

**TARA STRONG**  
**Writing Gains and CAHSEE Prep**  
**Protocol**  
**Champions for Leadership**  
**June 21, 2011**

# Goals

- Create a protocol to administer writing gains test at juvenile hall.
- Design a uniform system for delivery of CAHSEE prep.
- Create and maintain a schedule of teachers and students for after school tutoring
- Collect and examine data from CAHSEE exams to support benefit of tutoring

# Accomplishments

- A protocol for Reading Gains test is now being administered .
- Testing is administered by assessment technicians and assistants with limited teacher involvement.
- CAHSEE revolution was offered through a C-PIP grant and additional licenses purchased with school site funds

# Successes

- Students were able to be tested using the Reading Gains test in a timely and efficient manner.
- A uniform delivery of instruction for CAHSEE prep allowed students to receive the needed support effectively.
- Data collection from the CAHSEE prep and tests were compared to support program implementation

# Key Learning

- The process of setting up protocols that determine effective use of time and resources.
- The importance of individuals and the variety of skills needed to have successful processes.
- The ability to manage/design schedules .
- The reality of one project leading to another project.
