TUPE
TOBACCO USE PREVENTION EDUCATION

Santa Clara County Office of Education
Dear Peer Advocate,

We are excited to have you on board as a Tobacco Use Prevention Education (TUPE) Peer Advocate! This guide is designed to support you throughout your journey. We will share tips and fun activities to do throughout the school year.

TUPE Site Coordinators and the TUPE Team are available to support you with any challenges or obstacles you may face as you participate in the program, during school hours.

We hope the TUPE program will inspire you to feel connected, advocate for issues you believe in, and define your purpose on campus, even if it is virtually!

Don't forget! Ask a friend to join with you because we are #BetterTogether and #AdvocacyMatters!

Sincerely,

The TUPE Team

Peer Advocate Training Agenda 2021-22

3:30pm Welcome + House Keeping + Ice Breaker (10min)

3:40pm Kahoot/Education 101 (30 min)

4:10pm Peer Advocate Advisory Council (PAAC) Panel (30 min)

4:40pm Break (5 min)

4:45pm Team Building (15 min)

5:00pm Virtual Packet (30 min)
Peer Advocates are trained 6th-12th grade leaders offering peer-to-peer education to spread the tobacco and drug-free message on campus.

1. Be informed with a goal to educate your peers about the harms of vaping, tobacco, and cannabis use during the 2021-22 school year.

2. Develop skills in advocacy, public speaking, facilitation and problem solving.

3. Lead your school campus to improve the health and well-being of your peers by participating in 2 school wide tobacco awareness activities by the end of the 2021-22 school year.
Community Agreements

**CONFIDENTIALITY.**
What is said in the group, stays in the group. What is learned can be shared outside the group.

**PUT UPS, NOT PUT DOWNS.**
Always look to empower one another!

**RIGHT TO PASS.**
No need to justify yourself. It's okay to stay silent in your thoughts.

**PERSONAL ACCOUNTABILITY.**
Be someone who is reliable where others can count on you. Keep each other accountable to the agreements.

**I-STATEMENTS.**
Speak your truth. Own your intention and impact. Find ways to challenge others and be open to challenges on your own views.

**BE OPEN TO AN OUTCOME.**
If things do not go well, it's okay!

**ONE VOICE, ONE MIC.**
Listen with respect to the person who is speaking.

**FEELINGS HAPPEN.**
Acknowledge that people may experience different feelings. The Peer Advocate Program allows for a safe space to express feelings.

**WORK TO RECOGNIZE OUR PRIVILEGE.**
The process of becoming comfortable and open to acknowledging, critiquing, and accepting my own privilege.

**TAKE RISKS!**
Participate and try new experiences and activities.
What is Tobacco?

**Production**
- Tobacco plant mass production began in the 19th century
- It is used traditionally for trade and ceremony in the Americas.
- Tobacco is grown and processed then added to other ingredients to create products like cigarettes and chew.

**Health Effects**
- Tobacco naturally contains the stimulant nicotine which is highly addictive.
- When nicotine is first used it leads to feelings of pleasure but over time users begin to crave nicotine just to feel normal.
- Tobacco smoking causes inhalation of carbon monoxide, cyanide, and carcinogens that have been proven to result in heart and lung disease, as well as various forms of cancer.

**Environmental Effects**
- Tobacco production requires significant pesticide use, which along with fertilizers, end up in soil and waterways.
- In some areas, a significant amount of deforestation occurs in order to harvest the wood necessary to cure, package, and roll tobacco plants.
- Cigarette butts are the most littered item in the world.

---

How much nicotine is in that vape?

**Cigs in a Pod**
- 1 Pack of Cigarettes ≈20 mg of nicotine
- 1 JUUL pod ≈41.3 mg of nicotine
- 1 Puff bar ≈50 mg of nicotine
- 1 Suorin pod ≈90 mg of nicotine

All images from the Stanford Tobacco Prevention Toolkit. Check out more [here](https://tobaccoalternatives.org/).
2020 National Youth Tobacco Survey

About 1.73 million fewer U.S. youth are current e-cigarette users compared to 2019

However 3.6M U.S. youth still currently use e-cigs

There is a notable uptick in use of DISPOSABLE e-cigs by youth

More than 8 out of 10 current youth e-cig users use flavored e-cigs

Why is vaping a problem?

Young people who ever used e-cigarettes 5x more likely to be diagnosed with COVID-19

Young people who ever used e-cigarettes plus conventional cigarettes 7x more likely to be diagnosed with COVID-19

All images from the Stanford Tobacco Prevention Toolkit. Check out more here!
Vaping Cannabis

What is a “vape”? 
• Vapes are e-cigarette devices used to inhale and exhale aerosol. 
• Concentrated cannabis oil or wax is heated and turned into an aerosol, not a vapor.

