percent of the review is "Yes", the area should be rated "Deficient (D)".
c. If 49.9 percent or less of the review is "Yes", the area should be rated Extreme Deficiency (X)

1. Floors swept, vacuumed, and/or mopped. Free of spots stains, and build up.
2. Walls and Doors free of spots and grime.
3. Desk and Counters clean.
4. Furniture dusted and clean.
5. Baseboards and window sills dusted and clean.
6. Light fixtures clean.
7. Sink clean and drains working properly.
8. Trash cans are empty and clean. The ground is free of trash. Floors and furniture are free of gum and/or other food residue.
9. Windows are free from damage, clean, and in working condition.
10. Water fountains, including handles/buttons, are clean and in working condition.
11. Toilets and bathroom sinks are clean and in working condition.
12. Mirrors and Hand Dryers are clean, intact, and in working condition.
13. Bathroom supplies are stocked and in working condition.
14. Area is free of graffitti.
15. Landscaping - Maintained sufficiently to not hinder student and staff.

Pest/Vermin Infestation
Pest or vermin infestation are not evident. Examples include but are not limited to the following:
a. There is no evidence of a major pest or vermin infestation. (X)
b. There are no holes in the walls, floors, or ceilings.
c. Rodent droppings or insect skins are not evident.
d. Odor caused by a pest or vermin infestation is not evident.
e. There are no live rodents observed.
f. Other

Electrical (Interior and Exterior)

1. *There is no evidence that any portion of the school has a power failure. (X)*

2. Electrical systems, components, and equipment appear to be working properly. Examples
a. There are no exposed electrical wires. Electrical equipment is properly covered and secured from pupil access. (X)
b. Outlets, access panels, switch plates, junction boxes and fixtures are properly covered and secured from pupil access.
c. Other

3. Lighting appears to be adequate and working properly, including exterior lights. Examples include but are not limited to the following:
a. Lighting appears to be adequate.
b. Lighting is not flickering.
c. There is no unusual hum or noise from the light fixtures.
d. Other

Restrooms

Restrooms in the vicinity of the area being evaluated appear to be accessible during school hours, clean, functional and in compliance with SB 892 (EC Section 35292.5) and AB 367 (EC Section 35292.6). The following are examples of compliance with SB 892 and AB 367:

a. Restrooms are maintained and cleaned regularly.
b. Restrooms are fully operational.
c. Restrooms are stocked with toilet paper, menstrual products, soap, and paper towels.
d. Restrooms are open during school hours.
e. Other

Sinks/Fountains (Inside and Outside)

Drinking fountains appear to be accessible and functioning as intended. Examples include but are not limited to the following:
a. Drinking fountains are accessible.
b. Water pressure is adequate.
c. A leak is not evident.
d. There is no moss, mold, or excessive staining on the fixtures.
e. The water is clear and without unusual taste or odor.
f. Other

Fire Safety

The fire equipment and emergency systems appear to be functioning properly. Examples include but are not limited to the following:
a. The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads). (X)
b. Emergency alarms appear to be functional. (X)
c. Emergency exit signs function as designed, exits are unobstructed. (X)
d. Fire extinguishers are current and placed in all required areas.
e. Fire alarms pull stations are clearly visible.
f. Other

Hazardous Materials (Interior and Exterior)

There does not appear to be evidence of hazardous materials that may pose a threat to pupils or staff. Examples include but are not limited to the following:
a. Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly). (X)
b. Paint is not peeling, chipping, or cracking.
c. There does not appear to be damaged tiles or other circumstances that may indicate asbestos exposure.
d. Surfaces (including floors, ceilings, walls, window casings, HVAC grills) appear to be free of mildew, mold odor and visible mold.
e. Other

Structural Damage

There does not appear to be structural damage that has created or could create hazardous or uninhabitable conditions. Examples include but are not limited to the following:

a. Severe cracks are not evident. (X)
b. Ceilings & floors are not sloping or sagging beyond their intended design. (X)
c. Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed. (X)
d. There is no visible evidence of severe cracks, dry rot, mold, or damage that undermines the structural components. (X) e. Othe
e. Other

When completing Part III of the FIT, the inspector should note the date and time of the inspection as well as weather conditions and any other pertinent inspection information in the specific areas provided and utilize the Comments and Rating Explanation Section if needed.

Roofs (observed from the ground, inside/outside the building)

Roof systems appear to be functioning properly. Examples include but are not limited to the following:
a. Roofs, gutters, roof drains, and down spouts are free of visible damage.
b. Roofs, gutters, roof drains, and down spouts are intact.
c. Other

Playground/School Grounds

The playground equipment and school grounds in the vicinity of the area being evaluated evaluated appear to be clean, safe, and functional. Examples include but are not limited to the following:
a. Significant cracks, trip hazards, holes and deterioration are not found.
b. Open "S" hooks, protruding bolt ends, and sharp points/edges are not found in the playground equipment.
c. Seating, tables, and equipment are functional and free of significant cracks.
d. There are no signs of drainage problems, such as flooded areas, eroded soil, water damage to asphalt, or clogged storm drain inlets.
e. Other

Windows/Doors/Gates/Fences (Interior and exterior)

Conditions that pose a safety and/or security risk are not evident. Examples include but are not include but are not limited to the following:
a. There is no exposed broken glass accessible to pupils and staff. (X)
b. Exterior doors and gates are functioning and do not pose a security risk. (X)
c. Windows are intact and free of cracks.
d. Windows are functional and open, close, and lock as designed, unless there is a valid reason they should not function as designed.
e. Doors are intact.
f. Doors are functional and open, close, and lock as designed, unless there is a valid reason they should not function as designed.
g. Gates and fences appear to be functional.
h. Gates and fences are intact and free of holes and other conditions that could present a safety hazard to pupils, staff, or others.
i. Other

Use additional Building/Area Lines as necessary.

Marks:

Yes = Clean
No = Not Clean
N/A = Not Applicable

*This button will transfer the Rating in Excel column R from this page to FIT's column 5 on the Evaluation Detail page, for each Building / Area.
It will overwrite existing data (in the Cleanliness column) for the Building Area / Name.

OVERALL RATING:	DETERMINE AVERAGE PERCENTAGE OF 8 CATEGORIES ABOVE →	98.62%	SCHOOL RATING** →	GOOD

**For School Rating, apply the Percentage Range below to the average percentage determined above, taking into account the rating Description below.

PERCENTAGE	DESCRIPTION	RATING
99%-100%	The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.	EXEMPLARY
90%-98.99%	The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.	GOOD
75.%-89.99%	The school is not in good repair. Some deficiencies noted are critical and/or widespread. Repairs and/or additional maintenance are necessary in several areas of the school site.	FAIR
0%-74.99%	The school facilities are in poor condition. Deficiencies of various degrees have been noted throughout the site. Major repairs and maintenance are necessary throughout the campus.	POOR

INSPECTOR'S COMMENTS AND RATING EXPLANATION:

DISTRICT'S RESPONSES TO REPORT (Attach additional pages if necessary):

The school will be working on fixing the issues with the ceiling and ventilation.

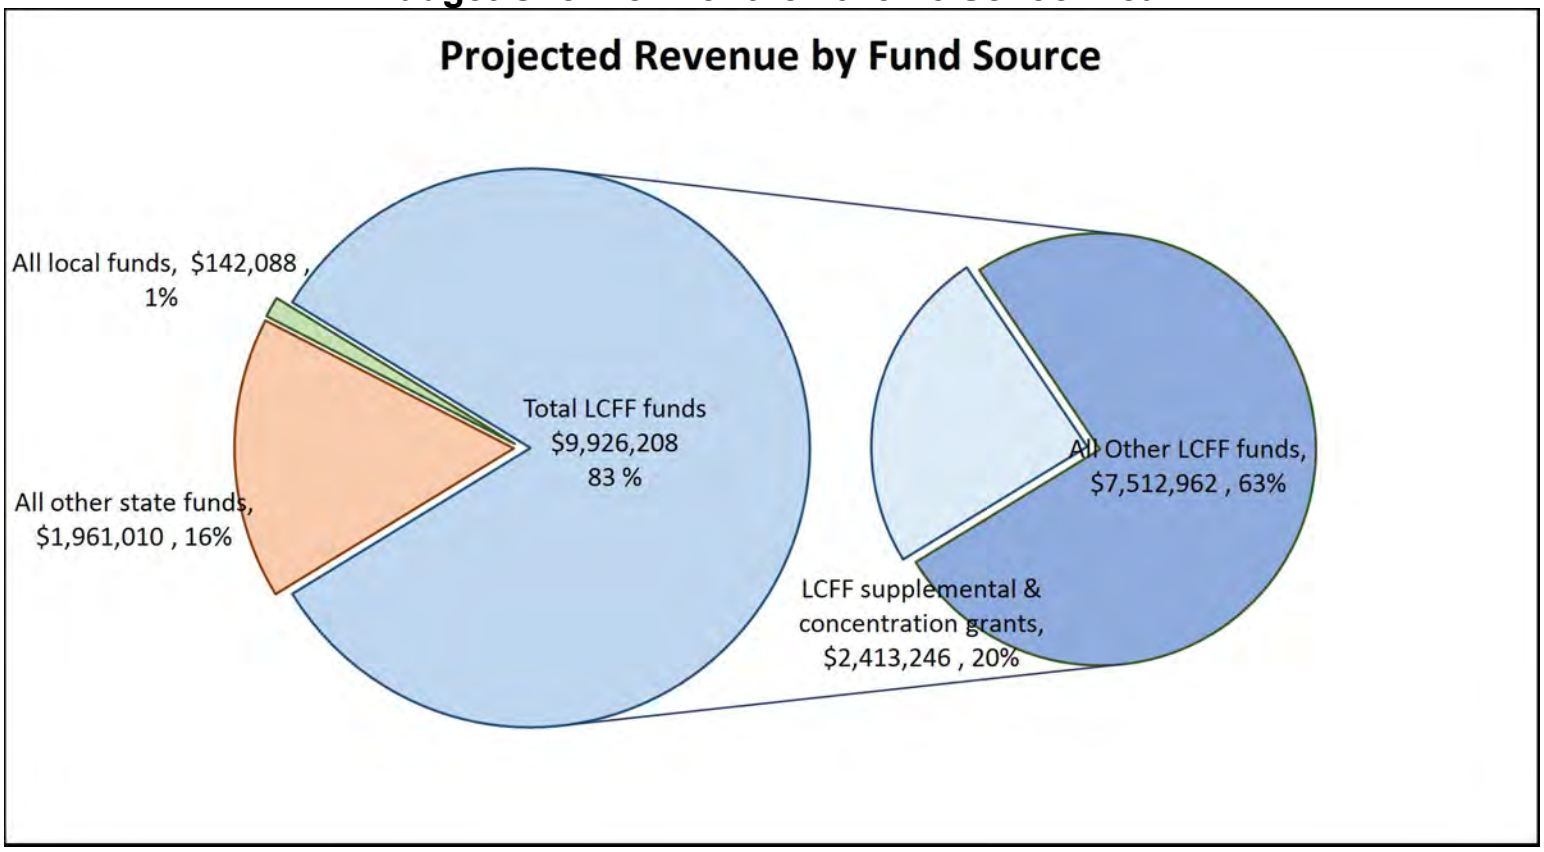
Appendix 17: Local Control and Accountability Plan

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Escuela Popular Center for Training & Careers
CDS Code: 43694270107151
School Year: 2025-26
LEA contact information:
Patricia L Reguerin
Executive Director
patricia@escuelapopular.org
408-426-6593

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2025-26 School Year

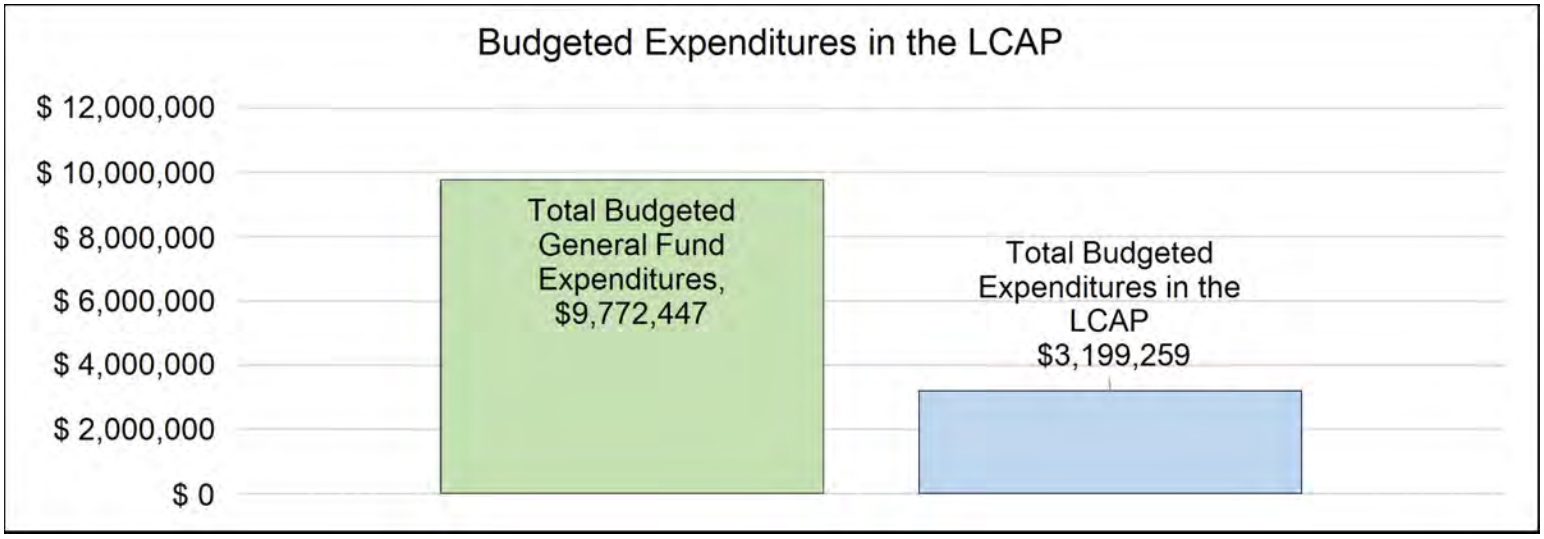


This chart shows the total general purpose revenue Escuela Popular Center for Training & Careers expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Escuela Popular Center for Training & Careers is $12,029,306, of which $9,926,208 is Local Control Funding Formula (LCFF), $1,961,010 is other state funds, $142,088 is local funds, and $ is federal funds. Of the $9,926,208 in LCFF Funds, $2,413,246 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.



This chart provides a quick summary of how much Escuela Popular Center for Training & Careers plans to spend for 2025-26. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Escuela Popular Center for Training & Careers plans to spend $9,772,447 for the 2025-26 school year. Of that amount, $3,199,259 is tied to actions/services in the LCAP and $6,573,188 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

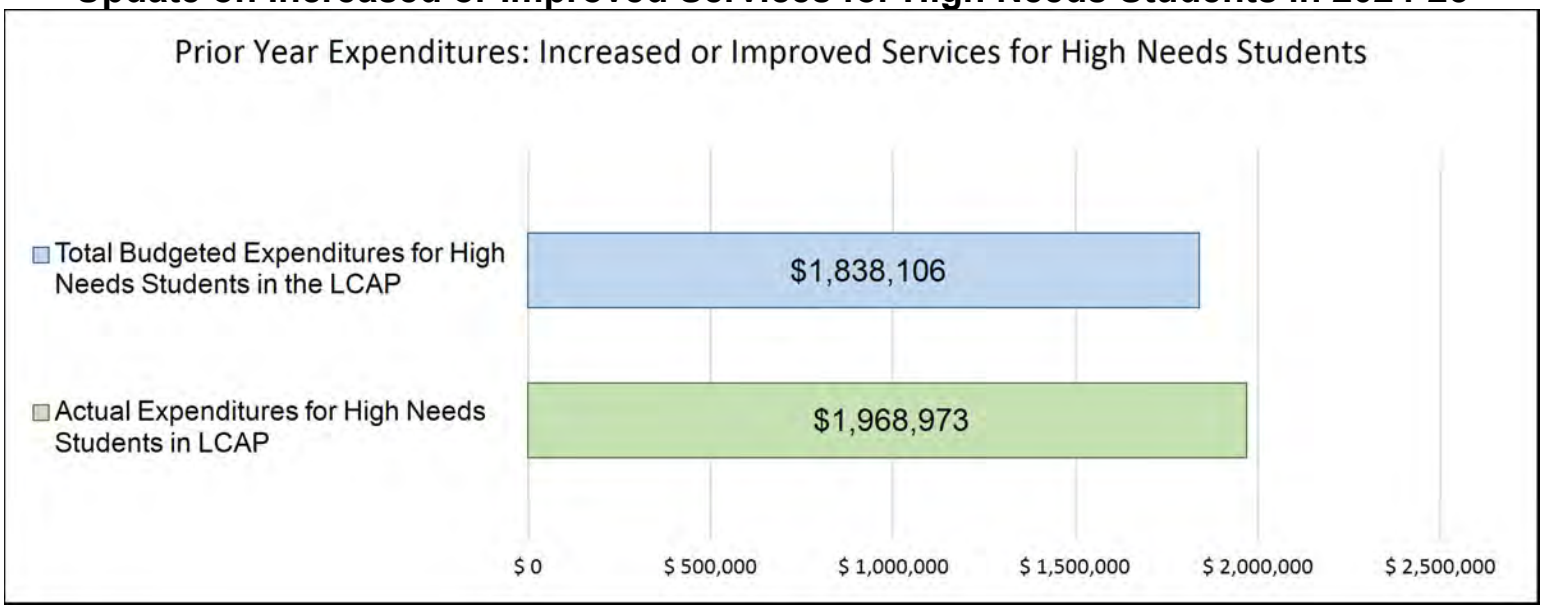
The Local Control and Accountability Plan does not include the salaries of all our teaching staff, support staff, administrators, services and operating expenses, and facilities costs, which represent the majority of the differences between the General Fund Budget and the total budget in the Local Control and Accountability Plan (LCAP).

Increased or Improved Services for High Needs Students in the LCAP for the 2025-26 School Year

In 2025-26, Escuela Popular Center for Training & Careers is projecting it will receive $2,413,246 based on the enrollment of foster youth, English learner, and low-income students. Escuela Popular Center for Training & Careers must describe how it intends to increase or improve services for high needs students in the LCAP. Escuela Popular Center for Training & Careers plans to spend $2,947,409 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2024-25



This chart compares what Escuela Popular Center for Training & Careers budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Escuela Popular Center for Training & Careers estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2024-25, Escuela Popular Center for Training & Careers's LCAP budgeted $1,838,106 for planned actions to increase or improve services for high needs students. Escuela Popular Center for Training & Careers actually spent $1,968,973 for actions to increase or improve services for high needs students in 2024-25.

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Plan Summary [2025-26]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Escuela Popular del Pueblo (EP) is a family learning center that operates two interdependent charter schools: Escuela Popular Accelerated Family Learning Center, serving Transitional Kindergarten through 12th grade, and Escuela Popular/Center for Training and Careers Family Learning Center serving students over age of 18 in grades 9th through 12th. Our student population is majority Latino, Spanish speaking with an average of over 53.27% born outside the United States for the TK-12th grade program and 96.35% for the adult 9th-12th program. Both schools serve a significantly large concentration of immigrant students and English Learners. In recent years the schools have experienced an increase in the number of students migrating from Central America and South America and a decrease in the number of students migrating from Mexico. Over 85% of students in our TK–12 program qualify for free or reduced-price lunch or meet federal poverty guidelines. Additionally, 6% of our students have an IEP and receive related services.

Escuela Popular has been providing educational services to the San José, California, community since 1986. Escuela Popular developed as a grassroots effort to serve the growing need for English classes. As demand grew, the curriculum of Escuela Popular expanded to include parent education, citizenship classes, history/civics, and after-school/youth programs, in addition to English classes being offered. In May 2002, Escuela Popular was granted a charter by the East Side Union School District to operate a family learning center for TK-12 and adult learners seeking a high school diploma.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Overall, this data shows a positive picture of academic progress, indicating measurable improvements in both math and reading skills across various grade levels.

Based on the 2024 California Dashboard (reflecting the 2023–24 school year), Escuela Popular has observed both areas of growth and areas requiring renewed focus:
English Learner Progress Indicator
In the 2023 Dashboard, the English Learner Progress Indicator showed an 8.9% increase, highlighting notable progress in English language proficiency among English learner students. This growth was attributed to enhanced instruction, targeted interventions, and increased support services.

However, the 2024 Dashboard reflects a 10.9% decline in the English Learner Progress Indicator. This decrease indicates a reversal in progress and underscores the need for re-evaluation of strategies, stronger interventions, and a recommitment to supporting English learners' language development and academic success.
Escuela Popular continues to report a 0% suspension rate, consistent in the 2024 Dashboard. This ongoing achievement is a testament to the school's effective restorative justice approach, which prioritizes relationship-building, accountability, and inclusive disciplinary practices over punitive actions.

ELA and Math CAASPP Data
No ELA or Math CAASPP data was displayed on the 2023 Dashboard due to privacy protections, as fewer than 11 students were tested. As a result, comparative performance data in these areas was not reported.

Local Academic Growth Indicators (2024–25 NWEA Data)
In addition to state-level indicators, local NWEA assessments from the 2023–24 school year demonstrate meaningful progress in student academic development:
Math (10th Grade):
Conditional Growth Index (CGI) data shows growth in mathematical abilities among 10th-grade students, reflecting improved problem-solving and numeracy skills.

Reading (9th–12th Grades):

Students in grades 9 through 12 demonstrated improvements in reading skills, including gains in comprehension, fluency, and vocabulary development.

Conclusion
The 2024 data presents a mixed picture:
Continued strengths include a zero suspension rate and measurable local academic growth in reading and math.

Areas for attention include the decline in the English Learner Progress Indicator, which calls for renewed focus on language development programs and equity-centered support.

Overall, these insights guide Escuela Popular's ongoing efforts to foster academic success and holistic student development through informed, data-driven strategies.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

As part of Escuela Popular's ongoing technical assistance efforts, a Plan-Do-Study-Act (PDSA) cycle was launched to enhance college and career readiness among students, with the overarching aim of increasing college enrollment and success by at least 5% by June 30, 2026. The initiative focused on designing and implementing student-facing College and Career Workshops and Orientations. These activities were supported by pre- and post-interest surveys and empathy interviews to assess student awareness, interests, and barriers.
Throughout the process, several structured steps were completed collaboratively by the principal, instructional leaders, compliance manager, and College and Career Coordinator. These included planning and hosting workshops, collecting and analyzing data, and developing interview protocols. Early findings revealed key insights: student confidence in the college application process increased significantly, interest in English 1A and Public Speaking courses was high, and PM students showed greater enthusiasm for dual enrollment opportunities than AM students. Contrary to initial predictions, male students showed strong interest in culinary courses.
Key challenges and surprises emerged, such as students' lack of awareness that college could be tuition-free through Escuela Popular, and misconceptions about scholarship eligibility. These realizations highlighted the importance of direct communication and personalized support.
Moving forward, technical assistance will support the continuation and expansion of this work through empathy interviews, disaggregated data analysis, transportation coordination for off-site classes (e.g., at Mission College), and the facilitation of on-campus college courses beginning August 2025. Additionally, grade and attendance data from Semester 1 will be used to refine and target interventions. Biweekly team meetings are planned to sustain momentum and align next steps with student needs and system goals.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

Escuela Popular Center for Training Careers Family Learning Center

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

The LEA has developed a multi-faceted approach to support its eligible schools in creating Comprehensive Support and Improvement (CSI) plans. This support centers around:
Conducting a Comprehensive Needs Assessment and Root Cause Analysis:
Using tools such as the Fishbone Diagram, the LEA will guide schools in identifying key factors contributing to low graduation rates and learning gaps. This analysis ensures interventions are aligned with LCAP goals, actions, and services.

Strategic Allocation of CSI Funds:
CSI funds will be utilized to directly support school improvement efforts. This includes:

Targeted academic interventions such as small-group and one-on-one instruction.

Professional development to build staff capacity in implementing evidence-based practices.

Staffing support to sustain intervention efforts and enhance instructional delivery.

Expansion of tutoring programs focused on struggling students.

Career and technical education (CTE) to increase student engagement and readiness for the workforce.

Dual enrollment opportunities to give students a head start on earning college credits, improving their post-secondary preparedness.

These strategies are designed not only to address academic challenges but also to re-engage students, build real-world skills, and support career readiness, all of which contribute to improving graduation rates.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

The LEA will employ a data-driven monitoring and evaluation framework to ensure the effectiveness of CSI-supported initiatives. This will involve:
Ongoing Analysis of Student Performance Data:
Data from various sources, including local assessments like MAP, will be regularly reviewed to assess progress, identify emerging gaps, and refine interventions.

Alignment with LCAP Goals:
All strategies and outcomes will be monitored for alignment with the Local Control and Accountability Plan (LCAP), ensuring consistency and coherence across district improvement efforts.

Evidence-Based Strategy Evaluation:
The impact of interventions such as small-group instruction, tutoring, and CTE engagement will be measured based on student performance, engagement metrics, and graduation outcomes.

Feedback Loops for Continuous Improvement:
Professional development sessions and staff feedback will help evaluate the implementation fidelity of instructional practices, ensuring that strategies are not only planned but effectively executed.

By embedding monitoring and evaluation into each phase of implementation, the LEA ensures accountability and adaptability, ultimately driving measurable academic growth and increased graduation rates.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Teachers | Staff	As part of the LCAP Educational Partner Consultation process, school staff engaged in a series of structured meetings to provide input on focus areas, the alignment of goals and actions, and progress updates. Three school-wide meetings were scheduled and held on the following dates to ensure meaningful consultation and participation: September 4, 2024 February 26, 2025 May 14, 2025 These meetings allowed staff to collaboratively review and discuss the alignment of the school's goals and actions with LCAP priorities. The consultation process included opportunities for feedback on proposed focus areas and served as a platform for a mid-year progress update, ensuring that all educational partners were informed and involved in the development and refinement of the LCAP.

Educational Partner(s)	Process for Engagement
Students | Families	Escuela Popular Center for Training & Careers serves adult learners. Student feedback is collected through the completion of LCAP surveys, which provide valuable insight into their educational experience and priorities. School community completed the LCAP Feedback in the winter and spring surveys via Escuela Popular mobile app Escuela Popular website Email links sent by teachers

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The feedback collected during winter and spring provided valuable information. The following are the key takeaways from our educational partners' feedback:
-Set protocols and use collaboration time to analyze student achievement data to inform instruction.
-Continue offering professional development time for language acquisition and English language development.
-Schedule cross-disciplinary collaboration time to focus on the creation of interdisciplinary projects.
-Develop College and Career Pathways for 9-12 grade within the school’s curriculum.
-Coordinate and implement professional growth for classified and certificated staff to meet 21st century skills, including integration of technology into instruction (padlet, Diffift, Google Classroom gradebook)
-Provide intervention and additional support for students entering school with low literacy and academic skills.
-Provide extracurricular and sports activities for students to support wellbeing.
-Extended care after and before school.
-Provide responsive and preventative socio-emotional support to students, parents/guadians and families on campus and connecting them with local mental health services as requested.
-Responding to needs assessment surveys by providing essential resources for immediate and long-term needs.

After reviewing all feedback and achievement data, the Escuela Popular team determined to continue working on the previously identified goals and actions minor updates. Some areas have seen significant progress and others still require various next steps. Many of the critical areas for follow-up will continue to be built upon as described in our updated LCAP.

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Increase student and family engagement and retention of students by providing students and families with information about the educational program, the objectives of the educational program, and a high school diploma, and the progress of students toward meeting grade-level standards.	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 2: State Standards (Conditions of Learning)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This goal was developed because data continuously showed that students leave school prior to completing their graduation requirements. The team believes that if students and families are provided with a system to understand and track their academic progress toward mastery of their learning goals, they are more likely to be motivated and successfully complete their graduation requirements.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	The ratio of credits earned to credits attempted increases from previous year or reaches target %.	The ratio of credits earned to credits attempted is 71% Data Source: PowerSchool Information System Year: 2023-24	The ratio of credits earned to credits attempted is 68% Data Source: PowerSchool Information System Year: 2024-25		The ratio of credits earned to credits attempted increases from previous year or reaches target 85%.	
1.2	Increase the number of continuously enrolled/long-term	The number of continuously enrolled/long-term	The number of continuously enrolled/long-term		Increase 3% from the base year	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	students. (% of students enrolled 2 or more quarters during school year)	students for EPCTC program is 38.47% Data Source: PowerSchool Information System Year: 2023-24	students for EPCTC program is 36.22% Data Source: PowerSchool Information System Year: 2024-25

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Planned vs. Actual Implementation:

Planned: Use Google Classroom as a system-wide platform to track learning goals; provide PD and orientations for teachers and families; design and implement performance tasks and rubrics across all subjects.

Actual: Implementation was partial and uneven across programs and grade levels. PD was offered, and consolidation of platforms is still underway.

Successes:
Engagement through orientations and presentations.
Teachers began revising curriculum and rubrics.

Challenges:
Teachers lacked formal training in creating and assessing performance-based learning (PBL).

Monitoring and standardizing rubric implementation was limited.

Consolidation of Actions:
Due to the overlap in intent and implementation strategies, the following actions will be consolidated:
Action 1.2 – Establishment of Performance Tasks/Project-Based Learning

Action 1.3 – Establishment of Performance Task Rubrics

Action 1.5 – 100% Implementation of Performance Rubrics
and
Action 1.10 – Data Analysis to Inform Instruction
Action 1.15 - Data Analysis Protocol

These actions all aim to improve instructional rigor and assessment consistency and will now be addressed through unified PD and coaching strategies.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

No material differences between Budgeted Expenditures and Estimated Actual Expenditure and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Service.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Effective:
Google Classroom has been utilized by high school teachers, creating transparency in learning goal tracking.

Teachers and administrators who attended external PD (e.g., CATE, CABE) brought back valuable strategies that were shared in department meetings.

Ineffective or Needing Improvement:
Project-based learning and rubric development lacked consistency due to fragmented implementation and insufficient training.

Assignment tracking in Google Classroom was not standardized, which limited family engagement.

These gaps are being addressed by consolidating Actions 1.2, 1.3, and 1.5, to streamline training, monitoring, and support around project-based learning and performance assessment.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Based on reflections from implementation and feedback from administrators, teachers, school staff, and students, the following changes will be made:
Action Consolidation:

The school will combine Actions 1.2, 1.3, and 1.5 into a single comprehensive action focused on the development, refinement, and consistent implementation of performance tasks and standardized rubrics across subjects and grade levels.

Professional Development (PD):
Teachers will receive unified PD sessions that cover both the design of performance tasks and the effective use of aligned rubrics. This will reduce redundancy and support consistent instructional quality.
Monitoring and Oversight:
Instructional leaders will increase classroom-level monitoring to ensure that learning goals and assessment data are regularly updated and communicated.

Student Empowerment:
Students will engage more directly in goal-setting and reflection activities, supported by clearer access to their progress data through classroom and digital platforms

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Student Learning Goals (HS)	If we review and refine student learning goals in all courses, then students' awareness of learning goals will result in higher student engagement.		No
1.2	Establishment of Performance Tasks/Project Based Learning	Develop, implement, and monitor performance-based tasks and standardized rubrics across all courses by providing targeted professional development and collaborative planning time for teachers to ensure alignment, consistency, and rigor in assessing student learning.	$517,250.70	Yes

Action #	Title	Description	Total Funds	Contributing
1.3	PD for Performance Tasks/Project Based Learning	Provide professional development to teachers on administering and assessing performance tasks	$260,060.25	Yes
1.4	Google Classroom Tracking Learning Goals	Implement Google Classroom to house and track selected student learning goals.	$14,577.60	Yes
1.5	PD for Google Classroom Tracking	Provide training to teachers, students, and families on use of Google Classroom for monitoring student progress.		
1.6	Google Classroom Tracking System	Monitor the use of Google Classroom by teachers and consistent updates on Google Classroom gradebook.		No
1.7	Data Analysis to Inform Instruction	Establish and implement an ongoing, systemic data analysis protocol, using dedicated collaboration time to review student achievement data and adjust instructional practices to improve student outcomes.	$278,493.25	Yes
1.8	PD Strategic Plan	Establish and implement an ongoing, systemic data analysis protocol, using dedicated collaboration time to review student achievement data and adjust instructional practices to improve student outcomes.	$43,049.60	Yes
1.9	ELD PD	Focus PD time on language acquisition and English language development.	$315,047.05	Yes
1.10	External PD	Create a partnership with SCCOE and other organizations for external PD.		No
1.11	Instructional Practices to Advance Student Achievement	Conduct surveys to analyze data and determine the effectiveness of the implemented PD/ best practices.		No

Action #	Title	Description	Total Funds	Contributing
1.12	PD Database	Adopt an online platform to track internal and external PD and analyze the effectiveness of the adoption of best practices.	$3,957.60	Yes
1.13	Teacher Credentialing	Support Teachers in Clearing Teaching Credentials and Obtaining Additional Authorizations		No

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Increase student achievement toward meeting 21st Century Skills and College and Career Readiness through aligned and clearly articulated instructional objectives with the appropriate progression relevant to student needs.	Broad Goal

State Priorities addressed by this goal.

Priority 2: State Standards (Conditions of Learning)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This goal was developed because data showed that between 50-60% of EP students did not meet their NWEA Annual Growth Target in reading and mathematics. The team believes that by aligning and clearly articulating the instructional objectives, students and teachers can work together to identify gaps in learning and better leverage the instructional time to support student achievement that is aimed at meeting the 21st Century Skills, College, and Career Readiness. When students and teachers know what their learning goals are and the progression is established across levels, students are more likely to receive instruction that facilitates their learning. In addition, teachers are able to receive feedback on how to improve their lessons.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	% of teachers will be proficient in designing common authentic performance tasks and rubrics aligned with the College and Career Readiness Standards for each content area lessons using the PBL approach to teaching	Less than 50%	50%		80% of teacher will be proficient in developing College and Career Readiness Standards for each content area lessons using the PBL approach to teaching	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.2	NWEA Map Assessment % high school students will meet their Math growth target, as established by Measures of Academic Progress (MAP). .	47% of students met their Math growth target. Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Implementation of Goal 2 progressed in various stages, with several actions showing full or partial implementation and others still in early planning or development.

College and Career Pathways (2.3): High school will redesign its ELD program to incorporate career exploration, a foundational step for formal pathway development.

PD for Staff (2.6 – 2.8): External PD opportunities were robust across high school (e.g., CABE, CATE, COABE, EPICC), but site-based training varied. Instructional Leaders noted that further training was needed on tech integration and student emotional readiness.

Resource Allocation (2.9): Human and financial resources were allocated to support implementation efforts, although more strategic planning may be needed to align funding with evolving needs.

Interdisciplinary Collaboration (2.12):. High school recognized the need but has not implemented collaboration sessions yet. There is a recommendation to meet quarterly.

A-G Course Approvals (2.13): Moved from Goal 3,
Successes: Pilot interdisciplinary efforts, data-driven outcome setting, ELD curriculum rollout, and external PD engagement.

Challenges: lack of structured digital literacy at HS, uneven internal PD, and unlaunched cross-disciplinary collaboration at HS.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

No material differences between Budgeted Expenditures and Estimated Actual Expenditure and/or Planned Percentages of Improved Services and Estimated Actual Percentages.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Effective Actions:

2.3: Career pathway integration began to be planned in both middle school and high school , laying groundwork for future alignment.

2.8: External PD (e.g., CABE, CATE, COABE) significantly enriched instructional practices and promoted shared learning.

Less Effective/Incomplete Actions:
2.4: Communication strategies lacked a centralized online platform, limiting accessibility and consistency in curriculum messaging.

2.6 & 2.7: PD for tech integration and new curriculum frameworks was either still pending or not uniformly implemented. High school identified a training gap in mental health and tech use.

2.11: HS use of technology was not supported by a structured digital literacy plan, reducing instructional consistency and depth.

2.12 (HS): No formal implementation yet of cross-disciplinary collaboration; planning stages are still conceptual.

2.13: Progress on A-G approvals are still pending.

Overall, many actions are positively contributing to the goal, but gaps in execution and follow-through, particularly in professional development and digital systems, are limiting full impact.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Several adjustments and refinements are planned for the coming year as a result of internal reflection, feedback from staff, and assessment of implementation gaps:
Professional Development Expansion (2.6–2.8):

Interdisciplinary Planning Structure (2.12): High school will initiate quarterly meetings for cross-disciplinary collaboration, modeled after middle school pilot sessions. These will include action plans with timelines and defined outcomes.

Curriculum Implementation (2.1 & 2.5): High school will fully implement its updated materials in August 2025.

College & Career Pathways (2.3): high school will further define pathways by formalizing curriculum integration and identifying post-secondary alignment opportunities.

A–G Course Approval Support (2.13): This item will remain a priority in Goal 2 moving forward and will be closely tracked for progress, including documentation and submission of required materials for University of California approval.

These planned changes aim to build upon progress made while directly addressing challenges, particularly around communication, PD equity, digital structure, and high school collaboration.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Alignment of Curriculum	Evaluate existing curriculum and instructional practices to ensure alignment to English Language Development (ELD), Common Core, Physical Fitness Standards, and Next Generation Science Standards.	$55,616.15	Yes
2.2	Establish Learning Outcomes	Establish student learning outcomes by courses, utilizing assessment platforms and data.		No

Action #	Title	Description	Total Funds	Contributing
2.3	College & Career Pathways	Develop College and Career Pathways within the school’s curriculum.	$97,930.30	Yes
2.4	Communication of Curriculum & Assessment	Communicate clearly to all educational partners the school's curriculum and assessment framework.	$11,457.60	No
2.5	Refinement of Resources	Select instructional resources for each specific courses and departments.	$11,457.60	No
2.6	PD for Classified & Certificated Staff: Tech & Assessments	Coordinate and implement professional growth for classified and certificated staff to meet 21st century skills, including integration of technology into instruction.	$315,716.15	Yes
2.7	PD for New Curriculum	Coordinate Professional Development opportunities to support new curriculum frameworks.		No
2.8	PD for School Leaders & Instructional Staff	Select, develop, and implement professional development for school leaders and instructional staff on use of adopted resources.	$31,338.00	No
2.9	Allocation of Resources to Successfully Implement the Curriculum & Assessment Framework	Human and financial resources are allocated to successfully implement the curriculum and assessment framework.	$45,798.00	No
2.10	Additional Academic Support	Teacher Assistants will provide additional academic support to ELD students or students who are not meeting learning outcomes.	$75,509.50	Yes
2.11	Digital Literacy	Offer opportunities for students to develop digital literacy skills		Yes

Action #	Title	Description	Total Funds	Contributing
2.12	Enhancing Interdisciplinary Collaboration: Structuring Sessions and Action Plans	Establish dedicated cross-disciplinary collaboration sessions to concentrate on generating interdisciplinary projects and develop an action plan encompassing a timeline, outcomes, and metrics to facilitate the collaboration process.	$11,457.60	No
2.13	High School A-G course approvals	High School A-G course approvals for World History, U.S. History, American Government, Economics, Art, Spanish 2, and college preparatory elective High School A-G course approvals.	$6,500.00	No

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Provide students and families with academic, socio-emotional, and socioeconomic support to increase attendance, school connectedness, retention, graduation rate, and post-secondary success.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

Provide students and families with academic, socio-emotional, and socioeconomic support to increase attendance, school connectedness, retention, graduation rate, and post-secondary success.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

As part of our implementation process, we hired additional staff, including a case manager and a Family Engagement Specialist who focus on socio-emotional support. This strategic staffing expansion allowed us to provide essential services that address the complex challenges our community faces. Escuela Popular has always been deeply connected to students' needs since its origins. This legacy of responsiveness and community-rooted care guided our decision to adjust and enhance our implementation efforts. By honoring this foundation, we ensured our programs continued to meet students and families where they are—emotionally, academically, and culturally.

As a result, we were able to respond in real time to the evolving needs and realities of our community. This adaptive approach led to increased engagement, strengthened trust, and greater participation in our programs. One of our key successes is that our implementation efforts not only align with our stated goals, but also authentically reflect the lived experiences and voices of the families we serve. Additionally, we continue developing our Crisis Response Team to better support students and families in areas of need such as mental health, medical care, housing, and unemployment.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

No material differences between Budgeted Expenditures and Estimated Actual Expenditure and/or Planned Percentages of Improved Services and Estimated Actual Percentages.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Truancy & Chronic Absenteeism A staff member has been assigned to consistently monitor attendance and maintain regular follow-up communication with families. We have implemented attendance incentives and positive recognition strategies, along with a tracking system to identify patterns early. These efforts have had a significant impact, helping to reduce chronic absenteeism and truancy. To strengthen our approach, we plan to increase home visits and deepen collaboration with teachers. This will help us better support families facing challenges such as housing instability and employment barriers, which can affect their children's school attendance.

