

Fact or Fiction Activity

Prepare:

- Print on cardstock. One bright color for FICTION and another for FACT (non-fiction) cards. You may have to print multiple sheets depending on your class sizes.
- Laminate. Or, use a 5 or 7 mil laminating pouch for more durable cards.
- Trim, leaving a small clear edge around each card. Round corners.

Activity:

- Gather a collection of fiction and non-fiction books.
- Pass out one card to each student.
- As you hold up the book students raise the appropriate card for the book.