The Numbers: 
• In a vape pen, cannabis oil is not “vaporized,” it is actually aerosolized. 
• It takes 5-10 seconds for the THC to reach the brain and the effects can be felt within minutes. 
• The high lasts about 30 minutes to several hours. 
• The THC concentration depends on the oil used, which is often mislabeled. 
• Vaping is NOT harmless.

What do they look like? 
• Vapes can look like flash drives or pens. 
• They consist of concentrated cannabis oil, a battery, and a mouthpiece.

Note: 
• Inhaling smoke of any kind causes damages to the respiratory system 
• Using “vape” products is not a harmless alternative to smoking, it’s just another form of smoking. 
• Sharing these devices puts users at risk of getting herpess, mono, and colds.

Cannabis Awareness & Prevention Toolkit 
Division of Adolescent Medicine, Stanford University 
capt.stanford.edu

All images from the Cannabis Awareness and Prevention Toolkit. Check out more here!
Smoking Cannabis: Joints, Blunts, & Spliffs

What are joints & blunts?
• A joint is marijuana flower wrapped in rolling paper.
• A blunt is marijuana flower wrapped in a thin paper made for rolling cigarettes.
• Spliffs are cannabis flower and tobacco wrapped together in a thin paper.

What do they look like?

The Numbers:
• It takes 5-10 seconds for the THC to reach the brain and the effects can be felt within minutes.
• The high lasts between 30 minutes to several hours.
• The THC concentration varies depending on the marijuana flower used.

Nicotine + Cannabis:
• There is about 1.2 to 6.0mg of nicotine per cigar wrapper.
• 70% of individuals who use cannabis also use tobacco.
• Blunts and spliffs expose the user to harmful tobacco substances, including nicotine.
• Blunt and spliff users get high and addicted from BOTH the nicotine and THC in them.

Note:
• Inhaling smoke of any kind and from any form of cannabis or nicotine, damages the respiratory system.

Cannabis Awareness & Prevention Toolkit
Division of Adolescent Medicine, Stanford University
capt.stanford.edu

All images from the Cannabis Awareness and Prevention Toolkit. Check out more here!
Edibles

What is an edible?
• Edibles are marijuana infused foods and drinks.

The Numbers:
• For most, it takes 1-2 hours to feel the effects of the marijuana.
• The high typically lasts for hours.
• The THC concentration varies greatly, even within the same batch of edibles.
• Very easy to over consume because of the masking flavor of sugar.

What do they look like?
• Brownies
• Cookies
• Candies
• Beverages
• Chocolates
• Baked Goods
• Gummy Bears

Note:
• Children and pets are at high risk for eating these by mistake.
• Because it takes so long to feel the effects, people may take more and more until the high kicks in, so it is very easy to take way too much.
• Edibles are sometimes labeled with their ingredients, but not always clearly.
• The high from edibles is different from other forms of marijuana because it can have hallucinogenic and other effects throughout the body.
EDUCATIONAL RESOURCES

Have a friend or know someone struggling with vaping? Check out this resource to help them out.

Text "Quit Smoking" or "Quit Vaping" to 66819

Peer Advocate Meetings

Complete the recommended activities to get to know your fellow Peer Advocates better and brainstorm ways to spread the vape-free message at your school.
Building a Team!

It is recommended to facilitate Peer Advocate meetings once or twice a month. Here is a guide you can use before leading a meeting:

- Create an Agenda
- What is the purpose and goal of the meeting?
- Include an Ice breaker
- Assign roles:
  - Facilitator
  - Note taker
  - Timekeeper
- Create next steps at the end of the meeting
Get to know each other!
As a part of your first meeting, we highly recommend getting to know one another. One way to do that is by team building/ice breakers!

Here are a list of ice breakers that can be done at each Peer Advocate meeting virtually or in person:

- 2 truths and a lie
- 4 corners
- Would you rather?
- Feelings wheel
- Fun fact about self
- Guess the Emoji song
- Guess the movie quote

*Reach out to TUPE Specialists for more fun ideas on Ice Breakers or templates!*

Spread the word! Who are the Peer Advocates?
Get the word out about who you all are at your school! Spreading the word is a way to let your peers know of the goals and activities you all will be completing as Peer Advocates.

