Certificated Personnel

The Santa Clara County Board of Education recognizes that teachers and other certificated personnel work closely with students in carrying out the SCCOE's educational goals. The Superintendent is the employer and shall ensure that the duties, responsibilities, and SCCOE's expectations for certificated positions are clearly defined and made known to each member of the certificated staff.

Each certificated staff member shall be held accountable for duties assigned to him/her and shall undergo regular performance evaluations in accordance with law and negotiated agreements.

The Board strongly encourages certificated staff to continually improve their skills and pursue excellence within their profession.
