

STATE AND REGIONAL PROJECTS DEPARTMENT

Inclusive • Innovative • Impact for Student Success!

The **State and Regional Projects Department** helps educational partners such as districts, charter schools, and County Offices of Education (COEs) to impact student success. To promote equitable outcomes for students, this team collaborates with educational organizations that consistently improve specific priority areas set by the state leading to positive results for students.

- ▶ **Building** capacity of COEs within the counties of Alameda, Contra Costa, San Francisco, San Mateo, Santa Clara, and Solano to support Local Educational Agencies to improve student outcomes
- ▶ **Facilitating** continuous improvement efforts and professional learning opportunities that focus on equity, inclusion, and state priorities
- ▶ **Providing** Tier 2 targeted improvement promoting inclusion for students with disabilities
- ▶ **Partnering** with the California Collaborative for Educational Excellence, California Department of Education, Statewide System of Support partners, COEs, and districts
- ▶ **Leveraging** resources and expertise within the Statewide System of Support