-Program Case Manager
The school hired the Program Case Manager, a role that has become essential in providing individualized support to students and their families. The case manager plays a key role in preventing student dropout by addressing critical barriers such as unemployment, housing instability, mental health needs, and exposure to violence.
Referrals are made internally by teachers, staff, or directly by students. Once a need is identified, the case manager promptly works to connect students and families with appropriate internal or external resources and support services.
A significant challenge faced by our community is high unemployment and limited access to medical care, often due to families' legal status. These systemic barriers impact students' well-being and engagement in school. Additionally, the growing number of students requiring support has made it difficult to respond promptly to every case, at times affecting follow-up and communication. To sustain the effectiveness of this program, additional resources or staffing may be needed.

-Needs Assessment
The school regularly conducts needs assessments to better understand the challenges students and families face, including unemployment, housing instability, mental health concerns, and family separation. These assessments are used to guide decision-making, allocate resources, and plan targeted interventions. While this process has helped improve support services, we are continuing to strengthen our internal communication systems so that teachers and students can more effectively engage with and utilize the needs assessment tools within the school's organizational structure.

-Social-Emotional Wellbeing

A dedicated staff member was assigned to develop and implement a culturally responsive social-emotional program that provides in-house services to support students and families. The program offers individual, group, and family sessions that focus on helping participants understand their social-emotional needs and learn healthy coping strategies.
To continue strengthening this work, we recognize the need to expand parent workshops and provide more professional development for teachers. Topics such as trauma informed and its impact in learning, child development, emotional regulation, and managing defiant behavior will help staff and families respond more effectively to student needs and promote long-term wellbeing.

-Community School
With our needs assessment system in place, we are better able to identify the specific challenges our students and families face.
This has allowed us to establish strong, collaborative partnerships with community organizations, enabling us to provide essential services that support both academic and personal success.
One key success has been proving access to housing support through our partnership with the HMIS system, which allows us to connect families to housing resources more efficiently. Another important achievement has been organizing in-house vaccination clinics and collaborating with local health organizations to help students enroll in medical coverage. Additionally, we were able to offer vision and hearing screenings on-site for certain grade levels, thanks to these partnerships.

We will continue to strengthen and expand these partnerships based on the needs identified through our assessments. By bringing relevant services directly into the school and offering targeted referrals, we are better positioned to help our students and families succeed.

High School Post-secondary Engagement:

EPCTC promotes college and career readiness for multilingual and underserved students through key initiatives:

Dual/Concurrent Enrollment: In partnership with San Jose City College, students earn free college credit while completing high school.

Career Exploration: Semester workshops cover career identity, digital and professional skills, financial aid, and goal setting.

Certificate Pathways (In Progress): Career readiness sequence under development, with a focus on Child Development and Education.

Instructional Alignment: Teachers receive training in college-ready instruction, integrated English skills, and culturally responsive teaching. Progress is tracked using readiness benchmarks.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

No changes on planned goals and metrics.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Truancy & Student Services	All students who are experiencing truancy, personal needs, or academic concerns will have access to the Student Services team that includes case management as monitored by the student support team via PowerSchool reports or referrals.	$33,387.00	Yes
3.2	Increase Family and Student Engagement	Through a variety of committees, events, and education families and students will have access to resources, support services, input in decision making and capacity building.	$49,369.00	No
3.3	Program Case Manager	Hire a program case manager to take a preliminary assessment of student needs and manage services.	$138,271.05	Yes
3.4	Needs Assessment	Create a needs assessment process to collect data on student needs and analyze available data (service logs) to determine appropriate support services.	$13,618.50	Yes
3.5	Student Involvement	Increase the number of students who provide input through survey, participation in training, and committees.	$51,686.95	No
3.6	Social-emotional Wellbeing	Provide professional mental health services, programs and trainings at the school site that is evidence based and sustainable.	$32,785.35	No

Action #	Title	Description	Total Funds	Contributing
3.7	Community School	Support services for immigrant families and unaccompanied minors continue to be provided such as, childcare, transportation, student resource advocate, academic counselors, legal documentation and case management of basic need services along with a needs assessment process to collect data to determine services to support academic outcomes.	$708,151.90	Yes
3.8	Academic Tutoring & Enrichment Programs	Coordinate a sustainable tutoring and enrichment program to support academic achievement and social emotional wellbeing.	$76,772.55	Yes
3.9	Academic Achievement Recognition	Expand recognition of student achievement, including perfect attendance, Honor Roll, Language Development, Lexile growth, etc.		No
3.10	Educational Partners Communication	Communication with educational partners through ParentSquare, Google Classroom, Teacher Newsletters, Class Dojo, Social Media, Escuela Popular App,and website.		No
3.11	High School Post-secondary engagement	Dual/concurrent enrollment, and certificate obtainment is available to students while attending high school.		No

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.2	**Action:** Establishment of Performance Tasks/Project Based Learning **Need:** Low student performance data for English Learners and Low Income students. **Scope:**	Performance-based tasks and PBL will require students to actively engage with the material, making learning more meaningful and interesting. Students will better retain knowledge through the application of what they are learning.	Lesson Plans, Syllabus, and Scope and Sequence

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	LEA-wide		
1.3	**Action:** PD for Performance Tasks/Project Based Learning **Need:** Low student performance data for English Learners and Low Income students. **Scope:** LEA-wide	Equipping teachers with the skills to develop performance-based tasks and PBL will require students to actively engage with the material, making learning more meaningful and interesting. Students will better retain knowledge through the application of what they are learning.	Lesson Plans, Syllabus, and Scope and Sequence
1.4	**Action:** Google Classroom Tracking Learning Goals **Need:** Students engaged in tracking their academic progress. **Scope:** LEA-wide	Students will engage more directly in goal-setting and reflection activities, supported by clearer access to their progress data through classroom and digital platforms.	Google Classroom usage data and surveys
1.7	**Action:** Data Analysis to Inform Instruction **Need:** Low student performance data for English Learners and Low Income students. **Scope:** LEA-wide	By consistently analyzing data, teachers can identify specific needs and gaps in understanding, particularly for English Learners and Low-Income students, enabling targeted interventions.	Student achievement data, progress monitoring reports, and assessment scores.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.8	**Action:** PD Strategic Plan **Need:** Low student performance data for English Learners and Low Income students. **Scope:** LEA-wide	Equips teachers with the skills to analyze data effectively and implement strategies that address the unique challenges faced by English Learners and Low-Income students.	Professional development attendance records, implementation fidelity checks, and student performance data.
1.9	**Action:** ELD PD **Need:** Low student performance data for English Learners and Low Income students. **Scope:** LEA-wide	Enhance teachers' ability to support English Learners in developing language proficiency.	Teacher PD attendance, ELPAC scores, and classroom observation reports.
1.12	**Action:** PD Database **Need:** Low student performance data for English Learners and Low Income students **Scope:** LEA-wide	Equips teachers with the skills to effectively analyze data and implement strategies that address the unique challenges faced by English learners and low-income students. Systematic analysis of student performance allows for frequent modifications to curriculum and instructional practices, enhancing student outcomes.	Professional development attendance records, implementation fidelity checks, and student performance data.
2.1	**Action:** Alignment of Curriculum **Need:**	Ensures that dual immersion programs are effectively supporting English language acquisition, helping ELs develop proficiency in both English and the partner language. Identifies	Student achievement scores in language proficiency, math, science, and physical education to

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	High number of students not meet their NWEA annual growth target in reading and math. **Scope:** LEA-wide	gaps in current practices, leading to tailored interventions that address the specific needs of ELs.	measure the impact of the revised curriculum.
2.3	**Action:** College & Career Pathways **Need:** High number of students not meet their NWEA annual growth target in reading and math. **Scope:** LEA-wide	Offer early exposure to career opportunities and post-secondary education pathways, which is crucial for English Learners and Low-Income students who may lack such resources.	Enrollment in pathway programs and successful completion of courses.
2.6	**Action:** PD for Classified & Certificated Staff: Tech & Assessments **Need:** High number of students not meet their NWEA annual growth target in reading and math. **Scope:** LEA-wide	Enhance the ability of staff to engage students by integrating technology into instruction, benefiting those with limited access to such resources at home.	PD attendance, technology usage reports, student engagement surveys.
2.10	**Action:** Additional Academic Support **Need:** High number of students do not meet their NWEA annual growth target in reading and math.	Teacher Assistants will provide additional academic support to ELD students or students who are not meeting learning outcomes.	Student achievement data, progress monitoring reports, and assessment scores.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Scope: LEA-wide		
2.11	**Action:** Digital Literacy **Need:** High number of students do not meet their NWEA annual growth target in reading and math. **Scope:** LEA-wide	Offer targeted digital literacy courses and integrate technology into the curriculum.	Course participation and student achievement data.
3.1	**Action:** Truancy & Student Services **Need:** High number of students experiencing chronic absenteeism and truancy. **Scope:** LEA-wide	Provide targeted support to address barriers to attendance and learning, ensuring these students receive necessary interventions.	Attendance records, PowerSchool reports, case management logs.
3.3	**Action:** Program Case Manager **Need:** Needs assessment data shows a wide variety of needs to address to support student success in school. **Scope:**	Ensures comprehensive assessment and management of services to address the unique needs of these students.	Case management reports,service utilization data, student outcome data.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	LEA-wide		
3.4	**Action:** Needs Assessment **Need:** A high number of students do not meet their NWEA annual growth target in reading and math. **Scope:** LEA-wide	Efficiently collect data on student needs to determine appropriate support services to support student success.	Needs assessment data, service utilization data, and student outcome data
3.7	**Action:** Community School **Need:** Large concentration of immigrant families and unaccompanied minors. **Scope:** LEA-wide	Addresses barriers to education and ensures these students receive the necessary support for academic success.	Service utilization records, needs assessment data, academic performance data.
3.8	**Action:** Academic Tutoring & Enrichment Programs **Need:** Low student performance data for English Learners and Low Income students. **Scope:** LEA-wide	Provides additional academic support and enrichment opportunities, enhancing both academic and social-emotional outcomes.	Tutoring attendance, enrichment program participation, academic and social-emotional assessment results.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

The services provided to English learners, low-income students, and foster youth will increase proportionally due to the increase in funding. The increased percentage is met by all the actions and services included in the Local Control Accountability Plan. As the school primarily serves low-income students and English learners, the allocation of funding school-wide will directly impact the services offered to these groups. The funds we will receive enable us to continue offering an extended school day, hiring high quality teachers, and offer specialized training to our staff to ensure our subgroups are receiving instruction tailored to their needs.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

The school will allocate funds to recruit, train, and increase number of staff to provide additional support services for students, including tutoring, Saturday Academy, enrichment activities, and extra course offerings.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		1:30
Staff-to-student ratio of certificated staff providing direct services to students		1:20

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).

    - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).

        - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023 and Senate Bill 153, Chapter 38, Statues of 2024.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- LEAs may also provide information about their strategic plan, vision, etc.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

EC Section 52064.4 requires that an LEA that has unexpended Learning Recovery Emergency Block Grant (LREBG) funds must include one or more actions funded with LREBG funds within the 2025-26, 2026-27 and 2027-28 LCAPs, as applicable to the LEA. To implement the requirements of *EC* Section 52064.4, all LEAs must do the following:

- For the 2025–26, 2026–27, and 2027–28 LCAP years, identify whether or not the LEA has unexpended LREBG funds for the applicable LCAP year.
    - If the LEA has unexpended LREBG funds the LEA must provide the following:
        - The goal and action number for each action that will be funded, either in whole or in part, with LREBG funds; and
        - An explanation of the rationale for selecting each action funded with LREBG funds. This explanation must include:
            - An explanation of how the action is aligned with the allowable uses of funds identified in *EC* Section 32526(c)(2); and
            - An explanation of how the action is expected to address the area(s) of need of students and schools identified in the needs assessment required by *EC* Section 32526(d).
                - For information related to the allowable uses of funds and the required needs assessment, please see the Program Information tab on the LREBG Program Information web page.
            - Actions may be grouped together for purposes of these explanations.
            - The LEA may provide these explanations as part of the action description rather than as part of the Reflections: Annual Performance.
    - If the LEA does not have unexpended LREBG funds, the LEA is not required to conduct the needs assessment required by *EC* Section 32526(d), to provide the information identified above or to include actions funded with LREBG funds within the 2025-26, 2026-27 and 2027-28 LCAPs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement
An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

Requirements

School districts and COEs: *EC* Section 52060(g) and *EC* Section 52066(g) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,

- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see *Education Code* Section 52062;
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see *Education Code* Section 52068; and
- For charter schools, see *Education Code* Section 47606.5.

- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:
    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
    - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
    - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.

- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.

- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.

- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:

    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

    - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

- **Required metrics for actions supported by LREBG funds**: To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include at least one metric to monitor the impact of each action funded with LREBG funds included in the goal.

    - The metrics being used to monitor the impact of each action funded with LREBG funds are not required to be new metrics; they may be metrics that are already being used to measure progress towards goals and actions included in the LCAP.

Complete the table as follows:

Metric #

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
    - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
    - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
    - Indicate the school year to which the baseline data applies.
    - The baseline data must remain unchanged throughout the three-year LCAP.
        - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
        - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.

- Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the "**Measuring and Reporting Results**" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26**. Leave blank until then.	Enter information in this box when completing the LCAP for **2026–27**. Leave blank until then.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26** and **2026–27**. Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
    - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:

- The reasons for the ineffectiveness, and
- How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
    - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

For English Learners and Long-Term English Learners

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
    - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
    - Professional development for teachers.
    - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

For Technical Assistance

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

For Lowest Performing Dashboard Indicators

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
    - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
    - These required actions will be effective for the three-year LCAP cycle.

For LEAs With Unexpended LREBG Funds

- To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include one or more actions supported with LREBG funds within the 2025–26, 2026–27, and 2027–28 LCAPs, as applicable to the LEA. Actions funded with LREBG funds must remain in the LCAP until the LEA has expended the remainder of its LREBG funds, after which time the actions may be removed from the LCAP.
    - Prior to identifying the actions included in the LCAP the LEA is required to conduct a needs assessment pursuant to *EC* Section 32526(d). For information related to the required needs assessment please see the Program Information tab on the LREBG

Program Information web page. Additional information about the needs assessment and evidence-based resources for the LREBG may be found on the California Statewide System of Support LREBG Resources web page. The required LREBG needs assessment may be part of the LEAs regular needs assessment for the LCAP if it meets the requirements of *EC* Section 32526(d).

- School districts receiving technical assistance and COEs providing technical assistance are encouraged to use the technical assistance process to support the school district in conducting the required needs assessment, the selection of actions funded by the LREBG and/or the evaluation of implementation of the actions required as part of the LCAP annual update process.
- As a reminder, LREBG funds must be used to implement one or more of the purposes articulated in *EC* Section 32526(c)(2).
- LEAs with unexpended LREBG funds must include one or more actions supported by LREBG funds within the LCAP. For each action supported by LREBG funding the action description must:
  - Identify the action as an LREBG action;
  - Include an explanation of how research supports the selected action;
  - Identify the metric(s) being used to monitor the impact of the action; and
  - Identify the amount of LREBG funds being used to support the action.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC*

Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***

- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program,

the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
  - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

  The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- **13. LCFF Carryover — Percentage (12 divided by 9)**

  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

Appendix 18: Course Sequence and A-G Approved Courses

EPCTC High School Course Matrix & College Readiness Pathways

Scope and Sequence

The table below reflects the updated scope and sequence for EPCTC grades 9–12, aligned with California Graduation Requirements and based on current course offerings listed in the charter petition:

9th Grade	10th Grade	11th Grade	12th Grade
ELD 1, 2, or 3	English 1	English 2	English 3
Algebra Readiness	Integrated Math 1	Integrated Math 2	Integrated Math 3 (optional)
Elective	Elective	World History	U.S. History
Elective	Integrated Science 1	Integrated Science 2	Government/ Economics
Physical Education 1	Physical Education 1	Elective	Elective
Fine Art or Foreign Language	Elective	Elective	Elective

Courses meet UC/CSU eligibility.

Elective classes:

- Conversational English
- Art
- Basic Computer Skills

Escuela Popular/Center for Training and Careers

2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Contact Information

School Name	Escuela Popular/Center for Training and Careers
Street	149 North White Rd
City, State, Zip	San Jose
Phone Number	408-275-7191
Principal	Patricia Reguerin
Email Address	patricia@escuelapopular.org
School Website	http://www.escuelapopular.org
Grade Span	9-12
County-District-School (CDS) Code	43694270107151

2024-25 District Contact Information

District Name	Escuela Popular/CTC Family Learning Center
Phone Number	408-347-5000
Superintendent	Glenn Vander Zee
Email Address	vanderzeeg@esuhsd.org
District Website	www.esuhsd.org

2024-25 School Description and Mission Statement

Welcome to the 2024-2025 school year!

This is our year to continue the empowering and profound work at Escuela Popular's Bilingual Family Learning Center. It is through the collective effort and commitment of time and energy that we are able to carry forward with our Founder Maestra Lidia's vision and legacy.
Our school is at the forefront of intergenerational learning through our Bilingual Family Learning Center, designed to meet the needs of immigrant families.

2024-25 School Description and Mission Statement

Our overall vision and goals set forth by our LCAP, are to focus on providing all staff with pathways for continued professional and personal growth. Allowing our organization to be equipped and prepared to meet the evolving needs
of the families we serve. We have organized our campus and personnel to provide ample opportunities for mentorship, collaboration,
and innovation.

It is our utmost pleasure to work with our school community to meet our goal of providing students with a high-quality education,
an environment that fosters respect, curiosity, and potential.

Sincerely,
Patricia Reguerin
Executive Director

About this School

2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	447
Grade 10	33
Grade 11	2
Grade 12	33
Total Enrollment	515

2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	52
Male	48
Hispanic or Latino	100
English Learners	17.3
Homeless	14.8
Socioeconomically Disadvantaged	82.3
Students with Disabilities	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	4.90	29.99	943.40	83.36	228366.10	83.12
Intern Credential Holders Properly Assigned	0.40	3.00	29.90	2.65	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	10.00	61.44	71.80	6.35	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	25.50	2.25	12115.80	4.41
Unknown/Incomplete/NA	0.90	5.51	60.90	5.39	18854.30	6.86
Total Teaching Positions	16.30	100.00	1131.80	100.00	274759.10	100.00

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	4.60	29.65	943.60	82.39	234405.20	84.00
Intern Credential Holders Properly Assigned	0.50	3.19	35.40	3.10	4853.00	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	10.10	64.66	79.50	6.95	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	25.60	2.24	11953.10	4.28
Unknown/Incomplete/NA	0.30	2.43	60.90	5.32	15831.90	5.67
Total Teaching Positions	15.60	100.00	1145.30	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	5.90	37.46	923.60	82.88	231142.40	100.00
Intern Credential Holders Properly Assigned	0.00	0.00	22.80	2.05	5566.40	2.00
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	9.20	58.48	91.50	8.21	14938.30	5.38
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.60	4.00	22.90	2.06	11746.90	4.23
Unknown/Incomplete/NA	0.00	0.00	53.30	4.79	14303.80	5.15
Total Teaching Positions	15.70	100.00	1114.40	100.00	277698	100

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22	2022-23
Permits and Waivers	0.00	0.00	0
Misassignments	10.00	10.10	9.2
Vacant Positions	0.00	0.00	0
Total Teachers Without Credentials and	10.00	10.10	9.2

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22	2022-23
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00	0.6
Local Assignment Options	0.00	0.00	0
Total Out-of-Field Teachers	0.00	0.00	0.6

Class Assignments

Indicator	2020-21	2021-22	2022-23
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	56.70	51	61.3
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	52.10	48.5	39.7

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

School Facility Conditions and Planned Improvements

Daily maintenance by custodial staff and teaching staff keeps food outside classrooms. LED all areas on campus upgraded in January 2018. A light was installed in the stairs next to room 720 and room 700. Outdoor lighting that was not working was fixed/replaced in December 2024. Daily maintenance keeps restrooms clean and in working condition. All areas are free of any hazardous materials. A playground was updated on 2/2/2018. A small playground was installed in October 2024 in between room 207 and room 300. Gates and fences were installed in January 2018 on the school perimeter.

EPAFLC is co-located at 149 N. White Road in San Jose, CA, the former Pala Middle School, which is within the East Side Union High School District boundaries. Escuela Popular is in its eighth year of a forty-year lease with Alum Rock Union Elementary School District. The current EPAFLC academy is safe, functional, clean, and well-maintained. In July 2011, Escuela Popular re-entered into a one-year Re-Use Agreement with the City of San Jose to operate the Alum Rock Youth Center. Through this agreement, our ASES After-School provider Boys and Girls Club of Silicon Valley runs programs for our K-8 grade students. In addition, students have access to a gymnasium that they use for P.E. and extracurricular activities. The campus is close to public transportation. To maintain a safe facility, EPAFLC employs two-campus supervisors who are available during the morning and evening.

In the spring of 2014, Escuela Popular began to work with a project manager and architectural firm to begin the design of the improvement of 149 N. White Rd. campus. The School designed site plans that would consolidate the EPAFLC and EPCTC academies onto one campus. The project constructed 25 new high-efficiency classrooms in three buildings. The project upgraded the existing track and grass field for school and community use, as well as additional parking lots.

The redesigned new campus houses Escuela Popular’s three academies. On October 19, 2016, the Alum Rock Union Elementary School District approved Escuela Popular’s proposed site plans. The school's new campus opened with newly built classrooms in the Fall of 2018. During the school 2021-2022, four shade structures were added to our facilities. Two of these shade structures were installed in front of the 100 office garden. Structure size 14"x 14". One of these shade structures was installed in front of rooms 702 & 703. Structure Size: 30'x30'. And the other shade structure 30'x40 was installed next to the playground. In October 2024 a new small playground was installed in between room 207 and room 300. iOld water fountains outside of room 204 and outside of the cafeteria were replaced by Elkay Enhanced EZH2O Bottle Filling Station & Single ADA Cooler Filtered 8 GPH Light Gray Model: LZS8WSLP. An additional Elkay Enhanced EZH2O Bottle Filling Station & Single ADA Cooler Filtered 8 GPH Light Gray was installed in building 400 in July 2024. In June 2022 dimmers were installed in the classrooms in buildings 100, 200, 300, 400 and 500. In October 2022 rollup blinds were installed in the classrooms in buildings 100, 200, 300, 400 and 500.

In November of 2021, the roof and ceiling in classrooms 105-107 were replaced.

Any school facilities leased or constructed by EPAFLC shall comply with federal, state, and local building and zoning regulations as applicable to charter schools, including compliance with the Americans with Disabilities Act and include a certificate of occupancy.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
English Language Arts/Literacy (grades 3-8 and 11)	0	23	58	56	46	47
Mathematics (grades 3-8 and 11)	0	8	32	33	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	13	13	100.00	0.00	7.69
Female	11	11	100.00	0.00	0.00
Male	--	--	--	--	--
American Indian or Alaska Native	0	0	0	0	0
Asian	0	0	0	0	0
Black or African American	0	0	0	0	0
Filipino	0	0	0	0	0

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	0	0	0	0	0

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
Science (grades 5, 8 and high school)	9.52	5.00	38.21	39.02	30.29	30.73

2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	27	20	74.07	25.93	5.00

2023-24 Career Technical Education Programs

College and Career Skills:

Students will demonstrate skills to assist them in today's workforce and society such as performing basic health procedures, developing a resume, performing job interviews, using a variety of soft and hardware, apply and attending college. Performance-Based Learning and SkillsTeachers provide students opportunities to engage in authentic and meaningful tasks that are essential to applying the skills needed in the workforce and career readiness. Technology skills (job skills) learned spiral through all academic core classes. Performance tasks assigned incorporate the skills the students have learned in technology classes and core academic classes, providing a relevant and authentic application. These culminating performance tasks provide relevance to the students as well as help them hone their job skills through the use of technology.

Performance tasks could include:

Interviews, debates, role-plays, persuasive writing,

Culminating oral personal education reflection task (PER),

Developing a business plan in economics,

2023-24 Career Technical Education Programs

Writing and designing a publication that advocates for a particular policy initiative,

Engage in debates related to current and relevant topics.

2023-24 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	0
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	0
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	0

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2023-24 Pupils Enrolled in Courses Required for UC/CSU Admission	33.01
2022-23 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	99%	99%	99%	99%	99%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Escuela Popular Center for Training Careers serves adult students and collects students feedback in making decisions for the school. The process of asking for feedback is done by having the following events:

School Orientations (at the beginning of every quarter)

Monthly Assemblies

Student Surveys

In addition to the formal structures, EP works to create a welcoming environment for families, many of whom do not have positive associations with their children's schools. One important way of welcoming families and students is by valuing and celebrating their primary language. All correspondence is sent home in both English and Spanish. All school meetings are conducted in both English and Spanish.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
Dropout Rate	95.1	98.7	98.8	13.6	15.2	12.3	7.8	8.2	8.9
Graduation Rate	0.4	0.8	1.0	81.5	77.8	80.5	87	86.2	86.4

2023-24 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	498	5	1.0
Female	314	3	1.0
Male	184	2	1.1
Non-Binary	0.0	0.0	0.0
American Indian or Alaska Native	0	0	0.00
Asian	0	0	0.00
Black or African American	0	0	0.00
Filipino	0	0	0.00
Hispanic or Latino	494	5	1.0
Native Hawaiian or Pacific Islander	0	0	0.00
Two or More Races	--	--	--
White	0	0	0.00
English Learners	58	1	1.7
Foster Youth	0.0	0.0	0.0
Homeless	39	1	2.6
Socioeconomically Disadvantaged	385	4	1.0
Students Receiving Migrant Education Services	0.0	0.0	0.0
Students with Disabilities	0.0	0.0	0.0

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2023-24 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	1485	1105	742	67.1
Female	755	565	374	66.2
Male	729	540	368	68.1
Non-Binary	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Black or African American	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	1483	1103	740	67.1

English Learners	392	315	210	66.7
Foster Youth	--	--	--	--
Homeless	115	92	66	71.7
Socioeconomically Disadvantaged	1163	873	577	66.1
Students Receiving Migrant Education Services	--	--	--	--
Students with Disabilities	--	--	--	--

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions data.

Suspensions								
School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
0	0	0	3.41	3.72	2.82	3.17	3.6	3.28

This table displays expulsions data.

Expulsions

Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2024-25 School Safety Plan

Safety plan is reviewed with staff during Fall Professional Development. Safety Committee meetings are scheduled every other Thursday to ensure all safety plan components are in place. The Safety Plan will be reviewed during one of the SSC meetings. The key elements of the plan include:

2024-25 School Safety Plan

- SAFETY COMMITTEE MEMBERS - Members of the 2023-2024 Site Safety Committee are listed here in this section.
- IMPORTANT CONTACT INFORMATION - Contact information for emergency and community partners related to safety is listed in this section.
- PROCEDURES TO CALL 911 - This section describes the steps for our staff to take when calling 9-1-1
- CRISIS RESPONSE - This section describes who is on the on-site Crisis Response Team who will be determining protocols and next steps in response to a crisis situation.
- EVACUATION PROCEDURES - This section provides general information on the roles, responsibilities, procedures, and designation evacuation areas in case of a school-wide evacuation.
- MAP OF EVACUATION AREAS - This section provides a campus map that shows the locations of the four-campus evacuation areas.
- EXPECTED BEHAVIORS DURING EVACUATION - This section provides detailed information on the expected behaviors of students, teachers, and staff in the case of fire, earthquake, threat. A community map with identified safety zones is included in this section.
- UTILITY SHUT-OFF PROCEDURES AND LOCATIONS - This section provides information on locations and procedures to shut off gas, water, and electricity if necessary. Included are photos of these shut-off locations.
- AFTER SCHOOL PROGRAM (IN ALUM ROCK YOUTH CENTER)
- EMERGENCY INFORMATION AND EVACUATION MAP - This section has emergency information and exit plan that has been provided to us by our After School Program operated by a community partner at the Alum Rock Youth Center next door.
- 2023-2024 EVACUATION DRILL LOGS - This section contains dates, times, and relevant notes for evacuation drills held during the school year.

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	17	17	7	
Mathematics	5	13		
Science	9	5		
Social Science	12	7	1	

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	11	10	3
Mathematics	5	15		
Science	9	6	1	
Social Science	14	7		

2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	11	12	1
Mathematics	9	14		1
Science	10	7	1	
Social Science	14	7		

2023-24 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	176

2023-24 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	16,633	2,045	14,588	$70,595.13
District	N/A	N/A		$111,039
Percent Difference - School Site and District	N/A	N/A		-44.5
State	N/A	N/A	$10,771	$105,265
Percent Difference - School Site and State	N/A	N/A	30.1	-39.4

Fiscal Year 2023-24 Types of Services Funded

Escuela Popular believes partnerships with agencies outside the school are important to expand the support services and enrichment opportunities of our
students and families. The overall objectives with the partnerships are related to our LCAP goal, to provide students and families with the necessary academic and
social and emotional resources to support academic achievement and retention. By making support services accessible to our students and families, we expect to
see lower truancy rates, lower chronic absenteeism, reduction of suspensions, and decrease in discipline referrals, overall resulting in higher academic achievement.
Annually we will review local data and Dashboard data to determine the effectiveness of our partnerships on our students.

The following partnerships provide on-site medical services to our students and families:

- Santa Clara County Behavioral Department
- Gardner Health Services
- Santa Clara Valley Hospitals Medical Van provides free medical services to students on campus twice a month.

Escuela Popular actively develops partnerships with legal organizations like SIREN, the Santa Clara County Office of Immigrant Affairs, and ConXion to Community to provide students with support for immigration, housing, health, and legal concerns.

We also provide:

- Free childcare
- Parenting classes
- Bus passes

Additionally, we have an in-house case manager dedicated to connecting students with the necessary services to meet their needs. Some of the services are:

WYCA A nonprofit organization dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all.

AACI Domestic Abuse

Alcoholic Anonymous La alegria de vivir and Illusion de vivir

Fiscal Year 2022-23 Teacher and Administrative Salaries

This table displays the 2022-23 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	$67,050	$62,635
Mid-Range Teacher Salary	$105,970	$101,698
Highest Teacher Salary	$135,864	$128,982
Average Principal Salary (Elementary)	$0	
Average Principal Salary (Middle)	$0	$162,013
Average Principal Salary (High)	$173,213	$182,697
Superintendent Salary	$322,440	$298,748
Percent of Budget for Teacher Salaries	31.47	30.11
Percent of Budget for Administrative Salaries	3.21	4.78

2023-24 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	10	10	9

Escuela Popular/Centro de Formación y Empleo

Informe de Rendición de Cuentas Escolar 2023-2024 (Publicado durante el año escolar 2024-2025)

Información general sobre el Informe de Rendición de Cuentas Escolar (SARC)

Panorama de la SARC

El 1 de febrero de cada año, todas las escuelas de California están obligadas por ley a publicar un Informe de Rendición de Cuentas Escolar (SARC). El SARC contiene información sobre el estado y el rendimiento de cada escuela pública de California. Según la Fórmula de Financiación de Control Local (LCFF), todas las agencias educativas locales (LEA) deben preparar un Plan de Control Local y Rendición de Cuentas (LCAP), que describe cómo pretenden alcanzar los objetivos anuales específicos de la escuela para todos los alumnos, con actividades específicas para abordar las prioridades estatales y locales. Además, los datos reportados en un LCAP deben ser coherentes con los datos reportados en el SARC.

- Para obtener más información sobre los requisitos del SARC y acceder a los informes de años anteriores, consulte la página web del SARC del Departamento de Educación de California (CDE) en https://www.cde.ca.gov/ta/ac/sa/.
- Para obtener más información sobre la LCFF o el LCAP, consulte la página web de la LCFF del CDE en https://www.cde.ca.gov/fg/aa/lc/.
- Para obtener información adicional sobre la escuela, los padres/tutores y los miembros de la comunidad deben ponerse en contacto con el director de la escuela o con la oficina del distrito.

Si lo solicita, puede obtener una copia impresa del Informe de Responsabilidad Escolar en la oficina de su centro escolar.

DataQuest

DataQuest es una herramienta de datos en línea ubicada en la página web DataQuest del CDE en https://dq.cde.ca.gov/dataquest/ que contiene información adicional sobre esta escuela y comparaciones de la escuela con el distrito y el condado. Específicamente, DataQuest es un sistema dinámico que proporciona informes para la rendición de cuentas (por ejemplo, datos de exámenes, inscripción, graduados de preparatoria, deserción escolar, inscripción en cursos, dotación de personal y datos relacionados con los estudiantes de inglés).

Cuadro de mando escolar de California

El Tablero Escolar de California (Dashboard) https://www.caschooldashboard.org/ refleja el nuevo sistema de responsabilidad y mejora continua de California y proporciona información sobre cómo las LEA y las escuelas están satisfaciendo las necesidades de la diversa población estudiantil de California. El tablero contiene informes que muestran el rendimiento de las LEA, las escuelas y los grupos de estudiantes en un conjunto de medidas estatales y locales para ayudar a identificar los puntos fuertes, los desafíos y las áreas que necesitan mejoras.

Acceso a Internet	El acceso a Internet está disponible en bibliotecas públicas y otros lugares de acceso público (por ejemplo, la Biblioteca Estatal de California). El acceso a Internet en bibliotecas y lugares públicos se suele proporcionar por orden de llegada. Otras restricciones de uso pueden incluir las horas de , el tiempo que puede utilizarse una estación de trabajo (dependiendo de la disponibilidad), los tipos de programas de software disponibles en una estación de trabajo y la capacidad de imprimir documentos.

Requisitos de admisión para la Universidad de California (UC)	Los requisitos de admisión a la UC siguen las directrices establecidas en el Plan Director, que exige que el octavo más alto de los graduados de la escuela secundaria del estado, así como aquellos estudiantes transferidos que hayan completado con éxito el trabajo de curso universitario especificado, sean elegibles para la admisión a la UC. Estos requisitos están diseñados para asegurar que todos los estudiantes elegibles estén adecuadamente preparados para el trabajo de nivel universitario. Para conocer los requisitos generales de admisión, visite el sitio web de información sobre admisiones de la UC en https://admission.universityofcalifornia.edu/.
Requisitos de admisión para la Universidad Estatal de California (CSU)	La elegibilidad para la admisión a la CSU se determina por tres factores: (1) Cursos específicos de la escuela secundaria, (2) Calificaciones en cursos específicos y resultados de exámenes, y (3) Graduación de la escuela secundaria. Algunos campus tienen estándares más altos para carreras particulares o estudiantes que viven fuera del área del campus local. Debido al número de estudiantes que solicitan admisión, algunos campus tienen estándares más altos (criterios de admisión suplementarios) para todos los solicitantes. La mayoría de los campus de la CSU tienen políticas locales de garantía de admisión para los estudiantes que se gradúan o transfieren de escuelas secundarias y colegios que históricamente son atendidos por un campus de la CSU en esa región. Para obtener información sobre la admisión, la solicitud y las tasas, consulte el sitio web de la CSU en https://www2.calstate.edu/.

2024-25 Descripción y misión de la escuela

¡Bienvenidos al curso escolar 2024-2025!

Este es nuestro año para continuar el trabajo empoderador y profundo del Centro de Aprendizaje Familiar Bilingüe de la Escuela Popular. Es a través del esfuerzo colectivo y el compromiso de tiempo y energía que somos capaces de seguir adelante con la visión y el legado de nuestra Fundadora Maestra Lidia.
Nuestra escuela está a la vanguardia del aprendizaje intergeneracional a través de nuestro Centro de Aprendizaje Familiar Bilingüe, diseñado para satisfacer las necesidades de las familias inmigrantes.

2024-25 Descripción y misión de la escuela

Nuestra visión general y los objetivos establecidos por nuestro LCAP, se centran en proporcionar a todo el personal con las vías para crecimiento profesional y personal continuo. Permitiendo a nuestra organización estar equipada y preparada para satisfacer las necesidades cambiantes
de las familias a las que servimos. Hemos organizado nuestro campus y nuestro personal para ofrecer amplias oportunidades de tutoría y colaboración,
y la innovación.

Es para nosotros un gran placer trabajar con nuestra comunidad escolar para cumplir nuestro objetivo de ofrecer a los alumnos una educación de alta calidad,
un entorno que fomente el respeto, la curiosidad y el potencial.

Atentamente,
Patricia Reguerin
Director Ejecutivo

Acerca de esta escuela

2023-24 Matriculación de alumnos por curso

Grado	Número de alumnos
Grado 9	447
10º curso	33
Grado 11	2
Grado 12	33
Matriculación total	515

2023-24 Matriculación por grupo de alumnos

Grupo de estudiantes	Porcentaje de la matrícula total
Mujer	52
Hombre	48
Hispano o latino	100
Estudiantes de inglés	17.3
Sin techo	14.8
Desfavorecidos socioeconómicamente	82.3
Estudiantes con discapacidad	0.2

A. Condiciones de aprendizaje

Prioridad estatal: Básica

El SARC proporciona la siguiente información relativa a la prioridad estatal: Básica (Prioridad 1):

- Grado en que los profesores están debidamente asignados y plenamente acreditados en la materia y para los alumnos a los que enseñan;
- Los alumnos tienen acceso a materiales didácticos adaptados a las normas; y
- Las instalaciones escolares se mantienen en buen estado.

2020-21 Preparación y colocación del profesorado

Autorización/Asignación	Número de la escuela	Escuela Porcentaje	Número de distrito	Distrito Porcentaje	Número de Estado	Estado Porcentaje

Condiciones de las instalaciones escolares y mejoras previstas

El mantenimiento diario por parte del personal de conserjería y el personal docente mantiene los alimentos fuera de las aulas. LED todas las áreas en el campus actualizado en enero de 2018. Se instaló una luz en las escaleras junto al aula 720 y el aula 700. Iluminación exterior que no estaba
El funcionamiento se arregló/sustituyó en diciembre de 2024. El mantenimiento diario mantiene los baños limpios y en condiciones de funcionamiento. Todas las áreas están libres de cualquier material peligroso. Se actualizó un parque infantil el 2/2/2018. Se instaló un pequeño parque infantil en octubre de 2024 entre la sala 207 y la sala 300. Se instalaron puertas y vallas en enero de 2018 en el perímetro de la escuela.

EPAFLC tiene su sede en 149 N. White Road en San José, CA, la antigua Pala Middle School, que está dentro de los límites del East Side Union High School District. La Escuela Popular está en su octavo año de un contrato de arrendamiento de cuarenta años con el Distrito Escolar Elemental Alum Rock Union. La actual academia EPAFLC es segura, funcional, limpia y bien mantenida. En julio de 2011, Escuela Popular volvió a entrar en un Acuerdo de Reutilización de un año con la Ciudad de San José para operar el Centro Juvenil Alum Rock. A través de este acuerdo, nuestro proveedor de ASES After-School Boys and Girls Club of Silicon Valley ejecuta programas para nuestros estudiantes de K-8 grado. Además, los alumnos tienen acceso a un gimnasio que utilizan para educación física y actividades extraescolares. El campus está cerca del transporte público. Para mantener unas instalaciones seguras, EPAFLC emplea a dos supervisores del campus que están disponibles por la mañana y por la tarde.

En la primavera de 2014, la Escuela Popular comenzó a trabajar con un gerente de proyecto y una firma de arquitectos para comenzar el diseño de la mejora del campus 149 N. White Rd. La Escuela diseñó planos del sitio que consolidarían las academias EPAFLC y EPCTC en un solo campus. El proyecto construyó 25 nuevas aulas de alta eficiencia en tres edificios. El proyecto mejoró la pista de atletismo y el campo de césped existentes para uso de la escuela y la comunidad, así como aparcamientos adicionales.

El nuevo campus rediseñado alberga las tres academias de Escuela Popular. El 19 de octubre de 2016, el Distrito Escolar Elemental de Alum Rock aprobó los planes del sitio propuesto por Escuela Popular. El nuevo campus de la escuela abrió con aulas recién construidas en el otoño de 2018. Durante la escuela 2021-2022, se agregaron cuatro estructuras de sombra a nuestras instalaciones. Dos de estas estructuras de sombra se instalaron frente al jardín de 100 oficinas. Tamaño de la estructura 14"x 14". Una de estas estructuras de sombra se instaló frente a los salones 702 y 703. Tamaño de la estructura: 30'x30". Y la otra estructura de sombra 30'x40 se instaló junto al parque infantil. En octubre de 2024 un nuevo patio de recreo pequeño fue instalado entre el salón 207 y el salón 300. iLas fuentes de agua viejas fuera del salón 204 y fuera de la cafetería fueron reemplazadas por Elkay Enhanced EZH2O Bottle Filling Station & Single ADA Cooler Filtered 8 GPH Light Gray Model: LZS8WSLP. En julio de 2024 se instaló en el edificio 400 una estación adicional de llenado de botellas EZH2O mejorada y un refrigerador ADA sencillo filtrado de 8 GPH gris claro. En junio de 2022 se instalaron reguladores de intensidad en las aulas de los edificios 100, 200, 300, 400 y 500. En octubre de 2022 se instalaron persianas enrollables en las aulas de los edificios 100, 200, 300, 400 y 500.