Here are ways to spread the word at your school:

1. Take a group photo!
2. Post the group photo on Social Media, School Newsletter, School Website, etc.
3. Please send the group photo to the TUPE team and we can post on our Social Media.
4. Make sure to have a caption that explains what a Peer Advocate is and the awesome work that you plan to do this school year!
Create your own Meeting Agreements!

As a way to build a strong team, we recommend creating your own Meeting Agreements. Create 5-10 Meeting Agreements, which should be specific and used as a tool to help your meetings run smoothly. If there are any obstacles to overcome, you may refer back to the Meeting Agreements as a group to help resolve any issues or challenges.

You can refer to the Community Agreements page for examples for creating your Meeting Agreements.

Here are a few guiding questions to get you started:

- Which of the Community Agreements stand out to you? Why?
- How would some of those Community Agreements look like in action?
- Think about what would help you succeed working together in an activity.
Get Creative! Design a logo

Every team has a logo, right? Get creative and design a logo for the program. The winning logo will go on a t-shirt and the other logos will be made into stickers! Submit final logos to the TUPE Team by Thursday, March 31, 2022.

- Use up to 4 colors
- Should reflect theme and goals of the program
- Logos must be submitted to the TUPE Team

Guiding Questions for Inspiration:
- What does Tobacco Use Prevention Education mean to you?
- Why did you become a Peer Advocate?
- What does it mean to be an advocate?
- How do you want Peer Advocates to be represented on your campus?

#BetterTogether
#AdvocacyMatters
You can draw your logo or use Canva!
School Wide Activities

Complete 2 fun and creative activities for your peers to enjoy throughout the 2021-22 school year.

Feeling up to the challenge? You are welcome to complete more than 2 activities!

Record all activities in the Activity Log!
Below are a list of events you can hold for your school-wide activities during the school year. Choose your top 2 events for completing an activity. Feeling up to the challenge - you are welcome to complete more!

**SEPTEMBER 2021**

Self-Improvement Month

Hispanic Heritage Month - starts on Sept. 15th

**OCTOBER 2021**

October 23 - 31, 2021
Red Ribbon Week - A nationwide campaign to raise awareness on alcohol, drug, and tobacco-free lifestyles.

October 31-November 2
Dia de los Muertos

**NOVEMBER 2021**

Lung Cancer Awareness Month

November 18, 2021
Great American Smokeout

**FEBRUARY 2022**

African American History Month

**APRIL 2022**

April 1, 2022
National Take Down Tobacco Day - A day of action on raising awareness on tobacco use in your community, encouraging youth to stay tobacco-free, and to reach elected officials on implementing policies on tobacco control.

April 22, 2022
Earth Day

**MAY 2022**

Foster Youth Awareness Month

Mental Health Awareness Month

May 31, 2022
World No Tobacco Day

**JUNE 2022**

PRIDE Month

All dates are subject to change.
SAVE THE DATE!

Here are a list of events to look forward to during the year. Don't forget to mark them on your calendar!!

**Peer Advocate Training (10/06)**
This is the day we will go over everything and anything that has to do with being a Peer Advocate. Bring a friend!

**PSA Contest**
Get creative and submit an art piece, video, or poetry about this year's theme, "The impact of tobacco/vape in a post-COVID world"

**Teens Tackle Tobacco Conference (TBA)**
A youth-centered conference that provides incredible educational opportunities around prevention, awareness, advocacy, cessation, wellness and positive youth development.

**Peer Advocate Series (02/10 & 02/17)**
Here is your chance to be a better Peer Advocate by going on a deeper dive on topics we discuss in meetings as well as sharpening some skills along the way!

**Youth Quest (03/14)**
Youth Quest provides an opportunity for youth advocates to demonstrate their commitment to a tobacco-free California, learn about current tobacco control efforts, and build their advocacy skills by sharing their local work with legislators.

**End of the Year Celebration (05/04)**
Join us in all the fun as we celebrate all the wonderful work you've done throughout the year!

All dates are subject to change
Preparing for a School Wide Activity

1. **Prepare**
   - Choose the activity you will do as a group.
   - Decide where and when you will do the activity. If virtual, decide what virtual platform you will use.
   - Gather the materials you will need. Refer to the Materials Folder for templates, instructions, and more!
   - Assign roles for each part of the activity.
   - Familiarize yourself with the information you will be showcasing.
   - Schedule a run through, if needed.

2. **Implement**
   - Set up tables, displays, and presentation materials (for in-person activities)
   - For virtual, plan to meet 30 minutes prior to prepare and go over last minute details.
   - **IMPORTANT:** Keep track of how many students you are engaging. You will be asked to record this in the Activity Log.
   - Have fun!

