

# Shelf Order Shuffle Activity

## Prepare:

- Print a few worksheets and a couple of the call number pages on cardstock.
- Laminate and trim call number pieces just outside the black border.
- Store small pieces in a sandwich-size zip bag attached to the back side of the activity page.

## Activity:

- If you have more than one main activity page divide the pieces and have the students put the call numbers in shelf order.

## Suggestion:

- Group work: Have some groups work on Fiction and the others do the non-fiction.
- Use the blanks for collections such as Easy (Everybody) books, Biographies, or Reference.
