

Understanding a Book INDEX Worksheet

Prepare:

- Print and/or copy enough worksheets for your classes.

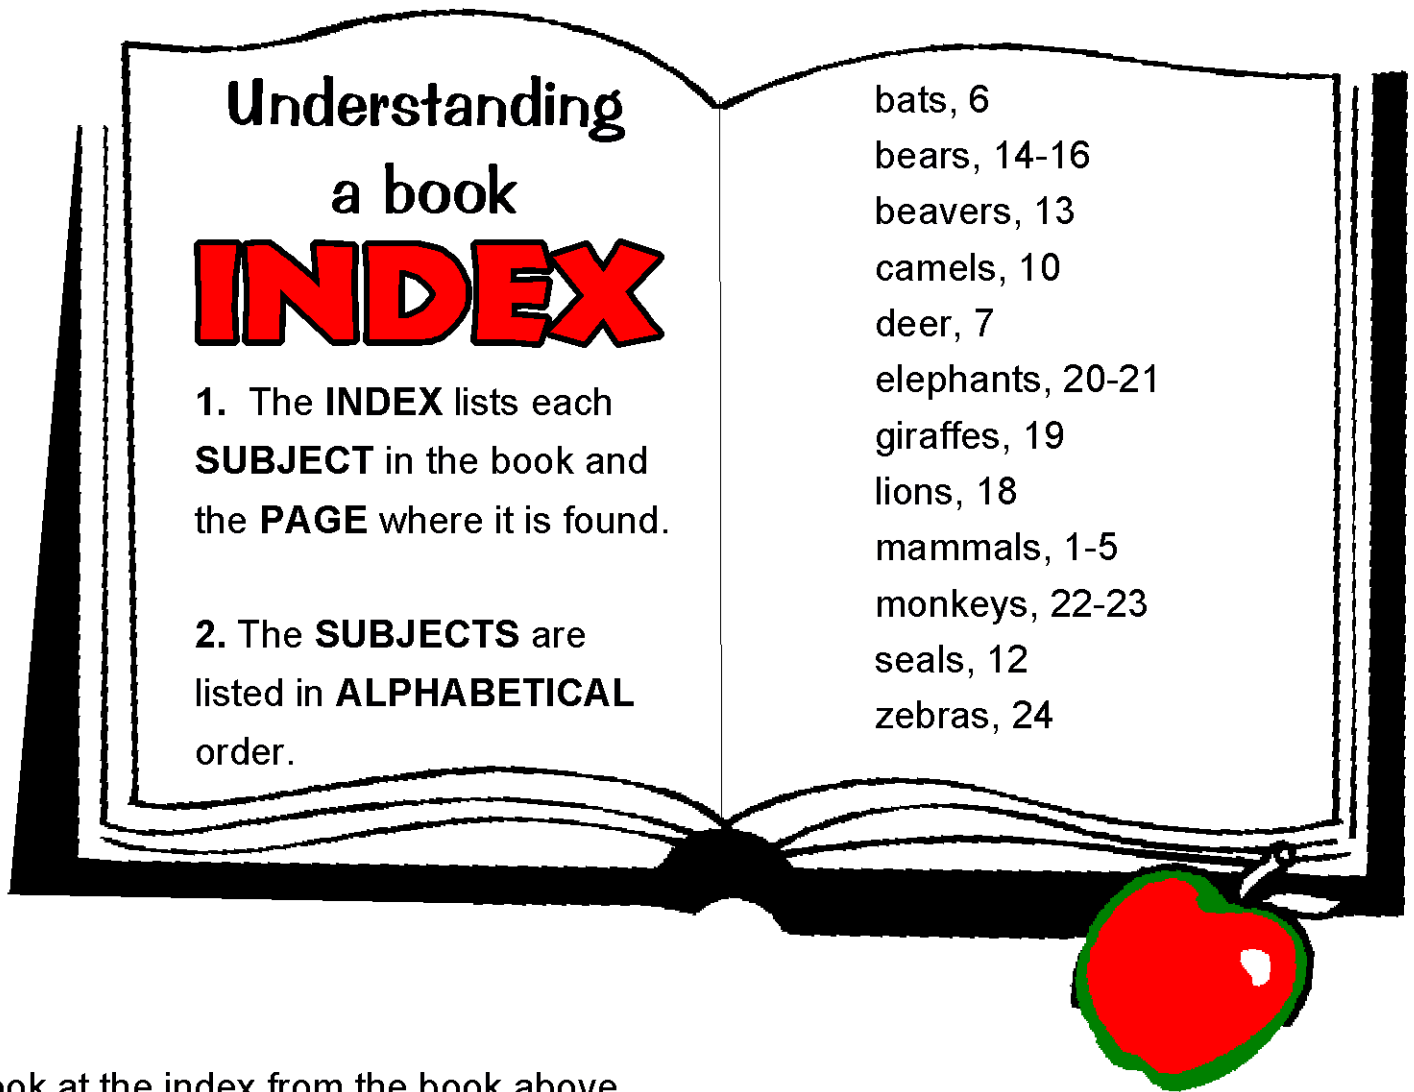

Worksheet Instructions:

- Complete the worksheet using the sample Index on the top of the page.

Suggestion:

- Print a few worksheets on cardstock and laminate.
- Have students work in small groups using a dry-erase marker to write their answers.
- Clean the worksheets when the activity is completed.
- Re-use them with your next class.

Look at the index from the book above.
Can you answer these questions about it:

1. On what pages would you read about mammals? _____
2. On what page would you read about bats? _____
3. On what pages could you find information about elephants? _____
4. Would you find information about birds in this book? _____
5. What would be a good title for this book? _____

Don't forget... An INDEX is found in the BACK of a book.