3. **Reflection & Debrief**
   - Check out the Reflection & Debrief page in your Virtual Packet to reflect & debrief individually or in a group after each activity.

4. **Track**
   - Make sure to track your activities in the Activity Log to capture the amazing work you have done!
   - **TIP:** It is best to record the activities in the Activity Log 1-2 days after the activity so you can share with the TUPE team fresh details.

**Activity Log**

**Materials Folder**

---

21
Peer Presentations

Tips for presenting in a Virtual Space:
- Know your audience
- Be mindful of background noise or people
- Mute yourself when not speaking
- Familiarize yourself with the virtual program you are using
- Dress appropriately, even if you are presenting virtually
- Remember to practice!

Take your public speaking skills to the next level! Provide an educational virtual or in person presentation on the harms of tobacco, vaping, and cannabis use to your peers. Presentation templates are available, however, Peer Advocates can create their own or make changes to the templates. Please see Presentation examples in the Materials Folder.

Reminder to record challenge in Activity Log!

Ask your audience to take an evaluation in the end (also in the Materials Folder).
Peer Advocate Panel

Peer Advocates are encouraged to plan and implement a virtual or in person panel for students, parents, or the general public.

Tips:
- Create a flyer and eventbrite registration
- Choose a meeting platform (e.g. zoom)
- Create an agenda
- Have an introduction
- Provide an evaluation at the end

Questions to Consider:
- Who is your audience?
- Who are your panelists?
- What questions do you have for panelists?
- Will you be providing a presentation, quick 101, or data at the beginning?
- Will you have a Q&A at the end?

Reminder to record activity in Activity Log!
Create a social media campaign to counteract Vape Company’s targeted advertising. Brainstorm a topic and start the campaign on your own social media account or on the TUPE (@SCCOE_TUPE) Instagram Page.

Some example topics include:
- Flavors
- Density
- Smoke Free Multi-Unit Housing
- Cessation and Quitting tips
- Marketing to youth
- Youth Usage in Santa Clara County
- Photovoice

Reminder to record activity in Activity Log!

Here’s a list of accounts to follow and get inspiration from:
- @truthinitiative
- @cannabis_decoded
- @teensvsvaping
- @cyanonline
- @StanfordREACHYAB

"Use social media to IMPACT people."
Competition Games

How much do you know about the harms of vaping?

Test the knowledge of your peers by hosting a virtual or in person competition using Kahoot!, Family Feud, Scavenger Hunt, or Jeopardy. Include educational information about tobacco and vaping.

All Templates and Instructions found in Materials Folder!

Reminder to record activity in Activity Log!
Ready, Set, Action! Capture the attention of your school by creating a fun 2-minute video to kick off Red Ribbon Week or Take Down Tobacco Day! Make sure to include a description of the event, a fun fact, and what on-campus or virtual activities will take place. Videos can be shared via email and social media.

Tips:
- Keep it short! 1 to 2 minute videos allow you to get straight to the point
- Use humor!
- Be creative - Think outside of the box!
- Make sure to double check audio. If recording outside, wind can disrupt audio.
- If doing a skit, rehearse! Rehearsing can limit mistakes when it's show time.

Reminder to record activity in Activity Log!
PSA Contest

Make a statement with a Public Service Announcement (PSA) poster or video contest!

Peer Advocate Role

- Establish the rules for the contest
- Set a deadline
- Choose a theme
- Create a flyer
- Select the winning prizes
- Judge the winning poster or video entry.

Businessmen: *Makes Drugs And Juul Pods*

Teachers And Activists:

Happy Red Ribbon Week!

Make it a Meme Challenge!

Reminder to record activity in Activity Log!
Pledge Wall

"I am tobacco/vape/drug-free because..."

On-Campus
Display a Pledge Wall or Banner for Red Ribbon Week or Take Down Tobacco Day. Ask your peers to write their pledges.

Distance Learning
Encourage your peers to use the website Padlet or other social media platforms like Instagram, YouTube, or TikTok to upload their pledges to be tobacco, vape, or drug free. Start your own pledge to inspire others!

Reminder to record activity in Activity Log!
Natural High engages influencers, educators, and peer groups to help young people discover those core activities in their lives that uplift, inspire, and motivate them to find their 'Natural High' rather than use alcohol or drugs.

