How do you envision the forthcoming destiny of our country? In celebration of the upcoming 2021 United States Presidential Inauguration on January 20, 2021, the Santa Clara County Office of Education (SCCOE) invites you to share your **hopes and dreams for the future** by creating an original piece of artwork.

Selected entries will be showcased at the SCCOE Power of Democracy event as well as on the SCCOE website.

To submit an entry, create a piece of art to share your hopes and dreams for the future. Consider these questions:

- What does your ideal country look like?
- What is an issue you feel passionate about?
- What are some changes you would make to create a better world for all?
- Why is it important for people to hear what you have to say?
