

The Monster We Set Free

by Zara , 9th grade

Dr. TJ Owen's Gilroy Early College Academy

**Home is supposed to be
Danger free**

**A safe haven
No harm in the equation**

**When you smoke
You're not the only one who chokes**

**If danger were to appear
At your door**

**You wouldn't want them to be near
That's something you can't ignore**

**If you let intruders in
The real harm will start to begin**

**Monsters that blind you
Just to hurt the ones you love too**

They make you addicted.

**You've made your choice
But they didn't get a voice.**
