Dual Language Immersion is a unique educational program offered in Franklin-McKinley School District that builds bilingualism and biliteracy in two languages. We offer a Spanish Dual Immersion Program at Meadows Elementary and a Vietnamese Dual Immersion Program at Windmill Springs Elementary.

Community Circles and Inquiry-Based Projects are implemented in our classrooms to promote student voice and authentic student engagement.

# What do you envision doing differently moving forward?

- ❏ Create more opportunities for family engagement (e.g. family and student interviews, family projects, parent workshops, social events, cultural celebrations, etc.)

- ❏ Integrate inquiry-based instruction to support our multilingual learners

- ❏ Implement Community Circles to promote Student Voice

- ❏ Implement student ambassador programs
