Message from the County Superintendent of Schools, Dr. Mary Ann Dewan

Hello everyone,

Soon, the sun will set a little earlier, and we will feel a crispness in the night's air. With school starting back up and routines shifting, it's important to remember taking a break and having some carefree family playtime. We are fortunate to be located in a beautiful environment. No matter what ages make up your family, Santa Clara County has countless opportunities for fun family moments. Effortless outdoor gatherings, from telling stories on the porch to a family hike or bike ride or visit one of [Santa Clara County's outstanding parks](#), are bound to bring joy and laughter.

Mary Ann Dewan, Ph.D.
County Superintendent of Schools

As a family, it's also important to visit the ["Return to School Roadmap,"](#) a tool released by the U.S. Department of Educated last week. There is a [fact sheet for schools](#), families, and communities that reviews "Landmark" priorities. The priorities encourage a focus on ensuring all students experience success in the 2021-2022 school year by prioritizing students' health and safety, staff, and educators, building school communities, and supporting students' social, emotional, and mental health, accelerating academic achievement. There is also [a checklist](#) that parents can use to prepare themselves and their children for a safe return to in-person learning this fall, including vaccinating eligible children and masking up if students are not yet vaccinated.

Be well,

Mary Ann Dewan, Ph.D.
