County Superintendent of School, Dr. Mary Ann Dewan, Responds to the California Department of Public Health Release of New COVID-19 Guidance for TK-12 Schools

As schools are preparing for the upcoming 2022-23 school year, the release of the updated COVID-19 school guidance will help our TK-12 educational leaders in their decision making as we continue to navigate living alongside the virus. The Santa Clara County Office of Education will continue to support our local schools throughout the county. Our partnership with local and state agencies remains strong as we work to ensure the safety and wellbeing of students, staff, families and community.
