The SCCOE is committed to creating safe and inclusive school environments for all youth, free from harassment, intimidation, bullying and discrimination, and is committed to addressing the needs and inequities LGBTQ+ youth experience.

As schools, students and families begin the new school year, here are resources that can provide guidance for LGBTQ+ youth, families and allies:

- SCCOE LGBTQ+ Supports & Resources
- The LGBTQ Youth Space
- Santa Clara Valley Medical Center's Gender Health Center
- PFLAG San Jose/Peninsula Chapter

Safe and welcoming school environments are important for the health and wellbeing of youth. Asking pronouns and names, and using inclusive language can make a world of difference for students.

“I thoroughly enjoyed my experience on the YTF. While at the beginning I had no idea what the county government did, I gained an appreciation for the important work local governments do — even if it’s not flashy or glamorous. It was also a great experience working with other students who were also deeply passionate about civic engagement and making an impact on the issues that affect young people.”

— Winston Li, Former YTF Member