En noviembre de 2021 se sustituyeron el tejado y el techo de las aulas 105-107.

Cualquier instalación escolar arrendada o construida por EPAFLC deberá cumplir con las regulaciones federales, estatales y locales de construcción y zonificación aplicables a las escuelas charter, incluyendo el cumplimiento con el Acta de Americanos con Discapacidades e incluir un certificado de ocupación.

Condiciones de las instalaciones escolares y mejoras previstas

B. Resultados de los alumnos

Prioridad estatal: Rendimiento de los alumnos

El SARC proporciona la siguiente información relativa a la prioridad estatal: Rendimiento de los alumnos (Prioridad 4):

Evaluaciones estatales
(Es decir, el Sistema de Evaluación del Desempeño y Progreso Estudiantil de California [CAASPP] incluye las Evaluaciones Sumativas Smarter Balanced para estudiantes en la población de educación general y las Evaluaciones Alternativas de California [CAAs] para artes del lenguaje/alfabetización en inglés [ELA] y matemáticas administradas en los grados tercero a octavo y undécimo. Sólo los estudiantes elegibles pueden participar en la administración de las CAA. Los ítems de las CAA están alineados con los estándares de logros alternativos, que están vinculados con los Estándares Estatales Básicos Comunes [CCSS] para los estudiantes con las discapacidades cognitivas más significativas).

El sistema CAASPP comprende las siguientes evaluaciones y requisitos de participación de los alumnos:

1. **Evaluaciones Sumativas Smarter Balanced y CAA para ELA** de tercero a octavo grado y undécimo grado.
2. **Evaluaciones sumativas Smarter Balanced y CAA para matemáticas** en los grados tercero a octavo y undécimo.
3. **Examen de Ciencias de California (CAST) y CAA de Ciencias** en quinto y octavo curso, y una vez en secundaria (es decir, en décimo, undécimo o duodécimo curso).

Preparados para la universidad y la carrera profesional
El porcentaje de estudiantes que han completado con éxito cursos que satisfacen los requisitos de ingreso a la Universidad de California y la Universidad Estatal de California, o secuencias o programas de estudio de educación técnica profesional.

Porcentaje de alumnos que cumplen o superan el estándar estatal en CAASPP

Esta tabla muestra los resultados de las pruebas CAASPP en ELA y matemáticas para todos los estudiantes de tercero a octavo grado y undécimo grado que toman y completan una evaluación administrada por el estado.

Para proteger la privacidad de los alumnos, se utilizan guiones dobles (--) en la tabla cuando el tamaño de las celdas dentro de una población de alumnos seleccionada es de diez o menos.

Los resultados de las pruebas de ELA y matemáticas incluyen la Evaluación Sumativa Smarter Balanced y el CAA. El "Porcentaje Cumplido o Excedido" se calcula tomando el número total de estudiantes que cumplieron o excedieron el estándar en la Evaluación Sumativa Smarter Balanced más el número total de estudiantes que cumplieron el estándar (es decir, alcanzaron el Nivel 3-Alterno) en los CAAs dividido por el número total de estudiantes que participaron en ambas evaluaciones.

Asunto	Escuela 2022-23	Escuela 2023-24	Distrito 2022-23	Distrito 2023-24	Estado 2022-23	Estado 2023-24
Lengua y literatura inglesas (grados 3-8 y 11)	0	23	58	56	46	47
Matemáticas (grados 3-8 y 11)	0	8	32	33	34	35

2023-24 Resultados del examen CAASPP en ELA por grupo de estudiantes

Esta tabla muestra los resultados de la prueba CAASPP en ELA por grupo de estudiantes para los estudiantes de tercero a octavo grado y undécimo grado que toman y completan una evaluación administrada por el estado.

Los resultados de las pruebas de ELA incluyen la Evaluación Sumativa Smarter Balanced y el CAA. El "Porcentaje Cumplido o Excedido" se calcula tomando el número total de estudiantes que cumplieron o excedieron el estándar en la Evaluación Sumativa Smarter Balanced más

el número total de alumnos que cumplieron la norma (es decir, alcanzaron el Nivel 3-Alterno) en el CAA dividido por el número total de alumnos que participaron en ambas evaluaciones.

Para proteger la privacidad de los alumnos, se utilizan guiones dobles (--) en la tabla cuando el tamaño de las celdas dentro de una población de alumnos seleccionada es de diez o menos.

Nota: El número de alumnos evaluados incluye a todos los alumnos que participaron en la prueba, tanto si obtuvieron puntuación como si no; sin embargo, el número de alumnos evaluados no es el que se utilizó para calcular los porcentajes de nivel de rendimiento. Los porcentajes de nivel de rendimiento se calculan utilizando sólo los alumnos que recibieron puntuaciones.

Resultados del CAASPP en ciencias para todos los alumnos

Esta tabla muestra el porcentaje de todos los alumnos de quinto, octavo y preparatoria que cumplen o superan la Norma Estatal.

Los resultados de las pruebas de Ciencias incluyen el CAST y el CAA de Ciencias. El "Porcentaje Cumplido o Superado" se calcula tomando el número total de estudiantes que cumplieron o superaron el estándar en el CAST más el número total de estudiantes que cumplieron el estándar (es decir, alcanzaron el Nivel 3-Alterno) en el CAA para Ciencias dividido por el número total de estudiantes que participaron en una evaluación de ciencias.

Para proteger la privacidad de los alumnos, se utilizan guiones dobles (--) en la tabla cuando el tamaño de las celdas dentro de una población de alumnos seleccionada es de diez o menos.

El número de alumnos evaluados incluye a todos los alumnos que participaron en la prueba, tanto si obtuvieron una puntuación como si no; sin embargo, el número de alumnos evaluados no es el que se utilizó para calcular los porcentajes de nivel de rendimiento. Los porcentajes de nivel de rendimiento se calculan utilizando sólo los alumnos que recibieron puntuaciones.

2023-24 Programas de educación técnica profesional

Habilidades universitarias y profesionales:

Los estudiantes demostrarán habilidades para ayudarles en la fuerza de trabajo y la sociedad de hoy en día, tales como la realización de procedimientos básicos de salud, el desarrollo de un curriculum vitae, la realización de entrevistas de trabajo, el uso de una variedad de software y hardware, aplicar y asistir a la universidad.
Aprendizaje basado en el rendimiento y las competenciasLos profesores ofrecen a los alumnos oportunidades de participar en tareas auténticas y significativas que son esenciales para aplicar las competencias necesarias en el mundo laboral y la preparación profesional. Habilidades tecnológicas (habilidades de trabajo) aprendidas en espiral a través de todas las clases académicas básicas. Las tareas de rendimiento asignadas incorporan las habilidades que los estudiantes han aprendido en las clases de tecnología y en las clases académicas básicas, proporcionando una aplicación relevante y auténtica. Estas tareas culminantes de rendimiento proporcionan relevancia a los estudiantes, así como ayudarles a perfeccionar sus habilidades de trabajo a través del uso de la tecnología.

Las tareas de rendimiento podrían incluir:

Entrevistas, debates, juegos de rol, escritura persuasiva, tarea oral

de reflexión sobre la educación personal (PER), desarrollo de un

plan de negocios en economía,

2023-24 Programas de educación técnica profesional

Redactar y diseñar una publicación que abogue por una determinada iniciativa política, Participar

en debates relacionados con temas de actualidad y relevancia.

2023-24 Participación en la Educación Técnica Profesional (CTE)

Medida	Participación en programas CTE
Número de alumnos que participan en CTE	0
Porcentaje de alumnos que completan un programa CTE y obtienen un diploma de secundaria	0
Porcentaje de cursos CTE secuenciados o articulados entre la escuela y las instituciones de educación postsecundaria	0

Resultados del examen de aptitud física de California 2023-24

Esta tabla muestra el porcentaje de estudiantes que participan en cada uno de los cinco componentes de aptitud física de los Resultados de la Prueba de Aptitud Física de California. La administración del PFT sólo requiere resultados de participación para estas cinco áreas de aptitud

UC/CSU Medida del curso	Porcentaje
2023-24 Alumnos matriculados en cursos requeridos para la admisión en la UC/CSU	33.01
2022-23 Graduados que completaron todos los cursos requeridos para la admisión UC/CSU	0

B. Resultados de los alumnos

Prioridad estatal: Otros resultados de los alumnos

El SARC proporciona la siguiente información relativa a la prioridad estatal: Otros resultados de los alumnos (Prioridad 8): Resultados de los alumnos en la asignatura de educación física.

Grado	Componente 1: Capacidad aeróbica	Componente 2: Fuerza y resistencia abdominales	Componente 3: Extensores del tronco y fuerza y flexibilidad	Componente 4: Fuerza y resistencia de la parte superior del cuerpo	Componente 5: Flexibilidad
Grado 9	99%	99%	99%	99%	99%

C. Compromiso

Prioridad estatal: Participación de los padres

El SARC proporciona la siguiente información relativa a la prioridad estatal: Participación de los padres (Prioridad 3): Esfuerzos que realiza el distrito escolar para recabar la opinión de los padres en la toma de decisiones relativas al distrito escolar y en cada centro escolar.

2024-25 Oportunidades para la participación de los padres

Escuela Popular Centro de Carreras de Formación atiende a estudiantes adultos y recoge la retroalimentación de los estudiantes en la toma de decisiones para la escuela. El proceso de solicitar opiniones se lleva a cabo mediante los siguientes eventos:

Orientaciones escolares (al principio de cada trimestre) Asambleas

mensuales

Encuestas a estudiantes

Además de las estructuras formales, el PE trabaja para crear un entorno acogedor para las familias, muchas de las cuales no tienen asociaciones positivas con las escuelas de sus hijos. Una forma importante de acoger a las familias y los alumnos es valorar y celebrar su lengua materna. Toda la correspondencia se envía a casa en inglés y en español. Todas las reuniones escolares se celebran en inglés y en español.

C. Compromiso

Prioridad estatal: Compromiso de los alumnos

El SARC proporciona la siguiente información relativa a la prioridad estatal: Compromiso de los alumnos (Prioridad 5):

- Tasas de abandono escolar;
- Tasas de graduación escolar; y
- Absentismo crónico

Tasa de abandono y graduación (tasa de cohortes de cuatro años)

Indicador	Escuela 2021-22	Escuela 2022-23	Escuela 2023-24	Distrito 2021-22	Distrito 2022-23	Distrito 2023-24	Estado 2021-22	Estado 2022-23	Estado 2023-24
Tasa de abandono	95.1	98.7	98.8	13.6	15.2	12.3	7.8	8.2	8.9
Tasa de graduación	0.4	0.8	1.0	81.5	77.8	80.5	87	86.2	86.4

2023-24 Tasa de graduación por grupo de estudiantes (tasa de cohortes de cuatro años)

Esta tabla muestra la tasa de graduación 2023-24 por grupo de estudiantes. Para obtener información sobre la tasa de graduación de cohorte ajustada de cuatro años (ACGR), visite la página web de la tasa de graduación de cohorte ajustada del CDE en .www.cde.ca.gov/ds/ad/acgrinfo.asp

Plan de seguridad escolar 2024-25

El plan de seguridad se revisa con el personal durante el Desarrollo Profesional de Otoño. Las reuniones del Comité de Seguridad se programan cada dos jueves para asegurar que todos los componentes del plan de seguridad estén en su lugar. El Plan de Seguridad se revisará durante una de las reuniones del SSC. Los elementos clave del plan incluyen:

Plan de seguridad escolar 2024-25

- MIEMBROS DEL COMITÉ DE SEGURIDAD - En esta sección se enumeran los miembros del Comité de Seguridad de la Obra 2023-2024.
- INFORMACIÓN DE CONTACTO IMPORTANTE - En esta sección encontrará información de contacto para emergencias y socios comunitarios relacionados con la seguridad.
- PROCEDIMIENTOS PARA LLAMAR AL 911 - Esta sección describe los pasos que debe seguir nuestro personal al llamar al 9-1-1
- RESPUESTA A CRISIS - Esta sección describe quién forma parte del Equipo de Respuesta a Crisis in situ que determinará los protocolos y los pasos a seguir en respuesta a una situación de crisis.
- PROCEDIMIENTOS DE EVACUACIÓN - Esta sección proporciona información general sobre las funciones, responsabilidades, procedimientos y áreas de evacuación designadas en caso de evacuación de toda la escuela.
- MAPA DE LAS ZONAS DE EVACUACIÓN - Esta sección proporciona un mapa del campus que muestra las ubicaciones de las zonas de evacuación de los cuatro campus.
- COMPORTAMIENTOS ESPERADOS DURANTE LA EVACUACIÓN - Esta sección proporciona información detallada sobre los comportamientos esperados de los estudiantes, profesores y personal en caso de incendio, terremoto, amenaza. En esta sección se incluye un mapa de la comunidad con las zonas de seguridad identificadas.
- PROCEDIMIENTOS Y UBICACIONES PARA EL CORTE DE SERVICIOS - Esta sección proporciona información sobre las ubicaciones y los procedimientos para cortar el gas, el agua y la electricidad en caso necesario. Se incluyen fotos de estos de corte.
- PROGRAMA EXTRAESCOLAR (EN EL CENTRO JUVENIL ALUM ROCK)
- INFORMACIÓN DE EMERGENCIA Y MAPA DE EVACUACIÓN - Esta sección contiene información de emergencia y plan de salida que nos ha sido proporcionada por nuestro Programa Extraescolar operado por un socio de la comunidad en el Centro Juvenil Alum Rock de al lado.
- 2023-2024 REGISTROS DE SIMULACROS DE EVACUACIÓN - Esta sección contiene las fechas, horas y notas relevantes de los simulacros de evacuación realizados durante el año escolar.

2021-22 Tamaño medio de las clases de secundaria y distribución del tamaño de las clases

Esta tabla muestra el tamaño medio de las clases en 2021-22 y su distribución. Las columnas tituladas "Número de clases" indican cuántas clases corresponden a cada categoría de tamaño (un rango de estudiantes totales por aula). En el nivel de secundaria, esta información se presenta por asignatura y no por grado.

Ejercicio 2023-24 Tipos de servicios financiados

La Escuela Popular cree que las asociaciones con organismos externos a la escuela son importantes para ampliar los servicios de apoyo y las oportunidades de enriquecimiento de nuestros alumnos.
estudiantes y familias. Los objetivos generales con las asociaciones están relacionados con nuestro objetivo LCAP, para proporcionar a los estudiantes y las familias con la académica necesaria y
recursos sociales y emocionales para apoyar el rendimiento académico y la retención. Al hacer accesibles los servicios de apoyo a nuestros estudiantes y familias, esperamos
se reducen las tasas de absentismo escolar, el absentismo crónico, las suspensiones y las remisiones disciplinarias, lo que traduce en un mayor rendimiento académico.
Anualmente revisaremos los datos locales y los datos del Cuadro de mandos para determinar la eficacia de nuestras asociaciones en

nuestros alumnos. Las siguientes asociaciones proporcionan servicios médicos in situ a nuestros estudiantes y familias:

- Departamento de Conducta del Condado de Santa Clara
- Servicios sanitarios Gardner
- La furgoneta médica de Santa Clara Valley Hospitals ofrece servicios médicos gratuitos a los estudiantes en el campus dos veces al mes.

Escuela Popular desarrolla activamente asociaciones con organizaciones legales como SIREN, la Oficina de Asuntos de Inmigrantes del Condado de Santa Clara y ConXion to Community para proporcionar a los estudiantes apoyo en cuestiones de inmigración, vivienda, salud y asuntos legales.

También proporcionamos:

- Guardería gratuita
- Clases para padres
- Pases de autobús

Además, contamos con un gestor de casos interno dedicado a poner en contacto a los estudiantes con los servicios necesarios para satisfacer sus necesidades. Algunos de los servicios son:

WYCA Organización sin ánimo de lucro dedicada a eliminar el racismo, capacitar a las mujeres y promover la paz, la justicia, la libertad y la dignidad para todos.

AACI Maltrato doméstico

Alcohólicos Anónimos La alegría de vivir y la ilusión de vivir

BILL JONES, SECRETARY OF STATE

ARTICLES OF INCORPORATION

I.

The name of this corporation is ESCUELA POPULAR DEL PUEBLO.

II.

This corporation is a nonprofit public benefit corporation and is not organized for the private gain of any person. It is organized under the Nonprofit Public Benefit Corporation Law for public and charitable purposes.

III.

The specific purpose of this corporation is to provide education, language, employment, survival and other training and skills to impoverished, immigrant and other needy communities; and to promote the culture of the Latino community.

IV.

The name and address in the State of California of this corporation's initial agent for service of process is: Lidia Reguerin, 282 S. King Road, San Jose, California, 95116.

V.

This corporation is organized and operated exclusively for educational, public and charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code.

VI.

No substantial part of the activities of this corporation shall consist of carrying on propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate or intervene in any political campaign (including the publishing or distribution of statements) on behalf of any candidate for public office.

VII.

The property of this corporation is irrevocably dedicated to educational, public and charitable purposes and no part of the net income or assets of this corporation shall ever inure to the benefit of any director, officer or member thereof or to the benefit of any private person.

VIII.

Upon the dissolution or winding up of the corporation, its assets remaining after payment, or provision for payment, of all debts and liabilities of this corporation shall be distributed to a nonprofit fund, foundation or corporation which is organized and operated exclusively for educational, public or charitable purposes and which has established its tax exempt status under Section 501(c)(3) of the Internal Revenue Code.

OFFICE OF THE SECRETARY OF STATE

Lidia Reguerin
LIDIA REGUERIN, INCORPORATOR

BYLAWS

OF

ESCUELA POPULAR DEL PUEBLO

A California Nonprofit Public Benefit Corporation

ARTICLE ONE

SECTION 1. NAME

The name of this corporation is ESCUELA POPULAR DEL PUEBLO.

ARTICLE TWO

SECTION 1. PRINCIPAL OFFICE

The principal office of the corporation for the transaction of its business is located in Santa Clara County, California. The directors may change the principal office from one location to another.

ARTICLE THREE

PURPOSES

SECTION 1. GENERAL PURPOSE

This corporation is a nonprofit public benefit corporation and is not organized for the private gain of any person. It is organized under the Nonprofit Public Benefit Corporation Law for education, public and charitable purposes.

SECTION 2. SPECIFIC AND PRIMARY PURPOSES.

This corporation has been organized, within the context of the general purposes stated above, to

(a) provide education, language, employment, survival, and other training and skills to impoverished, immigrant and other communities in need;

(b) promote the culture of the Latino community

(c) engage in any other educational, public or charitable activities as determined to be appropriate by the Board of Directors.

Escuela Popular del Pueblo has been formed for these purposes because many people in today's society, whether they be American-born or immigrant, face many challenges which prevent them from becoming fully functioning, integrated members of the community; because these challenges are severely acute within the Latino community; and because governmental and traditional institutions often can not meet their educational, employment, economic, social, language and other needs,

SECTION 2. LIMITATIONS

No substantial part of the activities of this corporation shall consist of carrying on propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate or intervene in any political campaign (including the publishing or distribution of statements) on behalf of any candidate for public office.

The property of this corporation is irrevocably dedicated to public and charitable purposes and no part of the net income or assets of this corporation shall ever inure to the benefit of any director, officer or member thereof or to the benefit of any private person. Upon the dissolution or winding up of the corporation, its assets remaining after payment, or provision of payment, of all debts and liabilities of this corporation shall be distributed to a nonprofit fund, foundation or corporation which is organized and operated exclusively for education, public or charitable purposes and which has established its tax exempt status under Section 501(c)(3) of the Internal Revenue Code.

ARTICLE FOUR

SECTION 1. MEMBERSHIP.

This corporation shall have no members.

ARTICLE FIVE

DIRECTORS

SECTION 1. POWERS.

a). General Corporate Powers. Subject to the provisions of the California Nonprofit Corporation Law and any limitations in the Articles of Incorporation and these Bylaws, The business and affairs of the Corporation shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors.

b). Specific Powers. Without prejudice to these general powers, and subject to these same limitations, the directors shall have the power to:

i) Select and remove the officers of the Corporation; prescribe any powers and duties for them that are consistent with law, with the Articles of Incorporation and with these Bylaws.

ii) Change the principal executive office or the principal business office in the State of California from one location to another.

iii) To establish the major policies governing the operations of the Corporation, and shall have the general supervision and control of the business and the affairs of the Corporation, and shall make rules and regulations

consistent with law, with the Articles of Incorporation and these Bylaws for the management of the operations of the Corporation, officers, employees, and agents of the Corporation.

iv) To change the principal office for the transaction of the business of the Corporation from one location to another within the same county, to fix and locate from time to time one or more subsidiary offices for the Corporation within the County of Santa Clara; to adopt, make, and use the corporate seal, and to prescribe the

forms of certificates of membership, if any to be used, and to alter such seal and forms from time to time as, in their judgment, they deem best, provided such certificates at all times comply with the provisions of law.

v) To borrow money or incur indebtedness for the purposes of the Corporation, and to cause to be executed and delivered thereof, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecation, or other evidences of debt and securities, therefor.

vi) To delegate to an Executive Committee, any of the powers or authority of the Board in the management of the business and affairs of the Corporation, except the powers to adopt, amend and repeal the Bylaws. The Board of Directors shall have the power to prescribe the manner in which the proceedings of the Executive Committee, or any other committee, shall be conducted.

vii) To select and remove the Chief Executive Officer of the Corporation. To prescribe the powers and duties of all the officers, agents, and employees of the Corporation so long as such powers and duties are consistent with law, with the Articles of Incorporation, and with these Bylaws. To fix the compensation, if any, of the officers, agents and employees of the Corporation.

viii) To install an accounting system which shall be adequate to the requirement of the operations of the Corporation and to maintain proper records of all business transactions. Once in each year, the Board of Directors shall secure the services of a competent certified public accountant, who shall make a careful audit of the books and accounts of the Corporation and render a report in writing thereof, which report shall be submitted to the Board of Directors of the Corporation at their annual meeting. This report shall include at least: 1) a balance sheet showing the true assets and liabilities of the Corporation, and 2) a ledger which shall show all of the receipts and all of the expenses of the Corporation during such period.

ix) To select one or more banks to act as depositories of the funds of the Corporation and to determine the manner of receiving, depositing, and disbursing the funds of the Corporation, and the form of checks, and the persons by whom they shall be signed, with the power to change such banks and the person, or persons, signing such checks, and the forms thereof, at will.

SECTION 2. NUMBER OF DIRECTORS.

The authorized number of directors shall be seven.

SECTION 3. ELECTION AND TERM OF OFFICE OF DIRECTORS.

a). The term of office for directors shall be one year. A director may serve consecutive terms.

b). Directors to fill expiring terms shall be nominated and elected at each annual meeting of the Corporation; however, if any annual meeting is not held or the directors are not elected at any annual meeting, they may be elected at any special members' meeting held for that purpose.

c). Each director, including a director elected to fill a vacancy or elected at a special members' meeting, shall hold office until expiration of the term for which elected and until a successor has been elected and qualified.

d). Any person 18 years of age or older and of good character may be nominated to serve as a director by a director or member in good standing.

SECTION 4. VACANCIES.

Except for vacancies created by removal of a director, vacancies on the board may be filled by a majority of the directors then in office, whether or not a quorum, or by a sole remaining director.

SECTION 5. REGULAR MEETINGS.

Regular meetings of the Board of Directors may be held at any place within or without California that has been designated from time to time by the Board.

SECTION 6. ANNUAL MEETING.

The annual meeting of the Corporation shall be held once a year on a date fixed by the Board of Directors, after notice pursuant to these Bylaws, for the purpose of organization, election of officers, and the transaction of other business.

SECTION 7. SPECIAL MEETINGS.

Special meetings may be called by or at the request of the President or any four directors. The day, place, and time of such meeting, and the general nature of the business to be transacted, shall be as set forth in the notice thereof.

SECTION 8. NOTICE OF MEETINGS.

a). General Notice Contents. All notices of meetings shall be sent or otherwise given in accordance with Subsection (c) of this section 8 not less than 10 nor more than 90 days before the date of the meeting. The notice shall specify the date, place, and hour of the meeting, and the general nature of the business to be transacted.

b). Notice of Certain Agency Items. If action is proposed to be taken at any meeting for approval of any of the following proposals, the notice shall also state the general nature of the proposal. Action on such items is invalid unless the notice or written waiver of notice states the general nature of the proposal(s):

(i) Removing a director without cause;
(ii) Filling vacancies on the Board of Directors;
(iii) Amending the Articles of Incorporation;
(iv) Voluntarily dissolving the Corporation.

c). Manner of Giving Notice. Notice of any meeting shall be given either personally or by first-class mail, telegraphic or other written communication, charges prepaid, addressed to each member either at the address of that member on the books of the Corporation or the address given by the member to the Corporation for the purposes of notice. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by telegram, fax, or other means of written communication.

SECTION 9. QUORUM.

A majority of the authorized number of directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, except to adjourn as provided in Section 9 of this Article. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except as otherwise provided by law. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of any director(s), if any action taken is approved by at least a majority of the quorum required for that meeting.

SECTION 10. MAJORITY ACTION AS BOARD ACTION

Every act or decision done or made by a majority of the directors present at a meeting duly held at which quorum is present is the act of the Board of Directors, unless the Articles of Incorporation or Bylaws of this Corporation, or provisions of the California Nonprofit Public Benefit Corporation Law, particularly those provisions relating to appointment of

committees (Section 5212), approval of contracts or transactions in which a director has a material financial interest (Section 5233) and indemnification of directors (Section 5238ce), require a greater percentage or different voting rules for approval of a matter by the board.

SECTION 11. ADJOURNMENT.

A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

SECTION 12. RULES OF ORDER.

Conduct of all meetings shall be covered by Roberts Rules of Order except when such Rules would conflict with the Articles of Incorporation, Bylaws, or any Corporate resolution.

SECTION 13. ACTION WITHOUT A MEETING.

Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all members of the Board, individually or collectively, consent in writing to the action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board. Such written consent(s) shall be filed with the minutes of proceedings of the Board.

SECTION 14. RESIGNATION.

Any director may resign effective on giving written notice to the President or the Secretary, unless the notice specifies a later time for the resignation to become effective. Unless otherwise specified in the notice the acceptance of the resignation shall not be necessary to make it effective.

SECTION 15. REIMBURSEMENT.

Directors may receive reimbursement of expenses, as may be determined by resolution of the Board of Directors to be just and reasonable.

SECTION 16. NO PERSONAL LIABILITY.

Directors shall not be personally liable for the debts, liabilities or other obligations of the Corporation.

SECTION 17. RESTRICTION ON INTERESTED DIRECTORS.

Not more than 49% of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person compensated by the Corporation for services rendered to it within the

previous 12 months, whether as a full-time or part-time employee, independent contractor, or otherwise, and (ii) any brother, sister, ancestor, descendent, spouse, brother-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provisions of this paragraph shall not affect the validity or enforceability of any transaction entered into by the Corporation.

ARTICLE SIX

COMMITTEES

SECTION 1. COMMITTEES.

The Board of Directors may, by resolution adopted by a majority of the directors then in office, designate one or more committees, each consisting of two or more directors, to serve at the pleasure of the board.

SECTION 2. FUNCTIONS AND RESPONSIBILITIES.

The Board of Directors shall prescribe the functions and responsibilities of standing committees upon creation of any such committees.

SECTION 3. EXECUTIVE COMMITTEE.

Pursuant to Section 1 of this Article, the Board may appoint two or more directors, one of whom shall be the President, to serve as the Executive Committee of the Board.

ARTICLE SEVEN

OFFICERS

SECTION 1. OFFICERS.

The Corporation shall have the following principal officers: President, Vice President, Secretary and Treasurer. The Board may designate by resolution other officers and assistant officers it may deem necessary.

SECTION 2. REMOVAL OF OFFICERS.

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, with or without cause, by the Board of Directors.

SECTION 3. RESIGNATION OF OFFICERS.

Any officer may resign effective on giving written notice to the President or the Secretary, unless the notice specifies a later time for the resignation to become effective. Unless otherwise specified in the notice, the acceptance of the resignation shall not be necessary to make it effective.

SECTION 4. VACANCIES IN OFFICE.

A Vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled only in the manner prescribed by these Bylaws for regular appointments to that office.

SECTION 5. RESPONSIBILITIES OF OFFICERS.

a). President. The President shall be the chief executive officer of the Corporation and shall, subject to the control of the Board of Directors, supervise and control the affairs of the Corporation and the activities of the officers. He or she shall perform all duties incident to his or her office and such other duties as may be required by the Articles of Incorporation, or by these Bylaws, or which may be prescribed from time to time by the Board of Directors. The President shall preside at all meetings of the membership and of the Board of Directors. Except as otherwise expressly provided by law, by the Articles of Incorporation, or by these Bylaws, he or she shall, in the name of the Corporation, execute such deeds, mortgages, bonds, contracts, checks, or other instruments, which may from time to time be authorized by the Board of Directors.

b). Vice President. The Vice President of the Board shall possess the powers and discharge the duties of the President in the latter's absence or disability.

c). Secretary. The Secretary shall: (i) Keep the minutes of the meetings of the proceedings of the Board of Directors in one or more books provided for that purpose; (ii) see that all notices are duly given in accordance with the provisions of these bylaws or as required by law; (iii) be custodian of the corporate records and of the seal of the Corporation, and see that the seal is affixed to all documents the execution of which under seal is duly authorized; (iv) Keep a register of the post office address of each member which shall be furnished to the Secretary by such member; (v) Sign with the President or Vice-President any and all authorized corporate documents, the execution of which shall have been authorized by resolution of the Board of Directors; and (vi) In general, perform all duties incident to the Office of Secretary and such other duties as from time to time may be assigned by the Board of Directors or the President.

d). Treasurer. The Treasurer shall keep and maintain, or cause to be kept and maintained in accordance with generally accepted accounting principles, adequate and correct accounts of the properties and business transactions of the Corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, earnings (or surplus). The books of account shall at all reasonable times be open to inspection by any Director.

This officer shall deposit all moneys and other valuables in the name and to the credit of the Corporation with such depositaries as may be designated by the Board of Directors. He/She shall disburse the funds of the Corporation as may be ordered by the Board of Directors, shall render to the President and Directors, whenever they request it, an account of all of his/her transactions and of the financial condition of the Corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or the Bylaws.

ARTICLE EIGHT

RECORDS AND REPORTS

SECTION 1. MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS.

The Corporation shall keep at its principal office the original or a copy of the Articles and Bylaws as amended to date, which shall be open to inspection by the members at all reasonable times during office hours.

SECTION 2. MAINTENANCE AND INSPECTION OF OTHER CORPORATE RECORDS.

The accounting books, records, and minutes of proceedings of the members and the Board of Directors and any committee(s) of the Board of Directors shall be kept at such place or places designated by the Board of Directors, or, in the absence of such designation, at the principal executive office of the Corporation.

SECTION 3. INSPECTION BY DIRECTORS.

Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the Corporation.

SECTION 4. ANNUAL REPORT.

The Board shall cause an annual report to be furnished not later than one hundred and twenty (120) days after the close of the Corporation's fiscal year to all directors of the Corporation and, which report shall contain the following information in appropriate detail:

a). The assets and liabilities, including the trust funds, of the Corporation as of the end of the fiscal year;

b). The principal changes in assets and liabilities, including trust funds, during the fiscal year;

c).. The revenue or receipts of the Corporation, both unrestricted and restricted to particular purposes, for the fiscal year;

d). The expenses or disbursements of the Corporation, for both general and restricted purposes, during the fiscal year;

e). Any information required by Section 6 of this Article.

The annual report shall be accompanied by any report thereon of independent accountants, or, if there is no such report, the certificate of an authorized officer of the Corporation that such statements were prepared without audit from the books and records of the Corporation.

SECTION 5. ANNUAL STATEMENT OF SPECIFIC TRANSACTIONS.

This Corporation shall mail or deliver to all directors a statement within one hundred and twenty (120) days after the close of its fiscal year which briefly describes the amount and circumstances of any indemnification or transaction of the following kind:

a). Any transaction in which the Corporation, or its parent or subsidiary, was a party, and in which either of the following had a direct or indirect material financial interest:

(i) Any director or officer of the Corporation, or its parent or subsidiary (a mere common directorship shall not be considered a material financial interest); or

(ii) Any holder of more than ten percent (10%) of the voting power of the Corporation, its parent or its subsidiary.

The above statement need only be provided with respect to a transaction during the previous fiscal year involving more than Fifty Thousand Dollars ($50,000) or which was one of a number of transactions with the same persons involving, in the aggregate, more than Fifty Thousand Dollars ($50,000).

Similarly, the statement need only be provided with respect to indemnifications or advances aggregating more than Ten Thousand Dollars ($10,000) paid during the previous fiscal year to any director or officer, except that no such statement need be made if such indemnification was approved

by the members pursuant to Section 5238(e)(2) of the California Nonprofit Public Benefit Corporation Law.

Any statement required by this Section shall briefly describe the names of the interested persons involved in such transactions, stating each person's relationship to the Corporation, the nature of such person's interest in the transaction and where practical, the amount of such interest, provided that in the case of a transaction with a partnership of which such person is a partner, only the interest of the partnership need be stated.

ARTICLE NINE

CONTRACTS, LOANS, CHECKS, DEPOSITS, ETC.

SECTION 1. CONTRACTS.

The Board of Directors may authorize any officer(s) or agent(s) to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 2. LOANS.

No loans shall be contracted on behalf of the Corporation and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

SECTION 3. CHECKS, DRAFTS, ETC.

All checks, drafts, or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by such officer(s) or agent(s) of the Corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 4. DEPOSITS.

All funds of the Corporation not otherwise employed shall be deposited from time to time to the credit of the Corporation in such banks or other depositories as the Board of Directors may select.

SECTION 5. GIFTS.

The Board of Directors may accept on behalf of the Corporation any contribution, gift, bequest, or devise for the charitable or public purposes of this Corporation.

ARTICLE TEN

RIGHT TO INDEMNIFICATION

SECTION 1. RIGHT TO INDEMNIFICATION.

This Corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any action or proceeding by reason of the fact that such person is or was an officer, director, or agent of this Corporation, or is or was serving at the request of this Corporation as a director, officer, employee, or agent of another foreign or domestic Corporation, partnership, joint venture, or other enterprise, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding, to the fullest extent permitted by law. The indemnification provided herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled, and shall continue as to a person who has ceased to be an agent, officer, or director and shall inure to the benefit of the heirs, executors, and administrators of such a person.

SECTION 2. INSURANCE.

This Corporation shall purchase and maintain insurance on behalf of any director, officer, or agent of the Corporation, against any liability asserted against or incurred by the director, officer, or agent in any such capacity or arising out of the director, officer, or agent's status as such, whether or not the Corporation would have the power to indemnify the director, officer, or agent against such liability under Section 1 of this Article.

ARTICLE ELEVEN

FISCAL YEAR

SECTION 1. FISCAL YEAR.

The fiscal year of the Corporation shall run from July 1 through June 30 of each year. The fiscal year may be changed by the Board of Directors.

ARTICLE TWELVE

AMENDMENTS OF BYLAWS

SECTION 1. AMENDMENT.

Subject to any provision of law applicable to the amendment of Bylaws of public benefit nonprofit corporations, these Bylaws, or any of them, may be altered, amended, or repealed by affirmative vote of a majority of the members of the board of Directors present at any meeting at which a quorum is present.

ARTICLE THIRTEEN

AMENDMENT OF ARTICLES

SECTION 1. AMENDMENT OF ARTICLES.

Any amendment of the Articles of Incorporation may be adopted by approval of the Board of Directors.

SECTION 2. CERTAIN AMENDMENTS.

Notwithstanding the above Sections of this Article, this Corporation shall not amend its Articles of Incorporation to alter any statement which appears in the original Articles of Incorporation of the names and addresses

of the first directors of this Corporation, nor the name and address of its initial agent, except to correct an error in such statement or to delete such statement after the Corporation has filed a "Statement by a Domestic Non-Profit Corporation" pursuant to Section 6210 of the California Nonprofit Corporation Law.

ARTICLE FOURTEEN

PROHIBITION AGAINST SHARING CORPORATE PROFITS AND ASSETS

SECTION 1. PROHIBITION AGAINST SHARING CORPORATE PROFITS AND ASSETS.

No director, officer, employee, or other person connected with this Corporation, or any private individual, shall receive at any time any of the net earnings or pecuniary profit from the operations of the Corporation, provided, however, that this provision shall not prevent payment to any such person of reasonable compensation for services performed for the Corporation in effecting any of its public or charitable purposes, provided that such compensation is otherwise permitted by these bylaws and is fixed by resolution of the Board of Directors; and no such person or persons shall be entitled to share in the distribution of, and shall not receive, any of the corporate assets on dissolution of the Corporation. All members, if any, of the Corporation shall be deemed to have expressly consented and agreed that on such dissolution or winding up of the affairs of the Corporation, whether voluntarily or involuntarily, the assets of the Corporation, after all debts have been satisfied, shall be distributed as required by the Articles of Incorporation of this Corporation and not otherwise.

ARTICLE FIFTEEN

PROHIBITION AGAINST RACIAL DISCRIMINATION IN SERVICES

SECTION 1. PROHIBITION AGAINST RACIAL DISCRIMINATION IN SERVICES

It is the policy of Escuela Popular not to discriminate on the basis of sex, age, religion, race or national origin, sexual orientation, or handicapping condition in its educational programs and activities or in the recruitment and employment of personnel.

SECTION 2. DISSEMINATION OF ANTI-DISCRIMINATION POLICY.

The policy of non-discrimination described in Section 1 shall be publicly disseminated and publicly displayed in an appropriate manner wherever any corporation activities are carried out.

CERTIFICATE OF SECRETARY

I certify that I am the duly elected and acting Secretary of Escuela Popular del Pueblo, a California nonprofit public benefit corporation, that the above bylaws, consisting of fifteen articles, are the bylaws of the corporation as adopted by the board of directors on September 8, 2000, and that they have not been amended or modified since that date.

Executive on September, 8, 2000 at San Jose, California.

Martha S. Bean

Secretary

Bylaws Amendment

Resolution relating to Amendment of Bylaws

The following are resolutions to amend the Bylaws, as previously amended, of Escuela Popular Del Pueblo:

ARTICLE FIVE

DIRECTORS

SECTION 2. NUMBER OF DIRECTORS

Whereas the Board has increased the number of Directors, two of which are to be nominated by Center for Training and Careers/WorkNet, therefore be it resolved that Section 2, which currently states:

> "The authorized number of directors shall be nine."

Be amended to read:

> "The authorized number of directors shall be ten, two of which shall be nominated by Center for Training and Careers/WorkNet (the "CTC Representatives") and elected in accordance with these Bylaws, and the remaining seven of which (the "Escuela Popular Representatives") shall be nominated by the Escuela Popular Representatives and elected in accordance with these Bylaws. In addition, In accordance with Education Code Section 47604(b), East Side Union High School District (ESUHSD) shall be entitled to a single non-voting representative on the Corporation's Board of Directors. However, pursuant to Education Code §47604(c), ESUHSD's representative presence on the Board does not make it liable for the debts or obligations of the Corporation."

SECTION 3. ELECTION AND TERM OF OFFICE OF DIRECTORS

Whereas the Board deems it desirable and in the best interests of the Corporation to specify the manner in which the CTC Representatives and the Escuela Popular Representatives on the Board of Directors are to be nominated and elected, therefore be it resolved that Section 3 is hereby deleted and replaced in its entirety with the following:

> "a) The term of office of directors shall be one year. A director may serve consecutive terms.
> b) CTC Representatives shall be nominated by Center for Training and Careers/WorkNet, and will be elected only upon majority vote of the Escuela Popular Representatives based upon the presence of a quorum.

c) Escuela Popular Representatives shall be nominated by a majority of the existing Escuela Popular Representatives, and will be elected only upon majority vote of the Escuela Popular Representatives based upon the presence of a quorum.
d) Directors to fill expiring CTC Representative terms shall be nominated by Center for Training and Careers/WorkNet, and elected only upon majority vote of the Escuela Popular Representatives based upon the presence of a quorum at each annual meeting of the Corporation; however if any annual meeting is not held or the directors are not elected at any annual meeting, they may be elected at any special meeting held for that purpose.
e) Directors to fill expiring Escuela Popular Representative terms shall be nominated by existing Escuela Popular Representatives, and elected only upon majority vote of the Escuela Popular Representatives based upon the presence of a quorum at each annual meeting of the Corporation; however if any annual meeting is not held or the directors are not elected at any annual meeting, they may be elected at any special meeting held for that purpose.
f) Each director, including a director elected to fill a vacancy or elected at a special meeting, shall hold office until expiration of the term for which elected and until a successor has been elected and qualified.
g) Any person 18 years of age or older and of good character may be nominated to serve as a director by Center for Training and Careers/WorkNet or the Escuela Popular Representatives, as applicable."

