## **SCHOOL PICTURES**

### Parent/Guardian Permission Form

One of the purposes of our school is to educate the public to the needs and abilities of students with special needs. In order to do this, we have occasional requests for articles and pictures of educational interest. Publicity of this kind is carefully controlled, and “names” are seldom used.

Please give us your written permission, below, to use your child’s picture and name for such articles.

\* \* \* \* \*

I give my permission to have pictures taken of my child and allow the use of his/her name for articles of educational interest.

\_\_\_\_\_ Yes \_\_\_\_\_ No
