Common Core State Standards

CCSS Information booklet

Champions for Leadership

May 28th, 2013

Professional Development Goals

- Empower teachers and support staff.
- Enhance student growth and success.
- Promote student advocacy.

Professional Development Goals

- Strengthen my inter-personal skills

Project Goals

- Create a booklet on Common Core State Standards (CCSS)

Project Goals

- Highlight on shift and some of the salient features
- User-friendly

Accomplishments

- Enhanced my knowledge about multi media

Accomplishments

- Collaborated with different departments
- Learned about Project Management Planning

Key Learnings

- Be open-minded and receptive
- Encourage every team member to contribute
- Acknowledge and appreciate each team member's efforts
- Celebrate success

Successes

- Assumed a leadership position in the implementation of my project
- Succeeded in “stepping out of comfort zone”
- Met with the deadline of each phase of my project.
- Learned about the roles of various SCCOE departments

Key Learnings

- Identify a reliable resource for project funding

Challenges

- Rescheduling meetings, appointments
- Filtering through the heaps of information available in the Internet on CCSS

Challenges

- Working extra long hours to meet deadlines

Acknowledgements