SECTION 4. VACANCIES.

Whereas the Board deems it desirable and in the best interests of the Corporation to specify the manner in which CTC Representative vacancies and Escuela Popular Representative vacancies on the Board of Directors are to be filled, therefore be it resolved that Section 4 is hereby deleted and replaced in its entirety with the following:

> "Except for vacancies created by removal of a director, (a) a CTC Representative vacancy on the Board may be filled by a person nominated by Center for Training and Careers/WorkNet and elected only upon majority vote of the Escuela Popular Representatives then in office, whether or not a quorum, or by a sole remaining director, and (b) an Escuela Popular vacancy on the Board may be filled by a person nominated by the existing Escuela Popular Representatives, and elected only upon majority vote of the Escuela Popular Representatives then in office, whether or not a quorum, or by a sole remaining director."

SECTION 9. QUORUM

Whereas the Board deems it desirable and in the best interests of the Corporation to change the quorum requirements for the transaction of business at any meeting of the Board of Directors, therefore be it resolved that Section 9 is hereby deleted in its entirety and replaced with the following:

"A majority of the directors then in office shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, except to adjourn as provided in Section 11 of this Article. The act of a majority of the voting directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except as otherwise provided by law. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of any director(s), if any action taken is approved by at least a majority of the quorum required for that meeting."

ESCUELA POPULAR DEL PUEBLO

CONFLICT OF INTEREST CODE

I. ADOPTION

In compliance with the Political Reform Act of 1974, California Government Code Section 87100, et seq., Escuela Popular adopts this Conflict of Interest Code ("Code"), which shall apply to all board members, and all other designated employees of Escuela Popular ("Charter School"), as required by California Government Code Section 87300.

II. DEFINITION OF TERMS

As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations Section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.

III. DESIGNATED EMPLOYEES

Board members and employees who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be "Designated Reporters." The Designated Reporters are listed in "Exhibit A" attached to this Code and incorporated by reference.

IV. STATEMENT OF ECONOMIC INTERESTS: FILING

Each Designated Reporter shall file a Form 700 Statement of Economic Interest ("Form 700") at the time and manner prescribed by California Code of Regulations, Title 2, Section 18730, disclosing financial interests as assigned in Exhibit A. The specific financial disclosure responsibilities assigned to each Designated Reporter are set forth in Exhibit B.

Filing of Annual Statements. All Statements shall be supplied to the Charter School. All Statements shall be filed with the Charter School. The Charter School's filing officer shall make and retain a copy of the Statements.

V. DISQUALIFICATION

No Designated Reporter shall make, participate in making, or try to use his/her official position to influence any Charter School decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the Designated Reporter or a member of his or her immediate family.

VI. MANNER OF DISQUALIFICATION

A. Designated Reporters Who are NOT Board Members

When a Designated Reporter who is not a Board member determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Executive Director or designee, who shall record the employee's disqualification. In the case of a conflict involving the Executive Director, this determination and disclosure shall be made in writing to the Board.

B. Board Member Designated Reporters

The Charter School shall not enter into a contract or transaction in which a director directly or indirectly has a material financial interest (nor shall the Charter School enter into any contract or transaction with any other corporation, firm, association, or other entity in which one or more of the Charter School's directors are directors and have a material financial interest).

EXHIBIT A

DESIGNATED POSITIONS

Designated Reporter - Title	Assigned Disclosure Category
Governing Board Members	1, 2, 3
Executive Director	1, 2, 3
Deputy Director	1, 2, 3
Principals	2
Business Manager	1, 2, 3
Office Manager	3
Consultants/New Positions	*

*Consultants/New Positions are included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code, subject to the following limitation:

The Executive Director or designee may determine in writing that a particular consultant or new position, although a "designated position" is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this section. Such written determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Executive Director's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code. (Govt. Code § 81008.)

EXHIBIT B

DISCLOSURE CATEGORIES

Category 1

Designated positions assigned to this category must report:

All interests in real property which are located in whole or in part within two (2) miles of any facility utilized by the Charter School, including any leasehold, beneficial or ownership interest or option to acquire such interest in real property.

Category 2

Designated positions assigned to this category must report:

Investments i and business positions in business entities and sources of income (including gifts, loans, and travel payments) that are contractors engaged in performance of work or services, or sources that manufacture, sell, repair, rent or distribute school supplies, books, materials, school furnishings or equipment of the type to be utilized by the Charter School.

Category 3

Designated positions assigned to this category must report:

Investments and business positions in business entities and sources of income (including gifts, loans, and travel payments) that are contractors engaged in the performance of work or services, or sources that manufacture, sell, repair, rent or distribute school supplies, books, materials, school furnishings or equipment of the type to be utilized by the designated position's department.

4913-3387-9307, v. 1

Appendix 22: Board Member Biographies

The current members of the Board and their current terms are as follows:

Name	Position	Start	End
Dr. Pablo Reguerin	Chair	11/30/2025	11/30/2026
Dr. Ellen Middaugh	Vice-Chair	11/30/2025	11/30/2026
San Juana Ochoa	Secretary	11/30/2025	11/30/2026
Maria del Rocio Preciado	Treasurer	11/30/2025	11/30/2026
Dr. Bernard Gifford	Member	11/30/2025	11/30/2026
Robert Escobar	Member	11/30/2025	11/30/2026
Dr. Sherry Segura	Member	11/30/2025	11/30/2026

Brief biographical information about the members of the Board follows below.

Dr.Pablo Guillermo Reguerín, M.A. – Chair. Pablo Guillermo Reguerín currently serves as the Vice Chancellor for Student Affairs for UC Davis and previously served as the Executive Director for Retention Services and Educational Opportunity Programs at the University of California, Santa Cruz. As vice chancellor, Pablo Reguerín oversees the nearly 30 units that make up the Division of Student Affairs, including programs and partnerships that promote student learning and success, personal growth, and lifelong education. He has served as principal investigator on multiple U.S. Department of Education Hispanic Serving Institution, Title V and Title III grants, totaling more than $15 million. Mr. Reguerín received his Bachelor of Arts degree from UC Santa Cruz in Latino and Latin American Studies, his Master of Arts degree from Teachers College, Columbia University in Educational Leadership and Administration, and his doctorate in education from the UC Davis School of Education CANDEL (Capitol Area North Doctorate in Educational Leadership) Program in 2017.

Sanjuana Ochoa – Secretary. Sanjuana Ochoa is currently a faculty member of Escuela Popular. She began at EP as one of the first students in 1986 and soon after she was recruited by EP's founder, Lidia Reguerin, to become one of the first homegrown ESL teachers eventually moving into administration and instructional leadership. Mrs. Ochoa received her Bachelor of Arts in Liberal Studies from The National Hispanic University in 2005 and her Single Subject Teaching Credential from REACH Institute for School Leadership. Mrs. Ochoa has over 35 years of teaching experience in language acquisition, social studies, basic math and Spanish Literature. San Juana has served as an Instructional Mentor and Department Head for over 12 years. Mrs. Ochoa had the privilege of working closely with Maestra Lidia Reguerin and carries forth the principles of popular education and the essence of Escuela Popular in her leadership

Maria del Rocio Preciado – Treasurer. Rocio was born in Guadalajara, Jalisco, Mexico. She emigrated to the United States at the age of nine along with her parents and her younger sister. She grew up in Oakland, California where she had the privilege of attending a College Preparatory high school. She graduated from UC Santa Cruz with a Bachelor of Arts in Psychology and Feminist Studies. At UC Santa Cruz she interned at the Education Opportunity Programs AB540 Student Services where she supported and mentored college students. Currently, Rocio is a Community Engagement Manager for Immigrants Rising, a nonprofit organization whose mission is to empower undocumented young people to achieve educational and career goals through personal, institutional and policy transformation.

Bernard Gifford, Ph.D. – Member. Dr. Gifford served a professor at UC Berkley whose research interests include theories of computer-mediated, collaborative learning; the impact of networking and communications technologies on student learning activities and teacher pedagogical practices; the behavior of organizations during periods of rapid technological change; and the changing political economy of U.S. higher education. Current research focuses on how standards-based, computer-mediated learning materials can reduce the achievement gap between mainstream students and students who traditionally have not been well served by conventional classrooms. His numerous books include Policy Perspectives on Educational Testing (1993) and Employment Testing: Linking Policy and Practice (with L. Wing, 1993). Dr. Gifford holds a Ph.D. in Biophysics from the University of Rochester.

Robert Escobar– Member. Robert is a dedicated community leader with a strong background in public service, nonprofit management, and human resources. He currently serves as the Executive Director of the José Valdés Math Foundation, overseeing policy development and program implementation to support math education for underserved students. Robert retired as Deputy Director of Human Resources for the Santa Clara Valley Transportation Authority, where he led labor contract negotiations and workforce planning. He has also served as a Planning Commissioner for both the County of Santa Clara and the City of Morgan Hill. Deeply committed to community advocacy, Robert volunteers with Latinas Contra Cancer and the El Toro Youth Association and serves on the board of San José Jazz. He previously led the San Jose Development Corporation, a nonprofit focused on economic development in low-income communities. A U.S. Army veteran, he served from 1968 to 1971, including a tour in South Vietnam.

Ellen Middaugh, Ph.D. – Member. Ellen is an Assistant Professor of Child and Adolescent Development in the Lurie College of Education at San José State University. Her research focuses on the influence of varied social contexts on youth civic identity development and on the implications of digital media for positive youth development. Recent publications include *U Suk! Participatory media and youth experiences with political discourse in* Youth & Society (Middaugh, Bowyer & Kahne, 2016), The Social and Emotional Components of Gaming (Middaugh, 2016) and *Youth comprehension of political messages in YouTube videos* (Bowyer, Kahne & Middaugh, 2015). She previously served as Research Director for the Mills College Civic Engagement Research Group. Ms. Middaugh earned her Ph.D. in Human Development and Education from UC Berkeley in May 2009.

Sherry Segura, Ph.D – Member. Sherry is the Chief Executive Officer/Superintendent for The Foundation for Hispanic Education. She represents charter schools on the ACS WASC Commission. Sherry has over 29 years of educational experience and is a proud product of the California public school system. She served as a middle school English language arts, English language development, and reading intervention teacher. Sherry received a Bachelor of Arts degree in Humanities and Fine Arts from the University of Central Florida. She earned a Master of Education from the University of Houston and a Doctor of Philosophy in Curriculum and Instruction from the University of Denver. She is currently an adjunct professor in the School of Education and Psychology at Santa Clara University.

WELCOME

WELCOME TO ESCUELA POPULAR!

We are happy to have you join us at Escuela Popular ("EP" or the "School"). We believe our school is truly unique. We serve a diverse group of talented and hardworking students. We regard the work we do as being of utmost importance. Therefore, we have very high expectations for professionalism and performance for each one of our employees. All employees should treat all individuals, including students, teachers, administrators, volunteers, and family members, with respect, and approach all situations as opportunities to learn.

This handbook has been written to provide you with an overview of EP, its personnel policies and procedures, and your benefits as an EP employee.

This handbook is intended to explain in general terms those policies that most often apply to your day-to-day work activities. This handbook cannot anticipate every situation or answer every question about employment, and it is not an employment contract. Employees are expected to read this handbook thoroughly upon receipt, to know and abide by the policies outlined herein, and as revised over time, throughout their employment. No EP, guideline, practice, manual or rule may alter the "at-will" status of your relationship with EP.

In order to retain necessary flexibility in the administration of its policies, procedures and benefits, EP reserves the right to change, deviate from, eliminate, or revise the handbook, except for the at-will provisions, at any time, without notice, whenever EP determines that such action is warranted. For these reasons, we urge you to check with the Human Resources department to obtain current information regarding the status of any particular policy, procedure or practice. This handbook supersedes and replaces all previous personnel policies, practices and procedures.

I welcome you and wish you great success and fulfillment at EP.

Sincerely

Patricia Reguerin
Executive Director

GENERAL

This handbook serves as a guide for the employer/employee relationship. This handbook applies to faculty and staff at EP. The standards of conduct apply to all individuals who work on the school premises including independent contractors, vendors, and visitors. Unless otherwise indicated, a benefit, policy, program, or procedure applies, or is available, to ALL eligible employees.

This handbook contains only general information and guidelines. It is not intended to be comprehensive or to address all the possible applications of, or exceptions to, the general policies and procedures described. For that reason, if you have any questions concerning eligibility for a particular benefit, or the applicability of a policy or practice to you, you should address your specific questions to your supervisor or the Human Resources department. You are responsible for reading, understanding, and complying with the provisions of this Handbook. Our objective is to provide you with a work environment that is constructive to both personal and professional growth.

Neither this handbook nor any other EP document confers any contractual right, either express or implied, to remain in EP's employ, nor does it guarantee any fixed term or condition of your employment. Except as otherwise provided in an executed employment agreement, your employment is not for any specified period of time and may be terminated at will, with or without cause and without prior notice, by EP or you may resign for any reason at any time.

No supervisor or other representative of EP except the Executive Director, with the approval of the Board of Directors, has the authority to enter into any agreement for employment for any specified period of time, or to make any agreement contrary to the above. Second, the procedures, practices, policies and benefits described herein may be modified or discontinued from time to time with or without advance notice. We will try to inform you of any changes as they occur.

Finally, this handbook contains proprietary information that should not be disclosed outside EP, other than to individuals affiliated with EP whose knowledge of the information is required in the normal course of business.

OUR MISSION/VISION/PHILOSOPHY

MISSION STATEMENT

Our Family Learning Center believes that teaching is an act of love through which learning is reciprocal. We develop bilingual, bi-cultural students fully prepared to continue onto higher education and empowered to pursue their goals in a global society.

VISION STATEMENT

Escuela Popular educates to transform lives.

ACADEMIC PHILOSOPHY

Escuela Popular was founded by Lidia Reguerín in September 1986 primarily to provide necessary educational resources to the East San José immigrant community.

Escuela Popular staff and faculty strive to support whole families in making education priority. Escuela Popular provides the following programs:

- Childcare Development Program;
- 80/20 Dual Language Immersion Program (Spanish/English);
- High School Program for students under 19 years of age;
- High School Program for students over 19 years of age.

EMPLOYMENT

EMPLOYMENT APPLICATIONS

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

AT-WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and EP will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, EP may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called "employment at-will," and no one other than the Executive Director of EP, with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict EP's right to terminate at-will.

EQUAL EMPLOYMENT OPPORTUNITY

EP is an equal opportunity employer. In accordance with applicable law, the School prohibits discrimination against any employee or applicant for employment on the basis of an individual's protected status, including race (which includes associated traits, such as hair styles and protective hairstyles, e.g., braids, locks, and twists and hair texture), color, religious creed (which includes, without limitation to religious dress and grooming practices), gender, gender identity, gender expression, transgender identity whether or not the employee is transitioning or has transitioned, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability (including HIV and AIDS), mental disability, medical condition (including cancer and genetic characteristics), use of cannabis/marijuana off the job and away from the workplace, genetic information, age (forty (40) and over), sexual orientation, marital status, registered domestic partner status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), reproductive health decision-making (including but not limited to a decision to use or access a particular drug, device or product or medical services for reproductive health), military or veteran status (including state and federal active and reserve

members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical and other protected leaves, domestic violence victim status, political affiliation, any combination of these characteristics, or any other consideration protected by applicable law. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics or a combination of these characteristics. The School will ensure that applicants and employees are treated in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to the School. An applicant or employee who believes they requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation they need to perform the job. Although the need for accommodations is determined on a case-by-case basis, generally EP and the employee or applicant will engage in an interactive process with the employee's or applicant's health care provider(s) to confirm the existence of the condition, its limitations in the workplace, and possible reasonable accommodations, if any. The employee or candidate has an obligation to cooperate with EP in this process, which may include authorizing EP to communicate with their health care provider(s).

If you believe you have been subjected to discrimination, please follow the complaint procedure outlined below.

HARASSMENT

It is the policy of EP to ensure equal employment opportunity without harassment on the basis of race (which includes associated traits, such as hair styles and protective hair styles, e.g., braids, locs, and twists, and hair texture), color, religious creed (which includes, without limitation, to religious dress and grooming practices), gender, gender identity, gender expression, transgender identity whether or not the employee is transitioning or has transitioned, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability (including HIV and AIDS), mental disability, medical condition (including cancer and genetic characteristics), use of cannabis/marijuana off the job and away from the workplace, genetic information, age (forty (40) and over), sexual orientation, marital status, registered domestic partner status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), reproductive health decision-making (including but not limited to a decision to use or access a particular drug, device or product or medical services for reproductive health), military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related

protected activities (which includes undocumented individuals and human trafficking), protected medical and other protected leaves, domestic violence victim status, political affiliation, any combination of these characteristics, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics or a combination of these characteristics.

EP prohibits any such harassment in the workplace. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying and that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees.

Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

1. What is Harassment?

   Harassment can take many forms. As used in this Employee Handbook, the term "harassment" includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

   Unlawful Harassment: Prohibited unlawful harassment may include, but is not necessarily limited to, the following behavior pertaining to any of the above protected categories:

   - Verbal conduct such as flirting, epithets, derogatory jokes or comments, voicemails, slurs or unwanted sexual advances, sexually suggestive innuendos, conversations regarding sexual activities, invitations, or comments (including, but not limited to, threats of deportation against applicants and employees and family members of applicants and employees, derogatory comments about immigration status or disability, or mockery of an accent or a language or its speakers) ("hostile work environment" harassment).
   - Disrespectful or unprofessional conduct based on any of the protected categories listed above ("hostile work environment" harassment).
   - Comments or conduct that consistently target one gender, even if the content is not sexual ("hostile work environment" harassment).
   - Visual conduct such as derogatory and/or sexually oriented posters, photography, cartoons, drawings, gestures, text messages,

posts, social media, instant messages, e-mails, letters, pictures, or gifts ("hostile work environment" harassment).

- Physical conduct such as assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of any protected basis ("hostile work environment" harassment).
- Threats and demands to submit to sexual requests or sexual advances as a condition of continued employment or to avoid some other loss and offers of employment benefits in return for sexual favors ("quid pro quo" harassment).
- Communication via electronic media of any type that includes any conduct that is prohibited by state and/or federal law and/or school policy.
- Sexually harassing conduct does need not to be motivated by sexual desire to be unlawful or to violate this policy and may include situations that began as reciprocal relationships but later ceased to be reciprocal.

2. What is abusive conduct/workplace bullying?

Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer's legitimate business interests. Examples may include:

- Use of derogatory remarks, insults and/or epithets.
- Verbal or physical conduct that sabotages or undermines a person's work performance that is threatening, humiliating or intimidating.

Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others.

3. What is Retaliation?

Retaliation against an individual for reporting or threatening to report harassment, discrimination or for participating in an investigation of a claim of such conduct is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

As used in this policy, "retaliation" means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a

violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an "adverse employment action" means conduct or an action that materially affects the terms and conditions of the employee's employment status or is reasonably likely to deter the employee from engaging in further protected activity. Adverse employment actions may include, but are not limited to, the following: demotion; suspension; reduction in pay; denial of a merit salary increase; failure to hire or consider for hire; refusing to promote or consider for promotion because of reporting a violation of this policy; harassing another employee for filing a complaint; denying employment opportunities because of making a complaint or for cooperating in an investigation; changing an employee's work assignments for identifying harassment or other forms of discrimination in the workplace; treating an employee differently such as denying an accommodation; not talking to an employee (the "cold shoulder") when otherwise required by job duties; or otherwise excluding the employee from job-related activities because of engagement in activities protected under this policy.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes they have been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

4. Responsibility

All EP employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

5. Reporting

EP strongly encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, or the Executive Director. All employees who witness potential violations of this policy, and particularly supervisors, are required to immediately report such incidents to the Executive Director. Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to the Executive Director, or other upper-level administrators in leadership, as appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination. There is no requirement to report your complaint to any designated supervisor within EP. Select the individual supervisor with whom you feel the most comfortable discussing your

complaint. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint.

Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. EP is serious about enforcing its policy against discrimination, harassment and retaliation; however, EP cannot resolve potential violations that it does not know about. Therefore, employees are responsible for bringing any such problems to EP's attention so it can take whatever steps are necessary to correct the problems.

All complaints submitted pursuant to this policy can be done in writing or verbally. Your complaint should be specific and should include the names of the individuals involved, the names of any witnesses, and any supporting documentation. Employees may choose to submit their complaints anonymously.

6. Investigation/Complaint Procedure

All complaints of unlawful harassment, discrimination or retaliation will be promptly investigated.

EP encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

EP's investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent possible and consistent with adequate investigation methods and appropriate corrective actions. The School has a compelling interest in protecting the integrity of its investigations. In every investigation, the School has a strong desire to protect witnesses from harassment, intimidation and retaliation, to keep evidence from being destroyed, to ensure that testimony is not fabricated, and to prevent a cover-up. If the School reasonably imposes a confidentiality requirement and you do not maintain such confidentiality, you may be subject to disciplinary action up to and including immediate termination.

All employees are required to fully cooperate with EP's investigation, which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

During the investigation, EP will provide regular progress updates, as appropriate, to those directly involved. EP will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

EP may investigate conduct in the absence of a formal complaint if EP has reason to believe that an individual has engaged in conduct that violates EP policies or applicable law. Further, EP may continue its investigation even if the original complainant withdraws their complaint during the course of the investigation.

Any conduct which EP believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as EP believes is appropriate under the circumstances. Due to privacy protections, EP may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

7. Conclusion

This policy was developed to ensure that all employees work in an environment free from harassment, discrimination, abusive conduct and retaliation. Any employee who has questions or concerns about these policies should talk with the Executive Director or Human Resources.

If you believe you have experienced discrimination or harassment you may file a California Civil Rights Department ("CRD") or Equal Employment Opportunity Commission complaint. For information contact the CRD or EEOC. You may find their phone numbers online at www.eeoc.gov and www.calcivilrights.ca.gov, respectively.

8. Training Requirements

EP requires all employees to abide by California's training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

TITLE IX NOTICE OF NONDISCRIMINATION

EP does not discriminate on the basis of sex and prohibits any acts of sex discrimination including sex-based harassment in any education program or activity that it operates, as required

by California law, Title IX (20 U.S.C. § 1681 *et seq*.) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.

Inquiries about the application of Title IX and 34 C. F. R. Part 106 may be referred to the Charter School Title IX Coordinator, the Office for the Civil Rights of the U.S. Department of Education, or both.

All complaints and reports of conduct that may constitute sex discrimination including sex-based harassment should be submitted to our Title IX Coordinator, who can be reached at:

lucero@escuelapopular.org or (408) 426-2106

A copy of EP's Title IX Policy, which includes the specific rules and procedures for reporting sex discrimination and sex-based harassment occurring within EP's education program or activities and for pursuing available remedies, is available on the School website at: www.escuelapopular.org.

WHISTLEBLOWER POLICY

EP is committed to maintaining a workplace where employees are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of EP policy, specifically the policies contained in EP's Employee Handbook.

An employee who wishes to report a suspected violation of law or EP policy may do so by contacting the Board of Directors.

EP expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of EP. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that they have been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: Executive Director and Human Resources. Any supervisor, manager, or Human Resources staff that receives complaints of retaliation must immediately inform the Executive Director or Board of Directors.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality to the extent possible, consistent with a full and fair investigation. Information will be disclosed only as it is necessary to complete the investigation and resolve the matter. The Executive Director and a member of EP management will conduct the investigation or designate other internal or external parties to

conduct the investigation. The investigating parties may notify the concerned individuals of their findings as appropriate.

OPEN COMMUNICATION POLICY

We want to hear from you. EP strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. EP is interested in all our employee's success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with Human Resources. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause concern. EP will attempt to keep the employee's concerns and complaints confidential to the extent feasible. However, in the course of resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

LACTATION ACCOMMODATION POLICY

EP provides a reasonable amount of break time to accommodate an employee's need to express breast milk for the employee's infant child.

A private location to express breast milk will be provided in close proximity to the employee's work area. The employee's normal work area may be used if it allows the employee to express milk in private. In certain circumstances, a temporary location, multipurpose room, or shared space may be provided in accordance with applicable law. The location will also meet the following requirements: not be a bathroom or restroom; be free from intrusion; be shielded from view; be safe, clean, and free of toxic or hazardous materials; contain a surface to place a breast pump and personal items; contain a place to sit; and have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump. In addition, the School shall provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee's work area. If a refrigerator cannot be provided, the School may provide another cooling device suitable for storing milk, such as a School-provided cooler.

An employee who would like to request an accommodation to express milk should complete an accommodation request form and contact the employee's supervisor or Human Resources. The School will engage the employee in an interactive process with the employee to determine when and where lactation breaks will occur, and will respond accordingly, generally within two business days. The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations.

Employees requesting an accommodation under this policy should comply with the following requirements:

1. The employee should fill out an accommodation request form and contact their supervisor or Human Resources to request designation of a location and time to express breast milk under this policy.

2. The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes the employee has been retaliated against it should be reported immediately to Human Resources or the Executive Director. Discrimination against and harassment of lactating employees in any form is unacceptable will not be tolerated at EP and will be handled in accordance with EP's policy on discrimination and harassment.

If any employee believes that they have experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may also file a complaint with their supervisor and/or the Labor Commissioner's Office. For more information, contact the Labor Commissioner's Office by phone or visit a local office by finding the nearest one on our website: www.dir.ca.gov/dlse/DistrictOffices.htm. The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

PUBLIC RELATIONS

The success of a charter school depends upon the quality of the relationship among the School, its employees, students, parents and the general public. The public impression of EP and its interest in our school will be formed in part, by EP employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, EP and our school's services.

Below are several things employees can do to help leave people with a good impression of EP.

These are the building blocks for our continued success:

- Communicate with parents regularly
- Act competently and deal with others in a courteous and respectful manner
- Communicate pleasantly and respectfully with other employees at all times
- Follow up on requests and questions promptly, provide business-like replies to inquiries and requests, and perform all duties in an orderly manner
- Respond to email and voicemail within 24 hours during the workweek
- Take great pride in your work and enjoy doing your very best

THE EMPLOYMENT PROCESS

EMPLOYEE STATUS AND CLASSIFICATIONS

"Employees" may include exempt, nonexempt, regular full-time, regular part-time, and temporary persons.

1. Exempt

   Employees whose positions meet specific criteria established by state and federal law and who are exempt from overtime pay requirements.

2. Nonexempt

   Employees whose positions do not meet specific criteria established by state and federal law and are paid overtime and double time pay in certain circumstances. Overtime and double time compensation will be paid in accordance with all state and federal laws, which is generally the following:

   - Overtime (paid at one-and-a-half times the employee's regular rate of pay): All hours worked in excess of 40 hours per workweek, in excess of 8 hours in a workday, and for the first 8 hours worked on the seventh consecutive workday.
   - Double time (paid at twice the employee's regular rate of pay): All hours worked in excess of 12 hours in a workday and in excess of 8 hours worked on the seventh consecutive workday.

3. Regular Full-Time

   Employees who are regularly scheduled to work 30-40 hours per week are generally eligible for the EP's benefit package, subject to the terms and conditions, and limitations of each benefit program.

4. Regular Part-Time

   Employees who are regularly scheduled to work less than 30 hours per week, and generally not eligible for EP's benefit package except for those required by law.

5. Temporary (Full-Time or Part-Time)

   An employee who is hired for a particular project or job of limited or definite duration is considered a temporary employee. A temporary employee is not eligible to earn, accrue, or participate in any School benefits program, except as otherwise required by law.

   Temporary employees retain that status until they are notified of a change, in writing, by Human Resources.

WORK SCHEDULES

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an annual basis. The Executive Director or your supervisor will assign your individual work schedule. In order to accommodate the needs of our business, it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Executive Director.

EP reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment. Nonexempt employees are not allowed to perform work at home or away from the School unless specifically authorized for each occurrence by their supervisor. Nonexempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Nonexempt employees are not allowed to work "off the clock." Attendance at school-sponsored functions is not compensated unless the supervisor has required you to attend the function. Employees violating these rules may be subject to disciplinary action up to and including termination.

1. Instructional Employees:

   The normal working hours for instructional employees at the school sites are from 8:00 a.m. to 4:30 p.m. or 2:30 p.m to 11:00 p.m. with two ten (10) minute rest breaks and a thirty (30) minute meal break. Instructional employees may be required to work other than the normal hours and to take their lunch breaks and/or rest breaks on a rotating basis so that classes and student activities are always covered. There will occasionally be activities that will require teacher participation outside of regular business hours such as instructional prep, evening and Saturday family workshops or special meetings.

   Preparation ("prep") times are considered part of the work schedule. Instructional employees are expected to use this time to prepare for class and must stay on campus during scheduled prep time. During prep times, instructional employees can expect to substitute for another class or work with students if the need arises.

   The direct supervisor must approve any exceptions to the regular work schedule for instructional employees.

2. Non-Instructional Employees:

   The designated supervisor will determine the normal working hours for non-instructional employees. Nonexempt, non-instructional employees are

entitled to two ten (10) minute rest breaks and a thirty (30) minute meal break and are entitled to overtime and double time pay as required by law.

Exempt employees, including Instructional and Non-Instructional employees, will be expected to work the number of hours necessary to complete their assigned responsibilities.

PARTICIPATION IN NON-SCHEDULED PROGRAMS

All staff (exempt or nonexempt) are required to participate in EP sponsored and non-EP sponsored programs, if approved by the supervisor, which may be held outside school hours. These include, but not limited to the following: staff meetings, IEP meetings, in-service training, parent-teacher-student conferences, parent meetings, community meetings, certain School board meetings, professional development training, open house, graduation(s), and all end-of-year events.

Teachers will support and participate in field trips, workshops, and other learning activities that include students on their caseload.

Failure to attend staff meetings, IEP meetings, in-service training, and other required scheduled events without prior written notification to the direct supervisor will result in disciplinary action.

When EP registers employees for conferences or workshops, the School is making a financial commitment and an investment in the employee. Therefore, if employees register to attend a conference or workshop, employee attendance is expected. EP understands that emergencies arise at times. However, short of an emergency, it is expected that staff will attend conferences for which they have registered.

WORKWEEK AND WORKDAY

EP’s workweek is from Sunday at 12:00 A.M. through the following Saturday at 11:59 P.M. EP’s standard workday is 12:00 a.m. to 11:59 p.m. each day.

SCHOOL HOLIDAYS

The School observes 13 paid holidays during the year:

- New Year's Eve Day
- New Year’s Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Juneteenth Day

- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and exempt. Employees on any leave of absence, part-time employees, temporary employees, nonexempt employees (including, but not limited to, teachers) are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid vacation if the employee has unused vacation available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor's request/approval
- Due to closure of schools because of inclement weather
- Prior to or following Jury Duty or Bereavement Leave
- Due to a previously scheduled and approved vacation

ACADEMIC FREEDOM

Academic freedom is not absolute. It must be exercised within the basic ethical responsibilities of the teaching profession. Those responsibilities include:

- An understanding of our academic traditions and methods;
- A concern for the welfare, growth, maturity and development of children;

- The use of accepted scholastic methods; and
- Application of good taste and judgment in selecting and employing materials and methods of instruction.

ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality are considered an essential function of all positions. Employees are expected to report to work as scheduled, on time, and prepared to work. Employees also are expected to remain at work for their entire work schedule, except meal periods, rest periods or when required to leave on authorized School business. Late arrivals, early departures or other unanticipated and unapproved absences from scheduled hours are disruptive and must be avoided.

If you are unable to report for work on any particular day, you must call the designated supervisor at least one hour before the time you are scheduled to begin working for that day. If you call in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider's order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify the designated supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of or documentation for your absence.

More than three instances of non-illness related tardiness by any employee during any twelve-month period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to the designated supervisor and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

Absences protected by local, state and federal law do not count as violations of this policy. Paid sick time protected under California law does not count as a violation of this policy.

TIME RECORDS (NONEXEMPT EMPLOYEES)

Nonexempt employees must accurately complete time records within the School's timekeeping system on a daily basis. Each time record must show the exact time each work period began and ended, the meal periods taken, and your approval/signature. Absences and overtime must be accurately identified on your time record. Any work performed before or after any regularly scheduled work shift must be approved in advance by the employee's supervisor or school leadership. All time actually worked must be recorded. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours. You cannot record time and/or submit a time record for another employee. Each employee must sign and submit their own time record. Nonexempt employees are not allowed

to work "off the clock." Working "off the clock" violates our School's policy. Any errors on an employee's time record should be reported immediately to the employee's supervisor or Human Resources.

Exempt employees must report full days of absence from work.

MEAL AND REST PERIODS (NONEXEMPT EMPLOYEES)

All nonexempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken. If you leave the premises for either a meal or rest break, you are doing so for strictly personal reasons and will not be covered by worker's compensation.

Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination

1. Meal Periods

   Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are provided a 30-minute uninterrupted duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin their meal period no later than 12:00 p.m. (noon). Your supervisor may schedule your meal periods.

   The employee may waive this meal period if their workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from the designated supervisor and complete a "Meal Period Waiver" form.

   If an employee's day exceeds ten hours of work time, the employee is entitled to an additional 30-minute uninterrupted duty-free unpaid meal break. The employee may only waive this second meal period if they have taken the required first meal break of at least 30 minutes and their workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from the designated supervisor and complete a "Second Meal Period Waiver" form.

Hours Worked	Number of Meal Periods
0 hours to 5 hours	No meal period
Over 5 hours to 10 hours	1 30-minute meal period
Over 10 hours to 14 hours	2 30-minute meal periods

Nonexempt employees must observe assigned working hours, the time allowed for meal periods, and report any interrupted, missed, late or short meal periods on that days' time record and to the employee's supervisor immediately. The meal period must be accurately recorded on the employee's timesheet. Meal periods are unpaid time and employees are free to leave the premises but must notify the designated supervisor. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday. Nonexempt employees are expected to return to work promptly at the end of any meal period.

2. Rest Periods

Nonexempt employees are authorized and permitted to take a 10-minute uninterrupted rest period for each four (4) hours of work or major fraction thereof which is defined as any amount of time over two (2) hours. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off. During rest periods, employees are not required to stay on the premises, however, nonexempt employees are expected to return to work promptly at the end of any rest period.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	1 10-minute rest period
Over 6 hours to 10 hours	2 10-minute rest periods
Over 10 hours to 14 hours	3 10-minute rest periods

Nonexempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period on the days' time record and to

the employee's supervisor immediately. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

PAYDAYS

The standard pay period for all employees is semi-monthly. Paydays at EP are on the 15th of the month and the last day of each month. Human Resources or their designee will distribute checks to those who do not have direct deposit. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be distributed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have an automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual "payday," the School is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

PAYROLL WITHHOLDINGS

EP is required by law to withhold Federal Income Tax, State Income Tax, State Teachers' Retirement System contributions (STRS for eligible credentialed faculty or PERS, if the school participates) and State Disability Insurance from each employee's paycheck. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, EP must comply with that order within the time allowed by law and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

Employees may also have deductions made to their paychecks when a wage overpayment occurs. EP will provide the employee with a written notice which describes the wage overpayment and will afford the employee an opportunity to respond before commencing any recoupment action. If the employee disputes the wage overpayment, EP shall initiate a legal action to validate the overpayment before proceeding with recoupment. EP may require the employee to reimburse an overpayment through a mutually agreeable method, including through cash repayment or a deduction of the employee's payroll check, among other options. An employee who is separated from employment before full repayment of the overpayment amount shall have any remaining amounts withheld from their final check. EP also reserves the right to exercise any and all other legal means to recover any additional amounts owed. EP shall provide employees with advance written notice of the deduction prior to the pay period when it will go into effect.

If an employee believes an error has been made in their pay or deductions EP will work in good faith to resolve errors as soon as possible. The employee should notify Human Resources of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee's paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then they should ask Human Resources to explain it. The employee may change the number of withholding allowances they wish to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W-4 form and submitting it to the Human Resources.

CONDITIONS OF EMPLOYMENT

IMMIGRATION LAW COMPLIANCE

EP will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, EP will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 no later than the first day of work for pay and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms no later than three business days after they begin work. Former employees who are rehired must also complete the form if they have not completed an I-9 with EP within the past three years or if their previous I-9 is no longer retained or valid.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law.

Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant. If a search of employee records is authorized by a valid subpoena or judicial warrant, the School will give employees notice of the inspection both before and after it has occurred as required by law.

CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, certificate of clearance, transcripts, and test scores prior to your first day of actual work and if already employed, prior to the start of the academic year if applicable. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both Human Resources and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If you allow a valid credential, certificate, registration, or required course deadline to expire, or if you fail re-certification, training, or testing, or otherwise fail to maintain the necessary credential for your assignment, EP is required to remove you from the work schedule until you meet the necessary requirements for your assignment or renew your credential.

TUBERCULOSIS TEST

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that they were examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's or other approved health care provider's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in a delay of your ability to begin work or termination.

Results of these tests are strictly confidential. TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the school has a valid certificate on file.

The examination for applicants for employment is a condition of initial employment. Therefore, the expense incident thereto shall be borne by the applicant. The cost of the examination required for existing employees shall be a reimbursable expense. Employees should follow the School's reimbursement procedures.

CRIMINAL BACKGROUND CHECK

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of students taking precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Similarly, convictions involving crimes of moral turpitude (e.g., fraud), child abuse or neglect, violence, or any offense which may make the employee unsuitable/undesirable to work around students may also serve as a bar to employment at the School. Additionally, should an employee be arrested for, charged with, or convicted of any offense during his/her employment with the School, the employee must immediately report as much to EP.

For additional information on background checks, please contact Human Resources.

CHILD ABUSE AND NEGLECT REPORTING ACT

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

EP will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars ($1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

FIRST-AID AND CPR TRAINING

All individuals working unsupervised with children or in a classroom setting (i.e. core teachers, advisors, coaches, non-core teachers, administrators) must receive, renew, and maintain basic first-aid and CPR certification by the first day of school. Any employee required to be first aid certified and hired after the beginning of the school year will be required to provide proof of completion of both First Aid and CPR training prior to the first day of work.

For additional information on the training required, please contact Human Resources.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of their personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by Administration. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

TELECOMMUTING

EP may offer telecommuting to some employees when we believe it would benefit both the School and the employee. Additionally, some job positions may require telecommuting and such requirements will be outlined in the job description and/or employee's employment agreement. Telecommuting is the practice of working at home or at a site near the home instead of physically traveling to a central workplace. This policy outlines EP's policy related to telecommuting arrangements.

i. Required Telecommuting

For employees required by their job positions to perform their job duties remotely, telecommuting is not optional. To be eligible and appropriate for a telecommuting job position, the employee must:

- Be located and perform all work in California, unless authorization is obtained from the Supervisor;
- Have a safe workspace equipped with internet, phone (if one is not provided by EP), and other required home office supplies, not provided by EP;
- Be able to perform job duties during normal business hours to the extent the position requires doing so;
- Be able to be free from home-related demands or distractions sufficient to successfully perform the duties of the job;
- Refrain from allowing any non-employee third parties to assist the employee or perform any work for the School; and
- Be able to maintain School records with the requisite degree of privacy and confidentiality.

ii. Requested Telecommute

If an employee believes that telecommuting would enhance their ability to get their job done, the employee must submit a written request to the Supervisor that proposes how telecommuting will benefit EP and the employee. The request should explain how the employee would be accountable and responsible, what equipment is necessary, and how communication barriers would be overcome.

When deciding whether to approve a telecommuting arrangement, EP will look at factors such as position and job duties, performance history, related work skills, and the impact on the School.

Employee compensation, benefits, work status, work responsibilities, and the amount of time expected to work per day or per pay period will not change if an employee telecommutes (unless otherwise agreed upon in writing).

At-home work hours will conform to a schedule agreed upon by the employee and the Supervisor. If there is no schedule agreement, work hours will be identical to the employee's work schedule prior to telecommuting. Any change to an employee's schedule must be reviewed and approved in advance by the Supervisor.

During working hours, the at-home workspace will be considered an extension of the EP workspace. Therefore, workers' compensation benefits may be available for any job-related accident that occurs in an employee's at-home workspace during working hours. All job-related accidents will be investigated immediately. EP assumes no responsibility for injuries that occur in an employee's at-home workspace outside the agreed-upon work hours. Employees must maintain safe conditions in their at-home workspace and to practice the same safety habits as those followed on EP's premises. If an injury occurs in an employee's at-home workspace during work hours, the employee must immediately report it to the Supervisor and Human Resources to get instructions for obtaining medical treatment.

