

**Mountain View
Whisman
School District**

Ayindé Rudolph
Superintendent

Not only have our staff members worked extremely hard this year to provide our students with high-quality instruction and services, they have also been an integral part in our planning for reopening. I very much appreciate their care and commitment to our students and for sharing their ideas in our staff and community meetings.

There have been so many instances in which they have gone above and beyond the call of duty to make sure students are fed, are getting high-quality instruction and access to services to support them and their families. I am very grateful to be in Mountain View.
