Message from Dr. Mary Ann Dewan, County Superintendent of Schools

Dear Santa Clara County Community,

The impact the Santa Clara County Office of Education (SCCOE) has on the community is only possible because of the immense hard work and dedication of the staff who work tirelessly to meet the needs of youth in our community.

On August 19 from 9 a.m. to 1 p.m., the SCCOE will host the annual Step into an Education Career, formally known as Step into Teaching, at 1290 Ridder Park Ave, San Jose. This event has expanded to discuss how interested persons can become teachers, and now, also counselors, school nurses, speech and language pathologists, and audiologists. Attendees will have the opportunity to learn credentialing processes, talk with representatives from local universities, and learn about compensation, benefits, financial aid, and retirement. Step Into An Education Career is for career changers, retirees, high school seniors, community college students, and anyone who may be interested in education as a career. To learn more about this event or register, visit: www.sccoe.org/educationcareer

There are positions at every level and various areas of interest. Certificated positions are for those with specific credentials for more specialized positions, such as teachers, school nurses, counselors, and psychologists. Classified staff are those who have positions such as human resources (HR), paraprofessionals, accountants, bus drivers, maintenance, administrative assistants, and custodial staff. Substitute positions are more flexible options in just about every department. To learn more about certificated positions currently available, visit: https://www.edjoin.org/sccoe. Classified positions are posted at https://www.sccoe.org/jobopps/Pages/home.aspx. The SCCOE has employment opportunities for everyone, apply to make a difference in your community.

We are #StrongerTogether.

Be well,

Mary Ann Dewan, Ph.D.
County Superintendent of Schools

The Santa Clara County Library District is looking for volunteers who are willing to provide homework help to students in grades K-6 in the topics of Math, Science, and English. Volunteer tutors must be at least 14 years old, available at least one day (Monday-Thursday) from 4 – 5:30 p.m., and commit to a full semester. Adults will be background checked, and all tutors must attend required training.

Training includes pre-assessment and post-assessment, welcome and best practices, cultural competency, mentorship, learning expectations, and general tutoring support. There will also be an orientation.

If you’re ready to volunteer and help students with homework, please fill out our online application form: https://sccld.org/volunteer/#sign
Congresswoman Lofgren is hosting the annual Congressional App Challenge for middle and high school students in the 18th congressional district. This is a computer science competition where youth are encouraged to create an app. The deadline for app submissions is November 1.

To learn more, visit: [https://www.congressionalappchallenge.us/students/student-registration/](https://www.congressionalappchallenge.us/students/student-registration/)
