

Parts of a Book Activity

Additional Materials:

- Metal or plastic game spinner (2 ½" – 3")
- Brass paper fastener
- Assortment of books

Prepare:

- Print on cardstock.
- Laminate.
- Poke a hole in the center of the circle.
- Attach the game spinner to the sheet with the brass paper fastener. Adjust the paper fastener so the spinner spins freely.

Activity:

- One student spins the spinner while the others take turns pointing out the part of the book indicated by the point of the spinner.

Suggestion:

- Make up extra activity sheets so you can have more groups participate.
- Pull a variety of books from the shelves for each group.