Telecommuting is an alternative method for meeting the business needs of EP. It is not a universal employee benefit and EP has the right to refuse to make telecommuting available to an employee. EP also may terminate an existing telecommuting arrangement at any time. Any employee approved for or required to telecommute on a regular basis may be entitled to a home office allowance.

CHANGES IN EMPLOYMENT

An employee is responsible for notifying Human Resources about changes in the employee's personal information and changes affecting the employee's status (for example, name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

TEACHER REQUIREMENTS FOR EMPLOYMENT

Teachers must take roll each period and certify the accuracy of the roll by their dated signature in the provided space. These attendance sheets are known as "contemporaneous records"; they

are mandated by State law to be maintained for three (3) years. The State uses these records to allocate the funds that are used to run the School and pay salaries. Inconsistent, blank, and/or inaccurate records put all funding for the School at risk. The creation of these records is the direct responsibility of the classroom teacher taking attendance. In no case may attendance be taken by a student and then certified by the teachers. The forms shall be submitted to the Attendance Office as scheduled. If attendance is also recorded in the teacher's grade book, that attendance (including the codes for absences, excused, tardy, etc.) must match the records generated for the attendance system. Teachers are responsible and required to sign and submit their attendance records at the end of each week. Failure to do so may result in disciplinary action, up to and including release from at-will employment.

i. Grading Procedures

Teachers are encouraged to fully share, in writing, all aspects of their grading procedures to every class. Tests, quizzes, homework assignments, work logs, journals, and classroom participation are examples of student achievement that should be used in arriving at a grade.

Professionalism includes making clear to your students the rubrics that will be used in defining how a score will be assigned to a particular work product. In no circumstances, will arbitrary grading be allowed. Return of student work is to be accomplished in a timely manner so as to have the maximum effect on student learning.

Report cards will be issued to each student according to the School calendar. Timelines will be strictly adhered to; teachers must plan their time and assignments at the end of each grading period to be able to effectively evaluate students and efficiently record grades for the permanent student record.

Teachers are responsible and required to sign and submit their final grades to the office at the end of each quarter and/or scheduled deadlines. Failure to submit by the scheduled deadline will jeopardize the accuracy of students' final grade and may result in disciplinary action for the teacher, up to and including release from at-will employment.

ii. Continuing Education

EP employees are required to keep their credentials current and to keep their professional training and knowledge current through ongoing educational experiences that may include travel, retreat, university courses, workshops and other means, which will further their personal growth and enhance their teaching skills.

Reimbursement or time-off or time-off for educational experiences must be approved in advance by the Supervisor and Executive Director.

PERFORMANCE

PERFORMANCE EVALUATIONS

1. Administrative and Classified Staff:

   Performance evaluations generally are conducted annually to provide both employees and supervisors with the opportunity to discuss the employee's position, tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss methods for improving performance. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee an increase in salary or promotional opportunities, or even continued employment.

2. Teachers/Instructional Staff:

   The supervisor will generally evaluate the Teacher's performance at least once a year formally and on an ongoing basis informally. The evaluation will be based on factors including the job description, accomplishment of the Performance Objectives, EP's charter, and standards for teaching performance developed by the supervisor, EP's Board of Directors, and/or other EP staff.

   In addition to these more formal performance evaluations, EP encourages you and your supervisor to discuss your job performance on an ongoing basis.

   EP's provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit the EP's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and EP. Accordingly, either the employee or EP can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

3. Basis for Determining Pay

   Numerous factors may influence your rate of pay, including but not limited to, education, experience, training and/or the operational needs of the School. It is EP's goal to have a current Job Description for each employee that broadly defines the job responsibilities and essential functions for each position.

   While EP strives to complete wage increase determinations on an annual basis, there is no guarantee that employees will receive a salary increase, cost of living adjustment or promotion every school year. Salary increases, cost of living adjustments and promotions are solely within the discretion of EP and depend upon many factors in addition to performance. Positive performance evaluations

do not guarantee increases in salary or promotions. Increases may be determined on the basis of various factors including, but not limited to, performance, adherence to school policies and procedures, ability to meet or exceed duties, salary schedules/ranges/bands, achievement of performance goals, or operational factors.

Changes to the amount of an employee's wage or salary will become effective on the first regular pay period following the change.

LEAVES

FAMILY MEDICAL LEAVE ACT (FMLA)/CALIFORNIA FAMILY RIGHTS ACT (CFRA)

I This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA/CFRA leave in any twelve (12) month period for the purposes enumerated below.

- Employee Eligibility Criteria

  To be eligible for FMLA/CFRA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the leave, and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles, (except for purposes of CFRA where the School must only have at least five (5) employees).

- Events That May Entitle an Employee To FMLA/CFRA Leave

  The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA/CFRA allowance includes any time taken (with or without pay) for any of the following reasons:

  1. To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they each will be entitled to a separate twelve (12) weeks of leave for this purpose, which cannot be loaned or otherwise assigned from one employee to the other.

  2. Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy).

     a. A "serious health condition" is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing

treatment, including, but not limited to, treatment for substance abuse.

b. "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.

c. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

d. "Continuing treatment" means ongoing medical treatment or supervision by a health care provider.

3. To care for a spouse, domestic partner, child, or parent with a serious health condition. A qualifying family member may also include a parent-in-law, grandparent, grandchild, sibling, or designated person for CFRA purposes. "Designated person" refers to any individual related by blood or whose association with the employee is the equivalent to a family relationship. Employees are limited to one (1) designated person per twelve (12) month period.

4. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces service member with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of additional FMLA leave in a single twelve (12) month period to provide said care. CFRA does not provide leave specific to caring for a service member.

5. For any "qualifying exigency" because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces. For CFRA purposes, this may also include a domestic partner.

- Amount of FMLA/CFRA Leave Which May Be Taken

1. FMLA/CFRA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. "Twelve workweeks" means the equivalent

of twelve (12) of the employee's normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, "twelve workweeks" means sixty (60) working and/or paid eight (8) hour days.

2. In addition to the twelve (12) workweeks of FMLA/CFRA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces service member may also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.

3. The "twelve month period" in which twelve (12) weeks of FMLA and CFRA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA/CFRA leave.

4. If a holiday falls within a week taken as FMLA/CFRA leave, the week is nevertheless counted as a week of FMLA/CFRA leave. If, however, the School's business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School's activities have ceased do not count against the employee's FMLA or CFRA leave entitlement. Similarly, if an employee uses FMLA/CFRA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee's leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.

- Pay during FMLA/CFRA Leave

1. An employee on FMLA/CFRA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave period.

2. An employee on FMLA/CFRA leave for baby-bonding or to care for a qualifying family member with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave. If an employee is receiving a partial wage replacement benefit during the FMLA/CFRA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.

3. If an employee has exhausted his/her sick leave, leave taken under FMLA/CFRA shall be unpaid leave.

4. The receipt of sick leave pay or State Disability Insurance and/or Paid Family Leave benefits will not extend the length of the FMLA/CFRA leave. Sick pay accrues during any period of unpaid FMLA or CFRA leave only until the end of the month in which unpaid leave began.

- Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA/CFRA leave, and these provisions may change from time to time. The health benefits of employees on FMLA/CFRA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA/CFRA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

EP may recover the health benefit costs paid on behalf of an employee during his/her FMLA/CFRA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA/CFRA leave; and

2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA/CFRA leave, or other circumstances beyond the control of the employee.

- Seniority

An employee on FMLA/CFRA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA/CFRA leave will return with the same seniority he/she had when the leave commenced.

- Medical Certifications

1. An employee requesting FMLA/CFRA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen [15] days of the

School's request for certification) may result in denial of the leave request until such certification is provided.

2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.

3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.

4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

- Procedures for Requesting and Scheduling FMLA/CFRA Leave

1. An employee should request FMLA/CFRA leave by completing a Request for Leave form and submitting it to the Principal. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA/CFRA leave policy.

2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her qualifying family member. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA/CFRA leave was an emergency or was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.

4. If FMLA/CFRA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's qualifying family member, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.

5. If FMLA/CFRA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the

School will grant a request for FMLA/CFRA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.

6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.

7. The School will respond to an FMLA/CFRA leave request no later than five (5) business days of receiving the request. If an FMLA/CFRA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA/CFRA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the FMLA/CFRA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA/CFRA leave.

2. When a request for FMLA/CFRA leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).

3. Before an employee will be permitted to return from FMLA/CFRA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.

4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

No employee, including employees on FMLA/CFRA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

PREGNANCY DISABILITY LEAVE

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- Employee Eligibility Criteria

  To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- Events That May Entitle an Employee to Pregnancy Disability Leave

  The four (4) month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

  1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or

  2. The employee needs to take time off for prenatal care.

- Duration of Pregnancy Disability Leave

  Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 $^{1}/_{3}$ weeks).

  For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 $^{1}/_{3}$ weeks). For an employee who normally works forty-eight

(48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 $^{1}/_{3}$ weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- Pay during Pregnancy Disability Leave

    1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.

    2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.

    3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

EP shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12)-month period. EP can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.

2. The employee's failure to return from leave is for a reason other than the following:

    - The employee is taking leave under the California Family Rights Act.

    - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.

- There is a non-pregnancy related medical condition requiring further leave.

- Any other circumstance beyond the control of the employee.

- Seniority

  An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

  1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.

  2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

  1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Principal. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.

  2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.

  3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.

  4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.

5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.

6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:

   a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.

   b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

   A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).

3. In accordance with EP policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.

4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

  No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

If you have any questions regarding pregnancy disability leave, please contact Human Resources.

MILITARY AND MILITARY SPOUSAL LEAVE

EP shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, EP will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

EP shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration of your leave will depend upon the rate of your recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e., FMLA/CFRA, leave as a reasonable accommodation under the ADA/FEHA, if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

BEREAVEMENT LEAVE

EP provides time off to eligible employees in the event of the death of a "family member". To be eligible for Bereavement Leave, the employee must be employed for at least thirty (30) days prior to starting Bereavement Leave. If an employee is eligible for Bereavement Leave and the employee experiences the death of a family member, the employee may take up to five (5) days of Bereavement Leave.

For purposes of this policy, a family member is defined as a: spouse, domestic partner, child, parent, parent-in-law, sibling, grandparent and grandchild.

The days of Bereavement Leave do not need to be taken consecutively; however, the employee must use Bereavement Leave within three (3) months of the death of the family member, at which time any remaining unused Bereavement Leave will expire.

Within the first thirty (30) days of the first day of Bereavement Leave, an employee must provide Human Resources with documentation to support the need for Bereavement Leave which may include a death certificate; a published obituary, verification of death, burial or memorial service from a mortuary, funeral home, burial society, crematorium, religious institution or governmental agency.

Bereavement Leave is unpaid; however, an employee may elect to use any accrued sick and/or vacation. If a funeral is more than 500 miles from the home of the employee, the employee may receive unpaid Bereavement Leave for seven (7) days with prior approval from the Executive Director.

REPRODUCTIVE LOSS LEAVE

EP grants time off to eligible employees in the event you suffer a qualifying reproductive loss event as defined in this policy.

To be eligible for reproductive loss leave, you must be employed for at least 30 days prior to starting leave.

If you are eligible and experience a reproductive loss event, you may take up to five days of reproductive loss leave.

For purposes of this policy, a reproductive loss event is the day, or the final day for a multiple day event, of one of the following:

- **Failed adoption:** The dissolution or breach of an adoption agreement with the birth mother or legal guardian, or an adoption that is not finalized because it is contested by another party, if you would have been a parent of the adoptee if the adoption had been completed.
- **Failed surrogacy:** The dissolution or breach of a surrogacy agreement, or a failed embryo transfer to the surrogate, if you would have been a parent of a child born as a result of the surrogacy.
- **Miscarriage:** May be a miscarriage by you, your current spouse or domestic partner, or by another individual if you would have been a parent of a child born as a result of the pregnancy.
- **Stillbirth:** May be a stillbirth resulting from your pregnancy, the pregnancy of your current spouse or domestic partner, or another individual if you would have been a parent of a child born as a result of the pregnancy.
- **Unsuccessful assisted reproduction**: An unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure (i.e., artificial insemination or an embryo transfer, including gamete and embryo donation). Assisted reproduction does not include reproduction through sexual intercourse. This event applies to you, your current spouse or domestic partner, or another individual, if you would have been a parent of a child born as a result of the pregnancy.

The days of reproductive leave do not need to be taken consecutively, however, you must complete your reproductive loss leave within three months of your reproductive loss event, or, if prior to or immediately following your reproductive loss event, you are on or choose to go on leave under California's pregnancy disability law, the California Family Rights Act, or any other leave provided by state or federal law, then you may complete your reproductive loss leave within three months of the end of the other leave, at which time any remaining unused reproductive loss leave will expire.

Reproductive loss leave is unpaid; however, you may choose to use previously accrued paid leave time available to you.

If you experience more than one reproductive loss event within a 12-month period, you can receive another five days of reproductive loss leave. You are limited to a total of 20 days of reproductive loss leave within a 12-month period.

Any information provided to EP related to this leave will be maintained as confidential and will not be disclosed except to internal personnel or counsel, as necessary, or as required by law.

JURY DUTY LEAVE

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Nonexempt employees who are called for jury/witness duty, EP will pay up to three (3) days if an employee is called to serve for jury duty. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any accrued vacation during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of their employment with the School, the School will provide time off with pay.

TIME OFF TO VOTE

The School will allow any employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time to vote. If employees are unable to vote in an election during their non-working hours, then the School will grant up to two hours of paid time off to vote. The request must be made at least two (2) working days in advance. The time must be scheduled at the beginning or end of the work shift, whichever provides the least disruption to the normal work schedule unless the School and the employee agree otherwise.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Accrued unused vacation may be paid to the employee for this time off.

Employees must submit a voter's receipt on the first working day following the election to qualify for paid time off. Nothing in this policy requires the employee to bring their mail (absentee) ballot to work, including mailing such absentee ballots from work.

SCHOOL APPEARANCE AND ACTIVITIES LEAVE

As required by law, EP will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of EP, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

CRIME VICTIM LEAVE

Employees are allowed to be absent from work to attend judicial proceedings related to a violent felony, serious felony (as defined by the California Penal Code) or felonies related to theft or embezzlement or a qualifying act of violence if:

- The employee is a victim of such a crime;
- An immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, step-parent, or the child, or designated person or a registered domestic partner) of an employee is a victim of such a crime.

An employee must give reasonable advance notice to the school by providing documentation of the proceeding. Documentation may be from any of the following:

- Notice from the court or government agency setting the hearing;
- The district attorney or prosecuting attorney's office; or
- The victim/witness assistance office advocating on the victim's behalf.

This leave is unpaid but the employee may choose to use accrued vacation or sick leave. You will not be discharged or discriminated against because of an absence protected by this law.

DOMESTIC VIOLENCE LEAVE/SEXUAL ASSAULT/STALKING LEAVE

If you or a family member are a victim of crime or abuse, including domestic violence, sexual assault, stalking, qualifying act of violence, or a crime that caused physical injury or, in certain cases, mental injury, or that caused the death of an immediate family member, you may take time off to obtain or attempt to obtain judicial relief, such as obtaining restraining orders, to help insure your health, safety or welfare or that of your child(ren) or family member. Employees may use available vacation (if applicable) or accrued sick. Otherwise, the time off is unpaid. All employees can take time off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling or safety planning related to domestic violence, sexual assault, or stalking. Domestic violence, sexual assault and stalking victim's leave for medical treatment does not exceed or add to the unpaid leave time that FMLA/CFRA allows.

You must give the School reasonable notice unless advance notice is not feasible, and provide certification that you are seeking such assistance.

Certification may be sufficiently provided by any of the following:

- A police report indicating that you or a family member was a victim crime or abuse;
- A court order protecting or separating you or the family member from the perpetrator of an act of crime or abuse, or other evidence from the court or prosecuting attorney that you appeared in court; or,
- Documentation from a medical professional, domestic violence advocate or advocate for victims of sexual assault, health care provider, or counselor that you or a family member are undergoing treatment for physical or mental injuries or abuse due to the crime or abuse.
- Any other form of documentation that reasonably verifies the crime or abuse occurred which can include a written statement signed by you or an individual acting on your behalf certifying that the absence(s) is for the purpose authorized under this leave.

Employees have the right to ask the School for help or changes in their workplace to make sure they are safe at work. The School will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. The School may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation.

The School will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave under this provision. The School will not discharge, discriminate or retaliate against an employee who exercises their rights under this law.

EP is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee or a family member is a victim of a crime or abuse as described above.
- The employee asked for time off to get help or because of the employee's status as or association with a victim of violence.
- The employee asked EP for help or changes in the workplace to ensure safety at work.

If any employee believes that they have experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may file a complaint with their supervisor and/or the Labor Commissioner's Office.

For more information, contact the Labor Commissioner's Office by phone at 213-897-6595 or visit a local office by finding the nearest one on the website: www.dir.ca.gov/dlse/DistrictOffices.htm. The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

ADULT LITERACY LEAVE

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for participation in an adult literacy education. However, you may utilize accrued vacation if you want compensation for this time off. If you do not have accrued vacation available, you will be permitted to take the time off without pay.

ORGAN DONOR / BONE MARROW DONOR LEAVE

The School will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person. In addition, the School will provide up to 30 business days of paid leave within a one-year period and up to another 30 business days of unpaid leave within a one-year period to an employee who donates an organ to another person. The one-year period is measured from the date the employee's leave begins and shall consist of 12 consecutive months. You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to ten (10) days of any accrued paid leave sick and/or vacation for organ donation and up to five (5) days accrued paid leave sick and/or vacation for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to accrue

paid time off and other benefits as if they had continued working. The Employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if they have been actively working during this time but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE

EP will reasonably accommodate any eligible employee who volunteers to enter and participate in an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. You may use accrued and unused vacation or paid sick leave. All reasonable measures to safeguard your privacy will be maintained.

This policy in no way restricts the EP's right to discipline an employee, up to and including termination of employment, for violation of EP's Drug and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE/TRAINING

In California, no employee shall receive discipline for taking time off to perform emergency duty/training as a volunteer firefighter, reserve peace officer, or emergency rescue personnel. If you are participating in this kind of emergency duty/training, please alert your supervisor so that they may be aware of the fact that you may have to take unpaid time off for emergency duty/training. In the event that you need to take time off for emergency duty/training, please alert your supervisor before doing so whenever possible. Time off for emergency training may not exceed 14 days per calendar year.

Emergency Duty/Training Leave is unpaid. You may choose to use your accrued vacation if you wish to receive compensation for this time off, but you are not required to do so.

If you feel you have been treated unfairly as a result of taking or requesting Emergency Duty/Training Leave, you should contact your supervisor or any other manager, as appropriate

CIVIL AIR PATROL LEAVE

EP provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to 10 days of unpaid leave per calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with EP for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper

Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken.

Employees are required to give the School as much notice as possible of the intended dates upon which the leave would begin and end. The School will restore the employee to the position they held when the leave began or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment, unless the employee is not restored because of conditions unrelated to the exercise of the leave rights by the employee. The time off is unpaid. However, an employee may utilize accrued vacation.

EMERGENCY CLOSING – INCLEMENT WEATHER, ETC.

All staff who qualifies will be paid. When advance notice is given of possible inclement weather, employees are expected to take work home with them and work from home.

RETURNING FROM LEAVE OF ABSENCE

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Supervisor thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If employees need further information regarding Leaves of Absence, they should be sure to consult with Human Resources.

BENEFITS

VACATION

The following full-time, regular employees are eligible for vacation benefits:

- Full-time, regular Administrative/Classified employees (12-month employees) receive fifteen (15) paid vacation days per year. Vacation days are accrued at a rate of 6.667 hours per month. The fifteen (15) days are front-loaded and will be available to the employee at the beginning of the school year (July 1st).

- Part-time, regular non instructional Administrative/Classified or Credential employees (12-month and 11-month employees only) may receive pro-rated amount at the same proportion of time they work during the school year.

- Employees starting after July 1st will receive a pro-rated number of hours.

- 10-month or 10.5-month employees do not earn vacation leave.

Requests to use vacation days by these employees must be submitted in writing at least 2 weeks in advance to the designated Supervisor. These employees will not be approved for more than 15 days of vacation in a single academic year unless they fall on days that are not considered work days for teachers.

Vacations shall be scheduled in such a way as to provide adequate coverage of job responsibilities and staffing requirements. Although EP will attempt to accommodate vacation requests to the greatest extent possible, there is no guarantee that any given vacation request will be granted. If a holiday occurs during an employee's vacation period, the employee will receive holiday compensation for that day.

Upon termination of employment, eligible employees will be paid for all available, unused vacation time at their current rate of pay. Employees are not entitled to pay in lieu of taking vacation except upon termination of employment.

SICK LEAVE

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave ("PSL") to eligible employees.

i. Eligible Employees

All employees (including part-time and temporary) who work for the School 30 or more days within a year in California are eligible to accrue

PSL beginning on the first day of employment under the accrual rate and cap set forth in this policy.

ii. Permitted Use

Eligible employees may use their accrued PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee's family member. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, sibling of the employee or "designated person". "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis, regardless of the age or dependency status of the child. "Parent" means a biological, foster, or adoptive parent; a step-parent; or a legal guardian of the employee or the employee's spouse or registered domestic partner. A parent may also be someone who accepted the duties and responsibilities of raising the employee when the employee was a minor child, even if they are not the employee's legal parent. "Spouse" means a legal spouse, as defined by California law. A "designated person" is any individual the employee identifies at the time the employee requests PSL. An employee is limited to one designated person per 12-month period for purposes of PSL.

Employees may also use their PSL to receive medical care or other assistance to address qualifying acts of violence, including but not limited to domestic violence, stalking, or sexual assault, that are committed against themselves or a family member.

Subject to applicable law, EP may require a health care provider's certificate for any absence due to illness or injury. EP also may require a health care provider's certification that an employee has been released to return to work before the employee is permitted to return after an illness or injury

iii. Accrual Rate, Maximum, and Carryover

Paid sick leave is available to all School employees who work at least thirty (30) days within the span of a single calendar year from the commencement of employment. All eligible employees shall be credited with forty (40) hours of sick leave at the beginning of each work year. All regular full-time employees will be frontloaded with additional sick leave not to exceed ten (10) days per full work year (for 10, 10.5, and 11-month employees; 12-month employees are frontloaded twelve (12) days).

Full-time employees who commence work after the first day of school shall receive a prorated amount of sick leave. However, in no case shall these employees receive less than forty (40) hours of sick leave.

Accrual for non-exempt employees will be calculated based on actual hours worked. Accrual of PSL for eligible exempt employees will be calculated based on a 40-hour workweek or the employee's normal workweek if the employee normally works less than 40 hours. PSL accrues on an as-worked basis and does not accrue during any non-working time or unpaid leave of absence.

iv. Limits on Use

Eligible employees may use accrued PSL beginning on the 90th day of employment. Each school year, employees may only use a maximum of 5 days or 40 hours of their accrued PSL (12-month employees may use a maximum of 12 days or 96 hours of).

PSL may be taken in minimum increments of one hour. If an exempt employee absents themselves from work for part or all of a workday for a reason covered by this policy, they will be required to use accrued PSL to make up for the absence.

v. Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable.

vi. Termination

Employees will not receive pay in lieu of accrued but unused PSL. Accrued but unused PSL will not be paid out upon termination.

vii. No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

PERSONAL NECESSITY LEAVE

An employee who does not receive vacation may elect to use up to three (3) days of accumulated sick leave in any school year for purposes of personal necessity including any of the following specific reasons:

- Death or serious illness of a member of his/her family.

- Accident involving his/her person or property or the person or property of a member of his/her immediate family.
- Appearance in court as a litigation, or as a witness under official order.
- Adoption of a child.
- The birth of a child making it necessary for an employee who is the parent of the child to be absent during work hours.
- Business matters which cannot reasonably be conducted outside the workday.

Personal necessity leave may also be taken as an unpaid leave. Employees must request personal necessity leave at least one (1) day in advance unless an emergency situation occurs. Personal necessity days are not vacation days, do not accrue year to year, and will not be paid out if unused upon separation from employment.

UNPAID LEAVE OF ABSENCE

EP recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the Supervisor and the Human Resources.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period. If an employee is currently covered, medical, and dental coverage will remain in force during a medical or worker's compensation leave of absence, provided the employee pays the appropriate premiums during a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, or any other protected medical leave the employee's medical and dental benefits will remain in force provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

If the leave is unpaid unapproved, employees are considered abandoning their jobs and EP has the right to terminate or discipline employment at any time

INSURANCE BENEFITS

Full-time employees are entitled to insurance benefits offered by EP. These insurance benefits will include medical, dental, and vision and life insurance. The School will set a defined contribution towards the employee's insurance premiums that are sponsored by EP. This amount will be determined on an annual basis. The employee's portion of the monthly premiums will be deducted from the employee's paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If you have any benefit related questions while on a leave of absence, please contact Human Resources.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under EP's health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at EP group rates plus an administration fee. EP or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under EP's health insurance plan. The notice contains important information about the employee's rights and obligations.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to eight weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption). The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under EP policy and applicable law.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

WORKER'S COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

If an employee should become injured or in any way disabled on the job, they must report the injury immediately to their supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

EMPLOYEE COMMUNICATIONS

COMMUNICATIONS POLICY

Every employee is responsible for using the EP's computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the Executive Director.

The Communication Systems are the property of EP and have been provided for use in conducting EP business. All communications and information transmitted by, received from, created, or stored in its Communication Systems are EP records and property of EP. The Communication Systems are to be used for school purposes only. Employees may, however, use EP technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with EP business, and does not violate any EP policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies.

1. No Expectation of Privacy

   EP has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email, voicemails and instant messages sent and received by users. Further, EP may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of EP's Communication Systems constitutes consent to all the terms and conditions of this policy.

   Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from EP's Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish EP's right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed upon request to EP for any reason that EP, in its

discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send or receive on the Communication Systems.

Notwithstanding the foregoing, even though EP has the right to retrieve, read and delete any information viewed, created, sent, received or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Executive Director.

2. Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment and responsibility than they would use for letters or internal memoranda written on EP letterhead.

EP will permit employees to use emails, voicemail system, internet or other forms of communication subject to the following:

- Handled in a professional and careful manner.
- All employees must check their work email at least twice per day during work hours.
- Employees should not attempt to gain access to another employee's personal file of email or voicemail messages without the latter's expression permission.
- EP retains a copy of all passwords; passwords unknown to EP may not be used. System security features, including passwords and delete functions, do not neutralize EP's ability to access any messages at any time. Employees must be aware that the possibility of such access always exists.

3. Offensive and Inappropriate Material

EP's policy against discrimination and harassment, sexual or otherwise, applies fully to EP's Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email

messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other characteristic protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or any other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in EP's computers. Employees encountering or receiving this kind of material should immediately report the incident to the Executive Director.

EP may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by EP networks. Notwithstanding the foregoing, EP is not responsible for material viewed or downloaded by users from the Internet. The Internet is a worldwide network of computers that contains millions of pages of information. Users are cautioned that many of these pages include offensive, sexually explicit, and inappropriate material. Even innocuous search requests may lead to sites with highly offensive content. In addition, having an email address on the Internet may lead to receipt of unsolicited email containing offensive content. Users accessing the Internet do so at their own risk. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to EP's blocking software.

4. Solicitations

EP's Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations except if an employee is engaged in a protected activity related to improving the terms and conditions of their employment. Approval from the Executive Director is required before anyone can post any information on commercial on-line systems or the Internet.

5. Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of the Business Manager.

6. Games and Entertainment Software

Employees may not use an EP Internet connection to download games or other entertainment software, or to play games over the Internet.

7. Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to EP's "Confidential Information" policy, contained herein, for a general description of what EP deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

8. Charter School Meetings

EP does not require employees to attend any meeting related to political or religious matters. In the event that EP has this type of meeting, employees may choose not to attend these non-mandatory meetings without fear of retaliation, discrimination, or any adverse employment action. However, EP is allowed to discuss any information required by law as well as provide information that is necessary for employees to perform their job duties.

9. Copyrights and Trademarks

EP's Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from EP. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor. Any EP-approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices.

10. Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to EP's network must do so through an approved Internet firewall. Accessing the Internet directly by modem is strictly prohibited unless the computer you are using is not connected to EP's network.

Files obtained from sources outside EP including disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by students,

parents or vendors, may contain dangerous computer viruses that may damage EP's computer network. Employees should never download files from the Internet, accept email attachments from outsiders, or use disks from non-EP's sources, without first scanning the material with EP-approved virus checking software. If you suspect that a virus has been introduced into the EP network, notify technology personnel immediately.

11. Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

This policy is not intended, nor should it be interpreted, to in any way limit the ability of an employee to:

- Discuss with others the terms and conditions of their employment, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in protected concerted activity that employees have the right to engage in under federal, state or local law.

12. Amendment and Modification of this Policy

EP reserves the right to modify this policy at any time, with or without notice. EP may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources.

SOCIAL MEDIA POLICY

EP has adopted the following policy with regard to employees' behavior on social networking sites including, but not limited to, Facebook, Twitter, LinkedIn, Pinterest, Instagram, TikTok, SnapChat and YouTube. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, school-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

This policy is intended to supplement, not replace, the School's other policies, rules, and standards of conduct. For example, School policies on confidentiality, use of School equipment, professionalism, employee references and background checks, workplace violence, unlawful harassment, and other rules of conduct are not affected by this policy.

You are required to comply with the following rules and guidelines when participating in social media activities that are governed by this policy:

- Comply with the law at all times. Do not post any information or engage in any social media activity that may violate applicable local, state, or federal laws or regulations.
- Do not engage in any discriminatory, harassing, or retaliatory behavior in violation of School policy.
- Respect copyright, fair use, and financial disclosure rules and regulations. Identify all copyrighted or borrowed material with proper citations and/or links.
- Maintain the confidentiality of the School's trade secrets and private or confidential information. Trade secrets may include information regarding the development of systems, processes, products, know-how, and technology. Do not post internal reports, policies, procedures, or other internal business-related confidential communications. This prohibition applies both during and after your employment with the School.
- Do not post confidential information (as defined in this Handbook) about the School, its employees, or its students. Remember that most student information is protected by the Family Educational Rights and Privacy Act, including any and all information that might identify the student. Publicizing student work and accomplishments is permitted only if appropriate consents are obtained.
- Confidential information (does not include information about the terms and conditions of your employment, such as wages, benefits, workplace safety and other topics an employee has the right to discuss with other employees under the law. Nothing in this policy prevents an employee from discussing or disclosing information about unlawful acts in the workplace, such as harassment or discrimination or any other conduct that the employee may have reason to believe is unlawful.
- While limited and incidental social media activities at work may be tolerated, such social media activities may not interfere with your job duties or responsibilities. Do not use your School-authorized e-mail address to register on social media websites, blogs, or other online tools utilized for personal use.
- Be knowledgeable about and comply with the School's background check procedures.
- Be knowledgeable about and comply with the School's reference policy. Do not provide employment references for current or former employees, regardless of the substance of such comments, without prior approval from the School.
- We encourage you to be fair and courteous to fellow employees, students, parents, vendors, stakeholders, suppliers, or other people who work on behalf of the School. We also encourage you to avoid posting statements, photographs, video, or audio that could be reasonably viewed as malicious, obscene, threatening, or intimidating, that disparage employees, students, parents, vendors, stakeholders, suppliers, or other people who work on behalf of the School, or that might constitute harassment or bullying.
- Make sure you always try to be honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Please do not post any information or rumors that you know to be false about the School, fellow employees, students, parents, vendors, stakeholders, suppliers, people working on behalf of the School, or competitors.

- Never represent yourself as a spokesperson for the School unless authorized to do so. If you publish social media content that may be related to your work or subjects associated with the School, make it clear that you are not speaking on behalf of the School and that your views do not represent those of the School, fellow employees, students, parents, vendors, stakeholders, suppliers, or other people working on behalf of the School. It is best to use a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of the School."
- Never be false or misleading with respect to your professional credentials.
- Do not take any photos, videos, or other media in the workplace or on the School's premises or at School functions without permission of the School. It is your responsibility to ensure that your posts do not contain any prohibited information, or Confidential Information, including, but not limited to, photos, videos, or other media referencing or relating to student information, even if the student(s) is/are not specifically identified by name but could be easily determined or may be perceived as identifying any student or group of students. Violations may result in disciplinary action, up to and including termination.
- Supervisors who "friend" subordinates on social media accounts (whether personal or School accounts) are responsible for abiding by this policy at all times and immediately reporting any violations of this policy to Human Resources. Failure to do so may result in disciplinary action, up to and including termination.

Employees are not to initiate "friendships" with students or parents. Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Employees must delete any students already on their "friends" list immediately. Employees should also be aware that participation in social media, even in a private setting, may not remain private and posts may become public knowledge and/or reported to the School.

Employees should weigh whether a particular posting puts their effectiveness as a School employee at risk. EP encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Employees may not comment on a student's blog or a student's other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Executive Director.

In the event you have any questions about whether a particular social media activity may involve or implicate the School, or may violate this policy, please contact Human Resources.

Social media is in a state of constant evolution, and the School recognizes that there will likely be events or issues that are not addressed in these guidelines. Thus, each School employee is

responsible for using good judgment and seeking guidance, clarification, or authorization before engaging in social media activities that may implicate this policy.

Failure to comply with EP's social media policy will result in disciplinary action, up to, and including, immediate termination.

Nothing in this policy is not intended to interfere with, restrain or prevent employees from using social media to:

- Communicate with others regarding wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in protected concerted activity that employees have the right to engage in under federal, state or local law.

EQUIPMENT POLICY

EP attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, and any other equipment that may be assigned to them or their classroom if the loss is due to willful misconduct.

1. Laptop Computers

   Each staff member assigned a laptop for professional use shall be required to sign a laptop Agreement Form and will be charged for any damages, loss or theft to the laptop caused by willful misconduct.

   Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

   Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

   - Keep the computing device in a locked and secured environment when not being used;
   - Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
   - Keep food and drinks away from all computing devices and work areas;

- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty classroom or office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
    - Immediately report the incident to their immediate supervisor and Business Manager;
    - obtain an official police report documenting the theft or loss; and
    - provide a copy of the police report to their immediate supervisor or Business Manager.

If the employee fails to adhere to these procedures, the employee will be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to review, monitoring and auditing by the School.

Non-compliance with any policies or procedures will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School if resulting from an employee's willful misconduct.

CELL PHONE POLICY

Personal cell phone use is not permitted while you are working. Cell phones should be silent and stored with your other personal belongings while you are working.

Personal telephone calls should be made and received during non-teaching or non-working times. EP expects that cell phones will be turned on a silent/meeting answer mode while employees are on the job and includes, but is not limited to, staff meetings, professional development, and student supervision.

Notwithstanding the foregoing, employees may, in the event of an "emergency condition," access their mobile device or other communications device for seeking emergency assistance, assessing the safety of the situation, or communicating with a person to verify their safety. For purposes of this policy, an "emergency condition" is defined as:

- Conditions of disaster or extreme peril to the safety of persons or property at the workplace or worksite caused by natural forces or a criminal act; or
- An order to evacuate a workplace, a worksite, a worker's home, or the school of a worker's child due to natural disaster or a criminal act.

If you are required to perform business on a cell phone for EP while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or

reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages and email.

Employees whose job responsibilities do not specifically include driving as an essential function, but who use a cell phone for business purposes, whether issued by EP or not, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves or others at risk to fulfill business needs.

Any employee who fails to comply with this policy will be deemed to have engaged in grossly negligent conduct beyond the course and scope of their employment. As a result, any employee who is charged with a traffic violation or incurs any other form of liability resulting from a violation of this policy will, to the extent allowed by applicable law, be solely responsible for any such liability.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

This policy is not intended, nor shall it be interpreted, to in any way limit the ability of an employee to:

- Communicate with others regarding the terms and conditions of their employment, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in protected concerted activity that employees have the right to engage in under federal, state or local law.

TELEPHONE CALLS AND TEXTING

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

In addition, the use of personal cell phones for placing or receiving calls, sending or receiving text messages, checking voicemail, or any other form of communication supported by the School's cell phone provider during working hours is strictly prohibited. Cell phones should be placed out of sight and completely silenced to avoid disruption to the learning environment. In the event of a field trip or other class outing where personal cell phones may be used for safety purposes, communication should be limited to school staff only. The School will not be responsible for lost or stolen cell phones or other personal property.

NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, EP has established the following policy concerning solicitation

and the distribution of written materials other than those directly related to the School's business. This policy is not intended, nor should it be interpreted, to in any way limit the ability of an employee to:

- Communicate with others regarding the terms and conditions of their employment, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in protected concerted activity that employees have the right to engage in under federal, state or local law.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed or controlled by EP.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by EP, or if an employee is engaged in a protected activity related to improving the terms and conditions of their employment.

School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School and the National Labor Relations Act, if applicable. The Executive Director must approve any postings prior to posting.

EP reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

Employees are required to leave school premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on school premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their direct supervisor.

1. Definitions

   Work time: any time when employees are engaged in or required to be performing work tasks or are otherwise "on the clock." Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except employee break areas, and parking lots (non-work areas).

2. Employee Responsibility

If you have a need to solicit and/or distribute materials on school premises, it must be in compliance with this policy. If you have questions, talk with the Executive Director. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to the Executive Director.

NEPOTISM POLICY

EP permits the employment of qualified relatives of employees, of the employee's household or immediate family as long as such employment does not, in the opinion of EP, create actual conflicts of interest. For purposes of this policy, "qualified relative" is defined as a spouse, registered domestic partner, child, parent, sibling, grandparent, grandchild, aunt, uncle, niece, nephew, first cousin, corresponding in-law, "step" relation, adoptive relative, guardian, ward, or any member of the employee's household. “Qualified relative” also includes persons engaged in amorous relationships, meaning a relation in which persons voluntarily have a physical relationship or are engaged in a romantic courtship (e.g. dating or engaged) that may or may not have been consummated. EP will use sound judgment in the placement of related employees in accordance with the following guidelines:

A qualified relative is permitted to work in the same department, provided no direct reporting or supervisor-to-subordinate relationship exists. That is, no employee is permitted to work within "the chain of command" when one qualified relative's work responsibilities, salary, hours, career progress, benefits, or other terms and conditions of employment could be influenced by the other relative.

Qualified relatives may have no influence over the wages, hours, benefits, career progress and other terms and conditions of the other related staff members.

Current employees who marry will be permitted to continue working in the same job positions held only if they do not work in direct supervisory relationship with one another or in job positions involving conflicts of interest. If relatives are found to be employed in any of these prohibited job positions, the School will take action to eliminate the conflict, including possibly requiring one or both employees to accept a transfer to another position or to resign. The Board of Directors must approve any exceptions to this policy.

BUILDING SECURITY/SCHOOL KEYS

All employees who are issued keys to the office and classrooms are responsible for their safekeeping. These employees will sign a Key Release Agreement upon receiving the key.

You will be assigned all appropriate building keys needed to conduct your daily job responsibilities. You are responsible for all keys. Duplication of any school key is not allowed and strictly prohibited. It is against School policy to loan or distribute your assigned keys to another employee or non-employee of the School. If your school keys are lost, misplaced, destroyed, or stolen, you must report it immediately to the Business Manager.

The last employee, or a designated employee, who leaves the office and /or the school site at the end of the business day assumes the responsibility to ensure that all doors are securely locked, the alarm system is armed, thermostats are set on appropriate evening and/or weekend setting, and all appliances and lights are turned off with exception of the lights normally left on for security purposes. Employees are not allowed on school property before or after hours without prior authorization.

INTERNAL INVESTIGATIONS & SEARCHES

From time to time EP may conduct internal investigations pertaining to security, auditing, or work-related matters. Employees are required to cooperate fully with and assist in these investigations if required to do so.

Whenever necessary, at EP's discretion, employees' work areas (i.e. desks, file cabinets, lockers, etc.) may be subject to a search without notice. Employees are required to cooperate. Because even a routine search for EP property might result in the discovery of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to reveal to EP. Employees have no expectation of privacy in their work areas.

VIOLENCE IN THE WORKPLACE

EP has adopted a policy prohibiting workplace violence including a Workplace Violence Prevention Plan. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect EP or which occur on EP property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

All threats or acts of violence occurring on EP premises, regardless of the relationship between EP and the parties involved.

All threats or acts of violence occurring off EP premises involving someone who is acting in the capacity of a representative of EP.