**Activity**

Screen Natural High videos in class via zoom or any meeting platform that works for you. On campus: screen the video in class or during lunch. You can also encourage your peers to participate in a multi-media contest! Peers can take a photo, draw, create a video or a song about their Natural High and post it on TUPE's Instagram, on their social media, or your school's website! Use the hashtag #NaturalHigh.

**Peer Advocate Role**

Create the rules of the contest, judge the entries, create hashtags and come up with prizes!
Dia de los Muertos
October 31 - November 2

About
Dia de los Muertos (Day of the Dead) is a holiday that reunites the living and dead. Typically during this holiday, families create ofrendas (offerings or a collection of objects placed on display) to honor their departed family members that have passed. The altars are decorated with bright yellow marigold flowers, photos of the departed, and their departed's favorite foods.

Activity
Tie in Red Ribbon Week with Dia de los Muertos! If on-campus, set up and decorate the ofrenda. If distance learning host a virtual event to honor and celebrate this holiday! Encourage students to bring or post on social media a photo, poem, or something that symbolizes the person they lost due to alcohol, tobacco, or other drugs. Use the hashtags #DiaDeLosMuertos and #RedRibbonWeek.

Reminder to record activity in Activity Log!
Host a fun school-wide trivia challenge during morning announcements for Red Ribbon Week or Take Down Tobacco Day! Please see examples of Trivia Questions in Materials Folder.

Incorporating trivia during the morning school announcements or school newsletter makes it fun and interactive!

Distance learning? Make the trivia virtual!

Reminder to record activity in Activity Log!
Cups in a Fence

Display a unique message of your choice at your school! Get creative with your message to capture the attention of your peers and the community!

Find the instructions in the Materials Folder!

Reminder to record activity in Activity Log!
What's in a Vape Cloud?

Highlight the youth vaping epidemic with a unique and eye-catching display. This activity is a great way to share up to date facts with your peers and community.

Find the instructions in the Materials Folder!

Reminder to record activity in Activity Log!
HERE IS AN EXAMPLE OF WHAT YOUR SPIRIT WEEK CAN LOOK LIKE FOR THIS YEAR!

Red Ribbon Week

Monday. Ready for Red
wear red clothes
or a red ribbon!

Tuesday. "Lei" off drugs!
wear lei’s or flowers

Wednesday. Better Together!
wear sports gear

Thursday. Too bright for vaping!
wear bright colors /
sunglasses

Friday. Drugs are scary!
wear a costume

BE CREATIVE! TRY TO TIE IN YOUR SCHOOL ACTIVITIES WITH THE TUPE MISSION ON YOUTH WELLNESS

Reminder to record activity in Activity Log!
Advocacy

Help spread the tobacco and drug free message around your campus, to your peers, teachers, and parents / guardians with these tips below!

**Wellness Kits**
Create kits for your community filled with information about vaping, hygiene products, and masks.

**Tabling Around Campus**
Set up tables around campus during lunch with materials to help spread awareness about the harms associated with vaping and cannabis. Get creative! provide students with handouts for participating!

**Parent Night Showcase**
Teach your parents / guardians all of the harms and risks associated with vaping devices and cannabis students are being exposed too. Show off all of your hard work from the Peer Advocate Program!

Reminder to record activity in Activity Log!
Well done! You completed a school wide activity! After each activity, take some time to reflect and debrief. Below are two examples of ways you can reflect individually or debrief as a group.

### 3 Question Reflection
(Use this 3 Question Reflection as an individual evaluation at the end of your activity)

<table>
<thead>
<tr>
<th>I learned...</th>
</tr>
</thead>
<tbody>
<tr>
<td>I liked...</td>
</tr>
<tr>
<td>Next time I will...</td>
</tr>
</tbody>
</table>

### Post-Activity Debrief
Answer the questions below to help you reflect on the activity completed and to begin looking towards your next activity as a Peer Advocate.

1. What went well?
2. What did not go well? Why?
3. Did we accomplish our goals that we set at the beginning of this activity?
4. If not, why did we not accomplish them?
5. Were the instructions clear?
6. How can we improve for next time?
END OF YEAR REFLECTION & CELEBRATION

TUPE PRESENTS

3:30 P.M. TO 5:30 P.M.

WEDNESDAY, MAY 4, 2022

Turn Up
WITH TUPE!

FUN GAMES GIVEAWAYS

AT THE END OF THE SCHOOL YEAR, JOIN US AND YOUR FELLOW PEER ADVOCATES IN CELEBRATING YOUR ACCOMPLISHMENTS! THE END OF YEAR REFLECTION AND CELEBRATION WILL TAKE PLACE VIRTUALLY.