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

- Hitting or shoving an individual

- Threatening an individual or their family, friends, associates, or property with harm
- Intentional destruction or threatening to destroy EP property
- Making harassing or threatening phone calls
- Harassing surveillance or stalking (following or watching someone)
- Unauthorized possession or inappropriate use of firearms or weapons

EP's prohibition against threats and acts of violence applies to all persons involved in EP's operation, including but not limited to all personnel, contract, unpaid interns, volunteers and temporary workers and anyone else, including parents on EP property. Violations of this policy by any individual on EP property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors or to the Human Resources department.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to Human Resources and their direct supervisor.

Employees should immediately inform their supervisor or Human Resources about any workplace security hazards. If these individuals are not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

In certain circumstances, the School may seek a workplace violence restraining order on behalf of one or more employees in furtherance of its commitment to providing a workplace that is free from acts of violence or threats of violence.

STANDARDS OF CONDUCT

PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. The supervisor will inform you of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive or reduce productivity. If you are assigned a School uniform, your uniform must be clean and presentable when you report to work.

The designated Supervisor will be the final arbiter of what is considered to be inappropriate attire. You may be required to return home to change clothing if deemed necessary. Nonexempt employees will not be paid for time away from work to change attire. If management occasionally designates "casual days," appropriate guidelines will be provided to you.

Consult your supervisor if you have any questions regarding appropriate attire.

PERSONAL APPEARANCE/STANDARDS OF DRESS

The Board of Directors believes that teachers and other EP staff serve as role models. They should therefore maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

The Board of Directors encourages staff, during school hours, to wear clothing that will add dignity to the educational profession, will present an image consistent with their job responsibilities, and will not interfere with the learning process. Accordingly, all staff shall adhere to the following standards of dress:

- Clothing and jewelry must be safe and appropriate to the educational environment.
- All clothing must be clean and in good repair. Slits or tears in pants or other articles of clothing are not permitted except for modest slits in any apparel that are no higher than three (3) inches above the knee.
- Head coverings, including hats of any kind, except those worn for religious or safety reasons, are not to be worn inside school buildings including assemblies, classrooms, labs and offices. Hats may be worn outside for sun protection. All hats are to be removed upon entering school buildings. For exceptions to this policy, the direct supervisor must grant prior approval.
- Slacks and shorts are to be worn on the waist with no portion of an undergarment showing. Shorts should be modest in length and should be no higher than three (3) inches above the knee.

- All tops must be appropriate to the work environment, and should be clean, neat, and provide proper coverage.
- For safety purposes, earrings must not dangle more than one (1) inch below the ear.
- Clothing or jewelry that depict and/or promote gangs (as defined in Ed. Code § 35183), drugs, alcohol, tobacco, sex, violence, illegal activities, profanity, or obscenity are not permitted.
- Appropriate shoes must be worn at all times.
- No spaghetti-strapped shirts
- No tank tops or revealing
- No short apparel of any kind
- No sheer clothing
- No T-shirts with inappropriate or offensive gestures or advertising.

DISCIPLINARY PHYSICAL CONTACT WITH STUDENTS

It is the policy of EP that no teacher or other staff member will use corporal punishment against a student. This prohibition includes spanking, slapping, pinching, hitting, tying, taping, or the use of any other physical force as retaliation or correction for inappropriate behavior.

STAFF-STUDENT INTERACTIONS

1. Boundaries Defined

   For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust. Boundary violations may lead to discipline up to and including termination.

2. Acceptable and Unacceptable Behaviors

   Some activities may seem innocent from a staff member's perspective but may be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or "grooming." Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. If a student specifically requests that they not be touched, then that request must be honored. Violations could subject the teacher or staff member to discipline up to and including termination. Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

3. Unacceptable Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior we intend to address by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature (including photographs); or items such as money, food, outings, electronics, etc. without the written pre-approval of the Principal or School Leader. It is recommended that any such gifts be filtered through the Executive Director along with the rationale therefor.
- Staff are not permitted to contact students through any of the following methods unless the communication is school-related, uses approved platforms, and includes a parent/guardian or staff member (not sure if staff member should be removed)
    - Personal emails or text messages
    - Comments on students' social media accounts
    - Phone calls
    - Notes or letters
    - Any communication through private or unapproved platforms
- Private social media accounts may not be used to communicate with students under any circumstances.
- Any communication with students that could be perceived as "flirting".
- Kissing of ANY kind
- Massage [Note: Prohibited in athletics unless provided by massage therapist or other certified professional in an open public location. Coaches may not perform massage or rub-down. Permitted in special education only as instructed under an IEP or 504 plan.]
- Full frontal or rear hugs and lengthy embraces
- Sitting students on one's lap (grades 3 and above)
- Touching buttocks, thighs, chest or genital area
- Wrestling with students or other staff member except in the context of a formal wrestling program
- Tickling or piggyback rides
- Any form of sexual contact
- Any type of unnecessary physical contact with a student in a private situation

- Intentionally being alone with a student away from school
- Furnishing alcohol, tobacco products, or drugs or failing to report knowledge of such
- "Dating" or "going out with" a student
- Remarks about physical attributes or physiological development of anyone. This includes comments such as "Looking fine!" or "Check out that [body part]."
- Taking photographs or videos of students for personal use or posting online
- Undressing in front of a student
- Leaving campus alone with a student for lunch
- Sharing a bed, mat, or sleeping bag with a student
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing your personal troubles or intimate issues with a student
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without the express, advance written permission of the Executive Director and the student's parent or legal guardian
- Being alone in a room with a student at school with the door closed and/or windows blocked from view
- Allowing students at your home and/or in rooms within your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or designated school volunteer
- Staff mirroring the immature behavior of minors

4. Acceptable Behaviors
    - Pats on the shoulder or back
    - Handshakes
    - "High-fives" and hand slapping
    - When age appropriate, touching face to check temperature, wipe away a tear, remove hair from face, or other similar types of contact
    - Placing TK through second grade students on one's lap for purposes of comforting the child for a short duration only

- Holding hands while walking with small children or children with significant disabilities
- Assisting with toileting of small or disabled children in view of another staff member
- Touch required under an IEP or 504 Plan
- Reasonable restraint of a violent person to protect self, others, or property
- Obtaining formal written pre-approval from Executive Director to take students off school property for activities such as field trips or competitions, including parent's written permission and waiver form for any sponsored after-school activity whether on or off campus
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via transparent [non-private] school-based technology and equipment)
- Keeping the door wide open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries, including touching legs, or buttocks, frontal hugs, kissing, or caressing
- Keeping administration informed when a significant issue develops about a student, such as a change in demeanor or uncharacteristic behavior
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior staff or administration if you find yourself in a difficult situation related to boundaries
- Involving your supervisor in discussion about boundaries situations that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop Unacceptable Behaviors of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.

This policy does not prevent: 1) touching a student for the purpose of guiding them along a physical path; 2) helping them up after a fall; or 3) engaging in a rescue or the application of Cardio Pulmonary Resuscitation (CPR) or other emergency first-aid. Nor does it prohibit the use of reasonable force and touching in self-defense or in the defense of another. Restraining a child who is trying to

engage in violent or inappropriate behavior is also allowed. Only such force as necessary to defend one's self, another person, or the child or to protect property is legally permitted. Excessive force is prohibited.

5. Boundaries Reporting

   When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, they must report the suspicion to the Executive Director promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

6. Investigating

   The Executive Director will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior by a staff member, using such support staff or outside assistance, as they deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Executive Director shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

7. Consequences

   Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CONSENSUAL ROMANTIC OR SEXUAL RELATIONSHIP

EP is committed to providing a professional, safe, and respectful learning and work environment for all students and employees. To protect against conflicts of interest, favoritism, bias, harassment, and any disruption to the school community, romantic or sexual relationships between employees and adult students, or between employees, are governed by this policy.

1. Employee-to-Employee Relationship

    - While voluntary and consensual romantic or sexual relationships between employees are not prohibited, they must remain professional and not disrupt the workplace or school community. Such relationships may not lead to favoritism, bias, or conflict of interest.
    - Supervisory Relationships: If a romantic or sexual relationship exists or develops between an employee and their report or a supervisor, the employee must disclose the relationship to the Human Resources Department immediately. EP will take steps to eliminate any potential conflict of interest, which may include reassigning one or both individuals, or in cases where the conflict cannot be remediated, possible separation from employment.
    - Workplace Conduct: Romantic or sexual relationships must not impact work performance, decision-making, or the learning environment. Unprofessional behavior, favoritism, or any form of public displays of affection (PDA) in the workplace are not acceptable.
    - Retaliation and Harassment: Any retaliation or harassment arising from the initiation, continuation, or cessation of a relationship will not be tolerated and will result in disciplinary action.

2. Employee-to-Student Relationship

    Any voluntary and consensual romantic or sexual relationships between an employee and an adult student are prohibited when the employee has, or might reasonably be expected or perceived to have, any professional responsibility for the student, including but not limited to instructional, supervisory, evaluative, advisory, counseling, or other assigned one-to-one role, even when both parties have consented to, or appear to have consented to, the relationship. Any employee found engaging in, or attempting to engage in, a romantic or sexual relationship with a student will face immediate investigation and possible disciplinary action, up to and including termination. Employees who become aware of such relationships are required to report them to Human Resources immediately. Failure to report can result in disciplinary action for those with knowledge of the relationship.

All romantic or sexual relationships between employees must be reported to Human Resources and the involved employees must complete a Consensual Relationship Agreement.

STAKEHOLDER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e. our "stakeholders") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our stakeholders and the public. It is possible an employee may come into contact with a dissatisfied or hostile individual based on the nature of the employee's work. If this

happens, you should immediately notify your supervisor or Human Resources. We will absolutely not tolerate conduct toward our stakeholders or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or Human Resources.

STANDARDS OF CONDUCT AND CIVILITY

At EP, we are committed to upholding the highest standards of personal integrity and conduct. These standards are based on our dedication to treating people with dignity, respect, and civility, and taking individual and collective responsibility for our conduct. The manner in which we conduct ourselves defines us and how we are perceived by others. As school employees, we also serve as role models to our students.

EP employees are accountable for integrity in conduct and for the consequences of their actions or inactions. The highest of ethical standards are expected in all matters internal, as well as with students, parents, and the community at large. All EP employees and any individuals acting on behalf of EP are required to conduct themselves in compliance with the essence of this Standards of Conduct and Civility policy. Any concerns must be promptly reported to a supervisor or Human Resources. Failure to comply with this policy may result in disciplinary action, up to and including termination.

PROHIBITED CONDUCT

The following is a list of conduct that is prohibited and will not be tolerated by the School. It is not an all-inclusive list, but rather a list designed to give examples of the types of conduct prohibited by the School. Other types of conduct that threaten security, personal safety, employee welfare and/or the School's operations also may be prohibited and will result in disciplinary action up to and including termination.

- Falsification of employment records, employment information, or other School records.
- Recording the work time of another employee or allowing any other employee to record your work time, or allowing falsification of any time card, either your own or another's.
- Damage, defacing, unauthorized removal, destruction, theft, deliberate or careless damage or loss of any School property or the property of any employee or third-party.
- Provoking a fight or fighting during working hours or on School property.
- Participating in horseplay or practical jokes on School time or on School premises where such conduct might be a safety risk or might be interpreted as offensive.
- Carrying firearms or any other dangerous weapons (real or replica) on School premises at any time or while acting on behalf of the School.
- Violation of the Substance and Alcohol policy.

- Insubordination, including but not limited to, failure or refusal to obey the orders or instructions of a supervisor or member of management, or the use of abusive or threatening or abusive language toward a supervisor or member of management.
- Inefficiency including deliberate restriction of output, carelessness or unnecessary waste of time and materials, neglect of job, duties or responsibilities.
- Unprofessional conduct.
- Immoral or indecent conduct.
- Intimidating or interfering with other employees.
- Unreported absence on scheduled workdays unless otherwise excused.
- Excessive tardiness or absenteeism unless otherwise excused.
- Unauthorized use of School equipment, time, materials, facilities, or the School name.
- Sleeping or malingering on the job.
- Gambling on school premises.
- Conducting personal business during business hours and/or unathorized use of school equipment for personal reasons.
- Failure to observe working schedules, including the required rest and meal periods.
- Soliciting other employees for membership, funds, or other similar activity in connection with any outside organization during your working time or the working time of the employee(s) solicited.
- Distributing unauthorized literature or any written or printed material during working time or in work areas. ("Working time" does not include your meal and break periods.)
- Failure to timely notify your supervisor when you are unable to report to work absent extenuating circumstances.
- Failure of an employee to obtain permission to leave work for any reason during normal working hours.
- Abuse of sick leave.
- Violation of the Communication Systems Policy.
- Violation of the Standards of Conduct and Civility Policy.
- Failure to provide a physician's certificate when requested or required to do so.
- Violating the School's Personal Appearance/Standards of Dress policy or dress code.
- Breaching Confidentiality.
- Making derogatory racial, ethnic, religious or sexual remarks or gestures; any violation of the Harassment and/or Equal Employment Opportunity policy; or using profane or abusive language at any time on School premises or during working hours.
- Violation of any safety, health, security or School rule.

- Negligence or other conduct leading to the endangerment of harm of a child or children.
- Working overtime without authorization or refusing to work assigned overtime.
- Unsatisfactory job performance.
- Willfully or maliciously making false statements regarding any co-worker or submitting a complaint known to be false.
- Failure to possess or maintain the credential or certificate or license required of the position.
- Allowing a visitor onto campus without prior authorization and without the appropriate clearances.
- Failure to disclose a pending action against the employee's credential by the California Commission on Teacher Credentialing.
- Failure to adequately supervise students.

The School will not discipline employees for conduct that relates to employees' ability to:

- Communicate with others regarding the terms and conditions of their employment, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in concerted activity protected under federal, state or local law.

CONFIDENTIAL INFORMATION

You may, during the course of your duties be advised of certain confidential business matters and affairs of the School regarding its business practices, students, suppliers and employees. Your duties may also place you in a position of trust and confidence with respect to certain trade secrets and other proprietary information relating to the business of the School and not generally known to the public or competitors. Such proprietary information includes student information, competitive strategies, marketing plans, fundraising, personnel information and financial information. Confidential information does not include information about the terms and conditions of your employment, such as wages, benefits, workplace safety and other topics you have the right to discuss with other employees under the law. You shall not, either during your employment with the School or any time in the future, directly or indirectly:

- Disclose or furnish, directly or indirectly, to any other person, firm, agency, corporation, client, business, or enterprise, any confidential information acquired during your employment;
- Individually or in conjunction with any other person, firm, agency, School, client, business, or corporation, employ or cause to be employed any confidential information in any manner whatsoever, except in furtherance of the business of the School;
- Without the written consent of the School, publish, deliver, or commit to being published or delivered, any copies, abstracts, or summaries of any files, records, documents, drawings, specifications, lists, equipment and similar items relating

to the business of the School, except to the extent required in the ordinary course of your duties.

Nothing in this policy prevents employees from discussing or disclosing information about unlawful acts in the workplace, such as harassment or discrimination or any other conduct that they have reason to believe is unlawful. This policy is not intended, nor should it be interpreted, to in any way limit the ability of employees to:

- Communicate with others regarding the terms and conditions of their employment during non-working times, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engage in protected concerted activity that employees have the right to engage in under federal, state or local law.

Employees shall not use their cell phone or similar device to engage in any form of audio or video recording on school property without the prior written approval of the Executive Director and the written consent of the individual being recorded.

Upon an extended leave of absence, request from the School or termination of employment, employees are required to immediately return to the School all property of the School in as good condition as when received (normal wear and tear excepted) including, but not limited to, all files, records, documents, drawings, specifications, lists, equipment and supplies, promotional materials, and similar items relating to the business of the School. This policy also encompasses any and all identifying or confidential information of all former and current students which is protected under the Family Educational Rights and Privacy Act.

Failure to comply with this policy may result in disciplinary action, up to and including termination.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social and economic relationships with competitors, suppliers, stakeholders, parents, or co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest.

EP expects employees to devote their best efforts to the interests of our school. EP recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at EP or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with EP whether as a regular employee or as a consultant.

If you have any questions whether an action or proposed course of conduct would create a conflict of interest, you should immediately contact Human Resources to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including immediate termination.

1. Outside Employment

   If you are a full-time employee we expect that you devote your full professional effort to your position at EP. If you wish to participate in outside work activities you are required to obtain written approval from your supervisor prior to starting those activities. Approval will be granted unless the activity conflicts with EP's interests. In general, outside work activities are not allowed when they:

   - Prevent you from performing work for which you are employed at EP.
   - Involve organizations that are doing or seek to do business with EP including actual or potential vendors.
   - Violate provisions of law or EP policies or rules.
   - When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave).

Your obligations to EP must be given priority. Full-time employees are hired and continue employment with the understanding that EP is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the School is strictly prohibited.

This section is not intended, nor should it be interpreted, to in any way limit the ability of employees to:

- Communicate with others regarding the terms and conditions of their employment, including such topics as wages, job performance, workplace safety, workload, supervisors, staffing or other terms and conditions of employment; or
- Otherwise engaging in protected concerted activity that employees have the right to engage in under federal, state or local law.

EXPENSE REIMBURSEMENT POLICY

EP expects employees to act responsibly and professionally when incurring and submitting expenses. The organization will reimburse employees for reasonable expenses on pre-approved business. This includes, for example, travel fares, accommodations, meals, tips, telephone and fax charges, and purchases made on behalf of the organization.

EP does not pay for local travel to and from the office (regular commute). If employees use their vehicles for business travel, mileage will be reimbursed as per the IRS current mileage rates and for appropriate parking fees. EP will not be responsible for fuel, maintenance, traffic or parking violations.

1. General guidelines

Original receipts are required for reimbursement of all expenses except for per diems. These expenses include:

- Original boarding passes for airplane / train travel
- Credit card receipts
- Detailed merchant receipts

Receipts must be accompanied by a summary which outlines:

- The nature of the expense
- The name and titles of the individuals involved
- The purpose for the expense

Expense summaries must be submitted with receipts and approved by the supervisor.

All expenses and summaries must be submitted within 30 days to Business Manager for payment.

2. Travel guidelines

Flight arrangements, car rentals, and hotel accommodations will be requested by the Business Manager.

Employees may contact the Business Manager for trip work-related reimbursements of actual expenses according to the diem rates. Reimbursement will not be paid where other meal arrangements are provided. For example, a luncheon included in the event.

The following list includes examples of non-reimbursable expenses:

- Personal travel insurance
- Personal reading materials
- Childcare
- Toiletries, cosmetics, or grooming products
- Expenses incurred by spouses, children, or relatives
- In-room movies or video games
- Sporting activities, shows, etc.
- Alcohol with meals

Any questions related to the content of this policy or its interpretation should be directed to the Business Manager.

3. Cell Phone Reimbursement

All School employees who are required to use their personal cell phones for work-related purposes are eligible for a reimbursement of $35.00 - $50.00 per month for a personal cell phone plan. This amount is intended to cover the proportion of the employee's personal cell phone plan which is used for work purposes. If an employee believes this amount is insufficient, the employee must provide the School with a copy of their most recent cell phone bill in the employee's name (either as the primary account holder or a user of the plan) as valid documentation that the employee has incurred an expense higher than the normal reimbursement. The School may periodically request follow-up documentation to verify that the employee is incurring the expense. If you believe you are entitled to an additional amount, please contact the Business Manager.

SAFETY

SUBSTANCE AND ALCOHOL POLICY

It is the intent of EP to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations or School success.

For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana, marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia or alcohol during working hours, including meal and break periods, or in the presence of pupils;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event;
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises;
- Refusing to submit to an inspection or testing when requested by administration;
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event.
- Conviction under any criminal drug statute for a violation occurring in the workplace, including failure to notify the School in writing of employee's conviction for a violation of a criminal drug statute occurring in the workplace no later than 5 calendar days after such conviction; or
- Failure to keep all prescribed medicine in its original container.

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed marijuana) should not report to work. In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your ability to perform your job, you are required to report this to the Human Resources Manager. The Human Resources Manager will determine if it is necessary to temporarily place

you on another assignment or take other action as appropriate to protect your safety and the safety of other employees and students.

Employees taking physician-prescribed medication which will not impair their job performance may be required to present a statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee's ability to perform their specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in their possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee.

EP will not discriminate against employees for the use of cannabis/marijuana off the job and away from the worksite, nor will EP take disciplinary action against employees for such use, so long it does not result in the employee being under the influence of marijuana while on the job (e.g., using marijuana off-duty and outside of work and then coming to work while still under the influence/impaired).

This policy will not be construed to prohibit the use of alcohol at social or business functions sponsored by the School where alcohol is served. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. This may include desks, storage areas and rooms normally used to store employees' personal property. As a result, employees do not have an expectation of privacy in this regard.

Violation of this Drug and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Compliance with this Drug and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by intoxilator, blood test, urinalysis, medical examination or other pre-hiring drug/alcohol screening of those persons whom the School reasonably suspects

of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee during the work day.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

TABACCO-FREE SCHOOL

EP prohibits the smoking and use of tobacco and nicotine products anytime, anywhere in school owned or lease building(s), on school property and in school owned or leased vehicles. These prohibitions apply to all employees, students, and visitors at any school-sponsored program, activity, or athletic event held on or off school property.

- The definition of tobacco and nicotine products include smokeless tobacco, snuff, chew, clove cigarette, and electronic cigarettes that can deliver nicotine and non-nicotine vaporized solutions.
- Smoking means inhaling, exhaling, burning, or carrying of any lighted or heated cigar, cigarette, pipe, tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or form, and includes the use of an electronic device that creates aerosol or vapor or of an oral smoking device for the purpose of circumventing the prohibition of smoking.
- Tabacco products include
    - Any products containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco or snuff;
    - An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah; and,
    - Any component, part, or accessory of a tobacco product, whether sold or not sold separately.

This policy does not prohibit the use or possession of prescription products and other cessation aids that have been approved by the U.S. Department of Health and Human Services, Food and Drug Administration, such as nicotine patch or gum.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. In addition, any form of intimidation, threat, or retaliation against a person attempting to enforce this policy is prohibited.

VISITORS ON CAMPUS

School administration, or a designee, must be notified when visitors, other than parents, are coming onto campus. Employees should make every effort to greet all visitors and direct them to where they need to be. All visitors should come to EP on specific School business. Visitors should not wander in the hallways. All visitors must sign-in at the office and wear a visitor badge prior to entering any other area of the EP campus.

CHILDREN IN THE WORKPLACE

Employees are welcome to bring their children to visit their workplace, provided that the visits are infrequent, brief and planned in a fashion that limits disruption to the workplace. Employees and supervisors must consider issues of safety, confidentiality, disruption of operations, disruption of services, disruption to other employees, appropriateness, and legal liability, as well as sudden emergency, posed by the presence of children in the workplace.

Employees must seek and obtain prior permission from their supervisor before bringing their child to the School. Only the employee's legal child is permitted on School premises during working hours. Bringing children who are not the employee's legal children is not allowed. During in-service periods, employees are prohibited from bringing their children to the workplace. This ensures that all staff can focus on training and development without distractions. Employees are encouraged to arrange for their children to remain at home or to enroll them in the school's childcare program, if available.

While children are in the workplace, they must be directly supervised by the parent at all times. If the frequency, length or nature of visits becomes problematic, the employee will be advised of the situation and will be expected to take corrective action. This policy is not to be utilized as a backup/emergency childcare arrangement.

Employees are not permitted to bring ill children to work. As used in this policy, the terms "children" are defined as any individual who has not reached the age of eighteen (18). The School does not accept any liability for injuries to children who are on the campus in violation of this policy.

PETS IN THE WORKPLACE

EP is committed to providing a healthy, safe, and well-kept environment. Pets/animals of any kind are not allowed on campus. When School is in session or during School-sponsored events, no pets/animals will be allowed on campus.

The only animals that will be allowed in and on School property are service animals and therapy animals that are necessary to support a disability and have been approved by the Executive Director. Employees must have advance written approval to bring any animal into the classroom for instructional purposes.

Any pet is considered personal property and cannot be brought onto campus without a legitimate reason and preapproval from your Supervisor. The School assumes no liability for the safety of animals allowed on campus. Any animal may be restricted from School property at any time, should the animal become aggressive, a nuisance, or in any way jeopardizes health and safety on campus or otherwise violates requirements for a pet/animal to be on campus, including service and/or therapy animals.

SECURITY

All employees are responsible for helping to maintain a secure workplace. Be aware of people loitering for no apparent reason. All staff are expected to question any unknown person seen in the workplace who does not have a visitor's pass. If you are leaving late at night or are in any other situation that presents security concerns or where you do not feel comfortable, please seek the assistance of the Campus Security, school administrator, other employees or call 911. Report any suspicious persons or activities to your supervisor or school administrator. Never attempt to force an individual to leave the workplace if s/he is uncooperative. Immediately contact your supervisor or school administrators for assistance or call 911. Secure your desk or work area at the end of the day or when called away from your work area for an extended length of time, and do not leave valuable and/or personal articles that may be accessible in or around your work area. Employees shall not use their cell phone or similar device to engage in any form of audio or video recording on school property without the prior written approval of the Executive Director and the written consent of the individual being recorded. Please report any problems with our security systems to the Business Manager.

PARKED VEHICLES

Employees are responsible for their own parked vehicles and the personal possessions within while parked on EP property. Be cautious: keep school property and/or personal possessions out of sight and lock your car. Insuring your vehicle and personal property against loss and damage is recommended for your protection.

PERSONAL AUTOMOBILE

Employees who use their own automobiles for travel on authorized school business will be reimbursed for mileage at the rate established by the Internal Revenue Services. Employees must have prior supervisory approval for the use of personal vehicles and must carry, at their own expense, the minimum insurance coverage for property damage and public liability.

PERSONAL PROPERTY

EP cannot be responsible and will assume no liability for any loss or damage to employee personal property resulting from theft, fire, or any other cause on EP's premises, including the parking area, or away from school property while on school business. EP employees are prohibited from using personal property for work-related purposes unless approved in advance by the supervisor.

FIRE DRILL / DISASTER DRILL

Fire and disaster drills are practices to ensure that the survival of the maximum number of staff and students should be a real event. These drills should be approached with the utmost seriousness. The same sense of seriousness should be conveyed to the students. Teachers or designees are expected to have escape routes posted in each room and designated a safe meeting spot for students. Teachers or designees are then required to take roll as part of each drill.

SAFETY POLICY

EP is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor or the Business Manager immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process or business practice for which the School is responsible, bring it to the attention of your supervisor or the school administrator immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Business Manager regarding the problem.

All workplace injuries and illnesses must be immediately reported to your supervisor and Human Resources.

EP has in place a written Injury and Illness Prevention Program and a Workplace Violence Prevention Plan as required by law. These documents are located in the HR office for review.

ERGONOMICS

EP has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our employees. You should report any ergonomic concerns to Human Resources.

CHEMICAL EXPOSURE WARNING

Employees should be aware that work areas might contain chemicals known to the State of California to cause cancer or to cause birth defects or other reproductive harm. If you have any questions or concerns about possible chemical exposure in your work area, contact the Business Manager. EP uses chemicals in some of its operations. Employees should receive training and be familiar with the handling, use, storage and control measures relating to these substances if they will use or likely be exposed to them. Safety Data Sheets (SDS) are available for inspection. Employees must follow all labeling requirements.

TERMINATION

VOLUNTARY TERMINATION

EP will consider an employee to have voluntarily terminated their employment if the employee does any of the following: (1) elects to resign from EP; (2) fails to return from an approved leave of absence on the date specified without notifying the School for the need for continued leave including failure to communicate with the school; or (3) fails to report for work without notice to EP for three consecutive work days. EP requests that employees provide at least two weeks written notice of a voluntary termination. All EP property must be returned immediately upon terminating employment. EP retains the right to accept resignation immediately and pay the amount of straight time compensation an employee would have earned in lieu of further performance.

INVOLUNTARY TERMINATION

An employee may be terminated involuntarily for, among other reasons, poor performance, misconduct or other violations of EP's Rules of Conduct as set forth herein. Notwithstanding the foregoing, or anything else contained in this handbook, pursuant to its at-will policy, EP reserves the right to terminate any employee at any time, with or without advance notice and with or without cause.

EXIT INTERVIEWS

All employees who leave employment at EP may be asked to take part in an exit interview with Human Resources to communicate their challenges and growth while employed at EP. Information shared during an exit interview will be treated as confidential to the extent possible.

VERIFICATION AND REFERENCE POLICY

All requests for employment verification, references or personal information verification or disclosures must be directed to Human Resources. Only Human Resources is authorized to provide verifications or references, or disclose personal information, pertaining to current or former employees.

With respect to verification requests, EP will disclose only the dates of employment and the title of the last position held. EP will verify or disclose an employee's salary history only if the employee provides written authorization for EP to provide the information. However, EP will provide information about current or former employees as required by law or court order. EP will not provide any letters of reference for current or former employees. Please refer all questions about this policy to Human Resources.

EMPLOYEE HANDBOOK ACKNOWLEDGEMENT

By my signature below, I acknowledge that I have received a copy of EP's Employee Handbook, on the date indicated below and agree to my at-will employment as described below. I acknowledge that it is my responsibility to read and review the Employee Handbook carefully. I also acknowledge that it is my responsibility to ask for clarification if I do not understand any of the policies included in the Employee Handbook.

I also acknowledge that I have received a copy of EP's Harassment, Discrimination and Retaliation Prevention Policy which is in the Employee Handbook. I understand and agree that it is my responsibility to read and familiarize myself with this policy and all the provisions of the Employee Handbook. I understand that EP is committed to providing a work environment that is free from harassment, discrimination and retaliation. My signature below certifies that I understand that I must conform to and abide by the rules and requirements described in this policy.

I understand that the Employee Handbook contains important information regarding EP's expectations, policies and guidelines and that I am expected to comply with these expectations, policies and guidelines at all times. I understand that the Employee Handbook does not provide a binding contract, but provides guidelines for personnel concerning some of EP's policies.

Just as I am free to terminate the employment relationship with EP at any time, EP, in its sole discretion, also reserves the right to modify or terminate the employment relationship with me at any time for any or no reason and with or without notice. Further, there is no agreement, express or implied, written or verbal, between the employee and EP for any specific period of employment, for continuing or long-term employment, or for guaranteed terms and conditions of employment. No one other than the Executive Director of EP, with the approval of the Board of Directors, has the authority to alter my employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. This is the entire agreement between EP and me regarding this subject. All prior or contemporaneous inconsistent agreements are superseded. If I have an individually negotiated written employment agreement with EP, then the terms and conditions of that agreement will prevail to the extent it differs from the policies in this Handbook.

EP reserves the right to modify, alter, add to or delete any of the policies, guidelines or benefits contained in this handbook at any time with or without notice.

Other than the EP Board of Directors, no other entity or person has the authority to modify this employee handbook.

ESCUELA POPULAR

NONEXEMPT EMPLOYEE MEAL PERIOD WAIVER AGREEMENT

Waiver of First Meal Period (Applicable only when workday is 6 hours or less)

- I understand that I am entitled to and acknowledge that Escuela Popular provides me with an uninterrupted, unpaid thirty-minute meal period whenever I work more than five hours in a workday. I also understand that my first meal period must start before the end of my fifth hour of work (i.e., 5 hours and 0 minutes on the clock).

- I wish to voluntarily waive my right to a thirty-minute meal period when my workday will be completed in six hours or less.

- I understand that I may revoke this agreement to waive my first thirty-minute meal period at any time, in writing, by providing written notice of revocation to Human Resources. As a result, I understand this waiver will remain in effect each workday unless and until I provide a written notice to Human Resources revoking this waiver.

Acknowledging the above, I hereby voluntarily waive my right to a thirty-minute meal period whenever my workday will be completed in six hours or less. If I wish to revoke this waiver, I will notify my supervisor immediately.

Second Meal Period (Applicable only when workday is more than 10 hours but not greater than 12 hours)

- I understand that I am entitled to and acknowledge that Escuela Popular provides me with a second, uninterrupted, unpaid thirty-minute meal period whenever I work more than ten hours in a workday. I also understand that my second meal period must start before the end of my tenth hour of work (i.e., 10 hours and 0 minutes on the clock).

- I wish to voluntarily waive my right to a second meal period when my workday will be completed in twelve hours or less, provided that I did not waive my first meal period on the same workday.

- I understand that I may revoke this agreement to waive my second meal period at any time, in writing, by providing written notice of revocation to my supervisor. As a result, I understand this waiver will remain in effect each workday unless and until I provide a written notice to my supervisor revoking this waiver.

Acknowledging the above, I hereby voluntarily waive my right to a second meal period whenever my workday will be completed in twelve hours or less and I did not waive my first meal period on the same workday. If I wish to revoke this waiver, I will notify my supervisor immediately.

CONSENSUAL AND VOLUNTARY RELATIONSHIP AGREEMENT

Escuela Popular (the "School") is committed to maintaining a work environment free from harassment, discrimination, conflicts of interest, exploitation and favoritism. Accordingly, the parties referenced herein agree as follows:

1. **School Policy**: It is against School Policy to use a position of authority to induce another person to enter into a nonconsensual relationship. Indeed, even consensual relationships in the workplace can cause disruption and other problems in violation of School policy.

2. **Consensual/Voluntary Agreement**: This is a Consensual and Voluntary Relationship Agreement between the following Parties (hereinafter referred to as the "Parties" or each "Party"):

   _____ and _____
   (Name of Employee) (Name of Employee)

3. **Purpose of Agreement**: The purpose of this agreement is to affirm that both Parties to this Agreement have agreed to engage in a welcome, consensual and voluntary relationship.

4. **Acknowledgment of Current School Policy**: Both Parties have received copies of the following listed policies and agree to follow these policies:

   _____

   _____

   _____

5. **Compliance With School Policy**: Both Parties affirm that, up to the date of this Agreement, neither has engaged in any conduct that violates School Policy.

6. **Public Display of Affection at Workplace**: Both Parties understand and agree that conduct or speech in the workplace that is sexual or amorous may be objectionable or offensive to others. Therefore, they agree not to engage in such conduct on School property or when performing work-related tasks in public areas. Examples of such conduct include, but are not limited to, holding hands or touching in an affectionate or sexually suggestive manner; kissing or hugging; romantic or sexual suggestive gestures; romantic or sexually suggestive gestures; romantic or sexually suggestive oral or written communications; and display or sexually suggestive objects or pictures. Regardless of the status of this relationship, the Parties agree to behave professionally and appropriately at work, consistent with School policy and this agreement.

7. **No Favoritism**: Both Parties agree that neither Party will engage in conduct that could be regarded by others as providing favored treatment to the other.

8. **No Conflicts of Interest**: Both Parties agree that neither Party will engage in conduct that could be regarded by others as a perceived or actual conflict of interest with respect to the terms and conditions of employment for either Party.

9. **School Contact in Event of Relationship Termination**: Both Parties agree that, should any issues that may impact the workplace arise or if the relationship terminates, the following authorized School employee should be advised:

   (Name of Authorized School Employee): _____

10. **No Direct Supervisor/Reporting Relationship While Relationship Continues**: While a relationship continues between them, neither Party will request, apply for, seek in any way, or accept a direct supervisor or reporting relationship with the other.

11. **No Retaliation If Relationship Terminates**: Both Parties acknowledge and agree that either has the right and ability to end their relationship at any time without repercussion of any work-related nature, and without retaliation of any form by the other.

12. **Future Work Performance/Conduct**: This Agreement represents a commitment by the Parties to continue to follow School policies and procedures and act in a professional manner at all times.

13. **Liaison For Contact Purposes**: The Parties each understand that the following authorized School employee is available to discuss any issues relating to this Agreement or matters impacting our ability to work effectively:

    (Name of Authorized School Employee): _____

14. **Confidential Agreement**: This Agreement is confidential and is not intended as an invasion of privacy; rather it is intended as an affirmation that both Parties have been provided with all relevant School policies, have had an opportunity to discuss the policies, and agree to follow these policies.

HARASSMENT/DISCRIMINATION/RETALIATION COMPLAIN FORM

It is the policy of the School that all of its employees be free from harassment, discrimination, and retaliation. This form is provided for you to report what you believe to be harassment, discrimination, or retaliation so that the School may investigate and take appropriate disciplinary or other action when the facts show that there has been harassment, discrimination, or retaliation.

If you are an employee of the School, you may file this form with the Principal or Board President.

Please review the School's policies concerning harassment, discrimination, and retaliation for a definition of such unlawful conduct and a description of the types of conduct that are considered unlawful.

EP will undertake every effort to handle the investigation of your complaint in a confidential manner. In that regard, the School will disclose the contents of your complaint only to those persons having a need to know. For example, to conduct its investigation, the School will need to disclose portions of your factual allegations to potential witnesses, including anyone you have identified as having knowledge of the facts on which you are basing your complaint, as well as the alleged offender.

In signing this form below, you authorize the School to disclose to others the information you have provided herein, and information you may provide in the future. Please note that the more detailed information you provide, the more likely it is that the School will be able to address your complaint to your satisfaction.

Charges of harassment, discrimination, and retaliation are taken very seriously by the School both because of the harm caused by such unlawful conduct, and because of the potential sanctions that may be taken against the offender. It is therefore very important that you report the facts as accurately and completely as possible and that you cooperate fully with the person or persons designated to investigate your complaint.

ENDORSEMENT: attaching to and forming part of Memorandum of Coverage #CCSJPA-MOC-2025-26

GENERAL LIABILITY

BLANKET ADDITIONAL COVERED PARTY ENDORSEMENT

It is hereby understood and agreed that where the **NAMED MEMBER** is required by a written contract or agreement to include a person or organization as an **ADDITIONAL COVERED PARTY** prior to an **OCCURRENCE**, such person or organization is hereby included as an **ADDITIONAL COVERED PARTY** under **SECTION I GENERAL LIABILITY** pursuant to the terms set forth therein.

Where Certificates of Coverage are requested for **ADDITIONAL COVERED PARTIES** who do not fall within the Memorandum of Coverage's GENERAL DEFINITION below, prior agreement of underwriters and subsequent endorsement of this Memorandum of Coverage are required.

GENERAL DEFINITIONS

ADDITIONAL COVERED PARTY means any person, organization, trustee, or estate to whom, or to which the **NAMED MEMBER** is obligated by virtue of a written contract or agreement which is executed prior to an **OCCURRENCE** to provide coverage as is afforded by this MOC, but only with respect to operations or services performed by, or on behalf of, the **NAMED MEMBER**. The coverage afforded to such **ADDITIONAL COVERED PARTY** shall be no broader than the coverage and limits afforded by this MOC or required by written contract or agreement, whichever is less, and is subject to all the terms, conditions and exclusions of this MOC. **ADDITIONAL COVERED PARTY** does not include a sponsoring district of a **NAMED MEMBER** unless obligated by virtue of a **NAMED MEMBER CONTRACT** or written contract or agreement to provide insurance or coverage such as is offered by this MOC, and subject to the limitations on coverage provided in such written contract or written agreement.

This endorsement is part of Memorandum of Coverage number CCSJPA MOC 2025-26

Effective Date: July 1, 2025

Except as amended in this Endorsement, this coverage is subject to all coverage terms, clauses, conditions, and exclusions in the Coverage Document to which this Endorsement is attached.

Mission, Vision and Values

Mission Statement

Our family learning center builds on students' social, linguistic, and cultural strengths with the intent to develop bilingual, biliterate, bi-cultural students fully prepared to continue on to higher education and empowered to pursue their stated goals. Our community of teachers, students, parents, and staff believe that teaching is an act of love and learning is a life-long activity.

Vision Statement

Educates to Transform Lives

Learner Outcomes

EP believes an "educated person" in the 21st century is a self-motivated, competent, lifelong learner who exhibits the following traits:

RISE by being...

Responsible citizens

- who are globally aware,
- who appreciate the civic, economic, historical and cultural perspectives of diverse peoples,
- who can function in a multicultural world,
- who are proud of their roots and personal value,
- who care for the environment.

Intellectually curious and independent learners

- who achieve academic excellence through rigorous active learning,
- who use critical thinking skills to understand and solve complex problems across disciplines,
- who are able to analyze, synthesize, and evaluate.

Sound healthy individuals

- who understand the importance of physical fitness, and the need for a lifestyle that is balanced intellectually, physically, and emotionally,
- who achieve wellbeing for themselves.

Effective bi-literate and bilingual communicators

- who can acquire information through reading and listening,
- who can write clearly and concisely,
- who can communicate ideas and thoughts in group setting and when making

presentations,

- who can use academic language effectively in Spanish and English.

EP believes that a well-developed academic program, coupled with targeted job skills training that are offered in a nurturing learning environment both inside and outside of the classroom, will help to prepare students with these skills.

Core Values

- Emotional Wellness
- Respect
- Constructivist Learning
- Love
- Collaboration
- Success
- Safe & Organized Learning Environment

Beliefs

As a family learning center, Escuela Popular's mission is to provide all students with the opportunity to engage in purposeful, stimulating, and enriched educational experiences to meet their basic needs and to go beyond them. In conjunction with Escuela Popular's TK-12th under 19 Academy, entire families are being served.

- Escuela Popular is committed to community improvement by fostering pride in learning and student leadership.

- Escuela Popular believes educated individuals raise the standard of living and quality of life of their families and the community as a whole.

- Escuela Popular challenges the whole-school community (students, families, faculty, staff, administrators and community members) to believe in their dreams and to make their dreams a reality. EP provides the tools to enable them to build on their strengths and overcome obstacles, so they may rise above the expectations the outside world has had for them and that they have had for themselves.

- Escuela Popular believes that teaching is an act of love and that life-long learning empowers all human beings.

The overall vision of Escuela Popular is to empower our community through education. EPCTC is an over 19 educational academy that, in conjunction with Escuela Popular's Transitional Kindergarten to 12th grade under 19 Academy, serves entire families. We are committed to providing meaningful learning experiences in a small school setting to ensure we are impacting the lives of every student. We are a community school with quality age-appropriate academies in a school within a school model. Our family learning center is open extended hours to accommodate the academic and non-academic needs of our students. We focus on preparing students to master the Common Core Standards, pursue higher education opportunities and/or career

opportunities.

Promulgation Statement

Escuela Popular is committed to the safety and security of students, faculty, staff, and visitors on our campus. In order to support that commitment, a thorough review of the schools' emergency mitigation/prevention, preparedness, response, and recovery procedures relevant to natural and human caused disasters.

The Escuela Popular Safety Plan that follows is the official policy for Escuela Popular. We support its recommendations and commitment to our schools' resources to ongoing training, exercises, and maintenance required to keep it current. This plan is a blueprint that relies on the commitment and expertise of individuals within our school community. Furthermore, clear communication with emergency management officials and ongoing monitoring of emergency management practices and advisories is essential.

SCHOOL BOARD DATE

Introduction: Purpose, Goal and Scope

Purpose
The purpose of this School Emergency Plan is to provide a framework of policies, procedures, guidelines, and organizational structure that enables Escuela Popular and its community partners to effectively mitigate against, prepare for, respond to, and recover from all emergencies and disasters involving its campus.

This plan purposely does not address more specific responses demanded by the almost limitless variety of possible crises. Instead it provides a general framework for response, which in turn will guide more specific steps that a given situation demands, to be determined at the time of its occurrence by the School Emergency Team and emergency responders.

Goal
The goal of this plan is to ensure the safety of all members of the EP community and to preserve the well-being of the Schools and continuity of education through a rapid, coordinated, effective response to (and recovery from) emergencies and disasters.

Scope & Use
This plan is intended for use by school directors, staff, students, community and emergency responders. It is also intended to inform parents and community leaders of the school's planned actions in response to emergencies as a way of preparing families and local officials before an emergency occurs. This plan is intended for use in conjunction with the following resources:

- Escuela Popular (AFLC & CTC) Parent & Student Handbook
- Escuela Popular AFLC Current Charter Renewal
- Escuela Popular CTC Current Charter Renewal

The base plan format follows the Federal Emergency Management Agency's (FEMA) four phases of emergency management:

Mitigation/Prevention addresses what EP can do to reduce & eliminate risk to life & property.
Preparedness focuses on the process of planning for likely or worst-case scenarios.
Response is devoted to the steps EP will take during an emergency.
Recovery deals with how EP will restore the learning and teaching environment after an emergency.

The School Safety and Planning committee created this document. Members are:

Lupita Cortes, Business Manager
Lucero Arellano, Student and Family Services Director
Monica Montoya, Student and Family Engagement Specialist
Olivia Cortes, Principal
Elizabeth Barrera, Middle School Instructional Leader
Yolanda Ortiz , TK-5th Instructional Leader
Juliana Tapia, Childcare Coordinator
Jonathan Rodriguez, Office Coordinator
Elizabeth Esteva, Student Data Manager
Fernando Medina, CTC PM Instructional Leader
Esperanza Torrez, AM High School CTC & AFLC Instructional Leader
Januet Contreras, Human Resources Specialist

Consult with local law enforcement and fire agencies and EP School Site Council

Mitigation & Prevention

Overview

The overall vision of Escuela Popular is to empower our community through education. EP CTC, an over 19 educational academy that, in conjunction with Escuela Popular's Transitional Kindergarten to 12th grade under 19 Academy, serves entire families. We are committed to providing meaningful learning experiences in a small school setting to ensure we are impacting the lives of every student. We are a community school with quality age-appropriate academies in a school within a school model. Our bilingual family learning center is open extended hours to accommodate the academic and non-academic needs of our students. We focus on preparing students to master the Common Core Standards, pursue higher education opportunities and/or career opportunities.

Evaluation of Progress and Revision of Comprehensive Safety Plan

The comprehensive school safety plan shall be evaluated and amended, as needed, by the School's Safety Committee no less than once a year to ensure that the comprehensive school safety plan is properly implemented.

An updated file of all safety-related plans and material shall be readily available for inspection by the public. A copy of the Comprehensive Safety Plan is available in the EP Staff Resources Site.

Policies & Procedures

Anti-Bullying Policy

We believe that ALL students must feel safe and any allegations of bullying will be reviewed and investigated in a prompt, confidential, and thorough manner. Bullying is the act of an individual intimidating a person to make them do something. Bullying includes actions that are verbal, physical and/or anti-social such as exclusion, gossip, and non-verbal language. It can occur at school, in transit between home and school, and off campus. Any student who engages in bullying may be subject to disciplinary action, up to and including expulsion.

EP is committed to making our school a safe and caring place for all students. We will treat each other with respect, and we will refuse to tolerate bullying of any kind at our school. We use the Restorative Justice process to support students that don't make the best decisions to apologize and build up empathy. With affected students, we provide techniques to build up their self confidence and awareness of strengths and resilience. When needed parents are involved and part of the process.

Definition: Bullying happens when someone keeps hurting, frightening, threatening, or leaving someone out on purpose and repeatedly. Bullying is unfair and one-sided.

Bullying behaviors include, but are not limited to the following:

- Hurting someone physically by hitting, kicking, tripping, or pushing
- Stealing or damaging another person's belongings
- Ganging up on someone
- Teasing someone in a hurtful way
- Using forms of social media to bully or threaten someone
- Using put-downs, such as insulting someone's race, religion, or making fun of all or any gender.
- Limiting a student's access to educational tools
- Spreading rumors or untruths about someone

Students at EP will do the following things to prevent bullying:

Students at EP recognized the importance to be respected and show respect to their peers, therefore, they are willing to:
-Treat each other respectfully.
-Reframe to bully others.
-Play a positive role to prevent others from being bullied.
-Identify adults that they trust and who they can share and report bullying.
-Play a positive bystander role when someone is being bullied.

Teachers and staff at EP will do the following things to prevent bullying and help students feel safe at school:

- Model a respectful way to communicate and express feelings and emotions.
- Recognize and validate all feelings, and provide healthy ways to express them during circle reflection, active listening, and monthly assemblies.
- Incorporate monthly topics of the month that include learning opportunities for students in areas such as: Empathy, tolerance, diversity, trust, communication, respect, patience, friendship,optimism.
- Increase awareness of students when they are not making the best decision, by using encouragement messages to redirect them to healthy choices such as: I appreciate that you stop when I ask you to do so…..I think you are a great student, could you please stop doing this.
- Identify other factors that may be affecting students' wrong choices, and build a connection with parents to provide appropriate integral resources.
- Bring in assemblies that promote healthy choices and relationships, violence prevention and conflict resolution (such as Kaiser Permanente Educational Theater Program The Best Me, Peace Signs; Planned Parenthood Educational workshops for students, teacher and parents, cyberbullying awareness by SJPD, etc.
- Continue building a Jaguar Character by honoring on a monthly basis students that are reflecting our school values: Respetuosos, Inteligentes, Saludables y Bilingües.
- We make sure that students report the incident when they feel like they are being victims of bullying to a teacher and /or Student and Family Engagement team. They immediately intervene by an investigation, if bullying is in place. Successful interventions are made in collaboration with students, teachers and parents.

- A Student that is been victim need to identify a trusty adult who checks on a regular basis, Student and Family Engagement team, provides parents cell phone number to report any situation that they hear about bullying, and check with them on a regular basis.A behavioral contract is done with student that is not making the best decision, and regular communication is in place with student and parents.
- continue collaboration with SJPD to do presentations to parents and students about cyberbullying and digital safety.

Attendance

At Escuela Popular, we view each day as an essential learning opportunity. A significant part of each student's educational experience is derived from classroom participation, activities, discussion and relationships. Regular attendance is crucial for students to attain the maximum benefit from the school experience. Therefore, we expect excellent attendance from our students. Missing school regularly not only is detrimental to a child's learning, but also can create poor learning habits. Of course, if a child is sick or has a communicable illness, he or she should stay home to rest and recover.

When students are absent from school, it is important that their absences be cleared on their first day back to school. Any absence not cleared within 5 school days will be marked as unexcused. Students may be excused from school for illness or injury, bereavement, or justifiable personal reasons, including but not limited to, medical or dental appointments, funeral/memorial services, court appearances, religious holidays, or an employment conference, when the student's absence has been requested in writing by the parent/guardian and approved.. A student shall be excused when he/she is the custodial parent of a student who is ill or has a medical appointment during school hours.

If a student incurred more than 90 minutes of tardiness and/or 3 days absent without excuse, the student will be considered truant.

Behavioral Expectations

In The Classroom

Because a class consists of a large number of people working together under the direction of the teacher(s), appropriate classroom behavior is very important. If educational goals are to be met, teamwork and cooperation are essential. It is the teacher's job to establish and enforce the rules in the classroom. It is the student's responsibility to follow those rules without disruption. Disruptive and disrespectful behavior is not permitted in class: Food, drink, chewing gum,(except water)As well photography, recording video with cell phones or other devices are not permitted in class, except with teacher permission. If a student has a disagreement with a teacher, the student shall wait until after class to discuss it. oThe teacher of any class from which a student is suspended may require the suspended student to complete any

assignments and tests missed during the suspension.

Conduct

Code of Conduct

Students show pride in themselves, their culture, and their ethnicity by doing their best, and striving for excellence at all times. Our society is multicultural, and mutual respect is important for living in peace and harmony. The Escuela Popular (EP) Code of Conduct (COC) sets out clear standards of behavior for all members of the EP community, including students, parents, teachers, and staff. The COC strives to foster a school culture in which respect, responsibility, civility, academic excellence, and appreciation of cultural heritage are held paramount. The COC seeks to teach and reinforce responsibility, rather than simply to punish problem behavior. Please refer to Escuela Popular school wide behavior expectations matrix. EP practices restorative justice. within our COC (code of conduct process) When a teacher recommends a suspension of a student, the student needs to participate in a Restorative Process, in which members will decide the consequences.

COC Advisory Group

In the event that a particular student exhibits a problem behavior that has become chronic, or is otherwise very serious, and the issue must be elevated to the level of administration, a meeting of the COC Advisory Group will be held. The COC Advisory is a group composed of EP stakeholders who will examine a student's case and make recommendations to the principal regarding how best to resolve a student's unwanted behavior. Such recommendations may include, but are not limited to: tutoring, community service, teaching appropriate behavior, or even re-evaluating enrollment status. The final decision as to how to handle a student's situation rests with the principal.

Appeal Process

If a student wishes to appeal a decision recommended by the COC Advisory and made by the Student and Family Engagement team, they have the opportunity to appeal that decision to the Escuela Popular Board of Directors. If a student is interested in appealing a decision, they must notify an administrator of the decision to appeal and write a letter to the EP Board of Directors notifying the board of their desire to appeal.

Escuela Popular believes that all students have the right to be educated in a positive learning environment free from disruptions. On school grounds and at school sponsored activities, students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program. Behavior is considered appropriate when students are diligent in study, careful with school property, courteous, and respectful towards their teachers, other staff, students, and volunteers. Behavior this not aligned with our expectations includes, but is not limited to:

- Behavior that endangers staff and/or students
- Behavior that disrupts the orderly classroom or school environment
- Harassment of students or staff, including bullying, intimidation, hazing, or

initiation activity or any other verbal, written, electronic, or physical conduct that causes or threatens to cause bodily harm or emotional suffering

- Damage to or theft of property belonging to the school, staff or students
- Possession of prohibited items.
- Profane, vulgar, or abusive language
- Plagiarism or dishonesty in schoolwork or on tests
- Inappropriate dress or distracting grooming practices
- Tardiness and unexcused absence from school
- Failure to remain on school premises in accordance with school rules.

Off-Site Conduct

Only Escuela Popular students may participate in EP school sponsored events. Parents and teachers must sign all forms prior to participation. EP students are required to follow all the rules of conduct when going to and from school, on field trips, and other school-sponsored activities. EP students should take special care to be good neighbors who reflect well on our school. All students, guests, parents and other participants are expected to adhere to the Escuela Popular Code of Conduct and all local, education, and civil penal codes.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

Escuela Popular will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars ($1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

Child abuse and neglect reporting forms from Child Protective Services of Santa Clara County are housed in the offices of the Directors/Instructional Leaders. Staff may communicate concerns to administration and an administrator reviews reporting procedures and assists employees where needed to report the incident(s) to the proper

authorities and assists teachers in following up with the required submission in writing. These are confidential records.

Cyber Safety: (Technology and Acceptable Use Agreement)

It is understood that the school-issued device is the sole property of Escuela Popular, (EP). Students have no right or expectation of privacy regarding their use of EP property, network, files, and/or Internet access, including email or other Internet and technology resources. EP may monitor students' use of the Internet, either through direct supervision or by monitoring Internet use, usage history, and student files, to ensure compliance with this Notification. EP reserves the right to access, review, copy, and store or delete any electronic communication or files and disclose them to others as deemed necessary.

The use of the device is a privilege, not a right. This privilege may be lost if the device is not used responsibly. Students agree to relinquish their device to staff members for a random inspection.

This is the most up-to-date agreement and supersedes any other policies in this area. EP reserves the right to change this policy at its discretion. If changed, parents will be notified and provided the updated version for signature.

Personal Responsibility

Students are expected to:

- Keep school devices clean, with no attached stickers or other items that might deface or damage the finish, screen, case, keyboard or other components.
- Not remove any part of the school-supplied case from the device. Doing so will be considered willful neglect, voiding the warranty. The parent/guardian will be billed for the cost of the repair or replacement of the device.
- Immediately report all malfunctions, damage, or loss of a device to a teacher, administrator, or technology support staff member.
- Manage passwords with assistance from staff if needed.
- Use only assigned EP accounts.
- Follow all copyright and intellectual property laws.
- Use devices appropriately to assure academic integrity.
- Communicate only in ways that are kind, responsible, respectful, and lawful.
- Immediately report threatening or offensive materials to a teacher or administrator.
- Use care when using school issued devices and charging cords.

Content Filter

- EP uses an Internet content filter, provided by Progent Information Technology Consultants, that is in compliance with the federally mandated Children's Internet Protection Act (CIPA). All devices using the school network will have Internet activity filtered and monitored by the district.
- Devices not using the school network to connect to the Internet (e.g. home

networks, commercial networks, personal hotspots, etc.) are not filtered for content by Progent. Parents and/or guardians should monitor their children's Internet use at home and outside EP.

Acceptable Use

- Students will use devices for educational activities, such as performing research, developing projects, and disseminating information.
- Students will use devices during the school day only for school-related purposes.
- Students may use the device camera and/or microphone for academic purposes.
- Students will obtain permission prior to taking a photo, video or audio recording of a student, teacher, staff member, or administrator. If an individual declines such, the requesting student will respect that decision.
- Students agree not to browse websites that are inappropriate or contain inappropriate content. This includes, but is not limited to, websites that could be harmful to the device, harmful or offensive to other students, illegal, or are not academically related and/or approved by the teacher or Deans/Director.
- Students agree not to use the device to antagonize, bully, harass, or stalk people.
- Students agree not to attempt to load and use additional software on the device.

Limited Personal Use

- While students may store personal files on their issued devices, EP is not liable for this content. It is recommended that students backup any personal data placed on the device in the event of a hardware/software failure or scheduled maintenance.
- If students are permitted to take the device home, technical support will be limited or unavailable when the device is off school grounds. This includes the summer months.

Safety

- Students agree not to meet in person with someone they have met online without their parent's approval and participation.
- Students agree not to publish personal details, contact information, or a schedule or location of their activities.
- Students are responsible for the use of their individual accounts and should take all reasonable precautions to prevent others from being able to use their account.

Security

- Passwords issued to students and their parent(s)/guardian(s) are to be kept private and not disclosed to other students.

Vandalism

Vandalism is defined as any malicious attempt to harm or destroy data of another user, or that of agencies or networks that are connected to the system. This includes, but is not limited to, the uploading or creation of computer viruses, disrupting or limiting access to network resources, or using the network to make unauthorized entry to any other machine accessible via the network. Any violation may result in the loss of your network privileges, disciplinary action, and/or legal referral.

Social Media

Except when part of a school project, and with the knowledge of a school staff member, students will not use email, instant messaging or log onto chat rooms, social media or online forums during school hours.

Dangerous Students Notification

When the school becomes aware of a student who may pose a danger to the staff and other students, the information is immediately shared with Student and Family Engagement Team, Director of Schools, The Teacher, Special Education Personnel, Instructional Leaders, the Operations Manager, The Principal Office Staff and, if necessary, local law enforcement. Student and Family Engagement Team collect all the appropriate information after an investigation and prepare a plan of action including appropriate counsel and/or disciplinary procedures are prepared and implemented.

Dress Code

Escuela Popular and staff believe that appropriate dress and grooming contribute to an environment that is conducive to learning. Students should be neat and clean when coming to school. Appropriate dress allows schoolwork and activities to be done safely and efficiently without interfering with the ability of others to work safely and efficiently. Clothing is expected to be professional and appropriate for school. The administration and staff expect students to wear clothing that is suitable for the school activities in which they participate. On issues regarding appropriate dress, the decision of the Student and Family Engagement Team and (or on-site administrator) shall be final. There are three major reasons for establishing a standard of dress:

1. A concern for safety and health.
2. To ensure that clothing is professional and supports a learning culture environment.
3. To ensure that clothing is conservative and reflects common social decency. The following guidelines apply to all regular school students and activities:

Restrictions on freedom of student dress will be imposed whenever a student's appearance reflects any of the following categories:

- Is unsafe either for himself/herself or others.
- Is disruptive to school programs or the educational process.
- Is suggestive of or displays ideas related to drugs, alcohol, tobacco, violence, nudity, weapons, sexual activity, gang ideology, obscene language, lawlessness or is found to be discriminatory on the basis of a person’s actual or perceived; ethnicity, religion, sex, gender or gender identity, color, race, ancestry, national origin, physical or mental disability, age, sexual orientation or association with a person or a protected group with one or more of these actual or perceived characteristics in any of its policies, practices or procedures, programs or activities.

- Garments must be neat, clean, and in good repair.
- Clothing that has holes or is ripped may be considered inappropriate.
- Pants, shorts, and skirts must fit properly at the waist and above the hip bones. Underwear should not be visible.
- Skin tight clothing may be considered inappropriate.
- Shirts and tops must cover the entire torso, including chest, cleavage, back and midriff. Examples of inappropriate clothing include but are not limited to: Tube tops, halter-tops, backless tops, spaghetti straps, low ‘v-neck’ tops, half shirts, and muscle shirts/sheer tanks.
- Shorts, skirts, and dresses must be of an appropriate length. Appropriate length is considered at the end of 4 fingertips.
- Non-prescription dark glasses are not permitted in classrooms.
- Accessories such as studded or metal belts; wristbands, large chains, wallet chains, spiked or with bullets, and handcuffs are regarded as disruptive, intimidating and dangerous and are not permitted.
- Clothing, accessories, and jewelry identified by law enforcement officials as being gang- related or that imitate gang-style/colors are not to be worn or displayed and are strictly prohibited.
- Shoes or sandals must be worn at all times except when appropriate for the performing arts or specific school activities, and then they may be removed only for that activity.
- No pajamas and slippers are allowed.(FOR SPIRIT WEEK ONLY)
- Formal dances, athletic events and other specialized events may have different requirements for dress code in accordance to the needs of the event.
- Students may be asked to change clothing if they wear inappropriate clothing. Parents will be requested to bring appropriate clothing to the school, or the school may provide alternative, appropriate clothing. Religious head coverings are permitted.

Field Trips

EP recognizes that school-sponsored trips supplement and enrich the classroom learning experience. Students are required to follow all the rules of conduct when going to and from school, on field trips, and other school-sponsored activities. Students must have written parental permission, including pertinent medical information, in order to participate in any field trip. All chaperones and drivers going on field trips must be approved to volunteer. If the parent wishes to drive their child only, a Travel Liability Release form must be on file in the school office and is available on the Escuela Popular School website.

For the safety of the students, the following must be observed:

- No private (non-chartered) vehicle, including vans, with more than nine seats should be used (regardless of the number of passengers).
- Only G rated videos/DVDs or CDs may be played while transporting students to and from a school field trip. No electronics or video games are permissible on field trips.
- No siblings will attend school-sponsored field trips.
- State laws regarding age/weight of front seat passengers will be strictly observed.

If the parent wishes to drive their child only, a Travel Liability Release form must be on file in the school office and is available on the Escuela Popular School website. Volunteer drivers will need to have their DMV record, proof of insurance and Live Scan on file in order to be approved to drive.

Hate Crimes

Escuela Popular adheres to the procedure stated in the California Education Code: “No person shall be subjected to discrimination on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code in any program or activity conducted by an educational institution that receives, or benefits from, state financial assistance or enrolls pupils who receive state student financial aid” (EDC § 220).

Hazardous Materials

All hazardous materials are stored in locked janitorial closets. EP campus has natural gas lines(please see attached map). The plumbing and electrical features are in good condition and are inspected on a regular basis. Procedures for obtaining and storing chemicals are on file with the Science Department and Custodial/Facilities Team.

Law Enforcement

EP students, parents, staff, and administration partner with local law enforcement to ensure a safe campus. While police officers have the right to enter a school campus for purposes of interviewing students,a parent will be notified of students who are minors, and when allowed, invited to be present during the interview. The school will request a warrant or subpoena when requesting student information or permission to interview students. An administrator if student permits will remain with the student during questioning or until a parent is present.

PBIS (Positive Behavior Intervention and Support)

Escuela Popular is in the beginning stages of implementation of a nation-wide, research-based behavior intervention system. Positive Behavioral Interventions and Support uses a multi-tiered system framework to provide a continuum of positive behavior

School-Wide Positive Behavior System

General Overview:

The main focus of the School-wide Positive Behavior Intervention System (PBIS) is to provide a clear system for all students' expected behaviors at Escuela Popular Bilingual Family Learning Center. While many faculty, parents, and students may have assumptions of what is expected behavior, we can not assume that everyone's beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which all school community members have clear expectations and understandings of their role in the educational process.

Proactive Approach to School-Wide Discipline:

Escuela Popular has implemented a school-wide system of positive behavior support focused on taking a team-based system approach and teaching appropriate behaviors to all students in the school. Research shows that schools that have been successful in building school-wide systems develop procedures to accomplish the following:

1.- Behavioral Expectations are Defined: A small number of clearly defined behavioral expectations are defined in positive, simple, rules. See EP's R.I.S.E.ing Value's Matrix.
Jaguares are: Respetuosos, Inteligentes, Saludables y Bilingües.

2.- Behavioral Expectations are Taught: The behavioral expectations are taught to all students in the building and are taught in real contexts. Teaching appropriate behavior involves much more than simply telling students what behaviors they should perform. These tasks are approached by teachers on an everyday classroom's routine at the beginning of school day, and also at the welcome morning assembly.

This year, our AFLC will have the last Wednesday of each month Jaguar's assembly called **"Jaguar Living Our Values"**. Assemblies will be led by grade teachers in collaboration with their students. During each month teachers will teach their students relevant topics related to jaguar's values. Values are:

August:Responsibility- jaguars' character and school expectations
September: Identity- National Suicide Prevention Awarness Month
October: Health/Self-Esteem
November: Gratitude
December: Peace
January: Effort
February: Tolerance and Respect
March: Service
April: Dialogue and Equity
May: Trust- Mental Health Awareness Month
June: Happiness

These values will also be shared with parents, to get their support and promote the value at home. Information will be sent home towards the monthly parent's newsletter.

Specific behavioral examples are:

- Being respectful means raising your hand when you want to speak or get help.
- Being respectful means using a person's name when you talk to him/her.

- Being respectful means knowing and following classroom and school rules on a daily basis.
- Being respectful means to be on time.
- Being ready means to be prepared with assignments and materials.
- Being ready means to follow and respond appropriately to adult direction.

Behavioral expectations will be taught using the same teaching format applied to other curricula.
The general rule is presented, the rationale for the rule is discussed, positive examples (‘right way”) are described and rehearsed, and negative examples (“wrong way”) are described and modeled. Students are given an opportunity to practice the “right way” until they demonstrate fluent performance.

3.- Appropriate Behaviors are Acknowledged: Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis. Escuela Popular Bilingual Family Learning Center has designed a formal system that rewards individual and group positive behaviors. “I noticed” are immediate forms used by the individual teacher, at their discretion, as a tool of encouragement and a student motivator. Jaguar Tickets are awarded to encourage and reinforce positive behaviors demonstrated on a consistent basis. Any staff at the school can provide a student with a jaguar ticket.

4.- **Challenging Behaviors .** When students do not follow school expectations the teacher approaches the student on an individual basis providing information to him/her that their behavior was unacceptable, and explains the expected behavior and the positive consequences when the student follows the expectation. Teachers may refer students to the socio-emotional support team as needed.

This socio-emotional support has the following goals and outcomes:
- Create a positive school culture and climate with consistent and clear student expectations across classes and grade levels.
- Support individual students with a comprehensive and holistic approach
- Support students with frequent, positive reinforcement.
- Staff use frequent evaluation of behavior data from staff members to add additional support and preventative coaching for students.
- PBIS is incentivized through our EP school core values.

Procedures for Safe Arrival and Dismissal

At EP, we are committed to student safety. In addition to student well-being on campus, it is important to be safe when dropping off or picking up students. EP Students and Community are expected to observe all traffic laws. Our drop-off/pick-up plan has been created in consultation with the San Jose Police Department and outside consultants specializing in risk management. Considering the procedures necessary to keep students, staff, and volunteers safe, we strongly recommend that drivers allow extra time for dropping off and picking up.

Morning arrival procedures

1. Turn onto Gay ave and turn right into the school parking lot.
2. All drivers must use the single-file drop-off lane, whether they are dropping off or parking in the student/visitor parking
3. Please pull all the way forward to the front of the line to keep traffic flowing. This allows us to get as many cars off White Road as possible.
4. Please exit to the passenger side of the car if at all possible. Please say your goodbyes, give last minute reminders, hugs etc. prior to drop off. Efficient student exit of the vehicles will be the key to an efficient drop-off procedure.
5. At the end of the drop-off line, turn left to follow cars toward the parking lot exit. Please turn right out of the driveway and use the cul-de-sac to return to White Road.
6. Student drivers will proceed with caution and continue past the drop-off line to student parking directly behind the back of the playground area.

Afternoon Dismissal procedures

1. Please encourage your student to watch for you and to quickly and cautiously proceed to the waiting car.
2. Students are to wait on campus in our drop-off /pick-up area (on the gate next to the playground on Gay Ave. parking lot). They are not allowed to wait in any other EP campus areas.
3. No temporary or visitor parking in the staff CTC-Student parking areas. This will avoid needing to back-up in the exit route.
4. Avoid using your car's horn in the school parking lots.

General Reminders:

1. Please use the crosswalk when crossing White Road and watch for cars.
2. Students riding bikes or skateboards must walk their bike or skateboard when entering the school building and leave them in the designated areas.
3. Please be courteous to our staff who faithfully help with traffic. Respect the directions they are giving as they are looking out for student safety.
4. Please set a positive example for our students and do not use a cell phone to talk or text while driving. Your close attention to safety will keep accidents from happening.
5. Please do not drop off students out of the drop-off area. It only takes one out of compliance to invite others to do the same. The drop off line is established to ensure

student safety.

Please avoid the following:

1. Cutting in line to take an open spot or pull around other vehicles to drop off or pick up your students.
2. Getting out of the vehicle to help your student,
3. Storing student backpacks or other items needed for school inside the trunk of your car.
4. Leaving your car unattended in the drop-off/pick-up zone.
5. Parking in the fire lane segment of the parking lot.
6. Blocking access to disabled parking spaces at any time.

Student Drivers and Parking

All students must have a parking permit on file and adhere to traffic and parking guidelines.

Public Access

Should a disaster occur where it would serve the greater community to use the Escuela Popular facility as an emergency shelter or command center, the Executive Director or designee shall make school grounds, buildings, and equipment available to local law enforcement agencies, local fire agencies, and the Red Cross. The Business Manager will work with these agencies along with staff to provide access to the above mentioned resources. Should students be present during this time, the operations manager or designee will take security precautions to ensure student safety during the presence of non-central office personnel.

Sexual Harassment

Escuela Popular is committed to maintaining a school environment that is free from sexual harassment. The Board prohibits sexual harassment of any student by another student, an employee or other person, at school or at a school-sponsored activity. Any student who engages in sexual harassment of anyone at school, or at a school-sponsored or school-related activity, is in violation of this policy and shall be subject to disciplinary action.

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature. Types of conduct which are prohibited at Escuela Popular, and which may constitute sexual harassment, include, but are not limited to:

- Unwelcome sexual flirtations or propositions
- Sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
- Graphic verbal comments about an individual's body or overly personal conversation

- Sexual jokes, stories, drawings, pictures or gestures
- Spreading sexual rumors
- Touching an individual's body or clothes in a sexual way
- Touching or showing private body parts
- Purposefully cornering or blocking of normal movements
- Displaying sexually-suggestive objects.

Any student who feels that he/she is being harassed should immediately contact their teacher or theOperations Manager/Director (and/or designee).

Suicide Prevention Policy

The Governing Board of the Escuela Popular Family of Schools (EP) recognizes that suicide is a leading cause of death among youth and that school personnel who regularly interact with students are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. To attempt to reduce suicidal behavior and its impact on students and families, EP has developed measures and strategies for suicide prevention, intervention, and postvention.

In developing measures and strategies for use by the district, the Director or designee has consulted with school health professionals, school counselors, school psychologists, school social workers, administrators, other staff, parents/guardians, students, local health agencies, mental health professionals, and community organizations, and have developed a collaborative partnership with community based organizations to provide an ongoing training to teachers to increase awareness of warning signs of suicidal thought and mental health

Prevention and Instruction
Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with EP and is characterized by caring staff and harmonious interrelationships among students. EP's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The Principal or designee may offer parents/guardians education or information which describes the severity of the youth suicide problem, EP's suicide prevention efforts, risk factors and warning signs of suicide, basic steps for helping suicidal youth, reducing the stigma of mental illness, and/or EP and community resources that can help youth in crisis.

EP's comprehensive health education program shall promote the healthy mental, emotional, and social development of students and shall be aligned with the state content standards and curriculum framework. The suicide prevention instructional curriculum shall be incorporated into the health education curriculum at appropriate secondary grades, may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the students. The suicide prevention instruction shall be designed to help students:
- Identify and analyze signs of depression and self-destructive behaviors and

understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide.

- Identify alternatives to suicide and develop coping, self-esteem, and resiliency skills.
- Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent.
- Identify trusted adults,EP resources, and/or community crisis intervention resources where youth, including those at high risk, such as youth bereaved by suicide; youth with disabilities, mental illness, or substance use disorders; youth experiencing homelessness or in out-of-home settings such as foster care; and lesbian, gay, bisexual, transgender, or questioning youth can get help and recognize that there is no stigma associated with seeking mental health, substance abuse, gender identity, or other support services.

EP has created a collaboration with local community-based organizations to bring workshops in regards to suicidal prevention. We also will continue developing our Crisis Response Team to create a system of internal services and referral information for prevention and or/ intervention. We have posted on our EP's web calendar the Awareness Month of Suicidal Prevention on September.

EP Crisis Response Team (CRT) Development

Suicide prevention training shall be provided to teachers, counselors, and other EP employees who interact with students at the secondary level. The training shall be offered under the direction of an EP Student and Family Engagement Lead in cooperation with one or more community mental health agencies.

Materials for training shall include how to identify appropriate mental health services at the school site and within the community, and when and how to refer youth and their families to those services. Materials also may include programs that can be completed through self-review of suitable suicide prevention materials.

EP CRT development shall include research and information related to the following topics:

1. The higher risk of suicide among certain groups, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth.
2. Research identifying individual risk factors such as previous suicide attempt(s) or self- harm, history of depression or mental illness, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe stressor or loss, family instability, impulsivity, and other factors.
3. Warning signs that may indicate depression, emotional distress, or suicidal intentions, such as changes in students' personality or behavior and verbalizations of hopelessness or suicidal intent.
4. Protective factors that may help to decrease a person's suicide risk, such as resiliency, problem-solving ability, access to mental health care, and positive connections to family, peers, school, and community.

5. Research-based instructional strategies for teaching the suicide prevention curriculum and promoting mental and emotional health.
6. EP and community resources and services, including resources and services that meet the specific needs of high-risk groups.
7. EP procedures for intervening when a student attempts, threatens, or discloses the desire to die by suicide.
8. Materials approved byEP for training shall include how to identify appropriate mental health services, both at the EP campuses and within the larger community, and when and how to refer youth and their families to those services.
9. Materials approved for training may also include programs that can be completed through self-review of suitable suicide prevention materials.

Intervention

Students shall be encouraged to notify a teacher, members of the Crisis Response Team of EP or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, he/she shall promptly notify CRT member. Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, CRT member to the student's parents/guardians when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers for the sole purpose of referring the student for treatment. The school deans or Operations Manager/Director may also refer the student to mental health resources at EP or in the community.

EP shall ensure a school employee acts only within the authorization and scope of his/her credential or license. Nothing in this Policy shall be construed as authorizing or encouraging an EP employee to diagnose or treat mental illness unless he/she is specifically licensed and employed to do so.

Whenever schools establish a peer counseling system to provide support for students, peer counselors shall receive training that includes identification of the warning signs of suicidal behavior and referral of a suicidal student to appropriate adults.
When a suicide attempt or threat is reported, the Operations Manager/Director or designee shall ensure student safety by taking the following actions:
1. Immediately securing medical treatment and/or mental health services as necessary.
2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
3. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.Removing other students from the immediate area as soon as possible.

4. Designating specific individuals to be promptly contacted, for example, the EP deans, other administrators, and/or the student's parent/guardian, and, as necessary, local law enforcement or mental health agencies.
5. The Operations Manager/Director or designee shall document the incident in writing, including the steps that the school took in response to the suicide attempt or threat.
6. The Principal or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Director or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Director or designee shall consider whether he/she is required, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.
7. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident.
8. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

For any student returning to school after a mental health crisis, the Operations Manager/Director or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school.

Postvention

In the event a suicide occurs or is attempted on an EP campus, the Operations Manager/Director or designee shall follow the crisis intervention procedures contained in EP's safety plan. The Operations Manager/Director or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources After consultation with the Operations Manager/Director or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Operations Manager/Director or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed.EP staff may receive assistance from EP counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

The Operations Manager/Director or designee shall implement procedures to address students' and staff's grief and to minimize the risk of further suicides or crises. He/she shall provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. School staff may receive assistance from school counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

Any response to media inquiries shall be handled by the EP-designated spokesperson who shall not divulge confidential information. EP's response shall not sensationalize

suicide and shall focus on the district's postvention plan and available resources.

After any suicide, the Operations Manager or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

Student Health and Safety

Medicine Disbursement Procedures

All medication, including non-prescription, requires a signed release form from the parent and physician for school personnel to administer the medicine as prescribed in the written statement from the attending physician. Only trained personnel are authorized to disburse medication (exception: students may carry epinephrine injector or asthma inhaler with doctor’s approval).
Release forms may be obtained at the school office. For any medications needed on overnight field trips, parents are required to complete an overnight field trip medical form, signed by a physician, giving specific instructions of disbursement to students, by Escuela Popular personnel. This includes, but not limited to, any prescription medication and over the counter medications per California Ed Code 49423.

Escuela Popular are compliant with California Education Code Section 49414, as amended by Senate Bill 1266, effective January 1, 2015, which requires school districts to provide emergency epinephrine auto-injectors to school nurses or trained personnel who have volunteered, and provides that school nurses or trained personnel who have volunteered may use epinephrine auto-injectors to provide emergency medical aid to persons suffering or reasonably believed to be suffering from an anaphylactic reaction. Faculty and staff are formally trained in CPR and identified staff members are trained in the use of epinephrine auto-injectors for treatment of allergic reactions. The emergency epinephrine auto-injectors are located in the main office.

Allergy Procedures

Food allergies can be life threatening. The risk of accidental exposure to foods can be reduced in the school setting if schools work with students, parents, and physicians to minimize risks and provide a safe educational environment for food-allergic students.

Family's Responsibility:

1. Notify the school of the child's allergies.
2. Provide emergency contact information.
3. Provide written medical documentation, instructions, and medications as directed by a physician, using the Food Allergy Action Plan as a guide.
4. Provide properly labeled medications and replace medications after use or upon expiration.

School's Responsibility:

1. Be knowledgeable about and follow applicable federal laws including ADA, IDEA, Section 504, and FERPA and any state laws that apply.

2. Review the health records submitted by parents and physicians.
3. Include food-allergic students in school activities. Students should not be excluded from school activities solely based on their food allergy.
4. Assure that all staff who interact with the student on a regular basis understand food allergies, can recognize symptoms, know what to do in an emergency, and work with other school staff to eliminate the use of food allergens in the allergic student's meals, educational tools, arts and crafts projects, or incentives.
5. Practice the Food Allergy Action Plans before an allergic reaction occurs to assure the efficiency/effectiveness of the plans. Coordinate with the office to be sure medications are appropriately stored, and be sure that an emergency kit is available that contains a physician's standing order for epinephrine. Designate school personnel who are properly trained to administer medications.
6. Discuss field trips with the family of the food-allergic child to decide appropriate strategies for managing the food allergy.
7. Take threats or harassment against an allergic child seriously.

Allergy Student's Responsibility:
1. Will not share food with others.
2. Will not eat anything with unknown ingredients or known to contain allergen.
3. Will be proactive in the care and management of their food allergies and reactions based on their developmental level.
4. Will notify an adult immediately if they eat something they believe may contain the food to which they are allergic or are having symptoms of an allergic reaction.

Food in Classrooms
Please refer to the EP Food Protocol document.

Injuries and Illnesses
It is the policy of Escuela Popular that all injuries to the face and head will be reported to the Front Office, and trained office staff and deans will write up an incident report. The staff will call home and notify the parent(s) or guardian(s) of the child. Any injury that requires medical assistance, such as, but not limited to, the child needing to go to the doctor or hospital, will be brought to the Administration and Front Office staff's attention. Receiving ice or a bandage is not considered medical assistance.

Keeping Your Child At Home for Illness
Here are some guidelines that are meant to be helpful when making the decision about sending your child to school:
- Children must be fever free for 24 hours before returning to school (fever is defined as 100° F or higher) Without medication.
- Children that have had infectious vomiting or have had diarrhea must remain home until the vomiting or diarrhea has stopped for 24 hours.
- Following illness, exposure or pending cultures, please contact office staff who will refer to our communicable disease protocol based on the Managing Infectious Diseases in Child Care and School by the American Academy of Pediatrics

Publication..

Health Screenings
California law requires vision and hearing screenings be completed for students in selected grades. Screenings are completed every third year in Kindergarten, 2nd, 5th and 8th grade. Vision and hearing screenings are completed by the credentialed School Nurse or qualified personnel authorized by the school. Screenings are also completed for special education testing Ed Code section 49452.

Contact and Emergency Information
Emergency Card: The school has a file containing current emergency care information for each student. Each parent is responsible to keep the following information current during the year and annually update:

- The name of the student, his/her home address, telephone numbers (home and cell) and birth date
- The business addresses and telephone numbers of the parent(s)/guardian(s)
- The name of the family physician and telephone number
- Hospital preference
- Special health conditions or allergies to which the student is susceptible, the emergency measures to be applied and any current medication
- The parents' approval to send the student to a medical facility for emergency treatment should this be necessary
- The names of the persons to whom the student may be released
- The signature of responsible parent(s) or legal guardian(s)
- If a student resides in two households, we must have an emergency card from both parents

Emergency Information
Parent(s)/guardian(s) will be notified immediately of serious injury or sudden illnesses that occur during school hours. For this reason, you must notify the school office when there is a change of phone number or persons to be contacted when you cannot be reached. It is understood that enrollment at Escuela Popular automatically confers upon the school the obligation to select emergency care providers in the absence or the inability to reach the parents, and that no liability would attach to such a decision in the event that the parents cannot be reached.

Change of Address, Telephone, or Cell Phone Numbers
The school must be notified immediately of any change in home address, home and work phone numbers, cell phone numbers, or email address. This will facilitate us in locating you in case of an emergency.

Drugs, Chemicals, and Tobacco

The purpose of this policy is to maintain a safe and healthy environment for students by prohibiting the use of drugs, alcohol, tobacco, toxic substances and controlled substances without a physician's prescription. It shall be a violation of this policy for any student to use or possess any type of drugs, alcohol, tobacco, tobacco-related devices, or drug paraphernalia at Escuela Popular. This prohibition extends to all facilities, whether owned, rented or leased. This prohibition includes all school property and all off-campus events sponsored by the school.

Opioid Overdose Response Plan

The California Education Code (EC) Section 494.3 authorizes school districts, county offices of education, and charter schools to provide emergency Naloxone (Narcan) or another opioid antagonist to school nurses or other trained personnel to use Naloxone (Narcan) or another opioid antagonist to provide emergency medical aid to persons suffering, or reasonably believed to be suffering from an opioid overdose. In addition, Section 49414.3 states that a school district, county office of education, or charter school may designate one or more staff to receive initial and annual refresher training, based on standards regarding the storage and emergency use of Naloxone (Narcan) or another opioid antagonist.

Escuela Popular staff will be trained and Narcan will be available in the school. Narcan packets are stored in a highly visible location in the school's main office along with the AED, EpiPen, and First Aid Supplies. (Central location is ADA accessible and provides consistent access at the school to provide clarity and reduce response time.)

Naloxone Administration Protocol

Step (1) Call 911 An overdose is a medical emergency. It is important to have trained medical professionals assess the condition of the overdose victim. Even though Naloxone can reverse the overdose, there may be other health problems of which the responder may not be aware. In addition, people who survive any type of overdose are at risk of experiencing other health complications because of the overdose. Getting someone examined by a medical professional is an important part of reducing the harms associated with overdosing.

It is important for trained staff to remember that Naloxone only works if there are opioids involved with the overdose. It cannot reverse an overdose from benzodiazepines, meth, cocaine, or alcohol.

Step (2) Administer Naloxone (Narcan)

1. Open the Naloxone blister pack; do not push the plunger.
2. With the victim's head tilted slightly back, place two (2) fingers over the top of the medication with your thumb securing it from the bottom.
3. Insert the atomizer fully and gently into their nostril
4. Push the plunger forward with the thumb and deliver spray of medication. (There is no need to plug the opposing nostril).
5. Place the person to their side (recovery position).

6. If the individual is still not responding within two (2) minutes, give a second dose in the opposite nostril.

Follow Up

- If the victim is a student, contact parent/guardian per school policy.
- Complete an Accident/Injury Report
- Facilitate a debriefing with responding staff
- Consider a plan of care for the students' safe return to school

Emergency Response: Allergic Reaction

There are many types of medical conditions that may trigger an allergic reaction, among them anaphylactic shock, diabetes and sickle cell anemia. Possible symptoms of an allergic reaction include skin irritation or itching, rash, hives, nasal itching or sneezing, localized swelling, swollen tongue, restlessness, sweating, fright, shock, shortness of breath, vomiting, cough and hoarseness.

Staff Actions:

- If there is an imminent risk, call 911.
- Send for immediate help (First Aid, CPR, medical) and medication kit (for known allergies).
- Notify the main office and the Student and Family Associate Director or the Student and Family Engagement Specialist and personnel trained to administer epi pen.
- Assist in getting "Epi" (Epinephrine) pen for individuals who carry them (usually in a backpack).
- If an insect sting, remove the stinger immediately.
- Assess the situation and help student/staff member to be comfortable.
- Move student or adult only for safety reasons

Student and Family Associate Director or the Student and Family Engagement Specialist Actions:

- If there is an imminent risk, call 911 (always call 911 if using "Epi" pen).
- Notify parent or guardian
- Administer medication, by order of a doctor, if appropriate; apply ice pack to affected area, keep victim warm or take other actions as indicated.
- Observe for respiratory difficulty.
- Attach a label to the person's clothing indicating: time & site of insect sting or food ingested, name of medicine, dosage and time administered.

Other Preventative/Supportive Actions:

- Keep an "Epi" pen in the main office and DL office.
- Annual notification will be sent to staff to notify of location of auto-injectors and how to volunteer to administer.

- Emergency health cards should be completed by parents for each child and should be easily accessible by school personnel.

Suspension / Expulsion

The school has a Suspension and Expulsion policy

It will follow for serious infractions. A copy is available upon request in the main office, but the following offenses that may result in suspension or expulsion: bullying, sexual harassment, discrimination based on race, gender, national origin, immigration status or special needs, along with others noted in the California Education Code.

School policies

Students show pride of themselves, their culture, and their ethnicity by doing their best, and striving for excellence at all times. Our society is multicultural, and mutual respect is important for living in peace and harmony. The Escuela Popular (EP) Code of Conduct (COC) sets out clear standards of behavior for all members of the EP community, including students, parents, teachers, and staff. The COC strives to foster a school culture in which respect, responsibility, civility, academic excellence, and appreciation of cultural heritage are held paramount. The COC seeks to teach and reinforce responsibility, rather than simply to punish problem behavior.

COC Advisory Group

In the event that a particular student exhibits an inappropriate behavior that has become chronic, or is very serious, and the issue must be elevated to the level of administration, a meeting of the COC Advisory Group will be held. The COC Advisory is a group composed of EP stakeholders who will examine a student's case and make recommendations to the principal/deans regarding how best to handle a student's behavior. Such recommendations may include, but are not limited to: tutoring, community service, teaching appropriate behavior, in house suspension, home suspension, or even re-evaluating enrollment status. The final decision as to how to handle a student's situation rests with the IL and Deans

Appeal Process

If a family wishes to appeal a decision recommended by the COC Advisory and made by the deans, they have the opportunity to appeal that decision to the Escuela Popular Board of Directors. If a family is interested in appealing a decision, they must

notify an administrator of the decision to appeal and write a letter to the EP Board of Directors notifying the board of their desire to appeal

In cases where the absence of immediate disciplinary action (suspension) would pose a real threat to the health and welfare of another student, the students in general or school staff, the student from class, and contact the parent/legal guardian as soon as possible. In cases such as this, where the suspension has occurred, requirements as to due process as stated below may be adhered to after the fact.

In all other cases where suspension is necessary, but no real or immediate danger to the health and welfare of another student, the students in general or school staff exists, the following procedures should occur:

Notice: This is satisfied by informing the student that she/he is going to be suspended, informing him/her of what school rule or regulation has been broken; and indicating to the student, by way of reference to the rule, that such violation is a suspendable offense.

Evidence: This is satisfied by making the student aware of what information the Operations Manager/Director (and/or designee) has which would lead the Operations Manager/Director (and/or designee) to reasonably believe that a rule has been broken and that this student is the one who is responsible.

Opportunity to Respond: This means an informal give and take between student and Operations Manager/Director (and/or designee). In other words, “Do you have anything to say?” etc., and listening to his/her side. Then, the Operations Manager/Director (and/or designee) may make a decision to suspend based on the evidence and student’s responses to the presentation of such evidence.

Parent/Legal Guardian Contact: It is always necessary to inform the parent/legal guardian of the procedures that have been followed, including a review of the steps listed above. Where possible, a parent/legal guardian might be included in these steps so that the parent/legal guardian is aware of the total situation prior to the decision to suspend. When this is not possible, a parent/legal guardian has an absolute right to be informed of the specifics of the procedure within a reasonable time thereafter.

Right to Appeal: The parent/legal guardian may appeal the decision, first to the Operations Manager/Director (and/or designee), then to the Executive Director. However, it is presumed that the executive director will uphold the decision if the established procedures have been followed and sufficient reason for suspension exists.

A Written Record: A written record of the procedures followed in the case of the suspension (including the procedures followed after the fact, in cases where immediate suspension is necessary) shall be kept in a file separate from the cumulative folder by the Operations Manager/Director.

In-School Suspension: The student is removed from the classroom and spends the hours or days of In-School Suspension in another classroom under the supervision of the administration. Students are expected to use this time to complete all assigned

work, for which they receive credit.

***Out-of-School Suspension**:* For repeat offenses and first offenses of a serious nature, students are removed from the classroom and sent home. Students must make up all academic work for which they receive full credit. Students may receive an In-School or Out-of-School Suspension for the following: aggressive physical behavior, profanity, and outward defiance of adults, inappropriate touching, or any other action deemed by the Operations Manager/Director.

***Enumerated Offenses**:* Students may be suspended or expelled for any of the following acts when it is determined the pupil at school:

- Caused, attempted to cause, or threatened to cause physical injury to another person or willfully used force or violence upon the person of another, except self-defense.
- Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Principal/Administrator or designee's concurrence.
- Unlawfully possessed, used, sold or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind.
- Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.
- Committed or attempted to commit robbery or extortion.
- Caused or attempted to cause damage to school property or private property.
- Stole or attempted to steal school property or private property.
- Possessed or used tobacco or any products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel.
- Committed an obscene act or engaged in habitual profanity or vulgarity.
- Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code 11014.5.
- Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties, except as provided in Education Code Section 48910, pupils enrolled in Kindergarten through grade 3.
- Knowingly received stolen school property or private property.
- Possessed an imitation firearm, i.e.: a replica of a firearm that is substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
- Committed or attempted to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a or 289, or committed a sexual battery as defined in Penal Code 243.4.
- Harassed, threatened, or intimidated a student who is a complaining witness or

witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.

- Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
- Engaged in or attempted to engage in hazing of another.
- Aiding or abetting as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person.
- Made terrorist threats against school officials and/or school property.
- Committed sexual harassment.
- Caused, attempted to cause, threatened to cause, or participated in an act of hate violence.
- Intentionally harassed, threatened or intimidated a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading student rights by creating an intimidating or hostile educational environment.

The above list is not exhaustive and depending on the offense, a pupil may be suspended or expelled for serious misconduct not specified above. Alternatives to suspension or expulsion will first be attempted with students who are truant, tardy, or otherwise absent from assigned school activities.

Expulsion

Expulsion is an extreme but sometimes necessary disciplinary measure for the common good. Collaboration between the Director, Instructional Leaders and or other staff members occurs before expulsion proceedings take place. Final decision will be made by the directors.

Authority to Expel

A student may be expelled either by the Charter School Board following a hearing before it or by the Charter School Board upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel (COC- Code of Conduct) should consist of: One board member, a director, Instructional Leader, a credential teacher, and a dean.The Administrative Panel (COC) may recommend expulsion of any student found to have committed an expellable offense.

Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty
(30 days) school days after the COC- administrative panel determines that the student has committed an expellable offense.
In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the student makes a written request for a public hearing three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based; 3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing.
7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses. A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the COC-Administrative Panel to expel must be supported by substantial evidence (could be incident report, and notice of suspension report) that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative COC Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board is final.

If the COC-Administrative Panel decides not to recommend expulsion, the student

shall immediately be returned to his/her educational program.

Written Notice to Expel
The COC-Administrative Panel following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School. The Executive Director, Principal, or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

Disciplinary Records
The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

No Right to Appeal
The student shall have no right of appeal from expulsion from the Charter School as the Charter School Board's decision to expel shall be final.

Expelled Students/Alternative Education
Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

Rehabilitation Plans
Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission.
The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may reapply to the Charter School for readmission.

Readmission
The decision to readmit a student or to admit a previously expelled student from another school district or charter school shall be in the sole discretion of the following a meeting with the COC-Administrative Panel,the student and guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. COC-Administrative Panel or designee shall make a recommendation to the Board following the meeting regarding his or her determination. The student's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.

SB 419, Skinner. Pupil discipline: suspensions: willful defiance.

Existing law prohibits a pupil from being suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed a specified act, including, among other acts, disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.

Existing law prohibits the suspension of a pupil enrolled in kindergarten or any of grades 1 to 3, inclusive, and recommending the expulsion of a pupil enrolled in kindergarten or any of grades 1 to 12, inclusive, for disrupting school activities or otherwise willfully defying the valid authority of those school personnel engaged in the performance of their duties.

This bill, commencing July 1, 2020, would apply those provisions to charter schools. Commencing July 1, 2020, the bill would additionally prohibit the suspension of a pupil enrolled in a school district or charter school in grades 4 and 5 for disrupting school activities or otherwise willfully defying the valid authority of those school personnel engaged in the performance of their duties. The bill, from July 1, 2020, until July 1, 2025, would prohibit the suspension of a pupil enrolled in a school district or charter school in any of grades 6 to 8, inclusive, for those acts.

Visitors and Volunteers

Volunteers: Volunteers make our community stronger and as such we strongly encourage families to volunteer. There are many ways to be involved, including volunteering in a classroom, attending field trips, or participating on a committee.

Parent Volunteers with Siblings: Volunteers may not bring siblings when volunteering or attending events during the school day (with the exception of performances held in the multipurpose room or gym). We encourage families to work together to make arrangements for childcare so that all parents have the ability to enjoy volunteer opportunities in their child's classroom.

Megan's Law Website Review

EP may screen parents and guardians of all enrolled students with the Megan's Law Website, though no information viewed on the Megan's Law Website will impact a child's admission or enrollment at anyEP school. The Board of Directors of Escuela Popular has authorized the Executive Director and the Operations Manager/Director (and/or designee) to cooperate and work with appropriate law enforcement agencies in taking any follow up steps directed by law enforcement, including but not limited to, notifying parents of any potential concerns or information law enforcement agencies request us to provide.

Required Screening of All Volunteers

A key foundation of Escuela Popular is full partnership with parents; however, in order to ensure the safety of all children, Escuela Popular requires every volunteer to complete a Volunteer Requirement and Confidentiality form, be approved and have LiveScan fingerprint and TB clearance on file. Once you are Live Scanned with Escuela Popular Family of Schools you are cleared with any campus grades TK-12. TB clearance must be renewed every four years.

Weapons

It is a felony to possess, store, or keep a weapon on school property. No student or non- student, including adults and visitors, shall possess, use or distribute a weapon when within the Escuela Popular Family of Schools locations. EP will act to enforce the student suspension and expulsion policy and to discipline or take appropriate action against any student, teacher, Operations Manager/Director, Academy employee, volunteer, or member of the public who violates this law. Any student who becomes aware of a weapon being brought to school must immediately notify a staff member and should not pick up or move the weapon.

Roles and Responsibilities

Students

School safety is a shared responsibility and as such, students are encouraged to report information to an adult when they see, hear or experience something that would jeopardize the safety of the school or anyone at the school. It is an individual student's responsibility to act in a respectful manner and to report anyone who is not acting respectfully in order to maintain a safe culture on campus.

Classified Staff

School support staff include a variety of staff members who provide specialized instructional support as well as support to students while they utilize school facilities. They play an important role in ensuring students are learning in a safe and supportive learning environment. They can foster positive, trusting relationships with students and improve school climate by encouraging parent and family involvement in education. Because students connect with school support staff on many occasions throughout the school day, support staff can model positive behavior and send positive messages to students. They should be familiar with their school site specific roles in making sure all necessary information is on hand to account for and deal with issues such as student medication management, attendance / student release information, site utilities and facility awareness.

Teachers

Teachers represent faculty and staff who are responsible for using a variety of instructional strategies to address individual students' strengths and needs, thereby ensuring each student has an opportunity to learn and succeed.

As teachers interact with their students while providing instruction, they play a very important role in establishing a safe, supportive learning environment. Positive teacher–student relationships can have long-lasting effects on the social, emotional, and academic development of youth. Teachers can improve the school's environment by actively seeking to prevent physical violence, bullying, and emotional abuse in their classrooms and throughout the school by building relationships with students and staff.

Administration

The Escuela Popular Leadership Team recognizes the potential they have to create a school environment where teachers thrive and students achieve their greatest potential in a safe and nurturing school setting. As instructional leaders, Operation Manager, Directors maintain a constant presence in the school and in classrooms, listening to and observing what is taking place, assessing needs, and getting to know teachers and students. Instructional Leaders set high expectations and standards for the academic, social, emotional, and physical development of all students. They bring together a wide range of stakeholders within the school community, take into account the aspirations, and work to create a vision that reflects the full range and value of a school's mission. Instructional Leaders encourage the development of the whole child by supporting the physical and mental health of children, as well as their social and emotional well-being, which is reinforced by a sense of safety and self-confidence. High quality early childhood education and learning experiences are crucial to an elementary level Operations Manager/Director's shared vision to shape the school culture and instructional leadership. School leaders must mobilize the staff, students, parents, and community around the mission and shared values, as well as school improvement goals and set the parameters of high expectations for the school. Effective practice requires:

- Building consensus on a vision that reflects the core values of the school community to support student safety and well-being.
- Valuing and using diversity to enhance the learning of the entire school community.
- Broadening the framework for child development beyond academics.
- Developing a learning culture that is adaptive, collaborative, innovative, and supportive by taking into account the contributions of every member of the school staff.

Emergency & Crisis Planning

Before planning begins for future updates to this plan, Escuela Popular will pre-coordinate responsibilities between Escuela Popular and Escuela Popular Family of Schools (EP) to set a realistic timetable to prepare, collect essential information, develop the plan and involve essential personnel.

Action steps for successful planning.

- Commit to emergency preparedness (plan success depends on committed and involved leaders).
- Identify and involve stakeholders (schools,EP, community).
- Consider existing efforts (don't reinvent the wheel).
- Determine what emergencies the plan will address (through hazard analysis).
- Define roles and responsibilities.
- Develop methods for communicating with the staff, students, families, and the media.
- Obtain necessary equipment and supplies.
- Prepare for immediate response (evacuation, lockdown, shelter-in-place, etc.).
- Create maps and facilities information.
- Develop accountability and student release procedures.
- Practice, practice, practice. Each school's response will only be as good as its drills.
- Address liability issues by carefully assessing the hazards faced by each school site.
- Evaluate, refine, and update the plan at least annually and more often if needed.

Partnership Agreements (identify and involve stakeholders)

- External partnership agreements are made to delineate how partners will assist each school during an emergency and vice-versa.
- Local Fire Department (which includes EMS and HAZMAT)
- Law Enforcement

Leadership, Teams and the ICS

Incident Command System
Escuela Popular will pursue the Incident Command System (ICS), a nationally recognized organizational structure that provides for role assignment and decision-making while planning for and responding to emergencies of all types. Implementing ICS will allow for all school personnel to know their area of responsibility during an emergency and to plan and practice the management of their specific role.

Local emergency responders have also adopted ICS as their organizational structure when planning for and responding to emergencies. Escuela Popular and local emergency responders, therefore, are poised to jointly plan for and respond to school emergencies in the most effective and coordinated way possible. The Operations Manager/Directors will be the link between Escuela Popular and local emergency responders throughout all four phases of emergency management.

NOTE: *The Operations Manager/Director or his/her designee is the Incident Commander (IC) for school emergencies until public safety officials assume that role. The IC role officially passes to the fire chief during fire/HAZMAT incidents and to the law enforcement commander following a criminal act, after the Operations Manager/Director briefs the public safety official on the situation and notifies the SET of the transfer. To facilitate a smooth transfer, it is critical that Escuela Popular always involve local first responders in the school's emergency management plan development and training. Although a public safety official may have assumed the IC role, the Operations Manager/Director is still the leader of his/her own staff/students and the various functions that they've been assigned.*
During emergencies where a single Incident Commander is not appropriate, the Operations Manager/Director and public safety officials form what is called a "Unified Command," where the Operations Manager/Director and public safety officials share in the decision making process.

Leadership (Chain of Command)
The school Operations Manager/Director is initially responsible for leading the response to all school related emergency crises until local first responders arrive for events they are more qualified to lead, or until he/she delegates his/her leadership role to other school staff. In his/her absence, the following staff, in the order that they appear, will automatically assume leadership of an emergency response:

Escuela Popular
Executive Director - Patricia Reguerin
Lupita Cortes, Business Manager
Lucero Arellano, Student and Family Services Lead
Olivia Cortes, Principal
Instructional Leaders

Note: Wherever "principal" appears in this plan, it refers to either the Operations Manager/Director or a designated administrator in the leadership chain of command.

SET (School Emergency Team)
The School Emergency Team (SET) is made up of individuals within the school staff and was created to assist the Operations Manager/Director in planning for and responding to school emergencies. There may be instances when time-sensitive decisions have to be made quickly by the Operations Manager/Director, thus bypassing involvement of the SET.

School Emergency Team – Roles
Student Accounting Leader: Ensures all teachers have accurate accounting of students; coordinates efforts in accounting for missing or extra students. Ensures all classrooms have a classroom Emergency Backpack that includes a student roster. Reports student status to the Operations Manager/Director. Oversees student release procedures.
Off-Site Evacuation Coordinator: Plans use of a location and evacuation routes to safely move students. Organizes off-site location to include: planning the movement of students to the location; assisting with student accounting once they are moved; planning for special needs students/staff. Coordinates with the Parent Reunion Organizer to manage parent arrivals.
Parent Reunion Organizer and Liaison: Provides specific directions to parents as they arrive in the area. Establishes a pre-identified location where parents can wait to be reunited with their children and obtain information about the event. Coordinates activities at the Reunion Site. Coordinates with Media Rep for information that can be released to parents. Also coordinates with evacuation and student accounting to facilitate students coming to the Reunion Site.
Information and Media Representative: Establishes the media staging area. Serves as sole contact person for all media. Drafts parent letter that is sent explaining the incident. Ensures the media doesn't gain access to students or faculty during the incident. Keeps staff informed about the incident. Discusses messages to be conveyed with school administrators in advance. Coordinates messages with emergency responders prior to the release of public information. Director may assume this role.
Operations Manager/Front Office Staff: Maintains first aid kits in common areas of the school. Trains and maintains an inventory of staff on CPR and first aid and coordinates their effort during an emergency. Serves as triage officer during mass casualty events until EMS arrives. Serves as liaison with local EMS, hospitals, public health, and the healthcare community. Promotes infection control practices before, during, and after an outbreak of disease. Assists epidemiologists during an investigation of a naturally

occurring disease outbreak or a bioterrorism incident.
Facility Operations & Maintenance: Operations Manager works with the School Emergency Team using blueprints of the school to identify specific sections of the building. Custodial staff members, wearing fluorescent vests, work with law enforcement to keep incoming and outgoing travel lanes clear for emergency vehicles and to prevent unauthorized people from entering school grounds.
Deans: Plan and implement proactive counseling and violence prevention programs. Organizes a post-event counseling program to help students, parents, faculty, and community recover from an incident. Schedules support meetings, coordinate recovery activities and organize other grief management resources. Coordinates professional community services, when required.
Teachers with students in class: Provide supervision of students in their care and remain with students during emergencies until directed otherwise. Ensure safety of students; direct students according to response procedures; render first aid when needed; manage student communication via cell phones per school policy; report missing/injured or extra students to the Student Accounting Leader.
Teachers & staff not assigned to a class: when an emergency occurs. Report to the Instructional Leader or designee if not previously assigned an emergency role.

Emergency Supplies & Equipment

Emergency supplies and equipment are pre-positioned throughout the school for easy access when needed. Teacher backpack supplies and supplies located in the health office are readily available. Crisis Response Box and Shelter-in-Place supplies are goals for future implementation.

Crisis Response Box (Administration):

Supply	Date
Map of campus/ surrounding areas 20 copies, laminated ● Streets ● Intersections ● Vacant lots ● Major utility locations	
Campus layout	
Teacher/employee roster	
Keys - master clearly tagged in locked fire department knox box at front of the school	
Fire alarm turn-off procedures	
Sprinkler system turn-off procedures	
Student photos	
Map of evacuation site	
Forms for student release to parents	
Student emergency cards to be obtained from office	
List of students with special needs that might require assistance during evacuation	
First aid supply locations	
Fluorescent vests	

Teacher Emergency Backpack Supplies:

Supply	Date
Duct Tape	
3 Student accountability cards - Red, Yellow, Green	
Student Absence card - green	
Clipboard	
Band-aids	
Gauze pads	
Bottled water	
Cold pack	
Flashlight/batteries	
Latex free gloves	
Scissors	
Sharpie	
Sticky note pad	
Whistle	

Shelter-in-Place Supplies - Classroom:

Supply	Date
First Aid Supplies	
Lighting	
Food	
Water	
Emergency Blankets	
Bucket or Restroom Kit	
Plastic bags	
Duct Tape	
Classroom Emergency Backpacks	
Tools	

General Response to Emergencies

Initial Response
Crisis is unexpected, often unpredictable and takes many forms. No school and community can be fully prepared for everything that may happen, but some simple measures are helpful in any emergency:

- Think of everyone's safety first;
- Use common sense and follow emergency training procedures;
- Act quickly and calmly; and
- Remain factual and unemotional when communicating with students, the community, and media.

Action Steps
When the School Emergency Team is not immediately available, supervising adults must take quick, responsible and independent actions in response to an emergent situation. Here are points to remember for individual staff and for the SET when called upon to implement the Emergency Management Plan.

- **Expect to be surprised**
- **Assess the situation and choose the appropriate response.** Determine whether a crisis exists and if so, the type of crisis, the location, and the magnitude. After basic protective steps are in place, more information can be gathered to adjust later responses.
- **Respond within seconds**
- **Call 911**. Do not delay. It's best to have emergency responders on scene even if the incident has been resolved by the time they arrive, than to risk further injury and damage.
- **Notify the School Emergency Team (SET).** Notify the SET so they can take measures to protect the safety of all persons involved.
- **Evacuate or lock down the school as appropriate.** This step is crucial and should be one of the first decisions made, regardless of the order in which initial decisions are implemented.
- **Triage injuries and provide emergency first aid to those who need it**. Those seriously injured will be treated by EMS.
- **Keep supplies nearby and organized at all times**. Take Classroom Emergency Backpack, first aid kits, and other supplies when responding to an incident or evacuating to the Emergency Assembly Area (EAA) and/or a relocation point.
- **Trust leadership.** Trust the School Emergency Team and external emergency responders who have been trained to deal with emergencies. Trust will help calm the situation and minimize the chaos. In certain situations, yield leadership to others in this plan's designated command structure.
- **Communicate accurate and appropriate information**. Use channels identified in this plan to communicate regularly with the all staff, parents, the community, and the media. At a minimum, families need to know that a crisis has occurred and that all possible

Steps are being taken to see to the safety of their children. At some point, families need to know when/where students will be released.

- **Activate student release/parent reunion system.** Goal: Earliest possible safe release of students.
- **Allow for flexibility in implementing this plan.** No plan can address every situation that may arise.
- **Document everything.** Write down every action taken during the response to include times they occurred; include record of damages & financial expenditures. These are legal documents.

V. EVACUATION PROCEDURES

Alarm: When the Fire Alarm sounds, act immediately to ensure your safety. The Fire Alarm System is designed and engineered to provide you with an early warning to allow you to safely exit the building during an emergency situation. You are to evacuate at the sound of the alarm although as you evacuate, please be aware of your surroundings. Please note that while you are evacuating, there are assigned personnel that are responsible for the overall safety and evacuation of the campus; they are called "Sweepers". Sweepers will be wearing a safety neon yellow vest. Please listen to their instructions and seek their assistance when needed.

Sweepers: They are responsible to ensure everyone has evacuated. Once all rooms are cleared, sweepers will immediately report to the assigned Evacuation Area(s) and check for teachers holding up "red" or "green" signs. For any red signs being held up and only if it is safe, sweepers will return to areas to locate missing students. Sweepers may radio other sweepers to locate missing students/staff. If unsafe, sweepers will not return to buildings to locate missing students and will remain in the Evacuation Area and await for emergency services. You will be provided a memo with names of assigned sweepers.

Teachers: Evacuate yourself and your students to the assigned evacuation area.

Childcare Support: Staff and students may be responsible to assist in the evacuation of children to the designated evacuation areas. Students and staff will be informed in advance of their assigned role, and students will be provided safety vests to be used during evacuation. If an evacuation occurs during break, students should go directly to the nearest evacuation area, and teachers and staff should assist with the evacuation of children in Childcare Academy.

Evacuation Areas #1, #2, #3 and #4: All students, staff, and guests will come together at designated evacuation areas. Below are the evacuation areas and the classroom/offices assigned to report to those areas. At the evacuation area, teachers will hold up green/red laminated signs to inform sweepers of students accounted for. All other staff will also report to the "sweepers." If anyone is unaccounted for, the sweepers will return to their assigned areas and search for missing students or staff.

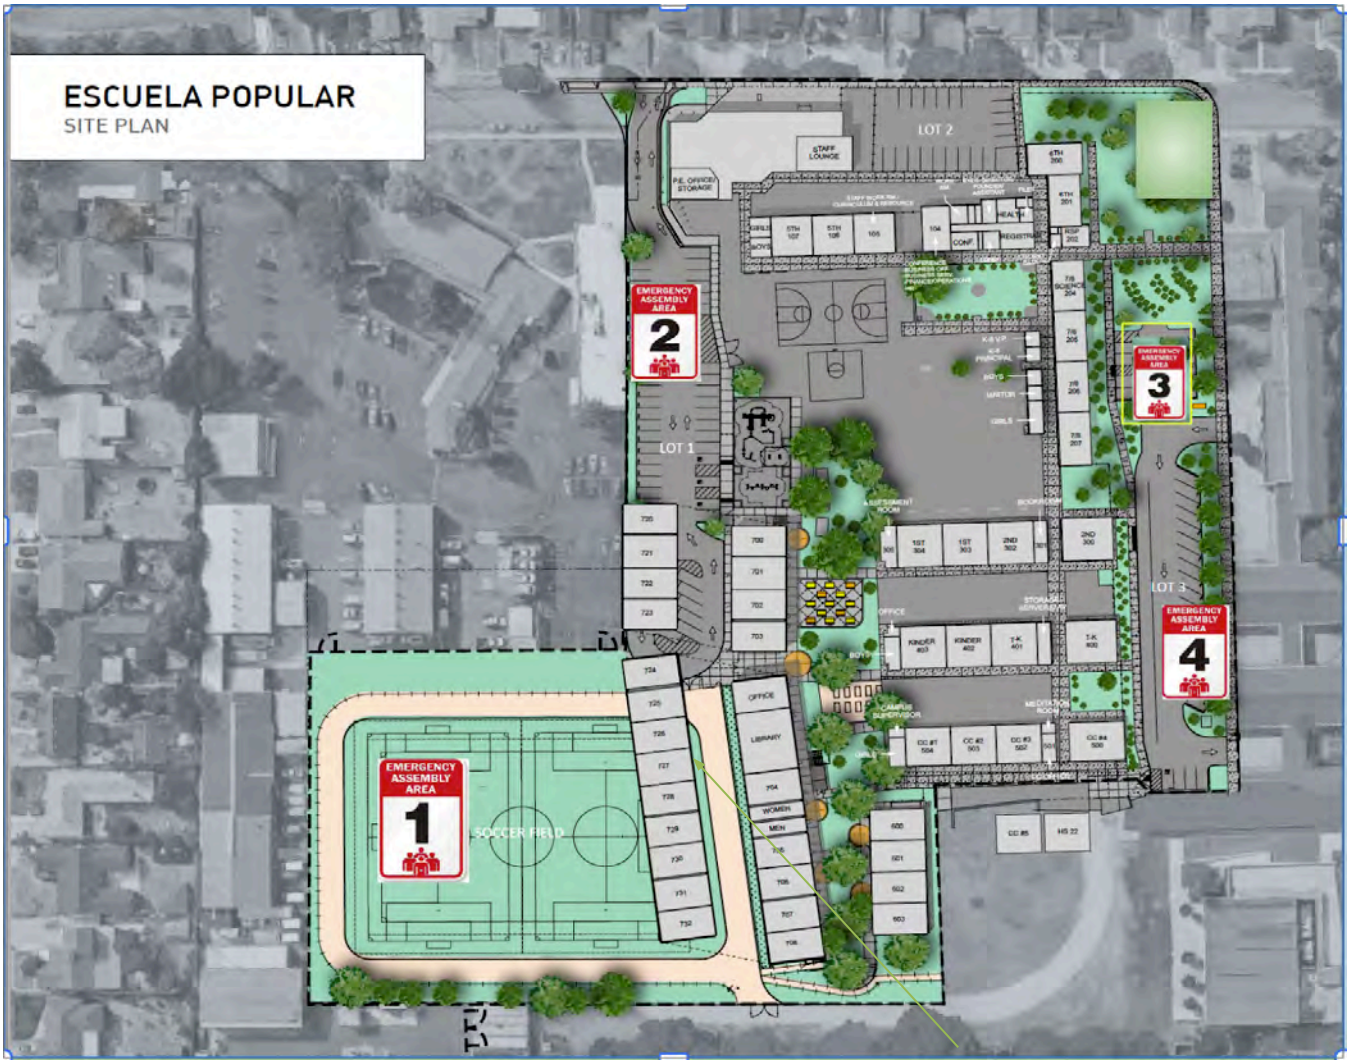
Evacuation Area #1* Located on soccer field - Building 600 and Building 700. *Exit through the nearest stairs and exit to soccer field*
Evacuation Area #2* Located in west parking lot (south of large gate where fire truck will enter) - Building 100 & Cafeteria (including room 0). *Exit through playground gate*
Evacuation Area #3* Packing lot next to main entrance - 200 Building (classrooms, offices, bathrooms)

- 300 Building and room 401 (Childcare classrooms)
Evacuation Area #4*   Located in east parking lot (on White Road):   - Building 400 and Building 500

VI. Map of Evacuation Areas

Evacuation Area #2
Located in west parking lot, next to ARUSD

Evacuation Area #3 --
Located next to the Main entrance on N. White Road



Evacuation Area #1
Located on the soccer field

Evacuation Area #4
Located in east parking lot, next to the Youth Center on N. White Rd.

Simplified Emergency Commands

Escuela Popular has established the following commands when responding to an emergency or conducting drills:

Drill	Sound	Message
Evacuate	**Fire Alarm**	***Evacuate* the Building**
Lockdown	**Loudspeaker**	***Clear the Halls and Lockdown* the School**
Shelter in Place	**Loudspeaker**	***Clear the Halls and Shelter-in Place***
Hide, Run, & Defend		***Barricades/lock doors***
Earthquake	**Earthquake alarm and loudspeaker**	***Duck, cover and hold***

Other considerations

School Emergency Team (SET)

- Members must be in place and comfortable with their respective roles well before an emergency.
- Members must watch for alarming changes in a student's behavior or recognize community events or incidents that could affect the school and report them to the Operations Manager/Director.
- When activated, the SET will convene at the Primary Incident Command Post for all emergencies unless directed otherwise.
- Items to think about when responding to an incident: type of response; crowd control; wrecker service to remove cars blocking entries/exits; type of student/staff support needed; notification of students, staff, parents, district office, community members, and the media; level of parent involvement and type of community information meetings to be scheduled; staff and substitute teacher coverage needed; involvement of response team; time/place for follow-up progress meeting(s) and need for victim assistance services; assess and debrief emergency response.
- SET debriefing will occur within 36 hours after the incident response is concluded.

Teachers and staff

- First Priority: The safety and accountability of all students. Implement

procedures to account for and protect them.

- Stay with assigned students throughout an emergency, unless otherwise assigned or until released by the Incident Commander or until every student has been officially released;
- Remain calm and matter of fact. Students will respond to how you act and react to a situation.
- When possible, assist other teachers and staff that are responding to an emergency, even if it's only to call for help; don't, however, compromise the safety of students or become a victim in the process.
- Regularly report the status of students to the Student Accounting Leader, especially if there are injuries or students needing assistance.

Evacuation

(((FIRE ALARM)))

Followed by if needed:

"YOUR ATTENTION, PLEASE. WE NEED TO INSTITUTE AN EVACUATION OF THE BUILDING. TEACHERS ARE TO TAKE THEIR STUDENTS TO THE EMERGENCY ASSEMBLY AREA. TEACHERS TAKE YOUR CLASS ROSTER AND TAKE A HEADCOUNT AT THE EVACUATION AREA."

General Concept

Evacuation is used when conditions outside are safer than inside. Once the Operations Manager/Director directs an evacuation, by sounding an alarm and announcing "Clear the Halls and Evacuate the Building" all students and staff move from the school to the outdoor Emergency Assembly Area (EAA) to the northwest parking lot. After students and staff are accounted for and the threat has cleared, students and staff return to their classrooms after "All Clear" has been announced by the incident commander or a member of the SET.

If an incident is expected to be prolonged or if conditions are not suitable for remaining at the outdoor EAA, students will walk to the relocation site at the outdoor field. After arriving at the relocation site, students and staff are sheltered and accounted for a second time. Once the students and staff arrive at the relocation site, staff will notify parents and guardians of the event and establish and operate a student/parent reunification point at the relocation site.

Action Steps – Evacuation):

- After calling 911, the IC consults with the SET. He/she indicates whether primary or alternate evacuation routes will be used.
- IC assigns SET members to: coordinate activities at the staging area and to retrieve the Administrator's Crisis Response Box for transport to the evacuation site.
- IC directs all personnel to "Evacuate the Building." Directs remaining SET members to quickly "sweep" the building, checking bathrooms, locker rooms, and other areas in addition to classrooms, and to secure entrances outside the building until police/fire arrive.
- IC directs the Student Accounting Leader to account for all students and staff throughout the evacuation.
- IC informs the Director of the pending evacuation.
- Information and Media Representative contacts the media with a predetermined message that has been coordinated with emergency responders and the Director's office.
- IC remains on site with the Police and Fire personnel and selected SET members, if needed, to coordinate with emergency personnel when they arrive.

Teachers, students and staff:

- Close, but do not lock windows and doors.
- In an orderly fashion, students and staff take the closest and safest way out as posted
- Direct students away from areas where emergency service vehicles enter the school complex.
- If an evacuation is called because of a chemical spill, wind direction and location of the spill will dictate the exits and alternate EAAs used for evacuation.
- Take the Classroom Emergency Backpack which includes the class roster for student accounting.
- Arrange special assistance for those in need.
- Do not stop for student/staff belongings.
- Go to the designated EAA.
- Once at the EAA, teachers maintain control of their class
  - Check for injuries
  - Take attendance
    - **GREEN** sign: All students on roster are present.
    - **YELLOW** sign: Some students from the roster are not present (absent or unaccounted for). Fill out an Attendance Card.
    - **RED** sign: Medical Need
  - Report any missing students or staff and report any missing or extra students to the Student Accounting Leader on site. This information is passed on to theOperations Manager/Director and then on to police and fire personnel.
- If the Student Accounting Leader is not at the EAA, use cell phones to maintain effective communication, except during a bomb threat when such devices could detonate an explosive. In those cases, use a pre-planned runner system.
- Wait for further instructions.

Evacuation Locations:

- On-site (outside the building): EP northwest parking lot/outside field
- Off-site (Primary relocation site): PARKING LOT Corner lot of Alum Rock and White

Lockdown

(((LOUDSPEAKER)))

Followed by:

"YOUR ATTENTION, PLEASE. WE ARE EXPERIENCING AN EMERGENCY SITUATION AND NEED TO LOCKDOWN THE SCHOOL IMMEDIATELY. TEACHERS LOCK YOUR DOORS AND KEEP STUDENTS INSIDE UNTIL FURTHER NOTICE: STUDENTS OR STAFF ARE TO RETURN TO THE NEAREST CLASSROOM OR OFFICE. IGNORE ALL ALARMS AND BELLS UNLESS ADVISED OTHERWISE."

General Concept

Lockdowns are used when an emergency occurs outside of the school and an evacuation would be dangerous or when there is an emergency inside and movement within the school will put students in jeopardy.

When the order for a "Lockdown" is given, – Go to the closest room supervised by an adult. Close the door (lock if possible). Students and staff remain away from doors and windows. Turn off lights/shut curtains/blinds (if available). Only use classroom phones for emergencies. Designated staff secure outside doors. Students outdoors move in or away from the building.

Action Steps – Lockdown

Incident Commander (IC) and School Emergency Team (SET):

- The Operations Manager/Director that observes a critical incident or receives a report about a critical incident can order a partial or full lockdown.
- If possible, the SET reports to the Incident Command Post prior to or immediately after a lockdown announcement to plan next steps in handling the incident.
- When ordering a lockdown, a message will be announced on the loudspeaker and will be repeated as needed:

When lockdown is sounded and announced:

- The Operations Manager/Director or any other member of the SET calls 911, fully explains what is known to police; all bells are held from being sounded.
- The Operations Manager/Director is assigned to the dangerous situation or area to ensure students, faculty, and staff do not enter the area.
- Unassigned teachers and staff ensure students in hallways, bathrooms, and other common areas are placed in the closest occupied classroom immediately.
- All faculty and staff must lock all interior and exterior doors; A custodian or the teacher/staff member with an office or room nearest each exterior door, will lock the

door and remain nearby to allow entry by law enforcement officers, if needed. Remaining faculty and staff will seek shelter in a locked room.
